The Programme provides that Securities may be listed or admitted to trading, as the case may be, on such further or other stock exchanges or markets as the relevant Issuer and the Dealer(s) (as defined herein) may agree. The applicable Final Terms will specify whether the Securities are to be listed (and, if so, on which stock exchange(s) and/or market(s)) or will be unlisted Securities.

In respect of Securities to be listed on the SIX Swiss Exchange AG (the "**SIX Swiss Exchange**"), the relevant Term Sheet (as defined below), if any, and/or Final Terms in respect of such Securities will specify that such Securities will be listed on the SIX Swiss Exchange and application for trading of such Securities on Scoach Switzerland or any successor thereto ("**Scoach Switzerland**") has been or will be made. In the case of a listing of Securities on the SIX Swiss Exchange, this Offering Circular will constitute the base prospectus for the SIX Swiss Exchange registered issuance programme pursuant to Article 21 of the Additional Rules for the Listing of Derivatives of the SIX Swiss Exchange and may be supplemented from time to time by filing an appropriate supplement (each a "**Supplement**") with the SIX Swiss Exchange modifying, updating or amending the information contained herein. In respect of Securities to be listed on the SIX Swiss Exchange, this Offering Circular, together with any Supplement and the applicable Final Terms, will constitute the listing prospectus pursuant to the Listing Rules of the SIX Swiss Exchange.

In respect of Securities which will not be listed on the SIX Swiss Exchange or which will be listed on the SIX Swiss Exchange only after the commencement of trading, such Issuer may prepare a term sheet (the "**Term Sheet**") setting forth, on a preliminary basis, certain information with respect to such Securities, the date of issue, the issue price, the redemption amount, the redemption date, the notional amount, the capital protection, the coupon, the strike price, the knock-in price (each as applicable) and any additional information required by applicable law or SIX Swiss Exchange regulations, provided that the relevant Issuer reserves the right to set forth any and all information which may be required to be disclosed in a simplified prospectus pursuant to Art. 5 of the Swiss Federal Act on Collective Investment Schemes and any implementing ordinance or other act or regulation or self-regulation in the applicable Final Terms or a separate document (the "**Simplified Prospectus**"). Any Term Sheet prepared shall be subject to the applicable Final Terms and Simplified Prospectus, if any, for the relevant Securities.

The Securities, the Guarantees and, in certain cases, the Entitlement (as defined herein) (if any) relating to the Securities have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), or under any U.S. state securities laws. The Securities, the Guarantees and any Entitlement do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the U.S. Commodity Exchange Act of 1936, as amended (the "**CEA**"), and trading in the Securities has not been approved by the U.S. Commodities Futures Trading

Commission pursuant to the CEA. The Securities may not be offered, sold, resold, traded, transferred, pledged, delivered, exercised or redeemed, directly or indirectly, at any time within the United States or to, or for the account or benefit of, any U.S. person (as defined by Regulation S under the Securities Act) (other than distributors) (in the case of Notes issued by BAC) or any United States Person (as defined herein) (other than distributors) (in the case of Notes issued by MLBV or W&C Securities) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. In addition, certain issues of Securities, including all issues of Notes by MLBV and Certificates, and the Entitlements (if any) relating to such Securities may not at any time be offered, sold or delivered in the United States or to, or for the account or benefit of, United States Persons, nor may any United States Persons at any time trade or maintain a position in such Securities. None of the Issuers has registered as an investment company pursuant to the U.S. Investment Company Act of 1940, as amended (the "**1940 Act**"), and the rules thereunder. MLICo. may offer and sell Warrants of certain issues within the United States or to, or for the account or benefit of, United States Persons, if such persons are reasonably believed by MLICo. to be qualified institutional buyers (each a "**QIB**") as defined in Rule 144A under the Securities Act ("**Rule 144A**") who are also each a qualified purchaser (each a "**QP**") within the meaning of Section 3(c)(7) and as defined in Section 2(a)(51) of the 1940 Act and the rules thereunder and who have executed an Investor Representation Letter (as defined herein) prior to acquiring any interest in the Warrants, such Warrants being referred to in this Offering Circular as "**Rule 144A Warrants**". Each purchaser of Rule 144A Warrants being offered within the United States or to, or for the account or benefit of, a United States Person is hereby notified that the offer and sale of such Rule 144A Warrants is being made in reliance upon an exemption from the securities registration requirements of the Securities Act and the investment company registration requirements of the 1940 Act. In certain circumstances, exercise of Securities will be conditional upon certification as to non-U.S. beneficial ownership or, in the case of certain Series of Warrants, that the holder (and any person on whose behalf the holder is acting) is a QIB and a QP. See "Terms and Conditions of the W&C Securities" on pages 197 to 258 and "Additional Terms and Conditions for Rule 144A Warrants" on pages 474 to 481. Investors in the Securities will be deemed to have made or be required to make certain representations and warranties in connection with purchasing the Securities. See "Notice to Purchasers and Holders of Securities and Transfer Restrictions" on pages 502 to 514. Warrants sold in the United States or to, or for the account or benefit of, United States Persons who are QIBs and also QPs will be cash-settled Warrants only and will, unless otherwise specified in the applicable Final Terms, be sold through Merrill Lynch, Pierce, Fenner & Smith Incorporated or one of its affiliates, which in each case is a registered broker dealer in the United States.

Unless otherwise indicated, as used in this Offering Circular, "**United States Person**" means a person which is a "U.S. person" as defined by Regulation S under the Securities Act or a "United States person" as defined in Section 7701(a)(30) of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), and in U.S. Treasury regulations.

For a description of certain further restrictions on offers and sales of the Securities and on the distribution of this Offering Circular, see "Offering and Sale" on pages 560 to 574.

The Notes issued by BAC are unsecured and are not and will not be savings accounts, deposits, obligations of, or otherwise guaranteed by, Bank of America, N.A. ("**BANA**") or any other bank. The Notes issued by BAC do not evidence deposits of BANA or any other banking affiliate of BAC and are not insured by the U.S. Federal Deposit Insurance Corporation, the Deposit Insurance Fund or any other insurer of governmental agency or instrumentality.

Each issue of Securities will be issued in the form set out in "Form of the Securities" on pages 76 to 81.

Prospective purchasers of Securities should ensure that they understand the nature of the relevant Securities and the extent of their exposure to risks and that they consider the suitability of the relevant Securities as an investment in light of their own circumstances and financial condition. Securities involve a high degree of risk and potential investors should be prepared to sustain a total loss of the purchase price of their Securities. See "Risk Factors" on pages 34 to 75.

The distribution of this Offering Circular and the offer or sale of Securities may be restricted by law in certain jurisdictions. None of BAC, MLBV, MLCMAG, MLICo. and any Dealer represents that this Offering Circular may be lawfully distributed, or that any Securities may be lawfully offered, in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to an exemption available thereunder, or assumes any responsibility for facilitating any such distribution or offer. In particular, unless specifically indicated to the contrary in the applicable Final Terms, no action has been taken by BAC, MLBV, MLCMAG, MLICo. or any Dealer which is intended to permit a public offering of any Securities or distribution of this Offering Circular in any jurisdiction where action for that purpose is required. Accordingly, no Securities may be offered or sold, directly or indirectly, and neither this Offering Circular nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Offering Circular or any Securities may come must inform themselves about, and observe, any such restrictions on the distribution of this Offering Circular and the offering and sale of Securities. In particular, there are restrictions on the distribution of this Offering Circular and the offer or sale of Securities in the United States, the European Economic Area (including Luxembourg, the United Kingdom, France, Italy and The Netherlands), Argentina, Australia, Bahrain, China, Curaçao, Hong Kong, Israel, Japan, Malaysia, Panama, Philippines, Russia, Singapore, Switzerland, Taiwan and Uruguay, and such other restrictions as may be required in connection with the offering and sale of a particular series of Securities (see "Offering and Sale" on pages 560 to 574). In particular, the Securities, the Guarantees and, in certain cases, the Entitlement to be delivered upon exercise of the Securities, have not been and will not be registered under the Securities Act.

This Offering Circular has been prepared on the basis that any offer of Securities in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Securities. Accordingly any person making or intending to make an offer in that Relevant Member State of Securities which are the subject of an offering contemplated in this Offering Circular as completed by the applicable Final Terms in relation to the offer of those Securities may only do so in circumstances in which no obligation arises for the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. None of the relevant Issuer, the Guarantor (if applicable) and any Dealer have authorised, nor do they authorise, the making of any offer of Securities in circumstances in which an obligation arises for the relevant Issuer, the Guarantor (if applicable) or any Dealer to publish or supplement a prospectus for such offer.

No Notes issued by MLBV or W&C Securities, other than Rule 144A Warrants, or any interests therein, may at any time be offered, sold, resold, pledged, assigned, delivered, or otherwise transferred, exercised or redeemed, directly or indirectly, in the United States or to, or for the account or benefit of, United States Persons and any offer, sale, resale, pledge, assignment,

delivery or other transfer, exercise or redemption made, directly or indirectly, within the United States or to, or for the account or benefit of, a United States Person will not be recognised. See "Notice to Purchasers and Holders of Securities and Transfer Restrictions" and "Offering and Sale". No Notes issued by BAC may be offered, sold, resold, traded, transferred, pledged, delivered, exercised or redeemed, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. person (as defined in Regulation S) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. The Notes issued by BAC will be subject to certain restrictions on transfer – see "Offering and Sale".

The Securities and the Guarantees have not been approved or disapproved by the U.S. Securities and Exchange Commission (the "SEC") or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities reviewed or passed upon the accuracy or adequacy of this Offering Circular. Any representation to the contrary is a criminal offence in the United States. The Securities, the Guarantees and any Entitlement do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the CEA, and trading in the Securities has not been approved by the U.S. Commodities Futures Trading Commission pursuant to the CEA.

This Offering Circular is being submitted on a confidential basis in the United States to a limited number of QIBs who are also QPs for informational use solely in connection with the consideration of the purchase of the Rule 144A Warrants. It may not be copied or reproduced in the United States in whole or in part nor may it be distributed or any of its contents disclosed to anyone in the United States other than the prospective investors to whom it is originally submitted.

Each purchaser or holder of interests in the Warrants will be deemed, by its acceptance or purchase of any such Warrants, to have made, or will be required to make, certain representations and agreements as set out in "Notice to Purchasers and Holders of Securities and Transfer Restrictions" and "Offering and Sale".

Notwithstanding anything to the contrary contained herein, each holder and beneficial owner of the Securities (and each employee, representative, or other agent of each holder and beneficial owner of the Securities) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions described herein and all materials of any kind that are provided to the holder or beneficial owner of the Securities relating to such tax treatment and tax structure (as such terms are defined in U.S. Treasury Regulation Section 1.6011-4). This authorisation of tax disclosure is retroactively effective to the commencement of discussions with holders or beneficial owners of the Securities regarding the transactions contemplated herein.

None of BAC, MLBV, MLCMAG and MLICo. has investigated, and none has or may have access to information that would permit it to ascertain, whether any company which has issued equity, debt or other instruments to which any Securities relate is for U.S. tax purposes a passive foreign investment company, a controlled foreign corporation, a publicly-traded partnership or other type of pass-through entity. Prospective investors in any Securities that are U.S. taxpayers should consult their own advisers concerning U.S. tax considerations relevant to an investment in such Securities.

If Securities are linked to Reference Items that are Shares of one or more United States issuers, such Shares must be registered with the SEC. In addition, if Securities are linked to Reference Items that are (i) Shares of one or more United States issuers or (ii) indices comprised of stock, Shares or other securities of United States issuers, such United States issuers must be, at the time of the issuance of the relevant Securities, a reporting issuer under the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act").

In connection with the issue of any Tranche of Notes, the Dealer or Dealers (if any) named as the Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 calendar days after the issue date of the relevant Tranche of Notes and 60 calendar days after the date of the allotment of the relevant Tranche of Notes. POTENTIAL INVESTORS MUST REVIEW THE APPLICABLE FINAL TERMS TO ASCERTAIN WHAT THE RELEVANT REFERENCE ITEM(S) ARE AND TO SEE HOW THE CASH SETTLEMENT AMOUNT, FINAL REDEMPTION AMOUNT OR ENTITLEMENT, AS THE CASE MAY BE, PAYABLE AND/OR DELIVERABLE ON THE SECURITIES AND ANY INTEREST PAYMENTS (IN THE CASE OF NOTES) OR ANY ADDITIONAL AMOUNT PAYMENTS (IN THE CASE OF W&C SECURITIES) ARE DETERMINED AND WHEN SUCH AMOUNTS ARE PAYABLE AND/OR DELIVERABLE, AS THE CASE MAY BE, BEFORE MAKING ANY DECISION TO PURCHASE ANY SECURITIES.

All of these factors are contingencies which may or may not occur, and none of BAC, MLBV, MLCMAG and MLICo. is in a position to express a view on the likelihood of any such contingency occurring.

*Each of BAC, MLBV, MLCMAG and MLICo. believes that the factors described below represent the principal risks inherent in investing in Securities issued under the Programme, but the inability of the relevant Issuer or the Guarantor (if applicable) to pay any cash amounts in connection with any cash settled securities ("**Cash Settled Securities**") or to deliver the Entitlement in connection with any physical delivery securities ("**Physical Delivery Securities**") may occur for other reasons, and none of the Issuers nor the Guarantor represents that the statements below regarding the risks of holding any Securities are exhaustive. Additional risks and uncertainties not presently known to any of BAC, MLBV, MLCMAG or MLICo. or that any of BAC, MLBV, MLCMAG or MLICo. currently believes to be immaterial could also have a material impact on its business operations or the Securities. The Final Terms in respect of an issue of Securities may contain additional Risk Factors in respect of such Securities. Prospective investors should also read the detailed information set out elsewhere in this Offering Circular and reach their own views prior to making any investment decision.*

Risk factors relating to the Issuers

Factors that may affect the relevant Issuer's ability to fulfil its obligations under Securities issued under the Programme

Each of MLBV and MLICo. is a finance vehicle whose principal purpose is to raise debt or enter into financial contracts to assist the financing activities of such Issuer's affiliates. Accordingly, neither MLBV nor MLICo. has any trading assets nor generates any significant net income.

The main markets in which MLBV issues and sells securities are the Eurobond markets.

MLICo. engages primarily in the issuance of warrants and related financial instruments and the distribution of Merrill Lynch-branded managed funds world-wide (with the exception of North America) and other managed fund products.

MLCMAG operates as an investment bank and stock exchange broker and is authorised to conduct all kinds of business related thereto. In the course of conducting its business operations, MLCMAG is exposed to a variety of risks. These risks include market and credit risks. These and certain other factors or risks relating to MLCMAG's business are described in note 2.3 of the MLCMAG 2012 Accounts.

The payment and non-cash delivery obligations under Securities issued by MLBV, MLCMAG and MLICo. (other than in respect of Swiss COSI Securities) under the Programme are guaranteed unconditionally and irrevocably pursuant to the Non-COSI Guarantee. MLICo.'s payment obligations to the extent of any Shortfall under the relevant Series of Swiss COSI Securities issued under the Programme will be guaranteed conditionally but irrevocably pursuant to the Swiss COSI Securities Guarantee. As a result, if the Guarantor's financial condition were to deteriorate, each of MLBV, MLCMAG and MLICo. and investors in the Securities issued by them may suffer direct and materially adverse consequences. Accordingly, prospective investors in Securities should review, *inter alia*, the factors below regarding BAC, the Group (as defined above) and the Group's businesses and industry, which may affect BAC's ability to fulfil its obligations under the relevant Guarantee.

Risk factors relating to BAC and the Group and to the Group's Businesses and Industry

As a large, international financial services company, BAC and its subsidiaries and affiliates face risks that are inherent in the business and market places in which they operate. Factors that could affect BAC's business and future financial performance include the general business, economic and political conditions in the United States and in other countries, competition in BAC's industry, credit risks, changes in applicable laws or regulations, governmental fiscal and monetary policies and liquidity of global markets. These and other factors or risks relating to BAC's business are described in BAC's 2012 Form 10-K Annual Report, under the caption "Item 1A. Risk Factors" and in the BAC 30 September 2013 Quarterly Report, under the caption "Item 1A. Risk Factors".

Risks relating to the Securities Generally

Investors risk losing all of their investment in the Securities

Potential investors should be aware that depending on the terms of the relevant Securities (i) they may receive no or a limited amount of interest, (ii) payments may occur at a different time than expected and (iii) except in the case of principally protected Securities, they may lose all or a substantial portion of their investment if the value of the Reference Item(s) does not move in the anticipated direction.

Investors in Securities which are principal protected may still be subject to loss of some or all of their investment if the relevant Issuer and the Guarantor (if applicable) are subject to bankruptcy or insolvency proceedings or some other event occurs which impairs the ability of each to meet its obligations under the Securities. An investor may also lose some or all of its investment if it seeks to sell the relevant Securities prior to their scheduled maturity, and the sale price of the Securities in the secondary market is less than the initial investment or the relevant Securities are subject to certain adjustments in accordance with the terms and conditions of such Securities that may result in the scheduled amount to be paid or asset(s) to be delivered upon

redemption being reduced to or being valued at an amount less than an investor's initial investment.

The Securities may not be a suitable investment for all investors

Each potential investor in the Securities must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to evaluate the Securities, the merits and risks of investing in the Securities and the information contained or incorporated by reference in this Offering Circular or any applicable supplement and all the information contained in the applicable Final Terms;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Securities and the impact the Securities will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Securities, including Securities with amounts payable in one or more currencies, or where the Settlement Currency or Specified Currency of the Securities is different from the potential investor's currency;
- (d) have knowledge of and access to appropriate analytical resources to analyse quantitatively the effect (or value) of any redemption, cap, floor, or other features of the Securities, and the resulting impact upon the value of the Securities;
- (e) understand thoroughly the terms of the Securities and be familiar with any relevant indices and financial markets; and
- (f) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

The Securities are complex financial instruments. A potential investor should not invest in Securities unless it has the expertise (either alone or with a financial adviser) to evaluate how such Securities will perform under changing conditions, the resulting effects on the value of those Securities and the impact this investment will have on the potential investor's overall investment portfolio.

In addition, an investment in Index Linked Securities, Share Linked Securities, Saudi Share Linked Warrants, GDR/ADR Linked Securities, FX Linked Securities, Commodity Linked Securities, Fund Linked Securities, Inflation Linked Securities, Credit Linked Securities or other Securities linked to other Reference Item(s) ("**Reference Item Linked Securities**"), may entail significant risks not associated with investments in conventional securities such as debt or equity securities, including, but not limited to, the risks set out in "Risks related to the structure of a particular issue of Securities" set out below.

The Securities (other than Swiss COSI Securities) are unsecured obligations

The Securities (other than Swiss COSI Securities) constitute direct, unsubordinated, unconditional and unsecured obligations of the relevant Issuer and rank equally among themselves and rank equally (subject to exceptions as are from time to time provided by applicable laws) with all other present and future direct, unsubordinated, unconditional and unsecured indebtedness or obligations, as applicable, of the relevant Issuer.

The Swiss COSI Securities constitute direct, unsubordinated and unconditional obligations of MLICo. and rank equally among themselves and rank equally (subject to such exceptions as are from time to time provided by applicable laws) with all other present and future direct, unsubordinated and unconditional obligations of MLICo. and are collateralised in accordance with the terms of the Framework Agreement.

The obligations of the Guarantor under each Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, will rank *pari passu* with its other present and future unsecured and unsubordinated obligations.

Since BAC is a holding company, the right of BAC, and hence the right of creditors of BAC (including the Holders), to participate in any distribution of the assets of any subsidiary (including each of MLBV, MLCMAG and MLICo.) upon its liquidation or reorganisation or otherwise is necessarily subject to the prior claims of creditors of the subsidiary, except to the extent that claims of BAC itself as a creditor of the subsidiary may be recognised. In addition, dividends, loans and advances from certain subsidiaries to BAC are restricted by net capital requirements under the Exchange Act and under the rules of certain exchanges and other regulatory bodies.

The yield on the Securities may be less than the yield on a conventional debt security of comparable maturity

Any yield that an investor may receive on the Securities, which could be negative, may be less than the return an investor would earn if the investor purchased a conventional debt security with the same maturity date. As a result, an investment in the Securities may not reflect the full opportunity cost to an investor when factors that affect the time value of money are considered.

Movements in the level or price of a Reference Item will affect the performance of the Securities

The level or price of the Reference Item may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant level or price of the Reference Item. This may affect the actual yield to investors, even if the average level or price of the Reference Item during the life of the Securities is consistent with investors' expectations. In general, the earlier the change in the level or price of the Reference Item, the greater the effect on the yield of the Securities.

Leverage will magnify the effect of changes in the Reference Item

If the formula used to determine any amount payable and/or non-cash consideration deliverable contains a multiplier or leverage factor, then the percentage change in the value of the Security will be greater than any positive and/or negative performance of the Reference Item(s). Any Securities which include such multiplier or leverage factor represent a very speculative and risky form of investment since any change in the value of the Reference Item(s) carries the risk of a correspondingly higher change in the value of the Securities.

For Tranche Portfolio CLNs, the Implicit Portfolio Size of the Reference Portfolio is likely to be significantly larger than the nominal amount of the Notes. Accordingly, the credit risk of investors in the Notes in relation to the Reference Portfolio is leveraged. The value of the Notes may be more volatile, and credit losses in respect of the Notes may be greater than would be the case in the absence of such leverage. The value of the Notes may also be adversely affected by changes in the relative value of different tranches of credit risk on the Reference Portfolio. Such relative value changes may occur as a result of, for example, changes in assumptions used by market participants to model the credit risk of the Reference Portfolio, as well as changes in the supply of and demand for credit protection in relation to each such tranche.

A postponement of valuation or determination due to a Market Disruption Event and Disrupted Day may have an adverse effect on the value of the Securities

If the Securities include provisions dealing with the occurrence of a Market Disruption Event or a failure of an exchange or related exchange to open on a Valuation Date, an Averaging Date or a Pricing Date and the Calculation Agent determines that a Market Disruption Event or such failure has occurred or exists on any relevant date, any consequential postponement of the relevant date or any alternative provisions for valuation provided in the Securities may have an adverse effect on the value of the Securities or of any amounts payable under the Securities.

The occurrence of a Payment Disruption Event may lead to a delayed and/or reduced payment

If a Payment Disruption Event is applicable to a Security, as specified in the applicable Final Terms, then, in the event that the Calculation Agent determines, in its sole discretion, that an event that (i)

prevents, restricts or delays the relevant Issuer from converting or delivering relevant currencies, (ii) imposes capital controls, or (iii) implements changes to laws relating to foreign investments (a "**Payment Disruption Event**") has occurred or is likely to occur, then either (a) the relevant exercise or payment date (as applicable) in respect of the Securities or (b) the relevant Issuer's obligation to make a payment in respect of such exercise or payment date may be postponed to a date falling five Business Days (or such other date as may be determined by the Calculation Agent and notified to Holders) after the date on which the Payment Disruption Event is no longer occurring. No accrued interest will be payable in respect of any such postponement and no Event of Default in respect of the Securities will result from such postponement. Partial payments or physical delivery of Shares in lieu of cash settlement of Share Linked Securities may, in the relevant Issuer's sole discretion, be made during such period (after deduction for any expenses). In the event that a Payment Disruption Event is still continuing on the date which is one year after the last date on which amounts are due under the Securities (or in the case of Saudi Share Linked Warrants, the earlier of (x) one year after the last date on which amounts are due under the Securities and (y) four years after the Trade Date) (the "**Payment Event Cut-Off Date**"), then (1) such final payment date shall be extended to the Payment Event Cut-Off Date and (2) the remaining amounts payable under the Securities shall be deemed to be zero and the relevant Issuer shall have no obligations whatsoever under the Securities. Therefore, in a case where Payment Disruption Event is specified as applicable in the applicable Final Terms, the Holder could lose all or part of its investment in the Securities.

In the event that the relevant Issuer satisfies its obligation to make a cash payment by the delivery of Shares following the occurrence of a Payment Disruption Event, Holders may be unable to sell such Shares, or may be unable to sell them at a price equal to the cash payment that would have been payable but for the occurrence of the Payment Disruption Event.

The occurrence of a CNY Payment Disruption Event may lead to a delayed and/or reduced payment or payment in another currency

If a CNY Payment Disruption Event is applicable to a Security, as specified in the applicable Final Terms, then, in the event that the Calculation Agent determines, in its sole discretion, that any of the following events has occurred or is likely to occur: (i) an event that makes it impossible or impractical for the relevant Issuer to convert any amounts in CNY due in respect of the Securities in the general CNY foreign exchange market in the relevant CNY Settlement Centre(s), (ii) an event that makes it impossible or impractical for the relevant Issuer to deliver CNY between accounts inside the relevant CNY Settlement Centre(s) or from an account inside the relevant CNY Settlement Centre(s) to an account outside the relevant CNY Settlement Centre(s), or (iii) the general CNY foreign exchange market in the relevant CNY Settlement Centre becomes illiquid as a result of which the relevant Issuer cannot obtain sufficient CNY in order to satisfy its payment obligations (in whole or in part) under the Securities (each, a "**CNY Payment Disruption Event**"), then either (a) the relevant exercise or payment date (as applicable) in respect of the Securities, or (b) the relevant Issuer's obligation to make a payment in respect of such exercise or payment date, may be postponed to a date falling five Business Days (or such other date as may be determined by the Calculation Agent and notified to Holders) after the date on which the CNY Payment Disruption Event is no longer occurring. No accrued interest will be payable in respect of any such postponement and no Event of Default in respect of the Securities will result from such postponement. In the event that a CNY Payment Disruption Event is still continuing on the Payment Event Cut-Off Date, then (1) such final payment date shall be extended to the Payment Event Cut-Off Date and (2) the remaining amounts payable under the Securities shall be deemed to be zero and the relevant Issuer shall have no obligations whatsoever under the Securities. Therefore, in a case where a CNY Payment Disruption Event is relevant as specified in the applicable Final Terms, the Holder could lose all or part of its investment in the Securities. If "Payment of Equivalent Amount" is applicable to a Security, as specified in the applicable Final Terms, the relevant Issuer may make payment of the equivalent amount of the relevant Interest Amount, Fixed Coupon Amount, Final Redemption Amount, Additional Amount, Cash Settlement Amount or other amount payable under the Securities in another currency as specified in the applicable Final Terms.

Risks relating to Securities denominated in CNY

All payments in CNY under the Securities will be made solely by credit or transfer to a CNY account maintained by the payee with a bank in the CNY Settlement Centre in accordance with the prevailing rules and regulations and in accordance with the terms and conditions of the Securities. The relevant Issuer shall not be required to make payment by any other means (including in bank notes or by

transfer to a bank account in the People's Republic of China or anywhere else other than the CNY Settlement Centre).

There is only limited availability of CNY outside the People's Republic of China, which may affect the liquidity of the Securities and the relevant Issuer's ability to source CNY outside the People's Republic of China to fulfil its payment obligations under the Securities.

CNY is not freely convertible at present. The government of the People's Republic of China continues to regulate conversion between CNY and foreign currencies despite the significant reduction over the years by such government of its control over routine foreign exchange transactions under current accounts. The People's Bank of China ("PBOC") has established a clearing and settlement system pursuant to the Settlement Agreement on the Clearing of CNY Business between PBOC and Bank of China (Hong Kong) Limited. However, the current size of CNY and CNY denominated financial assets in the Hong Kong Special Administrative Region is limited, and its growth is subject to many constraints imposed by the laws and regulations of the People's Republic of China on foreign exchange. There can be no assurance that access to CNY funds for the purposes of making payments under the Securities or generally may remain or will not become restricted.

The value of CNY against foreign currencies fluctuates and is affected by changes in the People's Republic of China and international political and economic conditions and by many other factors. As a result, foreign exchange fluctuations between a purchaser's home currency and CNY may affect purchasers who intend to convert gains or losses from the sale or redemption of the Securities into their home currency. The government of the People's Republic of China has gradually liberalised the regulation of interest rates in recent years. Further liberation may increase interest rate volatility.

If a Currency Substitution Event with respect to the Securities occurs, adjustments may be made to the economic terms of the Securities which may result in a reduced investment return

In the event of a Currency Substitution Event, the relevant Issuer may (a) make adjustments to the economic terms of the relevant Securities, including, without limitation, to the exercise, settlement, valuation, calculation and payment terms or (b) redeem or settle the Securities early on such day as shall be notified to the Holders at an early redemption amount or early settlement amount that accounts for the Currency Substitution Event. Any such action may reduce the value of the Securities and may result in the amounts paid or delivered under the Securities being less than what would have been paid or delivered if the adjustments had not been made or the early redemption or settlement had not occurred, and may be less, or significantly less, than the initial investment.

The relevant Issuer may make certain modifications to the Securities without the consent of the Holders

The Conditions provide that the relevant Agent and the relevant Issuer may, without the consent of Holders, agree to (i) any modification (subject to certain specific exceptions) of the Securities or the New York Law Agency Agreement or the English Law Agency Agreement (as applicable) (each as defined in the "Terms and Conditions of the Notes") which is not prejudicial to the interests of the Holders or (ii) any modification of the Securities or the New York Law Agency Agreement or the English Law Agency Agreement (as applicable) which is of a formal, minor or technical nature or is made to correct a manifest error or proven error or to comply with mandatory provisions of law.

At meetings of Holders, the decision of the majority will bind all Holders

The Conditions contain provisions for calling meetings of Holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders, including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

There may be conflicts of interest between the relevant Issuer, the Guarantor (if applicable) and/or their respective Affiliates and the Holders

The relevant Issuer, the Guarantor (if applicable) and/or any of their respective Affiliates or agents may engage in activities that may result in conflicts of interests between their and their respective Affiliates' or agents' financial interests on the one hand and the interests of the Holders on the other hand. The relevant Issuer, the Guarantor (if applicable) and/or any of their respective Affiliates or agents may also

engage in trading activities (including hedging activities) related to the Reference Item(s) underlying any Securities and other instruments or derivative products based on or related to the Reference Item(s) underlying any Securities for their proprietary accounts or for other accounts under their management. The relevant Issuer, the Guarantor (if applicable) and/or any of BAC's Affiliates or agents may also issue other derivative instruments in respect of the Reference Item(s) underlying Securities. The relevant Issuer, the Guarantor (if applicable) and/or any of BAC's Affiliates or agents may also act as underwriter in connection with future offerings of Shares or other securities related to an issue of Securities or may act as financial adviser to certain companies whose Shares or other securities are included in a basket of Shares or other securities or which are reference entities, or in a commercial banking capacity for any such companies. Such activities could present certain conflicts of interest, could influence the prices of such shares or other securities and could adversely affect the value of such Securities. The relevant Issuer also may enter into arrangements with Affiliates or agents to hedge market risks associated with its obligations under the Securities. Any such Affiliate or agent would expect to make a profit in connection with such arrangements. The relevant Issuer would not seek competitive bids for such arrangements from unaffiliated parties.

Where the Securities are offered to third parties, as the Dealer(s) and any distributors act pursuant to a mandate granted by the relevant Issuer and they receive fees on the basis of the services performed and the outcome of the placement of the Securities, potential conflicts of interest could arise.

Any additional risk factors relating to additional conflicts of interest with respect to a specific series of Securities will be specified in the applicable Final Terms.

In addition, unless otherwise specified in the applicable Final Terms, the Calculation Agent is an Affiliate of the relevant Issuer and the Guarantor (if applicable) and in such capacity may make certain determinations and calculate amounts payable or deliverable to Holders. The Calculation Agent may make such determinations using data which is not easily obtainable by a Holder of the Securities. Under certain circumstances, the Calculation Agent, as an Affiliate of the relevant Issuer and the Guarantor (if applicable), and its responsibilities as calculation agent for the Securities could give rise to potential conflicts of interest between the Calculation Agent and the Holders. As BAC controls the Calculation Agent, potential conflicts of interest could arise.

In addition, a Merrill Lynch proprietary index will generally be developed, owned, calculated and maintained by a Merrill Lynch Affiliate, which would be responsible for the composition, calculation and maintenance of such index. In such circumstances, Merrill Lynch, as the index sponsor, would be under no obligation to take into account the interests of the Holders of any Securities referenced by such index. In such capacity as index sponsor, Merrill Lynch will have the authority to make determinations that could materially and adversely affect the value of the Securities.

The secondary market price of the Securities may be less than the Issue Price

Investors should note that, in certain circumstances immediately following the issue of the Securities or at any time prior to maturity, the secondary market price of the Securities may be less than the Issue Price, reflecting the fees to be paid to distributor(s) included in the Issue Price, hedging and other costs for the Securities, changes to the relevant Issuer's or (if applicable) the Guarantor's credit spreads and changes in the level of the Reference Item. These factors, together with various credit, market and economic factors over the term of the Securities, are expected to reduce the price at which an investor may be able to sell the Securities in any secondary market and will affect the value of the Securities in complex and unpredictable ways. See also "There may be conflicts of interest between the relevant Issuer, the Guarantor (if applicable) and/or their respective Affiliates and Holders" above.

A Holder may not receive the Entitlement relating to a Physical Delivery Security if it fails to deliver the required notice and pay Expenses relating to such Physical Delivery Security

In order to receive the Entitlement in respect of a Physical Delivery Note, the holder of such Note must (i) duly deliver to the Clearing System and/or Paying Agents, as specified in the Final Terms, a duly completed Asset Transfer Notice on or prior to the relevant time on the Cut-Off Date and (ii) pay the relevant Expenses. As used in the Conditions, "Expenses" includes any applicable depositary charges, transaction or exercise charges, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes arising from the redemption, exercise and settlement (as applicable) of such Securities and/or the delivery of the Entitlement.

In order to receive the Entitlement in respect of a Physical Delivery W&C Security, the holder of such W&C Security must (i) deliver or send to the Clearing System and/or Paying Agents, as specified in the Final Terms, (a) a duly completed Exercise Notice on or prior to the relevant time on the Expiration Date (in the case of a Warrant) or (b) a duly completed Collection Notice on or prior to the relevant time on the Cut-Off Date (in the case of a Certificate) and (ii) pay the relevant Expenses.

Failure by a Holder properly to complete and deliver an Asset Transfer Notice, Exercise Notice or Collection Notice, as the case may be, or to procure that its agent does so on its behalf, may result in such notice being treated as null and void. This may result in a delay in delivery of the Entitlement, or the relevant Issuer being unable to deliver the Entitlement. Failure to pay the Expenses will have the same consequences to a Holder.

In the case of Physical Delivery Securities, settlement may be delayed or made in cash if certain events arise

In the case of Physical Delivery Securities (other than Credit Linked Securities), if a Settlement Disruption Event occurs or exists on the Maturity Delivery Date (in the case of Notes) or Settlement Date (in the case of W&C Securities), settlement will be postponed until the next date on which no Settlement Disruption Event occurs. The relevant Issuer in these circumstances has the right to pay the Disruption Cash Settlement Price in lieu of delivering the Entitlement. Such a determination may have an adverse effect on the value of the relevant Securities. In addition, if "Failure to Deliver due to Illiquidity" is specified as applicable in the applicable Final Terms, and in the opinion of the Calculation Agent it is impossible or impracticable to deliver some or all of the Relevant Assets comprising the Entitlement when due as a result of illiquidity in the market for the Relevant Assets, the relevant Issuer has the right to pay the Failure to Deliver Settlement Price in lieu of delivering those Relevant Assets. Any Disruption Cash Settlement Price or Failure to Deliver Settlement Price may be significantly less than Holders expected to receive prior to such Settlement Disruption Event or Calculation Agent determination.

Holders have no claim against any Reference Item(s), and the return on a Reference Item Linked Security, if any, may be less than the return on an investment directly in the Reference Item(s).

A Security will not represent a claim against any Reference Item(s) and, in the event of any loss, a Holder will not have recourse under a Security to any Reference Item(s). The investment return on the Securities, if any, may be less than a comparable investment directly in the Reference Item(s), or the components included in any Reference Item(s). In contrast to an investment in the Securities, a direct investment in the Reference Item(s) or the components of the Reference Item(s) would allow an investor to receive the full benefit of any appreciation or depreciation, as the case may be, in the value of such Reference Item(s) or these components.

The Guarantor has the option to vary settlement under the Non-COSI Guarantee

In relation to Physical Delivery Securities, under the Non-COSI Guarantee, the Guarantor has the right at all times to elect not to deliver or procure delivery of the Entitlement to the holders of Physical Delivery Securities, but in lieu thereof to pay an amount in cash equal to the Guaranteed Cash Settlement Amount specified in the applicable Final Terms. Such cash payment will constitute a complete discharge of the Guarantor's obligations in relation to such Physical Delivery Securities.

The relevant Issuer may have the right to vary settlement

If so indicated in the applicable Final Terms, the relevant Issuer has an option to vary settlement in respect of the Securities. If exercised by the relevant Issuer, Physical Delivery Securities may be cash settled or Cash Settled Securities may be physically settled. Exercise of such option may affect the value of the Securities.

If the relevant Issuer determines that the performance of either its obligations under the Securities or (if applicable) the obligations of the Guarantor under the relevant Guarantee has or will become illegal in whole or in part for any reason, the relevant Issuer may redeem or cancel the Securities, as applicable

If, in the case of illegality and to the extent permitted by applicable law, the relevant Issuer redeems or cancels the Securities, then the relevant Issuer will, in the case of Notes, redeem each Note at the Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption, or in the case of W&C Securities, pay an amount to each Holder determined by reference to the fair market value of each Security, in each case, less hedging costs, which may be less than the purchase price of the Securities and may in certain circumstances be zero.

United States federal tax legislation may impose a withholding tax on payments made by the relevant Issuer with respect to the Securities to certain holders

United States federal tax legislation was enacted on 18 March 2010 that will, effective for certain payments made after 30 June 2014 impose a 30 per cent. United States withholding tax on certain payments made by a foreign financial institution that enters into an agreement with the U.S. Department of the Treasury (the "U.S. Treasury") to collect and provide to the U.S. Treasury substantial information regarding United States account holders, including certain account holders that are foreign entities with United States owners, with such institution.

Pursuant to recently published U.S. Treasury regulations, the 30 per cent. United States withholding tax may be imposed on U.S. source payments made by the relevant Issuer or any Paying Agent with respect to the Securities after 30 June 2014 and non-U.S. source payments made by the relevant Issuer with respect to the Securities after 31 December 2016 to "recalcitrant holders", which are generally holders that do not comply with the relevant Issuer's request for information to enable it to comply with the tax legislation, and to non-compliant foreign financial institutions. However, the withholding tax will not be imposed on certain "grandfathered obligations". In the event withholding is required under the legislation, neither the relevant Issuer nor any Paying Agent will pay any additional amounts with respect to the amount so withheld.

United States federal tax legislation may impose a withholding tax on certain payments made to an Issuer in which case the relevant Issuer (other than BAC) may be entitled to redeem or cancel the Securities prior to maturity

United States federal tax legislation was enacted on 18 March 2010 that will, effective for certain payments made after 30 June 2014 impose a 30 per cent. United States withholding tax on certain United States source payments made to a foreign financial institution, unless such institution enters into an agreement with the U.S. Treasury to collect and provide to the U.S. Treasury substantial information regarding United States account holders, including certain account holders that are foreign entities with United States owners, with such institution. A Security may constitute an account for these purposes.

If the relevant Issuer (other than BAC) determines in good faith that it has, or there is a substantial likelihood that it will, become subject to withholding imposed on a payment made to it on account of the relevant Issuer's inability to comply with the newly enacted legislation's reporting requirements (provided that such inability to comply with the reporting requirements is attributable to non-compliance by any Holder of such Securities (or a foreign withholding agent (if any) in the chain of custody of payments made to the Holders) with the relevant Issuer's requests for certifications or identifying information), it may redeem or cancel the Securities held by non-compliant and compliant Holders at their Early Redemption Amount (in the case of Notes) or at their Early Settlement Amount (in the case of W&C Securities).

United States federal tax may be withheld from payments with respect to Securities that are treated as "dividend equivalents". In addition, if any payment with respect to Securities would be treated as a "dividend equivalent", the relevant Issuer would be entitled to redeem or cancel the Securities at any time prior to maturity, settlement, expiration or exercise

A "dividend equivalent" payment is treated as a dividend from sources within the United States and such payments generally would be subject to a 30 per cent. United States withholding tax if paid to a United States Alien holder. Under proposed U.S. Treasury regulations, certain payments that are

contingent upon or determined by reference to U.S. source dividends, including payments reflecting adjustments for (extraordinary) dividends, with respect to equity-linked instruments, including certain Securities, may be treated as "dividend equivalents". If adopted in their current form, the regulations would impose a withholding tax on payments made on certain Securities on or after 1 January 2014 that are treated as "dividend equivalents". In that case, the relevant Issuer would be entitled to withhold taxes without being required to pay any additional amounts with respect to amounts so withheld. As a result, actual payments on the Securities may be substantially less than the amounts specified in their terms.

In addition, if any payment with respect to the Securities would be treated as a dividend equivalent, the relevant Issuer would be entitled to redeem or cancel the Securities, in whole, but not in part, at any time prior to maturity, settlement, expiration or exercise at their Early Redemption Amount (in the case of Notes) or Early Settlement Amount (in the case of W&C Securities), as determined by the Calculation Agent in its discretion. These amounts could be significantly less than the holder's initial investment, and could be as low as zero.

The value of the Securities could be adversely affected by a change in English law or administrative practice or by a change in New York law

The Terms and Conditions of the Securities (other than Notes issued by BAC) are based on English law in effect as at the date of issue of the relevant Securities. The Terms and Conditions of the Notes issued by BAC and each of the Guarantees are based on the laws of the State of New York in effect as at the date of issue of the relevant Securities. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice or change to the laws of the State of New York, as applicable, after the date of issue of the relevant Securities and any such change could materially adversely impact the value of, or the amounts paid under, any Securities affected by it.

Proposals to reform LIBOR and proposed regulation of other "benchmark" indices

The London Inter-Bank Offered Rate ("**LIBOR**") is currently being reformed, including (i) the replacement of the British Bankers' Association as administrator with NYSE Euronext Rate Administration Limited ("**Euronext**"), (ii) a reduction in the number of currencies and tenors for which LIBOR is calculated and (iii) changes in the methods by which LIBOR rates are determined. The administrator of LIBOR may take any actions in respect of LIBOR, including altering, discontinuing or suspending the calculation or dissemination of LIBOR, without regard to the interests of any investor in LIBOR-based Securities, and any of these actions could have an adverse effect on the value of such Securities or the amounts paid under such Securities. Some of the recommended changes with respect to LIBOR include the introduction of a statutory regulation of LIBOR, changes to the method of compilation of lending rates, new regulatory oversight and enforcement mechanisms for rate-setting and the corroboration of LIBOR as far as possible to actual transaction data. These or other changes to LIBOR may result in increases or decreases in the level of LIBOR or may cause LIBOR to be more volatile than it has been in the past, or have other consequences which cannot be predicted. Any of these changes may have a material adverse effect on the value of LIBOR-based Securities or the amounts paid under LIBOR-based Securities.

The Euro Interbank Offered Rate ("**EURIBOR**") and other indices which are deemed "benchmarks" are the subject of recent international and other regulatory guidance and proposals for reform. In September 2013, the European Commission published a proposed regulation (the "**Proposed Benchmark Regulation**") on indices used as "benchmarks" in certain financial instruments, financial contracts and investment funds. The Proposed Benchmark Regulation would apply to "contributors", "administrators" and "users" of "benchmarks" in the EU, and would, if passed in its current form (i) require benchmark administrators to be authorised (or, if non-EU-based, to be subject to an equivalent regulatory regime) and to comply with extensive requirements in relation to the administration of "benchmarks" and (ii) ban the use of "benchmarks" of unauthorised administrators. The scope of the Proposed Benchmark Regulation is wide and, in addition to so-called "critical benchmark" indices such as EURIBOR, would also apply to many interest rate and foreign exchange rate indices, equity indices and other indices (including "proprietary" indices or strategies) where referenced in certain listed financial instruments, financial contracts and investment funds.

It is presently unclear whether the Proposed Benchmark Regulation will be passed in its current form (including its broad scope) and, if so, when it would be effective. However, if so enacted, it could have a material impact on any listed Securities linked to a "benchmark" index, including in any of the following circumstances:

- an index which is a "benchmark" could not be used as such if its administrator does not obtain authorisation or is based in a non-EU jurisdiction which does not have equivalent regulation. In such event, depending on the particular "benchmark" and the applicable terms of the Securities, the Securities could be de-listed, adjusted, terminated or otherwise impacted; and
- the methodology or other terms of the "benchmark" could be changed in order to comply with the terms of the Proposed Benchmark Regulation, and such changes could have the effect of reducing or increasing the rate or level or affecting the volatility of the published rate or level, and could lead to adjustments to the terms of the Securities including Calculation Agent determination of the rate or level in its discretion.

Any of the above changes or any other consequential changes to EURIBOR or any other "benchmark" index could have a material adverse effect on the value of, and the amount payable (or deliverable) under, any Securities linked to such "benchmark".

Risks relating to Notes

Failure by a Holder to pay instalments in respect of Partly Paid Notes may result in the Holder losing all of his investment

BAC or MLBV may issue Notes where the issue price is payable in more than one instalment. Failure to pay BAC or MLBV, as the case may be, any subsequent instalment could result in a Holder losing all of his investment.

Notes may be subject to optional redemption by the relevant Issuer, which may limit their market value

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, a Holder generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Notes issued at a substantial discount or premium may be volatile

The market value of Notes issued at a substantial discount from, or premium to, their principal amount may fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the Notes, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Risks relating to W&C Securities

Certain Factors Affecting the Value and Trading Price of W&C Securities

Either (1) in the case of Cash Settled W&C Securities, the Cash Settlement Amount or (2) in the case of Physical Delivery W&C Securities, the value of the Entitlement less (in the case of Warrants) the Exercise Price (the "**Physical Settlement Value**") at any time prior to expiration (in the case of a Warrant) or exercise (in the case of a Certificate) is typically expected to be less than the trading price of such W&C Securities at that time. The difference between the trading price and the Cash Settlement Amount or the Physical Settlement Value, as the case may be, will reflect, among other things, the "time value" of the W&C Securities. The "time value" of the W&C Securities will depend partly upon the length of the period remaining to expiration (in the case of a Warrant) or exercise (in the case of a

Certificate) and expectations concerning the price or level of the Reference Item(s). W&C Securities offer hedging and investment diversification opportunities but also pose some additional risks with regard to interim value. The interim value of the W&C Securities varies with the price or level of the Reference Item(s), as well as by a number of other interrelated factors, including those specified herein.

Before exercising W&C Securities, Holders should carefully consider, among other things, (i) the trading price of the W&C Securities, (ii) the price or level and volatility of the Reference Item(s), (iii) the time remaining to expiration (in the case of a Warrant) or exercise (in the case of a Certificate), (iv) in the case of Cash Settled W&C Securities, the probable range of Cash Settlement Amounts, (v) any change(s) in interim interest rates and dividend yields if applicable, (vi) any change(s) in currency exchange rates and (vii) any related transaction costs.

An optional exercise or mandatory early exercise feature in W&C Securities is likely to limit their market value. In the case of an optional exercise feature, during any period when the relevant Issuer may elect to exercise W&C Securities, the market value of those W&C Securities generally will not rise substantially above the price at which they can be exercised. This also may be true prior to any exercise period. In the case of a mandatory early exercise feature, if the relevant Mandatory Early Exercise Event occurs the W&C Securities will be exercised prior to their originally designated exercise or expiration date. Potential investors should be aware that in certain circumstances, an optional exercise or mandatory early exercise of the W&C Securities by the relevant Issuer may result in a loss of all or a substantial portion of their investment.

There are no Events of Default in relation to W&C Securities

The Conditions of the W&C Securities do not provide for any events of default. If the relevant Issuer defaults on any obligation under the W&C Securities prior to the Settlement Date, Holders will be able to claim against the Guarantor under the relevant Guarantee, but will have no right to declare all of the remaining obligations of the relevant Issuer to be immediately due and payable.

Risks relating to Warrants

There will be a time lag between the time a Holder gives instructions to exercise and the time the applicable Cash Settlement Amount relating to such exercise is determined, and such time lag could decrease the Cash Settlement Amount

In the case of any exercise of Warrants, there will be a time lag between the time a Holder gives instructions to exercise and the time the applicable Cash Settlement Amount (in the case of Cash Settled Warrants) relating to such exercise is determined. Any such delay between the time of exercise and the determination of the Cash Settlement Amount will be specified in the Conditions of the W&C Securities. However, such delay could be significantly longer, particularly in the case of a delay in exercise of Warrants arising from any daily maximum exercise limitation (in the case of American Style Warrants), the occurrence of a Market Disruption Event or failure of an exchange or related exchange to open (if applicable) or following the imposition of any exchange controls or other similar regulations affecting the ability to obtain or exchange any relevant currency in the case of FX Linked Warrants or other Warrants in respect of which "Exchange Rate" is specified to be applicable in the applicable Final Terms. The applicable Cash Settlement Amount may change significantly during any such period between exercise and determination of the Cash Settlement Amount, and such movement or movements could decrease the Cash Settlement Amount of the Warrants being exercised and may result in such Cash Settlement Amount being zero.

Holders may have to tender a specified number of Warrants at any one time in order to exercise

If so indicated in the applicable Final Terms, a Holder must tender or hold a specified number of Warrants at any one time in order to exercise. Thus, Holders with fewer than the specified minimum number of Warrants will either have to sell their Warrants or purchase additional Warrants, incurring transaction costs in each case, in order to realise their investment. Furthermore, holders of such Warrants incur the risk that there may be differences between the trading price of such Warrants and the Cash Settlement Amount (in the case of Cash Settled Warrants) or the Physical Settlement Value (in the case of Physical Delivery Warrants) of such Warrants. Therefore it may cost an investor more to purchase additional Warrants than the value of the increase in the Cash Settlement Amount or Physical Settlement Value, as the case may be, attributable to such additional Warrants.

The number of American Style Warrants exercisable on any date other than the Expiration Date may be limited to a maximum number

In the case of American Style Warrants, if so indicated in the applicable Final Terms, the relevant Issuer will have the option to limit the number of American Style Warrants exercisable on any date (other than the Expiration Date) to the maximum number specified in the applicable Final Terms and, in conjunction with such limitation, to limit the number of American Style Warrants exercisable by any person or group of persons (whether or not acting in concert) on such date. In the event that the total number of American Style Warrants being exercised on any date (other than the Expiration Date) exceeds such maximum number and the relevant Issuer elects to limit the number of American Style Warrants exercisable on such date, a Holder may not be able to exercise on such date all American Style Warrants that such Holder desires to exercise. In any such case, the number of American Style Warrants to be exercised will be reduced until the total number of American Style Warrants exercised on that date no longer exceeds the maximum, such American Style Warrants being selected at the discretion of the relevant Issuer or in any other manner specified in the applicable Final Terms. Unless otherwise specified in the applicable Final Terms, the American Style Warrants tendered for exercise but not exercised on such date will be automatically exercised on the next date on which American Style Warrants may be exercised, subject to the same daily maximum limitation and delayed exercise provisions.

Transfers of Rule 144A Warrants are restricted

Issue and transfers of Warrants to purchasers that intend to hold their Warrants through a Rule 144A Global Warrant may be made only to or through MLICo. or the Dealer to purchasers in the United States or to, or for the account or benefit of, United States Persons that have executed and delivered to the Dealer, for the benefit of the Dealer, MLICo. and the Guarantor, an Investor Representation Letter pursuant to which such purchaser must certify, among other things, that such purchaser is a QIB who is also a QP. A transfer or attempted transfer of any Rule 144A Warrant which does not comply with the applicable transfer restrictions shall be absolutely null and void *ab initio* and shall vest no rights in the purported transferee.

Risks relating to Swiss COSI Securities

Risks relating to collateralisation

Collateralisation eliminates the issuer default risk only to the extent that the proceeds from the liquidation of collateral upon occurrence of a Liquidation Event (less the costs of liquidation and payout) are able to meet the investors' claims. The investor bears the following risks, among others: (i) the Collateral Provider is unable to supply the additionally required collateral if the value of the Swiss COSI Securities rises or the value of the collateral decreases; (ii) in a Liquidation Event, the collateral cannot be liquidated immediately by SIX Swiss Exchange because of factual hindrances or because the collateral must be handed over to the executory authorities for liquidation; (iii) the market risk associated with the collateral results in insufficient liquidation proceeds or, in extreme circumstances, the collateral might lose its value entirely before the liquidation can take place; (iv) the settlement of Swiss COSI Securities in a foreign currency according to the Framework Agreement may result in losses for the investor because the Current Value (determinant for the investor's claim against the Issuer) is set in the foreign currency, while payment of the pro-rata share of net liquidation proceeds (determinant for the extent to which the investor's claim against the Issuer is satisfied) is made in Swiss francs; (v) the collateralisation is challenged according to the laws governing debt enforcement and bankruptcy, so that the collateral cannot be liquidated according to the terms of the Framework Agreement for the benefit of the investors in Swiss COSI Securities.

Additional information

The costs for the service provided by SIX Swiss Exchange with respect to the collateralisation of Swiss COSI Securities may be taken into account for the pricing of Swiss COSI Securities and may therefore be borne by the investors, as the case may be. With regard to the payment of the pro-rata share of the net liquidation proceeds the investor shall bear the solvency risks of SIX Swiss Exchange and the financial intermediaries along the payout chain. The payment to the investors may be delayed for factual or legal reasons. To the extent the calculation of the Current Value of Swiss COSI Securities proves to be incorrect, the collateralisation of the Swiss COSI Securities may be insufficient.

Risks relating to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk that may have an impact on an investment in the Securities.

Many factors will determine the price of the Securities in the secondary market and such market may be illiquid

It is not possible to predict the price at which Securities will trade in the secondary market or whether such market will be liquid or illiquid. Each Issuer may, but is not obliged to, list or admit to trading Securities on a stock exchange or market. If the Securities are not listed or admitted to trading on any stock exchange or market, pricing information for the Securities may be more difficult to obtain and the liquidity of the Securities may be adversely affected. If the relevant Issuer does list or admit to trading an issue of Securities, there can be no assurance that at a later date, the Securities will not be delisted or that trading on such stock exchange or market will not be suspended. In the event of a de-listing or suspension of listing or trading on a stock exchange or market, the relevant Issuer will use its reasonable efforts to list or admit to trading the Securities on another stock exchange or market, unless it concludes it would be unduly burdensome to do so. Also, in the case of American Style Warrants to the extent Warrants of a particular issue are exercised, the number of Warrants of such issue outstanding will decrease, resulting in a diminished liquidity for the remaining Warrants of such issue. A decrease in the liquidity of an issue of Warrants may cause, in turn, an increase in the volatility associated with the price of such issue of Warrants.

The relevant Issuer cannot assure holders of the Securities that a trading market for their Securities will ever develop or be maintained. Many factors independent of the creditworthiness of the relevant Issuer or the Guarantor (if applicable) affect the trading market of the Securities. These factors include:

- (a) the complexity and volatility of the Reference Item(s) or formula or other basis of reference applicable to the Securities;
- (b) the method of calculating amounts payable, including any dividend rates or yield or other securities or financial instruments applicable to the securities payable and/or deliverable, or other consideration, if any, in respect of the Securities;
- (c) the time remaining to the expiration (in the case of Warrants), exercise (in the case of Certificates) or redemption (in the case of Notes) of the Securities;
- (d) the aggregate amount or number of Securities outstanding;
- (e) the redemption or settlement features of the Securities;
- (f) the value of other securities linked to the Reference Item(s) or formula or other basis of reference applicable to the Securities;
- (g) the level, direction and volatility of market interest rates generally;
- (h) the general economic conditions of the capital markets, as well as geopolitical conditions and other financial, political, regulatory and judicial events that affect the financial markets generally, may affect the value of the Reference Item(s) and the Securities; and
- (i) the possibility that investors may be unable to hedge their exposure to risks relating to their Securities.

In addition, certain Securities may be designed for specific investment objectives or strategies and, therefore, may have a more limited secondary market and experience more price volatility. Holders may not be able to sell such Securities readily or at prices that will enable them to realise their anticipated yield. No investor should purchase Securities unless such investor understands and is able to bear the risk that such Securities may not be readily saleable, that the value of such Securities will fluctuate over time, that such fluctuations may be significant and that such investor may lose all or a substantial portion of the purchase price of the Securities.

The relevant Issuer, the Guarantor (if applicable), or any of BAC's Affiliates may, but is not obliged to, at any time purchase Securities at any price in the open market or by tender or private treaty for their own account for business reasons or in connection with their hedging arrangements. Any Securities so purchased may be held or resold or surrendered for cancellation. The relevant Issuer, the Guarantor (if applicable), or any of BAC's Affiliates may, but is not obliged to, be a market-maker for an issue of Securities. Even if the relevant Issuer or such other entity is a market-maker for an issue of Securities, the secondary market for such Securities may be limited. These activities may affect the price of such obligations or securities in a manner that would be adverse to a Holder's investment in the Securities. The relevant Issuer, the Guarantor (if applicable) and BAC's Affiliates have not considered, and are not required to consider, the interest of investors as Holders in connection with entering into any of the above mentioned transactions.

There may be less liquidity in the market for Securities if the Securities are exclusively offered to retail investors without any offer to institutional investors. To the extent that an issue of Securities becomes illiquid, an investor may have to exercise such Securities (in the case of American Style Warrants) or wait until the Exercise Date (in the case of European Style Warrants or Certificates) or the Maturity Date (in the case of Notes) of such Securities to realise value.

Investors may be subject to foreign exchange exposure and the Securities may become subject to exchange controls

In the case of Cash Settled Securities, the relevant Issuer will pay the Cash Settlement Amount (in the case of W&C Securities) or Final Redemption Amount (in the case of the Notes) in respect of the Securities in the Settlement Currency or Specified Currency specified in the applicable Final Terms. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Settlement Currency or Specified Currency, as applicable (the "**Settled Currency**"). These include the risk that exchange rates may significantly change (including changes due to devaluation of the Settled Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Settled Currency would decrease (i) the Investor's Currency-equivalent yield on the Securities, (ii) the Investor's Currency equivalent value of the Cash Settlement Amount or Final Redemption Amount (as applicable) in respect of the Securities and (iii) the Investor's Currency equivalent market value of the Securities.

Government and monetary authorities may impose exchange controls (as some have done in the past) that could adversely affect an applicable exchange rate. As a result, the Cash Settlement Amount (in the case of Cash Settled W&C Securities) or the Final Redemption Amount (in the case of Notes) that investors may receive may be less than expected or zero.

In certain circumstances the relevant Issuer will not be obliged to maintain the listing of Securities which are specified as being listed in the applicable Final Terms

When the relevant Issuer specifies in the applicable Final Terms that a Series of Securities is to be admitted to trading on the Euro MTF market operated by the Luxembourg Stock Exchange and admitted to listing on the Official List of the Luxembourg Stock Exchange and/or listed or admitted to trading by any other relevant stock exchange or market, the relevant Issuer expects, but is not obliged, to maintain such listing of the Securities on such exchange(s) or market(s). Changed circumstances, including changes in listing requirements, could result in a suspension or removal of any such listing, or cause the relevant Issuer to conclude that continued listing of the Securities on such exchange(s) or market(s) is unduly burdensome.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Securities are legal investments for it, (ii) Securities can be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Securities. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Securities under any applicable risk-based capital or similar rules.

Payments on the Securities are subject to the credit risk of the relevant Issuer and the Guarantor (if applicable), and the value of the Securities will be affected by a credit rating reduction of BAC

The amount payable or deliverable on the Securities at maturity, redemption, settlement, expiration or exercise is dependent upon the ability of the relevant Issuer and the Guarantor (if applicable) to repay their respective obligations on the applicable maturity date, redemption date, settlement date, expiration date or exercise date. This will be the case even if the value of the Reference Item increases (or decreases, as the case may be) after the pricing date. No assurance can be given as to what the relevant Issuer's or (if applicable) the Guarantor's financial condition will be on the applicable maturity date, redemption date, settlement date, expiration date or exercise date. The value of the Securities is expected to be affected, in part, by investors' general appraisal of BAC's creditworthiness and actual or anticipated changes in BAC's credit ratings prior to the maturity date, redemption date, settlement date, expiration date or exercise date may affect the value of the Securities. Such perceptions are generally influenced by the ratings accorded to BAC's outstanding securities by standard statistical rating services. A reduction (or anticipated reduction) in the rating, if any, accorded to outstanding debt securities of BAC by one of these rating agencies could result in a reduction in the trading value of the Securities. As the return on the Securities depends upon factors in addition to the relevant Issuer's or (if applicable) the Guarantor's ability to pay its respective obligations, an improvement in these credit ratings will not reduce the other investment risks related to the Securities. A credit rating is not a recommendation to buy, sell, or hold any of the Securities and may be subject to suspension, change, or withdrawal at any time by the assigning rating agency.

Risks relating to the structure of a particular issue of Securities

A wide range of Securities may be issued under the Programme. A number of these Securities may have features which contain particular risks for potential investors. Set out below is a description of the most common features.

General risks relating to Reference Item Linked Securities

Reference Item Linked Securities will represent an investment linked to the economic performance of the relevant Reference Item(s) and potential investors should note that the return (if any) on their investment in such Securities will depend upon the performance of such Reference Item(s). Potential investors should also note that whilst the market value of such Securities is linked to such Reference Item(s) and will be influenced (positively or negatively) by such Reference Item(s), any change in the market value of such Securities may not be comparable to changes in the market value of the Reference Item(s). It is impossible to predict how the market value of the relevant Reference Item(s) will vary over time. In addition, in contrast to a direct investment in the relevant Reference Item(s), such Securities represent the right to receive payment or delivery, as the case may be, of the Cash Settlement Amount(s), the Final Redemption Amount(s) or the Entitlement, as the case may be, as well as periodic payments of interest or additional amounts (if specified in the applicable Final Terms), all or some of which and the value of which will be determined by reference to the performance of the relevant Reference Item(s) but which are likely to differ from and may be less than the return on a direct investment in the same Reference Items(s).

As the amounts payable and/or non-cash consideration deliverable in respect of Reference Item Linked Securities are linked to the performance of the relevant Reference Item(s), a purchaser of such a Security must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the relevant Reference Item(s). Assuming all other factors are held constant, the lower the value of such a Security and the shorter the remaining term to expiration (in the case of a Warrant), exercise (in the case of a Certificate) or redemption (in the case of a Note), the greater the risk that purchasers of such Security will lose all or part of their investment.

Reference Item Linked Securities may be principal protected or non-principal protected. Investors in Reference Item Linked Securities that are non-principal protected may risk losing their entire investment if the value of the relevant Reference Item(s) does not move in the anticipated direction. Whether or not a Security is principal protected, all payments on such Security are subject to the relevant Issuer's and (if applicable) the Guarantor's credit risk and their respective ability to pay their relevant obligations on the applicable payment dates.

POTENTIAL INVESTORS MUST REVIEW THE APPLICABLE FINAL TERMS TO ASCERTAIN WHAT THE RELEVANT REFERENCE ITEM(S) ARE AND TO SEE HOW THE CASH SETTLEMENT AMOUNT, FINAL REDEMPTION AMOUNT OR THE ENTITLEMENT, AS THE CASE MAY BE, AND ANY INTEREST PAYMENTS (IN THE CASE OF NOTES) OR ANY ADDITIONAL AMOUNT PAYMENTS (IN THE CASE OF W&C SECURITIES) ARE DETERMINED AND WHEN SUCH AMOUNTS ARE PAYABLE AND/OR DELIVERABLE, AS THE CASE MAY BE, BEFORE MAKING ANY DECISION TO PURCHASE ANY SECURITIES.

Risks relating to Securities which are linked to emerging market Reference Item(s)

Where the terms and conditions of the Securities reference one or more emerging market Reference Item(s), investors in such Securities should be aware that the political and economic situation in countries with emerging economies or stock markets may be undergoing significant evolution and rapid development, and such countries may lack the social, political and economic stability characteristics of more developed countries, including a significant risk of currency value fluctuation. Such instability may result from, among other things, authoritarian governments, or military involvement in political and economic decision-making, including changes or attempted changes in governments through extra-constitutional means; popular unrest associated with demands for improved political, economic or social conditions; internal insurgencies; hostile relations with neighbouring countries; and ethnic, religious and racial disaffections or conflict. Certain of such countries may have in the past failed to recognise private property rights and have at times nationalised or expropriated the assets of private companies. As a result, the risks from investing in those countries, including the risks of nationalisation or expropriation of assets, may be heightened. In addition, unanticipated political or social developments may affect the values of a Reference Item investment in those countries. The small size and inexperience of the securities markets in certain countries and the limited volume of trading in securities may make the emerging market Reference Item(s) illiquid and more volatile than investments in more established markets. There may be little financial or accounting information available with respect to local issuers, and as a result it may be difficult to assess the value or prospects of the Reference Item(s).

The relevant Issuer may redeem early or settle a Series of Securities if an Additional Disruption Event occurs, causing the investor to lose some or all of its investment in such Series of Securities

If Additional Disruption Events are specified as applicable in the Final Terms for the applicable Series of Securities of the relevant Issuer, and one or more Additional Disruption Event occurs with respect to that Series of Securities, the relevant Issuer may, in its sole and absolute discretion, cause the early redemption or settlement of such Series of Securities in accordance with the applicable Conditions. If the relevant Issuer elects to redeem early or settle the Securities as a result of an Additional Disruption Event, the amount payable or other consideration deliverable to the Holders may be significantly less than the investor's initial investment, and may be as low as zero. Additional Disruption Events include, among others, as specified in the applicable Final Terms and described in the applicable Conditions, (1) Change in Law, (2) Increased Cost of Hedging and (3) Hedging Disruption.

Risks associated with baskets comprised of various components as Reference Items

Exposure to performance of basket and its components

Where the Securities are linked to or reference a basket of assets, the investors in such Securities are exposed to the performance of such basket. The investors will bear the risk of the performance of each of the basket components. See, as applicable, the risk factors set out in the sections entitled "Risks relating to Index Linked Securities", "Risks relating to Share Linked Securities", "Risks relating to GDR/ADR Linked Securities", "Risks relating to FX Linked Securities and other Securities in respect of which "Exchange Rate" is specified to be applicable", "Risks relating to Commodity Linked Securities", "Risks relating to Fund Linked Securities", "Risks relating to Inflation Linked Securities", "Risks relating to Credit Linked Securities" and "Risks relating to Saudi Share Linked Warrants".

A high correlation of basket components may have a significant effect on amounts payable

Some Securities are linked to baskets of Reference Items where the performance of such Reference Items tends to move in the same direction, or correlate, as a result of changes in market conditions,

such as a change in interest rates. Correlation of basket components indicates the level of interdependence among the individual basket components with respect to their performance. If, for example, all of the basket components originate from the same sector and the same country, a high positive correlation may generally be assumed. Past rates of correlation may not be determinative of future rates of correlation: investors should be aware that, though basket components may not appear to be correlated based on past performance, it may be that they suffer the same adverse performance following a general downturn or other economic or political event. Where the basket components are subject to high correlation, any move in the performance of the basket components will exaggerate the performance of the Securities.

The negative performance of a single basket component may outweigh a positive performance of one or more other basket components

Investors in Securities must be aware that even in the case of a positive performance of one or more basket components, the performance of the basket as a whole may be negative if the performance of the other basket components is negative to a greater extent, subject to the terms and conditions of the relevant Securities.

A small basket, or an unequally weighted basket, will generally leave the basket more vulnerable to changes in the value of any particular Reference Item

The performance of a basket that includes a smaller number of Reference Items will generally, subject to the terms and conditions of the relevant Securities, be more affected by changes in the value of any particular Reference Item included therein than a basket that includes a greater number of Reference Items.

The performance of a basket that gives greater weight to some Reference Items will generally, subject to the terms and conditions of the relevant Securities, be more affected by changes in the value of any such particular Reference Item included therein than a basket that gives relatively equal weight to each Reference Item.

A change in composition of a basket may have an adverse effect on basket performance

Where the Securities grant the Calculation Agent the right, in certain circumstances, to adjust the composition of the basket, investors should be aware that any replacement basket component may perform differently from the original basket component, which may have an adverse effect on the performance of the basket which will in turn have an adverse effect on the value of the Securities.

Risks relating to Securities linked to certain References Item(s)

Risks relating to Index Linked Securities

Factors affecting the performance of Indices may adversely affect the value of the Securities

Indices are comprised of a synthetic portfolio of shares, bonds, currency exchange rates, commodities, property or other assets, and as such, the performance of an Index is dependent upon the performance of components of such Index, which may include interest rates, currency developments, political factors, market factors such as the general trends in capital markets or broad based indices and (in the case of shares) company-specific factors such as earnings position, market position, risk situation, shareholder structure and distribution policy. If an Index does not perform as expected, this will materially and adversely affect the value of Index Linked Securities.

Returns on the Securities do not reflect a direct investment in underlying shares or other assets comprising the Index

The return payable on Securities that reference Indices may not reflect the return a potential investor would realise if it actually owned the relevant assets comprising the components of the Index or owned a different form of interest in the relevant Index. For example, if the components of the Indices are shares, Holders will not receive any dividends paid or distributions made on those shares and will not participate in the return on those dividends or distributions unless the relevant Index takes such dividends into account for purposes of calculating the relevant level. Similarly, Holders will not have any voting rights in the underlying shares or any other assets which may comprise the components of

the relevant Index. Accordingly, Holders of Securities that reference Indices as Reference Items may receive a lower payment upon redemption/settlement of such Securities than any return such Holder would have received if it had invested in the components of the Index directly or other comparable instruments linked to the Index.

A change in the composition or discontinuance of an Index could adversely affect the market value of the Securities

The sponsor of any Index can add, delete or substitute the components of such Index or make other methodological changes that could change the level of one or more components. The changing of components of any Index may affect the level of such Index as a newly added component may perform significantly worse or better than the component it replaces, which in turn may affect the payments made by the relevant Issuer to the Holders of the Index Linked Securities. The sponsor of any such Index may also alter, discontinue or suspend calculation or dissemination of such Index. The sponsor of an Index will have no involvement in the offer and sale of the Index Linked Securities and will have no obligation to any Holder of such Securities. Accordingly, the sponsor of an Index may take any actions in respect of such Index without regard to the interests of the Holder of the Securities, and any of these actions could adversely affect the market value of the Index Linked Securities.

The substitution of an Index with a Successor Index could adversely affect the market value of the Securities.

Upon notification by the relevant Issuer to the Calculation Agent that any payment (or deemed payment as determined for United States tax purposes) may be treated as a dividend or "dividend equivalent" for United States tax purposes (a "**U.S. Withholding Tax Event**"), the relevant Issuer may, at its option, upon notification to the Calculation Agent that it wishes to substitute a Successor Index for the relevant Index (an "**Index Substitution Event**"), effect such Index Substitution Event and, in the case of Notes, not redeem the Notes early pursuant to Note Condition 7 (*Redemption and Purchase*) or, in the case of W&C Securities, not cancel the W&C Securities pursuant to W&C Securities Condition 8 (*Cancellation for Tax Reasons and Tax Compliance Reasons*). With respect to a relevant Index, a "**Successor Index**" includes an index that uses, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index. Such a substitution could adversely affect the market value and the performance of the Index Linked Securities.

Exposure to Index Modification, Index Cancellation, Index Disruption and correction of Index levels

The Calculation Agent has broad discretion to make certain determinations and adjustments, to replace the original Reference Item with another and/or to cause early redemption/settlement of the Securities, any of which may be adverse to Holders in connection with Index Modification, Index Cancellation, and Index Disruption. The Calculation Agent may determine that the consequence of any such event is to make adjustments to the Securities, or to replace such Index with another or to cause early redemption/settlement of the Securities. The Calculation Agent may (subject to the terms and conditions of the relevant Securities) also amend the relevant Index level due to corrections in the level reported by the Index Sponsor. The consequences of such amendments could adversely affect the market value of the Index Linked Securities.

There are additional risks in relation to "Proprietary Indices" or "Strategies"

See "There may be conflicts of interest between the relevant Issuer, its Affiliates and the Holders" above.

There are additional risks in relation to Commodity Indices

See "Additional risks in relation to the "rolling" of commodity futures contracts (including commodity futures contracts which are Components of a Commodity Index)" below.

Specific Risks relating to Index Linked Securities in respect of which the applicable Final Terms specify that the "LEPW Conditions" shall be applicable

Holders of Index Linked Securities in respect of which the applicable Final Terms specify that the "LEPW Conditions" shall be applicable should note that all payments made by the relevant Issuer will be made subject to deductions to account for any costs and taxes which a hypothetical broker dealer, directly or indirectly, could incur in connection with any hedging arrangements which such hypothetical broker dealer could make in order to hedge such Index Linked Securities.

Securities are not sold or promoted by an Index or the sponsor of such Index

Securities linked to an Index are not sponsored, endorsed, sold, or promoted by such Index or the sponsor of such Index. The sponsor of an Index makes no representation whatsoever, whether express or implied, either as to the results to be obtained from the use of such Index or the levels at which such Index stands at any particular time on any particular date. Neither an Index nor sponsor of such Index shall be liable (whether in negligence or otherwise) to any person for any error in such Index. A sponsor of an Index is under no obligation to advise any person of any error in such Index. A sponsor of an Index does not make any representation whatsoever, whether express or implied, as to the advisability of investing or assuming any risk in connection with the Securities linked to such Index.

The relevant Issuer, BAC and BAC's Affiliates are not liable for the actions or omissions of the sponsor of an Index, any information concerning an Index, the performance of such Index or use thereof in connection with the Securities

None of the relevant Issuer, BAC or BAC's Affiliates is liable to the Holders of Securities for any act or failure to act by a sponsor of an Index in connection with the calculation, adjustment, or maintenance of such Index. Although the Calculation Agent will obtain information concerning an Index from publicly available sources it believes reliable, it will not independently verify this information. Accordingly, no representation, warranty, or undertaking (express or implied) is made and no responsibility is accepted by the relevant Issuer, BAC, any of BAC's Affiliates, or the Calculation Agent as to the accuracy, completeness, and timeliness of information concerning such Index. In addition, the relevant Issuer, BAC, any of BAC's Affiliates, or the Calculation Agent makes no representation whatsoever, whether express or implied, as to the performance of any Index which is linked to the Securities, any data included in, or omitted from, such Index, or the use of such Index in connection with the Index Linked Securities.

Risks relating to Share Linked Securities

No issuer of the relevant Share(s) will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Share Linked Securities

No Share Company or Companies will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Share Linked Securities and none of the relevant Issuer, the Guarantor (if applicable) and any Dealer will make any investigation or enquiry in connection with such offering with respect to any information concerning any such Share Company or Companies contained in such Final Terms or in the documents from which such information was extracted. Neither the relevant Issuer nor the Guarantor (if applicable) controls any Share Company or Companies and are not responsible for any disclosure made by any Share Company or Companies. Consequently, there can be no assurance that all events occurring prior to the relevant issue date (including events that would affect the adequacy, accuracy or completeness of the publicly available information described in this paragraph or in any applicable Final Terms) that would affect the trading price of the relevant Share(s) will have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of or failure to disclose material future events concerning such Share Company or Companies could affect the trading price of the Share(s) and therefore the trading price of the Securities.

Factors affecting the performance of Shares may adversely affect the value of the Share Linked Securities

The performance of Shares is dependent upon macroeconomic factors, such as interest and price levels on the capital markets, currency developments, political factors and company-specific factors such as earnings position, market position, risk situation, shareholder structure and distribution policy. These

factors are not within the relevant Issuer's or (if applicable) the Guarantor's control and may result in a decline in the value of the Securities.

Holders have no claim against the Share Company or Companies or recourse to the Shares

Share Linked Securities do not represent a claim against or an investment in any Share Company or Companies and investors will not have any right of recourse under the Share Linked Securities to any such company or the Shares. Share Linked Securities are not in any way sponsored, endorsed or promoted by any Share Company or Companies and such companies have no obligation to take into account the consequences of their actions for any Holders. Accordingly, the Share Company or Companies may take any actions in respect of such Share without regard to the interests of the investors in the Share Linked Securities, and any of these actions could adversely affect the market value of the Share Linked Securities.

Determinations made by the Calculation Agent in respect of Potential Adjustment Events, Merger Events, Tender Offers, De-listing, Nationalisations, Insolvencies and Additional Disruption Events may have an adverse effect on the value of the Share Linked Securities

Upon determining that a Potential Adjustment Event, Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Additional Disruption Event has occurred in relation to an underlying Share or Share Company, the Calculation Agent has broad discretion to make certain determinations to account for such event including to (i) make adjustments to the terms of the Share Linked Securities and/or (ii) (in the case of a Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or an Additional Disruption Event) cause early redemption/settlement of the Share Linked Securities, any of which determinations may have an adverse effect on the value of the Share Linked Securities. In particular, in the event that the Share Linked Securities are early settled/redeemed, the amount payable to Holders may be significantly less than the investor's initial investment, and may be as low as zero.

Potential Adjustment Events include (a) a sub-division, consolidation or re-classification of the Shares, (b) an extraordinary dividend, (c) a call of the Shares that are not fully paid, (d) a repurchase by the Share Company, or an affiliate thereof, of the Shares, (e) a separation of rights from the Shares or (f) any event having a dilutive or concentrative effect on the value of the Shares. Additional Disruption Events include (1) a change in applicable law since the Trade Date that makes it illegal to hold, acquire or dispose of the Shares or more expensive for the relevant Issuer to hedge its obligations under the relevant Share Linked Securities, (2) an insolvency filing by or on behalf of any issuer of the relevant Share(s), (3) Increased Cost of Hedging and (4) Hedging Disruption.

Holders may receive physical delivery of Shares in lieu of payment of cash amounts

Where the Share Linked Securities include the right of the relevant Issuer, subject to the fulfilment of a particular condition, to redeem the Share Linked Securities at their maturity by delivering Shares to the investor, the investors will receive such Shares rather than a monetary amount upon maturity. Holders will, therefore, be exposed to the Share Company or Companies and the risks associated with such Shares. The investor should not assume that he or she will be able to sell such Shares for a specific price after the redemption/settlement of the Securities, and in particular not for the purchase price of the Share Linked Securities. Under certain circumstances the Shares may only have a very low value or may, in fact, be worthless, in which case see "Investors risk losing all of their investment in the Securities" above. Holders may also be subject to certain documentary or stamp taxes in relation to the delivery and/or disposal of such Shares. The holding of such Shares instead of the Securities may adversely affect the Holder's tax position.

Holders will have no voting rights or may have no right to receive dividends or distributions in respect of the relevant Shares

Except as provided in the relevant Conditions in relation to Physical Delivery Securities, Holders of Share Linked Securities will not have voting rights or any other rights with respect to the relevant Shares to which such Share Linked Securities relate.

Unless the "Dividend Conditions" are applicable for Share Linked Securities, Holders of Share Linked Securities will not have rights to receive dividends or distributions. As a result, the return on the Share Linked Securities may not reflect the return an investor would realise if the investor actually owned

those relevant Shares and received the dividends paid or other distributions made in connection with them.

Specific Risks relating to Share Linked Securities in respect of which the applicable Final Terms specify that the "LEPW Conditions" shall be applicable.

Share Linked Securities in respect of which the applicable Final Terms specify that the "LEPW Conditions" shall be applicable are linked to the value of specified Shares during a specified period. If cash dividends are declared and paid on such Shares during such specified period, Holders of such Share Linked Securities shall receive such amounts, less deductions for local taxes (including withholding taxes). Holders of such Share Linked Securities should note that they will not acquire any interest in or right to acquire the relevant Shares, and will not in any way have any rights with respect to the relevant Shares (including voting rights). There is no obligation on the relevant Issuer or any of its Affiliates to purchase, sell, hold, deliver, pledge or transfer any such Shares. In addition, the Additional Amount(s) and/or Settlement Amount (if any) due to Holders of such Share Linked Securities will generally be payable in a currency other than the currency in which the relevant Shares are denominated; as a result, the returns to Holders will be subject to exchange rate risk as well.

Holders of such Share Linked Securities should note that following the occurrence of any Potential Adjustment Event, the Calculation Agent may make certain determinations in respect of such Share Linked Securities, such as the issue of additional Share Linked Securities to Holders or the issue to Holders of new Share Linked Securities linked to the share capital or other securities of another company created as a result of a spin-off or other similar transaction relating to the relevant Share Company or the distribution of a cash amount to Holders or the adjustment of the terms and conditions of such Share Linked Securities, in each case, to account for the diluting or concentrative effect of such Potential Adjustment Event. Holders of such Share Linked Securities should note that none of the relevant Issuer, the Guarantor (if applicable) and any of their respective affiliates are in a position to advise or give assurance to the Holders as to the impact to the economic, legal or tax position of such Holders as a result of such determinations or actions to the Holders. Holders of such Share Linked Securities should consult their own business, accounting, regulatory, legal, tax and other professional advisers with respect to any consequences or considerations (whether relating to tax or otherwise) which may be relevant to or which may result from any such determinations or actions.

Holders of such Share Linked Securities should also note that all payments made by the relevant Issuer (other than Additional Amounts) will be made subject to deductions to account for any costs and taxes which a hypothetical broker dealer, directly or indirectly, could incur in connection with any hedging arrangements which such hypothetical broker dealer could make in order to hedge such Share Linked Securities.

Risks relating to GDR/ADR Linked Securities

Exposure to risk that redemption amounts do not reflect direct investment in the shares underlying the Depositary Receipts

There are important differences between the rights of holders of ADRs or GDRs (ADRs and GDRs, together, "**Depositary Receipts**") and the rights of holders of the stock of the issuer of underlying shares represented by such Depositary Receipts. A Depositary Receipt is a security that represents capital stock of the relevant underlying share issuer. The relevant Deposit Agreement for the Depositary Receipt sets out the rights and responsibilities of the Depositary (being the issuer of the Depositary Receipt), the underlying share issuer and holders of the Depositary Receipt which may be different from the rights of holders of the underlying shares. For example, the underlying share issuer may make distributions in respect of its underlying shares that are not passed on to the holders of its Depositary Receipts. Any such differences between the rights of holders of the Depositary Receipts and holders of the underlying shares of the underlying share issuer may be significant and may materially and adversely affect the value of the relevant GDR/ADR Linked Securities.

Exposure to the risk of non-recognition of beneficial ownership of the underlying shares represented by Depositary Receipts and therefore generally do not include dividends

The legal owner of the underlying shares represented by Depositary Receipts is the custodian bank which at the same time is the issuing agent of the Depositary Receipts. Depending on the jurisdiction

under which the Depositary Receipts have been issued and the jurisdiction to which the custodian agreement is subject, it is possible that the corresponding jurisdiction would not recognise the purchaser of the Depositary Receipts as the actual beneficial owner of the underlying shares. Particularly in the event that the custodian becomes insolvent or that enforcement measures are taken against the custodian, it is possible that an order restricting free disposition could be issued with respect to the underlying shares represented by Depositary Receipts or that such shares are realised within the framework of an enforcement measure against the custodian. If this is the case, the holder of the Depositary Receipt loses the rights under the underlying shares and the GDR/ADR Linked Securities would become worthless. See "Investors risk losing all of their investment in the Securities" above.

Potential exposure to risks of emerging markets

Depositary Receipts often represent shares of underlying share issuers based in emerging market jurisdictions. In such case, there are risks relating to GDR/ADR Linked Securities linked to Depositary Receipts which represent such underlying shares, see "Risks relating to Securities which are linked to emerging market Reference Item(s)" above.

Distributions on the underlying shares may not be passed on to the Depositary Receipts

The issuer of the underlying shares represented by Depositary Receipts may make distributions in respect of such shares that are not passed on to the purchasers of its Depositary Receipts which may materially and adversely affect the value of the GDR/ADR Linked Securities.

Adjustment to the terms and conditions or replacement of the Reference Item following certain corporate events in relation to the underlying shares represented by Depositary Receipts may materially and adversely affect the value of the Securities

Following certain corporate events specified in the terms and conditions of the relevant GDR/ADR Linked Securities relating to the underlying shares represented by Depositary Receipts or the relevant issuer of such underlying shares, such as a merger where the relevant company is not the surviving entity, the amount Holders of GDR/ADR Linked Securities will receive, if any, at maturity of such Securities may be adjusted by the Calculation Agent or the affected underlying shares and Depositary Receipts may be replaced by another Reference Item. The occurrence of such corporate events and the consequential adjustments may materially and adversely affect the value of the GDR/ADR Linked Securities.

Exposure to changes in the rate of exchange between the currency of the Depositary Receipt and the underlying share

Where the currency of the Depositary Receipt is different from that of the underlying share, represented by a Depositary Receipt, Holders of Securities linked to such Depositary Receipt may be exposed not only to the performance of the Depositary Receipt but also to the performance of the relevant foreign currency of the underlying share, which cannot be predicted. See "Factors affecting the performance of the relevant foreign exchange rate may adversely affect the value of the Securities" below.

Risks relating to FX Linked Securities and other Securities in respect of which "Exchange Rate" is specified to be applicable

Factors affecting the performance of the relevant foreign exchange rate may adversely affect the value of the Securities

In the case of FX Linked Securities or any other Securities in respect of which "Exchange Rate" is specified to be applicable in the applicable Final Terms, any changes to the foreign exchange rate(s) to which such Securities are linked will affect the nature and value of the investment return on such Securities. The performance of foreign exchange rates is dependent upon the supply and demand for currencies in the international foreign exchange markets, which are subject to international and domestic political factors, economic factors (including inflation rates in the countries concerned, interest rate differences between the respective countries), economic forecasts, currency convertibility and safety of making financial investments in the currency concerned, speculation and measures taken by governments and central banks. Measures taken by governments and central banks include, without limitation, imposition of regulatory controls or taxes, issuance of a new currency to replace an existing

currency, alteration of the exchange rate or exchange characteristics by devaluation or revaluation of a currency or imposition of exchange controls with respect to the exchange or transfer of a Specified Currency that would affect exchange rates and the availability of a Specified Currency which would affect the return on such a Security or the ability of the relevant Issuer to make delivery in the Specified Currency.

BAC is a major foreign exchange dealer and is subject to conflicts of interest

Investors should note that BAC and its Affiliates (including Merrill Lynch International) are regular participants in the foreign exchange markets and in the ordinary course of their business may effect transactions for their own account or for the account of their customers and hold long and short positions in currencies and related derivatives, including in the currencies of the relevant foreign exchange rate(s). Such transactions may affect the relevant foreign exchange rate(s), the market price, liquidity or value of the Securities and could be adverse to the interests of Holders. Neither BAC nor any of its Affiliates has any duty to enter into such transactions in a manner which is favourable to Holders.

Currencies of emerging markets jurisdictions pose particular risks

Securities (including FX Linked Securities) which expose the investor to emerging market currencies may experience greater volatility and less certainty as to the future levels of such emerging market currencies or their rate of exchange as against other currencies. See "Risks relating to Securities which are linked to emerging market Reference Item(s)" above.

Risks relating to Commodity Linked Securities

An investment in Commodity Linked Securities entails significant risks in addition to those associated with investments in a conventional debt security.

Ownership of the Commodity Linked Securities will not entitle an investor to any rights with respect to any futures contracts or Commodities included in or tracked by the Reference Item(s)

An investor will not own or have any beneficial or other legal interest in, and will not be entitled to any rights with respect to, any of the Commodities or commodity futures included in such Reference Item(s). Neither the relevant Issuer nor the Guarantor (if applicable) will invest in any of the Commodities or commodity futures contracts included in such Reference Item(s) on behalf or for the benefit of the Holders.

Factors affecting the performance of Commodities may adversely affect the value of the Commodity Linked Securities; Commodity prices may be more volatile than other asset classes

The prices of Commodities may be volatile and may fluctuate substantially if, for example, natural disasters or catastrophes, such as hurricanes, fires, or earthquakes, affect the supply or production of such Commodities. Commodity prices also fluctuate due to general macro-economic forces and general market movements. The price of Commodities may also fluctuate substantially if conflict or war affects the supply or production of such Commodities. If any amount payable in respect of a Security is linked to the price of a Commodity, any change in the price of such Commodity may result in the reduction of the amount of such payment in respect of a Security. The reduction in the amount payable on the redemption/settlement of the Security may result, in some cases, in a Holder receiving a smaller sum on redemption/settlement of the Security than the amount originally invested in such Commodity Linked Security.

Commodity Linked Securities may reference physical commodities or commodity contracts, and Commodity Indices may include commodity contracts that are not traded on regulated exchanges

Commodities comprise both (i) "physical" commodities, which need to be stored and transported, and which are generally traded at a "spot" price, and (ii) commodity contracts, which are agreements either to (a) buy or sell a set amount of an underlying physical commodity at a predetermined price and delivery period (which may be referred to as a delivery month), or to (b) make and receive a cash payment based on changes in the price of the underlying physical commodity.

Commodity Indices are typically based solely on futures contracts traded on regulated futures exchanges; however, a Commodity Index may include over-the-counter contracts traded on trading facilities outside the United States that are subject to lesser degrees of regulation or, in some cases, no substantive regulation. Accordingly, trading in such contracts, and the manner in which prices and volumes are reported by the relevant trading facilities, may not be subject to the provisions of, and the protections afforded by, the applicable regulations governing regulated futures exchanges. As a result, the trading of contracts on such facilities and the inclusion of such contracts in a Commodity Index may be subject to certain risks not presented by most exchange-traded futures contracts, including risks related to the liquidity and price histories of the relevant contracts and any Securities which reference any such commodity contracts may have reduced liquidity or greater price volatility or be subject to more extensive market disruptions.

Commodity Linked Securities which are linked to commodity futures contracts may provide a different return from Commodity Linked Securities linked to the relevant physical commodity and will have certain other risks

The price of a futures contract on a commodity will generally be at a premium or at a discount to the spot price of the underlying commodity. This discrepancy is due to such factors as (i) the need to adjust the spot price due to related expenses (e.g., warehousing, transport and insurance costs) and (ii) different methods being used to evaluate general factors affecting the spot and the futures markets. In addition, and depending on the commodity, there can be significant differences in the liquidity of the spot and the futures markets. Accordingly, Commodity Linked Securities which are linked to commodity futures contracts may provide a different return from Commodity Linked Securities linked to the relevant physical commodity.

Investments in futures contracts involve certain other risks, including potential illiquidity. A holder of a futures position may find that such position becomes illiquid because certain commodity exchanges limit fluctuations in such futures contract prices pursuant to "daily limits". Once the price of a particular futures contract has increased or decreased by an amount equal to the daily limit, positions in the contract can neither be taken nor liquidated unless holders are willing to effect trades at or within the limit. This could prevent a holder from promptly liquidating unfavourable positions and subject it to substantial losses. Futures contract prices in various commodities occasionally have exceeded the daily limit for several consecutive days with little or no trading. Any such losses in such circumstances could have a negative adverse effect on the return of any Commodity Linked Securities the Reference Item of which is the affected futures contract. There can be no assurance that any such disruption or any other force majeure (such as an act of God, fire, flood, severe weather conditions, act of governmental authority or a labour dispute or shortage) will not have an adverse effect on the value of or trading in the Reference Item(s), or the manner in which it is calculated, and therefore, the value of the Securities.

In the case of a direct investment in commodity futures contracts, the invested capital may be applied in whole or in part by way of collateral in respect of the future claims of the respective counterparties under the commodity futures contracts. Such capital will generally bear interest, and the interest yield will increase the return of the investor making such direct investment. However, Holders of Securities linked to the price of commodity futures contracts do not participate in such interest yields from the hypothetical fully collateralised investment in commodity futures contracts.

Additional risks in relation to the "rolling" of commodity futures contracts (including commodity futures contracts which are Components of a Commodity Index)

Commodity contracts have a predetermined expiration date, which is the date on which trading of the commodity contract ceases. Holding a commodity contract until expiration will result in delivery of the underlying physical commodity or the requirement to make or receive a cash settlement. Alternatively, "rolling" the commodity contracts means that the commodity contracts that are nearing expiration (the "**near-dated commodity contracts**") are sold before they expire and commodity contracts that have an expiration date further in the future (the "**longer-dated commodity contracts**") are purchased. Investments in commodities apply "rolling" of the component commodity contracts in order to maintain an ongoing exposure to such commodities.

"Rolling" can affect the value of an investment in commodities in a number of ways, including:

- (i) **The investment in commodity contracts may be increased or decreased through "rolling":** Where the price of a near-dated commodity contract is greater than the price of the longer-dated commodity contract (the commodity is said to be in "backwardation"), then "rolling" from the former to the latter will result in exposure to a greater number of the longer-dated commodity contract being taken. Therefore, any loss or gain on the new positions for a given movement in the prices of the commodity contract will be greater than if one had synthetically held the same number of commodity contracts as before the "roll". Conversely, where the price of the near-dated commodity contract is lower than the price of the longer-dated commodity contract (the commodity is said to be in "contango"), then "rolling" will result in exposure to a smaller number of the longer-dated commodity contract being taken. Therefore, any gain or loss on the new positions for a given movement in the prices of the commodity contract will be less than if one had synthetically held the same number of commodity contracts as before the "roll".
- (ii) **Where a commodity contract is in contango (or, alternatively, backwardation) it may be expected to (though it may not) have a negative (or, alternatively, positive) effect over time:** Where a commodity contract is in "contango", the price of the longer-dated commodity contract will generally be expected to (but may not) decrease over time as it nears expiry. In such event, rolling is generally expected to have a negative effect on an investment in the commodity contract. Where a commodity contract is in "backwardation", the price of the longer-dated commodity contract will generally be expected to (but may not) increase over time as it nears expiry. In such event, the investment in the relevant commodity contract can generally be expected to be positively affected.

Commodity indices are indices which track the performance of a basket of commodity contracts on certain commodities, depending on the particular index. The weighting of the respective commodities included in a commodity index will depend on the particular index, and is generally described in the relevant index rules of the index. Commodity indices apply "rolling" of the component commodity contracts in order to maintain an ongoing exposure to such commodities. Specifically, as a commodity contract is required to be rolled pursuant to the relevant index rules, the commodity index is calculated as if exposure to the commodity contract was liquidated and exposure was taken to another (generally longer-dated) commodity contract for an equivalent exposure. Accordingly, the same effects as described above with regard to "rolling" on the value of a Commodity Reference Item also apply with regard to the index level of a Commodity index.

Legal and regulatory changes relating to the Commodities may lead to adjustment to, or early redemption or settlement of, the Commodity Linked Securities, and could adversely affect the return on and value of the Commodity Linked Securities

The legal and regulatory regimes of Commodities in many jurisdictions, including, in particular, the United States and Europe, may change in ways that could increase the level of regulation of markets and market participants, reduce liquidity, increase market volatility and increase the costs of participating in the commodity or futures markets which could negatively affect an interest in Commodity Linked Securities.

In the United States, the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "**Dodd-Frank Act**"), which was enacted in July 2010, provides for substantial changes to regulation of the futures and over-the-counter ("**OTC**") derivative markets. The Dodd-Frank Act requires regulators, including the U.S. Commodity Futures Trading Commission ("**CFTC**"), to adopt regulations to implement many of the requirements of the legislation, including additional restrictions on the ability of market participants to participate, to the extent and at the levels that they have in the past, in the commodity, future and swap markets and the markets for other OTC derivatives on physical commodities; increasing the level of regulation on market participants; requiring an increasing number of OTC derivative transactions to be executed on regulated exchanges or trading platforms and cleared through regulated clearing houses; and requiring swap dealers to be registered and subject to various additional regulatory requirements, including capital and margin requirements. These changes may have the effect of reducing liquidity and increasing costs in these markets, as well as affecting the structure of the markets in other ways. Furthermore, these changes and the resulting increased costs and regulatory oversight requirements may result in market participants being required to, or deciding to, limit their trading activities. While the CFTC has adopted some final regulations, the ultimate nature

and scope of the regulations, and its impact on the relevant Issuer and the Commodity Linked Securities, cannot yet be determined.

In addition, other regulatory bodies have proposed, or may in the future propose, legislation similar to that proposed by the Dodd-Frank Act which could contain other restrictions that could adversely impact the liquidity of, and increase the costs of, participating in the commodities markets. In Europe, the European Market Infrastructure Regulation (EMIR) and its accompanying technical standards, as well as the Markets in Financial Instruments Directive (MiFID II) and its implementing measures, seek to address concerns in relation to the monitoring of counterparty credit risk of OTC derivatives market participants, transparency and liquidity in financial markets. For example, MiFID II and the European Commission's proposed new regulation, the Markets in Financial Instruments Regulation (MiFIR), propose regulations to establish position limits (or an alternative equivalent) on trading commodity derivatives. It is not possible to predict the scope of any final rules or the degree to which Member States will be required or permitted to adopt these or additional regulations.

Any such changes to the legal and regulatory regime in relation to Commodities may adversely affect the relevant Issuer's obligations in respect of any underlying or hedging transactions in relation to the Commodity Linked Securities, or may make it unlawful or infeasible, in whole or in part, for any reason for the relevant Issuer to access the commodity markets for purposes of managing commodity market risk, which may lead to adjustment to, or early redemption/settlement of, the Commodity Linked Securities. In the event of an early redemption/settlement, any early settlement amount or early redemption amount may be less than the purchase price of the Commodity Linked Securities, and may be zero.

In addition, any such changes to the legal and regulatory regime in relation to Commodities could have an adverse impact on the price of a Commodity, or the return on a Commodity Index, and the return on and value of the Commodity Linked Securities.

Data sourcing and calculation risks associated with a Commodity Index and the commodity contracts underlying a Commodity Index may adversely affect the value of the Commodity Index

The closing level of a Commodity Index or the prices of commodity contracts underlying such Commodity Index will be calculated based on price data that are subject to potential errors in data sources or other errors that may affect the closing levels published by the relevant sponsor of a Commodity Index or the prices published by the relevant price source(s) for such underlying commodity contracts, as applicable. Also, there may be errors in any other data sourced by the sponsor of a Commodity Index. Such errors could adversely affect the closing level of the Commodity Index on any given day, which could in turn have an adverse effect on the value of the Securities and any amount payable under the Securities. There can be no assurance that any error or discrepancy on the part of any data source or sponsor will be corrected or revised or that the sponsor of a Commodity Index will incorporate any such correction or revision into the calculation of such Commodity Index. None of the sponsor of a Commodity Index, the Issuers and the Guarantor makes any representation or warranty, express or implied, as to the correctness or completeness of that information or takes any responsibility for the accuracy of such data or the impact of any inaccuracy of such data on the relevant level of such Commodity Index, or on the value of any commodity contracts included in such Commodity Index.

Risks relating to Fund Linked Securities

A Fund may be subject to Fund Events which may adversely impact the value of Fund Linked Securities

If certain events specified as Fund Events occur, the Calculation Agent may replace the Fund by other Funds and thereafter the amount payable in respect of the Fund Linked Securities will depend on and be calculated by reference to the performance of an alternate asset. This may have a considerable impact on the value of the Fund Linked Securities and the amount payable in respect of the Fund Linked Securities. Alternatively, any determination dates and payment dates may be changed by the Calculation Agent, or the amount paid per Fund Linked Security may be based on the only cash amounts that an investor in the fund actually received, which might be as low as zero.

Risk from composition and changes to a fund

The management company of a Fund can, without regard to the interests of the investors in the Fund Linked Securities, add, delete or substitute any Funds by reference to which the value of a Fund is calculated or make other methodological changes that could change the investment profile of a Fund. The management company may also determine to discontinue a Fund. If a Fund is discontinued, it may be replaced by other assets and/or the Fund Linked Securities may be redeemed or exercised early.

In the event that a Fund is materially modified or permanently cancelled or the management company fails to calculate or announce the net asset value of a Fund, the Calculation Agent will either make such adjustments to any variable, calculation methodology, valuation, settlement, payment terms or any other terms and conditions of the Fund Linked Securities as the Calculation Agent determines appropriate to account for the effect on the Fund Linked Securities of such events, or may redeem or exercise the Fund Linked Securities early. Any of these decisions or determinations may adversely impact the value of the Fund Linked Securities. In the event that the Fund Linked Securities are early settled/redeemed, that amount payable to an investor may be less than the investor's initial investment, and may be as low as zero.

Funds may be subject to transfer restrictions and illiquidity

Funds and the assets thereof may be subject to transfer restrictions arising by way of applicable securities laws or otherwise. Such restrictions may mean that purchasers of the Fund Linked Securities are not entitled to acquire interests in the Funds directly. Holders of units or shares in a Fund may have the right to transfer or withdraw their investment in the Funds only at certain times and upon completion of certain documentary formalities and such rights may be subject to suspension or alteration. These circumstances may affect the net asset value of the Funds in question. Potential investors should familiarise themselves with the features of the Funds in this regard.

Events which affect the value of a Fund will affect the value of Fund Linked Securities

The occurrence of any of the following events could materially and adversely affect the value of shares or units in a Fund, and have a consequent material and adverse effect on the value of Fund Linked Securities:

- *Valuation:* The valuation of Funds is generally controlled by the management company of the Fund. Valuations are performed in accordance the terms and conditions governing the Fund. Such valuations may be based upon the unaudited financial records of the Fund and any accounts pertaining thereto. Such valuations may be preliminary calculations of the net asset values of the Fund and accounts. The Fund may hold a significant number of investments which are illiquid or otherwise not actively traded and in respect of which reliable net asset values may be difficult to obtain. In consequence, the management company may vary certain quotations for such investments held by the Fund in order to reflect its judgement as to the fair value thereof. Therefore, valuations may be subject to subsequent adjustment upward or downward. Uncertainties as to the valuation of Fund assets and/or accounts may have an adverse effect on the net asset value of the Fund where such judgements regarding valuations prove to be incorrect.
- *Trading charges:* The performance of a Fund will be affected by the charges incurred thereby relating to the investments of such Fund. The Fund may engage in short-term trading which may result in increased turnover and associated higher than normal brokerage commissions and other expenses.
- *Legal and regulatory changes:* Future changes to applicable law or regulation may be adverse to a Fund.
- *Investment risk:* All investments risk the loss of capital and/or the diminution of investment returns. A Fund may utilise (*inter alia*) strategies such as short-selling, leverage, securities lending and borrowing, investment in sub-investment grade or non-readily realisable investments, uncovered options transactions, options and futures transactions and foreign exchange transactions and the use of concentrated portfolios, each of which could, in certain circumstances, magnify adverse market developments and losses.

- *Illiquidity:* A Fund may make investments in markets that are volatile and/or illiquid and it may be difficult or costly for positions therein to be opened or liquidated.
- *Performance risk:* No assurance can be given relating to the present or future performance of a Fund. The performance of a Fund is dependent on the performance of the management company thereof. Certain management companies may utilise analytical models upon which investment decisions are based. No assurance can be given that these persons will succeed in meeting the investment objectives of the Fund, that any analytical model used thereby will prove to be correct or that any assessments of the short-term or long-term prospects, volatility and correlation of the types of investments in which the Funds have invested or will invest will prove accurate.
- *Effect of exchange rates and exchange controls:* The net asset value of a Fund could be adversely affected not only by hedging costs and changes in exchange rates, but also by local exchange control regulations and other limitations, including currency exchange limitations and political and economic developments in the relevant countries.
- *Market risks:* The markets in which a Fund invests may prove to be highly volatile from time to time as a result of, for example, sudden changes in government policies on taxation and currency repatriation or changes in legislation relating to the value of foreign ownership in companies, and this may affect the net asset value at which a Fund may liquidate positions to meet repurchase requests or other funding requirements.
- *Hedging risks:* A Fund may in certain cases employ various hedging techniques to reduce the risk of investment positions. A substantial risk remains, nonetheless, that such techniques will not always be available and when available, will not always be effective in limiting losses. A Fund may take substantial unhedged positions.
- *Interest rate risks:* The values of securities held by a Fund (or by any underlying Fund) tend to be sensitive to interest rate fluctuations and unexpected fluctuations in interest rates could cause the corresponding net asset values of a Fund's positions to move in directions which were not initially anticipated. To the extent that interest rate assumptions underlie the hedge ratios implemented in hedging a particular position, fluctuations in interest rates could invalidate those underlying assumptions and expose a Fund to losses.
- *Absence of regulation:* A Fund will generally not be regulated under the laws of any country or jurisdiction. As a result, certain protections of such laws (which, among other things, may require investment companies to have disinterested directors, require securities to be held in custody and segregated, regulate the relationship between the investment company and its adviser and mandate investor approval before fundamental investment policies may be changed) do not apply to a Fund. This absence of regulation may adversely affect the performance of a Fund.
- *Suspension of trading:* A securities exchange typically has the right to suspend or limit trading in any instrument traded on that exchange. A suspension could render it impossible for a Fund to liquidate positions and thereby expose a Fund to losses.
- *Dependence on key individuals:* The success of a Fund is dependent on the expertise of its managers. The loss of one or more individuals could have a material adverse effect on the ability of a Fund manager to direct a fund's portfolio, resulting in losses for a Fund and a decline in the value of a Fund. Indeed, certain fund managers may have only one principal, without whom the relevant Fund manager could not continue to operate.
- *Experience of Fund managers:* Certain Funds may be managed by investment managers who have managed hedge funds for a relatively short period of time. The previous experience of such investment managers is typically in trading proprietary accounts of financial institutions or managing unhedged accounts of institutional asset managers or other investment firms. As such investment managers do not have direct experience in managing Funds or hedge funds, including experience with financial, legal or regulatory considerations unique to Fund management, and there is generally less information available on which to base an opinion of such managers' investment and management expertise, investments with such investment

managers may be subject to greater risk and uncertainty than investments with more experienced Fund managers.

- *Risk of fraud:* There is a risk that a Fund manager could divert or abscond with the assets, fail to follow agreed-upon investment strategies, provide false reports of operations or engage in other misconduct.
- *Performance compensation payable to Fund managers:* The performance-based compensation paid to a Fund manager is typically calculated on a basis that includes unrealised appreciation and may consequently be greater than if such compensation were based solely on realised gains. Each Fund generally calculates its own performance compensation based on its individual performance, irrespective of increases in the overall value of the Fund. Furthermore, when the Fund is rebalanced and an unprofitable underlying asset is removed, the loss carried forward by such Fund's trading is eliminated for purposes of calculating subsequent performance compensation due to the Fund manager of any replacement underlying asset. Thus, there may be substantial incentive compensation due to the relevant Fund manager even during a period when the portfolio of assets is incurring significant losses.
- *Concentration risk:* As many hedge funds have the authority to concentrate their investments in securities of a single issuer or industry, the overall adverse impact on one or more components of the fund, and correspondingly on the value of the Fund, of adverse movements in the value of such securities could be considerably greater than if the Fund were not permitted to concentrate their investments. Moreover, a number of hedge funds included as components in a Fund might accumulate substantial positions in the same or related instruments at the same time. As information regarding the actual investments made by such funds is not generally available, the management company will be unable to identify any such accumulations, which could expose the relevant Fund to the risk of sudden and severe declines.
- *Risks of leverage:* A Fund may borrow without limitation and typically utilise various lines of credit and other forms of leverage. In addition, certain of a Fund's investment strategies (primarily those utilising derivative instruments) may involve indirect forms of leverage. While leverage presents opportunities for increasing a Fund's total return, it increases the potential risk of loss as well. Any event which adversely affects the value of an investment by a Fund is magnified to the extent that such investment is leveraged. Leverage can have a similar effect on issuers in which a Fund invests. The use of leverage by a Fund could result in substantial losses which would be greater than if leverage had not been used. A Fund's assets may be further leveraged or hedged by the use of derivatives. In addition, investments of a fund may include investments in partnerships and other pooled investment vehicles, which themselves employ leverage to a significant extent. Such investments are subject to the same leverage risks as described above and a Fund could lose its entire investment. As a general matter, the banks and dealers that provide financing to a fund can apply essentially discretionary margin, haircut, financing and security and collateral valuation policies. Changes by banks and dealers in these policies may result in large margin calls, loss of financing and forced liquidations of positions at disadvantageous net asset values.
- *Non-deductible taxes:* As Funds may be resident in so-called off-shore jurisdictions, which have not entered into any double taxation conventions with other countries, any income of such Fund may be subject to taxation in the countries of origin. As such withholding taxes are non-deductible due to the fact that such Funds are not subject to income taxation in their countries of residence, the Fund's net income may be reduced which may have a negative impact on the performance of such Fund.
- *Investment criteria:* It may be difficult to specify precisely or comprehensively the strategies of a Fund. As a result, it may not sometimes be clear whether or not a Fund fulfils the investment criteria set out in its offering document.
- *Risks of equity investments:* The investment orientation of a Fund may be based to a significant extent on equity investments. Investment in equity securities to aggressively seek capital appreciation is speculative and is generally perceived to encompass greater risks than those involved in connection with an investment in debt securities of comparable issuers.

- *Risks of fixed income investments:* A Fund may invest in fixed income securities and, therefore, may be exposed to the risk of default by the issuers of such securities. Such default may result in delays in payment, or non-payment of interest or principal when due. Furthermore, the net asset value of fixed income securities may also fluctuate with changes in prevailing interest rates and/or in the creditworthiness of the issuer, and these fluctuations may result in a loss of capital by a Fund.
- *Risks of collective investment schemes:* Some Funds may invest in other collective investment schemes. Investment in schemes of this type may afford the investor less transparency in respect of the ultimate assets of the scheme.
- *Large transactions:* Large subscriptions and redemptions may result in the liquidation or dilution of fund assets that may affect the net asset value of such Fund.
- *Emerging markets:* A Fund may invest in securities of governments of, or companies domiciled in, less-developed or emerging markets. See "Risks relating to Securities which are linked to emerging market Reference Item(s)" above. Custody arrangements in such countries may also present enhanced risk.
- *Risks of repos:* A Fund may use repurchase agreements. Under a repurchase agreement, a security is sold to a buyer and at the same time the seller of the security agrees to buy back the security at a later date at a higher net asset value. In the event of a bankruptcy or other default of the transferor of securities in a repurchase agreement, a Fund could experience delays in liquidating the underlying securities and losses, including possible declines in the value of the collateral during the period while it seeks to enforce its rights thereto; possible subnormal levels of income and lack of access to income during this period and the expenses of enforcing its rights. In the case of a default by the transferee of securities in a repurchase agreement, the management company bears the risk that the transferee may not deliver the securities when required.
- *Risks of currency speculation:* A Fund may engage in exchange rate speculation. Foreign exchange rates have been highly volatile in recent years. The combination of volatility and leverage gives rise to the possibility of large profit but also carries a high risk of loss. In addition, there is counterparty credit risk since foreign exchange trading is done on a principal to principal basis.
- *Risks of commodity futures:* Commodity futures prices can be highly volatile. As a result of the low margin deposits normally required in futures trading, an extremely high degree of leverage is typical of a futures trading account. As a result, a relatively small price movement in a futures contract may result in substantial losses to the investor. Like other leveraged investments, a futures transaction may result in losses in excess of the amount invested.
- *Risks of derivative instruments:* A Fund may use derivative instruments, such as collateralised debt obligations, stripped mortgage-backed securities, options and swaps. There are uncertainties as to how the derivatives market will perform during periods of unusual price volatility or instability, market illiquidity or credit distress. Substantial risks are also involved in borrowing and lending against such instruments. The prices of these instruments are volatile, market movements are difficult to predict and financing sources and related interest rates are subject to rapid change. One or more markets may move against the positions held by a Fund, thereby causing substantial losses. Most of these instruments are not traded on exchanges but rather through an informal network of banks and dealers. These banks and dealers have no obligation to make markets in these instruments and may apply essentially discretionary margin and credit requirements (and thus, in effect, force a Fund to close out its relevant positions). In addition, such instruments carry the additional risk of failure to perform by the counterparty to the transaction. Government policies, especially those of the U.S. Board of Governors of the Federal Reserve System (the "**Federal Reserve Board**") and non-U.S. central banks, have profound effects on interest and exchange rates which, in turn, affect prices of derivative instruments. Many other unforeseeable events, including actions by various government agencies and domestic and international political events, may cause sharp market fluctuations.

- *Risks of short selling:* A Fund may sell securities short. Short selling exposes a Fund to theoretically unlimited risk due to the lack of an upper limit on the price to which a security may rise. Short selling involves the sale of borrowed stock. If a stock loan is called, the short seller may be forced to repurchase the stock at a loss. In addition, some traders may attempt to profit by forcing short sellers to incur a loss. Traders may make large purchases of a stock that has been sold short. The large purchases are intended to drive up the stock price, and cause the short sellers to incur losses. By doing this, the traders hope the short sellers will limit their losses by repurchasing the stock and force the stock price even higher.
- *Risks of arbitrage:* The use of arbitrage strategies by a Fund in no respect should be taken to imply that such strategies are without risk. Substantial losses may be incurred on "hedge" or "arbitrage" positions, and illiquidity and default on one side of a position may effectively result in the position being transformed into an outright speculation. Every arbitrage strategy involves exposure to some second order risk of the market, such as the implied volatility in convertible bonds or warrants, the yield spread between similar term government bonds or the net asset value spread between different classes of stock for the same underlying firm. Further, there are few examples of "pure" arbitrage Funds. Most Funds also employ limited directional strategies which expose them to market risk.
- *Credit risk:* Many of the markets in which a Fund effects its transactions are "over-the-counter" or "inter-dealer" markets. The participants in these markets are typically not subject to credit evaluation and regulatory oversight as are members of "exchange based" markets. To the extent that a Fund invests in swaps, derivatives or synthetic instruments, or other over-the-counter transactions in these markets, such Fund may take a credit risk with regard to parties with which it trades and also may bear the risk of settlement default. These risks may differ materially from those involved in exchange-traded transactions, which generally are characterised by clearing organisation guarantees, daily marking-to-market and settlement, and segregation and minimum capital requirements applicable to intermediaries. Transactions entered into directly between two counterparties generally do not benefit from these protections, which in turn may subject a Fund to the risk that a counterparty will not settle a transaction in accordance with its terms and conditions because of a dispute over the terms of the contract or because of a credit or liquidity problem. Such "counterparty risk" is increased for contracts with longer maturities when events may intervene to prevent settlement. The ability of a Fund to transact business with any one or any number of counterparties, the lack of any independent evaluation of the counterparties or their financial capabilities, and the absence of a regulated market to facilitate settlement, may increase the potential for losses.
- *Risks relating to controlling stakes:* A Fund may take controlling stakes in companies. The exercise of control over a company imposes additional risks of liability for environmental damage, product defects, failure to supervise and other types of related liability.
- *Price volatility:* The market price of Fund Linked Securities may be volatile and may depend on the time remaining to the redemption date or settlement date (as applicable) and the volatility of the price of Fund share(s) or unit(s). The price of Fund share(s) or unit(s) may be affected by the economic, financial and political events in one or more jurisdictions, including factors affecting the exchange(s) or quotation system(s) on which any units in the Fund or Funds may be traded.

As the shares of certain Funds may only be redeemable on certain dates, there is a risk of delays or defaults in payment

The shares of a Fund may only be redeemable on certain redemption dates, subject to the prescribed notice period in respect of such Fund. This gives rise to a time delay between the execution of an order for redemption and payment of the proceeds on such redemption. If the Fund becomes insolvent following the date on which a redemption order would have to be notionally placed or the Calculation Agent determines that the relevant Fund would fail to pay to any shareholder in cash the full redemption proceeds owing to them if they redeemed their shares on the relevant date, an adjustment may be made by the Calculation Agent when calculating the return on the Securities to the net asset value per share of the relevant Fund, thereby reducing the return on the Securities.

In the case of Fund Linked Securities linked to Exchange Traded Funds ("ETFs"), if the Calculation Agent determines that an event giving rise to a Disrupted Day has occurred at any relevant time, any such determination may have an effect on the timing of valuation and consequently the value of the Securities and/or may delay settlement in respect of the Fund Linked Securities. Potential investors should review the relevant Conditions and the applicable Final Terms to ascertain whether and how such provisions apply to the Fund Linked Securities.

In the case of Fund Linked Securities linked to ETFs following the declaration by the ETF of the occurrence of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical relevant Fund Shares and, if so, will (i) make the corresponding adjustment, if any, to any of the terms of the relevant Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect and (ii) determine the effective date of that adjustment. Such adjustment may have an adverse effect on the value and liquidity of the affected Fund Linked Securities.

In addition, in the case of Fund Linked Securities linked to ETFs, if a Merger Event, Tender Offer, De-Listing, Material Underlying Event, Nationalisation or Insolvency occurs in relation to any Fund Share, the relevant Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the relevant Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-Listing, Material Underlying Event, Nationalisation or Insolvency and determine the effective date of that adjustment. Such adjustment may have an adverse effect on the value and liquidity of the affected Fund Linked Securities; or
- (ii) redeem or cancel, as applicable, all of the Fund Linked Securities. In the event of such redemption or cancellation the amount payable to an investor may be less than the investor's initial investment, and may be as low as zero.

Risks relating to Inflation Linked Securities

A relevant consumer price index or other formula linked to a measure of inflation to which the Securities are linked may be subject to significant fluctuations that may not correlate with other indices. Any movement in the level of the index may result in a reduction of the interest payable on the Securities, and in the case of Securities with a settlement/redemption amount linked to inflation, in a reduction of the amount payable on settlement/redemption which in some cases could be less than the amount originally invested.

The timing of changes in the relevant consumer price index or other formula linked to the measure of inflation comprising the relevant index or indices may affect the actual yield to investors on the Inflation Linked Securities, even if the average level is consistent with their expectations.

An index to which interest payments on an Inflation Linked Security and/or the redemption amount of an Inflation Linked Security are linked is only one measure of inflation for the relevant jurisdiction, and such index may not correlate perfectly with the rate of inflation experienced by Holders in such jurisdiction.

Risks relating to Credit Linked Securities

General risks relating to Credit Linked Securities

The Issuers may issue Credit Linked Securities where the amount payable is dependent upon whether certain events ("Credit Events") have occurred in respect of one or more Reference Entity/Entities and, if so, on the value of certain specified assets of such Reference Entity/Entities or where, if one or more Credit Events have occurred, on redemption the relevant Issuer's obligation is to deliver certain specified assets.

Holders of any such Credit Linked Securities should be aware that depending on the terms of the Credit Linked Securities (i) they may receive no or a limited amount of interest or additional amounts, (ii) the payment of the redemption amount, interest or additional amounts or delivery of any specified assets

may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment.

The market price of Credit Linked Securities may be volatile and will be affected by, amongst other things, the time remaining to the redemption date or settlement date, as applicable, prevailing credit spreads and the creditworthiness of the Reference Entity/Entities which in turn may be affected by the economic, financial and political events in one or more jurisdictions. Risks relating to Credit Linked Securities may be correlated or compounded and such correlation and/or compounding may result in increased volatility in the value of such Securities and/or in increased losses for holders of such Securities.

Actions of Reference Entities (for example, merger or demerger or the repayment or transfer of indebtedness) may adversely affect the value of any Credit Linked Securities. The views of market participants and/or legal counsel may differ as to how the terms of market standard credit default swaps, and the corresponding terms of any Credit Linked Securities, should be interpreted in the context of such actions, or such terms may operate in a manner contrary to the expectations of market participants and/or adversely to the interests of holders of any Credit Linked Securities. Holders of any Credit Linked Securities should be aware that the Reference Entities to which the value of such Securities are exposed, and the terms of such exposure, may change over the term of such Securities. Reference Entities may not be subject to regular reporting requirements under Luxembourg securities laws and may report information in accordance with different disclosure and accounting standards. Consequently, the information available for such Reference Entities may be different from, and in some cases less than, the information available for entities that are subject to the reporting requirements under the Luxembourg securities laws. None of the relevant Issuer, the Guarantor (if applicable), the Calculation Agent and any of their respective affiliates make any representation as to the accuracy or completeness of any information available with respect to the Reference Entities.

Holders may be affected by Credit Events that occur before the Issue Date

Holders of Credit Linked Securities may suffer a loss of some or all of their investment if one or more Credit Events occur on or after the Credit Event Backstop Date (which may fall prior to the Issue Date). None of the Calculation Agent, the relevant Issuer, the Guarantor (if applicable) and any of their respective affiliates has any responsibility to avoid or mitigate the effects of a Credit Event that has taken place prior to the Issue Date.

There may be increased risks associated with Nth-to-Default Securities

Where the Credit Linked Securities are Nth-to-Default Securities, the relevant Credit Linked Securities will be subject to redemption in full as described above upon the occurrence of a Credit Event and the satisfaction of the relevant conditions to settlement in relation to the nth Reference Entity in relation to which the Conditions to Settlement have been satisfied. With Nth-to-Default Securities, the credit risk to holders of the Securities may be increased as a result of, amongst other things, the concentration of Reference Entities in a particular industry sector or geographic area, or the exposure of the Reference Entities to similar financial or other risks.

There may be increased risks associated with Tranche Portfolio CLNs

If a Credit Event occurs in respect of a Reference Entity that results in an Incurred Loss Amount, the Outstanding Principal Amount of the Credit Linked Notes shall be reduced by the sum of the lesser of: (a) the Outstanding Principal Amount; and (b) the relevant Settlement Amount, which amount may be at a considerable discount to par and could be zero and interest will cease to accrue from the immediately preceding Interest Payment Date with respect to an amount equal to the relevant Settlement Amount with respect to such Reference Entity and Credit Event.

If following the occurrence of a Credit Event, the Outstanding Principal Amount of the Credit Linked Notes is reduced to zero, the Credit Linked Notes will be redeemed early. An investor therefore risks losing all of its principal and interest.

Further, if on an Interest Determination Date, the Calculation Agent determines that a potential Credit Event has occurred or a Credit Event has occurred which, in either case, could result in the determination of an Incurred Loss Amount, then interest shall be deferred in an amount which would have accrued on the Reference Entity Notional Amount of the relevant affected Reference Entity until

the actual Settlement Amount can be determined and, in such cases, any interest which would have been paid had the relevant potential Credit Event or Credit Event been determined in the same Interest Period shall be paid on a deferred basis on the Interest Payment Date following the date on which the relevant Settlement Amount has been determined.

Since payment under the Credit Linked Notes is linked to the credit of the Reference Portfolio, Holders will be exposed to the credit risk of the Reference Entity to the full extent of the principal amount of their Credit Linked Notes. Holders will have no right to vote or exercise any other right or remedy with respect to any Reference Entity or any of its obligations.

The relevant Issuer, the Guarantor (if applicable), the Dealer(s) and the Calculation Agent have no duty to disclose use of non-public information with respect to any Reference Entity

The relevant Issuer, the Guarantor (if applicable), the Dealer(s), the Calculation Agent or any of their respective Affiliates may have acquired, or during the term of the Credit Linked Securities may acquire, non-public information with respect to the Reference Entity/Entities that they may not disclose. Potential investors must therefore make an investment decision based upon their own due diligence and purchase the Credit Linked Securities in the knowledge that non-public information which the relevant Issuer, the Guarantor (if applicable), the Dealer(s), the Calculation Agent or any of their respective Affiliates may have will not be disclosed to investors. None of the relevant Issuer, the Guarantor (if applicable), the Dealer(s), the Calculation Agent and any of their respective Affiliates is under any obligation (i) to review on the Holders' behalf, the business, financial conditions, prospects, creditworthiness, status or affairs of the Reference Entity/Entities or conduct any investigation or due diligence into the Reference Entity/Entities or (ii) other than as may be required by applicable rules and regulations relating to the Credit Linked Securities, to make available (a) any information relating to the Securities or (b) any non-public information they may possess in respect of the Reference Entity/Entities.

A Credit Event may occur even if the relevant Issuer does not suffer any loss

The relevant Issuer's obligations in respect of Credit Linked Securities are irrespective of the existence or amount of the relevant Issuer's and/or any Affiliates' credit exposure to a Reference Entity and the relevant Issuer and/or any Affiliate need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event.

Risks relating to Physical Settlement

Where the Credit Linked Securities provide that the applicable Settlement Method is "Physical Settlement", or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Physical Settlement", the relevant Issuer may determine that the specified assets to be delivered are either (a) assets which (i) for any reason (including, without limitation, failure of the relevant clearing system or due to any law, regulation, court order or market conditions or the non-receipt of any requisite consents with respect to the Delivery of assets which are loans) it is impossible or illegal to deliver on the specified settlement date or (ii) it is impracticable to Deliver on the specified settlement date because (1) the relevant holder(s) has not taken any action that is deemed necessary by the Calculation Agent to enable such Delivery or (2) the holder(s) has failed to provide know-your-customer information sign and deliver relevant transfer documentation and/or confidentiality agreement, pay a fee to the agent to effect the transfer and/or provide any other information or documentation or make any other payment (including taxes) specified under the terms of the relevant specified asset or as is customary to provide in respect of such specified asset or (b) assets which the relevant Issuer and/or any Affiliate and/or agent has not received under the terms of any transaction and/or trading position entered into by the relevant Issuer and/or such Affiliate and/or agent to hedge the relevant Issuer's obligations in respect of the Credit Linked Securities.

Any such determination may delay settlement in respect of the Credit Linked Securities and/or cause the obligation to deliver such specified assets to be replaced by an obligation to pay a cash amount which, in either case, may affect the value of the Credit Linked Securities and, in the case of payment of a cash amount, will affect the timing of the valuation of such Credit Linked Securities and as a result, the amount payable on redemption. Potential investors should review the relevant Conditions and the applicable Final Terms to ascertain whether and how such provisions should apply to the Credit Linked Securities.

In the case of Physical Settlement, where the Reference Obligation is a loan, in order for the Delivery of the loan (or an interest in the loan) to be effected, the Reference Obligation must be capable of being transferred to the Holder in accordance with its terms and the Holders must have the capacity to hold such loan (or loan interest).

Risks relating to Cash Settlement

If the applicable Settlement Method is "Cash Settlement", or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Cash Settlement", then, following the occurrence of a Credit Event, the Calculation Agent will be required to seek quotations in respect of selected obligations of the affected Reference Entity. Such quotations may not be available, or the level of such quotations may be substantially reduced as a result of illiquidity in the relevant markets or as a result of factors other than the credit risk of the affected Reference Entity (for example, liquidity constraints affecting market dealers). Accordingly, any quotations so obtained may be significantly lower than the value of the relevant obligation which would be determined by reference to (for example) the present value of related cashflows. Quotations may be deemed to be zero in the event that no such quotations are available. This could result in a lower or zero recovery rate for investors in such Securities.

If the relevant Issuer has discretion to choose the portfolio of obligations to be valued or delivered following a Credit Event in respect of a Reference Entity, it is likely that the portfolio of obligations selected will be obligations of the Reference Entity with the lowest market value that are permitted to be selected pursuant to the terms of any relevant Credit Linked Securities. This could result in a lower recovery value and hence greater losses for investors in such Securities.

Risks relating to Auction Settlement

If, in relation to any Credit Linked Securities, "Auction Settlement" is applicable, and a Credit Derivatives Determinations Committee publishes auction settlement terms in respect of a Reference Entity (and the relevant seniority of the Reference Obligation), then the Calculation Agent will determine the Auction Settlement Amount in accordance with such auction settlement terms. The losses determined pursuant to a market auction process may be greater than the losses which would have been determined in the absence of the auction. In particular, the auction process may be affected by technical factors or operational errors which would not otherwise apply or may be the subject of actual or attempted manipulation. Auctions may be conducted by ISDA or by a relevant third party. None of the Calculation Agent, the relevant Issuer, the Guarantor (if applicable) and any of their respective affiliates has any responsibility for verifying that any auction price is reflective of current market values for establishing any auction methodology or for verifying that any auction has been conducted in accordance with its rules. If the Dealer, the relevant Issuer, the Guarantor (if applicable), the Calculation Agent or any of their respective Affiliates participates in any auction for the purposes of such an auction, then it will do so without regard to the interests of the holders of the Credit Linked Securities. Such participation may have a material effect on the outcome of the relevant auction. Where the terms of any Credit Linked Securities state "Restructuring Maturity Limitation Date and Fully Transferable Obligation Applicable" or "Modified Restructuring Maturity Limitation Date and Conditionally Transferable Obligation Applicable" and the relevant Credit Event is a Restructuring, several concurrent but separate Auctions may occur with respect to such Reference Entity and such Credit Event. In certain circumstances, the relevant Issuer may apply specific Parallel Auction Settlement Terms notifying Holders of the relevant Securities. The Auction Final Price may be based on one or more obligations of the Reference Entity having a final maturity date different from the Restructured Bond or Loan and this may affect the Auction Settlement Amount determined in respect of the Credit Linked Securities.

Unwind costs may be deducted from the amounts payable to Holders of Credit Linked Securities

Investors should note that amounts paid or delivered in respect of any Credit Linked Securities may take into account Unwind Costs which are determined by the Calculation Agent to be equal to all costs, expenses, taxes and duties, incurred by the relevant Issuer and/or any of its Affiliates and/or agents in connection with the redemption or cancellation of the Credit Linked Securities and the related termination, settlement or re-establishment of any hedge or related trading position.

The determinations of the Calculation Agent are binding on holders

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent shall (in the absence of manifest error) be final and binding on the relevant Issuer, the Guarantor (if applicable) and the holders. In performing its duties pursuant to the Credit Linked Securities, the Calculation Agent shall act in its sole and absolute discretion. In making any determinations expressed to be made by it, for example as to substitute Reference Obligations or Successors, the Calculation Agent is under no obligation to consider the interests of the relevant Issuer, the Guarantor (if applicable) or the Holders. If the Final Terms specify that "Calculation Agent Determination" is applicable, the relevant Issuer and the Calculation Agent may, but will not be required to apply any DC Resolution to any Credit Linked Securities unless the Calculation Agent notifies the relevant Issuer that any DC Resolution to shall apply to such Credit Linked Securities.

Holders should note that the Calculation Agent may modify the terms of any Credit Linked Securities without the consent of the Holders of such Securities to account for any DC Resolution.

Risks relating to the Credit Derivatives Determinations Committees

The institutions represented on the Credit Derivatives Determinations Committee owe no duty to the holders of Credit Linked Securities and have the ability to make determinations that may materially affect the holders of Credit Linked Securities. The Credit Derivatives Determinations Committee will be able to make determinations without action or knowledge of the holders of Credit Linked Securities. Holders of Credit Linked Securities will have no role in the composition of the Credit Derivatives Determinations Committee. Separate criteria apply with respect to the selection of dealer and non-dealer institutions to serve on the Credit Derivatives Determinations Committee and the holders of Credit Linked Securities will have no role in establishing such criteria. In addition, the composition of the Credit Derivatives Determinations Committee will change from time to time in accordance with the Rules, as the term of an institution may expire or an institution may be required to be replaced. To the extent applicable, the Credit Linked Securities will be subject to the determinations made by such selected institutions in accordance with the Rules.

Holders of Credit Linked Securities will have no recourse against either the institutions serving on the Credit Derivatives Determinations Committee or any external reviewers. Institutions serving on the Credit Derivatives Determinations Committee and the external reviewers, among others, disclaim any duty of care or liability arising in connection with the performance of duties or the provision of advice under the Rules, except in the case of gross negligence, fraud or wilful misconduct. Furthermore, the institutions on the Credit Derivatives Determinations Committee do not owe any duty to the holders of Credit Linked Securities and the holders of Credit Linked Securities will be prevented from pursuing claims with respect to actions taken by such institutions under the Rules.

Holders of Credit Linked Securities should also be aware that institutions serving on the Credit Derivatives Determinations Committee have no duty to research or verify the veracity of information on which a specific determination is based. In addition, the Credit Derivatives Determinations Committee is not obligated to follow previous determinations and, therefore, could reach a conflicting determination on a similar set of facts. If the relevant Issuer, the Guarantor (if applicable) or the Calculation Agent or any of their respective Affiliates serve as a member of the Credit Derivatives Determinations Committee at any time, then they will act without regard to the interests of the holders of Credit Linked Securities.

Holders of Credit Linked Securities are responsible for obtaining information relating to deliberations of the Credit Derivatives Determinations Committee. Notices of questions referred to the Credit Derivatives Determinations Committee, meetings held to deliberate such questions and the results of binding votes will be published on the ISDA website and none of the relevant Issuer, the Guarantor (if applicable), the Calculation Agent and any of their respective affiliates shall be obliged to inform the holders of Credit Linked Securities of such information (other than as expressly provided in respect of such Securities).

Holders of Credit Linked Securities should also be aware that following the occurrence of a Credit Event Resolution Request Date in respect of a Reference Entity, any obligation of the relevant Issuer to

redeem or cancel or otherwise settle any such Securities or pay any amount in respect thereof may be suspended until the occurrence of a DC Credit Event Announcement or a DC No Credit Event Announcement or the relevant Credit Derivatives Determinations Committee has resolved to dismiss the relevant DC Question.

Risks relating to the Physical Settlement Matrix

Holders of Credit Linked Securities should be aware that the terms applicable to each Reference Entity incorporate the terms of the Physical Settlement Matrix for the Transaction Type specified in respect of such Reference Entity.

Risk relating to Short Credit Linked W&C Securities

Holders of Short Credit Linked W&C Securities should be aware that under the terms of such Credit Linked Securities the Holders are purchasing credit protection on the relevant Reference Entity/Entities and consequently they may only receive a payout where such Short Credit Linked W&C Securities are exercised following the occurrence of a Credit Event. If no Credit Event occurs during the life of the Short Credit Linked W&C Securities then such Short Credit Linked W&C Securities shall expire worthless unless otherwise provided in the terms of such Short Credit Linked W&C Securities. In certain circumstances where a Restructuring Credit Event has occurred, Holders may be entitled to deliver a Credit Event Notice to the relevant Issuer. None of the relevant Issuer, the Guarantor, the Calculation Agent and any of their respective affiliates shall have any obligation to inform the Holders at any time when they may be entitled to deliver such Credit Event Notice.

Risks relating to amendments in accordance with market convention or otherwise

Calculation Agent's powers to amend terms without Holders' consent

Holders should note that the Calculation Agent may (but shall not be obliged to) from time to time, without obtaining their consent or consulting them:

- (i) amend fundamental credit-linked provisions (including but not limited to the applicable Transaction Type, Credit Events, Deliverable Obligation Category, Deliverable Obligation Characteristics and deliverability, Reference Obligation, Successor and other provisions) in the Credit Linked Note Conditions and Credit Linked W&C Conditions or other provisions of the Securities to correspond with those specified as applicable for a particular Reference Entity in the most recently published ISDA Credit Derivatives Definitions, ISDA Credit Derivatives Physical Settlement Matrix version and prevailing trading standards applicable to such Reference Entity;
- (ii) amend any provision of the Credit Linked Note Conditions, Credit Linked W&C Conditions or the Securities to incorporate and/or reflect further or alternative documents from time to time published by ISDA with respect to credit derivative transactions and/or the operation or application of determinations by the ISDA Credit Derivatives Determinations Committees which the Calculation Agent determines are necessary to reflect market practice for credit derivative transactions; and/or
- (iii) in circumstances where a Reference Entity has proposed an exchange of all or substantially all of the obligations of such Reference Entity into cash, securities and/or other assets, elect to make certain amendments to any provision of the Credit Linked Note Conditions, the Credit Linked W&C Conditions or the Securities to reflect or account for such exchange, regardless of the credit derivatives definitions or trading standards applicable to such Reference Entity, as set out in Credit Linked Note Condition 23 (*Change in Market Convention*) and Credit Linked W&C Condition 21 (*Change in Market Convention*).

It is currently anticipated that ISDA will publish new credit derivatives definitions and new trading standards will become applicable for certain Transaction Types during 2014. Holders should note that, upon such publication, the Calculation Agent may utilise the powers set out in Credit Linked Note Condition 23 (*Change in Market Convention*) and Credit Linked W&C Condition 21 (*Change in Market Convention*) to incorporate such new credit derivatives definitions and trading standards into the Credit Linked Note Conditions and Credit Linked W&C Conditions or otherwise to amend the Credit Linked Note Conditions and Credit Linked W&C Conditions to reflect such new credit

derivatives definitions and trading standards. Holders are strongly advised to consult the ISDA website (www.isda.org) for the latest published indicative guidance from ISDA on the proposed scope and timing for implementation of the revised version of ISDA's credit derivatives definitions.

Proposed Additional Credit Event for Credit Linked Securities linked to Financial Reference Entities and "Bail In"

Without limitation to the foregoing, it is currently expected that the new credit derivatives definitions will include (amongst other things) a new Credit Event for certain financial Reference Entities which may be triggered by a government-initiated "bail-in" of debt (for example, pursuant to European Union measures to be introduced in respect of financial institutions resolution and restructuring regimes). It is anticipated that such new Credit Event will become the trading standard for such financial Reference Entities, and the ISDA Credit Derivatives Physical Settlement Matrix will be updated accordingly. Such government-initiated "bail-in" actions, e.g. write down, conversion to equity, subordination, deferral of payments, extension of maturities or expropriation of bonds, may or may not constitute a Credit Event (such as a Restructuring or a Failure to Pay) as of the Issue Date. However, the Calculation Agent currently intends to exercise its power set out in Credit Linked Note Condition 23 (*Change in Market Convention*) and Credit Linked W&C Condition 21 (*Change in Market Convention*) to incorporate the new credit derivatives definitions into the Credit Linked Note Conditions and Credit Linked W&C Conditions and to conform the Credit Linked Note Conditions and Credit Linked W&C Conditions to the prevailing trading standards, meaning that such government-initiated "bail-in" actions would be applicable as a new Credit Event for affected financial Reference Entities.

Proposed Changes applicable to Sovereign Reference Entities

It is also currently expected that the new credit derivatives definitions will include the ability for market participants to settle a Credit Event on certain Sovereign Reference Entities by delivery of certain assets other than "Deliverable Obligations" as currently defined ("**Asset Package Delivery**"). It is anticipated that Asset Package Delivery will become the trading standard for such Sovereign Reference Entities, and the ISDA Credit Derivatives Physical Settlement Matrix will be updated accordingly. This proposed change is intended to be reflected in the terms of the Credit Linked Securities by virtue of the Calculation Agent using its powers set out in Credit Linked Note Condition 23 (*Change in Market Convention*) and Credit Linked W&C Condition 21 (*Change in Market Convention*) to amend the Credit Linked Note Conditions and Credit Linked W&C Conditions.

Risks relating to Saudi Share Linked Warrants

No issuer of the relevant Share(s) will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Saudi Share Linked Warrants

No issuer of the relevant Share(s) will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Saudi Share Linked Warrants and none of MLICo., the Guarantor and any Dealer will make any investigation or enquiry in connection with such offering with respect to any information concerning any such issuer of Shares contained in such Final Terms or in the documents from which such information was extracted. Neither MLICo. nor the Guarantor controls any issuer of the relevant Share(s) or is responsible for any disclosure made by any issuer of the relevant Share(s). Consequently, there can be no assurance that all events occurring prior to the relevant issue date (including events that would affect the adequacy, accuracy or completeness of the publicly available information described in this paragraph or in any applicable Final Terms) that would affect the trading price of the relevant Share(s) will have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of or failure to disclose material future events concerning such an issuer of relevant Share(s) could affect the trading price of the Share(s) and therefore the trading price of the Saudi Share Linked Warrants.

Exposure to value of Shares and notional liquidation of the Shares over a valuation period

Saudi Share Linked Warrants are issued at a price linked to the value of the underlying Shares on particular trading days during a fixing period. On settlement a Holder will not receive the principal amount of its investment but instead will receive an amount calculated as the weighted average sale price of the Shares over a valuation period commencing on the Valuation Date (or such other price as may be specified in the applicable Final Terms) less deductions for local taxes (if any) and other costs

which would have been incurred had the Shares been held by a Saudi resident investor directly and less deductions for any other taxes and costs associated with MLICo.'s hedging position. The valuation period will be the number of days commencing on/and including the valuation date that would have been required for a holder of the Shares to complete the sale of the equivalent position on the stock exchange on which such Shares are primarily traded. Depending on the performance of the Shares, the value of the Shares at settlement may be substantially lower than when the Saudi Share Linked Warrants were initially purchased. There is no assurance that the Cash Settlement Amount on settlement will be equal to or more than the purchase price of the Saudi Share Linked Warrants. In the worst case, the Saudi Share Linked Warrants may settle at zero, exposing investors to the full loss of their initial investment. If investors have any doubt on the risk level implied, they should consult a professional investment adviser. Further, generally returns to investors in Saudi Share Linked Warrants will be payable in U.S. Dollars or another currency other than the currency in which the Shares are denominated. Changes in the rate of exchange between the currency in which the underlying Shares are denominated and that in which returns are payable to Holders will affect the return to investors. See "Exposure to changes in the rate of exchange between the currency of the Shares and Settlement Currency" below.

Factors affecting the performance of Shares may adversely affect the value of the Saudi Share Linked Warrants

The performance of Shares is dependent upon macroeconomic factors, such as interest and price levels on the capital markets, currency developments, political factors and company-specific factors such as earnings position, market position, risk situation, shareholder structure and distribution policy. These factors are not within MLICo.'s or the Guarantor's control and may result in a decline in the value of the Saudi Share Linked Warrants. Neither MLICo. nor the Guarantor makes any representation or warranty about, or guarantee of, the performance of the Shares. Past performance of the Shares cannot be considered to be either a guarantee of, or necessarily a guide to, future performance. The value of the Shares may go down as well as up during the term of the Saudi Share Linked Warrants. Saudi Share Linked Warrants are linked to Shares listed in an emerging market which may make the Shares less liquid and more volatile than investments in more established markets. See "Risks relating to Securities which are linked to emerging market Reference Item(s)" above.

Exposure to changes in the rate of exchange between the currency of the Shares and Settlement Currency

Where the currency of the Shares is different from that of the Settlement Currency, Holders of Saudi Share Linked Warrants linked to such Shares may be exposed not only to the performance of the Shares but also to the performance of the relevant foreign currency of the Shares, which cannot be predicted. Saudi Share Linked Warrants may be linked to the Saudi Arabian Riyal which may experience volatility and uncertainty as to its future levels or its rate of exchange as against other currencies (including the Settlement Currency). See "Risks relating to Securities which are linked to emerging market Reference Item(s)" and "Factors affecting the performance of the relevant foreign exchange rate may adversely affect the value of the Securities" above.

Holders have no claim against the issuer of the relevant Share(s) or recourse to the Shares or the Hedge Positions

Saudi Share Linked Warrants do not represent a claim against or an investment in any issuer of the relevant Share(s) and investors will not have any right of recourse under the Saudi Share Linked Warrants to any such company or the Shares or MLICo.'s Hedge Positions. Saudi Share Linked Warrants are not in any way sponsored, endorsed or promoted by any issuer of the relevant Share(s) and such companies have no obligation to take into account the consequences of their actions for any Holders. Accordingly, the issuer of a Share may take any actions in respect of such Share without regard to the interests of the investors in the Saudi Share Linked Warrants, and any of these actions could adversely affect the market value of the Saudi Share Linked Warrants.

Determinations made by the Calculation Agent in respect of Potential Adjustment Events, Merger Events, Tender Offers, De-listing, Nationalisations, Insolvencies and Additional Disruption Events may have an adverse effect on the value of the Saudi Share Linked Warrants

Upon determining that a Potential Adjustment Event, Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Additional Disruption Event has occurred in relation to an underlying Share or Share Company, the Calculation Agent has broad discretion to make certain determinations to account for such event including to (i) make adjustments to the terms of the Saudi Share Linked Warrants, (ii) distribute additional Securities or cash payments to Holders and/or (iii) (in the case of a Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or an Additional Disruption Event) cause early settlement of the Saudi Share Linked Warrants, any of which determinations may have an adverse effect on the value of the Saudi Share Linked Warrants.

Potential Adjustment Events include (a) a sub-division, consolidation or re-classification of the Shares, (b) an extraordinary dividend, (c) a call of the Shares that are not fully paid, (d) a repurchase by the issuer, or an affiliate thereof, of the Shares, (e) a separation of rights from the Shares or (f) any event having a dilutive or concentrative effect on the value of the Shares. Additional Disruption Events include (a) (i) a requirement of the Capital Market Authority of the Kingdom of Saudi Arabia to terminate or otherwise modify any hedge position relating to the Saudi Share Linked Warrants or the imposition by the Capital Market Authority of any qualitative or quantitative limitation or any other requirements in relation to any Hedge Positions and (ii) a trading failure and (b) if specified to be applicable in the applicable Final Terms, (i) a change in applicable law since the Trade Date that makes it (A) illegal to hold, acquire or dispose of the Shares or (B) more expensive for MLICo. to hedge its obligations under the relevant Saudi Share Linked Warrants, (ii) an insolvency filing by or on behalf of any issuer of the relevant Share(s) and/or (iii) a disruption or increased cost of hedging.

Holders will have no voting rights in respect of the relevant Shares

Holders of Saudi Share Linked Warrants will not have voting rights or any other rights with respect to the relevant Shares to which such Saudi Share Linked Warrants relate.

Consequences of CMA Resolution: including potential identification of Holders, unilateral amendments and/or early termination and transfer restrictions

The Capital Market Authority regulates share dealing and associated activities in the Kingdom of Saudi Arabia. Pursuant to Capital Market Authority Board of Commissioners resolution number 3-10-2010 as issued by the Capital Market Authority in the "Circular from the CMA regarding its approval for Authorized Persons to Enter into Swap Agreements" which amends resolution number 2-28-2008 of the Capital Market Authority Board of Commissioners (the "**CMA Resolution**"), "Authorised Persons" may enter into derivative transactions with non-resident foreign investors, whether institutions or individuals, to transfer certain economic benefits of Saudi companies' shares listed on the Saudi Stock Exchange (*Tadawul*), while the shares are registered in the name of the relevant Authorised Person, all on the terms and conditions set forth in the CMA Resolution. A copy of the CMA Resolution may be obtained on request from the Dealer.

In respect of any Saudi Share Linked Warrants, MLICo. may (but shall be under no obligation under the Saudi Share Linked Warrants to) establish Hedge Positions in respect of its obligations under such Saudi Share Linked Warrants including the appointment of an "Authorised Person" as Hedging Entity which may register the relevant Shares in its name. Any such Hedge Positions would be subject to the terms and conditions of the CMA Resolution. In order to ensure compliance with the CMA Resolution, the relevant "Authorised Person" must enter into a swap agreement in a form consistent with the terms of the CMA Resolution with a term not exceeding four years and each purchaser of Saudi Share Linked Warrants will be required to make the additional disclosures and the authorisations, representations, confirmations and undertakings in the "Form of the Investor Representation Letter in respect of Saudi Share Linked Warrants" (substantially in the form set out in schedule 25 to the English Law Agency Agreement) to MLICo., the Guarantor and the party specified as the "Authorised Person" including (amongst others):

- (i) representing that the purchaser is a "non-resident foreign investor" for the purposes of the CMA Resolution and is the ultimate beneficial owner of such Warrants;

- (ii) authorising the relevant "Authorised Person" to disclose such purchaser's name, country of origin (being its nationality or country of incorporation (as applicable)), details of Warrant holdings (including the quantity of Shares linked to such Warrants) and any other information requested by the Capital Market Authority to the Capital Market Authority; and
- (iii) acknowledging that the Calculation Agent under the Saudi Share Linked Warrants may in its sole and absolute discretion adjust the terms and conditions of the Saudi Share Linked Warrants and/or cause the cancellation of the Saudi Share Linked Warrants (in each case, without the consent of Holders), as applicable, in order to ensure compliance with any limitations or other requirements that the Capital Market Authority may impose from time to time.

Any adjustment and/or early termination of Saudi Share Linked Warrants (as described in (iii) above) may result in the loss of some or all of a purchaser's investment.

The requirement for all purchasers to provide a letter in the "Form of the Investor Representation Letter in respect of Saudi Share Linked Warrants" may adversely affect the ability of an investor to transfer any Saudi Share Linked Warrant.

FORM OF THE SECURITIES

Words and expressions defined in the "Terms and Conditions of the Notes" or "Terms and Conditions of the W&C Securities", as applicable, shall have the same meanings in this Form of the Securities.

Form of the Notes

Registered Notes

Each Tranche of Notes issued in registered form ("**Registered Notes**") will be represented by a global registered note (a "**Global Registered Note**") or Notes in definitive form ("**Definitive Registered Notes**") represented by individual note certificates ("**Individual Note Certificates**"), as the case may be, together with the attached or incorporated Terms and Conditions of the Notes and the applicable Final Terms. Each Global Registered Note will be deposited on or around the relevant issue date with either (a) the Common Depositary for Euroclear, Clearstream, Luxembourg or any other relevant clearing system, in the case of a Registered Global Note not intended to be issued under the NSS, and registered in the name of a nominee of the Common Depositary, or (b) the Common Safekeeper for Euroclear, Clearstream, Luxembourg or any other relevant clearing system, in the case of a Registered Global Note intended to be issued under the NSS, and registered in the name of a nominee of the Common Safekeeper.

The NSS form allows Notes in registered form to be issued and held in a manner which will permit them to be recognised as eligible collateral for monetary policy of the central banking system for the euro (the "**Eurosystem**") and intra-day credit operations by the Eurosystem either upon their issue or at any other time prior to the applicable maturity date. However, such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Beneficial interests in a Registered Global Note will be exchangeable for Definitive Registered Notes represented by Individual Note Certificates if: (1) an Event of Default (as defined herein) occurs and is continuing, (2) the relevant Issuer is notified that Euroclear and/or Clearstream, Luxembourg or any other relevant clearing system has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system approved by the holders of the Notes is available, or (3) the relevant Issuer, after notice to the Principal Paying Agent, determines to issue the Notes in definitive form.

Whenever the Global Registered Note is to be exchanged for Individual Note Certificates, the relevant Issuer shall procure that Individual Note Certificates will be issued in an aggregate principal amount equal to the principal amount of the Global Registered Note within five Business Days of the delivery by or on behalf of the registered holder of the Global Registered Note to the Principal Paying Agent of such information as is required to complete and deliver such Individual Note Certificates (including, without limitation, the names and addresses of the persons in whose names the Individual Note Certificates are to be registered and the principal amount of each such person's holding) against the surrender of the Global Registered Note at the specified office of the Principal Paying Agent.

Such exchange will be effected in accordance with the provisions of the New York Law Agency Agreement (in the case of Notes issued by BAC) or the English Law Agency Agreement (in the case of Notes issued by MLB) and, in either case, the regulations concerning the transfer and registration of Notes scheduled thereto, and, in particular, shall be effected without charge to any holder, but against such indemnity as the Principal Paying Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) Individual Note Certificates have not been delivered by 5.00 p.m. (London time) on the thirtieth calendar day after they are due to be issued and delivered in accordance with the terms of the Global Registered Note; or
- (b) any of the Notes represented by a Global Registered Note (or any part of it) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Notes has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the holder of the

Global Registered Note in accordance with the terms of the Global Registered Note on the due date for payment,

then the Global Registered Note (including the obligation to deliver Individual Note Certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) immediately above) or at 5.00 p.m. (London time) on such due date (in the case of (b) immediately above) and the holder of the Global Registered Note will have no further rights thereunder (but without prejudice to the rights which the holder of the Global Registered Note or others may have under the MLBV Notes Deed of Covenant (as defined under "**Terms and Conditions of the Notes**"). With respect to Notes issued by MLBV, under the MLBV Notes Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Registered Note will acquire directly against MLBV all those rights to which they would have been entitled if, immediately before the Global Registered Note became void, they were entered in the Register as the holder of Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

Swedish Notes

If the applicable Final Terms indicate that the Notes are to be issued into and cleared through the Swedish CSD ("**Swedish Notes**"), such Series of Notes will be issued in dematerialised and uncertificated book-entry form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag (1998: 1479) om kontoföring av finansiella instrument*).

Form of Warrants

If the applicable Final Terms specify that Warrants are eligible for sale exclusively in the United States or to, or for the account or benefit of, United States Persons (as defined below) pursuant to an exemption from the registration requirements of the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), the Warrants sold (a) in the United States to qualified institutional buyers within the meaning of Rule 144A ("Rule 144A") under the Securities Act ("**QIBs**") who are also each a qualified purchaser (each a "**QP**") within the meaning of Section 3(c)(7) and as defined in Section 2(a)(51) of the U.S. Investment Company Act of 1940, as amended (the "**1940 Act**") and the rules thereunder or (b) to, or for the account or benefit of, United States Persons who are QIBs and also QPs will be represented by a Rule 144A Global Warrant (the "**Rule 144A Global Warrant**") which will be in registered form and either (i) deposited with the U.S. Warrant Agent as a custodian for, and registered in the name of a nominee of, DTC; or (ii) deposited with, and registered in the name of a nominee for, the Common Depositary.

Unless otherwise indicated, as used in this Offering Circular, "**United States Person**" means a person which is a "U.S. person" as defined by Regulation S under the Securities Act or a "United States person" as defined in Section 7701(a)(30) of the U.S. Internal Revenue Code of 1986, as amended, and in U.S. Treasury regulations. Warrants which may be sold as described above to United States Persons who are QIBs and also QPs in reliance on Rule 144A are referred to in this Offering Circular as "Rule 144A Warrants", which term shall also include, where the context requires, Rule 144A Warrants sold as described in the succeeding paragraph that are represented by a Regulation S/Rule 144A Global Warrant.

If specified in the applicable Final Terms, the Warrants may be sold (a) in the United States to QIBs who are also QPs or (b) to, or for the account or benefit of, United States Persons who are QIBs and also QPs and, in either case, concurrently outside the United States to non-United States Persons and will be represented by a Regulation S/Rule 144A Global Warrant (the "**Regulation S/Rule 144A Global Warrant**") which will be in registered form and deposited with, and registered in the name of a nominee for, the Common Depositary.

If the applicable Final Terms indicate that the Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons and are to be issued into and transferred through accounts at Euroclear and Clearstream, Luxembourg, such Series of Warrants will on issue be constituted by a global warrant in registered form (the "**Euroclear/CBL Global Registered Warrant**"), which will be deposited with, and registered in the name of the nominee of, the Common Depositary.

Each Rule 144A Global Warrant, Regulation S/Rule 144A Global Warrant and Euroclear/CBL Global Registered Warrant will be exchangeable in whole, but not in part, for individual warrant certificates ("**individual warrant certificates**") in a form to be agreed between the relevant Issuer and the Principal Warrant Agent or U.S. Warrant Agent, as applicable, representing Warrants in definitive form ("**Definitive Registered Warrants**"), only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (a) in the case of Warrants represented by a Rule 144A Global Warrant held through DTC, either DTC has notified the Issuer that it is unwilling or unable to continue as a depository for that Rule 144A Global Warrant held through DTC and no alternative clearing system is available, or DTC has ceased to be a "clearing agency" registered under the Exchange Act, and no alternative clearing system is available, (b) in the case of Warrants registered in the name of a nominee of the Common Depositary, the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (c) the relevant Issuer or the Guarantor has or will become subject to adverse tax consequences which would not be suffered were the Warrants held in definitive form. The relevant Issuer will give notice of any such Exchange Event to the Holders in accordance with W&C Securities Condition 12 (*Notices*).

Whenever the Global Warrant is to be exchanged for individual warrant certificates, such individual warrant certificates shall be issued in equal number to the number of Warrants represented by the Global Warrant within five business days of the delivery, by or on behalf of the Holder, DTC or the relevant clearing system, to the Principal Warrant Agent or U.S. Warrant Agent, as applicable, of such information as is required to complete and deliver such individual warrant certificates (including, without limitation, the names and addresses of the persons in whose names the individual warrant certificates are to be registered and the number or nominal amount of each such person's holding) against the surrender of the Global Warrant at the specified office of the Principal Warrant Agent or U.S. Warrant Agent, as applicable.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and the regulations concerning the transfer and registration of Warrants scheduled thereto and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Principal Warrant Agent or U.S. Warrant Agent, as applicable, may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) individual warrant certificates have not been issued and delivered by 5.00 p.m. (London time) on the thirtieth calendar day after the date on which the same are due to be issued and delivered in accordance with the terms of the Global Warrant; or
- (b) the date for final settlement of the Warrants has occurred and payment in full of the amount due has not been made to the Holder on the due date for payment in accordance with the terms of the Global Warrant,

then the Global Warrant (including the obligation to deliver individual warrant certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) immediately above) or at 5.00 p.m. (London time) on such due date (in the case of (b) immediately above) and the Holder of the Global Warrant will have no further rights thereunder (but without prejudice to the rights which the Holder of the Global Warrant or others may have under the W&C Securities Deed of Covenant). Under the W&C Securities Deed of Covenant, each Holder is entitled to exercise or enforce in respect of each Warrant held by him, the rights and obligations attaching to the relevant Warrant as set out in, and subject to, the W&C Securities Deed of Covenant, the Conditions and the applicable Final Terms issued in respect of such Warrants.

If the applicable Final Terms indicate that the Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons and are to be issued into and transferred through accounts at Clearstream Banking AG, Frankfurt am Main ("**Clearstream, Frankfurt**"), such Series of Warrants will on issue be constituted by a global warrant in bearer form, provided, however, that the Warrants will be treated as in registered form for United States federal income tax purposes.

The global warrants will be delivered on or prior to the issue date of the relevant series of Warrants to Clearstream, Frankfurt.

If the applicable Final Terms indicate that such Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons and are to be issued into and cleared through the Swedish CSD, such Series of Warrants will be issued in dematerialised and uncertificated book-entry form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag* (1998: 1479) *om kontoföring av finansiella instrument*).

If the applicable Final Terms indicate that such Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons and are to be issued into and cleared through Euroclear Finland, such Series of Warrants will be issued in dematerialised and uncertificated book-entry form in accordance with the Finnish Act on the Book-Entry System and Clearing Operations (in Finnish: *laki arvo-osuusjärjestelmästä ja selvitystoiminnasta* (749/2012)) and the Finnish Act on Book-Entry Accounts (in Finnish: *laki arvo-osuustileistä* (827/1991)).

If the applicable Final Terms indicate that the Warrants are to be listed on the SIX Swiss Exchange and/or issued into and/or transferred through accounts at SIS, including such Warrants that are Swiss COSI Securities ("**Swiss Warrants**"), each Tranche of such Swiss Warrants will on issue be constituted as uncertificated securities which come into effect once registered in the "uncertificated securities book" as provided for in the English Law Agency Agreement and which will be entered into the main register (*Hauptregister*) of SIS on the Issue Date of such Tranche.

As a matter of Swiss law, once Swiss Warrants issued in the form of uncertificated securities are entered into the main register (*Hauptregister*) of SIS and are entered into the accounts of one or more participants of SIS, such Swiss Warrants will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*). No Holder of Swiss Warrants will at any time have the right to effect or demand the conversion of the uncertificated securities representing such Swiss Warrants into, or the delivery of, Warrants in definitive form. However, Swiss Warrants issued in uncertificated form will be exchangeable for individual certificates ("**Swiss Individual Warrant Certificates**") representing definitive Warrants in registered form ("**Swiss Definitive Registered Warrants**") in the limited circumstances described in the relevant W&C Securities Conditions.

Whenever a Swiss Warrant in uncertificated form is to be exchanged for Swiss Individual Warrant Certificates, the relevant Issuer shall procure that the number or nominal amount of Swiss Individual Warrant Certificates issued will be equal to the number or nominal amount represented by the Swiss Warrants in uncertificated form within five Business Days of the delivery, by or on behalf of the registered holder of the Swiss Warrants in uncertificated form to the Swiss Programme Agent of such information as is required to complete and deliver such Swiss Individual Warrant Certificates (including, without limitation, the names and addresses of the persons in whose names the Swiss Individual Warrant Certificates are to be registered and the number or nominal amount of each such person's holding).

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and, in particular, shall be effected without charge to any holder, but against such indemnity as the Swiss Programme Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

Form of Certificates

Registered Certificates

If the applicable Final Terms indicate that the Certificates are to be issued in registered form ("**Registered Certificates**"), such Registered Certificates will be issued in global registered form ("**Global Registered Certificates**"), as specified in the applicable Final Terms. Each Global Registered Certificate will be deposited on or around the relevant Issue Date with, and registered in the name of the nominee for, the Common Depositary.

Each Global Registered Certificate will be exchangeable in whole, but not in part, for individual certificates ("**individual certificates**"), representing Certificates in definitive form ("**Definitive Registered Certificates**"), if the relevant Issuer has been notified that Euroclear or Clearstream,

Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system approved by the Holders of the Certificates is available.

Whenever the Global Registered Certificate is to be exchanged for individual certificates, the relevant Issuer shall procure that individual certificates will be issued in number or nominal amount equal to the number or nominal amount of the Global Registered Certificates then outstanding within five Business Days of the delivery, by or on behalf of the registered holder of the Global Registered Certificate to the Principal Certificate Agent of such information as is required to complete and deliver such individual certificates (including, without limitation, the names and addresses of the persons in whose names the individual certificates are to be registered and the number or nominal amount of each such person's holding) against the surrender of the Global Registered Certificate at the specified office of the Principal Certificate Agent.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and the regulations concerning the transfer and registration of Certificates scheduled thereto and, in particular, shall be effected without charge to any holder, but against such indemnity as the Principal Certificate Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) individual certificates have not been delivered by 5.00 p.m. (London time) on the thirtieth calendar day after they are due to be issued and delivered in accordance with the terms of the Global Registered Certificate; or
- (b) the date for final settlement of the Certificates has occurred and payment in full of all amounts due has not been made to the Holder of the Global Registered Certificate on the due date for payment in accordance with the terms of the Global Registered Certificate,

then the Global Registered Certificate (including the obligation to deliver individual certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) immediately above) or at 5.00 p.m. (London time) on such due date (in the case of (b) immediately above) and the holder of the Global Registered Certificate will have no further rights thereunder (but without prejudice to the rights which the holder of the Global Registered Certificate or others may have under the W&C Securities Deed of Covenant). Under the W&C Securities Deed of Covenant, each Holder is entitled to exercise or enforce in respect of each Certificate held by him, the rights and obligations attaching to the relevant Certificate as set out in, and subject to, the W&C Securities Deed of Covenant, the Conditions and the applicable Final Terms issued in respect of such Certificates.

CBF Certificates

If the applicable Final Terms indicate that the Certificates are to be issued into and transferred through accounts at Clearstream, Frankfurt ("**CBF Certificates**"), such Series of CBF Certificates will on issue be constituted by a permanent global certificate in bearer form, provided, however, that the CBF Certificates will be treated as in registered form for United States federal income tax purposes. The permanent global certificate will be delivered on or prior to the Issue Date of the relevant Series of CBF Certificates to Clearstream, Frankfurt.

Swedish Certificates and Finnish Certificates

If the applicable Final Terms indicate that the Certificates ("**Swedish Certificates**") are to be issued into and cleared through the Swedish CSD, such Series of Certificates will be issued in dematerialised and uncertificated book-entry form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag (1998:1479) om kontoföring av finansiella instrument*).

If the applicable Final Terms indicate that the Certificates ("**Finnish Certificates**") are to be issued into and cleared through Euroclear Finland, such Series of Certificates will be issued in dematerialised and uncertificated book-entry form in accordance with the Finnish Act on the Book-Entry System and Clearing Operations (in Finnish: *laki arvo-osuusjärjestelmästä ja selvitystoiminnasta (749/2012)*) and the Finnish Act on Book-Entry Accounts (in Finnish: *laki arvo-osuustileistä (827/1991)*).

Swiss Certificates

If the applicable Final Terms indicate that the Certificates are to be listed on the SIX Swiss Exchange and/or issued into and transferred through accounts at SIS, including Certificates that are Swiss COSI Securities ("**Swiss Certificates**"), each Tranche of such Certificates will on issue be constituted as uncertificated securities which come into effect once registered in the "uncertificated securities book" as provided for in the English Law Agency Agreement and which will be entered into the main register (*Hauptregister*) of SIS on the Issue Date of such Tranche.

As a matter of Swiss law, once Swiss Certificates issued in the form of uncertificated securities are entered into the main register (*Hauptregister*) of SIS and entered into the accounts of one or more participants of SIS, the Swiss Certificates represented thereby will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*). No Holder of Swiss Certificates will at any time have the right to effect or demand the conversion of the uncertificated securities representing such Swiss Certificates into, or the delivery of, Certificates in definitive form. However, Swiss Certificates issued in uncertificated form will be exchangeable for individual certificates ("**Swiss Individual Certificates**") representing definitive Certificates in registered form ("**Swiss Definitive Registered Certificates**") in the limited circumstances described in the relevant W&C Securities Conditions.

Whenever a Swiss Certificate in uncertificated form is to be exchanged for Swiss Individual Certificates, the relevant Issuer shall procure that the number or nominal amount of Swiss Individual Certificates issued will be equal to the number or nominal amount represented by the Swiss Certificates in uncertificated form within five Business Days of the delivery, by or on behalf of the registered holder of the Swiss Certificates in uncertificated form to the Swiss Programme Agent of such information as is required to complete and deliver such Swiss Individual Certificates (including, without limitation, the names and addresses of the persons in whose names the Swiss Individual Certificates are to be registered and the number or nominal amount of each such person's holding).

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and, in particular, shall be effected without charge to any holder, but against such indemnity as the Swiss Programme Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

3. **Status of the Notes and the Guarantee**

(A) *Status of the Notes and Guarantee*

The Notes constitute direct, unsubordinated, unconditional and unsecured obligations of the Issuer and rank equally among themselves and rank equally (subject to exceptions as are from time to time provided by applicable laws and regulations) with all other present and future direct, unsubordinated, unconditional and unsecured obligations of the Issuer.

In the case of Notes issued by MLB, the obligations of the Guarantor under the Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, will rank *pari passu* with its other present and future unsecured and unsubordinated obligations.

(B) *Terms of the Guarantee*

Under the Guarantee, the Guarantor has unconditionally and irrevocably guaranteed to the holders of Notes issued by MLB, (i) the due and punctual payment of any and all amounts payable by MLB as obligor in respect of the Notes issued by MLB and (ii) subject as provided below, the due and punctual delivery of non-cash consideration deliverable by MLB in respect of the Notes issued by MLB, if applicable, when and as the same shall become due and payable or when the same shall become due for delivery pursuant to the Conditions and to the extent provided in the Guarantee. As more fully set forth in the Guarantee, the Guarantor shall at all times have the right, at its sole and unfettered discretion, to elect not to deliver or procure delivery of the Entitlement to the Holders of Physical Delivery Notes issued by MLB when the same shall become due and deliverable, but, in lieu thereof, to pay an amount in cash equal to the Guaranteed Cash Settlement Amount. The "**Guaranteed Cash Settlement Amount**" in respect of each Note issued by MLB means an amount calculated pursuant to the terms of, or as specified in, the applicable Final Terms (or, in respect of each Credit Linked Note, as set out in Condition 5 (*Conditions to Settlement – Physical Settlement*) of Annex 9A – (*Additional Terms and Conditions for Credit Linked*

Notes)) or, if not specified in the applicable Final Terms, an amount equal to the fair market value of the Entitlement in respect of such Note on any date notified as such by the Guarantor to MLBV and the Calculation Agent, less the cost to MLBV and/or its Affiliates or agents of unwinding or adjusting any underlying or related hedging arrangements (including the cost of funding in respect of such hedging arrangements), all as determined by the Guarantor in its sole and absolute discretion. Any payment of the Guaranteed Cash Settlement Amount in lieu of the Entitlement shall constitute a complete discharge of the Guarantor's obligations in respect of such Physical Delivery Notes.

4. **Redenomination**

(A) *Redenomination*

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders on giving prior notice to the Principal Paying Agent, Euroclear and Clearstream, Luxembourg and at least 30 calendar days' prior notice to the Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes shall be deemed to be redenominated in euro in the denomination of €0.01 with a nominal amount for each Note equal to the nominal amount of that Note in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Principal Paying Agent, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed, and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest €0.01;
- (c) if Definitive Registered Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer, in the denominations of €1,000, €10,000, €100,000 and (but only to the extent of any remaining amounts less than €1,000 or such smaller denominations as the Principal Paying Agent may approve) €0.01 and such other denominations as the Principal Paying Agent shall determine and notify to the Noteholders;
- (d) the payment obligations contained in any Notes issued prior to the Redenomination Date will become void on the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement euro-denominated Notes are available for exchange (provided that such securities are so available) and no payments will be made in respect of them, although those Notes will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes will be issued in exchange for Notes denominated in the Specified Currency in such manner as the Principal Paying Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 calendar days prior to any date for payment of principal or interest (if any) on the Notes;
- (e) after the Redenomination Date, all payments in respect of the Notes, other than payments of interest (if any) in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;

- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
 - (i) in the case of the Notes represented by a Global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such Global Note; and
 - (ii) in the case of Definitive Registered Notes, by applying the Rate of Interest to the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding;

- (g) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (h) such other changes shall be made to this Condition as the Issuer may decide, after consultation with the Paying Agents and as may be specified in the notice, to conform it to conventions applicable to instruments denominated in euro.

Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(C) *Interest on Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes*

(a) *Interest Payment Dates*

Each Floating Rate Note, Index Linked Interest Note, Share Linked Interest Note, GDR/ADR Linked Interest Note, FX Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note and Inflation Linked Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an "**Interest Payment Date**") which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5(C)(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day,

where "Business Day" has the meaning assigned to it in Condition 18.

(b) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(i) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub paragraph (i), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent or the Calculation Agent under an interest rate swap transaction if the Principal Paying Agent or the Calculation Agent were acting as Calculation Agent for that swap

transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended, updated or replaced as at the Issue Date of the first Tranche of the Notes of the relevant Series (the "**ISDA Definitions**") and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the relevant Interest Commencement Date is the Effective Date;
- (C) the Designated Maturity is a period specified in the applicable Final Terms; and
- (D) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London interbank offered rate ("**LIBOR**") or on the Euro-zone interbank offered rate ("**EURIBOR**"), the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (i), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Effective Date**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms, the Minimum Rate of Interest shall be deemed to be zero.

(ii) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be, subject as provided below, either:

- (A) the offered quotation (if there is only one quotation on the relevant screen page specified in the applicable Final Terms); or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations (if there are two or more quotations on the relevant screen page specified in the applicable Final Terms),

(in each case expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR (the "**Specified Time**")) on the applicable Interest Determination Date plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

In the case of a rate determined pursuant to paragraph (B) above, if five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of paragraph (A) above, no offered quotation appears or, in the case of paragraph (B) above, fewer than three offered quotations appear, in each case as at the Specified Time, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the

Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by any two or more of the Reference Banks, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Calculation Agent suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined by the Calculation Agent in good faith and in a commercially reasonable manner.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

For the purposes of this sub-paragraph (ii) "**Reference Banks**" means, in the case of a determination of LIBOR, the principal London offices of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone offices of four major banks in the Euro-zone inter-bank market, in each case selected by the Calculation Agent or as specified in the applicable Final Terms.

(c) *Limitations on Interest*

If the applicable Final Terms specify a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specify a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

With respect to Notes issued by BAC, the interest rate on any Note will in no event be higher than the maximum rate permitted by New York law, as the same may be modified by United States law of general application. Under present New York law, the maximum rate of interest is 25.00 per cent. per annum on a simple interest basis, with certain exceptions. The limit may not apply to Notes issued by BAC in which \$2,500,000 or more has been invested.

(d) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Principal Paying Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, will calculate the amount of interest (the "**Interest Amount**") payable on the Notes for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such product by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note, Index Linked Interest Note, Share Linked Interest Note, GDR/ADR Linked Interest Note, FX Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note or Inflation Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding. In such case, the Calculation Agent will notify the Principal Paying Agent of the Interest Amount for the relevant Interest Period as soon as practicable after calculating the same.

(e) *Notification of Rate of Interest and Interest Amounts*

The Principal Paying Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest

Notes or Inflation Linked Interest Notes are for the time being listed (by no later than the first day of each Interest Period, in the case of Floating Rate Notes) and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph (e), the expression "**London Business Day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(E) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid and/or all assets deliverable in respect of such Note have been delivered; and
- (b) five calendar days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Principal Paying Agent and/or all assets in respect of such Note have been received by any agent appointed by the Issuer to deliver such assets to Noteholders and notice to that effect has been given to the Noteholders in accordance with Condition 14,

provided that if:

- (c) "Accrual of Interest upon Credit Event" is specified as Not Applicable in the applicable Final Terms, each Note shall cease to bear interest from the Interest Payment Date immediately preceding the Event Determination Date, or if the Event Determination Date is an Interest Payment Date such Interest Payment Date (or, in the case of the Event Determination Date falling on or after the Scheduled Maturity Date (which is an Interest Payment Date), the Interest Payment Date immediately preceding the Scheduled Maturity Date) or, if the Event Determination Date falls prior to the first Interest Payment Date, no interest shall accrue on the Notes; or

(G) *Payment Disruption*

(a) *Occurrence of a Payment Disruption Event or a CNY Payment Disruption Event*

If the applicable Final Terms specifies "Payment Disruption Event" or "CNY Payment Disruption Event" to be applicable, in the event that the Calculation Agent, at any time and from time to time, determines in its sole discretion that a Payment Disruption Event or a CNY Payment Disruption Event, as the case may be, has occurred or is likely to occur, then the Calculation Agent shall as soon as practicable notify the Holders of the relevant Notes of the occurrence of such Payment Disruption Event or CNY Payment Disruption Event, as the case may be, in accordance with Condition 14.

(b) *Consequences of a Payment Disruption Event*

(iii) *Issuer's option to vary settlement*

Notwithstanding the Issuer's right to extend the dates for payments in accordance with Condition 6(G)(b)(i) or postpone payment in accordance with Condition 6(G)(b)(ii), as applicable, the Issuer may, if practicable (and to the extent lawful), and at the Issuer's sole and absolute discretion:

- (1) make payments due to be made in the Subject Currency in the Base Currency, converted from the Subject Currency into the Base Currency at a rate reasonably selected by the Calculation Agent;

In the event that any Partial Distribution is made by the Issuer, the Calculation Agent may, in its sole and absolute discretion, make any such corresponding adjustment to any variable relevant to the redemption or payment terms of the relevant Notes as it deems necessary and shall notify the relevant Holders thereof in accordance with Condition 14.

Any payments or deliveries made in accordance with this Condition 6(G)(b)(iii) shall satisfy and discharge in full (in the case of payments or deliveries made in accordance with paragraphs (1) to (3)) and in part (in the case of Partial Distributions made in accordance with paragraph (4)) the Issuer's obligation to pay the Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of which the Payment Disruption Event has arisen, and no further amounts shall be due and payable by the Issuer in respect thereof.

(d) *Payments net of expenses*

Notwithstanding any provisions to the contrary, (a) any payments made in accordance with Condition 6(G)(b) or Condition 6(G)(c), as the case may be, shall be made after deduction of any costs, expenses or liabilities incurred or to be incurred by the Calculation Agent or Issuer in connection with or arising from the resolution of the relevant Payment Disruption Event(s) or CNY Payment Disruption Event(s), as the case may be, and (b) no interest shall be paid by the Issuer in respect of any delay

which may occur in the payment of any amounts due and payable under the Notes as a result of the operation of Condition 6(G)(b) or Condition 6(G)(c), as the case may be.

(e) *Payment Event Cut-Off Date*

In the event that a Payment Disruption Event or a CNY Payment Disruption Event, as the case may be, is still occurring on the Payment Event Cut-Off Date, the Interest Payment Date, the Maturity Date, or any other date on which any Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of the relevant Notes shall be due and payable (as the case may be) for the relevant Notes shall fall on the Payment Event Cut-Off Date. 2. an event that makes it impossible or impractical for the Issuer to (i) deliver CNY between accounts inside the relevant CNY Settlement Centre(s), or (ii) from an account inside the relevant CNY Settlement Centre(s) to an account outside the relevant CNY Settlement Centre(s) (including, if applicable, to another CNY Settlement Centre), other than where such impossibility or impracticality is due solely to the failure of the Issuer to comply with any law, rule or regulation enacted by any Governmental Authority (unless such law, rule or regulation is enacted after the Trade Date and it is impossible or impractical for the Issuer, due to an event beyond its control, to comply with such law, rule or regulation) (a **"CNY Non-Transferability Event"**); and

7. **Redemption and Purchase**

(A) *Redemption at Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note (other than a Credit Linked Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date or, if the Notes are specified as Physical Delivery Notes in the applicable Final Terms, by delivery of the Entitlement (subject as provided in Annex 10 – *Additional Terms and Conditions for Physical Delivery Notes*) specified in, or determined in the manner specified in, the applicable Final Terms on the Maturity Date.

(B) *Redemption for Tax Reasons*

The Issuer may redeem the Notes, in whole, but not in part, at any time prior to maturity at their Early Redemption Amount, together, if appropriate, with accrued interest to (but excluding) the date fixed for redemption, if: (i) the Issuer or (in the case of Notes issued by MLBV) the Guarantor shall determine that the Issuer would be required to pay Additional Amounts, as provided in Condition 9, on the occasion of the next payment due with respect to the Notes; (ii) any payment or deemed payment as determined for United States tax purposes with respect to the Notes or with respect to a direct or indirect hedging arrangement entered into by the Issuer or any of its Affiliates relating to the Notes may be treated as a dividend or "dividend equivalent" for United States tax purposes (such event being a "**U.S. Withholding Tax Event**"); or (iii) in the case of Notes issued by MLBV, on the occasion of the next payment due in respect of the Notes, the Guarantor would be unable to procure the Issuer to make payment and, in making such payment itself under the Guarantee, the Guarantor would be required to pay Additional Amounts as provided in Condition 9.

The Notes are also subject to redemption in whole, but not in part, in the other circumstances described in Condition 9.

Notice of intention to redeem Notes pursuant to this Condition 7(B) will be given at least once in accordance with Condition 14 not less than 30 calendar days nor more than 60 calendar days prior to the date fixed for redemption, provided that no such notice of redemption shall be given earlier than 90 calendar days prior to the effective date of such change or amendment and that at the time notice of such redemption is given, such obligation to pay such additional amounts remains in effect and cannot be avoided by the Issuer's taking reasonable measures available to it. From and after any redemption date, if monies for the redemption of Notes shall have been made available for redemption on such redemption date, such Notes shall cease to bear interest, if applicable, and the only right of the holders of such Notes shall be to receive payment of the Early Redemption Amount and, if appropriate, all unpaid interest accrued to such redemption date.

(C) *Redemption for Tax Compliance Reasons*

MLBV may, at its option, redeem the Notes, in whole or in part, at any time prior to maturity, at their Early Redemption Amount, together, if appropriate, with accrued interest to (but excluding) the date fixed for redemption, if MLBV determines in good faith that it has, or there is a substantial likelihood that it will, become subject to withholding imposed on a payment made to it on account of MLBV's inability to comply with the reporting requirements imposed by the FATCA Provisions (as defined below), provided that such inability to comply with the reporting requirements is attributable to non-compliance by any Holder of such Notes (or a foreign withholding agent (if any) in the chain of custody of payments made to the Holders) with MLBV's requests for certifications or identifying information (such redemption, a "**Redemption for Tax Compliance Reasons**"). Upon a Redemption for Tax Compliance Reasons, Notes held by compliant Holders, in addition to those held by non-compliant Holders, may be redeemed.

Notice of intention to redeem Notes pursuant to this Condition 7(C) will be given in accordance with Condition 14 not less than 30 calendar days nor more than 60 calendar days prior to the date fixed for redemption. From and after any redemption date, if monies for the redemption of Notes shall have been made available for redemption on such redemption date, such Notes shall cease to bear interest, if applicable, and the only right of the holders of such Notes shall be to receive payment of the Early Redemption Amount and, if appropriate, all unpaid interest accrued to such redemption date.

(D) *Redemption at the Option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (a) not less than 30 nor more than 60 calendar days' notice to the Noteholders in accordance with Condition 14 (or such other period as is specified in the applicable Final Terms); and
- (b) not less than two London Business Days' notice (or such other period as is specified in the applicable Final Terms) before the giving of the notice referred to in (a), notice to the Principal Paying Agent,

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and/or not more than the Maximum Redemption Amount in each case as may be specified in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed ("**Redeemed Notes**") will be selected individually by lot, in the case of Redeemed Notes represented by Individual Note Certificates, and in accordance with any applicable laws and the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a pro-rata reduction in nominal amount at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 60 calendar days' prior to the date fixed for redemption (such date of selection being hereinafter called the "**Selection Date**"). In the case of Redeemed Notes represented by Individual Note Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 30 calendar days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (D) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least five calendar days' prior to the Selection Date.

(E) *Redemption at the Option of the Noteholders (Investor Put)*

If Investor Put is specified in the applicable Final Terms, upon the Holder of any Note giving to the Issuer in accordance with Condition 14 not less than 30 nor more than 60 calendar days' notice (or such other notice period as is specified in the applicable Final Terms) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions detailing such conditions and/or circumstances to be satisfied will be set out in the applicable Final Terms.

If the Note is represented by an Individual Note Certificate and held outside Euroclear and Clearstream, Luxembourg, to exercise the right to require redemption of the Note the Holder of the Note must deliver at the specified office of the Principal Paying Agent at any time during normal business hours of the Principal Paying Agent falling within the notice period, a duly signed and completed notice of exercise (a "**Put Notice**") in the form (for the time being current) obtainable from the specified office of the Principal Paying Agent and in which the Holder must specify a bank account (or, if payment is required by cheque, an address) to which payment is to be made under this Condition 7 accompanied by the relevant Individual Note Certificate(s) or evidence satisfactory to the Principal Paying Agent that the Individual Note Certificate(s) will, following delivery of the Put Notice, be held to its order or under its control.

If the Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of the Note the Holder of the Note must, within the notice period, give notice to the Principal Paying Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on its instruction by Euroclear or Clearstream, Luxembourg or the Common Depositary or its nominee or common safekeeper, as the case may be, for them to the Principal Paying Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if the Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Principal Paying Agent for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a Holder of any Note pursuant to this paragraph (E) shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing in which event such Holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph (E) and instead to declare such Note forthwith due and payable pursuant to Condition 11.

(F) *Exercise of Options or Partial Redemption in respect of Definitive Registered Notes*

See Condition 2(D) above for information about the issuance of new Individual Note Certificates in the event of an exercise of an Issuer Call or Investor Put in respect of, or a partial redemption of, a holding of Definitive Registered Notes.

- (c) in the case of a Zero Coupon Note (other than an Index Linked Note, a Share Linked Note, a GDR/ADR Linked Note, an FX Linked Note, a Commodity Linked Note, a

Fund Linked Note, an Inflation Linked Note or a Credit Linked Note), at an amount (the "**Amortised Face Amount**") calculated in accordance with the following formula:

where:

"**RP**" means the Reference Price; and

"**AY**" means the Accrual Yield expressed as a decimal; and

"**y**" is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Final Terms.

As used herein:

"**Associated Costs**" means an amount per Note of the Specified Denomination equal to such Notes' *pro rata* share of the total amount of any and all costs associated or incurred by the Issuer or any Affiliate in connection with such early redemption, including, without limitation, any costs associated with unwinding any funding relating to the Notes and any costs associated with unwinding any hedge positions relating to the Notes, all as determined by the Calculation Agent in its sole discretion.

(H) *Automatic Early Redemption Event*

If Automatic Early Redemption is specified as applicable in the applicable Final Terms, then unless previously redeemed or purchased and cancelled, if an Automatic Early Redemption Event as specified in the applicable Final Terms occurs, then the Issuer will give notice to Noteholders in accordance with Condition 14 and the Notes will be redeemed in whole, but not in part, on the Automatic Early Redemption Date as specified in the applicable Final Terms at the Automatic Early Redemption Amount as specified in the applicable Final Terms.

(I) *Instalments*

(J) *Partly Paid Notes*

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 7 and the applicable Final Terms.

(K) *Illegality*

In the event that the Issuer determines in good faith that (i) the performance of the Issuer's obligations under the Notes or that any arrangements made to hedge the Issuer's obligations under the Notes or (ii) in the case of Notes issued by MLBV, the performance by the Guarantor of any of its obligations under the Guarantee in respect of the Notes, has or will become, in whole or in part, unlawful, illegal or otherwise contrary to any present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative, judicial or regulatory authority or powers, or any change in the interpretation thereof that is applicable to the Issuer and/or the Guarantor, the Issuer may, at its discretion, by giving, at any time, not less than 10 nor more than 30 calendar days' notice to Noteholders in accordance with Condition 14 (which notice shall be irrevocable), elect that such Notes be redeemed, in whole but not in part, on the date specified by the Issuer, each Note being

redeemed at the Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(L) *Purchases*

The Issuer, the Guarantor (in the case of Notes issued by MLBV) or any of their affiliates may at any time purchase Notes at any price in the open market or otherwise. Such Notes may be held, reissued, resold or, at the option of the Issuer or the Guarantor (if applicable), surrendered to any Paying Agent for cancellation.

All Notes which are redeemed will forthwith be cancelled. All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph (L) above shall be forwarded to the Principal Paying Agent and cannot be reissued or resold.

(N) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraphs (A), (B), (C), (D) or (E) above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (G)(c) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five calendar days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Principal Paying Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

The notice shall also specify the closed period for the purposes of Condition 2(B) (*Notes held in Euroclear, Clearstream, Luxembourg and the Swedish CSD*)) and the Swedish Record Date for the purposes of Condition 6(B) (*Payments in respect of Swedish Notes*).

In the event of an Investor Put in respect of Swedish Notes pursuant to Condition 7(E) (*Redemption at the option of the Noteholders (Investor Put)*), a Put Notice in respect of Swedish Notes will not take effect against the Issuer before the date on which the relevant Swedish Notes have been transferred to the account designated by the Swedish Paying Agent and blocked for further transfer by the Swedish Paying Agent (such date will be the first date of a closed period for the purposes of Condition 2(B) (*Notes held in Euroclear, Clearstream, Luxembourg and the Swedish CSD*))). No Swedish Note so transferred or blocked and option exercised may be withdrawn without the prior consent of the Issuer.

Jurisdiction with a substitute currency ("**Substitute Currency**") (for the avoidance of doubt, including circumstances in which a country (a "**Departing Country**") within a bloc of countries in a currency union passes legislation (or a Relevant Governmental Authority thereof announces that it will pass legislation or otherwise seeks) to effect or does effect the withdrawal of such Departing Country from the currency bloc and the replacement of the currency of the currency union with another currency as the official currency of the Departing Country) (any such event being a "**Currency Substitution Event**"), and:

then, unless otherwise provided in the applicable Final Terms, the Issuer and the Calculation Agent may, in their discretion:

- (x) make such adjustments, as shall be notified to each holder of the relevant Notes, to the exercise, settlement, valuation, calculation, payment and/or any other Terms and Conditions of the Note as the Issuer determines appropriate to (i) (in the case of (a) or (b) above) preserve the economic terms of such Notes as of the Issue Date, including, without limitation, making any currency conversion necessary as part of any such adjustment based on the relevant official conversion rate or at an appropriate market rate of exchange determined by the Calculation Agent to be prevailing as of any relevant time and date, or (ii) (in the case of (c) above) account for the material adverse effect on the Hedging Arrangements and in order to effect a commercially reasonable result; or

For the avoidance of doubt, the circumstances and consequences described in this Condition 8 and any resulting or alternative adjustments to the exercise, settlement, valuation, calculation, payment and/or any other Terms and Conditions of the Notes will not entitle any holder of such Notes (A) to any legal remedy, including, without limitation, rescission, repudiation, or renegotiation of the Notes, or (B) to raise any defence or make any claim (including, without limitation, claims of breach, force majeure, frustration of purpose, or impracticability) or any other claim for compensation, damages, or any other relief.

- (d) a court having jurisdiction in the premises shall have entered a decree or order granting relief with respect to MLB or the Guarantor in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of MLB or the Guarantor or of all or substantially all of its property or for the winding up or liquidation of its affairs, and such decree or order shall have remained in force and unstayed for a period of 60 consecutive calendar days; or
- (e) MLB or the Guarantor shall institute proceedings for relief under any applicable bankruptcy, insolvency or any other similar law now or hereafter in effect, or shall consent to the institution of any such proceedings against it, or shall consent to the appointment of a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of it or of all or substantially all of its property, or shall make an assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall take any corporate action in furtherance of any of the foregoing.

If an Event of Default shall occur and be continuing with respect to any Series of Notes issued by MLB, then the Holders of 33 per cent. in aggregate principal amount of such Notes

outstanding may, at their option, declare such Notes to be due and payable immediately at the Early Redemption Amount, together with interest, if any, accrued thereon by written notice to MLB, the Guarantor and the Principal Paying Agent at its main office in London, and unless all such defaults shall have been cured by MLB or the Guarantor, as the case may be, prior to receipt of such written notice, such Notes shall become and be immediately due and payable at the Early Redemption Amount, together with the interest, if any, accrued on such Notes.

(B) *Notes issued by BAC*

The occurrence of one or more of the following events with respect to any Series of Notes issued by BAC shall constitute an "**Event of Default**" with respect to such Series:

- (a) BAC shall fail to pay the principal amount of any of such Notes or in the delivery of the Entitlement when due whether at maturity or upon early redemption or otherwise; or
- (b) BAC shall fail to pay any instalment of interest, other amounts payable, or Additional Amounts on any of such Notes for a period of 30 calendar days after the due date; or
- (c) BAC shall fail duly to perform or observe any other term, covenant, or agreement applicable to such Notes contained in any of such Notes or in the New York Law Agency Agreement for a period of 90 calendar days after the date on which written notice of such failure, requiring BAC to remedy the same, shall first have been given to BAC and the Principal Paying Agent by the Noteholders of at least 33 per cent. in aggregate principal amount of such Notes at the time outstanding; provided, however, that in the event BAC within the aforesaid period of 90 calendar days shall commence legal action in a court of competent jurisdiction seeking a determination that BAC had not failed duly to perform or observe the term or terms, covenant or covenants, or agreement or agreements specified in the aforesaid notice, such failure shall not be an Event of Default unless the same continues for a period of ten calendar days after the date of any final determination to the effect that BAC had failed to duly perform or observe one or more of such terms, covenants, or agreements; or
- (d) a court having jurisdiction shall enter a decree or order for relief in respect of BAC in an involuntary case or proceeding under any applicable bankruptcy, insolvency, reorganisation, or other similar law now or hereafter in effect, or appointing a receiver, liquidator, conservator, assignee, custodian, trustee, sequestrator (or similar official) of BAC or for any substantial part of its property or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive calendar days; or
- (e) BAC shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency, liquidation, receivership, reorganisation, or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, conservator, assignee, trustee, custodian, sequestrator (or similar official) of BAC or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due or shall take any corporate action in furtherance of any of the foregoing.

If an Event of Default shall occur and be continuing with respect to any Series of Notes issued by BAC, then the Holder of any Notes of the applicable Series, at such Holder's option, by written notice to BAC and the Principal Paying Agent, may declare the principal of such Notes, the interest accrued, any Additional Amounts or any other amounts then payable thereon to be due and payable immediately and if any such Event of Default shall continue at the time of receipt of such written notice, such amounts shall become immediately due and payable. Upon payment of such amount of principal, interest, any Additional Amounts or any other amounts payable, all of BAC's obligations in respect of payment of principal, interest, any Additional Amounts or any other amounts payable on such Notes shall terminate. Interest on overdue principal, interest, any Additional Amounts or any other amounts payable shall

accrue from the date on which such principal, interest, any Additional Amounts or any other amounts payable were due and payable to the date such principal, interest, any Additional Amounts or any other amounts payable are paid or duly provided for, at the rate borne by the Notes (to the extent payment of such interest shall be legally enforceable).

If any Note issued by BAC shall become so repayable, it shall be repaid at its Early Redemption Amount together, if appropriate, with accrued interest thereon, such interest to accrue and be paid in accordance with Condition 5.

- (C) At any time after a declaration of acceleration with respect to Notes has been made in accordance with Condition 11(A) or 11(B) and before a judgment or decree for payment of the money due with respect to such Notes has been obtained by any Holder of such Notes, such declaration and its consequences may be rescinded and annulled upon the written consent of Holders of a majority in aggregate principal amount of such Notes then outstanding, or by resolution adopted by a majority in aggregate principal amount of such Notes outstanding present or represented at a meeting of Holders of such Notes at which a quorum is present, as provided in the applicable Agency Agreement, if:
- (i) (A) the Issuer has paid or deposited with the Principal Paying Agent a sum sufficient to pay:
 - (1) all overdue amounts of interest on the Notes;
 - (2) the principal of Notes which has become due otherwise than by such declaration of acceleration; or
 - (B) in the case of Notes to be redeemed by physical delivery, the Issuer has delivered the relevant assets to any agent appointed by the Issuer to deliver such assets to the Noteholders; and
 - (ii) all Events of Default with respect to the Notes, other than the non-payment of the principal of the Notes which has become due solely by such declaration of acceleration, have been cured or waived as provided in paragraph (D) below.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

- (D) Any default by the Issuer or (in the case of Notes issued by MLBV) the Guarantor, other than the events described in paragraph (A)(a), (A)(b), (B)(a) or (B)(b) above, may be waived by the written consent of Holders of a majority in aggregate principal amount of the Notes then outstanding affected thereby, or by resolution adopted by a majority in aggregate principal amount of such Notes then outstanding present or represented at a meeting of Holders of the Notes affected thereby at which a quorum is present, as provided in the applicable Agency Agreement.

12. **Replacement of Notes**

Should any Note be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes must be surrendered before replacements will be issued.

13. **Paying Agents, Registrar and Calculation Agent**

(A) *Paying Agents and Registrar*

The names of the initial Paying Agent and the Registrar and their initial specified offices are set out below.

In the case of Swedish Notes, the Issuer has appointed the Swedish Paying Agent. The Swedish Paying Agent acts solely as agent of the Issuer and does not assume any obligation to, or relationship of agency and trust with, the Holders.

The Issuer and (in the case of Notes issued by MLBV) the Guarantor are entitled to vary or terminate the appointment of any Paying Agent or the Registrar and/or appoint additional or other Paying Agents or Registrar and/or approve any change in the specified office through which any Paying Agent or Registrar acts, provided that:

- (a) there will at all times be a Principal Paying Agent and a Registrar;
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent, which may be the Principal Paying Agent, with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (c) so long as there is any Swedish Note outstanding, there will at all times be a Swedish CSD and a Swedish Paying Agent (*Swedish: emissionsinstitut*); and
- (d) there will at all times be a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive.

Notice of any variation, termination, appointment or change in the Paying Agents or the Registrar will be given to the Noteholders in accordance with Condition 14.

In acting under the applicable Agency Agreement, the Paying Agents and the Registrar act solely as agents of the Issuer and (in the case of Notes issued by MLBV) the Guarantor and do not assume any obligation to, or relationship of agency or trust with, any Noteholders. The applicable Agency Agreement contains provisions permitting any entity into which any Paying Agent or the Registrar is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent or registrar, as applicable.

(B) *Calculation Agent*

In relation to each issue of Notes, the Calculation Agent (whether it be Merrill Lynch International or another entity) acts solely as agent of the Issuer and (in the case of Notes issued by MLBV) the Guarantor and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Noteholders. All calculations and determinations made in respect of the Notes by the Calculation Agent shall be in its sole and absolute discretion, in good faith, and shall (save in the case of wilful default, bad faith, manifest error or proven error) be final, conclusive and binding on the Issuer, (in the case of Notes issued by MLBV) the Guarantor, the Paying Agents and the Noteholders. The Calculation Agent shall promptly notify the Issuer and the Principal Paying Agent upon any such calculations and determinations, and (in the absence of wilful default or bad faith) no liability to the Issuer, (in the case of Notes issued by MLBV) the Guarantor, the Paying Agents, the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a third party as it deems appropriate.

14. **Notices**

All notices regarding the Notes will be deemed to be validly given:

- (a) if, in respect of notices to Holders of Definitive Registered Notes, mailed to them at their respective addresses in the Register. Such notices will be deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing;
- (b) if, in respect of any Notes that are admitted to trading on the Euro MTF, and listed on the Official List, of the Luxembourg Stock Exchange, published in a daily newspaper of general circulation in Luxembourg and/or on the website of the Luxembourg Stock

Exchange (www.bourse.lu). Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers; or

- (c) as otherwise specified in the applicable Final Terms.

In the case of Swedish Notes, all notices to Holders shall be valid if delivered by mail to the address registered for such Holder in the Swedish Register or otherwise in accordance with the rules and regulations of the Swedish CSD.

Until such time as any Individual Note Certificates are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, as the case may be, be substituted for such publication in such newspaper(s) (as described in Condition 14(b)) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg, as applicable for communication by them to the Holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the Holders of the Notes on the day on which such notice was given to Euroclear and/or Clearstream, Luxembourg, as applicable.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together with, in the case of Definitive Registered Notes, the related Individual Note Certificate (if applicable), with the Principal Paying Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

15. **Meetings of Noteholders, Modification and Waiver**

The applicable Agency Agreement contains provisions for convening meetings of the Holders of Notes of a particular Series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of such Notes or any of the provisions of the applicable Agency Agreement. Such a meeting may be convened by the Issuer or (in the case of Notes issued by MLBV) the Guarantor and shall be convened by the Issuer if required in writing by the Noteholders holding not less than 33 per cent. in nominal amount of the Notes of the relevant Series for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons present and holding or representing in the aggregate not less than 50 per cent. in nominal amount of the Notes of the relevant Series for the time being outstanding, or at any adjourned meeting one or more persons present whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the Entitlement or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes), the quorum shall be one or more persons present and holding or representing not less than two-thirds in nominal amount of the Notes of the relevant Series for the time being outstanding, or at any adjourned such meeting one or more persons present and holding or representing not less than one-third in nominal amount of the Notes of the relevant Series for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Holders of the Notes of a particular Series shall be binding on all the Holders of Notes of such Series, whether or not they are present at the meeting.

The Principal Paying Agent and each Issuer may agree, without the consent of the Noteholders to:

- (a) any modification (except as mentioned above) of the Notes or the applicable Agency Agreement which is not prejudicial to the interests of the Noteholders; or

- (b) any modification of the Notes or the applicable Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

16. Further Issues

The Issuer shall be at liberty from time to time without the consent of the Noteholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

If the Issuer issues further Notes of the same Series during the initial 40-day restricted period applicable to the outstanding Notes of such Series, then such 40-day period will be extended until 40 calendar days after the later of the commencement of the offering of such further issue of Notes and the Issue Date of such further issue of Notes. In addition, if the Issuer issues further Notes of the same Series after the expiration of the 40-day restricted period, a new 40-day restricted period will be applied to such further issue of Notes without applying to the outstanding Notes. After the expiration of the new 40-day restricted period, all such Notes will be consolidated with and form a single Series with the outstanding Notes.

(A) *Settlement Disruption*

If, following the exercise of Physical Delivery W&C Securities, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on any Settlement Date, then such Settlement Date for such W&C Securities shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant W&C Securities or Unit, as the case may be, by delivering the Entitlement using such other commercially reasonable manner as it may select and in such event the Settlement Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Settlement Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Settlement Date. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy and discharge its obligations in respect of the relevant W&C Securities or Unit, as the case may be, by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the third Business Day following the date that notice of such election is given to the Holders in accordance with Condition 12. No Holder shall be entitled to any payment in respect of the relevant W&C Security or Unit, as the case may be, in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer or the Guarantor.

For the purposes hereof:

"Disruption Cash Settlement Price" in respect of any relevant W&C Securities or Unit, as the case may be, shall be the fair market value of such W&C Securities or Unit, as the case may be, (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such duly delivered Relevant Assets), less the cost to the Issuer and/or its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Issuer in its sole and absolute discretion, plus, in the case of Warrants and if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion); and

- (a) subject as provided elsewhere in the Conditions, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Settlement Date and, in the case of Warrants, the Calculation Agent shall determine in its discretion the appropriate *pro rata* portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement; and

"Failure to Deliver Settlement Price" means, in respect of any relevant W&C Security or Unit, as the case may be, the fair market value of such W&C Security or Unit, as the case may be (taking into account, the Relevant Assets comprising the Entitlement which have been duly delivered as provided above), less the cost to the Issuer and/or its Affiliates or agents of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion, plus, in the case of Warrants and if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion).

(C) *Issuer's Option to Vary Settlement*

If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the W&C Securities, upon a valid exercise of W&C Securities in accordance with these Terms and Conditions, the Issuer may, at its sole and unfettered discretion, in respect of each such W&C Security or Unit elect not to pay the relevant Holders the Cash Settlement Amount or not to deliver or procure delivery of the Entitlement, as the case may be, to the relevant Holders but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders. then, unless otherwise set out in the applicable Final Terms, the Issuer and the Calculation Agent may, in their discretion:

- (x) make such adjustments, as shall be notified to each holder of the relevant W&C Securities, to the exercise, settlement, valuation, calculation, payment and/or any other Terms and Conditions of the W&C Security as the Issuer determines appropriate to (i) (in the case of (a) or (b) above) preserve the economic terms of such W&C Securities as of the Issue Date, including, without limitation, making any currency conversion necessary as part of any such adjustment based on the relevant official conversion rate or at an appropriate market rate of exchange determined by the Calculation Agent to be prevailing as of any relevant time and date, or (ii) (in the case of (c) above) account for the material adverse effect on the Hedging Arrangements and in order to effect a commercially reasonable result; or

For the avoidance of doubt, the circumstances and consequences described in this Condition 7 and any resulting or alternative adjustments to the exercise, settlement, valuation, calculation, payment and/or any other Terms and Conditions of the applicable W&C Security will not entitle any holder of such W&C Securities (A) to any legal remedy, including, without limitation, rescission, repudiation, or renegotiation of the W&C Security, or (B) to raise any defence or make any claim (including, without limitation, claims of breach, force majeure, frustration of purpose, or impracticability) or any other claim for compensation, damages, or any other relief.

(A) *Cancellation for Tax Reasons*

The Issuer may cancel the W&C Securities, in whole, but not in part, at any time at their Early Settlement Amount (as defined in Condition 9), if the Issuer shall determine that any payment or deemed payment as determined for United States tax purposes with respect to the W&C Securities or with respect to a direct or indirect hedging arrangement entered into by the Issuer or any of its Affiliates relating to the W&C Securities may be treated as a dividend or "dividend equivalent" for United States tax purposes (such event being a **"U.S. Withholding Tax Event"**).

(B) *Cancellation for Tax Compliance Reasons*

The Issuer may, at its option, cancel the W&C Securities, in whole or in part, at any time, at their Early Settlement Amount (as defined in Condition 9), if the Issuer determines in good faith that it has, or there is a substantial likelihood that it will, become subject to withholding imposed on a payment made to it on account of the Issuer's inability to comply with the reporting requirements imposed by the FATCA Provisions, provided that such inability to comply with the reporting requirements is attributable to non-compliance by any Holder of such W&C Securities (or a foreign withholding agent (if any) in the chain of custody of payments made to the Holders) with the Issuer's requests for certifications or identifying information (such cancellation, a **"Cancellation for Tax Compliance Reasons"**). Upon a Cancellation for Tax Compliance Reasons, W&C Securities held by compliant Holders, in addition to those held by non-compliant Holders, may be cancelled.

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

If the Issuer cancels the W&C Securities then the Issuer will, if and to the extent permitted by applicable law, pay an amount to each Holder in respect of each W&C Security or each Unit, as the case may be, held by such Holder, which amount shall be the fair market value of a W&C Security or Unit, as the case may be, notwithstanding such illegality less the cost to the Issuer and/or its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants and if already paid by or on behalf of the Holder, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion (the "**Early Settlement Amount**"). Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 12.

 - (ii) where the Exchange Rate and/or any other terms of these Terms and Conditions are expressed in or, in the case of the Exchange Rate, contemplate the exchange from or into, the currency (the "**Original Currency**") of a country which is participating in the third stage of European Economic and Monetary Union, such Exchange Rate and/or any other terms of these Terms and Conditions shall be deemed to be expressed in or, in the case of the Exchange Rate, converted for or, as the case may be into, euro at the Established Rate; and
 - (iii) such other changes shall be made to these Terms and Conditions as the Issuer may decide, in its sole and absolute discretion to conform them to conventions then applicable to instruments expressed in euro; and/or

Notwithstanding the foregoing, none of the Issuer, any of its Affiliates or agents, the Calculation Agent, any Security Agent and the Registrar shall be liable to any Holder or other person for any commissions, costs, losses or expenses in relation to or resulting from the transfer of euro or any currency conversion or rounding effected in connection therewith.

If the applicable Final Terms indicate that such Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons pursuant to an exemption from the registration requirements of the Securities Act and are to be issued into and transferred through accounts at Euroclear and Clearstream, Luxembourg, such Series of Warrants will on issue be constituted by a global registered warrant (the **"Euroclear/CBL Global Registered Warrant"**), which will be deposited with the Common Depositary and registered in the name of the nominee of such depositary.

If the applicable Final Terms indicate that such Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons pursuant to an exemption from the registration requirements of the Securities Act and are to be issued into and transferred through accounts at Clearstream, Frankfurt, such Series of Warrants will on issue be constituted by a global bearer warrant (the **"CBF Global Warrant"**), provided, however,

that the CBF Global Warrants will be treated as in registered form for United States federal income tax purposes. The CBF Global Warrant will be delivered on or prior to the issue date of the relevant series of CBF Global Warrants to Clearstream, Frankfurt.

If the applicable Final Terms indicate that Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons pursuant to an exemption from the registration requirement of the Securities Act and that such Warrants are to be listed on the SIX Swiss Exchange and/or issued and transferred through accounts at SIS, including such Warrants that are Swiss COSI Securities ("**Swiss Warrants**"), each Tranche of such Warrants will on issue be constituted as uncertificated securities which will be entered into the main register (*Hauptregister*) of SIS on the Issue Date.

As a matter of Swiss law, once Swiss Warrants issued in the form of uncertificated securities are entered into the main register (*Hauptregister*) of SIS and are entered into the accounts of one or more participants of SIS, the respective Swiss Warrants will constitute Intermediated Securities.

No Holder of Swiss Warrants will at any time have the right to effect or demand the conversion of the uncertificated securities representing such Swiss Warrants into, or the delivery of, Warrants in definitive form. However, Swiss Warrants in uncertificated form will be exchangeable (free of charge) in whole but not in part for Swiss Individual Warrant Certificates representing definitive Warrants in registered form ("**Swiss Definitive Registered Warrants**") (i) at the option of the Issuer if the Issuer has been notified by the Swiss Programme Agent that SIS has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no successor clearing system is available (an "**SIS Exchange Event**"), or (ii) in the case of Swiss Warrants listed on the SIX Swiss Exchange, at the option of the Swiss Programme Agent if the Swiss Programme Agent determines that such exchange is necessary or useful or that the presentation of Warrants in definitive form is required by Swiss or foreign laws or regulations in connection with the enforcement of rights.

The Issuer will promptly give notice to Holders in accordance with Condition 12 if an SIS Exchange Event occurs. In the event of the occurrence of an SIS Exchange Event, SIS may give notice to the Swiss Programme Agent requesting exchange. Any such exchange shall occur not later than 45 calendar days after the date of receipt of the first relevant notice by the Swiss Programme Agent from SIS.

If Swiss Individual Warrant Certificates representing Swiss Definitive Registered Warrants are printed and issued in exchange for Swiss Warrants in uncertificated form, the Swiss Programme Agent will (i) deregister such Swiss Warrants in the "uncertificated securities book", and (ii) deliver the Swiss Individual Warrant Certificates representing Swiss Definitive Registered Warrants to the relevant Holders.

Whenever a Swiss Warrant in uncertificated form is to be exchanged for Swiss Individual Warrant Certificates, the Issuer shall procure that the number or nominal amount of Swiss Individual Warrant Certificates issued will be equal to the number or nominal amount represented by the Swiss Warrants in uncertificated form within five Business Days of the delivery, by or on behalf of the registered holder of the Swiss Warrants in uncertificated form to the Swiss Programme Agent of such information as is required to complete and deliver such Swiss Individual Warrant Certificates (including, without limitation, the names and addresses of the persons in whose names the Swiss Individual Warrant Certificates are to be registered and the number or nominal amount of each such person's holding).

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and, in particular, shall be effected without charge to any holder, but against such indemnity as the Swiss Programme Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

The Euroclear/CBL Global Registered Warrant and the CBF Global Warrant are referred to herein as the "**Global Warrants**" and each a "**Global Warrant**".

Warrants issued in global registered form will initially be in the form of a Euroclear/CBL Global Registered Warrant which will be exchangeable in whole, but not in part, for individual warrant certificates:

- (a) on the expiry of such period of notice as may be specified in the applicable Final Terms; or
- (b) at any time, if so specified in the applicable Final Terms; or
- (c) if the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available; or
- (d) the Issuer or the Guarantor has or will become subject to adverse tax consequences which would not be suffered were the Warrants held in definitive form.

Whenever the Euroclear/CBL Global Registered Warrant is to be exchanged for individual warrant certificates, such individual warrant certificates shall be issued in equal number to the number of Warrants represented by the Global Warrant within five Business Days of the delivery, by or on behalf of the registered holder of the Euroclear/CBL Global Registered Warrant to the Principal Warrant Agent of such information as is required to complete and deliver such individual warrant certificates (including, without limitation, the names and addresses of the persons in whose names the individual warrant certificates are to be registered and the principal amount of each such person's holding) against the surrender of the Euroclear/CBL Global Registered Warrant at the specified office of the Principal Warrant Agent.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and the regulations concerning the transfer and registration of Warrants scheduled thereto and, in particular, shall be effected without charge to any holder, but against such indemnity as the Principal Warrant Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

then the Euroclear/CBL Global Registered Warrant (including the obligation to deliver individual warrant certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the holder of the Euroclear/CBL Global Registered Warrant will have no further rights thereunder (but without prejudice to the rights which the holder of the Euroclear/CBL Global Registered Warrant or others may have under the W&C Securities Deed of Covenant). Under the W&C Securities Deed of Covenant, each Holder is entitled to exercise or enforce in respect of each Warrant held by him, the rights and obligations attaching to the relevant Warrant as set out in, and subject to, the W&C Securities Deed of Covenant, the Conditions and the applicable Final Terms issued in respect of such Warrants.

form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag* (1998: 1479) *om kontoföring av finansiella instrument*).

If the applicable Final Terms indicate that the Certificates ("**Swedish Certificates**") are to be issued into and cleared through the Swedish CSD, such Series of Swedish Certificates will be issued in dematerialised and uncertificated book-entry form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag (1998: 1479) om kontoföring av finansiella instrument*).

If the applicable Final Terms indicate that the Certificates ("**Finnish Certificates**") are to be issued into and cleared through Euroclear Finland, such Series of Finnish Certificates will be issued in dematerialised and uncertificated book-entry form in accordance with the Finnish Act on the Book-Entry System and Clearing Operations (in Finnish: *laki arvo-osuusjärjestelmästä ja selvitystoiminnasta (749/2012)*) and the Finnish Act on Book-Entry Accounts (in Finnish: *laki arvo-osuustileistä (827/1991)*).

No Holder of Swiss Certificates will at any time have the right to effect or demand the conversion of the uncertificated securities representing such Swiss Certificates into, or the delivery of, Certificates in definitive form. However, Swiss Certificates in uncertificated form will be exchangeable (free of charge), in whole but not in part, for Swiss Individual Certificates representing definitive Certificates in registered form ("**Swiss Definitive Registered Certificates**") as specified in the applicable Final Terms, (i) at the option of the Issuer if the Issuer has been notified by the Swiss Programme Agent that SIS has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no successor clearing system is available (an "**SIS Exchange Event**"), or (ii) in the case of Swiss Certificates listed on the SIX Swiss Exchange, at the option of the Swiss Programme Agent if the Swiss Programme Agent determines that such exchange is necessary or useful or that the presentation of Certificates in definitive form is required by Swiss or foreign laws or regulations in connection with the enforcement of rights.

The Issuer will promptly give notice to Holders in accordance with Condition 12 if an SIS Exchange Event occurs. In the event of the occurrence of an SIS Exchange Event, SIS may give notice to the Swiss Programme Agent requesting exchange. Any such exchange shall occur no later than 45 calendar days after the date of receipt of the first relevant notice by the Swiss Programme Agent from SIS.

If Swiss Individual Certificates representing Swiss Definitive Registered Certificates are printed and issued in exchange for Swiss Certificates in uncertificated form, the Swiss Programme Agent will (i) deregister such Swiss Certificates in the "uncertificated securities book", and (ii) deliver the Swiss Individual Certificates representing the Swiss Definitive Registered Certificates to the relevant Holders.

Whenever Swiss Certificates in uncertificated form are to be exchanged for Swiss Individual Certificates, the Issuer shall procure that the number or nominal amount of Swiss Individual Certificates issued will be equal to the number or nominal amount represented by the Swiss Certificates in uncertificated form within five Business Days of the delivery, by or on behalf of the registered holder of the Swiss Certificates in uncertificated form to the Swiss Programme Agent of such information as is required to complete and deliver such Swiss Individual Certificates (including, without limitation, the names and addresses of the persons in whose names the Swiss Individual Certificates are to be registered and the number or nominal amount of each such person's holding).

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and, in particular, shall be effected without charge to any holder, but against such indemnity as the Swiss Programme Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

Certificates issued in global registered form will initially be in the form of a Euroclear/CBL Global Registered Certificate which will be exchangeable in whole, but not in part, for individual certificates:

- (a) on the expiry of such period of notice as may be specified in the applicable Final Terms; or
- (b) at any time, if so specified in the applicable Final Terms; or
- (c) if the Issuer has been notified that Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system approved by the Holders of the Certificates is available.

Whenever the Euroclear/CBL Global Registered Certificate is to be exchanged for individual certificates, the Issuer shall procure that individual certificates will be issued in number or nominal amount equal to the number or nominal amount of the Euroclear/CBL Global Registered Certificates then outstanding within five Business Days of the delivery, by or on

behalf of the registered holder of the Euroclear/CBL Global Registered Certificate to the Principal Certificate Agent of such information as is required to complete and deliver such individual warrant certificates (including, without limitation, the names and addresses of the persons in whose names the individual warrant certificates are to be registered and the number or nominal amount of each such person's holding) against the surrender of the Euroclear/CBL Global Registered Certificate at the specified office of the Principal Certificate Agent.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and the regulations concerning the transfer and registration of Certificates scheduled thereto and, in particular, shall be effected without charge to any holder, but against such indemnity as the Principal Certificate Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) individual certificates have not been delivered by 5.00 p.m. (London time) on the thirtieth calendar day after they are due to be issued and delivered in accordance with the terms of the Euroclear/CBL Global Registered Certificate; or
- (b) the date for final settlement of the Certificates has occurred and payment in full of all amounts due has not been made to the Holder of the Euroclear/CBL Global Registered Certificate on the due date for payment in accordance with the terms of the Euroclear/CBL Global Registered Certificate,

then the Euroclear/CBL Global Registered Certificate (including the obligation to deliver individual certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the holder of the Euroclear/CBL Global Registered Certificate will have no further rights thereunder (but without prejudice to the rights which the holder of the Euroclear/CBL Global Registered Certificate or others may have under the W&C Securities Deed of Covenant). Under the W&C Securities Deed of Covenant, each Holder is entitled to exercise or enforce in respect of each Certificate held by him, the rights and obligations attaching to the relevant Certificate as set out in, and subject to, the W&C Securities Deed of Covenant, the Conditions and the applicable Final Terms issued in respect of such Certificates.

(C) *Delivery of New Individual Certificates and Swiss Individual Certificates*

Each new individual certificate or Swiss Individual Certificate to be issued pursuant to this Condition 29 shall be available for delivery within three Business Days of receipt of the form of transfer and surrender of the individual certificate or Swiss Individual Certificate, as applicable, for exchange. (D) *Closed Periods in respect of Definitive Registered Certificates and Swiss Definitive Registered Certificates*

No Holder may require the transfer of a Definitive Registered Certificate or Swiss Definitive Registered Certificate to be registered:

- (i) during the period of 15 calendar days before any date on which Certificates may be called for cancellation and settlement by the Issuer at its option pursuant to Condition 30(C) (*Issuer Call Option*);

30. **Exercise Rights (Certificates)**

(A) *Certificates other than Credit Linked Certificates*

Certificates other than Credit Linked Certificates shall be automatically exercised on the Actual Exercise Date. If the Certificates are Cash Settled Certificates, each such Certificate entitles its Holder to receive from the Issuer on the Settlement Date the Cash Settlement Amount. If the Certificates are Physical Delivery Certificates, each such Certificate entitles its Holder, subject to certification as to non-U.S. beneficial ownership and to the provisions of Condition 31(A), to receive from the Issuer on the Settlement Date the Entitlement subject to payment of any Expenses.

Unless otherwise specified in the applicable Final Terms, the Entitlement will be evidenced by the delivery of the Entitlement to the securities account with the Physical Delivery Clearing System or in such other manner as shall have been specified by the Holder in the relevant Collection Notice. The Issuer, the Guarantor and the Calculation Agent shall be under no obligation to register or procure the registration of a Holder in the register of members of the Share Company.

Unless otherwise specified in the applicable Final Terms, the Entitlement will be delivered to such securities account with the Physical Delivery Clearing System or in such other manner as shall have been specified by the Holder in the relevant Collection Notice, provided that, if, in the opinion of the Issuer, delivery of the Entitlement to the Holder in the manner specified by the Holder or through the Physical Delivery Clearing System specified by the Holder is not commercially reasonable, the Issuer shall deliver the Entitlement to the Holder through a clearing system which the Issuer determines to be commercially reasonable for such delivery and references to "Physical Delivery Clearing System" shall be deemed to be references to such clearing system selected by the Issuer. For the avoidance of doubt, the Issuer or the Guarantor will be fully discharged of any and all obligations with respect to delivery of the Entitlement by making delivery in the manner specified by the Holder in the relevant Collection Notice.

Unless otherwise specified in the applicable Final Terms, Certificates of the same Holder automatically exercised and in respect of which a Collection Notice (as defined below) has been duly given as provided in Condition 30(A), will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Certificates, provided that the aggregate Entitlements will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and in lieu thereof a cash adjustment calculated by the Calculation Agent in its sole and absolute discretion shall be paid to the Holder.

Following exercise of a Share Certificate which is a Physical Delivery Certificate, all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the Actual Exercise Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Collection Notice as referred to in Condition 31(A)(a)(1)(v), Condition 31(A)(b)(1)(iii) or Condition 31(A)(c)(1)(iii), as applicable.

The expressions "exercise", "due exercise" and related expressions shall be construed to apply to any Certificates which are automatically exercised on the Actual Exercise Date in accordance with this provision.

(B) *Credit Linked Certificates*

Credit Linked Certificates shall be automatically exercised on the Long Exercise Date or the Short Exercise Date (as the case may be) in accordance with Credit Linked W&C Security Condition 3.

(C) *Issuer Call Option*

If Issuer Call Option is specified as applicable in the applicable Final Terms the Issuer may, having given not less than 10 nor more than 60 calendar days' notice (or such other Issuer Call Option Notice Period as is set out in the applicable Final Terms) to the Holders in accordance with Condition 12 (which notice shall be irrevocable) elect that the Exercise Date for all (but not less than all) of the Certificates be brought forward to the Call Option Date. If Call Option Cash Settlement is specified as applying in the applicable Final Terms, notwithstanding any provision to the contrary in the Terms and Conditions and/or the applicable Final Terms (a) if the Certificates are not Cash Settled Certificates, the Certificates shall be deemed to be Cash Settled Certificates and (b) the Cash Settlement Amount shall be the Call Option Cash Settlement Amount specified in the applicable Final Terms.

(D) *Mandatory Early Exercise*

If Mandatory Early Exercise is specified as applicable in the applicable Final Terms and a Mandatory Early Exercise Event occurs, the Exercise Date for all (but not less than all) of the Certificates will be brought forward to the Mandatory Early Exercise Date. If Mandatory Early Exercise Cash Settlement is specified as applicable in the applicable Final Terms, notwithstanding any provision to the contrary in the Terms and Conditions and/or the applicable Final Terms (a) if the Certificates are not Cash Settled Certificates, the Certificates shall be deemed to be Cash Settled Certificates and (b) the Cash Settlement Amount shall be the Mandatory Early Exercise Cash Settlement Amount specified in the applicable Final Terms, which shall be payable on the Mandatory Early Exercise Cash Settlement Date.

(E) *Holder Put Option*

If Holder Put Option is specified as applicable in the applicable Final Terms, a Holder may, by giving not less than 10 nor more than 60 calendar days' notice (or such other Holder Put Option Notice Period as is set out in the applicable Final Terms) as set out below elect to bring forward the Exercise Date for his Certificates to the Put Option Date set out in the relevant Put Notice (as defined below). If Put Option Cash Settlement is specified as applying in the applicable Final Terms, notwithstanding any provision to the contrary in the Terms and Conditions and/or the applicable Final Terms (a) if the Certificates are not Cash Settled Certificates, the Certificates shall be deemed to be Cash Settled Certificates and (b) the Cash Settlement Amount for the relevant Certificates shall be the Put Option Cash Settlement Amount specified in the applicable Final Terms.

In order to exercise the right to bring forward the Exercise Date of a Certificate the Holder must deliver by facsimile or authenticated SWIFT message (confirmed in writing) a duly completed notice of exercise (a "**Put Notice**") in the form set out in the English Law Agency Agreement to (a) in the case of Euroclear/CBL Certificates, Euroclear or Clearstream, Luxembourg with a copy to Merrill Lynch International and the Principal Certificate Agent, (b) in the case of CBF Global Certificates, the Principal Certificate Agent with a copy to Merrill Lynch International, (c) in the case of Swedish Certificates, the Swedish Security Agent with a copy to Merrill Lynch International, (d) in the case of Swiss Certificates, the Swiss Programme Agent with a copy to Merrill Lynch International, (e) in the case of Finnish Certificates, the Finnish Security Agent with a copy to Merrill Lynch International, (f) in the case of Global Certificates in registered form, the relevant Clearing System and the Principal Certificate Agent with a copy to Merrill Lynch International, and (g) in the case of Definitive Registered Certificates, the Principal Certificate Agent with a copy to Merrill Lynch International. Copies of the Put Notice are available at the specified offices of the Security Agents. Once delivered a Put Notice shall be irrevocable and the Certificates the subject of such notice may not be transferred.

(F) *Prescription*

Definitive Registered Certificates will become void unless presented for payment within a period of ten years (in the case of principal) and five years (in the case of additional amounts) after the Relevant Date (as defined below) therefor.

As used herein, the "**Relevant Date**" means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the relevant Security Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Holders in accordance with Condition 12.

The terms and conditions applicable to Index Linked W&C Securities shall comprise the terms and conditions of the W&C Securities (the "**W&C Securities Conditions**") and the Index Linked Conditions, in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Note Conditions, in the case of Notes, and the W&C Securities Conditions, in the case of W&C Securities, and the Index Linked Conditions, the Index Linked Conditions shall prevail. In the event of any inconsistency between (a) the Note Conditions or the W&C Securities Conditions and/or the Index Linked Conditions and (b) the applicable Final Terms, the applicable Final Terms shall prevail. References in the Index Linked Conditions to "Security" and "Securities" shall be deemed to be references to "Note" and "Notes" or "W&C Security" and "W&C Securities" as the context admits.

2. **Definitions**

For the purposes of these Index Linked Conditions:

"Averaging Cut-Off Date" means the eighth Scheduled Trading Day (or, where the Index Linked Securities relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the eighth Common Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, or on account of such date not being a Scheduled Trading Day (or, where the Index Linked Securities relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, a Common Scheduled Trading Day), would have been the final Averaging Date, or, if earlier, the Scheduled Trading Day (or, where the Index Linked Securities relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day (or, in respect of Swedish Securities, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on the relevant Averaging Dates, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which the final Averaging Date was scheduled to fall.

If any such day is a Disrupted Day:

- (a) if "**Omission**" is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant level or price provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of "Valuation Date" will apply for purposes of determining the relevant level or price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if "**Postponement**" is specified as applying in the applicable Final Terms, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant level or price on that Averaging Date as if such Averaging

Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or

- (c) if "**Modified Postponement**" is specified as applying in the applicable Final Terms then:
- (i) where the Index Linked Securities relate to a single Index, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of "Valuation Date" below;
 - (ii) where the Index Linked Securities relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall not be applicable, the Averaging Date for each Index not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for an Index affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Index. If the first succeeding Valid Date in relation to such Index has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Index, and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of "Valuation Date" below;
 - (iii) where the Index Linked Securities relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Individual Disrupted Days" shall be applicable, the Averaging Date for each Index not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for an Index affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Index. If the first succeeding Valid Date in relation to such Index has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Index, and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of "Valuation Date" below; or
 - (iv) where the Index Linked Securities relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Averaging Date for each Index shall be the first succeeding Common Valid Date in relation to such Index. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls

on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of "Valuation Date" below,

 - (B) the aggregate of all Component Securities in respect of which a Trading Disruption, an Exchange Disruption or an Early Closure occurs or exists, comprises 20 per cent. or more of the level of the Index; or
 - (ii) the occurrence or existence, in respect of futures or options contracts relating to the Index, of (A) a Trading Disruption, (B) an Exchange Disruption which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the Valuation Time in respect of the Related Exchange or (C) an Early Closure.

For the purposes of determining whether a Market Disruption Event in respect of a Multi-Exchange Index exists at any time, if a Market Disruption Event (as defined in the Share Linked Conditions in relation to a share) occurs in respect of a Component Security at that time, then the relevant percentage contribution of such Component Security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that Component Security and (y) the overall level of the Index, in each case using the official opening weightings as published by the Index Sponsor as part of the market "opening data".

- (c) in respect of any Proprietary Index, the failure by the Index Sponsor to calculate and publish the level of the Index on any Scheduled Trading Day or in respect of such Scheduled Trading Day within the scheduled timeframe for publication.

4. **Barrier Event**

- (a) A **"Barrier Event (intraday)"** means (and a Barrier Event (intraday) shall be deemed to occur if), in respect of an Index, the Calculation Agent determines that the Index Level of such Index as of the Barrier Event Valuation Time (intraday) on any Barrier

Event Determination Day is less than or equal to the corresponding Barrier Level for such Index and such Barrier Event Determination Day.

For the purpose of determining whether a Barrier Event (intraday) has occurred on any day in respect of a Unitary Index and a Multi-Exchange Index, the definition of Market Disruption Event specified in Index Linked Condition 3 shall be amended such that (i) all references to "during the one-hour period that ends at the relevant Valuation Time" shall be deleted, and (ii) in the definition of "Early Closure" appearing in Index Linked Condition 2, each reference to "Valuation Time" and "Scheduled Closing Time" shall be construed as a reference to "Barrier Event Valuation Time (intraday)".

- (b) A "**Barrier Event (closing)**" means (and a Barrier Event (closing) shall be deemed to occur if), in respect of an Index, the Calculation Agent determines that the Index Closing Level of such Index as of the Barrier Event Valuation Time (closing) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Index and such Barrier Event Determination Day.

5. Adjustments and Corrections to an Index

- (a) Consequences of a Successor Index Sponsor or a Successor Index

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (the "**Successor Index Sponsor**") acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the "**Successor Index**") will be deemed to be the Index.

- (b) Modification and Cessation of Calculation of an Index

If (i) on or prior to a Valuation Date, an Observation Date or an Averaging Date (or other relevant date, as determined by the Calculation Agent), the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation or contracts and other routine events) (an "**Index Modification**"), or permanently cancels a relevant Index and no Successor Index exists (an "**Index Cancellation**"), or (ii) on a Valuation Date, an Observation Date or an Averaging Date (or other relevant date, as determined by the Calculation Agent), the Index Sponsor or, if applicable, the Successor Index Sponsor fails to calculate and announce a relevant Index, provided that, in respect of an Index which is specified in the applicable Final Terms as being a Multi-Exchange Index or a Proprietary Index, the Calculation Agent may, in its discretion, determine that such event instead results in the occurrence of a Disrupted Day (an "**Index Disruption**" and, together with an Index Modification and an Index Cancellation, each an "**Index Adjustment Event**"), then the Issuer may take the action described in (A) or (B) below:

- (A) require the Calculation Agent to determine if such Index Adjustment Event has a material effect on the Index Linked Securities and, if so, calculate the relevant level or price using, in lieu of a published level for such Index, the level for such Index as at the Valuation Time on that Valuation Date, Observation Date or Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating such Index last in effect prior to the change, failure or cancellation, but using only those securities or components that comprised such Index immediately prior to that Index Adjustment Event; or
- (B) (1) in the case of Notes, on giving notice to the Noteholders in accordance with Note Condition 14, redeem all (but not less than all) of the Notes, each Note being redeemed at the Early Redemption Amount; or

- (2) in the case of W&C Securities, on giving notice to Holders in accordance with W&C Securities Condition 12, cancel the W&C Securities. If the W&C Securities are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Security or a Unit, as the case may be, taking into account the Index Adjustment Event, less the cost to the Issuer and/or any of its Affiliates of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12.

Upon the occurrence of an Index Adjustment Event, the Issuer shall give notice as soon as reasonably practicable to the Holders in accordance with Note Condition 14 or Holders in accordance with W&C Securities Condition 12, as applicable, giving details of the action proposed to be taken in relation thereto, provided that any failure to give, or non-receipt of, such notice will not affect the validity of such action. The Issuer shall make available for inspection by Holders copies of any such determinations.

(c) Corrections to an Index

If the level of a relevant Index published on any Valuation Date, Observation Date or Averaging Date (or other relevant date, as determined by the Calculation Agent), as the case may be, by the relevant Index Sponsor or (if applicable) the relevant Successor Index Sponsor and which is utilised for any calculation or determination made for the purposes of the Index Linked Securities (a "**Relevant Calculation**") is subsequently corrected and the correction (the "**Corrected Index Level**") is published by the relevant Index Sponsor or (if applicable) the relevant Successor Index Sponsor no later than two Business Days prior to the date on which payment of any amount or delivery of any assets may have to be made pursuant to such Relevant Calculation, then such Corrected Index Level shall be deemed to be the relevant level for such Index on such Averaging Date, Observation Date or Valuation Date (or other relevant date, as determined by the Calculation Agent), as the case may be, and the Calculation Agent shall use such Corrected Index Level in determining the relevant level or price and/or whether the Barrier Event (closing) or Barrier Event (intraday), as the case may be, has been triggered.

(d) Additional Index Adjustment Event

If, on or prior to a Strike Date, Valuation Date, an Observation Date or an Averaging Date (or other relevant date, as determined by the Calculation Agent), the Issuer has determined and notified the Calculation Agent that a U.S. Withholding Tax Event has occurred on or prior to such date, then:

- (i) regardless of whether an Index Substitution Event takes place pursuant to the below, the Calculation Agent may make such adjustments or reductions to the Index Closing Level (or any other relevant level) of the relevant Index in respect of the Strike Date, any Valuation Date, any Observation Date, any Averaging Date or any other relevant date, and/or any adjustment(s), if any, to one or more of any variables relevant to the redemption, cancellation, payment, calculation of any amount payable or other terms of the Securities, as the Calculation Agent determines appropriate to account for the economic effect of such U.S. Withholding Tax Event, including after giving effect to any Index Substitution Event (if any); and/or
- (ii) notwithstanding the Issuer's right to, in the case of Notes, redeem the Notes early at its option pursuant to Note Condition 8 or, in the case of W&C Securities, cancel the W&C Securities at its option pursuant to W&C Securities Condition 8, following the occurrence of such U.S. Withholding Tax Event, the Issuer may, at its option, upon notification by the Issuer to the Calculation

Agent that it wishes to substitute a Successor Index for the relevant Index (such event, an "**Index Substitution Event**"), determine that the relevant Index shall be replaced by the Successor Index with effect from the date specified by the Issuer and not, in the case of Notes, redeem the Notes early at its option pursuant to Note Condition 7 nor, in the case of W&C Securities, cancel the W&C Securities at its option pursuant to W&C Securities Condition 8, and, following the Index Substitution Event coming into effect, the Calculation Agent may make such adjustments or reductions to the Index Closing Level (or any other relevant level) of the relevant Successor Index in respect of the Strike Date, any Valuation Date, any Observation Date, any Averaging Date or any other relevant date, and/or any adjustment(s), if any, to one or more of any variables relevant to the redemption, cancellation, payment, calculation of any amount payable, or other terms of the Notes or W&C Securities, as the Calculation Agent determines appropriate to account for the economic effect of such Index Substitution Event (if any). The Issuer will notify holders of the occurrence and terms of such Index Substitution Event, in the case of Notes, in accordance with Note Condition 14 and, in the case of W&C Securities, in accordance with W&C Securities Condition 12 (the date of such notification, in the case of Notes pursuant to Note Condition 14 and, in the case of W&C Securities pursuant to W&C Securities Condition 12, being the "**Index Substitution Event Notification Date**"). The Issuer's determination, in the case of Notes, not to redeem the Notes early and, in the case of W&C Securities, not to cancel the W&C Securities, following a U.S. Withholding Tax Event shall not affect its right to, in the case of Notes, redeem the Notes early for any other tax reasons pursuant to Note Condition 7 or, in the case of W&C Securities, cancel the W&C Securities for any other tax reason pursuant to W&C Securities Condition 8, at any time during the term of the Notes or W&C Securities, as applicable (whether before, at the same time, or after the occurrence of the U.S. Withholding Tax Event which gave rise to such Index Substitution Event).

Following the occurrence of an Index Substitution Event: (a) in the case of Notes each Noteholder shall have the option, upon such Noteholder giving the Issuer, in accordance with Note Condition 14, not less than 10 nor more than 30 calendar days' notice from the Index Substitution Event Notification Date to redeem the Notes held by such Noteholder in whole (but not in part), and, the Issuer, upon the expiration of such notice, will redeem such Notes on the Index Substitution Optional Redemption Date and at the Index Substitution Optional Redemption Amount; or (b) in the case of W&C Securities each Holder shall have the option, upon such Holder giving the Issuer, in accordance with W&C Securities Condition 12, not less than 10 nor more than 30 calendar days' notice from the Index Substitution Event Notification Date to cancel the W&C Securities held by such Holder in whole (but not in part), and, the Issuer, upon the expiration of such notice, will cancel such W&C Securities on the Index Substitution Optional Cancellation Date at the Index Substitution Optional Cancellation Amount.

In the case of (a) Notes, the procedures specified in the second, third and fourth paragraphs of Note Condition 7(E) shall apply to the election of the option described in paragraph (i) above, (b) Certificates, the procedures specified in the second paragraph of W&C Securities Condition 30(E) shall apply to the election of the option described in paragraph (ii) above, provided that for the purposes of this Index Condition 5(d) the words "In order to exercise the right to bring forward the Exercise Date" shall be deemed to be deleted, and (c) Warrants, the procedure specified in the relevant paragraph of W&C Securities Condition 24 shall apply to the election of the option described in paragraph (ii) above, provided that for the purposes of this Index Condition 5(d) the words "Settlement Date" and "Actual Exercise Date" shall be deemed to be deleted and replaced with the words "Index Substitution Optional Cancellation Date".

"Index Substitution Optional Cancellation Amount" means, in respect of each W&C Security, the fair market value of the W&C Security less the cost to the Issuer and/or its Affiliates or agents of unwinding any underlying hedging arrangement (including any

cost of funding in respect of such hedging arrangements) as determined by the Calculation Agent (determined on or after the Index Substitution Event Notification Date) (taking into account, if applicable, any and all adjustments made to the levels of the relevant Index or Successor Index and the terms of the W&C Securities made pursuant to paragraphs (i) and (ii) of Index Linked Condition 5(d)).

"Index Substitution Optional Cancellation Date" means, in respect of each W&C Security, a date selected by the Issuer, which shall be not earlier than the fifth Business Day following the Index Substitution Event Notification Date and not later than the 60th calendar day following the Index Substitution Event Notification Date.

"Index Substitution Optional Redemption Amount" means, in respect of each Note, the Market Value less Associated Costs (no floor) or the Market Value less Associated Costs (90 per cent. floor) (determined on or after the Index Substitution Event Notification Date) as provided in Note Condition 7(G) and as specified in the applicable Final Terms (taking into account, if applicable, any and all adjustments made to the levels of the relevant Index or Successor Index and the terms of the Notes made pursuant to paragraphs (i) and (ii) of Index Linked Condition 5(d)).

"Index Substitution Optional Redemption Date" means, in respect of each Note, a date selected by the Issuer, which shall be not earlier than the fifth Business Day following the Index Substitution Event Notification Date and not later than the 60th calendar day following the Index Substitution Event Notification Date.

"U.S. Withholding Tax Event" means an event with respect to the Notes, as defined in Note Condition 7(B) and, with respect to the W&C Securities, as defined in W&C Securities Condition 8(A).

6. Additional Disruption Events

- (a) **"Additional Disruption Event"** means any of Change in Law, Hedging Disruption and/or Increased Cost of Hedging, in each case if specified in the applicable Final Terms.

"Change in Law" means that, on or after the Trade Date (as specified in the applicable Final Terms) (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in its sole and absolute discretion that (A) it has become illegal to hold, acquire or dispose of any relevant security comprised in an Index or (B) the Issuer will incur a materially increased cost in performing its obligations in relation to the Index Linked Securities (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Issuer and/or any of its affiliates).

"Hedging Disruption" means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Index Linked Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"Increased Cost of Hedging" means that the Issuer and/or any of its Affiliates or agents acting on its behalf would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Index Linked Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount

that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

- (b) If Additional Disruption Events are specified as applicable in the applicable Final Terms, then if an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
 - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the terms of these Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii) give notice to Holders in accordance with Note Condition 14 or W&C Securities Condition 12, as applicable, and (A) in the case of Notes, redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or (B) in the case of W&C Securities, cancel the W&C Securities and pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Security or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion, payment being made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12.
- (c) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders stating the occurrence of the Additional Disruption Event, giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

ANNEX 2

ADDITIONAL TERMS AND CONDITIONS FOR SHARE LINKED SECURITIES

1. **Interpretation**

If specified as applicable in the applicable Final Terms, the terms and conditions applicable to Share Linked Notes shall comprise the terms and conditions of the Notes (the "**Note Conditions**") and the Additional Terms and Conditions for Share Linked Securities set out below (the "**Share Linked Conditions**"), in each case subject to completion and/or amendment in the applicable Final Terms. The terms and conditions applicable to Share Linked W&C Securities shall comprise the terms and conditions of the W&C Securities (the "**W&C Securities Conditions**") and the Share Linked Conditions, in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Note Conditions, in the case of Notes, and the W&C Securities Conditions, in the case of W&C Securities, and the Share Linked Conditions, the Share Linked Conditions shall prevail. In the event of any inconsistency between (a) the Note Conditions or the W&C Securities Conditions and the Share Linked Conditions and (b) the applicable Final Terms, the applicable Final Terms shall prevail. References in the Share Linked Conditions to "Security" and "Securities" shall be deemed to be references to "Note" and "Notes" or "W&C Security" and "W&C Securities" as the context admits.

2. **Definitions**

For the purposes of these Share Linked Conditions:

"Averaging Cut-Off Date" means the eighth Scheduled Trading Day (or, where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the eighth Common Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, or on account of such date not being a Scheduled Trading Day (or, where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, a Common Scheduled Trading Day), would have been the final Averaging Date, or, if earlier, the Scheduled Trading Day (or, where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day (or, in respect of Swedish Securities, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on the relevant Averaging Dates, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which the final Averaging Date was scheduled to fall.

"Averaging Date" means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day, (or, where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the immediately following Common Scheduled Trading Day), or, if earlier, the Averaging Cut-Off Date. If any such day is a Disrupted Day:

- (a) if "**Omission**" is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant price; provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of "Valuation Date" will apply for purposes of determining the relevant price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if "**Postponement**" is specified as applying in the applicable Final Terms, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant price on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such

determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or

- (c) if "Modified Postponement" is specified as applying in the applicable Final Terms then:
 - (i) where the Share Linked Securities relate to a single Share, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of "Valuation Date" below;
 - (ii) where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall not be applicable, the Averaging Date for each Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for a Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Share. If the first succeeding Valid Date in relation to such Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of "Valuation Date" below;
 - (iii) where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Individual Disrupted Days" shall be applicable, the Averaging Date for each Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for a Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Share. If the first succeeding Valid Date in relation to such Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of "Valuation Date" below; or
 - (iv) where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Averaging Date for each Share shall be the first succeeding Common Valid Date in relation to such Share. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective

of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of "Valuation Date" below,

and, for the purposes of these Share Linked Conditions **"Valid Date"** means a Scheduled Trading Day that is not a Disrupted Day and on which another Averaging Date does not or is deemed not to occur, and **"Common Valid Date"** means a Common Scheduled Trading Day that is not a Disrupted Day for any Share and on which another Averaging Date does not or is deemed not to occur.

"Barrier Event Determination Day" means, in respect of each Share:

- (a) if the applicable Final Terms provides that the Barrier Event (intraday) provisions shall apply, unless otherwise specified in the Final Terms, each day on which the price of such Share is quoted on the relevant Exchange during the relevant Observation Period, regardless of whether or not such day is a Scheduled Trading Day for such Share (and, for the avoidance of doubt, if the Calculation Agent in its sole and absolute discretion determines that a Market Disruption Event is occurring at any time on any Barrier Event Determination Day, it shall disregard the period during which it determines in its sole and absolute discretion that such Market Disruption Event has occurred and is continuing for the purposes of determining whether or not a Barrier Event (intraday) has occurred); or
- (b) if the applicable Final Terms provides that the Barrier Event (closing) provisions shall apply, each day specified as such in the applicable Final Terms.

"Barrier Event Valuation Time (closing)" means, in respect of each Share to be valued, the Scheduled Closing Time on the relevant Exchange on the relevant Barrier Event Determination Day. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Barrier Event Valuation Time (closing) is after the actual closing time for its regular trading session, then the Barrier Event Valuation Time (closing) shall be such actual closing time.

"Barrier Event Valuation Time (intraday)" means any time during the regular trading session (without regard to any after hours or any other trading outside of the regular session) on the Exchange.

"Barrier Level" means, in respect of a Share, such price for such Share as is specified in the applicable Final Terms.

"Basket of Shares" means a basket composed of Shares in their relative proportions or number of Shares, as specified in the applicable Final Terms.

"Cash Settled Securities" means Securities that entitle the holder, upon due exercise and subject to certification of non-U.S. beneficial ownership, to receive from the Issuer, on the Settlement Date, the Cash Settlement Amount.

"Common Scheduled Trading Day" means, in respect of a Basket of Shares, each day which is a Scheduled Trading Day for all the Shares in the Basket of Shares.

"Disrupted Day" means any Scheduled Trading Day on which a relevant Exchange or any Related Exchange fails to open for trading during its regular trading session or on which a Market Disruption Event has occurred.

"Early Closure" means the closure on any Exchange Business Day of the relevant Exchange or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or Related Exchange(s) at least one hour prior to the earlier of (i) the actual closing time for the regular trading session on such Exchange(s) or Related Exchange(s) on such Exchange Business Day, and (ii) the submission deadline for orders to be entered into the Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day.

"Exchange" means, in relation to a Share, each exchange or quotation system specified as such for such Share in the applicable Final Terms, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in the Share has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to such Share on such temporary substitute exchange or quotation system as on the original Exchange).

"Exchange Business Day" means any Scheduled Trading Day on which each Exchange and each Related Exchange are open for trading during their respective regular trading sessions, notwithstanding any such Exchange or Related Exchange closing prior to its Scheduled Closing Time.

"Exchange Disruption" means any event (other than an Early Closure) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general (i) to effect transactions in, or obtain market values for, the Shares on the Exchange or (ii) to effect transactions in, or obtain market values for, futures or options contracts relating to the Share on any relevant Related Exchange.

"Final Price" means, in respect of a Share, unless otherwise specified in the applicable Final Terms, the Share Closing Price of such Share on the Valuation Date, subject to adjustment in accordance with these Share Linked Conditions.

"Initial Price" means, in respect of a Share, unless otherwise specified in the applicable Final Terms, the Share Closing Price of such Share on the Strike Date, subject to adjustment in accordance with these Share Linked Conditions.

"Observation Cut-Off Date" means the eighth Scheduled Trading Day (or, where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the eighth Common Scheduled Trading Day) immediately following the Scheduled Observation Date or, if earlier, the Scheduled Trading Day (or, where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day (or, in respect of Swedish Securities, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Observation Date, provided that the Observation Cut-Off Date shall not fall prior to the original date on which such Observation Date was scheduled to fall.

"Observation Date" means each date specified as such in the applicable Final Terms, or if such date is not a Scheduled Trading Day the immediately following Scheduled Trading Day (or, where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the immediately following Common Scheduled Trading Day), or, if earlier, the Observation Cut-Off Date. If any such day is a Disrupted Day, then:

- (a) where the Share Linked Securities relate to a single Share, the Observation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date up to, and including, the Observation Cut-Off Date is a Disrupted Day. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Share, (i) the Observation Cut-Off Date shall be deemed to be such Observation Date (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant price in the manner set out in the applicable Final Terms or, if not set out or if not practicable, determine the relevant price in accordance with its good faith estimate of the relevant price as of the Valuation Time on the Observation Cut-Off Date;
- (b) where the Share Linked Securities relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall not be applicable, the

Observation Date for each Share not affected by the occurrence of a Disrupted Day shall be the Scheduled Observation Date (or, if earlier, the Observation Cut-Off Date) and the Observation Date for each Share affected (each an "**Affected Share**") by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Share, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date up to, and including, the Observation Cut-Off Date is a Disrupted Day relating to the Affected Share. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Share, (i) the Observation Cut-Off Date shall be deemed to be the Observation Date for such Share (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant price using, in relation to such Share, a price determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using its good faith estimate of the price for such Share as of the Valuation Time on the Observation Cut-Off Date, and otherwise in accordance with the above provisions;

may be, and the Calculation Agent shall use such Corrected Share Price in determining the relevant price and/or whether the Barrier Event (closing) or Barrier Event (intraday), as the case may be, has been triggered.

- (vii) any other event having, in the opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

Following the declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will make the corresponding adjustment, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends stock loan rate or liquidity relative to the relevant Share) and determine the effective date of that adjustment. The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.

If **"Local Tax Adjustment"** is specified in the applicable Final Terms as being applicable, then, in its determinations of the existence and extent of any dilutive or concentrative effect on the theoretical value of the Shares of any Potential Adjustment

Upon the making of any such adjustment, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Securities Condition 12, as applicable, stating the adjustment to the terms of the Terms and Conditions and/or the applicable Final Terms and giving brief details of the Potential Adjustment Event provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such adjustment.

- (b) **"De-listing"** means, in respect of any relevant Shares:
- (i) in the case where the Exchange is not located in the United States, such Exchange announces that pursuant to the rules of such Exchange, such Shares cease (or will cease) to be listed, traded or publicly quoted on the Exchange for any reason (other than a Merger Event or, if Tender Offer is specified as applying in the applicable Final Terms, a Tender Offer) and are not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in a member state of the European Union); or

takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Shares of the Share Company that results in a transfer of or an irrevocable commitment to transfer all such Shares (other than such Shares owned or controlled by such other entity or person), or (iv) consolidation, amalgamation, merger or binding share exchange of the Share Company or its subsidiaries with or into another entity in which the Share Company is the continuing entity and which does not result in a reclassification or change of all such Shares outstanding but results in the outstanding Shares (other than Shares owned or controlled by such other entity) immediately prior to such event collectively representing less than 50 per cent. of the outstanding Shares immediately following such event, in each case if the Merger Date is on or before (A) in the case of Cash Settled Securities, the last occurring Valuation Date or Observation Date, as the case may be, or where Averaging is specified in the applicable Final Terms, the final Averaging Date in respect of the relevant Security or (B) in the case of Physical Delivery Notes, the Maturity Date and in the case of Physical Delivery W&C Securities the relevant Settlement Date.

"Tender Offer Date" means, in respect of a Tender Offer, the date on which voting shares in the amount of the applicable percentage threshold are actually purchased or otherwise obtained (as determined by the Calculation Agent).

- (c) If (x) a Merger Event, De-listing, Nationalisation or Insolvency occurs in relation to a Share and/or (y) if Tender Offer is specified as applicable in the applicable Final Terms, a Tender Offer occurs, the Issuer in its sole and absolute discretion may take the action described in (i), (ii), (iii) or (iv) below:
- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any terms of the Terms and Conditions and/or the applicable Final Terms to account for the De-listing, Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency made by any options exchange to options on the Shares traded on that options exchange and the relevant adjustments may in the case of adjustments following a Merger Event or Tender Offer include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares; or

If the W&C Securities are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C

Security or a Unit, as the case may be, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12; or

(iii) following such adjustment to the settlement terms of options on the Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the "**Options Exchange**"), require the Calculation Agent to make a corresponding adjustment to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded; or

(iv) unless the applicable Final Terms provides that "Share Substitution" shall not be applicable, then on or after the relevant Merger Date, Tender Offer Date, or the date of the Nationalisation, Insolvency or De-listing (as the case may be):

(A) Where the Share Linked Securities relate to a single Share, the Calculation Agent may substitute the share (the "**Substitute Share**") selected by it in accordance with the Share Substitution Criteria in place of such Share (the "**Affected Share**") which is affected by such Merger Event, Tender Offer, Nationalisation, Insolvency or De- listing and the Substitute Share will be deemed to be a "Share" and the relevant issuer of such shares, a "Share Company" for the purposes of the Securities, and the Calculation Agent will make such adjustment, if any, to any of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that in the event that any amount payable under the Securities was to be determined by reference to the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms), the relevant price of each Substitute Share will be determined by the Calculation Agent in accordance with the following formula:

$$A \times (B/C)$$

Where:

"A" is the official closing price of the relevant Substitute Share on the relevant exchange, as determined by the Calculation Agent, on the date that the substitution is effected;

"B" is the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms) where such price is defined in the applicable Final Terms for the purposes of calculating any value or determining any amount payable in respect of the Securities; and

"C" is the official closing price of the relevant Affected Share on the relevant Exchange on the date that the substitution is effected.

- (B) Where the Share Linked Securities relate to a Basket of Shares, the Calculation Agent may adjust the basket of Shares to include a share or shares (the "**Substitute Shares**") selected by it in accordance with the Share Substitution Criteria in place of the Share(s) (the "**Affected Share(s)**") which are affected by such Merger Event, Tender Offer, Nationalisation, Insolvency or De-listing and the Substitute Shares will be deemed to be "Shares" and the relevant issuer of each such share, a "Share Company" for the purposes of the Securities, and the Calculation Agent will make such adjustment, if any, to any of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that in the event that any amount payable under the Securities was to be determined by reference to the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms), the relevant price of each Substitute Share will be determined by the Calculation Agent in accordance with the following formula:

$$A \times (B/C)$$

Where:

"A" is the official closing price of the relevant Substitute Share on the relevant exchange, as determined by the Calculation Agent on the date that the substitution is effected;

"B" is the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms) where such price is defined in the applicable Final Terms for the purposes of calculating any value or determining any amount payable in respect of the Securities; and

"C" is the official closing price of the relevant Affected Share on the relevant Exchange on the date that the substitution is effected.

The weighting of each Substitute Share in the basket will be equal to the weighting of the relevant Affected Share.

Upon the occurrence of a Merger Event, De-listing, Nationalisation, Insolvency or, if applicable, Tender Offer, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Securities Condition 12, as applicable, stating the occurrence of the Merger Event, Tender Offer, Nationalisation or Insolvency, as the case may be, giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such Merger Event, Tender Offer, De-listing, Nationalisation or Insolvency, as the case may be.

The Calculation Agent will make any conversion necessary for purposes of any such adjustment as of the Valuation Time at an appropriate mid market spot rate of exchange determined by the Calculation Agent prevailing as of the Valuation Time. No adjustments

 - (ii) (A) in the case of Notes, give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
 - (B) in the case of W&C Securities, give notice to the Holders in accordance with W&C Securities Condition 12 and cancel the W&C Securities. If the W&C Securities are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Security or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12.

- (d) If the applicable Final Terms provides that "Share Substitution" is applicable, upon the occurrence of an Additional Disruption Event the provisions of Share Linked Condition 6(c)(iv)(A) or 6(c)(iv)(B) (as is applicable) shall apply in respect of an Additional Disruption Event where any reference to "Merger Event, Tender Offer, Nationalisation, Insolvency or De-listing" in Share Linked Conditions 6(c)(iv)(A) and 6(c)(iv)(B) shall be replaced by "Additional Disruption Event", and any other relevant references shall be construed accordingly.

- (i) (A) make the corresponding adjustment(s), if any, to any one or more of the terms of the Terms and Conditions of the W&C Securities and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share), and (B) determine the effective date(s) of such adjustment(s). The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange; and/or
- (ii) determine that the Issuer shall issue to Holders additional Warrants, at such cost, if any, to the Holders, on such terms as the Calculation Agent determines appropriate to account for that diluting or concentrative effect, subject at all times to the agreement of the Issuer and the ability of the Issuer to issue and distribute such additional Warrants; and/or
- (iii) determine that the Issuer shall issue to Holders new warrants linked to the share capital or other securities of another company created as a result of a spin-off or other similar transaction relating to the relevant Share Company, on such terms

as the Calculation Agent determines appropriate to account for that diluting or concentrative effect, subject at all times to the agreement of the Issuer and the ability of the Issuer and the Holders respectively to issue and hold such new warrants; and/or

- (iv) determine, subject at all times to the agreement of the Issuer, that the Issuer shall distribute a cash amount to Holders, on such terms as the Calculation Agent determines appropriate to account for that diluting or concentrative effect.

Upon making any determination under LEPW Condition 4(b), the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with W&C Securities Condition 12, giving brief details of the Potential Adjustment Event and stating the action proposed to be taken in relation thereto, and:

- (i) in respect of a determination pursuant to LEPW Condition 4(b)(i), the adjustment to any one or more of the terms of the Terms and Conditions of the W&C Securities and/or the applicable Final Terms;

 - (C) if any subscription monies, fees and/or charges are payable, the date on or prior to which such subscription monies, fees and/or charges, as the case may be, must be paid to the Issuer by the Holder of each W&C Security in order to purchase additional Warrants, if any;
 - (D) the amount of such subscription monies, fees and/or charges payable by the Holder of each W&C Security in order to purchase additional Warrants, if any;

- (iii) in respect of a determination pursuant to LEPW Condition 4(b)(iii), the Record Date and the number of new warrants to which the Holder of each W&C Security is entitled; and
- (iv) in respect of a determination pursuant to LEPW Condition 4(b)(iv), the Record Date and amount payable to the Holder of each W&C Security,

provided that (y) if a combination of the consequences specified in LEPW Condition 4(b) are determined by the Calculation Agent to apply, such notice shall state and set out the relevant information applicable to each applicable consequence, and (z) any failure to give, or the non- receipt of, such notice will not affect the validity of the Potential Adjustment Event or any action taken as a consequence of such Potential Adjustment Event.

- (d) In the case of an issue of additional Warrants to Holders pursuant to LEPW Condition 4(b)(ii) in respect of which any subscription monies, fees and/or charges are payable,

no Holder shall be entitled to receive any additional Warrants (and the Issuer shall not be obliged to issue additional Warrants to any Holder) unless:

- (i) each of the Principal Warrant Agent and Merrill Lynch International has received notice from a relevant Holder that it wishes to purchase such additional Warrants (a "**Notice of Purchase of Additional Warrants**") on or prior to the date specified in the relevant notice from the Calculation Agent pursuant to LEPW Condition 4(c)(ii). Such Notice of Purchase of Additional Warrants shall be given by sending an authenticated instruction by SWIFT message or by any other authorised communication channel, in accordance with the rules and operating procedures of, and in such manner as is acceptable to, Euroclear and/or Clearstream, Luxembourg, as the case may be (in consultation with the Principal Warrant Agent), and which shall include the information set out in Part 7 of schedule 7 to the English Law Agency Agreement (copies of which may be obtained from the Principal Warrant Agent); and
- (ii) the Issuer has received payment of the subscription monies on or prior to the date specified in the relevant notice.

For the avoidance of doubt, no Holder shall be obliged to purchase any additional Warrants referred to in LEPW Condition 4(b)(ii). However, if such additional Warrants are not purchased by the Holder of any W&C Security in accordance with the above provisions, the Issuer shall have no further obligation to such Holder to take any action in respect of the relevant Potential Adjustment Event or to pay any amounts in cash to any Holder in lieu thereof.

5. **Additional Disruption Events**

The definition of "Change in Law" in Index Linked Condition 6(a) and Share Linked Condition 8(a) (as applicable) shall be deemed to be deleted and replaced with the following:

6. **Deduction of Cost and Taxes**

All and any payments (other than any Additional Amount) made by the Issuer in respect of the W&C Securities (including, without limitation, any payment made by the Issuer upon cancellation of the W&C Securities) shall be made subject to (and after) deductions to account for all and any applicable Cost and Tax. Any amounts of Cost and Tax will be converted to the Settlement Currency at the Exchange Rate by the Calculation Agent as it deems necessary.

The terms and conditions applicable to FX Linked W&C Securities shall comprise the terms and conditions of the W&C Securities (the "**W&C Securities Conditions**") and the FX Linked Conditions, in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Note Conditions, in the case of Notes, or the W&C Securities Conditions, in the case of W&C Securities and the FX Linked Conditions, the FX Linked Conditions shall prevail. In the event of any inconsistency between (a) the Note Conditions or the W&C Securities Conditions and/or the FX Linked Conditions and (b) the applicable Final Terms, the applicable Final Terms shall prevail. References in the FX Linked Conditions to "Security" and "Securities" shall be deemed to be references to "Note" and "Notes" or "W&C Security" and "W&C Securities" as the context admits.

2. Definitions

"Averaging Cut-Off Date" means, in respect of an Averaging Date, the fifth FX Business Day immediately following the original date on which the final Averaging Date was scheduled to fall, or, if earlier, the FX Business Day falling on or immediately preceding the second Business Day (or, in respect of Swedish Securities, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Averaging Date, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which such final Averaging Date was scheduled to fall.

"Averaging Date" means each Averaging Date specified in the applicable Final Terms, or, if that is not an FX Business Day the first following day which is an FX Business Day, or, if earlier the Averaging Cut-Off Date (such day, the "**Scheduled Averaging Date**" corresponding to such Averaging Date). If an Averaging Date falls on the Averaging Cut-Off Date, then, subject to the applicable Final Terms, the next applicable Disruption Fallback specified as a consequence of an FX Market Disruption Event shall apply (as if an FX Market Disruption Event had occurred), or, if none is specified, Calculation Agent Determination shall be deemed to apply.

"Base Currency" means the currency specified as such in the applicable Final Terms.

"Calculation Agent Determination" means, in respect of a Currency Price and any relevant day, that such Currency Price for such relevant day (or a method for determining such Currency Price) will be determined by the Calculation Agent taking into consideration all available information that in good faith it deems relevant.

"Currency Price" means, in relation to each Security or Unit, as the case may be, the Currency Price specified in the applicable Final Terms, or if not so specified in the applicable Final Terms, in respect of each Subject Currency, an amount equal to the spot rate of exchange appearing on the FX Price Source at the Valuation Time on (a) if Averaging is not specified in the applicable Final Terms, the Valuation Date or (b) if Averaging is specified in the applicable Final Terms, an Averaging Date, for the exchange of such Subject Currency into the Base Currency (expressed as the number of units (or part units) of the Subject Currency for which one unit of the Base Currency can be exchanged).

"Currency-Reference Dealers" means, in respect of any relevant day, that the Calculation Agent will request each of the Reference Dealers to provide a quotation of its rate at which it will buy one unit of the Base Currency in units of the Subject Currency at the applicable Valuation Time on such relevant day. If, for any such rate, at least two quotations are

provided, the relevant rate will be the arithmetic mean of the quotations. If fewer than two quotations are provided for any such rate, the relevant rate will be the arithmetic mean of the relevant rates quoted by major banks in the relevant market, selected by the Calculation Agent at or around the applicable Valuation Time on such relevant day.

"Disruption Fallback" means, in respect of a Currency Price, Calculation Agent Determination, Currency-Reference Dealers, EM Fallback Valuation Postponement, EM Valuation Postponement, Fallback Reference Price, Other Published Sources, Postponement and/or such other sources or methods specified as such or otherwise determined as an alternative basis for determining such Currency Price as may be provided in the applicable Final Terms. The applicable Disruption Fallback in respect of a Currency Price shall be as specified in the applicable Final Terms, and if two or more Disruption Fallbacks are specified, unless otherwise provided in the Final Terms, such Disruption Fallbacks shall apply in the order specified in the applicable Final Terms, such that if the Calculation Agent determines that the Currency Price cannot be determined by applying one Disruption Fallback, then the next Disruption Fallback specified shall apply.

"Fallback Reference Price(s)" means, in respect of a Currency Price, that the Currency Price for the relevant date will be the alternate price source(s) specified in the applicable Final Terms for such Currency Price, applied in the order specified in the applicable Final Terms.

"FX Business Day" means, in respect of a Currency Price, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits), or but for the occurrence of an FX Market Disruption Event in respect of such Currency Price would have settled payments and been open for general business, in each of the Specified Financial Centres for such Currency Price, as specified in the applicable Final Terms.

"FX Disrupted Day" means any FX Business Day on which an FX Market Disruption Event occurs.

"FX Market Disruption Event" means:

- (a) in respect of a Currency Price, the occurrence or existence, as determined by the Calculation Agent in its sole and absolute discretion, of any FX Price Source Disruption and/or any FX Trading Suspension or Limitation and/or, if specified as applicable in the Final Terms, any Inconvertibility Event and/or any other event specified as applicable in the applicable Final Terms; and
- (b) if the applicable Final Terms provide that the EM Currency Provisions shall apply to a Currency Price, in respect of such Currency Price, the occurrence or existence, as determined by the Calculation Agent in its sole and absolute discretion, of any FX Price Source Disruption, Price Materiality Event and/or, if specified as applicable in the Final Terms, any Inconvertibility Event and/or Non-Transferability Event and/or any other event specified as applicable in the applicable Final Terms.

"FX Price Source(s)" means, in respect of a Currency Price, the price source(s) specified in the applicable Final Terms for such Currency Price, or if the relevant rate is not published or announced by such FX Price Source at the relevant time, the successor or alternative price source or page/publication for the relevant rate as determined by the Calculation Agent in its sole and absolute discretion.

"FX Price Source Disruption" means it becomes impossible or otherwise impracticable to obtain and/or execute the relevant rate(s) required to calculate the Currency Price on the Averaging Date or Valuation Date or other relevant date, or, if different, the day on which rates for that Averaging Date or Valuation Date or other relevant date, as the case may be, would in the ordinary course be published or announced by the relevant FX Price Source.

"FX Trading Suspension or Limitation" means the suspension of and/or limitation of trading in the rate(s) required to calculate the relevant Currency Price in the Interbank Market provided that such suspension or limitation of trading is material in the opinion of the Calculation Agent.

"Inconvertibility Event" means the occurrence, as determined by the Calculation Agent in its sole and absolute discretion, of any action, event or circumstance whatsoever which, from a legal or practical perspective:

- (a) has the direct or indirect effect of hindering, limiting or restricting (i) the convertibility of the relevant Subject Currency into the Base Currency, or (ii) the transfer of the Subject Currency or the Base Currency to countries other than the countries for which the Subject Currency or the Base Currency, as the case may be, is the lawful currency (including without limitation, by way of any delays, increased costs or discriminatory rates of exchange or any current or future restrictions); and/or
- (b) results in the unavailability of any relevant Base Currency or Subject Currency in the interbank foreign exchange market in any Specified Financial Centre(s) in accordance with normal commercial practice.

"Interbank Market" means the over-the-counter foreign exchange spot market open continuously from and including 5.00 a.m., Sydney time, on a Monday in any week to and including 5.00 p.m., New York time, on the Friday of such week.

"Non-Transferability Event" means the occurrence, as determined by the Calculation Agent in its sole and absolute discretion, of any event that generally makes it impossible to deliver (a) the Base Currency from accounts inside the Subject Currency Jurisdiction to accounts outside the Subject Currency Jurisdiction or (b) the Subject Currency between accounts inside the Subject Currency Jurisdiction or to a party that is a non-resident of the Subject Currency Jurisdiction.

"Other Published Sources" means, in respect of any relevant day, that the Calculation Agent will determine the Currency Price on such relevant day on the basis of the exchange rate for one unit of the Base Currency in terms of the Subject Currency published by available recognised financial information vendors (as selected by the Calculation Agent) other than the applicable FX Price Source, at or around the applicable Valuation Time on such relevant day.

"Postponement" means, in respect of a Valuation Date or an Averaging Date, if such day (or, if applicable, if the original day on which such Valuation Date or an Averaging Date, as the case may be, is scheduled to fall (as specified in the applicable Final Terms) is postponed on account of such original day not being an FX Business Day, such postponed day) is an FX Disrupted Day, then:

- (a) where the FX Linked Securities relate to a single Currency Price, such Valuation Date or Averaging Date, as the case may be, shall be the first succeeding FX Business Day that is not an FX Disrupted Day, unless the Calculation Agent determines that each of the consecutive FX Business Days equal in number to the Maximum Days of Postponement immediately following such Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, is an FX Disrupted Day. In that case, (i) that last consecutive FX Business Day shall be deemed to be the Valuation Date or the Averaging Date, as the case may be (notwithstanding the fact that such day may be an FX Disrupted Day) and (ii) the next applicable Disruption Fallback shall apply; or
- (b) where the FX Linked Securities relate to a Basket of Currency Prices, such Valuation Date or Averaging Date, as the case may be, for each Currency Price not affected by the occurrence of an FX Disrupted Day shall be the Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, and the Valuation Date for each Currency Price affected (each an **"Affected Currency Price"**) by the occurrence of an FX Disrupted Day shall be the first succeeding FX Business Day that is not an FX Disrupted Day relating to the Affected Currency Price, unless the Calculation Agent determines that each of the consecutive FX Business Days equal in number to the Maximum Days of Postponement immediately following such Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, is an FX Disrupted Day. In that case for each Affected Currency Price, (i) that last consecutive FX Business Day

shall be deemed to be the Valuation Date or the Averaging Date, as the case may be (notwithstanding the fact that such day may be an FX Disrupted Day) and (ii) the next applicable Disruption Fallback shall apply.

"Price Materiality Event" means, in respect of a Currency Price and a Valuation Date, Averaging Date or other relevant date, that the FX Price Source differs from the Fallback Reference Price by at least the Price Materiality Percentage (and if both an FX Price Source Disruption and a Price Materiality Event occur or exist on any day, it shall be deemed that an FX Price Source Disruption and not a Price Materiality Event occurred or existed on such day).

"Price Materiality Percentage" means the percentage specified as such in the applicable Final Terms.

"Reference Dealers" means, in respect of each Subject Currency, four leading dealers in the relevant foreign exchange market, as determined by the Calculation Agent (or any other number of dealers as specified in the applicable Final Terms).

"Specified Financial Centre(s)" means the financial centre(s) specified in the applicable Final Terms.

"Strike Date" means the date specified as such in the applicable Final Terms.

"Subject Currency" means the currency specified as such in the applicable Final Terms.

"Subject Currency Jurisdiction" means the country for which the Subject Currency is the lawful currency.

"Valuation Cut-Off Date" means, in respect of a Valuation Date, the fifth FX Business Day immediately following the original date on which such Valuation Date was scheduled to fall, or, if earlier, the FX Business Day falling on or immediately preceding the second Business Day (or, in respect of Swedish Securities, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Valuation Date, provided that the Valuation Cut-Off Date shall not fall prior to the original date on which such Valuation Date was scheduled to fall.

"Valuation Date" means:

- (a) if the applicable Final Terms specify that the EM Currency Provisions shall not apply to a Currency Price, each Valuation Date specified in the applicable Final Terms or if that is not an FX Business Day the first following day which is an FX Business Day, or, if earlier the Valuation Cut-Off Date (such day, the **"Scheduled Valuation Date"** corresponding to such Valuation Date). If a Valuation Date falls on the Valuation Cut-Off Date, then, subject to the applicable Final Terms, the first applicable Disruption Fallback specified as a consequence of an FX Market Disruption Event shall apply (as if an FX Market Disruption Event had occurred), or, if none is specified, Calculation Agent Determination shall be deemed to apply; or
- (b) if the applicable Final Terms specify that the EM Currency Provisions shall apply to a Currency Price, each Valuation Date specified in the applicable Final Terms (the **"Scheduled Valuation Date"** in respect of such Currency Price, if such day is an FX Business Day for such Currency Price, or if such day is not an FX Business Day only by reason of being an Unscheduled Holiday for such Currency Price), or the immediately preceding FX Business Day for such Currency Price, as determined by the Calculation Agent (the **"Scheduled Valuation Date"** in respect of such Currency Price, if such day is not an FX Business Day and is not an Unscheduled Holiday for such Currency Price), provided that such Valuation Date shall be subject to adjustment in accordance with FX Linked Condition 3 and FX Linked Condition 4.

"Valuation Time" means the Valuation Time specified in the applicable Final Terms.

3. **Consequences of an FX Disrupted Day**

If the Calculation Agent determines that any Valuation Date or Averaging Date is an FX Disrupted Day, then the Currency Price for such Valuation Date or Averaging Date will be determined in accordance with the terms of the first applicable Disruption Fallback. The applicable Final Terms may provide that one or more Disruption Fallbacks may apply to any Valuation Date or Averaging Date and that such applicable Disruption Fallbacks may apply concurrently or sequentially, in such manner as specified in the applicable Final Terms.

4. **EM Currency Provisions: Unscheduled Holiday**

(a) If the applicable Final Terms provide that the EM Currency Provisions shall apply to a Currency Price or Fallback Reference Price, as applicable, and any Valuation Date or Averaging Date, and that Unscheduled Holidays shall be applicable, then, if the Calculation Agent determines that the relevant Scheduled Valuation Date or Scheduled Averaging Date, as applicable (each, a "**Scheduled Reference Date**"), is an Unscheduled Holiday for such Currency Price or Fallback Reference Price, then the Valuation Date or Averaging Date shall be postponed to the first FX Business Day falling after the Scheduled Reference Date (the "**Adjusted Scheduled Reference Date**"), provided that if such first FX Business Day has not occurred on or before the last day of the Maximum Days of Deferral, then the next day after the Last Deferred Day that would have been an FX Business Day but for a Unscheduled Holiday shall be deemed to be the Adjusted Scheduled Reference Date.

(b) The following terms and expressions shall have the following meanings:

"Last Deferred Day" means, in respect of any postponement by a number of days equal to the Maximum Days of Deferral, the last day to which such day is postponed.

"Maximum Days of Deferral" means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

"Unscheduled Holiday" means, in respect of a Currency Price or Fallback Reference Price, as applicable, a day that is not an FX Business Day and the market was not aware of such fact (by means of a public announcement or by reference to other publicly available information) until a time later than 9.00 a.m., local time in the Specified Financial Centre in respect of such Currency Price or Fallback Reference Price, two FX Business Days prior to such day.

5. **EM Currency Provisions: EM Valuation Postponement**

If the applicable Final Terms provide that the EM Currency Provisions shall apply to a Currency Price (which term shall include, where the Final Terms provide that the prior applicable Disruption Fallback is "Fallback Reference Price", the Currency Price determined using the applicable Fallback Reference Price) and any Valuation Date or Averaging Date, and that EM Valuation Postponement shall be applicable, then, if the Calculation Agent determines that the relevant Scheduled Reference Date (if the Scheduled Reference Date is not an Unscheduled Holiday for the Currency Price) or the Adjusted Scheduled Reference Date (if the Scheduled Reference Date is an Unscheduled Holiday for the Currency Price) is an FX Disrupted Day, then such Valuation Date or Averaging Date shall be the first FX Business Day which is not an FX Disrupted Day unless an FX Market Disruption Event continues to exist (measured from such Scheduled Reference Date or Adjusted Scheduled Reference Rate, as applicable) for a consecutive number of calendar days equal to the Maximum Days of EM Valuation Postponement. In that case, the Currency Price will be determined on the next FX Business Day after the Maximum Days of EM Valuation Postponement in accordance with the next applicable Disruption Fallback as specified in the applicable Final Terms.

Where:

"Maximum Days of EM Valuation Postponement" means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

6. **EM Currency Provisions: EM Fallback Valuation Postponement**

If the applicable Final Terms provide that the EM Currency Provisions shall apply and that EM Fallback Valuation Postponement shall be applicable and where the Final Terms provide that the prior applicable Disruption Fallback is "Fallback Reference Price", if the Calculation Agent determines that the Currency Price (as determined by reference to the applicable Fallback Reference Price) is not available on (a) the first FX Business Day following the end of the Maximum Days of EM Valuation Postponement (where an FX Market Disruption Event has occurred or exists in respect of the Currency Price throughout the Maximum Days of EM Valuation Postponement) or (b) on the Adjusted Scheduled Reference Date (where the Adjusted Scheduled Reference Date falls after the Last Deferred Day) then the Valuation Date or Averaging Date shall be the first succeeding FX Business Day which is not an FX Disrupted Day in respect of the Currency Price unless an FX Market Disruption Event continues to exist throughout the Fallback Maximum Period of Postponement. In that case, the Currency Price will be determined on the Last Fallback Postponement Date in accordance with the next applicable Disruption Fallback.

Where:

"Fallback Maximum Period of Postponement" means the period commencing on, and including:

- (a) if an FX Market Disruption Event has occurred or exists in respect of the Currency Price throughout the Maximum Days of EM Valuation Postponement, the first FX Business Day following the end of the Maximum Days of EM Valuation Postponement; or
- (b) if the Adjusted Scheduled Reference Date falls after the Last Deferred Day, the Adjusted Scheduled Reference Date,

and ending on, and including, the third FX Business Day (or such other day as specified in the applicable Final Terms) following such date as specified in paragraphs (a) and (b) above, as applicable (such date, the **"Last Fallback Postponement Date"**).

7. **EM Currency Provisions: Cumulative Events**

If the applicable Final Terms provide that the EM Currency Provisions shall apply to a Currency Price and any Valuation Date or Averaging Date, and that Cumulative Events shall be applicable, then the total number of consecutive calendar days during which (a) such Valuation Date or Averaging Date is deferred due to an Unscheduled Holiday, (b) an EM Valuation Postponement shall occur in respect of such Valuation Date or Averaging Date, or (c) an EM Fallback Valuation Postponement shall occur in respect of such Valuation Date or Averaging Date (or any combination of (a), (b) and (c)), shall not exceed the Maximum Days of Cumulative Postponement in the aggregate. Accordingly, (i) if such Valuation Date or Averaging Date is postponed by the number of calendar days equal to the Maximum Days of Cumulative Postponement owing to an EM Valuation Postponement or EM Fallback Valuation Postponement (or both), and an Unscheduled Holiday shall have occurred or be continuing on the day following the relevant Last Postponed Day that otherwise would have been an FX Business Day, then such day shall be deemed to be such Valuation Date or Averaging Date and (ii) if such Valuation Date or Averaging Date is postponed by the number of calendar days equal to the Maximum Days of Cumulative Postponement owing to Unscheduled Holidays, and on the first day after the Last Postponed Day, an applicable FX Market Disruption Event shall have occurred or be continuing, then the Currency Price in respect of such Valuation Date or Averaging Date or other relevant date shall be determined in accordance with the next applicable Disruption Fallback.

Where:

"Last Postponed Day" means, in respect of any postponement by a number of days equal to the Maximum Days of Cumulative Postponement, the last day to which such day is postponed; and

"Maximum Days of Cumulative Postponement" means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

8. **Corrections to Published and Displayed Rates**

- (a) In any case where a Currency Price is based on information obtained from the Reuters Monitor Money Rates Service, or any other financial information service, the Currency Price will be subject to the corrections, if any, to that information subsequently displayed by that source within one hour of the time when such rate is first displayed by such source, unless the Calculation Agent determines in its sole and absolute discretion that it is not practicable to take into account such correction.
- (b) Notwithstanding FX Linked Condition 8(a), in any case where the Currency Price is based on information published or announced by any governmental authority in a relevant country, the Currency Price will be subject to the corrections, if any, to that information subsequently published or announced by that source within five calendar days of the relevant date, unless the Calculation Agent determines in its sole and absolute discretion that it is not practicable to take into account such correction.

9. **Successor Currency**

Where the applicable Final Terms specify that "Successor Currency" is applicable in respect of a Currency Price, then:

- (a) each Subject Currency and Base Currency will be deemed to include any lawful successor currency to the Subject Currency or Base Currency (the "**Successor Currency**");
- (b) if the Calculation Agent determines that on or after the Issue Date (or such other date as specified in the applicable Final Terms) but on or before any relevant date under the Securities on which an amount may be payable, a country has lawfully eliminated, converted, redenominated or exchanged its currency in effect on the Issue Date or any Successor Currency, as the case may be (the "**Original Currency**") for a Successor Currency, then for the purposes of calculating any amounts of the Original Currency or effecting settlement thereof, any Original Currency amounts will be converted to the Successor Currency by multiplying the amount of Original Currency by a ratio of Successor Currency to Original Currency, which ratio will be calculated on the basis of the exchange rate set forth by the relevant country of the Original Currency for converting the Original Currency into the Successor Currency on the date on which the elimination, conversion, redenomination or exchange took place, as determined by the Calculation Agent. If there is more than one such date, the date closest to such relevant date will be selected (or such other date as may be selected by the Calculation Agent in its sole and absolute discretion);
- (c) notwithstanding paragraph (b) above but subject to paragraph (d) below, the Calculation Agent may (to the extent permitted by the applicable law), in good faith and in its sole and absolute discretion, select such other exchange rate or other basis for the conversion of an amount of the Original Currency to the Successor Currency and, will make such adjustment(s) that it determines to be appropriate, if any, to any variable, calculation methodology, valuation, settlement, payment terms or any other terms in respect of the Securities to account for such elimination, conversion, redenomination or exchange of the Subject Currency or Base Currency, as the case may be; and
- (d) notwithstanding the foregoing provisions, with respect to any Subject Currency or Base Currency that is substituted or replaced by the Euro, the consequences of such substitution or replacement will be determined in accordance with applicable law.

10. **Rebasing of Securities**

If the applicable Final Terms specify that "Rebasing" is applicable, then if, on or prior to any Valuation Date or Averaging Date or any other relevant date, the Calculation Agent is unable

to obtain a value for a Subject Currency (because the Subject Currency and/or Base Currency ceases to exist, or for any other reason other than a temporary disruption, as determined by the Calculation Agent), the Calculation Agent may rebase the Securities against another foreign exchange rate determined by the Calculation Agent, in its sole and absolute discretion, to be a comparable foreign exchange rate. If the Calculation Agent determines in its sole and absolute discretion that there is not such a comparable foreign exchange rate, the Issuer may take the action described in FX Linked Condition 11(a)(ii)(A) or 11(a)(ii)(B) below, provided that the words "the Additional Disruption Event" in FX Linked Condition 11(a)(ii)(A) and FX Linked Condition 11(a)(ii)(B) shall be deemed to be replaced with the words "the inability of the Calculation Agent to obtain a value for the Subject Currency".

11. **Consequences of an Additional Disruption Event**

If the applicable Final Terms specify that Additional Disruption Events shall be applicable, then:

- (a) following the determination by the Calculation Agent that an Additional Disruption Event has occurred, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
 - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii)
 - (A) in the case of Notes, give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
 - (B) in the case of W&C Securities, give notice to the Holders in accordance with W&C Securities Condition 12 and cancel the W&C Securities. If the W&C Securities are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Security or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12;
- (b) upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Securities Condition 12, as applicable, stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event; and
- (c) the following terms and expressions shall have the following meanings:

"Additional Disruption Event" means any of a Change in Law, a Hedging Disruption and/or an Increased Cost of Hedging.

"Change in Law" means that, on or after the Trade Date (or such other date as specified in the applicable Final Terms) of the Securities (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent

determines in good faith that (A) it has become illegal to hold, acquire or dispose of any relevant currency or asset, or (B) the Issuer or any affiliate(s) of the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer's obligations under the Securities will incur a materially increased cost in performing its obligations in relation to the Securities (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position).

"Hedging Disruption" means that the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer's obligations in relation to the Securities is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the currency or other price risk of the Issuer issuing and performing its obligations with respect to or in connection with the relevant Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"Increased Cost of Hedging" means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the currency or other price risk of the Issuer issuing and performing its obligations with respect to the relevant Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

 - (ii) where the Commodity Reference Price for a Commodity is not a price announced or published by an Exchange, a day in respect of which the relevant Price Source published (or, but for the occurrence of a Market Disruption Event, would have published) a price;
- (b) with respect to a single Commodity Index or a Basket of Commodity Indices, as specified in the applicable Final Terms.

preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Pricing Date, provided that the Commodity Cut-Off Date shall not fall prior to the original date on which such Pricing Date was scheduled to fall (unless otherwise provided in the applicable Final Terms).

"Commodity Trading Disruption" means the material suspension of, or the material limitation imposed on, trading in the Futures Contract or the Commodity on the Exchange or in any additional futures contract, options contract or commodity on any Exchange. For these purposes:

- (a) a suspension of the trading in the Futures Contract or the Commodity on any Commodity Business Day shall be deemed to be material only if:
 - (i) all trading in the Futures Contract or the Commodity is suspended for the entire Pricing Date; or
 - (ii) all trading in the Futures Contract or the Commodity is suspended subsequent to the opening of trading on the Pricing Date, trading does not recommence prior to the regularly scheduled close of trading in such Futures Contract or such Commodity on such Pricing Date and such suspension is announced less than one hour preceding its commencement; and
- (b) a limitation of trading in the Futures Contract or the Commodity on any Commodity Business Day shall be deemed to be material only if the relevant Exchange establishes limits on the range within which the price of the Futures Contract or the Commodity may fluctuate and the closing or settlement price of the Futures Contract or the Commodity on such day is at the upper or lower limit of that range.

"Delayed Publication or Announcement" means that the Relevant Price for a Pricing Date will be determined based on the Specified Price (or, if there is no Specified Price for a Commodity Reference Price, such Commodity Reference Price) in respect of the original day scheduled as such Pricing Date that is published or announced by the relevant Price Source retrospectively on the first succeeding Commodity Business Day on which the Market Disruption Event ceases to exist, unless that Market Disruption Event continues to exist (measured from and including the original day that would otherwise have been the Pricing Date (or, if applicable, if the Pricing Date as specified in the Final Terms is adjusted on account of such original date not being a Commodity Business Day, measured from and including the day that is the original date that would otherwise have been the Pricing Date, following any adjustment on account of such original date not being a Commodity Business Day)) or the Relevant Price continues to be unavailable for two consecutive Commodity Business Days. In that case, the next Disruption Fallback (as defined below) specified in the applicable Final Terms will apply.

"Delivery Date" means the date specified in the applicable Final Terms.

"Disappearance of Commodity Reference Price" means:

- (a) the permanent discontinuation of trading, in the relevant Futures Contract on the relevant Exchange;

"Postponement" means that the Pricing Date will be deemed, for purposes of the application of this Disruption Fallback, to be the first succeeding Commodity Business Day on which the Market Disruption Event ceases to exist, unless that Market Disruption Event continues to exist for two consecutive Commodity Business Days (measured from and including the original day that would otherwise have been the Pricing Date (or, if applicable, if the Pricing Date as specified in the Final Terms is adjusted on account of such original date not being a Commodity Business Day, measured from and including the day that is the original date that would otherwise have been the Pricing Date, following any adjustment on account of such original date not being a Commodity Business Day)). In that case, the next Disruption Fallback specified in the definition of "Disruption Fallback" below will apply.

"Price Source" means the publication (or such other origin of reference, including an Exchange) containing (or reporting) the Specified Price (or prices from which the Specified Price is calculated) for the Commodity Reference Price (or, if there is no Specified Price for a Commodity Reference Price, such Commodity Reference Price) or otherwise in the applicable Final Terms (provided that in respect of a Commodity Index, if the relevant Commodity Reference Price is not published on such Price Source, the Calculation Agent may, in its sole and absolute discretion, (a) use a successor page or publication or alternative source as it considers appropriate, (b) determine that such non-publication amounts to a Market Disruption Event in respect of such Commodity Index in accordance with Commodity Linked Condition 4, or (c) determine that such non-publication amounts to a Commodity Index Adjustment

"Pricing Date" means, with respect to a Commodity or a Commodity Index, each date specified as such or otherwise as provided in the applicable Final Terms (each such original date, a **"Scheduled Pricing Date"**), provided that if any Scheduled Pricing Date is not a Commodity Business Day for such Commodity or Commodity Index (as the case may be), then the Pricing Date for such Commodity or Commodity Index (as the case may be) will be the earlier of (a) the next following Commodity Business Day for such Commodity or Commodity Index (as the case may be), and (b) the Commodity Cut-Off Date or Commodity Index Cut-Off Date (as the case may be), and subject to adjustment as provided in Commodity Linked Condition 4 (Market Disruption and Disruption Fallback).

"Relevant Price" means for any Pricing Date, the price, expressed as a price per unit of the Commodity or the price of the Commodity Index, determined with respect to that day for the specified Commodity Reference Price calculated as provided in these Commodity Linked Conditions and the applicable Final Terms.

"Specified Price" means, in respect of a Commodity Reference Price, any of the following prices (which must be a price reported in or by, or capable of being determined from information reported in or by, the relevant Price Source) as specified in the applicable Final Terms (and, if applicable, as of the time so specified): (a) the high price; (b) the low price; (c) the average of the high price and the low price; (d) the closing price; (e) the opening price; (f) the bid price; (g) the asked price; (h) the average of the bid price and the asked price; (i) the settlement price; (j) the official settlement price; (k) the official price; (l) the morning fixing; (m) the afternoon fixing; (n) the spot price; or (o) any other price specified in the applicable Final Terms.

"Strike Date" means the date specified as such in the applicable Final Terms.

3. **Terms relating to Calculation of Prices**

(a) **Common Pricing**

If **"Common Pricing"** is specified in the applicable Final Terms to be:

- (i) **"Applicable"**, then, if any Scheduled Pricing Date is not a day on which all referenced Commodity Reference Prices (for which such date would otherwise be a Pricing Date) are scheduled to be published or announced, as determined on the Trade Date of the Securities, then the Pricing Date shall be the next following day on which all referenced Commodity Reference Prices (for which such date would otherwise be a Pricing Date) are scheduled to be published or announced, as determined on the Trade Date of the Securities; or
- (ii) **"Not Applicable"**, then this Commodity Linked Condition 3(a) shall not apply.

If the Calculation Agent determines that a Market Disruption Event has occurred or exists on any Pricing Date in respect of any relevant Commodity (an **"Affected Commodity"**) and/or Commodity Index (an **"Affected Commodity Index"**), the Relevant Price of each Commodity and/or Commodity Index within the basket which is not affected by the occurrence of a Market Disruption Event shall be determined on the Scheduled Pricing Date and the Relevant Price for each Affected Commodity or

Affected Commodity Index shall be determined in accordance with the first applicable Disruption Fallback that provides a Relevant Price.

All determinations made by the Calculation Agent pursuant to this Condition will be conclusive and binding on the Holders, the Issuer and the Guarantor, except in the case of manifest error.

(b) Correction to Published Prices

For purposes of determining or calculating the Relevant Price (or any price or value published or announced on any date which is utilised for any calculation or determination in connection with the Commodity Linked Securities), if the price published or announced on a given day and used or to be used by the Calculation Agent to determine a Relevant Price (or any price or value published or announced on any date which is utilised for any calculation or determination in connection with the Commodity Linked Securities) is subsequently corrected and the correction is published or announced by the person responsible for that publication or announcement within 30 calendar days after the original publication or announcement (or, if earlier the day falling two Business Days preceding the date on which payment of any amount or delivery of any assets may have to be made, in each case calculated by reference to such Relevant Price (or any price or value published or announced on any date which is utilised for any calculation or determination in connection with the Commodity Linked Securities)), the Calculation Agent may, in its sole discretion, use such corrected price in such calculation.

4. **Market Disruption and Disruption Fallback**

If, in the opinion of the Calculation Agent, a Market Disruption Event (as defined below) has occurred and is continuing on any Pricing Date (or, if different, the day on which the price for that Pricing Date would, in the ordinary course, be published by the Price Source), the Relevant Price for that Pricing Date will be determined by the Calculation Agent, in accordance with the first applicable Disruption Fallback (as set out below) that provides a Relevant Price:

(a) Market Disruption Event

"Market Disruption Event" means the occurrence of any of the following events:

- (i) with respect to all Commodities:
 - (A) Price Source Disruption;
 - (B) Commodity Trading Disruption;
 - (C) Disappearance of Commodity Reference Price; and
- (ii) with respect to all Commodities other than gold, silver, platinum or palladium:
 - (A) Material Change in Formula;
 - (B) Material Change in Content; and
 - (C) any additional Market Disruption Events as specified in the applicable Final Terms; and
- (iii) with respect to a Commodity Index:
 - (A) a temporary or permanent failure by the applicable exchange or other price source to announce or publish (I) the Commodity Reference Price (provided that the Calculation Agent may, in its sole and absolute discretion, determine that such failure (aa) shall not be a Market Disruption Event and shall instead be dealt with under paragraph (a) of

the proviso to the definition of Price Source specified in Commodity Linked Condition 2, or (bb) shall instead amount to a Commodity Index Adjustment Event in respect of such Commodity Index, and proceed in accordance with Commodity Linked Condition 5 (Adjustments to a Commodity Index)) or (II) the closing price for any futures contract included in the Commodity Index;

- (B) a material limitation, suspension or disruption of trading in one or more of the futures contracts included in the Commodity Index which results in a failure by the exchange on which each applicable futures contract is traded to report a closing price for such contract on the day on which such event occurs or any succeeding day on which it continues; or
 - (C) the closing price for any futures contract included in the Commodity Index is a "limit price", which means that the closing price for such contract for a day has increased or decreased from the previous day's closing price by the maximum amount permitted under applicable exchange rules.
- (iv) Disruption Fallback

"Disruption Fallback" means a source or method that may give rise to an alternative basis for determining the Relevant Price in respect of a specified Commodity Reference Price when a Market Disruption Event occurs or exists on a day that is a Pricing Date in respect of the relevant Security. A Disruption Fallback is applicable if it is specified in the applicable Final Terms or, if no Disruption Fallback is specified in the applicable Final Terms, shall mean:

- (A) with respect to a relevant Commodity (in the following order):
 - (i) Fallback Reference Price (if applicable);
 - (ii) Delayed Publication or Announcement and Postponement (each to operate concurrently with the other and each subject to a period of two consecutive Commodity Business Days (measured from and including the original day that would otherwise have been the Pricing Date (or, if applicable, measured from and including the day that is the original date that would otherwise have been the Pricing Date, following any adjustment on account of such original date not being a Commodity Business Day)), or, if shorter, the period commencing on, and including, the original day that would otherwise have been the Pricing Date and ending on, and including, the Commodity Cut-Off Date) provided, however, that the price determined by Postponement shall be the Relevant Price only if Delayed Publication or Announcement does not yield a Relevant Price within those two consecutive Commodity Business Days (or, if applicable, the number of Commodity Business Days (if any) falling within the period ending on the Commodity Cut-Off Date); and
 - (iii) Calculation Agent Determination;
- (B) with respect to a Commodity Index, the Calculation Agent shall determine the Relevant Price using (unless otherwise specified in the applicable Final Terms):
 - (i) with respect to each futures contract included in the Commodity Index which is not affected by the Market Disruption Event, the closing prices of each such contract on the applicable determination date;

- (ii) with respect to each futures contract included in the Commodity Index which is affected by the Market Disruption Event, but for which a Market Disruption Event ceased to exist on or prior to the Commodity Index Cut-Off Date, the closing prices of each such contract on the first day following the applicable determination date on which no Market Disruption Event is occurring with respect to such contract; and
- (iii) with respect to each futures contract included in the Commodity Index which is affected by the Market Disruption Event, where a Market Disruption Event continues to exist as of the Commodity Index Cut-Off Date, the Calculation Agent's good faith estimate of the closing price of each such contract on the Commodity Index Cut-Off Date;

Subject as provided below, the Calculation Agent shall determine the Relevant Price by reference to the closing prices determined in (i), (ii) and (iii) above or as specified in the applicable Final Terms above using the then current method for calculating the Commodity Reference Price.

Where (A) the original date that would otherwise have been the Pricing Date is adjusted on account of such original date not being a Commodity Business Day, and the Pricing Date would fall on or after the Commodity Index Cut-Off Date following such adjustment, or (B) a Market Disruption Event with respect to one or more futures contracts included in the Commodity Index has occurred on an applicable determination date and continues to exist as of the relevant Commodity Index Cut-Off Date for such applicable determination date, the Calculation Agent shall determine the Relevant Price on such Commodity Index Cut-Off Date. In calculating the Relevant Price as set out herein, the Calculation Agent shall use the formula for calculating the Commodity Reference Price last in effect prior to the Market Disruption Event (if applicable).

5. Adjustments to a Commodity Index

(a) Consequences of a Successor Index Sponsor or a Successor Index

If a relevant Commodity Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (the "**Successor Index Sponsor**") acceptable to the Issuer, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Commodity Index, then in each case that index (the "**Successor Index**") will be deemed to be the Commodity Index.

(b) Modification and Cessation of Calculation of a Commodity Index

If on or prior to a Pricing Date (i) the relevant Index Sponsor makes a material change in the formula for or the method of calculating a relevant Commodity Index or in any other way materially modifies that Commodity Index (other than a modification prescribed in that formula or method to maintain that Commodity Index in the event of changes in constituent commodities and weightings and other routine events), or (ii) the Index Sponsor permanently cancels a relevant Commodity Index or (iii) the Index Sponsor fails to calculate and announce a relevant Commodity Index and there is no Successor Index Sponsor or Successor Index, then the Issuer may at its option (in the case of (i)) and shall (in the case of (ii) and (iii)) (such events (i), (ii) and (iii) to be collectively referred to as "**Commodity Index Adjustment Events**") (provided that the Calculation Agent may, in its sole and absolute discretion, determine that event (iii) (y) shall not be a Commodity Index Adjustment Event and shall instead be dealt with under paragraph (a) of the proviso to the definition of Price Source specified in Commodity Linked Condition 2, or (z) shall instead amount to a Market Disruption Event in respect of such Commodity Index, and proceed in accordance with Commodity Linked Condition 4 take the action described in (A), (B) or (C) below:

- (A) calculate the Commodity Reference Price using in lieu of the published level for that Commodity Index, the level for that Commodity Index as at the relevant determination date as determined by the Calculation Agent in accordance with the formula for and method of calculating that Commodity Index last in effect prior to the relevant Commodity Index Adjustment Event, but using only those futures contracts that comprised that Commodity Index immediately prior to the relevant Commodity Index Adjustment Event (other than those futures contracts that have ceased to be listed on any relevant exchange);
- (B) if the Calculation Agent determines that it is not reasonably practicable (taking into account the costs involved) to calculate or continue to calculate such Commodity Index pursuant to (A) above, the Calculation Agent may rebase the Securities against another index or basket of indices, as applicable, determined by the Calculation Agent, in its sole and absolute discretion, to be comparable to such Commodity Index, and, following such rebasing, the Calculation Agent may make such adjustment(s) that it determines to be appropriate, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent determines appropriate to account for such rebasing;
- (C)
 - (1) in the case of Notes, on giving notice to the Noteholders in accordance with Note Condition 14, redeem all (but not less than all) of the Notes, each Note being redeemed at the Early Redemption Amount; or
 - (2) in the case of W&C Securities, on giving notice to Holders in accordance with W&C Securities Condition 12, cancel the W&C Securities. If the W&C Securities are so cancelled, the Issuer will pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him, which amount shall be the fair market value of a Commodity W&C Security or a Unit, as the case may be, taking into account the Commodity Index Adjustment Event, less the cost to the Issuer and/or any of its Affiliates of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12.

Upon the occurrence of a Commodity Index Adjustment Event, the Issuer shall give notice as soon as reasonably practicable to the Holders in accordance with Note Condition 14 or Holders in accordance with W&C Securities Condition 12, as applicable, giving details of the action proposed to be taken in relation thereto, provided that any failure to give, or non-receipt of, such notice will not affect the validity of such action. The Issuer shall make available for inspection by Holders copies of any such determinations.

6. Consequences of an Additional Disruption Event in respect of a Commodity Index

- (a) Following the determination by the Calculation Agent that an Additional Disruption Event has occurred in respect of a Commodity Index, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
 - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii)
 - (A) in the case of Notes, give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
 - (B) in the case of W&C Securities, give notice to the Holders in accordance with W&C Securities Condition 12 and cancel the W&C Securities. If the W&C

Securities are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Security or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12.

- (b) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Securities Condition 12, as applicable, stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.
- (c) The following terms and expressions shall have the following meanings:

"Additional Disruption Event" means any of a Change in Law, a Hedging Disruption, and/or an Increased Cost of Hedging (together the **"Additional Disruption Events"**).

- (i) require the Calculation Agent to make such determinations and/or adjustments to the Terms and Conditions and/or the applicable Final Terms as it determines

appropriate to account for the Fund Event, which may include, without limitation,

- (A) delaying any determination date (including any Valuation Date or Averaging Date) and/or any date on which payment might otherwise have to be made under the terms of the applicable Final Terms until it determines that no Fund Event exists;
 - (B) determining that, in the sole and absolute discretion of the Calculation Agent, one or more Fund Events may continue until or after any scheduled determination dates and/or payment dates as set out in the applicable Final Terms, and thereafter determining to fix any determination date (including any Valuation or Averaging Date) and/or date on which payment should be made, and making payment on such date of such amount as is appropriate, as determined in the sole and absolute discretion of the Calculation Agent, taking into account the Fund Event, and which may be based solely on any amounts of cash that a Hypothetical Investor in the Fund actually received from the Fund during the relevant period or periods (and which may be less than any relevant net asset value published for the Fund, and may be as low as zero);
 - (C) calculating the value of a Fund Interest and/or replacing a Fund Interest (the "**Affected Fund Interest**") with a replacement fund interest (the "**Replacement Fund Interest**") with a value as determined by the Calculation Agent equal to the Removal Value for the Affected Fund Interest and in a fund which in the determination of the Calculation Agent has similar characteristics, investment objectives and policies to those applicable to the Fund in respect of the Affected Fund Interest immediately prior to the occurrence of the Fund Event; or

If the Calculation Agent replaces an Affected Fund Interest with a Replacement Fund Interest, such replacement shall take effect on the first reasonably practicable date following the Removal Date for such Affected Fund Interest on which the Calculation Agent determines that a Hypothetical Investor could acquire the Replacement Fund Interest.

Upon the occurrence of a Fund Event, the Issuer shall give notice as soon as reasonably practicable to the Holders in accordance with Note Condition 14 or W&C Securities Condition 12, as applicable, giving details of the action proposed to be taken in relation thereto, provided that any failure to give, or non-receipt of, such notice will not affect the validity of such action.

Following the declaration by a Fund of the terms of any Fund Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Fund Potential Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the relevant Fund Interest and, if so, will make the corresponding adjustment, if any, to any one or more of any of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion, determines appropriate to account for that diluting, concentrative or other effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends or liquidity relative to the relevant Fund Interest) and determine the effective date of that adjustment.

Upon the making of any such adjustment by the Calculation Agent, the Issuer shall give notice as soon as reasonably practicable to the Holders in accordance with Note Condition 14 or W&C Securities Condition 12, as applicable, stating the adjustment to any of the terms of the Terms and Conditions, and/or the applicable Final Terms and giving brief details of the Fund Potential Adjustment Event, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such adjustment.

7. **Definitions (Exchange Traded Funds)**

"Averaging Cut-Off Date" means the eighth Scheduled Trading Day (or, where the Fund Linked Securities relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall be applicable, the eighth Common Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, or on account of such date not being a Scheduled Trading Day (or, where the Fund Linked Securities relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall be applicable, a Common Scheduled Trading Day), would have been the final Averaging Date, or, if earlier, the Scheduled Trading Day (or, where the Fund Linked Securities relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall be

applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day (or, in respect of Swedish Securities, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on the relevant Averaging Dates, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which the final Averaging Date was scheduled to fall.

"Averaging Date" means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day, (or, where the Fund Linked Securities relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall be applicable, the immediately following Common Scheduled Trading Day), or, if earlier, the Averaging Cut-Off Date. If any such day is a Disrupted Day:

- (a) if **"Omission"** is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant price; provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of "Valuation Date" will apply for purposes of determining the relevant price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if **"Postponement"** is specified as applying in the applicable Final Terms, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant price on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if **"Modified Postponement"** is specified as applying in the applicable Final Terms then:
 - (i) where the Fund Linked Securities relate to a single Fund, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Fund, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of "Valuation Date" below;
 - (ii) where the Fund Linked Securities relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall not be applicable, the Averaging Date for each Fund Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the **"Scheduled Averaging Date"**) and the Averaging Date for a Fund Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Fund Share. If the first succeeding Valid Date in relation to such Fund Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Fund Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Fund Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of "Valuation Date" below;

- (iii) where the Fund Linked Securities relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" and "Individual Disrupted Days" shall be applicable, the Averaging Date for each Fund Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for a Fund Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Fund Share. If the first succeeding Valid Date in relation to such Fund Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Fund Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of "Valuation Date" below; or
- (iv) where the Fund Linked Securities relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Averaging Date for each Fund Share shall be the first succeeding Common Valid Date in relation to such Fund Share. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of "Valuation Date" below,

and, for the purposes of these Fund Linked Conditions "**Valid Date**" means a Scheduled Trading Day that is not a Disrupted Day and on which another Averaging Date does not or is deemed not to occur, and "**Common Valid Date**" means a Common Scheduled Trading Day that is not a Disrupted Day for any Fund Share and on which another Averaging Date does not or is deemed not to occur.

"**Barrier Event Determination Day**" means, in respect of each Fund Share:

- (a) if the applicable Final Terms provide that the Barrier Event (intraday) provisions shall apply, unless otherwise specified in the applicable Final Terms, each day on which the price of such Fund Share is quoted on the relevant Exchange during the relevant Observation Period, regardless of whether or not such day is a Scheduled Trading Day for such Fund Share (and, for the avoidance of doubt, if the Calculation Agent in its sole and absolute discretion determines that a Market Disruption Event is occurring at any time on any Barrier Event Determination Day, it shall disregard the period during which it determines in its sole and absolute discretion that such Market Disruption Event has occurred and is continuing for the purposes of determining whether or not a Barrier Event (intraday) has occurred); or
- (b) if the applicable Final Terms provide that the Barrier Event (closing) provisions shall apply each day specified as such in the applicable Final Terms.

"**Barrier Event Valuation Time (closing)**" means, in respect of each Fund Share to be valued, the Scheduled Closing Time on the relevant Exchange on the relevant Barrier Event Determination Day. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Barrier Event Valuation Time (closing) is after the actual closing time for its regular trading session, then the Barrier Event Valuation Time (closing) shall be such actual closing time.

"Barrier Event Valuation Time (intraday)" means any time during the regular trading session (without regard to any after hours or any other trading outside of the regular session) on the Exchange.

"Barrier Level" means, in respect of a Fund Share, such price for such Fund Share as is specified in the applicable Final Terms.

For the purpose of determining whether a Barrier Event (intraday) has occurred on any day, the definition of Market Disruption Event specified in Fund Linked Condition 9 shall be amended such that (i) all references to "during the one-hour period that ends at the relevant Valuation Time" shall be deleted, and (ii) in sub-paragraph (b) each reference to "Valuation Time" and "Scheduled Closing Time" shall be construed as a reference to "Barrier Event Valuation Time (intraday)".

- (b) A **"Barrier Event (closing)"** means (and a Barrier Event (closing) shall be deemed to occur if), in respect of a Fund Share, the Calculation Agent determines that the Fund Share Closing Price of any Fund Share as of the Barrier Event Valuation Time (closing) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Fund Share and such Barrier Event Determination Day.

- (g) any other event that may have a diluting or concentrative effect on the theoretical value of the relevant Fund Shares.

Following a Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Fund Shares and, if so, will (a) make the corresponding adjustment(s), if any, to any one or more of the terms of the Terms and Conditions of the Securities and/or the applicable Final Terms as the Calculation Agent determines appropriate to account for that diluting or concentrative effect and (b) determine the effective date(s) of that adjustment(s). The Calculation Agent may, but need not, determine the appropriate adjustment(s) by reference to the adjustment(s) in respect of such Potential Adjustment Event made by an options exchange to options on the relevant Fund Shares traded on such options exchange.

Upon the making of any such adjustment, the Calculation Agent shall as soon as is reasonably practicable under the circumstances give notice to the Holders in accordance with Note Condition 14 in the case of Notes or W&C Securities Condition 12 in the case of W&C Securities, as applicable, stating the adjustment made and giving brief details of the Potential Adjustment Event, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such adjustment.

The Calculation Agent may (but need not) determine the appropriate adjustment(s) by reference to the adjustment(s) in respect of the De-Listing, Merger Event, Tender Offer, Nationalisation, Insolvency or Material Underlying Event made by any options exchange to options on the relevant Fund Share traded on that options exchange;

If options on the Fund Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Material Underlying Event, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

Upon the occurrence of a Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Material Underlying Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 (in the case of Notes) or W&C Securities Condition 12 (in the case of W&C Securities) stating the occurrence of the Merger Event, Tender Offer, Nationalisation, De-listing, Insolvency or Material Underlying Event, as the case may be, giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Material Underlying Event, as the case may be.

"**Hedging Disruption**" means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Fund Linked Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"**Increased Cost of Hedging**" means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Fund Linked Securities, or (ii) realise, recover or remit the proceeds of any such

transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

- (b) If an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
 - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii) (A) in the case of Notes, give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
 - (B) in the case of W&C Securities, give notice to the Holders in accordance with W&C Securities Condition 12 and cancel the W&C Securities. If the W&C Securities are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Security or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12.
- (c) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Securities Condition 12, as applicable, stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

13. Application of Dividend Conditions

Fund Linked Conditions 14 and/or 15 (as specified in the applicable Final Terms) shall only apply to any Fund Linked W&C Securities linked to Exchange Traded Funds in respect of which the applicable Final Terms specify that the "Dividend Conditions" shall be applicable.

ANNEX 8

ADDITIONAL TERMS AND CONDITIONS FOR INFLATION LINKED SECURITIES

1. **Interpretation**

If specified as applicable in the applicable Final Terms, the terms and conditions applicable to Inflation Linked Notes shall comprise the terms and conditions of the Notes (the "**Note Conditions**") and the Additional Terms and Conditions for Inflation Linked Securities set out below (the "**Inflation Linked Conditions**"), in each case subject to completion and/or amendment in the applicable Final Terms. The terms and conditions applicable to Inflation Linked W&C Securities shall comprise the terms and conditions of the W&C Securities (the "**W&C Securities Conditions**") and the Inflation Linked Conditions, in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Note Conditions, in the case of Notes, or the W&C Securities Conditions, in the case of W&C Securities, and the Inflation Linked Conditions, the Inflation Linked Conditions shall prevail. In the event of any inconsistency between (a) the Note Conditions or the W&C Securities Conditions and/or the Inflation Linked Conditions and (b) the applicable Final Terms, the applicable Final Terms shall prevail. References in the Inflation Linked Conditions to "Security" and "Securities" shall be deemed to be references to "Note" and "Notes" or "W&C Security" and "W&C Securities" as the context admits.

2. **Definitions**

For the purpose of the Inflation Linked Securities:

"Cut-Off Date" means, in respect of a Determination Date, five Business Days prior to such Determination Date, unless otherwise stated in the applicable Final Terms.

"Delayed Index Level Event" means, in respect of any Determination Date and an Inflation Index, that the relevant Inflation Index Sponsor fails to publish or announce the level of such Inflation Index (the "**Relevant Level**") in respect of any Reference Month which is to be utilised in any calculation or determination to be made by the Issuer in respect of such Determination Date, at any time on or prior to the Cut-Off Date.

"Determination Date" means each date specified as such in the applicable Final Terms.

"End Date" means each date specified as such in the applicable Final Terms.

"Fallback Bond" means, in respect of an Inflation Index, a bond selected by the Calculation Agent and issued by the government of the country to whose level of inflation the relevant Inflation Index relates, and which pays a coupon or redemption amount which is calculated by reference to such Inflation Index, with a maturity date which falls on (a) the same day as the End Date as specified in the applicable Final Terms, (b) the next longest maturity after the End Date if there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) is selected by the Calculation Agent. If the relevant Inflation Index relates to the level of inflation across the European Monetary Union, the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union. In each case, the Calculation Agent will select the Fallback Bond from those inflation linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems, the Calculation Agent will select a new Fallback Bond on the same basis, but selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).

"Inflation Index" means each inflation index specified in the applicable Final Terms and related expressions shall be construed accordingly.

"Inflation Index Sponsor" means, in relation to an Inflation Index, the entity that publishes or announces (directly or through an agent) the level of such Inflation Index which, as of the Issue Date, is the Inflation Index Sponsor specified in the applicable Final Terms.

"Reference Month" means the calendar month for which the level of the Inflation Index was reported, regardless of when this information is published or announced. If the period for which the level of the Inflation Index was reported is a period other than a month, the Reference Month shall be the period for which the level of the Inflation Index was reported.

"Related Bond" means, in respect of an Inflation Index, the bond specified as such in the applicable Final Terms. If the Related Bond specified in the applicable Final Terms is "Fallback Bond", then, for any Related Bond determination, the Calculation Agent shall use the Fallback Bond. If no bond is specified in the applicable Final Terms as the Related Bond and "Fallback Bond: Not Applicable" is specified in the applicable Final Terms there will be no Related Bond. If a bond is selected as the Related Bond in the applicable Final Terms and that bond redeems or matures before the End Date, unless "Fallback Bond: Not Applicable" is specified in the applicable Final Terms, the Calculation Agent shall use the Fallback Bond for any Related Bond determination.

3. Inflation Index Adjustments

(a) Delay in Publication

Subject to Inflation Linked Condition 3(b), if the Calculation Agent determines that a Delayed Index Level Event in respect of an Inflation Index has occurred with respect to any Determination Date, then the Relevant Level for such Inflation Index the subject of such Delayed Index Level Event (the **"Substitute Index Level"**) shall be determined by the Calculation Agent as follows:

- (i) if Related Bond is specified as applicable for such Inflation Index in the applicable Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond; or
- (ii) if (A) Related Bond is not specified as applicable for such Inflation Index in the applicable Final Terms, or (B) the Calculation Agent is not able to determine a Substitute Index Level under (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:

$$\text{Substitute Index Level} = \text{Base Level} \times (\text{Latest Level}/\text{Reference Level})$$

where:

"Base Level" means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

"Latest Level" means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

"Reference Level" means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to Holders in accordance with Note Condition 14, or W&C Securities Condition 12, as applicable, of any Substitute Index Level calculated pursuant to this Inflation Linked Condition 3.

(b) Cessation of Publication

If a level for the Inflation Index has not been published or announced for two consecutive months or the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index then the Calculation Agent shall determine a successor index (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Securities by using the following methodology:

- (i) if, at any time, a successor index has been designated by the Calculation Agent pursuant to the terms and conditions of the Related Bond, such successor index shall be designated a "Successor Index" notwithstanding that any other Successor Index may previously have been determined under paragraphs (ii), (iii) or (iv) below; or
- (ii) if a Successor Index has not been determined pursuant to Inflation Linked Condition 3(b)(i) and a notice has been given or an announcement has been made by the Inflation Index Sponsor, specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Securities from the date that such replacement Inflation Index comes into effect; or
- (iii) if a Successor Index has not been determined pursuant to Inflation Linked Condition 3(b)(i) or Inflation Linked Condition 3(b)(ii), the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If three responses are received, and two or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If fewer than three responses are received, the Calculation Agent will proceed to Inflation Linked Condition 3(b)(iv); or
- (iv) if no replacement index or Successor Inflation Index has been deemed under Inflation Linked Conditions 3(b)(i), 3(b)(ii) or 3(b)(iii), by the next occurring Cut-Off Date the Calculation Agent will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a "Successor Inflation Index"; or
- (v) (A) if the Calculation Agent determines that there is no appropriate alternative index, in relation to Notes, the Issuer shall give notice to the Holders in accordance with Note Condition 14 and redeem all (but not less than all) of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
- (B) in relation to W&C Securities, the Issuer shall give notice to the Holders in accordance with W&C Securities Condition 12 and cancel the W&C Securities. If the W&C Securities are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Security or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Security or a Unit, as the case may be, less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12.

(c) Rebasing of the Inflation Index

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make adjustments as are made by the calculation agent pursuant to the terms and conditions of the Related Bond, if Related Bond is specified as applicable in the applicable Final Terms, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, or, if Related Bond is not specified as applicable in the applicable Final Terms the Calculation Agent shall make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased.

(d) Material Modification Prior to Last Occurring Cut-Off

If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make any such adjustments, if Related Bond is specified as applicable in the applicable Final Terms, consistent with adjustments made to the Related Bond, or, if Related Bond is not specified as applicable in the applicable Final Terms, only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index.

ANNEX 9A

Such Accreted Amount shall include any accrued and unpaid periodic cash interest payments (as determined by the Calculation Agent in its sole and absolute discretion) only if "Include Accrued Interest" is specified as applicable in the applicable Final Terms. If an Accreting Obligation is expressed to accrete pursuant to a straight-line method or if such Obligation's yield to maturity is not specified in, nor implied from, the terms of such Obligation, then, for the purposes of (a)(ii) above, the Accreted Amount shall be calculated using a rate equal to the yield to maturity of such Obligation. Such yield shall be determined on a semi-annual bond equivalent basis using the original issue price of such obligation and the amount payable at the scheduled maturity of such obligation, and shall be determined as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the Delivery Date or applicable Valuation Date, as the case may be.  - (vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations of the Reference Entity) will be the sole Successor;

In calculating the percentages used to determine whether the relevant thresholds set out in (a) above have been met, or which entity qualifies under (a)(vi) above, as applicable, the Calculation Agent shall use, with respect to each applicable Relevant Obligation included in such calculation, the amount of the liability with respect to such Relevant Obligation listed in the Best Available Information and shall notify the Issuer and the Holders of such calculation.

4. **Conditions to Settlement – Cash Settlement**

Unless the Securities have been previously redeemed or purchased and cancelled, if the Conditions to Settlement are satisfied (in the case of Nth-to-Default CLNs, in relation to the Nth Reference Entity in respect of which the Conditions to Settlement have been satisfied) and the applicable Settlement Method is "Cash Settlement" (or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Cash Settlement"), the Calculation Agent shall give notice (such notice a "**Settlement Notice**") to the Issuer and the Issuer shall redeem or cancel, as applicable, all of the Securities and pay in respect of each Security the Credit Event Redemption Amount on the Credit Event Redemption Date.

The Credit Event Redemption Amount may be less than the Issue Price or nominal amount of a Security. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.

5. **Conditions to Settlement – Physical Settlement**

Unless the Securities have been previously redeemed or purchased and cancelled, if the Conditions to Settlement are satisfied (in the case of Nth-to-Default CLNs, in relation to the Nth Reference Entity in respect of which the Conditions to Settlement have been satisfied) and the applicable Settlement Method is "Physical Settlement" (or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Physical Settlement"), the Calculation Agent shall give notice (such notice a "**Notice of Physical Settlement**") to the Issuer by the latest of (a) the thirtieth Business Day after the Event Determination Date; (b) the tenth Business Day following the date of the relevant DC Credit Event Announcement; (c) the tenth Business Day after the date ISDA publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine the matters that were the subject of the relevant DC Question; (d) the thirtieth Business Day after the Auction Cancellation Date or No Auction Announcement Date, as applicable, and (e) the thirtieth Business Day following the Auction Settlement Date (if any) and the Issuer shall redeem or cancel, as applicable, all of the Securities, by Delivering (or procuring the Delivery) in respect of each Security the Deliverable Obligations comprising the Entitlement, subject to and in accordance with the Note Conditions and the Credit Linked Note Conditions (and in particular, Credit Linked Note Condition 9).

If "Restructuring Maturity Limitation and Fully Transferable Obligation" is specified as applicable in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation may be included in the Entitlement only if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date.

If "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified as applying in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation may be included in the Entitlement only if it (i) is a Conditionally Transferable Obligation and (ii) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date.

Where the relevant Credit Event is a Restructuring and either "Restructuring Maturity Limitation and Fully Transferable Obligation" or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified (or deemed specified) in the applicable Final Terms and the Scheduled Maturity Notice Date is later than (A) the final maturity date of the Latest Maturity Restructured Bond or Loan, if any, or (B) the 2.5-year Limitation Date, the Notice of Physical Settlement shall also contain details of at least one Enabling Obligation.

If the Conditions to Settlement are satisfied and the Securities are redeemed or are cancelled in accordance with this Credit Linked Note Condition 5, upon Delivery of the Deliverable Obligations comprising the Entitlement and/or payment of the Partial Cash Settlement Amount, as the case may be, the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The value of such Deliverable Obligations and/or the Partial Cash Settlement Amount in respect of the Securities to be redeemed may be less than the Issue Price, nominal amount or notional amount, as applicable, of a Security. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.

6. Conditions to Settlement – Auction Settlement

Unless the Securities have been previously redeemed or purchased and cancelled, if the Conditions to Settlement are satisfied (in the case of Nth-to-Default CLNs, in relation to the Nth Reference Entity in respect of which the Conditions to Settlement have been satisfied) and the applicable Settlement Method is "Auction Settlement", the Calculation Agent shall give notice (such notice a "**Settlement Notice**") to the Issuer and the Issuer shall redeem or cancel as applicable, all of the Securities and pay in respect of each Security the Auction Settlement Amount on the Auction Settlement Date unless a Fallback Settlement Event occurs (for the avoidance of doubt, in relation to the same Credit Event), in which case the Issuer shall redeem or cancel, as the case may be, the Securities in accordance with the applicable Fallback Settlement Method.

If the Conditions to Settlement are satisfied and the Notes are redeemed or are cancelled in accordance with this Credit Linked Note Condition 6, upon payment of the Auction Settlement Amount the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Auction Settlement Amount may be less than the Issue Price or nominal amount of a Security. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.

7. **Suspension of Obligations**

If a Credit Event Resolution Request Date occurs in relation to any Reference Entity, then, unless the Issuer otherwise elects by notice to the Holders, any obligation of the Issuer to redeem or cancel (as the case may be) or otherwise settle any Credit Linked Note or pay any amount of interest or Additional Amount (as the case may be) which would otherwise be due thereon shall, to the extent that it relates to such Reference Entity, be and remain suspended until (a) the occurrence of a DC Credit Event Announcement; (b) the occurrence of a DC No Credit Event Announcement; or (c) the relevant Credit Derivatives Determinations Committee has Resolved with respect to such Reference Entity to dismiss the relevant DC Question (each of the events set out in (a), (b) or (c), a "**DC Announcement**").

Following a DC Announcement, any obligations so suspended shall resume on the second Business Day immediately following the date of such DC Announcement (regardless of when the suspension began). Any amount of interest or any Additional Amount so suspended shall, subject to Note Condition 5(E) become due and payable on the date determined by the Calculation Agent in its sole discretion provided that such date shall not be later than 20 Business Days after the date of such DC Announcement.

No interest shall accrue on any amount of interest, any Final Redemption Amount or any other payment obligation of the Issuer so suspended.

Where the applicable Final Terms specify that "Calculation Agent Determination" is applicable, this Credit Linked Note Condition 7 shall not apply to the relevant Securities unless the Calculation Agent notifies the Issuer that this Credit Linked Note Condition 7 shall apply.

8. **Interest and Additional Amounts**

Following the delivery of an Extension Notice, in the case of interest bearing Credit Linked Notes and provided that the Conditions to Settlement have not been satisfied, the Issuer shall be obliged to pay interest calculated as provided in Note Condition 5 accruing from (and including) the Interest Payment Date immediately preceding the Scheduled Maturity Date (or, if none the Interest Commencement Date) to (but excluding) the Scheduled Maturity Date but shall only be obliged to make such payment of interest on the CLN Maturity Date and no further or other amount in respect of interest shall be payable and no additional amount shall be payable in respect of such delay.

Without prejudice to Credit Linked Note Condition 7, if "Accrual of Interest upon Credit Event" or, as the case may be, "Accrual of Additional Amounts upon Credit Event" is specified as Not Applicable in the applicable Final Terms and the Calculation Agent determines that a Credit Event, a Potential Failure to Pay or a Potential Repudiation/Moratorium has occurred or may occur on or prior to an Interest Payment Date, the Calculation Agent may notify the Issuer and where the Calculation Agent delivers any such notice (a "**Postponement Notice**") to the Issuer on or prior to such Interest Payment Date (in either case, the "**Postponed Payment Date**"), any obligation of the Issuer to pay any interest amount shall be suspended for a period of 15 Business Days following such Postponed Payment Date (or, in respect of any Postponed Payment Date scheduled to fall on the Scheduled Maturity Date, up to the CLN Maturity Date (or such shorter period as the Calculation Agent may notify the Issuer) to enable the Calculation Agent to determine whether a Credit Event has occurred.

Where the Calculation Agent delivers a Postponement Notice to the Issuer, the Issuer shall give notice thereof as soon as practicable to the Holders in accordance with Note Condition 14, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any postponement of an Interest Payment Date.

If the Conditions to Settlement are not satisfied on or prior to such 15th Business Day or CLN Maturity Date, the interest amount shall be payable on such 15th Business Day or CLN Maturity Date (for the avoidance of doubt, no interest shall accrue on any amount of interest so suspended). If the Conditions to Settlement are satisfied on or prior to such 15th Business

Day or CLN Maturity Date, then notwithstanding Note Condition 5(E)(a), each Note shall cease to bear interest from the Interest Payment Date immediately preceding the Postponed Payment Date or, if the Postponed Payment Date falls on the first Interest Payment Date, no interest shall accrue on the Notes (and Note Condition 5(E) shall be deemed to be amended accordingly).

9. **Partial Cash Settlement**

If all or a portion of the Undeliverable Obligations or Hedge Disruption Obligations comprising the Entitlement are not Delivered for whatever reason by the Final Delivery Date, the Calculation Agent shall give notice (a **"Partial Cash Settlement Notice"**) to the Issuer, as applicable, and the Issuer shall pay in respect of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, the Partial Cash Settlement Amount on the Partial Cash Settlement Date. For the avoidance of doubt, the failure by the Issuer to Deliver all or such portion of the Undeliverable Obligations comprising the Entitlement on or prior to the Final Delivery Date shall not constitute an Event of Default.

Unless otherwise specified in the applicable Final Terms, for the purposes of this Credit Linked Condition Note 9 the following terms are deemed to have the following meanings:

"Indicative Quotation" means, in accordance with the Quotation Method, each quotation obtained from a Quotation Dealer at the Valuation Time for (to the extent reasonably practicable) an amount of the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, equal to the Quotation Amount, which reflects such Quotation Dealer's reasonable assessment of the price of such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, based on such factors as such Quotation Dealer may consider relevant, which may include historical prices and recovery rates.

"Market Value" means, with respect to an Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, on a Valuation Date, (a) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the same highest and lowest values (and, if more than one such Full Quotations have the same highest or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (b) if exactly three Full Quotations are obtained, the Full Quotations remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (c) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations; (d) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation; (e) if Indicative Quotations are specified as applying in the applicable Final Terms and exactly three Indicative Quotations are obtained, the Indicative Quotation remaining after disregarding the highest and lowest Indicative Quotations (and, if more than one such Indicative Quotations have the same highest or lowest value, then one of such highest or lowest Indicative Quotations shall be disregarded); (f) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) then, subject to paragraph (b) of the definition of "Quotation" below, an amount as determined by the Calculation Agent on the next Business Day on which two or more Full Quotations or a Weighted Average Quotation or, if applicable, three Indicative Quotations are obtained; and (vii) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) on the same Business Day on or prior to the tenth Business Day following the Valuation Date, the Market Value shall be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.

"Partial Cash Settlement Amount" is deemed to be, for each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, an amount calculated by the Calculation Agent equal to the greater of (a) (i) the Outstanding Principal Balance, the Due and Payable Amount or the Currency Amount, as applicable, of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, multiplied by (ii) either (A) if one or more Auctions are held by the Credit Derivatives Determinations Committee in respect of the Reference Entity, the Auction Final Price or (B) if the Calculation Agent decides (in its sole and absolute discretion), the Final Price with respect to such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, less (iii) Unwind Costs, if any (but excluding any Unwind Costs already taken into account in calculating the relevant Entitlement), and (b) zero.

"Partial Cash Settlement Date" is deemed to be the date falling three Business Days after the calculation of the Final Price or, as applicable, the date falling fifteen Business Days after the later of (a) the Final Delivery Date and (b) the Auction Final Price Determination Date.

"Quotation" means each Full Quotation, the Weighted Average Quotation and, if Indicative Quotations are specified as applying in the applicable Final Terms, each Indicative Quotation obtained and expressed as a percentage with respect to a Valuation Date in the manner that follows:

- (a) The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Quotation Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Quotation Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day and Indicative Quotations are specified as applying in the applicable Final Terms, the Calculation Agent shall attempt to obtain three Indicative Quotations from five or more Quotation Dealers.
- (b) If the Calculation Agent is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are specified as applying in the applicable Final Terms, three Indicative Quotations) on the same Business Day on or prior to the tenth Business Day following the Valuation Date, the Quotations shall be deemed to be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.
- (c) The Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this specification or determination.

"Valuation Time" is the time specified as such in the applicable Final Terms, or, if no time is so specified, 11:00 a.m. in the principal trading market for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be.

"Weighted Average Quotation" means, in accordance with the Quotation Method, the weighted average of firm quotations obtained from Quotation Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of the Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, with an Outstanding Principal Balance of as large a size as available but less than the Quotation Amount that in aggregate are approximately equal to the Quotation Amount.

10. **Redemption following a Merger Event**

If this Credit Linked Note Condition 10 is specified as applicable in the applicable Final Terms, in the event that in the determination of the Calculation Agent a Merger Event has occurred, the Issuer may give notice to the Holders in accordance with Note Condition 14, and redeem or cancel, as applicable, all but not less than all of the Securities on a date selected by the Issuer and not later than 30 calendar days following the effective date of such notice at the Early Redemption Amount.

11. **Credit Event Notice after Restructuring Credit Event**

If this Credit Linked Note Condition 11 is specified as applicable in the applicable Final Terms, then, notwithstanding anything to the contrary in the Terms and Conditions, upon satisfaction of the Conditions to Settlement during the Notice Delivery Period in respect of a Restructuring Credit Event in respect of which "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation" is specified as applicable (or deemed to be applicable) in the applicable Final Terms:

- (a) the Calculation Agent may deliver a Credit Event Notice in respect of an amount (the **"Partial Redemption Amount"**) that is less than the principal amount outstanding of each Note immediately prior to the delivery of such Credit Event Notice. In such circumstances the Credit Linked Note Conditions and related provisions shall be deemed to apply to the Partial Redemption Amount only and each such Note shall be redeemed in part (such redeemed part being equal to the Partial Redemption Amount).
- (b) For the avoidance of doubt (A) the principal amount of each such Note not so redeemed in part shall remain outstanding and interest shall accrue on the principal amount outstanding of such Note as provided in Note Condition 5 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate), (B) the Credit Linked Note Conditions and related provisions shall apply to such principal amount outstanding of such Note in the event that subsequent Credit Event Notices are delivered in respect of the Reference Entity that was the subject of the Restructuring Credit Event and (C) once a Credit Event Notice with respect to a Restructuring Credit Event has been delivered in respect of a Reference Entity, no

further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the Restructuring Credit Event.

- (c) If the provisions of this Credit Linked Note Condition 11(a) apply in respect of the Credit Linked Notes, on redemption of part of each such Credit Linked Note the relevant Credit Linked Note or, if the Credit Linked Notes are represented by a Global Note, such Global Note, shall be endorsed to reflect such part redemption.

12. Multiple Holder Obligation

If this Credit Linked Note Condition 12 is specified as applicable (or deemed to be applicable) in the applicable Final Terms, notwithstanding anything to the contrary in the definition of Restructuring and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in sub-paragraphs (i) - (v) of the definition of "Restructuring" in Credit Linked Note Condition 2 shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation provided that any Obligation that is a Bond shall be deemed to satisfy the requirement in part (b) of the definition of "Multiple Holder Obligation" below.

"Multiple Holder Obligation" means an Obligation that (a) at the time of the event which constitutes a Restructuring Credit Event, is held by more than three holders that are not Affiliates of each other and (b) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event.

13. Successors

- (a) Where a Succession Event has occurred and more than one Successor has been identified, the Credit Linked Notes will be equally divided into such number of notional Credit Linked Notes as there are Successors and each Successor will be the Reference Entity for the purposes of such Credit Linked Note. These Credit Linked Note Conditions shall be deemed to apply to such Credit Linked Notes and shall be construed accordingly.
- (b) Where a Credit Event occurs in respect of a Reference Entity after such a Succession Event, the provisions of these Credit Linked Note Conditions shall be deemed to apply to the nominal amount represented by that Reference Entity only (the **"Partial Principal Amount"**) and all the provisions shall be construed accordingly. Each Security shall thereafter be redeemed in part (such redeemed part being equal to its pro rata share of the Partial Principal Amount).
- (c) The Securities shall remain outstanding in an amount equal to the outstanding principal amount of the Credit Linked Notes minus the Partial Principal Amount (such amount, the **"Remaining Amount"**) and interest shall accrue on the Remaining Amount as provided for in Note Condition 5 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate).
- (d) Any determinations (including (without limitation) as to the division of the Credit Linked Notes) and any adjustment to the applicable Final Terms relating to, connected with or as a result of a Succession Event shall be made by the Calculation Agent in its sole discretion (provided that if such determinations have been made by the relevant Credit Derivatives Determinations Committee, then the Calculation Agent shall, unless (x) otherwise provided for in the applicable Final Terms or (y) "Calculation Agent Determination" is specified as applicable in the applicable Final Terms, be bound by such determinations) and, in the absence of manifest error, shall be conclusive and binding on all Holders. The applicable Final Terms may be amended and restated from time to time to reflect the effect of a Succession Event without the consent of the Holders and the Holders are deemed to agree to this provision by the purchase of the Securities.

- (e) In respect of Linear Basket CLNs and Tranching Portfolio CLNs, where a Succession Event has occurred in respect of a Reference Entity and more than one Successor has been identified, the Reference Entity Notional Amount of the relevant Reference Entity will be equally divided by reference to the number of Successors and each Successor will be a Reference Entity for the purposes of the Notes.

14. **Provisions taken from the ISDA supplement titled "Additional Provisions for Physically Settled Default Swaps – Monoline Insurer as Reference Entity (January 2005)"**

If Credit Linked Note Condition 14 is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) **Obligation and Deliverable Obligation.** Paragraph (a) of the definition of "Obligation" in Credit Linked Note Condition 2 and paragraph (a) of the definition of "Deliverable Obligation" in Credit Linked Note Condition 2 are hereby amended by adding "or Qualifying Policy" after "or as a provider of a Qualifying Affiliate Guarantee".
- (b) **Interpretation of Provisions.** In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in Credit Linked Note Condition 2 will apply, with references to the "Qualifying Guarantee", the "Underlying Obligation" and the "Underlying Obligor" deemed to include the "Qualifying Policy", the "Insured Instrument" and the "Insured Obligor", respectively, except that:
 - (i) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligors" as used in the Credit Linked Note Conditions in respect of such an Insured Instrument shall be construed accordingly;
 - (ii) references in the definitions of "Assignable Loan" and "Consent Required Loan" to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
 - (iii) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
 - (iv) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
 - (v) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.
- (c) **Not Contingent.** An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying

Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this Credit Linked Note Condition 14 is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.

- (d) **Deliver.** For the purposes of the definition of "Deliver" in Credit Linked Note Condition 2, "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.
- (e) **Provisions for Determining a Successor.** The paragraph commencing "For the purposes of this definition of "Successor" . . . " in the definition of "Successor" in Credit Linked Note Condition 2 is hereby amended by adding "or insurer" after "or guarantor".
- (f) **Substitute Reference Obligation.** The first paragraph of the definition of "Substitute Reference Obligation" and paragraph (b) thereof in Credit Linked Note Condition 2 is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For the purposes of sub-paragraph (a)(ii)(B) of the definition of "Substitute Reference Obligation", references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Instrument" respectively.
- (g) **Restructuring**
 - (i) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, paragraphs (i) to (v) inclusive of the definition of "Restructuring" in Credit Linked Note Condition 2 are hereby amended to read as follows:
 - "(i) a reduction in the rate or amount or the Instrument Payments in clause (A)(x) of the definition thereof that are guaranteed or insured by the Qualifying Policy
 - (ii) a reduction in the amount of the Instrument Payments described in clause (A)(y) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (iii) a postponement or other deferral of a date or dates for either (x) the payment or accrual of the Instrument Payments described in clause (A)(x) of the definition thereof or (y) the payment of the Instrument Payments described in clause (A)(y) of the definition thereof, in each case that are guaranteed or insured by the Qualifying Policy;
 - (iv) a change in the ranking in priority of payment of (x) any Obligation under a Qualifying Policy in respect of Instrument Payments, causing the Subordination of such Obligation to any other Obligation or (y) any Instrument Payments, causing the Subordination of such Insured Instrument to any other instrument in the form of a pass-through certificate or similar funded beneficial interest issued by the Insured Obligor, it being understood that, for this purpose, Subordination will be deemed to include any such change that results in a lower ranking under a priority of payments provision applicable to the relevant Instrument Payments; or

- (v) any change in the currency or composition of any payment of Instrument Payments that are guaranteed or insured by the Qualifying Policy to any currency which is not a Permitted Currency."
- (ii) Paragraph (c) of the definition of "Restructuring" in Credit Linked Note Condition 2 is hereby amended by adding "or, in the case of a Qualifying Policy and an Insured Instrument, where (A) the Qualifying Policy continues to guarantee or insure, as applicable, that the same Instrument Payments will be made on the same dates on which the Qualifying Policy guaranteed or insured that such Instrument Payments would be made prior to such event and (B) such event is not a change in the ranking in the priority of payment of the Qualifying Policy" after "Reference Entity".
- (iii) The definition of "Restructuring" in Credit Linked Note Condition 2 is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

"For purposes of the definition of "Restructuring" in Credit Linked Note Condition 2 and if Credit Linked Note Condition 14 is specified as applying in the applicable Final Terms, for the purposes of the Credit Linked Note Conditions the term Obligation shall be deemed to include Insured Instruments for which the Reference Entity is acting as provider of a Qualifying Policy. In the case of a Qualifying Policy and an Insured Instrument, references to the Reference Entity in the definition of "Restructuring" shall be deemed to refer to the Insured Obligor and the reference to the Reference Entity in paragraphs (a) to (c) inclusive in the definition of "Restructuring" shall continue to refer to the Reference Entity."
- (h) **Fully Transferable Obligation and Conditionally Transferable Obligation.** In the event that "Restructuring Maturity Limitation and Fully Transferable Obligation" and/or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation" is specified as applying in the applicable Final Terms and a Fully Transferable Obligation or Conditionally Transferable Obligation is a Qualifying Policy, the Insured Instrument must meet the requirements of the relevant definition. References in the definition of "Conditionally Transferable Obligation" to the "guarantor" and "guaranteeing" shall be deemed to include "the "insurer" and "insuring" respectively. With respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "final maturity date", as such term is used in Credit Linked Note Condition 5 and the definition of "Restructuring Maturity Limitation Date", shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.
- (i) **Other Provisions.** For purposes of paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in Credit Linked Note Condition 2, references to the "Underlying Obligation" and the "Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor" respectively.
- (j) **Additional Definitions.**

"**Qualifying Policy**" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this Credit Linked Note Condition 14) (the "**Insured Instrument**") for which another party (including a special purpose entity or trust) is the obligor (the "**Insured Obligor**"). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments);

"Instrument Payments" means (i) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date and (ii) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (i) and (ii) (A) determined without regard to limited recourse or reduction provisions of the type described in Credit Linked Note Condition 14(c) above and (B) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

"Certificate Balance" means, in the case of an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

15. **Provisions taken from the ISDA supplement titled Additional Provisions for LPN Reference Entities (published on 3rd October, 2006)**

If Credit Linked Note Condition 15 is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the Credit Linked Note Conditions, the following provisions will apply:

- (a) Provisions relating to Multiple Holder Obligation will be deemed to be Not Applicable with respect to any Reference Obligation (and any Underlying Loan);
- (b) each Reference Obligation will be an Obligation, notwithstanding anything to the contrary in the Credit Linked Note Conditions including, but not limited to the definition of "Obligation" in Credit Linked Note Condition 2, and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity;
- (c) each Reference Obligation will be a Deliverable Obligation notwithstanding anything to the contrary in the Credit Linked Note Conditions including, but not limited to the definition of "Deliverable Obligation" in Credit Linked Note Condition 2 and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity.

For the avoidance of doubt with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Finance Instrument, the outstanding principal balance shall be determined by reference to the Underlying Loan or Underlying Finance Instrument (as applicable) relating to such LPN Reference Obligation.

The Not Subordinated Obligation Characteristic and Deliverable Obligation Characteristic shall be construed as if no Reference Obligation was specified in respect of the Reference Entity;

- (d) the definition of "Reference Obligation" shall be deleted and the following substituted therefor:

"Reference Obligation" means, as of the Trade Date, each of the obligations listed as a Reference Obligation of the Reference Entity in the applicable Final Terms and set forth on the relevant LPN Reference Obligations List (each a **"Markit Published LPN Reference Obligation"**), as published by Markit Group Limited, or any successor thereto, which list is as of the Trade Date available at <http://www.markit.com/marketing/services.php>, any Additional LPN and each Additional Obligation; and

- (e) the following additional definitions shall apply:

"Additional LPN" means any bond issued in the form of a loan participation note (a **"LPN"**) by an entity (the **"LPN Issuer"**) for the sole purpose of providing funds for the LPN Issuer to (a) finance a loan to the Reference Entity (the **"Underlying Loan"**) or

(b) provide finance to the Reference Entity by way of a deposit, loan or other Borrowed Money instrument (the "**Underlying Finance Instrument**"), provided that (i) either (x) in the event that there is an Underlying Loan with respect to such LPN the Underlying Loan satisfies the Obligation Characteristics specified in respect of the Reference Entity or (y) in the event that there is an Underlying Finance Instrument with respect to such LPN the Underlying Finance Instrument satisfies the Not Subordinated, Not Domestic Law and Not Domestic Currency Obligation Characteristics; (ii) the LPN satisfies the following Deliverable Obligation Characteristics: Transferable, Not Bearer, Credit Linked Specified Currency – Standard Specified Currencies, Not Domestic Law, Not Domestic Issuance; and (iii) the LPN Issuer has, as of the issue date of such obligation, granted a First Ranking Interest over or in respect of certain of its rights in relation to the relevant Underlying Loan or Underlying Finance Instrument (as applicable) for the benefit of the holders of the LPNs.

"Additional Obligation" means each of the obligations listed as an Additional Obligation of the Reference Entity in the applicable Final Terms or set forth on the relevant LPN Reference Obligations List, as published by Markit Group Limited, or any successor thereto, as of the Trade Date, which list is currently available at <http://www.markit.com/marketing/services.php>.

"First Ranking Interest" means a charge, security interest (or other type of interest having similar effect) (an "**Interest**"), which is expressed as being "first ranking", "first priority", or similar ("**First Ranking**") in the document creating such Interest (notwithstanding that such Interest may not be First Ranking under any insolvency laws of any related insolvency jurisdiction of the LPN Issuer).

"LPN Reference Obligation" means each Reference Obligation other than any Additional Obligation.

For the avoidance of doubt, any change to the issuer of an LPN Reference Obligation in accordance with its terms shall not prevent such LPN Reference Obligation constituting a Reference Obligation.

Each LPN Reference Obligation is issued for the sole purpose of providing funds for the Issuer to finance a loan to the Reference Entity. For the purposes of the Credit Linked Note Conditions each such loan shall be an Underlying Loan.

16. Deliverable Obligations Portfolio Valuation

If Credit Linked Note Condition 16 is specified as applicable in the applicable Final Terms:

- (a) notwithstanding anything to the contrary in the Credit Linked Note Conditions, "Reference Obligation" shall mean:
 - (i) any obligation of a Reference Entity (either directly, as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee) determined pursuant to the method described in "(A) Method for Determining Deliverable Obligations" above (but excluding any Excluded Deliverable Obligation specified in the applicable Final Terms) that (A) is payable in an amount equal to its Outstanding Principal Balance or Due and Payable Amount, as applicable, (B) is not subject to any counterclaim, defence (other than a counterclaim or defence based on the factors set forth in paragraphs (a) to (d) of the definition of "Credit Event" above) or right of set-off by or of a Reference Entity or, as applicable, an Underlying Obligor and (C) in the case of a Qualifying Guarantee other than a Qualifying Affiliate Guarantee, is capable, at the Valuation Date, of immediate assertion or demand by or on behalf of the holder or holders against the Reference Entity for an amount at least equal to the Quotation Amount apart from the giving of any notice of non-payment or similar procedural requirement, it being understood that acceleration of an Underlying Obligation shall not be considered a procedural requirement;

- (ii) each Benchmark Obligation specified in the applicable Final Terms; and
- (iii) any Substitute Benchmark Obligation,

as selected by the Calculation Agent in its sole and absolute discretion and notified to the Issuer (a "**Reference Obligation Notification**") on or prior to the relevant Valuation Date.

In each case the Reference Obligation Notification shall describe the selected Reference Obligation in reasonable detail and shall specify the title or designation, maturity date and coupon rate. The Calculation Agent may at any time after delivering a Reference Obligation Notification but prior to the Valuation Time on the Valuation Date deliver a further Reference Obligation Notification which shall replace all prior Reference Obligation Notifications in relation to any additional or replacement Reference Obligation specified therein.

For the avoidance of doubt the Calculation Agent shall be entitled to select any of the Reference Obligations for the purposes of calculating the Final Price irrespective of their market value and, provided that (in the case of Credit Linked Note Condition 16(a)(i) only) the selected obligation(s) satisfy the Deliverable Obligation Category and Deliverable Obligation Characteristics on the date of selection, such obligation(s) may constitute the Reference Obligation for the purposes hereof notwithstanding that this is not the case subsequent to such date. For the avoidance of doubt, the Deliverable Obligation Category and Deliverable Obligation Characteristics shall not apply in respect of any Benchmark Obligation or Substitute Benchmark Obligation.

- (b) The definition of "Substitute Reference Obligation" in Credit Linked Note Condition 2 shall be amended so that each reference to "Substitute Reference Obligation" and "Reference Obligation" is replaced by reference to a "Substitute Benchmark Obligation" and a "Benchmark Obligation" respectively, provided that once a Benchmark Obligation has been specified as a Reference Obligation the definition of "Substitute Reference Obligation" shall not apply with respect to such Benchmark Obligation.
- (c) Paragraph (b)(1)(a) of the definition of "Obligation" in Credit Linked Note Condition 2 shall be deleted and the following substituted therefor:

"Not Subordinated" means an obligation that is not Subordinated to (i) the most senior Benchmark Obligation in priority of payment or (ii) if no Benchmark Obligation is specified in the applicable Final Terms, any unsubordinated Borrowed Money obligation of the Reference Entity. For purposes of determining whether an obligation satisfies the "Not Subordinated" Obligation Characteristic or Deliverable Obligation Characteristic, the ranking in priority of payment of each Benchmark Obligation shall be determined as of the later of (A) the Trade Date specified in the applicable Final Terms and (B) the date on which such Benchmark Obligation was issued or incurred and shall not reflect any change to such ranking in priority of payment after such later date.

- (d) For purposes of the Credit Linked Note Conditions:
 - (i) each reference in the Credit Linked Note Conditions to "a Deliverable Obligation" and "the Deliverable Obligation" shall be deemed to be a reference to "a Reference Obligation" and "the Reference Obligation" respectively; and
 - (ii) each reference in the Credit Linked Note Conditions to "a Delivery Date" and "the Delivery Date" shall be deemed to be a reference to the date of selection of the relevant Reference Obligation, except that the words "the Delivery Date or" shall be deleted in the definition of "Accreted Amount" in Credit Linked Note Condition 2.
- (e) For the avoidance of doubt, if Credit Linked Note Condition 16 is specified as applicable in the applicable Final Terms Credit Linked Note Condition 5 is not

applicable and the Securities shall, following the satisfaction of the Conditions to Settlement during the Notice Delivery Period, be settled in accordance with Credit Linked Note Condition 4, and these Credit Linked Notes Conditions shall be construed accordingly.

- (f) If the Calculation Agent selects more than one Reference Obligation, such Reference Obligations shall have an Outstanding Principal Balance or Due and Payable Amount (or the equivalent Currency Amount of any such amount) that, in aggregate, shall not exceed the Reference Entity Notional Amount in respect of the relevant Reference Entity.
- (g) With respect to a Reference Entity and the related Final Price Calculation Date, the "Final Price" shall be the weighted average of the Final Prices determined for each Reference Obligation in respect of the relevant Reference Entity, weighted by reference to the Reference Portfolio of each such Reference Obligation.
- (h) For the purposes of Credit Linked Note Condition 16(a)(ii), Benchmark Obligation means each Reference Obligation specified in respect of the relevant Reference Entity, unless otherwise specified in the applicable Final Terms.

17. **Nth-to-Default CLNs**

Where the Securities are Nth-to-Default CLNs:

- (a) where a Succession Event has occurred in respect of a Reference Entity (other than a Reference Entity in respect of which an Event Determination Date has occurred) and more than one Successor has been identified, the applicable Securities will be equally divided into a number of notional Credit Linked Notes as there are Successors. Each such notional Credit Linked Notes shall include a Successor and each and every one of the Reference Entities unaffected by such Succession Event shall apply thereto;
- (b) if "Substitution" is specified as not being applicable in the applicable Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to the Succession Event) would be a Successor to any other Reference Entity (the "**Legacy Reference Entity**") pursuant to a Succession Event, such Surviving Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity; and
- (c) if "Substitution" is specified as being applicable in the Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to the Succession Event) would be a Successor to any other Reference Entity (the "**Legacy Reference Entity**") pursuant to a Succession Event:
 - (i) such Surviving Reference Entity shall be deemed not to be a Successor to the Legacy Reference Entity; and
 - (ii) the Replacement Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity.

18. **Linear Basket CLNs**

Where the Notes are Linear Basket CLNs, then the provisions of these Credit Linked Note Conditions relating to redemption of Credit Linked Notes following satisfaction of Conditions to Settlement, extension of maturity of Credit Linked Notes on delivery of an Extension Notice, cessation or suspension of accrual of interest or accrual and payment of interest following the Scheduled Maturity Date shall apply separately with respect to each Reference Entity and a principal amount of each Credit Linked Note corresponding to its pro rata proportion of the related Reference Entity Notional Amount. The remaining provisions of these Credit Linked Conditions shall be construed accordingly.

Accordingly:

- (a) the Calculation Amount of each Note shall be reduced with effect from the occurrence of an Event Determination Date by a pro rata proportion of the Reference Entity Notional Amount or, as applicable, the Partial Redemption Amount;
- (b) following satisfaction of Conditions to Settlement in respect of any Reference Entity, the Notes shall be partially redeemed and the Noteholders shall receive an amount equal to a Credit Event Redemption Amount (if Credit Linked Note Condition 4 applies) or an Auction Settlement Amount (if Credit Linked Note Condition 6 applies) or shall be entitled to receive an Entitlement, or, as appropriate, Partial Cash Settlement Amount (if Credit Linked Note Condition 5 applies), in each case calculated in respect of the Reference Entity as though references to the Calculation Amount in such definitions were references to such amount divided by the number of Reference Entities as at the relevant Event Determination Date;
- (c) the definition of "**CLN Maturity Date**" shall operate separately in respect of each Reference Entity and a portion of the Calculation Amount of each Note corresponding to a pro rata proportion of the related Reference Entity Notional Amount, or, as applicable, the Partial Redemption Amount; and
- (d) the provisions of Credit Linked Note Condition 8 shall apply separately in respect of each Reference Entity and a portion of the Calculation Amount of each Note corresponding to a pro rata proportion of the related Reference Entity Notional Amount or, as applicable, the related Reference Entity Notional Amount.

19. **Tranched Portfolio CLNs**

Where the Securities are Tranched Portfolio CLNs:

- (a) The interest amount payable per Calculation Amount on each Interest Payment Date in respect of each Note and each Interest Period shall be a pro rata proportion per Calculation Amount of an amount determined on the relevant Interest Determination Date, equal to the sum of:
 - (i) the product of: (A) the Interest Calculation Amount, (B) the Rate of Interest, and (C) the Day Count Fraction (and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention); and
 - (ii) the Deferred Coupon Adjustment Amount, if any.
- (b) If the Calculation Agent determines at any time that the Undetermined Reference Entity Notional Amount on any Interest Payment Date is greater than the Undetermined Reference Entity Notional Amount on the corresponding Interest Determination Date, the Calculation Agent may in its sole discretion make any adjustment: (i) if the determination is made on or prior to such Interest Payment Date and to the extent operationally practicable, to the interest amount payable on such Interest Payment Date, or otherwise (ii) to the interest amount payable on any subsequent Interest Payment Date or, if the relevant interest amount is less than such shortfall, the Outstanding Principal Amount of the Notes, to account for such shortfall.
- (c) In the event that a Credit Event occurs in respect of one of the Reference Entities within the Reference Portfolio, the amount of the Aggregate Principal Amount remaining will be reduced by the Writedown Amount (itself calculated with reference to the Loss Amount), all as set out in the definitions of the Outstanding Principal Amount, Incurred Loss Amount, Loss Amount, Writedown Amount and any other relevant definitions.
- (d) Unless the Notes have been previously redeemed or purchased and cancelled, each Note will be redeemed at its Final Redemption Amount on the Final Redemption Date. Credit Linked Note Conditions 4 and 6 shall not apply.

- (e) If the Outstanding Principal Amount of the Notes is reduced to zero, the Notes will thereupon be deemed to have been redeemed in full and, without prejudice to any obligations incurred due and payable on or prior to such date, the Issuer shall have no further obligations in relation to the Notes.
- (f) Paragraph (b) of the definition of "CLN Maturity Date" shall apply if an Extension Notice is given in respect of any Reference Entity.
- (g) If any day is a Final Price Calculation Date with respect to more than one Reference Entity, the Loss Amount, the Recovery Amount, the Incurred Loss Amount and the Incurred Recovery Amount (if applicable) with respect to each Reference Entity shall be calculated in the order of delivery of the relevant Credit Event Notices or (if applicable) the order of the relevant Credit Event Resolution Request Dates or, if any of the relevant Credit Event Notices are delivered at the same time or the Credit Event Resolution Request Dates occur at the same time, in a sequential order determined by the Calculation Agent.
- (h) In relation to Tranching Portfolio CLNs where the Reference Portfolio is determined by reference to a Relevant Annex, then notwithstanding Credit Linked Note Condition 13, the Reference Portfolio from time to time (together with, in respect of each relevant Reference Entity, the elected Reference Entity weighting) shall be as determined and published from time to time by the relevant Index Sponsor, as specified in the Final Terms.

20. **Physical Settlement Matrix**

Where a Transaction Type is specified in the applicable Final Terms in respect of any Reference Entity, then the provisions of such Final Terms shall apply with respect to such Reference Entity in accordance with the Physical Settlement Matrix as it applies to such Transaction Type, as though such Physical Settlement Matrix were set out in full in such Final Terms.

21. **Notices to Holders**

Any determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent pursuant to the Credit Linked Note Conditions and related provisions shall (in the absence of manifest error) be final and binding on the Issuer, the Guarantor and the Holders and shall be without liability on the part of the Calculation Agent and without the Calculation Agent being obliged to consider the interests of the Issuer, the Guarantor or the Holders. In performing its duties pursuant to the Credit Linked Note Conditions, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Credit Linked Note Conditions including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent, the Issuer and the Guarantor shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

For the avoidance of doubt, if the applicable Final Terms specify that "Calculation Agent Determination" is applicable, then notwithstanding any provision in these Credit Linked Note Conditions, the Issuer and the Calculation Agent shall not be bound to (although they may in their sole discretion) apply any DC Resolution to the Securities and unless the Calculation Agent notifies the Issuer that any DC Resolution shall apply to the Securities, the Credit Linked Note Conditions and the relevant Securities shall be construed as if the relevant DC Resolution and the relevant DC Question was not made. If the Calculation Agent notifies the Issuer that any DC Resolution shall apply to the Securities, the Calculation Agent shall have the power to amend or otherwise adjust any provision of these Credit Linked Notes (including, without limitation any provision relating to the timing of notices hereunder) to account for the application of such DC Resolution.

23. **Change in Market Convention**

The Calculation Agent may (but shall not be obliged to), without obtaining the consent of or consulting with the Holders or any other person, from time to time and at any time in its sole and absolute discretion and in good faith, amend any provision of these Credit Linked Note Conditions or the Securities:

- (a) (including but not limited to the applicable Transaction Type, Credit Events, Deliverable Obligation Category, and Deliverable Obligation Characteristics and deliverability, Reference Obligation, Successor and other provisions) to correspond with the most recently published ISDA Credit Derivatives Definitions, ISDA Credit Derivatives Physical Settlement Matrix version and prevailing trading standards applicable to a Reference Entity;
- (b) to incorporate and/or reflect further or alternative documents from time to time published by ISDA with respect to credit derivative transactions and/or the operation or application of determinations by the ISDA Credit Derivatives Determinations Committees which the Calculation Agent determines in a commercially reasonable manner are necessary to reflect market practice for credit derivative transactions; and/or
- (c) in circumstances where a Reference Entity has proposed an exchange of all or substantially all of the obligations of such Reference Entity into cash, securities and/or other assets, to reflect or account for such exchange, regardless of the credit derivatives definitions or trading standards applicable to such Reference Entity.

The applicable Final Terms may be amended and/or restated from time to time to reflect any such amendments without the consent of the Holders, and the Holders are deemed to agree to this provision by the purchase or acquisition of the Securities.

24. **Additional Provisions**

If one or more amendments or adjustments to these Credit Linked Note Conditions are required for one or more Series of credit linked Securities, including any issue of Nth-to-Default CLNs or leveraged credit linked securities, the applicable Final Terms shall set out such amendments or adjustments to these Credit Linked Note Conditions that are necessary in order to take account of the nature of such securities and these Credit Linked Note Conditions shall be construed accordingly.

- (a) Following the determination by the Calculation Agent that an Additional Disruption Event has occurred, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
 - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
 - (ii) give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount (as specified in Part A).
- (b) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

"Hedging Disruption" means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity, price, credit or other risk of the Issuer issuing and performing its obligations with respect to the Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"Increased Cost of Hedging" means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s)

it deems necessary to hedge the equity, price, credit or other risk of the Issuer issuing and performing its obligations with respect to the Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

In the event of any inconsistency between (i) the W&C Securities Conditions and/or the Credit Linked W&C Conditions and (ii) the applicable Final Terms, the applicable Final Terms shall prevail. If an Accreting Obligation is expressed to accrete pursuant to a straight-line method or if such Obligation's yield to maturity is not specified in, nor implied from, the terms of such Obligation, then, for the purposes of (a)(ii) above, the Accreted Amount shall be calculated using a rate equal to the yield to maturity of such Obligation. Such yield shall be determined on a semi-annual bond equivalent basis using the original issue price of such obligation and the amount payable at the scheduled maturity of such obligation, and shall be determined as of the earlier of (A) the date on which any event occurs that has the effect of fixing the amount of a claim in respect of principal and (B) the Delivery Date or applicable Valuation Date, as the case may be. The Accreted Amount shall exclude, in the case of an Exchangeable Obligation, any amount that may be payable under the terms of such obligation in respect of the value of the Equity Securities for which such obligation is exchangeable.

Any requirement that notification of novation, assignment or transfer of a Deliverable Obligation be provided to a trustee, fiscal agent, administrative agent, clearing agent or paying agent for a Deliverable Obligation shall not be considered to be a requirement for consent for purposes of this definition of "Conditionally Transferable Obligation". In addition in the case of Long Credit Linked Certificates:

4. Conditions to Settlement – Cash Settlement

Unless the Securities have been previously redeemed or purchased and cancelled, if the Conditions to Settlement are satisfied (in the case of Nth-to-Default Securities, in relation to

the Nth Reference Entity in respect of which the Conditions to Settlement have been satisfied) and the applicable Settlement Method is "Cash Settlement" (or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Cash Settlement"), the Calculation Agent shall give notice (such notice a "**Settlement Notice**") to the Issuer and the Issuer shall redeem or cancel, as applicable, all but not less than all of the Securities and pay in respect of each Security the Credit Event Redemption Amount on the Credit Event Redemption Date.

If the Conditions to Settlement are satisfied and the Certificates or Warrants are redeemed or are cancelled in accordance with this Credit Linked W&C Condition 4, upon payment of the Credit Event Redemption Amount the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the Notional Amount of a Security. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.

5. Conditions to Settlement – Physical Settlement

Unless the Securities have been previously redeemed or purchased and cancelled, if the Conditions to Settlement are satisfied (in the case of Nth-to-Default Securities, in relation to the Nth Reference Entity in respect of which the Conditions to Settlement have been satisfied) and the applicable Settlement Method is "Physical Settlement" (or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Physical Settlement"), the Calculation Agent shall give notice (such notice a "**Notice of Physical Settlement**") to the Issuer by the latest of (a) the thirtieth Business Day after the Event Determination Date; (b) the tenth Business Day following the date of the relevant DC Credit Event Announcement; (c) the tenth Business Day after the date ISDA publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to determine the matters that were the subject of the relevant DC Question; (d) the thirtieth Business Day after the Auction Cancellation Date or No Auction Announcement Date, as applicable, and (e) the thirtieth Business Day following the Auction Settlement Date (if any), and the Issuer shall redeem or cancel, as applicable, all but not less than all of the Securities, by Delivering (or procuring the Delivery) in respect of each Security the Deliverable Obligations comprising the Entitlement, subject to and in accordance with the W&C Security Conditions and the Credit Linked W&C Conditions (and in particular, Credit Linked W&C Condition 9).

In the Notice of Physical Settlement, the Calculation Agent shall (a) specify the Deliverable Obligations comprising the Entitlement that the Issuer shall endeavour to Deliver and (b) where the Credit Event is a Restructuring and either "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" or "Modified Restructuring Limitation and Conditionally Transferable Obligation Applicable" is specified (or deemed to be specified) in the applicable Final Terms and the Scheduled Exercise Date is later than (i) the final maturity date of the Latest Maturity Restructured Bond or Loan, if any, or (ii) the 2.5-year Limitation Date, details of at least one Enabling Obligation. For the avoidance of doubt, the Calculation Agent shall be entitled to select any of the Deliverable Obligations to constitute the Entitlement, irrespective of their market value. The Calculation Agent may at any time prior to any Delivery Date by delivery of a notice to the Issuer (the "**NOPS Amendment Notice**") amend the Notice of Physical Settlement and the Issuer shall endeavour to, pursuant to such NOPS Amendment Notice, Deliver to the Holders Replacement Deliverable Obligations that are different from the Deliverable Obligations originally specified.

If "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" is specified in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation may be included in the Entitlement only if it (i) is a Fully Transferable Obligation and (ii) has a final maturity date not later than the Restructuring Maturity Limitation Date.

If "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified as applying in the applicable Final Terms and Restructuring is the only Credit Event specified in a Credit Event Notice, then a Deliverable Obligation may be included in the Entitlement only if it (i) is a Conditionally Transferable Obligation and (ii) has

a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date.

Where the relevant Credit Event is a Restructuring and either "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified (or deemed specified) in the applicable Final Terms and the Scheduled Exercise Date (as applicable) is later than (A) the final maturity date of the Latest Maturity Restructured Bond or Loan, if any, or (B) the 2.5-year Limitation Date, the Notice of Physical Settlement shall also contain details of at least one Enabling Obligation.

Unless otherwise specified in the applicable Final Terms, the Guaranteed Cash Settlement Amount in respect of each Credit Linked Warrant or Credit Linked Certificate shall be an amount calculated in accordance with the definition of "Partial Cash Settlement Amount", provided that the Guarantor shall designate in its sole and absolute discretion which portion of the Entitlement shall be an Undeliverable Obligation, and provided that the Valuation Date, shall be the date notified as such by the Guarantor to the Issuer and the Calculation Agent.

If the Conditions to Settlement are satisfied and the Securities are redeemed or are cancelled in accordance with this Credit Linked W&C Condition 5, upon Delivery of the Deliverable Obligations comprising the Entitlement and/or payment of the Partial Cash Settlement Amount, as the case may be, the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The value of such Deliverable Obligations and/or the Partial Cash Settlement Amount in respect of the Securities to be redeemed may be less than the Notional Amount of a Security. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.

6. Conditions to Settlement – Auction Settlement

Unless the Securities have been previously redeemed or purchased and cancelled, if the Conditions to Settlement are satisfied (in the case of Nth-to-Default Securities, in relation to the Nth Reference Entity in respect of which the Conditions to Settlement have been satisfied) and the applicable Settlement Method is "Auction Settlement", the Calculation Agent shall give notice (such notice a "**Settlement Notice**") to the Issuer and the Issuer shall redeem or cancel as applicable, all but not less than all of the Securities and pay in respect of each Security the Auction Settlement Amount on the Auction Settlement Date unless a Fallback Settlement Event occurs (for the avoidance of doubt, in relation to the same Credit Event), in which case the Issuer shall redeem or cancel, as the case may be, the Securities in accordance with the applicable Fallback Settlement Method.

If the Conditions to Settlement are satisfied and the Warrants or Certificates are redeemed or are cancelled in accordance with this Credit Linked W&C Condition 6, upon payment of the Auction Settlement Amount the Issuer shall have discharged its obligations in respect of the Securities and shall have no other liability or obligation whatsoever in respect thereof. The Auction Settlement Amount may be less than the Notional Amount, as applicable, of a Security. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.

7. Suspension of Obligations

If a Credit Event Resolution Request Date occurs in relation to any Reference Entity, then, unless the Issuer otherwise elects by notice to the Holders, any obligation of the Issuer to redeem or cancel (as the case may be) or otherwise settle any Credit Linked Warrant or Credit Linked Certificate or pay any Additional Amount which would otherwise be due thereon shall, to the extent that it relates to such Reference Entity, be and remain suspended until (a) the occurrence of a DC Credit Event Announcement; (b) the occurrence of a DC No Credit Event Announcement; or (c) the relevant Credit Derivatives Determinations Committee has Resolved with respect to such Reference Entity to dismiss the relevant DC Question (each of the events set out in (a), (b) or (c), a "**DC Announcement**").

Following a DC Announcement, any obligations so suspended shall resume on the second Business Day immediately following the date of such DC Announcement (regardless of when the suspension began). Notwithstanding the foregoing, any amount of interest or any Additional Amount so suspended shall, subject to W&C Securities Condition 31(B), as applicable, become due and payable on the date determined by the Calculation Agent in its sole discretion provided that such date shall not be later than 20 Business Days after the date of such DC Announcement.

No interest shall accrue on any amount of interest, any Additional Amount, any Cash Settlement Amount or any other payment obligation of the Issuer so suspended.

Where the applicable Final Terms specify that "Calculation Agent Determination" is applicable, Credit Linked W&C Condition 5 shall not apply to the relevant Securities unless the Calculation Agent notifies the Issuer that this Credit Linked W&C Condition 7 shall apply.

8. **Additional Amounts**

Following the delivery of an Extension Notice, in the case of additional amounts bearing Credit Linked Certificates or Credit Linked Warranties and provided that the Conditions to Settlement have not been satisfied, the Issuer shall be obliged to pay Additional Amounts calculated as provided in W&C Securities Condition 32 accruing from (and including) the Additional Amount Payment Date immediately preceding the Actual Exercise Date (or, if none, the Issue Date) to (but excluding) the Actual Exercise Date but shall only be obliged to make such payment of Additional Amounts on the Long Exercise Date or the Short Exercise Date (as applicable) and no interest or other amount shall be payable in respect of such delay.

For the avoidance of doubt, if the Conditions to Settlement are satisfied during the Notice Delivery Period, the Issuer's obligation to pay any Additional Amount shall be determined in accordance with W&C Securities Condition 31(B), as applicable.

Without prejudice to Credit Linked W&C Condition 7, if "Accrual of Additional Amounts upon Credit Event" is specified as Not Applicable in the applicable Final Terms and the Calculation Agent determines that a Credit Event, a Potential Failure to Pay or a Potential Repudiation/Moratorium has occurred or may occur on or prior to an Additional Amount Payment Date, the Calculation Agent may notify the Issuer and where the Calculation Agent delivers any such notice (a "**Postponement Notice**") to the Issuer on or prior to such Additional Amount Payment Date (the "**Postponed Payment Date**"), any obligation of the Issuer to pay any Additional Amount shall be suspended for a period of 15 Business Days following such Postponed Payment Date (or, in respect of any Postponed Payment Date scheduled to fall on the Actual Exercise Date, up to the Long Exercise Date or the Short Exercise Date (as applicable) (or such shorter period as the Calculation Agent may notify the Issuer) to enable the Calculation Agent to determine whether a Credit Event has occurred.

Where the Calculation Agent delivers a Postponement Notice to the Issuer, the Issuer shall give notice thereof as soon as practicable to the Holders in accordance with W&C Securities Condition 12, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any postponement of an Additional Amount Payment Date or otherwise.

If the Conditions to Settlement are not satisfied on or prior to such 15th Business Day, Long Exercise Date or Short Exercise Date (as applicable), the Additional Amount shall be payable on such 15th Business Day, Long Exercise Date, or Short Exercise Date (as applicable) (for the avoidance of doubt, no interest shall accrue on any amount of interest or any additional amount so suspended). If the Conditions to Settlement are satisfied on or prior to such 15th Business Day, Long Exercise Date or Short Exercise Date (as applicable), then notwithstanding W&C Securities Condition 32(B)(a), each Security shall cease to accrue additional amount from the Additional Amount Payment Date immediately preceding such Postponed Payment Date or, if the Postponed Payment Date falls on the first Additional Amount Payment Date, no additional amount shall accrue on the Securities (and W&C Securities Condition 32(B) shall be deemed to be amended accordingly).

9. **Partial Cash Settlement**

If all or a portion of the Undeliverable Obligations or Hedge Disruption Obligations comprising the Entitlement are not Delivered for whatever reason by the Final Delivery Date, the Calculation Agent shall give notice (a "**Partial Cash Settlement Notice**") to the Issuer, as applicable, and the Issuer shall pay in respect of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, the Partial Cash Settlement Amount on the Partial Cash Settlement Date. For the avoidance of doubt, the failure by the Issuer to Deliver all or such portion of the Undeliverable Obligations comprising the Entitlement on or prior to the Final Delivery Date shall not constitute an Event of Default.

Unless otherwise specified in the applicable Final Terms, for the purposes of this Credit Linked W&C Condition 9 the following terms are deemed to have the following meanings:

"Indicative Quotation" means, in accordance with the Quotation Method, each quotation obtained from a Quotation Dealer at the Valuation Time for (to the extent reasonably practicable) an amount of the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, equal to the Quotation Amount, which reflects such Quotation Dealer's reasonable assessment of the price of such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, based on such factors as such Quotation Dealer may consider relevant, which may include historical prices and recovery rates.

"Market Value" means, with respect to an Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, on a Valuation Date, (i) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the same highest and lowest values (and, if more than one such Full Quotations have the same highest or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (ii) if exactly three Full Quotations are obtained, the Full Quotations remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (iii) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations; (iv) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation; (v) if Indicative Quotations are specified as applying in the applicable Final Terms and exactly three Indicative Quotations are obtained, the Indicative Quotation remaining after disregarding the highest and lowest Indicative Quotations (and, if more than one such Indicative Quotations have the same highest or lowest value, then one of such highest or lowest Indicative Quotations shall be disregarded); (vi) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) then, subject to paragraph (ii) of the definition of "Quotation" below, an amount as determined by the Calculation Agent on the next Business Day on which two or more Full Quotations or a Weighted Average Quotation or, if applicable, three Indicative Quotations are obtained; and (vii) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) on the same Business Day on or prior to the tenth Business Day following the Valuation Date, the Market Value shall be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.

"Partial Cash Settlement Amount" is deemed to be, for each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, an amount calculated by the Calculation Agent equal to the greater of (i) (A) the Outstanding Principal Balance, the Due and Payable Amount or the Currency Amount, as applicable, of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, multiplied by (B) either (I) if one or more Auctions are held by the Credit Derivatives Determinations Committee in respect of the Reference

Entity, the Auction Final Price or (II) if the Calculation Agent decides (in its sole and absolute discretion), the Final Price with respect to such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, less (C) Unwind Costs, if any (but excluding any Unwind Costs already taken into account in calculating the relevant Entitlement), and (ii) zero.

"Partial Cash Settlement Date" is deemed to be the date falling three Business Days after the calculation of the Final Price or, as applicable, the date falling 15 Business Days after the later of (i) the Final Delivery Date and (ii) the Auction Final Price Determination Date.

"Quotation" means each Full Quotation, the Weighted Average Quotation and, if Indicative Quotations are specified as applying in the applicable Final Terms, each Indicative Quotation obtained and expressed as a percentage with respect to a Valuation Date in the manner that follows:

- (a) The Calculation Agent shall attempt to obtain Full Quotations with respect to each Valuation Date from five or more Quotation Dealers. If the Calculation Agent is unable to obtain two or more such Full Quotations on the same Business Day within three Business Days of a Valuation Date, then on the next following Business Day (and, if necessary, on each Business Day thereafter until the tenth Business Day following the relevant Valuation Date) the Calculation Agent shall attempt to obtain Full Quotations from five or more Quotation Dealers, and, if two or more Full Quotations are not available, a Weighted Average Quotation. If two or more such Full Quotations or a Weighted Average Quotation are not available on any such Business Day and Indicative Quotations are specified as applying in the applicable Final Terms, the Calculation Agent shall attempt to obtain three Indicative Quotations from five or more Quotation Dealers.
- (b) If the Calculation Agent is unable to obtain two or more Full Quotations or a Weighted Average Quotation (or, if Indicative Quotations are specified as applying in the applicable Final Terms, three Indicative Quotations) on the same Business Day on or prior to the tenth Business Day following the Valuation Date, the Quotations shall be deemed to be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.
- (c) The Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, whether such Quotations shall include or exclude accrued but unpaid interest. All Quotations shall be obtained in accordance with this specification or determination.
- (d) If any Quotation obtained with respect to an Accreting Obligation is expressed as a percentage of the amount payable in respect of such obligation at maturity, such Quotation will instead be expressed as a percentage of the Outstanding Principal Balance for the purposes of determining the Final Price.

"Quotation Amount" is deemed to be, with respect to each type or issue of Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, an amount equal to the Outstanding Principal Balance or Due and Payable Amount (or, in either case, its equivalent in the relevant Obligation Currency converted by the Calculation Agent in a commercially reasonable manner by reference to exchange rates in effect at the time that the relevant Quotation is being obtained), as applicable, of such Undeliverable Obligation or Hedge Disruption Obligations, as the case may be. The Calculation Agent may in its sole discretion round up or down the Quotation Amount for the purposes of seeking a Quotation.

"Quotation Method" is deemed to be Bid.

"Reference Obligation" is deemed to be each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be.

"Valuation Method" is deemed to be Highest unless fewer than two Full Quotations are obtained or a Weighted Average Quotation applies (or, if applicable, Indicative Quotations), in which case **"Valuation Method"** is deemed to be Market Value.

"Valuation Time" is the time specified as such in the applicable Final Terms, or, if no time is so specified, 11:00 a.m. in the principal trading market for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be.

"Weighted Average Quotation" means, in accordance with the Quotation Method, the weighted average of firm quotations obtained from Quotation Dealers at the Valuation Time, to the extent reasonably practicable, each for an amount of the Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, with an Outstanding Principal Balance of as large a size as available but less than the Quotation Amount that in aggregate are approximately equal to the Quotation Amount.

10. **Redemption following a Merger Event**

Unless this Credit Linked W&C Condition 10 is specified as not applicable in the applicable Final Terms, in the event that in the determination of the Calculation Agent a Merger Event has occurred, the Issuer may give notice to the Holders in accordance with W&C Securities Condition 12, as applicable, and redeem or cancel, as applicable, all but not less than all of the Securities at the Merger Event Redemption Amount on the Merger Event Redemption Date.

11. **Credit Event Notice after Restructuring Credit Event**

If this Credit Linked W&C Condition 11 is specified as applicable in the applicable Final Terms, then, notwithstanding anything to the contrary in the Terms and Conditions, in respect of a Restructuring Credit Event in respect of which "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified (or deemed to be specified) in the applicable Final Terms:

(a) in the case of Credit Linked Certificates:

- (i) either (A) the Calculation Agent may deliver a Credit Event Notice to the Issuer or (B) (in the case of a Short Credit Linked Certificate only) a Holder may deliver a Credit Event Notice to the Issuer, in each case on or prior to the applicable Exercise Cut-Off Date (and subject to the terms of the definition of "Exercise Cut-Off Date) in respect of an amount (the **"Partial Cancellation Amount"**) that is less than the Notional Amount of each Certificate immediately prior to the delivery of such Credit Event Notice. In such circumstances the Credit Linked W&C Conditions and related provisions shall be deemed to apply to the Partial Cancellation Amount only and each such Certificate shall be cancelled in part (such cancelled part being equal to the Partial Cancellation Amount).
- (ii) For the avoidance of doubt (A) the Notional Amount, part or other amount of each such Certificate not so redeemed in part shall remain outstanding and additional amounts (if applicable) shall accrue on the Notional Amount outstanding of such Certificate as provided in W&C Securities Condition 31 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate), (B) the provisions of the Credit Linked W&C Conditions and related provisions shall apply to such amount or part outstanding of such Certificate in the event that subsequent Credit Event Notices are delivered in respect of the Reference Entity that was the subject of the Restructuring Credit Event and (C) where such Security is an Nth-to-Default Security, once a Credit Event Notice with respect to a Restructuring Credit

- Event has been delivered in respect of a Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the Restructuring Credit Event.
- (iii) If the provisions of this Credit Linked W&C Condition 11(a) apply in respect of the Credit Linked Certificates, on cancellation of part of each such Credit Linked Certificate the relevant Credit Linked Certificate or, if the Credit Linked Certificates are represented by a Global Certificate, such Global Certificate shall be endorsed to reflect such part redemption.
- (b) in the case of Credit Linked Warrants:
- (i) either (A) the Calculation Agent may deliver a Credit Event Notice to the Issuer or (B) (in the case of a Short Credit Linked Warrant only) a Holder may deliver a Credit Event Notice to the Issuer, in each case on or prior to the applicable Exercise Cut-Off Date (and subject to the terms of the definition of "Exercise Cut-Off Date") in respect of an amount (the "**Partial Cancellation Amount**") that is less than the Notional Amount of each Credit Linked Warrant immediately prior to the delivery of such Credit Event Notice (provided that if the Credit Event Notice does not specify an amount, then the full Notional Amount will be deemed to have been specified). In such circumstances the Credit Linked W&C Conditions and related provisions shall be deemed to apply to the Partial Cancellation Amount only and each such Credit Linked Warrant shall be cancelled in part (such cancelled part being equal to the Partial Cancellation Amount).
 - (ii) For the avoidance of doubt (A) the Notional Amount, part or other amount of each such Credit Linked Warrant not so redeemed in part shall remain outstanding and additional amounts (if applicable) shall accrue on the Notional Amount outstanding of such Credit Linked Warrant as provided in W&C Securities Condition 25 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate), (B) the provisions of the Credit Linked W&C Conditions and related provisions shall apply to such amount or part outstanding of such Credit Linked Warrant in the event that subsequent Credit Event Notices are delivered in respect of the Reference Entity that was the subject of the Restructuring Credit Event and (C) where such Security is an Nth-to-Default Security, once a Credit Event Notice with respect to a Restructuring Credit Event has been delivered in respect of a Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the Restructuring Credit Event.
 - (iii) If the provisions of this Credit Linked W&C Condition 11(b) apply in respect of the Credit Linked Warrants, on cancellation of part of each such Credit Linked Warrants the relevant Credit Linked Warrant or, if the Credit Linked Warrants are represented by a Global Warrant, such Global Warrant shall be endorsed to reflect such part redemption.

12. Multiple Holder Obligation

If Multiple Holder Obligation is specified (or deemed to be specified) as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the definition of Restructuring and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in sub- paragraphs (i) to (v) of the definition of "Restructuring" in Credit Linked W&C Condition 2 shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation provided that any Obligation that is a Bond shall be deemed to satisfy the requirement in part (ii) of the definition of "Multiple Holder Obligation" below.

"Multiple Holder Obligation" means an Obligation that (i) at the time of the event which constitutes a Restructuring Credit Event, is held by more than three holders that are not

Affiliates of each other and (ii) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event.

13. **Successors**

- (a) Where a Succession Event has occurred and more than one Successor has been identified, the Credit Linked Warrants or the Credit Linked Certificates (as applicable) will be equally divided into such number of notional Credit Linked Warrants or Credit Linked Certificates (as applicable) as there are Successors and each Successor will be the Reference Entity for the purposes of such Credit Linked Warrant or Credit Linked Certificates (as applicable). These Credit Linked W&C Conditions shall be deemed to apply to such Credit Linked Warrants or Credit Linked Certificates (as applicable) and shall be construed accordingly.
- (b) Where a Credit Event occurs in respect of a Reference Entity after such a Succession Event, the provisions of these Credit Linked W&C Conditions shall be deemed to apply to the Notional Amount represented by that Reference Entity only (the "**Partial Notional Amount**") and all the provisions shall be construed accordingly. Each Security shall thereafter be redeemed in part (such redeemed part being equal to its pro rata share of the Partial Notional Amount).
- (c) The Securities shall remain outstanding with a new Notional Amount equal to the Notional Amount prior to such redemption minus the Partial Notional Amount (such amount in each case, the "**Remaining Amount**") and Additional Amounts shall be payable, on the Remaining Amount as provided for in W&C Securities Condition 32 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate).
- (d) Any determinations (including (without limitation) as to the division of the Credit Linked Warrants or the Credit Linked Certificates (as applicable)) and any adjustment to the applicable Final Terms relating to, connected with or as a result of a Succession Event shall be made by the Calculation Agent in its sole discretion (provided that if such determinations have been made by the relevant Credit Derivatives Determinations Committee, then the Calculation Agent shall, unless (x) otherwise provided for in the applicable Final Terms or (y) "Calculation Agent Determination" is specified as applicable in the applicable Final Terms, be bound by such determinations) and, in the absence of manifest error, shall be conclusive and binding on all Holders. The applicable Final Terms may be amended and restated from time to time to reflect the effect of a Succession Event without the consent of the Holders and the Holders are deemed to agree to this provision by the purchase of the Securities.

14. **Provisions taken from the ISDA supplement titled "Additional Provisions for Physically Settled Default Swaps – Monoline Insurer as Reference Entity (January 2005)"**

If Credit Linked W&C Condition 14 is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (a) **Obligation and Deliverable Obligation.** Paragraph (a) of the definition of "Obligation" in Credit Linked W&C Condition 2 and paragraph (a) of the definition of "Deliverable Obligation" in Credit Linked W&C Condition 2 are hereby amended by adding "or Qualifying Policy" after "or as a provider of a Qualifying Affiliate Guarantee".
- (b) **Interpretation of Provisions.** In the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, paragraph (B) of the definition of "Deliverable Obligation" in Credit Linked W&C Condition 2 will apply, with references to the "Qualifying Guarantee", the "Underlying Obligation" and the "Underlying Obligor" deemed to include the "Qualifying Policy", the "Insured Instrument" and the "Insured Obligor", respectively, except that:

- (i) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in the Credit Linked W&C Conditions in respect of such an Insured Instrument shall be construed accordingly;
 - (ii) references in the definitions of "Assignable Loan" and "Consent Required Loan" to "the guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring", respectively;
 - (iii) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable in the applicable Final Terms;
 - (iv) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified in the applicable Final Terms and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
 - (v) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "Outstanding Principal Balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.
- (c) **Not Contingent.** An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction. By specifying that this Credit Linked W&C Condition 14 is applicable, no inference should be made as to the interpretation of the "Not Contingent" Deliverable Obligation Characteristic in the context of limited recourse or similar terms applicable to Deliverable Obligations other than Qualifying Policies.
- (d) **Deliver.** For the purposes of the definition of "Deliver" in Credit Linked W&C Condition 2, "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.
- (e) **Provisions for Determining a Successor.** The paragraph commencing "For the purposes of this definition of "Successor" . . . " in the definition of "Successor" in Credit Linked W&C Condition 2 is hereby amended by adding "or insurer" after "or guarantor".
- (f) **Substitute Reference Obligation.** The first paragraph of the definition of "Substitute Reference Obligation" and paragraph (b) thereof in Credit Linked W&C Condition 2 is hereby amended by adding "or Qualifying Policy" after "or as provider of a Qualifying Affiliate Guarantee". For the purposes of sub-paragraph (a)(ii)(B) of the definition of

"Substitute Reference Obligation", references to "the Qualifying Guarantee" and the "Underlying Obligation" shall be deemed to include "the Qualifying Policy" and "the Insured Instrument" respectively.

(g) Restructuring

- (i) With respect to an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest or a Qualifying Policy with respect thereto, paragraphs (i) to (v) inclusive of the definition of "Restructuring" in Credit Linked W&C Condition 2 are hereby amended to read as follows:

- "(i) a reduction in the rate or amount of the Instrument Payments in clause (A)(x) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (ii) a reduction in the amount of the Instrument Payments described in clause (A)(y) of the definition thereof that are guaranteed or insured by the Qualifying Policy;
 - (iii) a postponement or other deferral of a date or dates for either (x) the payment or accrual of the Instrument Payments described in clause (A)(x) of the definition thereof or (y) the payment of the Instrument Payments described in clause (A)(y) of the definition thereof, in each case that are guaranteed or insured by the Qualifying Policy;
 - (iv) a change in the ranking in priority of payment of (x) any Obligation under a Qualifying Policy in respect of Instrument Payments, causing the Subordination of such Obligation to any other Obligation or (y) any Instrument Payments, causing the Subordination of such Insured Instrument to any other instrument in the form of a pass-through certificate or similar funded beneficial interest issued by the Insured Obligor, it being understood that, for this purpose, Subordination will be deemed to include any such change that results in a lower ranking under a priority of payments provision applicable to the relevant Instrument Payments; or
 - (v) any change in the currency or composition of any payment of Instrument Payments that are guaranteed or insured by the Qualifying Policy to any currency which is not a Permitted Currency."
- (ii) Paragraph (c) of the definition of "Restructuring" in Credit Linked W&C Condition 2 is hereby amended by adding "or, in the case of a Qualifying Policy and an Insured Instrument, where (A) the Qualifying Policy continues to guarantee or insure, as applicable, that the same Instrument Payments will be made on the same dates on which the Qualifying Policy guaranteed or insured that such Instrument Payments would be made prior to such event and (B) such event is not a change in the ranking in the priority of payment of the Qualifying Policy" after "Reference Entity".
- (iii) The definition of "Restructuring" in Credit Linked W&C Condition 2 is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

"For purposes of the definition of "Restructuring" in Credit Linked W&C Condition 2 and if Credit Linked W&C Condition 14 is specified as applying in the applicable Final Terms, for the purposes of the Credit Linked W&C Conditions the term Obligation shall be deemed to include Insured Instruments for which the Reference Entity is acting as provider of a Qualifying Policy. In the case of a Qualifying Policy and an Insured Instrument, references to the Reference Entity in the definition of "Restructuring" shall be deemed to refer to the Insured Obligor and the reference to the Reference Entity in paragraphs (a)

to (c) inclusive in the definition of "Restructuring" shall continue to refer to the Reference Entity."

- (h) **Fully Transferable Obligation and Conditionally Transferable Obligation.** In the event that "Restructuring Maturity Limitation and Fully Transferable Obligation Applicable" and/or "Modified Restructuring Maturity Limitation and Conditionally Transferable Obligation Applicable" is specified in the applicable Final Terms and a Fully Transferable Obligation or Conditionally Transferable Obligation is a Qualifying Policy, the Insured Instrument must meet the requirements of the relevant definition. References in the definition of "Conditionally Transferable Obligation" to the "guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring" respectively. With respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "final maturity date", as such term is used in Credit Linked W&C Condition 5 and the definition of "Restructuring Maturity Limitation Date", shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.
- (i) **Other Provisions.** For purposes of paragraph (a)(ii) of the definition of "Deliverable Obligation" and the definitions of "Credit Event" and "Deliver" in Credit Linked W&C Condition 2, references to the "Underlying Obligation" and the "Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor" respectively.
- (j) **Additional Definitions**

"Qualifying Policy" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this Credit Linked W&C Condition 14) (the **"Insured Instrument"**) for which another party (including a special purpose entity or trust) is the obligor (the **"Insured Obligor"**). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments);

"Instrument Payments" means (A) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date and (B) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (A) and (B) (1) determined without regard to limited recourse or reduction provisions of the type described in Credit Linked W&C Condition 14(c) above and (2) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

"Certificate Balance" means, in the case of an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

15. **Provisions taken from the ISDA supplement titled Additional Provisions for LPN Reference Entities (published on 3rd October, 2006)**

If Credit Linked W&C Condition 15 is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the Credit Linked W&C Conditions, the following provisions will apply:

- (a) Provisions relating to Multiple Holder Obligation will be deemed to be Not Applicable with respect to any Reference Obligation (and any Underlying Loan);
- (b) each Reference Obligation will be an Obligation, notwithstanding anything to the contrary in the Credit Linked W&C Conditions including, but not limited to the definition of "Obligation" in Credit Linked W&C Condition 2, and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity;
- (c) each Reference Obligation will be a Deliverable Obligation notwithstanding anything to the contrary in the Credit Linked W&C Conditions including, but not limited to the definition of "Deliverable Obligation" in Credit Linked W&C Condition 2 and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity.

For the avoidance of doubt with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Finance Instrument, the outstanding principal balance shall be determined by reference to the Underlying Loan or Underlying Finance Instrument (as applicable) relating to such LPN Reference Obligation.

The Not Subordinated Obligation Characteristic and Deliverable Obligation Characteristic shall be construed as if no Reference Obligation was specified in respect of the Reference Entity;

- (d) the definition of "Reference Obligation" shall be deleted and the following substituted therefor:

"Reference Obligation" means, as of the Trade Date, each of the obligations listed as a Reference Obligation of the Reference Entity in the applicable Final Terms or set forth on the relevant LPN Reference Obligations List (each a **"Markit Published LPN Reference Obligation"**), as published by Markit Group Limited, or any successor thereto, which list is as of the Trade Date available at <http://www.markit.com/marketing/services.php>, any Additional LPN and each Additional Obligation; and

- (e) the following additional definitions shall apply:

"Additional LPN" means any bond issued in the form of a loan participation note (a **"LPN"**) by an entity (the **"LPN Issuer"**) for the sole purpose of providing funds for the LPN Issuer to (a) finance a loan to the Reference Entity (the **"Underlying Loan"**) or (b) provide finance to the Reference Entity by way of a deposit, loan or other Borrowed Money instrument (the **"Underlying Finance Instrument"**), provided that (i) either (x) in the event that there is an Underlying Loan with respect to such LPN the Underlying Loan satisfies the Obligation Characteristics specified in respect of the Reference Entity or (y) in the event that there is an Underlying Finance Instrument with respect to such LPN the Underlying Finance Instrument satisfies the Not Subordinated, Not Domestic Law and Not Domestic Currency Obligation Characteristics; (ii) the LPN satisfies the following Deliverable Obligation Characteristics: Transferable, Not Bearer, Credit Linked Specified Currency – Standard Specified Currencies, Not Domestic Law, Not Domestic Issuance; and (iii) the LPN Issuer has, as of the issue date of such obligation, granted a First Ranking Interest over or in respect of certain of its rights in relation to the relevant Underlying Loan or Underlying Finance Instrument (as applicable) for the benefit of the holders of the LPNs.

"Additional Obligation" means each of the obligations listed as an Additional Obligation of the Reference Entity in the applicable Final Terms or set forth on the relevant LPN Reference Obligations List, as published by Markit Group Limited, or any successor thereto, as of the Trade Date, which list is currently available at <http://www.markit.com/marketing/services.php>.

"First Ranking Interest" means a charge, security interest (or other type of interest having similar effect) (an **"Interest"**), which is expressed as being "first ranking", "first priority", or similar (**"First Ranking"**) in the document creating such Interest

(notwithstanding that such Interest may not be First Ranking under any insolvency laws of any related insolvency jurisdiction of the LPN Issuer).

"LPN Reference Obligation" means each Reference Obligation other than any Additional Obligation.

For the avoidance of doubt, any change to the issuer of an LPN Reference Obligation in accordance with its terms shall not prevent such LPN Reference Obligation constituting a Reference Obligation.

Each LPN Reference Obligation is issued for the sole purpose of providing funds for the LPN Issuer to finance a loan to the Reference Entity. For the purposes of the Credit Linked W&C Conditions each such loan shall be an Underlying Loan.

16. **Deliverable Obligations Portfolio Valuation**

If Credit Linked W&C Condition 16 is specified as applicable in the applicable Final Terms:

- (a) notwithstanding anything to the contrary in the Credit Linked W&C Conditions, "Reference Obligation" shall mean:
 - (i) any obligation of a Reference Entity (either directly, as provider of a Qualifying Affiliate Guarantee or, if All Guarantees is specified as applicable in the applicable Final Terms, as provider of any Qualifying Guarantee) determined pursuant to the method described in "(A) Method for Determining Deliverable Obligations" above (but excluding any Excluded Deliverable Obligation specified in the applicable Final Terms) that (i) is payable in an amount equal to its Outstanding Principal Balance or Due and Payable Amount, as applicable, (ii) is not subject to any counterclaim, defence (other than a counterclaim or defence based on the factors set forth in paragraphs (a) to (d) of the definition of "Credit Event" above) or right of set-off by or of a Reference Entity or, as applicable, an Underlying Obligor and (iii) in the case of a Qualifying Guarantee other than a Qualifying Affiliate Guarantee, is capable, at the Valuation Date, of immediate assertion or demand by or on behalf of the holder or holders against the Reference Entity for an amount at least equal to the Quotation Amount apart from the giving of any notice of non-payment or similar procedural requirement, it being understood that acceleration of an Underlying Obligation shall not be considered a procedural requirement;
 - (ii) each Benchmark Obligation specified in the applicable Final Terms; and
 - (iii) any Substitute Benchmark Obligation,

as selected by the Calculation Agent in its sole and absolute discretion and notified to the Issuer (a **"Reference Obligation Notification"**) on or prior to the relevant Valuation Date.

In each case the Reference Obligation Notification shall describe the selected Reference Obligation in reasonable detail and shall specify the title or designation, maturity date and coupon rate. The Calculation Agent may at any time after delivering a Reference Obligation Notification but prior to the Valuation Time on the Valuation Date deliver a further Reference Obligation Notification which shall replace all prior Reference Obligation Notifications in relation to any additional or replacement Reference Obligation specified therein.

For the avoidance of doubt the Calculation Agent shall be entitled to select any of the Reference Obligations for the purposes of calculating the Final Price irrespective of their market value and, provided that (in the case of Credit Linked W&C Condition 16(a)(i) only) the selected obligation(s) satisfy the Deliverable Obligation Category and Deliverable Obligation Characteristics on the date of selection, such obligation(s) may constitute the Reference Obligation for the purposes hereof notwithstanding that this is not the case subsequent to such date. For the avoidance of doubt, the Deliverable

Obligation Category and Deliverable Obligation Characteristics shall not apply in respect of any Benchmark Obligation or Substitute Benchmark Obligation.

- (b) The definition of "Substitute Reference Obligation" in Credit Linked W&C Condition 2 shall be amended so that each reference to "Substitute Reference Obligation" and "Reference Obligation" is replaced by reference to a "Substitute Benchmark Obligation" and a "Benchmark Obligation" respectively, provided that once a Benchmark Obligation has been specified as a Reference Obligation the definition of "Substitute Reference Obligation" shall not apply with respect to such Benchmark Obligation.

- (c) Paragraph (b)(1)(A) of the definition of "Obligation" in Credit Linked W&C Condition 2 shall be deleted and the following substituted therefor:

"Not Subordinated" means an obligation that is not Subordinated to (i) the most senior Benchmark Obligation in priority of payment or (ii) if no Benchmark Obligation is specified in the applicable Final Terms, any unsubordinated Borrowed Money obligation of the Reference Entity. For purposes of determining whether an obligation satisfies the "Not Subordinated" Obligation Characteristic or Deliverable Obligation Characteristic, the ranking in priority of payment of each Benchmark Obligation shall be determined as of the later of (I) the Trade Date specified in the applicable Final Terms and (II) the date on which such Benchmark Obligation was issued or incurred and shall not reflect any change to such ranking in priority of payment after such later date.

- (d) For purposes of the Credit Linked W&C Conditions:
 - (i) each reference in the Credit Linked W&C Conditions to "a Deliverable Obligation" and "the Deliverable Obligation" shall be deemed to be a reference to "a Reference Obligation" and "the Reference Obligation" respectively; and
 - (ii) each reference in the Credit Linked W&C Conditions to "a Delivery Date" and "the Delivery Date" shall be deemed to be a reference to the date of selection of the relevant Reference Obligation, except that the words "the Delivery Date or" shall be deleted in the definition of "Accreted Amount" in Credit Linked W&C Condition 2.
- (e) For the avoidance of doubt, if Credit Linked W&C Condition 16 is specified as applicable in the applicable Final Terms Credit Linked W&C Condition 5 is not applicable and the Securities shall, following the satisfaction of the Conditions to Settlement during the Notice Delivery Period, be settled in accordance with Credit Linked W&C Condition 4, and these Credit Linked W&C Conditions shall be construed accordingly.
- (f) If the Calculation Agent selects more than one Reference Obligation, such Reference Obligations shall have an Outstanding Principal Balance or Due and Payable Amount (or the equivalent Currency Amount of any such amount) that, in aggregate, shall not exceed the Reference Entity Notional Amount in respect of the relevant Reference Entity.
- (g) With respect to a Reference Entity and the related Final Price Calculation Date, the "Final Price" shall be the weighted average of the Final Prices determined for each Reference Obligation in respect of the relevant Reference Entity, weighted by reference to the Reference Portfolio of each such Reference Obligation.
- (h) For the purposes of Credit Linked W&C Condition 16(a)(ii), Benchmark Obligation means each Reference Obligation specified in respect of the relevant Reference Entity, unless otherwise specified in the applicable Final Terms.

17. Nth-to-Default Securities

Where the Securities are Nth-to-Default Securities:

- (a) where a Succession Event has occurred in respect of a Reference Entity (other than a Reference Entity in respect of which an Event Determination Date has occurred) and more than one Successor has been identified, the applicable Securities will be equally divided into a number of notional Credit Linked Warrants or Credit Linked Certificates (as applicable) as there are Successors. Each such notional Credit Linked Warrants or Credit Linked Certificates (as applicable) shall include a Successor and each and every one of the Reference Entities unaffected by such Succession Event shall apply thereto;
- (b) if "Substitution" is specified as not being applicable in the applicable Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to the Succession Event) would be a Successor to any other Reference Entity (the "**Legacy Reference Entity**") pursuant to a Succession Event, such Surviving Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity; and
- (c) if "Substitution" is specified as being applicable in the Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to the Succession Event) would be a Successor to any other Reference Entity (the "**Legacy Reference Entity**") pursuant to a Succession Event:
 - (i) such Surviving Reference Entity shall be deemed not to be a Successor to the Legacy Reference Entity; and
 - (ii) the Replacement Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity.

18. **Physical Settlement Matrix**

Where a Transaction Type is specified in the applicable Final Terms in respect of any Reference Entity, then the provisions of such Final Terms shall apply with respect to such Reference Entity in accordance with the Physical Settlement Matrix as it applies to such Transaction Type, as though such Physical Settlement Matrix were set out in full in such Final Terms.

19. **Notices to Holders**

The Issuer shall, upon receiving any of the following notices from the Calculation Agent, as soon as practicable forward a copy of such notice(s) to the Holders of the relevant Securities:

- (l) (where "Calculation Agent Determination" is specified as being applicable in the applicable Final Terms) any notification from the Calculation Agent that it will apply a DC Resolution for the purposes of the relevant Securities.

20. **Calculation Agent**

Any determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent pursuant to the Credit Linked W&C Conditions and related provisions shall (in the absence of manifest error) be final and binding on the Issuer, the Guarantor and the Holders and shall be without liability on the part of the Calculation Agent and without the Calculation Agent being obliged to consider the interests of the Issuer, the Guarantor or the Holders. In performing its duties pursuant to the Credit Linked W&C Conditions, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Credit Linked W&C Conditions including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent, the Issuer and the Guarantor shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

For the avoidance of doubt, if the applicable Final Terms specify that "Calculation Agent Determination" is applicable, then notwithstanding any provision in these Credit Linked W&C Conditions, the Issuer and the Calculation Agent shall not be bound to (although they may in their sole discretion) apply any DC Resolution to the Securities and unless the Calculation Agent notifies the Issuer that any DC Resolution shall apply to the Securities, the Credit Linked W&C Conditions and the relevant Securities shall be construed as if the relevant DC Resolution and the relevant DC Question was not made. If the Calculation Agent notifies the Issuer that any DC Resolution shall apply to the Securities, the Calculation Agent shall have the power to amend or otherwise adjust any provision of the relevant Securities (including, without limitation any provision relating to the timing of notices hereunder) to account for the application of such DC Resolution.

21. **Change in Market Convention**

The Calculation Agent may (but shall not be obliged to), without obtaining the consent of or consulting with the Holders or any other person, from time to time and at any time in its sole and absolute discretion and in good faith, amend any provision of these Credit Linked W&C Conditions or the Securities:

- (a) (including but not limited to the applicable Transaction Type, Credit Events, Deliverable Obligation Category, and Deliverable Obligation Characteristics and deliverability, Reference Obligation, Successor and other provisions) to correspond with the most recently published ISDA Credit Derivatives Definitions, ISDA Credit Derivatives Physical Settlement Matrix version and prevailing trading standards applicable to a Reference Entity;
- (b) to incorporate and/or reflect further or alternative documents from time to time published by ISDA with respect to credit derivative transactions and/or the operation or application of determinations by the ISDA Credit Derivatives Determinations Committees which the Calculation Agent determines in a commercially reasonable manner are necessary to reflect market practice for credit derivative transactions; and/or
- (c) in circumstances where a Reference Entity has proposed an exchange of all or substantially all of the obligations of such Reference Entity into cash, securities and/or other assets, to reflect or account for such exchange, regardless of the credit derivatives definitions or trading standards applicable to such Reference Entity.

The applicable Final Terms may be amended and/or restated from time to time to reflect any such amendments without the consent of the Holders, and the Holders are deemed to agree to this provision by the purchase or acquisition of the Securities.

22. **Additional Provisions**

If one or more amendments or adjustments to these Credit Linked W&C Conditions are required for one or more Series of credit linked Securities, including any issue of Nth-to-Default credit linked securities or leveraged credit linked securities, the applicable Final Terms shall set out such amendments or adjustments to these Credit Linked W&C Conditions that are necessary in order to take account of the nature of such securities and these Credit Linked W&C Conditions shall be construed accordingly.

23. **Additional Disruption Events**

(a) Following the determination by the Calculation Agent that an Additional Disruption Event has occurred, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:

(i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or

(ii) (A) in the case of Credit Linked Warrants, give notice to Holders in accordance with W&C Securities Condition 12 and cancel the Credit Linked Warrants. If the Credit Linked Warrants are so cancelled, the Issuer will pay an amount to each Holder in respect of each Credit Linked Warrant held by him, which amount shall be the fair market value of a Credit Linked Warrant, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12; or

(B) in the case of Credit Linked Certificates, give notice to Holders in accordance with W&C Securities Condition 12 and cancel the Credit Linked Certificates. If the Credit Linked Certificates are so cancelled, the Issuer will pay an amount to each Holder in respect of each Credit Linked Certificate held by him, which amount shall be the fair market value of a Credit Linked Certificate, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Securities Condition 12.

(b) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with W&C Securities Condition 12, as applicable, stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

(c) For these purposes:

"Additional Disruption Event" means any of Change in Law, Hedging Disruption, and/or Increased Cost of Hedging, in each case if specified in the applicable Final Terms.

"Change in Law" means that, on or after the Trade Date (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in its sole and absolute discretion that (A) it has become illegal to hold, acquire or dispose of any relevant asset, hedge or related trading position or (B) the Issuer and/or any of its Affiliates or agents will incur a materially increased cost in performing the obligations of the Issuer in relation to the Securities (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position).

"Hedging Disruption" means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity, price, credit or other risk of the Issuer issuing and performing its obligations with respect to the Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"Increased Cost of Hedging" means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity, price, credit or other risk of the Issuer issuing and performing its obligations with respect to the Securities, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

ANNEX 10

ADDITIONAL TERMS AND CONDITIONS FOR PHYSICAL DELIVERY NOTES

1. **Interpretation**

The following provisions (the "**Physical Delivery Note Conditions**") apply to Notes specified as being Physical Delivery Notes in the applicable Final Terms or where Physical Delivery is specified in the applicable Final Terms.

References in the Physical Delivery Note Conditions to "delivery", "delivered" and "deliver" shall in the context of the delivery of the Entitlement in respect of Credit Linked Notes be deemed to be references to "Delivery", "Delivered" and "Deliver" as such terms are defined and construed in the Credit Linked Note Conditions.

2. **Delivery of Entitlement and Asset Transfer Notices**

In order to obtain delivery of the Entitlement(s) in respect of any Note:

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Security Agent.

An Asset Transfer Notice may only be delivered (a) if such Note is represented by a Global Note, in such manner as is acceptable to Euroclear or Clearstream, Luxembourg, as the case may be, or (b) if such Note is in definitive form in writing.

If such Note is in definitive form, such Note must be delivered together with the duly completed Asset Transfer Notice.

The Issuer shall at the risk of the relevant Holder deliver the Entitlement in respect of each Note or, in the case of Credit Linked Notes, Deliver the Deliverable Obligations comprising the Entitlement in such commercially reasonable manner as the Issuer shall, in its sole discretion, determine to be appropriate for such delivery.

All expenses including any applicable depositary charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities, transfer and/or other taxes or duties (together "**Expenses**") arising from the redemption of the Notes and the delivery of any Entitlement shall be for the account of the relevant Holder and no delivery and/or transfer of any Entitlement shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Holder.

An Asset Transfer Notice must:

- (e) certify that the beneficial owner of each Note is not a U.S. person (as defined by Regulation S under the Securities Act) (in the case of Notes issued by BAC) or a United States Person (as defined in the Asset Transfer Notice) (in the case of Notes issued by MLBV); the Note is not being redeemed within the United States or on behalf of a U.S. person (in the case of Notes issued by BAC) or a United States Person (in the case of Notes issued by MLBV); and no cash, securities or other property have been or will be delivered within the United States or to, or for the account or benefit of, a U.S. person (in the case of Notes issued by BAC) or a United States Person (in the case of Notes issued by MLBV) in connection with any redemption thereof, provided that, in the case of Notes issued by BAC, such certification as to no beneficial ownership by a U.S. person will only be required for any Asset Transfer Notice delivered prior to the fortieth day after the completion of the distribution of the relevant Tranche; and
- (f) authorise the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by Euroclear, Clearstream, Luxembourg or a Paying Agent as provided above. After delivery of an Asset Transfer Notice, the relevant Holder may not transfer the Notes which are the subject of such notice.

In the case of Notes represented by a Global Note, upon receipt of such notice, Euroclear or Clearstream, Luxembourg, as the case may be, shall verify that the person specified therein as the Holder is the holder of the specified nominal amount of Notes according to its books.

Subject thereto, Euroclear or Clearstream, Luxembourg, as the case may be, will confirm to the Principal Paying Agent the series number and number of Notes the subject of such notice, the relevant account details (if applicable) and the details for the delivery of the Entitlement in respect of each such Note. Upon receipt of such confirmation, the Principal Paying Agent will inform the Issuer thereof. Euroclear or Clearstream, Luxembourg, as the case may be, will on or before the Maturity Delivery Date or Credit Settlement Date, as the case may be, debit the securities account of the relevant Holder with the Notes the subject of the relevant Asset Transfer Notice.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in the Physical Delivery Note Conditions shall be made, in the case of Notes represented by a Global Note, by Euroclear or Clearstream, Luxembourg, as the case may be, after consultation with the Principal Paying Agent and the Issuer and shall

be conclusive and binding on the Issuer, (in the case of Notes issued by MLBV) the Guarantor and the relevant Holder or in the case of Notes in definitive form, by the relevant Paying Agent after consultation with the Principal Paying Agent and the Issuer and shall be conclusive and binding on the Issuer, the Guarantor and the relevant Holder.

If such Asset Transfer Notice is subsequently corrected to the satisfaction of Euroclear or Clearstream, Luxembourg, as the case may be, or the relevant Paying Agent, in each case in consultation with the Principal Paying Agent and the Issuer, it shall be deemed to be a new Asset Transfer Notice submitted at the time such correction was delivered as provided above.

Euroclear, Clearstream, Luxembourg or the relevant Paying Agent, as applicable, shall use its best efforts promptly to notify the Holder submitting an Asset Transfer Notice if, in consultation with the Principal Paying Agent and the Issuer, it has determined that such Asset Transfer Notice is incomplete or not in proper form. In the absence of negligence or wilful misconduct on its part, none of the Issuer, (in the case of Notes issued by MLBV) the Guarantor, the Paying Agents, Euroclear, Clearstream, Luxembourg and the Principal Paying Agent shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

The Entitlement will be delivered at the risk of the relevant Holder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with these Physical Delivery Note Conditions, the "**Maturity Delivery Date**") or, in the case of Credit Linked Notes, in the manner provided above on the Credit Settlement Date, provided that the Asset Transfer Notice is duly delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent, as the case may be, with a copy to the Principal Paying Agent and the Issuer, as provided above, not later than the close of business in each place of receipt on the Cut-Off Date.

If an Asset Transfer Notice is delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent, as the case may be, with a copy to the Principal Paying Agent and the Issuer, later than the close of business in each place of receipt on the Cut-Off Date, then the Entitlement will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Maturity Delivery Date) or, in the case of Credit Linked Notes, the Credit Settlement Date at the risk of such Holder in the manner provided above. Provided that if in respect of a Note an Asset Transfer Notice is not delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent, as the case may be, with a copy to the Principal Paying Agent and the Issuer, later than the close of business in each place of receipt on the 90th calendar day following the Cut-Off Date the Issuer's obligations in respect of such Note and (in the case of Notes issued by MLBV) the Guarantor's obligations in respect of the relevant Guarantee in respect of such Note shall be discharged and no further liability in respect thereof shall attach to the Issuer or (in the case of Notes issued by MLBV) the Guarantor. For the avoidance of doubt, in such circumstances such Holder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Maturity Delivery Date or the Credit Settlement Date, as the case may be, falling after the originally designated Maturity Delivery Date or Credit Settlement Date, as the case may be, and no liability in respect thereof shall attach to the Issuer or (in the case of Notes issued by MLBV) the Guarantor.

Delivery of the Entitlement in respect of the Notes is subject to all applicable laws, regulations and practices in force on the Maturity Delivery Date or the Credit Settlement Date, as the case may be, and none of the Issuer, (in the case of Notes issued by MLBV) the Guarantor and any of its Affiliates or agents and the Paying Agents shall incur any liability whatsoever if it is unable to effect the transactions contemplated, after using all reasonable efforts, as a result of any such laws, regulations or practices. None of the Issuer, (in the case of Notes issued by MLBV) the Guarantor and any of its Affiliates or agents and the Paying Agents shall under any circumstances be liable for any acts or defaults of Euroclear or Clearstream, Luxembourg in relation to the performance of their duties in relation to the Notes.

For such period of time after the Maturity Delivery Date or Credit Settlement Date, as the case may be, as any person other than the relevant Holder shall continue to be the legal owner of the securities, obligations or Deliverable Obligations comprising the Entitlement (the "**Intervening Period**"), none of the Issuer, (in the case of Notes issued by MLBV) the

Guarantor nor any other such person shall (a) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of such Note any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities, obligations or Deliverable Obligations, (b) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such securities, obligations or Deliverable Obligations during the Intervening Period or (c) be under any liability to the relevant Holder, or any subsequent beneficial owner of such Note in respect of any loss or damage which the relevant Holder, or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such securities, obligations or Deliverable Obligations during such Intervening Period.

Where the Entitlement comprises shares, any dividend or other distribution in respect of such Entitlement will be payable to the party that would receive such dividend or other distribution according to market practice for a sale of the Share executed on the Maturity Delivery Date and to be delivered in the same manner as the Entitlement. Any such dividend or other distribution to be paid to a Holder shall be paid to the account specified in the relevant Asset Transfer Notice.

Except in the case of Credit Linked Notes, where the Entitlement is, in the determination of the Issuer, an amount other than an amount of Relevant Assets capable of being delivered, the Holders will receive an Entitlement comprising of the nearest number (rounded down) of Relevant Assets capable of being delivered by the Issuer (taking into account that a Holder's entire holding may be aggregated at the Issuer's discretion for the purpose of delivering the Entitlements), and in respect of the amount of Relevant Assets not capable of being delivered, an amount in the Specified Currency which shall be the value of the amount of the Relevant Assets so rounded down, as calculated by the Calculation Agent in its sole discretion from such source(s) as it may select (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate).

3. **Settlement Disruption Event**

The provisions of this Physical Delivery Note Condition 3 shall apply to Physical Delivery Notes other than Credit Linked Notes.

If, prior to the delivery of the Entitlement in accordance with these Physical Delivery Note Conditions, a Settlement Disruption Event is subsisting, then the Maturity Delivery Date in respect of such Note shall be postponed until the next Settlement Business Day on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Holder, in accordance with Note Condition 14. Such Holder shall not be entitled to any payment, whether of interest or otherwise, on such Note as a result of any delay in the delivery of the Entitlement pursuant to these Physical Delivery Note Conditions. Where delivery of the Entitlement has been postponed as provided in the Physical Delivery Note Conditions the Issuer shall not be in breach of these Conditions and no liability in respect thereof shall attach to the Issuer or (in the case of Notes issued by MLBV) the Guarantor.

For so long as delivery of the Entitlement in respect of any Note is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by payment to the relevant Holder of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election (the "**Election Notice**") is given to the Holders in accordance with Note Condition 14.

4. **Failure to Deliver due to Illiquidity**

The provisions of this Physical Delivery Note Condition 4 shall apply to Physical Delivery Notes other than Credit Linked Notes.

If Failure to Deliver due to Illiquidity is specified as applying in the applicable Final Terms and, in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when

due, some or all of the Relevant Assets comprising the Entitlement (the "**Affected Relevant Assets**"), where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a "**Failure to Deliver due to Illiquidity**"), then:

- (a) subject as provided elsewhere in the Physical Delivery Note Conditions and/or the applicable Final Terms, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Maturity Delivery Date in accordance with the Physical Delivery Note Conditions; and
- (b) in respect of any Affected Relevant Assets, notwithstanding any other provision hereof, the Issuer may elect in its sole discretion, in lieu of delivery of the Affected Relevant Assets, to pay to the relevant Holder the Failure to Deliver Settlement Price (as defined below) on the fifth Business Day following the date the Failure to Deliver Notice (as defined below) is given to the Holders in accordance with Note Condition 14. The Issuer shall give notice (such notice a "**Failure to Deliver Notice**") as soon as reasonably practicable to the Holders in accordance with Note Condition 14 that the provisions of this Physical Delivery Note Condition 4 apply.

5. **Option to Vary Settlement**

The provisions of this Physical Delivery Note Condition 5 shall apply to Physical Delivery Notes other than Credit Linked Notes.

If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Notes, the Issuer may at its sole and unfettered discretion in respect of each such Note, elect not to pay the relevant Holders the Final Redemption Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Final Redemption Amount on the Maturity Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders in accordance with Note Condition 14.

6. **Additional Provisions for Credit Linked Notes**

The provisions of this Physical Delivery Note Condition 6 shall apply to Credit Linked Notes.

In relation to each Deliverable Obligation constituting the Entitlement the Issuer or (in the case of Notes issued by MLBV) the Guarantor, as applicable, will Deliver or procure the Delivery of the relevant Deliverable Obligation as provided in Physical Delivery Note Condition 2 on the Credit Settlement Date, provided that if all or some of the Deliverable Obligations included in the Entitlement are Undeliverable Obligations and/or Hedge Disruption Obligations, then the Issuer shall continue to attempt to Deliver all or a portion of such Undeliverable Obligations or Hedge Disruption Obligations, as the case may be, on or before the 30th Business Day following the Credit Settlement Date (the "**Final Delivery Date**"), provided further that if all or a portion of such Undeliverable Options or Hedge Disruption Obligations, as the case may be, are not Delivered by the Final Delivery Date the provisions of Credit Linked Note Condition 9 shall apply.

7. **Definitions**

"Scheduled Trading Day" means any day on which the Exchange is scheduled to be open for trading for its regular trading sessions.

"Settlement Date" means, unless otherwise specified in the applicable Final Terms, in respect of any Warrant, the fifth Business Day following the relevant Final Execution Date.

"Trade Date" means the date specified as a Trade Date in the applicable Final Terms.

"Valuation Date" means, the date specified as such in the applicable Final Terms, or if that is not a Scheduled Trading Day the first Scheduled Trading Day thereafter (or, where the Saudi Share Linked Warrants relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, if such date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day).

3. **Cash Settlement Amount**

The Issuer shall, for each Saudi Share Linked Warrant being exercised or deemed exercised, on the Settlement Date pay or cause the payment of the Cash Settlement Amount to the Holder.

Unless otherwise specified in the applicable Final Terms, **"Cash Settlement Amount"** means an amount per Saudi Share Linked Warrant in the Settlement Currency as determined by the Calculation Agent in accordance with the following formula:

$$\text{Max}[0; \frac{\text{Final Reference Price}}{\text{FX Rate}}] * \text{Adjustment Factor}$$

The Cash Settlement Amount will be rounded to the nearest two decimal places in the relevant Settlement Currency, 0.005 being rounded upwards, with W&C Securities exercised at the same time by the same Holder being aggregated for the purpose of determining the aggregate Cash Settlement Amounts payable in respect of such W&C Securities.

4. **Additional Amounts**

If Additional Amounts are specified as applicable in the applicable Final Terms, in respect of each Additional Amount Payment Date, the Issuer shall pay to the Holder of each Saudi Share Linked Warrant the Additional Amount (as determined by the Calculation Agent in its sole discretion) corresponding to such Additional Amount Payment Date.

5. **Potential Adjustment Events, Merger Event, Tender Offer, De-listing, Nationalisation and Insolvency**

(a) If the Calculation Agent determines that a Potential Adjustment Event (as defined in Share Linked Condition 6 (Potential Adjustment Events, Merger Event, Tender Offer, De-listing, Nationalisation and Insolvency)) has occurred in respect of a Share, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Shares and, if so, the Calculation Agent may:

(i) make corresponding adjustment(s), if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms, including to any Additional Amount, the Cash Settlement Amount, and/or any other variable relevant to the exercise, settlement, payment or other terms of the Saudi Share Linked Warrants as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and/or

- (ii) determine, subject to the agreement of the Issuer, (A) to issue further Saudi Share Linked Warrants in accordance with W&C Securities Condition 14 or issue Securities of a different Series and distribute such Saudi Share Linked Warrants or Securities to Holders and/or (B) distribute a cash amount to Holders, in each case, on such terms as the Calculation Agent determines appropriate to account for that diluting or concentrative effect, taking into consideration any Costs and/or Taxation associated with any such Potential Adjustment Event and provided that no adjustments (or further issuances) will be made to account solely for changes in volatility, expected dividends, stock loan rate or liquidity relative to the relevant Share. The Calculation Agent may, but need not, determine the appropriate adjustment (or further issuance) by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. The Calculation Agent shall determine the effective date(s) of such adjustment(s), further issue(s), distribution(s) and/or purchase(s).
- (b) Upon the making of any such determination, the Calculation Agent shall give notice as soon as practicable to the Holders in accordance with W&C Securities Condition 12 stating (i) in respect of a determination pursuant to Saudi Share Linked Warrant Condition 5(a)(i), the adjustment and/or (ii) in respect of a determination pursuant to Saudi Share Linked Warrant Condition 5(a)(ii)(A), details of the relevant Securities to be distributed and the number of Securities to which the Holder is entitled and/or (iii) in respect of a determination pursuant to Saudi Share Linked Warrant Condition 5(a)(ii)(B), the amount payable to the Holder of a Saudi Share Linked Warrant, provided in each case that any failure to give such notice shall not affect the validity of the Potential Adjustment Event or any action taken.
- (c) Share Linked Conditions 6(a) and (b) shall apply to Saudi Share Linked Warrants and shall be deemed to be incorporated by reference into these Saudi Share Linked Warrant Conditions.

6. Additional Disruption Events

- (a) Share Linked Condition 8, as amended pursuant to Saudi Share Linked Warrant Condition 6(b) below, shall apply to Saudi Share Linked Warrants and shall be deemed to be incorporated by reference into these Saudi Share Linked Warrant Conditions.
- (b) Notwithstanding Share Linked Condition 8(a), for the purpose of the Saudi Share Linked Warrant Conditions the definition of "Additional Disruption Event" shall be deleted and replaced with the following:

"Additional Disruption Event" means any of (a) CMA Order, Jurisdiction Event and/or Trading Failure and (b) if specified in the applicable Final Terms, Change in Law, Hedging Disruption, Increased Cost of Hedging and/or Insolvency Filing, where:

"CMA Order" means, in relation to any series of Saudi Share Linked Warrants, the Capital Market Authority (or any successor or equivalent body) of the Kingdom of Saudi Arabia (the **"Capital Market Authority"**) has requested that any Hedging Entity terminate or otherwise modify any Hedge Positions or imposes any qualitative or quantitative limitation or any other requirements in relation to any Hedge Positions (including, without limitation, the contractual arrangements relating thereto), the Saudi Share Linked Warrants, the relevant Guarantee, the Holders or any document or matter in relation thereto which the Issuer reasonably determines will have a material effect on any of the foregoing;

"Jurisdiction Event" means an event has occurred, whether of general application or otherwise and which occurs as a result of present or future risks in or connected with the Kingdom of Saudi Arabia including, but not limited to, risks associated with fraud or corruption, political risk, legal uncertainty, imposition of foreign exchange controls or capital controls, changes in laws or regulations and changes in the interpretation or enforcement of laws and regulations (including without limitation those relating to taxation) and other legal and/or sovereign risks; and

"Trading Failure" means any Hedging Entity is not able to buy and/or sell Shares via a trading system commonly used within the Kingdom of Saudi Arabia for such Shares or such trading system fails to calculate and publish the price of the Shares on a day on which the Calculation Agent determines that such calculation and publication was otherwise expected to be made, and in each case, which has or may have (as determined by the Calculation Agent) a material effect on the relevant Hedge Positions).

7. **Potential Adjustment Events, Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency and Additional Disruption Events**

In the circumstance where one or more event may satisfy the terms of two or more of the adjustment or termination events set forth in Saudi Share Linked Warrant Condition 7 (Potential Adjustment Events, Merger Event, Tender Offer, De-listing, Nationalisation and Insolvency) and/or Saudi Share Linked Warrant Condition 6 (Additional Disruption Events), then the Calculation Agent shall determine (in its sole and absolute discretion) which adjustment or termination event shall be applicable.

8. **Payment Disruption**

W&C Securities Condition 6(C) shall be amended as follows:

The definition of "Payment Event Cut-Off Date" shall be deleted and replaced with the following:

"Payment Event Cut-Off Date" means the earliest of:

- (a) the date which is one year after the Exercise Date or Settlement Date; or
- (b) date falling four years after the Trade Date (notwithstanding that such date may be the Exercise Date or Settlement Date of the Saudi Share Linked Warrants and therefore no extension of the term of the Saudi Share Linked Warrants could occur),

or as determined by the Calculation Agent acting in good faith and notified to Holders in accordance with W&C Securities Condition 12.

9. **Interpretation**

With regard to the Share Linked Conditions incorporated by reference into these Saudi Share Linked Warrant Conditions all references therein to "the Share Linked Securities" or "these Share Linked Securities" shall instead be deemed to be, respectively, to "the Saudi Share Linked Warrants" or "these Saudi Share Linked Warrants", and such Share Linked Conditions shall otherwise be deemed to be incorporated *mutatis mutandis* into the Saudi Share Linked Warrant Conditions in order to give reasonable effect to such provisions in the context of these Saudi Share Linked Warrant Conditions.

ANNEX 13

ADDITIONAL TERMS AND CONDITIONS FOR SWISS COSI SECURITIES

If "Collateralisation" is specified as applicable in the applicable Final Terms, the terms and conditions applicable to Swiss Securities shall comprise the terms and conditions of the W&C Securities and the additional terms and conditions for Swiss COSI Securities set out below and as further described under section "Collateral Secured Instruments (COSI)".

Swiss COSI Securities are collateralised in accordance with the terms of the SIX Swiss Exchange «Framework Agreement for Collateral Secured Instruments» (the "**Framework Agreement**"), dated 24 May 2012, between SIX Swiss Exchange, SIS, MLICo. and Merrill Lynch Capital Markets AG, Zurich, Switzerland (the "**Collateral Provider**"). The Collateral Provider undertakes to secure the Current Value of the Swiss COSI Securities at any given time as well as the further claims listed in the Framework Agreement in accordance with the provisions of the Framework Agreement. The Holders are not party to the Framework Agreement. The Framework Agreement constitutes an integral part of this Offering Circular.

In the event of any contradiction between the provisions of this Offering Circular and the applicable Final Terms and the Framework Agreement, the Framework Agreement takes precedence. The Issuer shall, upon request, provide the Framework Agreement to investors free of charge in the original German version or in an English translation. The Framework Agreement may be obtained from Merrill Lynch Capital Markets AG, Stockerhof, Stockerstrasse 23, 8002 Zurich, Switzerland via telephone +41 44 297 75 93, fax +41 44 291 33 41 or via e-mail: dg.ogc_zurich@baml.com.

COLLATERAL SECURED INSTRUMENTS (COSI)

Swiss COSI Securities are collateralised in accordance with the terms of the SIX Swiss Exchange «Framework Agreement for Collateral Secured Instruments». Merrill Lynch Capital Markets AG, Zurich, Switzerland (the "**Collateral Provider**") undertakes to secure the value of the Swiss COSI Securities at any given time as well as the further claims listed in the Framework Agreement.

Security must be provided to SIX Swiss Exchange in the form of a regular right of lien. The collateral is booked to a SIX Swiss Exchange account with SIX SIS. Investors do not themselves have a surety right to the collateral. The Swiss COSI Securities and the collateral shall be valued on each banking day. The Collateral Provider shall be obliged to adjust the collateral to any changes in value. Permitted forms of collateral shall be selected by SIX Swiss Exchange on an ongoing basis from various categories of securities. The Issuer shall, upon enquiry, inform investors about the collateral that is permitted as security for the Swiss COSI Securities at any given time. The Collateral Provider shall pay SIX Swiss Exchange a fee for the service regarding the collateralisation of the Swiss COSI Securities. A change of Collateral Provider shall be notified in accordance with the provisions of this Offering Circular.

Documentation. The collateralisation in favour of SIX Swiss Exchange is based on the «Framework Agreement for Collateral Secured Instruments» between SIX Swiss Exchange, SIX SIS, MLICo. and the Collateral Provider dated 24 May 2012 ("**Framework Agreement**"). The investor is not party to the Framework Agreement. **The Framework Agreement constitutes an integral part of this Offering Circular.** In the event of any contradiction between the provisions of this Offering Circular and the Framework Agreement, the Framework Agreement takes precedence. The Issuer shall, upon request, provide the Framework Agreement to investors free of charge in the original German version or in an English translation. The Framework Agreement may be obtained from Merrill Lynch Capital Markets AG, Stockerhof, Stockerstrasse 23, 8002 Zurich, Switzerland via telephone +41 44 297 75 93, fax +41 44 291 33 41 or via e-mail: dg.ogc_zurich@baml.com. The core elements of collateralisation of the Swiss COSI Securities are summarised in a SIX Swiss Exchange information sheet, which is available at «www.six-swiss-exchange.com».

Collateralisation method. The collateral that must be furnished by the Collateral Provider is determined by the value of the Swiss COSI Securities at any given time (hereinafter "**Current Value**"). The Current Values shall be determined in the trading currency of the Swiss COSI Securities and converted into Swiss francs for the purpose of calculating the required collateral. The method for calculating the Current Value shall be determined for each series of Swiss COSI Securities upon application for (provisional) admission to trading and shall remain unchanged for the entire term of such series of Swiss COSI Securities. If prices for the Swiss COSI Securities calculated by third parties are available (so-called «Fair Values»), they are taken into account when determining the Current Value in accordance with the provisions of the rules and regulations of SIX Swiss Exchange. Otherwise, the determination of the Current Value will take into account the «bond floor pricing», as defined by the Swiss Federal Tax Administration, Berne (Switzerland). For as long as no bond floor is available for a series of Swiss COSI Securities that is subject to bond floor pricing, the Current Value shall correspond at least to the capital protection laid down in the redemption terms for such series of Swiss COSI Securities. If the final bid-side purchase price of the Swiss COSI Securities on the previous trading day on Scoach Switzerland is higher, the collateral requirement shall always be based on this latter price. If the aforementioned prices for Swiss COSI Securities are unavailable at any given time, then other prices shall be used to calculate the required collateral, in accordance with the rules and regulations of SIX Swiss Exchange. The Current Values required for the collateralisation of the Swiss COSI Securities shall be determined exclusively in accordance with the provisions of the «Special Conditions for Collateral Secured Instruments» of SIX Swiss Exchange. The Current Value of a series of Swiss COSI Securities shall be determined according to either Method A: "Fair Value Method" or Method B: "Bond Floor Method" of these Special Conditions of SIX Swiss Exchange.

Distribution and market making. The distribution of the Swiss COSI Securities shall be the responsibility of the Issuer. The Issuer undertakes to ensure that market making for the Swiss COSI Securities is in place.

Risks. Collateralisation eliminates the issuer default risk only to the extent that the proceeds from the liquidation of collateral upon occurrence of a Liquidation Event (less the costs of liquidation and payout) are able to meet the investors' claims. The investor bears the following risks, among others: (i)

the Collateral Provider is unable to supply the additionally required collateral if the value of the Swiss COSI Securities rises or the value of the collateral decreases; (ii) in a Liquidation Event, the collateral cannot be liquidated immediately by SIX Swiss Exchange because of factual hindrances or because the collateral must be handed over to the executory authorities for liquidation; (iii) the market risk associated with the collateral results in insufficient liquidation proceeds or, in extreme circumstances, the collateral might lose its value entirely until the liquidation can take place; (iv) the maturity of Swiss COSI Securities in a foreign currency according to the Framework Agreement may result in losses for the investor because the Current Value (determinant for the investor's claim against the Issuer) is set in the foreign currency, while payment of the pro-rata share of net liquidation proceeds (determinant for the extent to which the investor's claim against the Issuer is satisfied) is made in Swiss francs; (v) the collateralisation is challenged according to the laws governing debt enforcement and bankruptcy, so that the collateral cannot be liquidated according to the terms of the Framework Agreement for the benefit of the investors in Swiss COSI Securities.

Liquidation of collateral. If the Collateral Provider fails to fulfil its obligations, the collateral will be liquidated by SIX Swiss Exchange or a liquidator under the terms of the applicable legal regulations. The collateral may be liquidated ("**Liquidation Events**") if (i) the Collateral Provider fails to furnish the required collateral, fails to do so in due time, or if the collateral that is provided is not free from defects, unless any such defect is remedied within three banking days; (ii) the Issuer fails to fulfil a payment or delivery obligation under any Swiss COSI Securities upon maturity according to the issuing conditions, fails to do so in due time, or if its fulfilment of such obligations is defective, unless any such defect is remedied within three banking days; (iii) the Swiss Financial Market Supervisory Authority FINMA orders protective measures with regard to the Issuer or the Collateral Provider under Article 26 paragraph 1 letter (f) to (h) of the Federal Act on Banks and Savings Banks, or restructuring measures or the liquidation (winding-up proceedings) under Article 25 et seq. of the Federal Act on Banks and Savings Banks; (iv) a foreign financial market supervisory authority, another competent foreign authority or a competent foreign court orders an action that is comparable with that described in item (iii) above; (v) the market making obligation is breached for ten consecutive banking days; (vi) the Collateral Provider's participation at SIX SIS ceases; (vii) the provisional admission of the Swiss COSI Securities to trading lapses or is cancelled and the Issuer fails to satisfy investors' claims according to the issuing conditions of the Swiss COSI Securities within 30 banking days of the lapse or cancellation of the provisional admission; or (viii) the Swiss COSI Securities are delisted upon application by the Issuer or for any other reason, and the Issuer fails to satisfy investors' claims according to the issuing conditions of the Swiss COSI Securities within thirty (30) banking days of the last trading day. The Framework Agreement provides for the exact time at which each Liquidation Event occurs. The remedy of a Liquidation Event is not possible.

Determination of a Liquidation Event. SIX Swiss Exchange is not required to undertake investigations with regard to the occurrence of a Liquidation Event. In determining the occurrence of a Liquidation Event, it bases its decision on reliable sources of information only. SIX Swiss Exchange determines with binding effect for the investors that an incident qualifies as a Liquidation Event and at what point in time the Liquidation Event occurred.

Procedure in case of a Liquidation Event. If a Liquidation Event occurs, SIX Swiss Exchange is at its own discretion entitled: (i) to make public the occurrence of a Liquidation Event immediately or at a later stage in suitable form, specifically in a newspaper with a national distribution and on the SIX Swiss Exchange website; as well as (ii) to liquidate immediately or at a later stage – without regard to the amount of unsatisfied claims – all existing collateral on a private basis, provided the applicable legal regulations or regulatory orders do not prohibit such private liquidation (and, if a private liquidation is not possible, hand the collateral over to the competent person for liquidation). Once a Liquidation Event has occurred, trading in all Swiss COSI Securities of the Issuer may be suspended, and the Swiss COSI Securities of the Issuer may be delisted.

Maturity of the Swiss COSI Securities as well as investors' claims against SIX Swiss Exchange and the Issuer. All of the Issuer's Swiss COSI Securities under the Framework Agreement shall fall due for redemption 30 banking days after a Liquidation Event has occurred. SIX Swiss Exchange shall make public the due date in a newspaper with a national distribution, as well as on the SIX Swiss Exchange website. **Investors' claims against SIX Swiss Exchange for the payment of their pro-rata share of the net liquidation proceeds** arise automatically only once the Swiss COSI Securities have fallen due for redemption. Investors' claims against SIX Swiss Exchange are based on a genuine contract in favour of third parties (Article 112 paragraph 2 of the Swiss Code of Obligations) which is

irrevocable on the part of the Collateral Provider. The acquisition of a Swiss COSI Security by an investor automatically entails the declaration vis-à-vis SIX Swiss Exchange, as described in Art. 112 paragraph 3 of the Swiss Code of Obligations, that he wishes to enforce his right under the Framework Agreement at maturity of the Swiss COSI Security. In dealings with SIX Swiss Exchange and SIX SIS, the investors are bound by the provisions of the Framework Agreement, specifically the **choice of Swiss law and the exclusive jurisdiction of the Commercial Court of Canton Zurich (Switzerland)**.

If a Liquidation Event has occurred, SIX Swiss Exchange will determine the Current Values of all Swiss COSI Securities of the Issuer in the respective trading currency with binding effect for the Issuer, the Collateral Provider and the investors. Investors' claims against the Issuer will be based on these Current Values when the Swiss COSI Securities mature in accordance with the Framework Agreement. The Current Values of the Swiss COSI Securities on the banking day immediately preceding the date on which the Liquidation Event occurred shall be applicable. SIX Swiss Exchange shall make public the applicable Current Values of the Swiss COSI Securities.

Costs of liquidation and payout for the benefit of the investors. The costs incurred in connection with the liquidation and payout (including taxes and duties, as well as consulting fees) shall, in advance, be covered out of the proceeds of the liquidation of the collateral. For this purpose, SIX Swiss Exchange shall deduct a flat-rate fee of 0.1 per cent. from the entire liquidation proceeds for its own expenses and for the expenses of third parties. In addition, SIX Swiss Exchange shall be entitled to satisfy, in advance out of the proceeds of the liquidation of the collateral, any outstanding claims it holds against the Collateral Provider and the Issuer under the terms of the Framework Agreement. The remaining net liquidation proceeds are available for payout to the investors in Swiss COSI Securities of the Issuer.

SIX Swiss Exchange will transfer the pro-rata share of net liquidation proceeds due to investors to SIX SIS participants. In doing so, it is released from all further obligations. The amounts transferred are determined by the holdings of Swiss COSI Securities that are booked to participant accounts with SIX SIS. If the Issuer which, according to the Framework Agreement, is affected by the maturity of its Swiss COSI Securities, is a SIX SIS participant, then SIX Swiss Exchange and SIX SIS shall decide on a separate procedure for the payment of the pro-rata share of net liquidation proceeds to those investors who hold their Swiss COSI Securities via the Issuer. SIX Swiss Exchange may transfer the pro-rata share of net liquidation proceeds for these investors to one or more other SIX SIS participants or to one or more third parties, which will attend to the payment to investors in Swiss COSI Securities either directly or indirectly. In doing so, SIX Swiss Exchange is released from all further obligations. SIX Swiss Exchange may decide at its own discretion to have the payment of the pro-rata share of net liquidation proceeds for other or all investors in Swiss COSI Securities conducted by one or more other SIX SIS participants or by one or more third parties.

The payouts to investors are made exclusively in Swiss francs. The claim of the investors is non-interest-bearing. SIX Swiss Exchange is not liable to pay either default interest or damages should the payout be delayed for any reason.

The maximum claim of an investor to satisfaction from the net liquidation proceeds of collateral is determined by the sum of the Current Values of his Swiss COSI Securities. Should the combined Current Values of all investors in the Issuer's Swiss COSI Securities exceed the net liquidation proceeds, payment of pro-rata shares of net liquidation proceeds to individual investors will be made according to the ratio between the total Current Values held by individual investors and the total Current Values accruing to all investors in Swiss COSI Securities of the Issuer.

In the case of Swiss COSI Securities in a different trading currency than the Swiss franc, SIX Swiss Exchange shall, with binding effect for the parties to the Framework Agreement and the investors, convert the Current Values into Swiss francs in order to determine the pro-rata share of net liquidation proceeds. The exchange rates according to the rules and regulations of SIX SIS on the banking day immediately preceding the date on which the Liquidation Event occurred, shall be applicable. The conversion of the Current Values of Swiss COSI Securities of a different trading currency than the Swiss franc pertains only to the amount and the effect of the payout of pro-rata net liquidation proceeds by SIX Swiss Exchange to investors in such Swiss COSI Securities and shall have no further effect on the relationship between the investor and the Issuer. SIX Swiss Exchange shall make public these values of the Swiss COSI Securities as well as the applicable exchange rates.

The investors' claims against the Issuer arising from the Swiss COSI Securities are reduced by the amount of the payment of the pro-rata net liquidation proceeds. In the case of Swiss COSI Securities of a different trading currency than the Swiss franc the reduction amount of the claim of the investor against the Issuer shall be determined in accordance with the conversion rate of the particular trading currency of the Swiss COSI Securities to the Swiss franc applicable on the banking day immediately preceding the date on which the Liquidation Event occurred.

No further investor claims exist against SIX Swiss Exchange, SIX SIS or other persons which are involved in the collateralisation service for Swiss COSI Securities under the terms of the Framework Agreement.

Listing. Apart from the listing of the Swiss COSI Securities on SIX Swiss Exchange the Issuer may apply for a listing or admission to trading on one or more other exchanges. All aspects and events related to listing or admission to trading of the Swiss COSI Securities on another exchange shall be disregarded under the Framework Agreement. In particular, prices of the Swiss COSI Securities on any exchange other than SIX Swiss Exchange are not taken into consideration for the calculation of the Current Value and events which are related to a listing or admission to trading of the Swiss COSI Securities on any exchange other than SIX Swiss Exchange, such as the suspension of the market making at an exchange other than SIX Swiss Exchange or the delisting of the Swiss COSI Securities from an exchange other than SIX Swiss Exchange, shall not be deemed a Liquidation Event under the Framework Agreement. SIX Swiss Exchange is at its own discretion entitled to make public the occurrence of a Liquidation Event and the maturity of the Swiss COSI Securities pursuant to the Framework Agreement in the countries where a listing or admission to trading of the Swiss COSI Securities on an exchange is maintained as well as to inform any such exchange or any other bodies about such occurrences.

Liability. The liability of parties to the Framework Agreement to pay damages exists only in cases of gross negligence or intentional misconduct. Further liability is excluded. SIX Swiss Exchange shall only be liable for third parties, which are mandated with the valuation of Swiss COSI Securities, in case of improper selection and instruction of such third parties. Where the payment of pro-rata shares of net liquidation proceeds of Swiss COSI Securities is made via SIX SIS participants to the extent these participants hold the Swiss COSI Securities in accounts at SIX SIS, SIX Swiss Exchange and SIX SIS are liable only for the careful instruction of these SIX SIS participants. If the payment is made via third parties or via SIX SIS participants in respect of Swiss COSI Securities that are not booked to these participants' accounts at SIX SIS, then SIX Swiss Exchange and SIX SIS are liable only for the careful selection and instruction.

No authorisation. Swiss COSI Securities do not constitute collective investment schemes pursuant to the Federal Act on Collective Investment Schemes (CISA). They do not require authorisation or supervision by the Swiss Financial Market Supervisory Authority FINMA.

Congruence with the Programme. This section "Collateral Secured Instruments" corresponds to the SIX Swiss Exchange standard text. The provisions of this section "Collateral Secured Instruments" take precedence in the event of contradiction between this section "Collateral Secured Instruments" and the other content of the Offering Circular.

Additional information. The costs for the service provided by SIX Swiss Exchange with respect to the collateralisation of Swiss COSI Securities may be taken into account for the pricing of Swiss COSI Securities and may therefore be borne by the investors, as the case may be. With regard to the payment of the pro-rata share of the net liquidation proceeds the investor shall bear the solvency risks of SIX Swiss Exchange and the financial intermediaries along the payout chain. The payment to the investors may be delayed for factual or legal reasons. To the extent the calculation of the Current Value of a Swiss COSI Security proves to be incorrect, the collateralisation of the Swiss COSI Securities may be insufficient.

FORM OF NON-COSI GUARANTEE

FOR VALUE RECEIVED, the receipt of which is hereby acknowledged, BANK OF AMERICA CORPORATION, a corporation duly organised and existing under the laws of the State of Delaware ("**BAC**"), hereby unconditionally and irrevocably guarantees (the "**Guarantee**") to the holders (the "**Holders**") of Warrants and Certificates issued on or after the date hereof by Merrill Lynch Capital Markets AG, a stock corporation (*Aktiengesellschaft*) duly organised and existing under the laws of Switzerland and Merrill Lynch International & Co. - (i) the due and punctual payment by the relevant Issuer of any and all amounts payable by such Issuer as obligor in respect of each Security (as defined below); and/or
- (ii) subject as provided below, the due and punctual delivery of non-cash consideration deliverable by the relevant Issuer in respect of each Security, if applicable,

when and as the same shall become due and payable or when the same shall become due for delivery, as the case may be, pursuant to the terms of the Securities issued on or after the date hereof. This Guarantee is one of payment when due and not of collection.

For the avoidance of doubt, any series of Securities originally issued by the relevant Issuer pursuant to a guarantee issued by Merrill Lynch & Co., Inc. or BAC prior to the date hereof (each, an "**Original Guarantee**"), and any Securities issued on or after the date hereof which are expressed to be consolidated and form a single series with any Securities issued prior to the date hereof, shall continue to be governed by, and construed in accordance with, the terms of such Original Guarantee.

Except as provided above, any Securities issued on or after the date hereof shall have the benefit of this Guarantee, but shall not have the benefit of any subsequent guarantee by BAC relating to Securities issued by the relevant Issuer on or after the date of such subsequent guarantee (unless expressly so provided in any such subsequent guarantee).

Notwithstanding that under the terms of the Securities either (i) the relevant Issuer has the right (whether or not exercised) to vary the type of consideration due and payable or deliverable to a Holder or (ii) a Holder has the right (whether or not exercised) to vary the type of consideration due and payable or deliverable to it or (iii) the relevant Issuer is obligated to deliver non-cash consideration to Holders when the same shall become due and deliverable, BAC shall at all times have the right, at its sole and unfettered discretion, to elect not to deliver or procure delivery of the Entitlement to the Holders of such Securities when the same shall become due and deliverable, but, in lieu thereof, to pay an amount in cash equal to the Guaranteed Cash Settlement Amount (calculated pursuant to the terms of, or as specified in, the Final Terms, prepared with respect to such Securities). Any payment of the Guaranteed Cash Settlement Amount in lieu of the Entitlement shall constitute a complete discharge of BAC's obligations in respect of such Securities.

Subject as provided above, in case of the failure of the relevant Issuer punctually to make any such payment or to perform any such delivery obligation, at the time and in the manner required under the terms and conditions of the relevant Securities, BAC hereby agrees to make such payment or to perform such delivery obligation, as the case may be, or cause such payment to be made or to cause such delivery obligation to be performed, as the case may be, promptly upon demand in accordance with the terms of the relevant Securities; such demand must be made by the relevant Holder by the

This Guarantee shall remain in full force and effect or shall be reinstated (as the case may be) if at any time any payment or delivery guaranteed hereunder, in whole or in part, is rescinded or must otherwise be returned by a Holder upon the insolvency, bankruptcy or reorganisation of the relevant Issuer or otherwise, all as though such payment or delivery had not been made.

BAC covenants in favour of each Holder who is a United States Alien or a Netherlands Non-resident that it will duly perform and comply with the obligations expressed to be undertaken by it in Note Condition 9. In particular, if in respect of any payment to be made under this Guarantee, any deduction or withholding for or on account of any present or future tax, assessment or other governmental charge of whatever nature is imposed, BAC shall pay the additional amounts referred to in Note Condition 9, all subject to and in accordance with the provisions of Note Condition 9.

BAC hereby agrees that its obligations hereunder shall be unconditional, irrespective of (i) the validity, regularity or enforceability (except as may result from any applicable statute of limitations) of any Security; (ii) the absence of any action to enforce any of the relevant Issuer's obligations with respect to any Security; (iii) any waiver or consent by any Holder concerning any provision of any Security; (iv) the rendering of any judgment against the relevant Issuer or any action to enforce the same; (v) any change in the relevant Issuer's name, or any reorganisation (whether by way of reconstruction, consolidation, amalgamation, merger, transfer, sale, lease or otherwise) of the relevant Issuer or its business; (vi) any consent by the relevant Issuer to judicial proceedings relating to itself under any applicable bankruptcy, liquidation, insolvency, composition, reorganisation or other similar laws; or (vii) any other circumstances that might otherwise constitute a legal or equitable discharge of a guarantor or a defence of a guarantor. BAC covenants that, subject as provided below, this Guarantee will not be discharged except by complete payment of the amounts payable under each Security and/or the complete performance of any obligation with respect to physical delivery to be performed under each Security, as applicable. This Guarantee shall continue to be effective if the relevant Issuer merges or consolidates with or into another entity, loses its separate legal identity or ceases to exist.

BAC hereby waives diligence; presentment; protest; notice of protest, acceleration or dishonour; filing of claims with any court in the event of insolvency or bankruptcy of the relevant Issuer; all demands whatsoever, except as noted above with respect to demand made by the relevant Holder in accordance with the terms of the relevant Securities; and any right to require a proceeding first against the relevant Issuer.

BAC hereby represents and warrants that this Guarantee constitutes the valid and binding obligation of BAC and is enforceable in accordance with its terms.

The obligations of BAC under this Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, rank *pari passu* with its other present and future unsecured and unsubordinated contractual obligations.

This Guarantee shall not be valid or become obligatory for any purpose with respect to any Security until (i) in the case of a Security other than a Swedish Security, a Swedish Note, a Finnish Security or a Swiss Warrant or Swiss Certificate in uncertificated form, the Global Certificate, the Global Warrant, the Global Note, the Swiss Individual Certificate, the Swiss Individual Warrant Certificate, the Individual Note Certificate, the individual certificate or the individual warrant certificate, as applicable, representing such Security shall have been authenticated as provided in the English Law Agency Agreement; (ii) in the case of a Swedish Security or Swedish Note, the issue of such Swedish Security or Swedish Note, as applicable, has been duly registered in the book-entry system of the Swedish CSD; (iii) in the case of a Finnish Security, the issue of such Finnish Security has been duly registered in the book-entry system of Euroclear Finland; or (iv) in the case of a Swiss Warrant or a Swiss Certificate in uncertificated form, such Swiss Warrant or Swiss Certificate, as the case may be, (A) has been registered as an uncertificated security (*Wertrechte*) in the uncertificated securities book (*Wertrechtbuch*) of the main register (*Hauptregister*) of SIS as intermediated securities (*Bucheffekten*)

within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) and (B) has been entered into the accounts of one or more participants of SIS.

Terms and expressions defined in the English Law Agency Agreement and the applicable Conditions shall have the same meanings when used in this Guarantee, except where the context otherwise requires.

This Guarantee shall be governed by, and construed in accordance with, the laws of the State of New York applicable to agreements made and to be performed in the State of New York.

The Securities are governed by, and construed in accordance with, English law, and the Issuers have submitted to the exclusive jurisdiction of the English courts for the purposes of determining any legal action or proceeding relating thereto. BAC has not submitted to the jurisdiction of the English courts for any such purpose, and any legal action or proceedings arising out of or relating to this Guarantee shall be subject to the exclusive jurisdiction of the federal court in the Borough of Manhattan in the City and State of New York.

This Guarantee may be terminated at any time by written notice by BAC to the Issuers, and shall be effective upon receipt of such notice by the Issuers or such later date as may be specified in such notice; provided, however, that this Guarantee shall continue in full force and effect with respect to any payment or delivery obligation of the Issuers under the Securities covered by this Guarantee already in issue at the date of such termination becoming effective or the Conditions relating thereto arising prior to the effectiveness of such notice of termination.

IN WITNESS WHEREOF, BAC has caused this Guarantee to be executed in its corporate name by its duly authorised representative effective as of 15 November 2013.

FORM OF SWISS COSI SECURITIES GUARANTEE

FOR VALUE RECEIVED, the receipt of which is hereby acknowledged, BANK OF AMERICA CORPORATION, a corporation duly organised and existing under the laws of the State of Delaware ("**BAC**"), hereby conditionally but irrevocably guarantees (the "**Swiss COSI Securities Guarantee**") to the holders (the "**Holders**") of the Swiss COSI Securities issued on or after the date hereof by Merrill Lynch International & Co. C.V., a limited partnership of unlimited duration incorporated under the laws of Curaçao ("**MLICo.**" or the "**Issuer**"), under the terms of the Agency Agreement dated 15 November 2013 (as the same may be amended, supplemented and/or restated from time to time in accordance with the terms thereof, the "**English Law Agency Agreement**") among BAC, Merrill Lynch B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of The Netherlands ("**MLBV**"), Merrill Lynch Capital Markets AG, a stock corporation (*Aktiengesellschaft*) duly organised and existing under the laws of Switzerland ("**MLCMAG**"), MLICo. and the Agents (as defined therein) and in accordance with the SIX Swiss Exchange «Framework Agreement for Collateral Secured Instruments» dated 24 May 2012 (the "**Framework Agreement**"), among the SIX Swiss Exchange Ltd, SIX SIS Ltd., MLICo. and MLCMAG (as "**Collateral Provider**" under the Framework Agreement), the payment obligations of the Issuer to the extent of any Shortfall (as defined below) for the relevant Series of Swiss COSI Securities, upon demand and otherwise in accordance with this Swiss COSI Securities Guarantee. Any and all obligations of BAC hereunder are conditional and secondary, it being understood and agreed that the Holders shall have no right to proceed under this Swiss COSI Securities Guarantee until the SIX Swiss Exchange or other liquidator has liquidated all the collateral relating to the relevant Series of Swiss COSI Securities furnished by the Collateral Provider in accordance with the Framework Agreement and applicable law (the "**Collateral Enforcement Efforts**").

Subject as provided hereunder, in the event that the proceeds and other amounts received by the SIX Swiss Exchange or other liquidator after exhausting all Collateral Enforcement Efforts are insufficient to pay to the Holders the Current Value (as defined in the Framework Agreement) of the relevant Series of Swiss COSI Securities (the "**Shortfall**") and in case of the failure of the Issuer to punctually make payment of any such Shortfall when and as the same shall become due and payable, BAC hereby agrees to pay or cause to be paid promptly upon demand such additional amounts as are necessary to ensure that the Holders receive the Current Value of the relevant Series of Swiss COSI Securities as though there had been no Shortfall; such demand may only be made by the relevant Holders upon written notice to BAC at Bank of America Corporation, Bank of America Corporate Center, Attention: Corporate Treasury—Global Funding Transaction Management, NC1-007-06-11, 100 North Tryon Street, Charlotte, North Carolina 28255, U.S.A., with a copy sent to BAC at Bank of America Corporation, Legal Department, Attention: General Counsel, NC1-027-20-05, 214 North Tryon Street, Charlotte, North Carolina 28255, U.S.A.; provided however, so long as all Collateral Enforcement Efforts have been exhausted, that delay in making such demand shall in no event affect BAC's obligations under this Swiss COSI Securities Guarantee. This Swiss COSI Securities Guarantee shall remain in full force and effect or shall be reinstated (as the case may be) if at any time any amount guaranteed hereunder, in whole or in part, is rescinded or must otherwise be returned by the Holder upon the insolvency, bankruptcy or reorganisation of the Issuer or otherwise, all as though such payment had not been made.

BAC hereby agrees that, so long as all Collateral Enforcement Efforts have been exhausted, its payment obligations hereunder shall not be impaired or made invalid as a result of (i) any flaw in the validity, regularity or enforceability (except as may result from any applicable statute of limitations) of any Swiss COSI Security; (ii) the absence of any action to enforce any of the Issuer's obligations with respect to any Swiss COSI Security; (iii) any waiver or consent by any Holder concerning any provision of any Swiss COSI Security; (iv) the rendering of any judgment against the Issuer or any action to enforce the same; (v) any change in the Issuer's name, or any reorganisation (whether by way of reconstruction, consolidation, amalgamation, merger, transfer, sale, lease or otherwise) of the Issuer or its business; (vi) any consent by the Issuer to judicial proceedings relating to itself under any applicable bankruptcy, liquidation, insolvency, composition, reorganisation or other similar laws; or (vii) any other circumstances that might otherwise constitute a legal or equitable discharge of a guarantor or a defence of a guarantor. BAC covenants that, subject as provided below, this Swiss COSI Securities Guarantee will not be discharged except by complete payment of the amounts equal to any Shortfall. This Swiss COSI Securities Guarantee shall continue to be effective if the Issuer merges or consolidates with or into another entity, loses its separate legal identity or ceases to exist.

Provided that all Collateral Enforcement Efforts have been exhausted, BAC, with respect to the Shortfall, hereby waives diligence; presentment; protest; notice of protest, acceleration or dishonour; filing of claims with any court in the event of insolvency or bankruptcy of the Issuer; all demands whatsoever, except as noted above with respect to demand made by the relevant Holder in accordance with the terms of the relevant Swiss COSI Securities; and any right to require a proceeding first against the Issuer.

BAC hereby represents and warrants that this Swiss COSI Securities Guarantee constitutes the valid and binding obligation of BAC and is enforceable in accordance with its terms.

The obligations of BAC under this Swiss COSI Securities Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, rank *pari passu* with its other present and future unsecured and unsubordinated contractual obligations.

This Swiss COSI Securities Guarantee shall not be valid or become obligatory for any purpose with respect to a Series of Swiss COSI Securities until (a) the Swiss COSI Securities of such Series are issued in uncertificated form, entered into the main register (*Hauptregister*) of SIS and credited to the accounts of one or more participants of SIS such that the relevant Series of Swiss COSI Securities constitutes intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) and (b) the collateral for such Series of Swiss COSI Securities has been furnished by the Collateral Provider in accordance with the Framework Agreement.

Terms and expressions defined in the English Law Agency Agreement and the applicable Conditions shall have the same meanings when used in this Swiss COSI Securities Guarantee, except where the context otherwise requires.

This Guarantee may be terminated at any time by written notice by BAC to the Issuer, and shall be effective upon receipt of such notice by the Issuer or such later date as may be specified in such notice; provided, however, that this Guarantee shall continue in full force and effect with respect to any payment obligation of the Issuer under the Swiss COSI Securities covered by this Swiss COSI Securities Guarantee already in issue at the date of such termination becoming effective or the Conditions relating thereto arising prior to the effectiveness of such notice of termination.

This Swiss COSI Securities Guarantee shall be governed by, and construed in accordance with, the laws of the State of New York applicable to agreements made and to be performed in the State of New York.

The Swiss COSI Securities are governed by, and construed in accordance with, English law; however, BAC has not submitted to the jurisdiction of the English courts for the purpose of determining any legal action or proceeding relating to the Swiss COSI Securities, this Swiss COSI Securities Guarantee or for any other purpose relating to the Swiss COSI Securities, and any legal action or proceeding arising out of or relating to this Swiss COSI Securities Guarantee shall be subject to the exclusive jurisdiction of the federal court in the Borough of Manhattan in the City and State of New York.

BOOK-ENTRY CLEARING SYSTEMS

*The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear, Clearstream, Luxembourg, Clearstream, Frankfurt, Euroclear Finland or Euroclear Sweden (together, the "**Book-Entry Clearing Systems**") currently in effect. Investors wishing to use the facilities of any of the Book-Entry Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Book Entry Clearing System. None of the relevant Issuer, the Guarantor and any agent party to the Agency Agreements will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Securities held through the facilities of any Book-Entry Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.*

Book-entry Systems

DTC

DTC has advised MLICo. that DTC, the world's largest securities depository, is a limited-purpose trust company organised under the New York Banking Law, a "banking organisation" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("**Direct Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerised book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organisations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**"). The DTC rules applicable to its participants are on file with the SEC. More information about DTC can be found at www.dtcc.com.

Under the rules, regulations and procedures creating and affecting DTC and its operations (the "**Rules**"), DTC makes book-entry transfers of Rule 144A Global Warrants held through DTC among Direct Participants on whose behalf it acts with respect to Warrants accepted into DTC's book-entry settlement system ("**DTC Warrants**") as described below and receives and transmits payments on DTC Warrants. Direct Participants and Indirect Participants with which beneficial owners of DTC Warrants ("**Beneficial Owners**") have accounts with respect to the DTC Warrants similarly are required to make book-entry transfers and receive and transmit such payments on behalf of their respective Beneficial Owners. Accordingly, although Beneficial Owners who hold DTC Warrants through Direct Participants or Indirect Participants will not possess definitive Warrants, the Rules, by virtue of the requirements described above, provide a mechanism by which Direct Participants will receive payments and will be able to transfer their interests in respect of the DTC Warrants.

Purchases of DTC Warrants under the DTC system must be made by or through Direct Participants, which will receive a credit for the DTC Warrants on DTC's records. The ownership interest of each actual purchaser of each DTC Warrants being a Beneficial Owner, is in turn to be recorded on the Direct and Indirect Participant's records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Warrants are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Warrants, except in the event that use

of the book-entry system for the DTC Warrants is discontinued or as may otherwise be described in such DTC Warrants.

To facilitate subsequent transfers, all DTC Warrants deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorised representative of DTC. The deposit of DTC Warrants with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect changes in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Warrants; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Warrants are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Under certain circumstances DTC will exchange the DTC Warrants for definitive Warrants, which it will distribute to its Participants in accordance with their proportionate entitlements. Since DTC may only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, any Beneficial Owner desiring to pledge DTC Warrants to persons or entities that do not participate in DTC, or otherwise take actions with respect to such DTC Securities, may be limited in its ability to effect such a pledge.

The information in this section concerning DTC and DTC's book-entry systems has been obtained from sources that MLICo. believes to be reliable, but MLICo. takes no responsibility for the accuracy thereof.

SIX SIS AG

SIX SIS AG has been part of SIX Group since January 2008. SIX Group was formed at the beginning of 2008 through the merger of SWX Group, SIS Group and Telekurs Group.

As both a central securities depository and an international central securities depository, SIX SIS AG offers banks and other financial market participants the safe custody of securities, a full range of custody services and the settlement of securities transactions. SIX SIS AG settles securities transactions worldwide, including transactions in uncertificated securities.

In the Swiss market, SIX SIS AG is part of the so-called Swiss value chain. The links to the SIX Swiss Exchange AG and the payment systems SIC/euro SIC, ensure fully automated settlement in central bank money.

Euroclear Sweden

Euroclear Sweden is a subsidiary within the Euroclear group of companies and a limited liability company incorporated in Sweden. It is authorised and regulated by the Swedish Financial Supervisory Authority as a central securities deposit within the meaning of the Swedish Financial Instruments Accounts Act (1998:1479 (as amended)) and as a clearing organisation within the meaning of the Swedish Securities Markets Act (2007:528 (as amended)).

Swedish Notes and Swedish Securities will be issued in registered, uncertificated and dematerialised book-entry form with Euroclear Sweden in accordance with the Swedish CSD Rules. No physical notes, certificates or other physical instruments (whether in global, temporary or definitive form) will be issued in respect of the Swedish Securities or Swedish Notes other than as specifically allowed in the Terms and Conditions of the Notes and the Terms and Conditions of the W&C Securities.

All transactions relating to the Swedish Securities or the Swedish Notes (such as issuance, sale and transfer, pledge arrangements and other dispositions and redemptions) are executed as computerised book-entry registrations. Consequently, in order to effect such entries Holders must establish a book-entry account through a credit institution or a securities firm acting as an account operator with Euroclear Sweden. More information regarding Euroclear Sweden and its rules and operating procedures can be found at its internet web site at <http://www.euroclear.eu>.

Book-entry Ownership of and Payments in respect of DTC Warrants

If a Rule 144A Global Warrant is to be registered in the name of a nominee of DTC, MLICo. will apply to DTC in order to have the Warrants represented by such Rule 144A Global Warrant accepted in its book-entry settlement system. Upon the issue of any Rule 144A Global Warrant to be held through DTC, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Rule 144A Global Warrant to the accounts of persons who have accounts with DTC. Ownership of beneficial interests in any such Rule 144A Global Warrant will be limited to Direct Participants or Indirect Participants, including the respective depositaries of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in any such Rule 144A Global Warrant held through DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars in respect of a Rule 144A Global Warrant registered in the name of DTC's nominee will be made to the order of such nominee as the registered holder of such Warrant. In the case of any payment in a currency other than U.S. dollars, payment will be made to the U.S. Warrant Agent on behalf of DTC's nominee and the U.S. Warrant Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Rule 144A Global Warrant held through DTC in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable Participants' account.

MLICo. expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. MLICo. also expects that payments by Participants to Beneficial Owners of Warrants will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such Participant and not the responsibility of DTC, the Principal Security Agent, the U.S. Warrant Agent or MLICo. Payments on Warrants to DTC are the responsibility of MLICo.

Transfers of Securities Represented by Global Securities

Transfers of any interests in Securities represented by a Global Warrant within DTC or a Global Security or Global Note within Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt will be effected in accordance with the customary rules and operating procedures of the relevant clearing

system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Warrants represented by a Global Warrant to such persons may depend upon the ability to exchange such Warrants for Warrants in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Warrants represented by a Global Warrant to pledge such Warrants to persons or entities that do not participate in the DTC system or to otherwise take action in respect of such Warrants may depend upon the ability to exchange such Warrants for Warrants in definitive form. The ability of any person having a beneficial interest in Warrants represented by a Global Warrant to resell, pledge or otherwise transfer such Warrants may be impaired if the proposed transferee of such Warrants is not eligible to hold such Warrants through a Direct or Indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Rule 144A Global Warrants and Regulation S/Rule 144A Global Warrants described under "Notice to Purchasers and Holders of Securities and Transfer Restrictions", cross-market transfers between DTC, on the one hand, and directly or indirectly through Euroclear, Clearstream, Luxembourg accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Principal Security Agent, the U.S. Warrant Agent and any custodian ("**Custodian**") with whom the relevant Global Warrants have been deposited.

On or after the Issue Date for any Securities, transfers of such Securities between accountholders in Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt and transfers of such Securities between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Euroclear, Clearstream, Luxembourg and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Euroclear, Clearstream, Luxembourg, on the other, transfers of interests in the relevant Global Warrants will be effected through the Principal Security Agent, the U.S. Warrant Agent and the Custodian receiving instructions (and where appropriate certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear, Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The Warrants will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Global Securities and Global Notes, as the case may be, among participants and accountholders of DTC, Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuers, the Guarantor, the Security Agents and any Dealer will be responsible for any performance by DTC, Euroclear, Clearstream, Luxembourg or Clearstream, Frankfurt or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Securities represented by Global Securities or Global Notes, as the case may be, or for maintaining, supervising or reviewing any records relating to such beneficial interests.

**NOTICE TO PURCHASERS AND HOLDERS OF SECURITIES AND TRANSFER
RESTRICTIONS**

As a result of the following restrictions, purchasers of Securities are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Securities.

Notes issued by BAC

Neither the Notes issued by BAC nor certain of the Entitlements (if any) with respect thereto, have been, or will be, registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**") or under any U.S. state securities laws. The Notes issued by BAC may not be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, within the United States of America (including the U.S. states and the District of Columbia), its territories, its possessions and other areas subject to its jurisdiction (the "**United States**") or to, or for the account or benefit of, U.S. persons (as defined by Regulation S ("**Regulation S**") under the Securities Act) (other than distributors) except in accordance with Regulation S under the Securities Act or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Neither the Notes issued by BAC nor any Entitlement constitute, or have been marketed as, a contract of sale of a commodity for future delivery (or an option thereon) subject to the U.S. Commodity Exchange Act of 1936, as amended (the "**CEA**"), and trading in the Notes issued by BAC has not been approved by the U.S. Commodity Futures Trading Commission pursuant to the CEA.

Consequently, any offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery of any Notes or Certificates made, directly or indirectly, within the United States or to, or for the account or benefit of, a United States Person will not be recognised.

Any person purchasing Notes issued by MLBV or Certificates of any series will be deemed on purchase to represent, acknowledge, certify and agree with the relevant Issuer, the Guarantor, the Dealer or the seller of such Notes or Certificates for itself and any person for whose account such Notes or Certificates are being purchased that:

- (v) prior to the delivery of any Entitlement in respect of a Security settled by Physical Delivery (a "**Physical Delivery Security**") the holder thereof will be required to represent that, *inter alia*,

he is not a United States Person, the Note issued by MLBV or Certificate, as applicable, was not exercised on behalf of a United States Person and no cash, securities or other property have been or will be delivered within the United States or to, or the account or benefit of, a United States Person in connection with any exercise thereof;

- (vi) it acknowledges that the Global Notes issued by MLBV and Global Certificates will bear a legend substantially to the following effect unless otherwise agreed to by the applicable Issuer:

Trend Information

In the United States, economic growth continued at a modest pace in the third quarter of 2013, led by retail sales and a continued recovery in the housing market. However, the economy was adversely affected by weak service spending gains and the continued impact of lower U.S. federal government expenditures. Modest employment gains continued during the third quarter of 2013, with minor declines in the unemployment rate. Core inflation fell, ending the third quarter of 2013 near one per cent. on an annual basis, below the longer-term inflation target of two per cent. set by the Federal Reserve Board.

The Federal Reserve Board announced during the third quarter of 2013 its decision to await more evidence that economic progress will be sustained before adjusting the pace of its securities purchases of agency mortgage-backed securities and long-term U.S. Treasury securities, and maintained its forward guidance on interest rates expressed in terms of economic thresholds which began in December 2012. Sequestration remained in effect at third quarter 2013-end. Despite ongoing fiscal uncertainties and international economic difficulties, U.S. equities posted gains during the third quarter of 2013. As the third quarter of 2013 ended, uncertainty increased surrounding the extension of the U.S. federal government's budget and an extension of the debt ceiling. However, both issues were temporarily resolved on 16 October 2013 with the extension of the U.S. federal government's budget until 15 January 2014 and the extension of the debt ceiling until 7 February 2014, setting the stage for potential further uncertainty.

Internationally, during the third quarter of 2013, most key European and Asian economies demonstrated economic growth, with particularly robust economic growth in the United Kingdom and Japan. The Eurozone continued to demonstrate a reduced level of financial anxiety as its recession ended with a return to economic growth. China also demonstrated signs of economic stability, though a now slower pace of growth seems likely to prevail.

ERISA MATTERS

Any discussion of United States federal tax issues set forth in this Offering Circular was written in connection with the promotion and marketing of the Securities by BAC, MLB, MLCMAG, MLICo., the Dealers and the Managers (as applicable). Such discussion was not intended or written to be legal or tax advice to any person and was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any United States federal tax penalties that may be imposed on such person. Each person considering an investment in the Securities should seek advice based on its particular circumstances from an independent tax advisor.

BAC and certain affiliates of BAC may each be considered a "party in interest" within the meaning of the U.S. Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), or a "disqualified person" within the meaning of the Code with respect to employee benefit plans subject to Section 406 of ERISA and individual retirement accounts, Keoghs and other plans subject to Section 4975 of the Code (collectively, "**Covered Plans**"), or to have a similar relationship with governmental, church or non-U.S. plans that are subject to U.S. federal, state, local or non-U.S. laws that are substantially similar to Section 406 of ERISA or Section 4975 of the Code (collectively, "**Other Plans**"). Certain transactions between such a Covered Plan and a party in interest or disqualified person may result in "prohibited transactions" within the meaning of ERISA and the Code, and certain transactions between an Other Plan and a person with a similar relationship to an Other Plan may be similarly prohibited under other U.S. federal, state, local or non-U.S. laws, unless such transactions are effected pursuant to an applicable exemption.

In addition, certain regulatory requirements applicable under ERISA could cause investments by a Covered Plan in the Securities (whether directly or indirectly) to be deemed to include not only the purchased Securities but also an undivided interest in each of the underlying assets of the relevant Issuer. In the absence of an applicable exception to this general rule, the relevant Issuer could be considered to hold assets of the investing Covered Plan ("**plan assets**") such that the relevant Issuer and persons providing services in connection with such plan assets might be considered "parties in interest" or "disqualified persons" with respect to the investing Covered Plan and could be governed by the fiduciary responsibility provisions of Title I of ERISA and subject to and the prohibited transaction provisions referenced above. If this were the case, certain actions taken by the relevant Issuer or service provider regarding those plan assets could be deemed to be a breach of such Issuer's or service provider's fiduciary obligations under Title I of ERISA or a prohibited transaction under ERISA or the Code. Similarly, investments by an Other Plan in the Securities (whether directly or indirectly) may cause the relevant Issuer to be considered to hold assets of the investing Other Plan pursuant to other U.S. federal, state, local or non-U.S. laws and subject the relevant Issuer and persons providing services in connection with such assets to similar fiduciary and prohibited transaction requirements pursuant to such laws.

Under ERISA and various prohibited transaction class exemptions ("**PTCEs**") issued by the U.S. Department of Labor, exemptive relief may be available for direct or indirect prohibited transactions resulting from the purchase, holding or disposition of the Securities by or on behalf of, or with the plan assets of, Covered Plans. Those exemptions include PTCE 96-23 (for certain transactions determined by in-house asset managers), PTCE 95-60 (for certain transactions involving insurance company general accounts), PTCE 91-38 (for certain transactions involving bank collective investment funds), PTCE 90-1 (for certain transactions involving insurance company pooled separate accounts), and PTCE 84-14 (for certain transactions determined by independent qualified professional asset managers). In addition, Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code provide statutory exemptive relief for certain arm's-length transactions with a person that is a party in interest solely by reason of providing services to employee benefit plans or being an affiliate of such a service provider. There may be similar exemptive relief under other U.S. federal, state, local or non-U.S. laws for transactions by or on behalf of, or with the assets of, Other Plans.

Because BAC and certain of its affiliates may be considered a party in interest or disqualified person with respect to many Covered Plans, or a person with a similar relationship to many Other Plans, the Securities may not be purchased, held or disposed of by any Covered Plan or Other Plan, any entity whose underlying assets include plan assets by reason of any Covered Plan's investment in the entity or assets of an Other Plan by reason of any Other Plan's investment in the entity, or any person investing on behalf of or with plan assets of any Covered Plan or on behalf of or with assets of any Other Plan, unless such purchase, holding or disposition is eligible for statutory or administrative exemptive relief

or such purchase, holding or disposition is otherwise not prohibited. Any purchaser, including any fiduciary purchasing on behalf of a Covered Plan or Other Plan, transferee or holder of the Securities will be deemed to have represented, in its corporate and its fiduciary capacity, by its purchase and holding of the securities that either (a) it is not a Covered Plan or Other Plan or an entity whose underlying assets include plan assets by reason of any Covered Plan's investment in the entity or an entity whose underlying assets include assets of an Other Plan by reason of any Other Plan's investment in the entity, and is not purchasing such securities on behalf of or with plan assets of any Covered Plan or on behalf of or with any assets of an Other Plan; or (b) its purchase, holding and disposition are eligible for exemptive relief or such purchase, holding and disposition are not prohibited by ERISA or Section 4975 of the Code (or in the case of an Other Plan any substantially similar federal, state, local or foreign law). In addition, any acquisition, purchase or holding of the Securities by or on behalf of any Covered Plan or Other Plan, or with the plan assets of any Covered Plan or assets of any Other Plan, may be conditioned on BAC and the relevant Issuer's obtaining comfort to its or their satisfaction that such acquisition, purchase or holding will not cause any assets of the relevant Issuer to be treated as plan assets for the purposes of ERISA or any regulation thereunder (or in the case of an Other Plan, as assets of the Other Plan under any other U.S. federal, state, local or non-U.S. law).

A fiduciary purchasing Securities on behalf of or with plan assets of any Covered Plan should determine whether the investment is in accordance with the documents and instruments governing the plan and the applicable provisions of ERISA and the Code relating to a fiduciary's duties to the plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA and the Code. A person purchasing Securities on behalf of or with assets of an Other Plan should make the same determination in light of any U.S. federal, state, local or non-U.S. laws applicable to such plan. Due to the complexity of the rules discussed in this section and the penalties that may be imposed upon persons involved in fiduciary breaches or non-exempt prohibited transactions, it is particularly important that fiduciaries or other persons considering purchasing Securities on behalf of or with plan assets of any Covered Plan (or on behalf of or with assets of any Other Plan) consult with their legal and tax counsel regarding the potential consequences of the investment and the availability of exemptive relief.

TAXATION

The following comments are of a general nature and apply only to the jurisdiction stated, are based on the Issuers' understanding of current law and practice and are included in this Offering Circular solely for information purposes. These comments are not intended to be, nor should they be regarded as, legal or tax advice. The precise tax treatment of a holder of an instrument that is either a note ("Notes"), warrant ("Warrants") or certificate ("Certificates") will depend for each issue on the terms of the Notes, Warrants or Certificates, as specified in the "Terms and Conditions of the Notes" or the "Terms and Conditions of the W&C Securities" (as applicable), as amended and supplemented by the applicable Final Terms under the law and practice at the relevant time. Prospective holders of Notes, Warrants or Certificates should consult their own tax advisers in all relevant jurisdictions to obtain advice about their particular tax treatment in relation to such Notes, Warrants or Certificates.

UNITED STATES FEDERAL INCOME TAXATION

TO ENSURE COMPLIANCE WITH UNITED STATES TREASURY DEPARTMENT CIRCULAR 230, HOLDERS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF UNITED STATES FEDERAL TAX ISSUES HEREIN IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON BY HOLDERS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON HOLDERS UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS INCLUDED HEREIN BY THE ISSUERS IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF CIRCULAR 230) BY THE ISSUERS AND ANY DEALER OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) HOLDERS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

General

Except with respect to the discussion under "Securities Other Than Notes Issued by BAC—Rule 144A Warrants subject to LEPW Conditions", the following is a summary of certain United States federal income tax considerations applicable to an investment in the Securities by holders who are United States Aliens (as defined in the "Terms and Conditions of the Notes") who are the original purchasers of the Securities and who have not purchased, and do not hold, the Securities in connection with a United States trade or business. For purposes of the following discussion, it is assumed that no Securities in bearer form are issued other than Certificates and Warrants cleared through Clearstream, Frankfurt which will be treated as in registered form for United States federal income tax purposes.

If an entity or arrangement treated as a partnership for United States federal income tax purposes holds the Securities, the United States federal income tax treatment of a partner generally will depend upon the status of the partner and the activities of the partnership. A partner of a partnership holding the Securities should consult its own tax advisor regarding the United States federal income tax consequences to the partner of the acquisition, ownership and disposition by the partnership of the Securities. In addition, this summary is for general information only, and does not purport to discuss all aspects of United States federal income taxation that may be important to a particular holder in light of its circumstances or to holders subject to special tax rules, such as trusts, estates, controlled foreign corporations, passive foreign investment companies, personal holding companies, or the beneficiaries or shareholders of such entities.

Notes Issued by BAC

Notes Other Than Structured Notes

In respect of Notes issued by BAC other than Notes that are specified as "Structured Notes" in the applicable Final Terms, under the United States federal income tax laws as in effect on the date of this Offering Circular, and subject to the discussion below, payments of principal and interest (including original issue discount), if any, by the Issuer or any Paying Agent (acting in its capacity as such), to any holder of such Note who is a United States Alien holder generally will not be subject to United States federal income or withholding tax, in the case of interest (including original issue discount), provided that:

- (a) such holder does not actually or constructively own 10 per cent. or more of the total combined voting power of all classes of stock of the Issuer entitled to vote;
- (b) such holder is not a controlled foreign corporation for United States federal income tax purposes that is related to the Issuer (directly or indirectly) through stock ownership;
- (c) the interest is not received by a bank on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (d) the interest is not effectively connected with the conduct of a trade or business within the United States; and
- (e) either (i) the holder provides the Issuer (or any paying agent) with a statement which sets forth its address, and certifies, under penalties of perjury, that it is not a United States person (which certification generally may be made on an IRS Form W-8BEN (or successor form)) or (ii) a financial institution holding the Note on behalf of the holder certifies, under penalties of perjury (which certification generally may be made on an IRS Form W-8IMY (or successor form)), that it has received and will provide the Issuer (or the paying agent) with a statement described in (i) above (the "**Certification Requirement**").

Payments to United States Alien holders not meeting the requirements set forth above are subject to withholding at a rate of 30 per cent. unless (A) the holder is engaged in a trade or business in the United States and the holder provides a properly executed IRS Form W-8ECI (or successor form) certifying that the payments are effectively connected with the conduct of a trade or business in the United States, or (B) the holder provides a properly executed IRS Form W-8BEN (or successor form) claiming an exemption from, or reduction in the rate of, withholding under the benefit of a tax treaty. To claim benefits under an income tax treaty, a United States Alien holder must obtain a taxpayer identification number and certify as to its eligibility under the appropriate treaty's limitations on benefits article. In addition, special rules may apply to claims for treaty benefits made by holders that are entities rather than individuals. Under section 871(h)(4)(A) of the Code, payments of certain types of contingent interest to a United States Alien holder (or any foreign partnership without regard to its status as a United States Alien) may be subject to United States withholding tax equal to 30 per cent. of each such payment (or such lower amounts as provided by treaty). If any Note not specified as a Structured Note in the applicable Final Terms bears contingent interest, the applicable Final Terms will specify if interest payments on such Notes are subject to any United States withholding taxes.

Structured Notes

Certain Notes issued by BAC will be specified as "Structured Notes" in the applicable Final Terms. The applicable Final Terms will indicate whether the Issuer will withhold or does not intend to withhold any United States taxes in respect of any payments on Structured Notes. Except to the extent specified in the applicable Final Terms, the Issuer or its agent generally intends to withhold on all payments designated as "interest" in the applicable Final Terms (and other amounts subject to withholding) on Structured Notes that are not treated as indebtedness for United States federal income tax purposes, without being required to pay any additional amounts with respect to amounts withheld. Except to the extent specified in the Final Terms, while the United States federal income and withholding tax treatment of a Structured Note will generally depend on the particular terms of such Note, subject to the discussion below, the Issuer generally does not intend to withhold United States federal income tax with respect to payments on Structured Notes that are treated as indebtedness for United States federal income tax purposes, including payments of principal and interest (including original issue discount), if any, by the Issuer or any Paying Agent (acting in its capacity as such) to any holder of such a Note who is a United States Alien, provided that, in the case of interest (including original issue discount), the requirements of (a) through (e) under "Notes Other Than Structured Notes" above are met for all Notes. All holders should consult the applicable Final Terms as to the Issuer's intention with respect to withholding. Except to the limited extent set forth in the Terms and Conditions and the applicable Final Terms, the Issuer does not assume any liability for the payment of any tax which it withholds on Structured Notes or any additional amount in respect thereof.

Special rules may apply to payments that are treated as dividends or "dividend equivalents" for certain United States federal income tax purposes. The Issuer or its agent will withhold on such payments to the extent required by law notwithstanding any indication to the contrary in the applicable Final Terms.

A "dividend equivalent" payment is treated as a dividend from sources within the United States and such payments generally would be subject to a 30 per cent. United States withholding tax if paid to a United States Alien holder. Under proposed United States Treasury Department (the "Treasury") regulations, certain payments that are contingent upon or determined by reference to United States source dividends, including payments reflecting adjustments for dividends or extraordinary dividends, with respect to equity-linked instruments, including certain Notes, may be treated as "dividend equivalents". If adopted in their current form, the regulations would impose a withholding tax on payments made on certain Notes on or after January 1, 2014 that are treated as "dividend equivalents". In that case, we (or our agent) would be entitled to withhold taxes without being required to pay any additional amounts with respect to amounts so withheld. Further, United States Alien holders may be required to provide certifications prior to, or upon the sale, redemption or maturity of the notes in order to minimize or avoid United States withholding taxes.

The United States federal income and withholding tax consequences applicable to certain Structured Notes are uncertain. No statutory, judicial, or administrative authority directly addresses the characterization of such Notes or notes similar to such Notes for United States federal income, withholding, or other tax purposes. All holders should consult their tax advisors regarding the United States federal income and withholding tax consequences to them of holding such Notes.

The IRS has released a notice (the "**Notice**") in which it sought comments on the taxation of financial instruments referred to as "prepaid forward contracts". According to the Notice, the IRS and Treasury are considering whether a holder of such an instrument should be required to accrue ordinary income on a current basis, regardless of whether any payments are made prior to maturity. The IRS and Treasury are also considering additional issues, including whether foreign holders of such instruments should be subject to withholding tax on any deemed income accruals. It is not possible to determine what guidance the IRS and Treasury will ultimately issue, if any, and whether any such guidance would be retroactive. Any such guidance may affect the United States federal income and withholding tax treatment of Structured Notes.

Securities Other Than Notes Issued by BAC

Securities Other Than Rule 144A Warrants subject to LEPW Conditions

While the United States federal income and withholding tax treatment of a Security will generally depend on the particular terms of such Security, the relevant Issuer, except as otherwise indicated in the applicable Final Terms or as described below, generally does not intend to withhold United States federal income tax with respect to payments (other than payments treated as dividends or "dividend equivalents" pursuant to United States federal income tax law), including payments of principal and interest (including original issue discount), if any, by the relevant Issuer or any Paying Agent or Security Agent (acting in its capacity as such) outside the United States to any holder of a Security who is a United States Alien.

Special rules may apply to payments treated as contingent interest or as dividends for certain United States federal income tax purposes.

As noted above, special rules may apply to payments that are treated as dividends or "dividend equivalents" for certain United States federal income tax purposes. The relevant Issuer or its agent will withhold on such payments to the extent required by law. A "dividend equivalent" payment is treated as a dividend from sources within the United States and such payments generally would be subject to a 30 per cent. United States withholding tax if paid to a United States Alien holder. Under proposed Treasury regulations, certain payments that are contingent upon or determined by reference to United States source dividends, including payments reflecting adjustments for dividends or extraordinary dividends, with respect to equity-linked instruments, including certain Securities, may be treated as "dividend equivalents". If adopted in their current form, the regulations would impose a withholding tax on payments made on certain Securities on or after 1 January 2014 that are treated as "dividend equivalents". In that case, we (or our agent) would be entitled to withhold taxes without being required to pay any additional amounts with respect to amounts so withheld. Further, United States Alien holders may be required to provide certifications prior to, or upon the sale, redemption or maturity of the Securities in order to minimise or avoid United States withholding taxes.

Neither the relevant Issuer nor the Guarantor assumes any liability for the payment of any tax which it is required to withhold or any additional amount in respect thereof, except that in certain circumstances set forth in Condition 9 of the "Terms and Conditions of the Notes", additional amounts may be paid with respect to a Note in connection with taxes. The United States federal income and withholding tax consequences of certain Securities linked to Underlying Asset(s) are uncertain. No statutory, judicial, or administrative authority directly addresses the characterisation of such Securities or securities similar to such Securities for United States federal income, withholding, or other tax purposes. All holders should consult their tax advisors regarding the United States federal income and withholding tax consequences to them of holding such Securities.

As noted above, the IRS released the Notice in which it sought comments on the taxation of financial instruments referred to as "prepaid forward contracts". According to the Notice, the IRS and Treasury are considering whether a holder of such an instrument should be required to accrue ordinary income on a current basis, regardless of whether any payments are made prior to maturity. The IRS and Treasury are also considering additional issues, including whether foreign holders of such instruments should be subject to withholding tax on any deemed income accruals. It is not possible to determine what guidance the IRS and Treasury will ultimately issue, if any, and whether any such guidance would be retroactive. Any such guidance may affect the United States federal income and withholding tax treatment of the Securities.

A United States Alien holder generally will not be subject to United States federal income tax on any gain realised on the sale, exchange, or retirement of a Security (other than gains treated as dividends or "dividend equivalents" pursuant to United States federal income tax law), provided that (a) the gain is not effectively connected with the conduct of trade or business within the United States, or a permanent establishment maintained in the United States if certain tax treaties apply, (b) in the case of a United States Alien holder that is an individual, the United States Alien holder is not present in the United States for 183 days or more in the taxable year of the sale, exchange or retirement of the Security, (c) the Security is not a "United States real property interest" for United States federal income tax purposes, and (d) the United States Alien holder is not subject to tax pursuant to certain provisions of United States federal income tax law applicable to certain expatriates.

In general, United States backup withholding and information reporting should not apply to payments on the Securities (except with respect to dividends or dividend equivalents) held by a United States Alien holder and received outside the United States through a non- United States bank or other non-United States financial institution. Proceeds of sales and payments on the Securities received within the United States or through certain United States related financial institutions may be subject to backup withholding and information reporting unless the United States Alien holder complies with applicable certification procedures to establish that it is not a United States person and the relevant Issuer does not have actual knowledge or reason to know that the certification is false (or such holder otherwise establishes an exemption). The treatment of Securities for purposes of United States backup withholding tax and information reporting requirements will generally depend on the particular terms of such Security, the characteristics of the person or entity making a payment and the payee, and the circumstances of payment. Holders should consult their own tax advisors regarding the application of the backup withholding tax and information reporting rules.

Rule 144A Warrants subject to LEPW Conditions

The following is a summary of certain United States federal income tax considerations applicable to the acquisition, ownership, and disposition of certain Rule 144A Warrants that are subject to the LEPW Conditions (the "**Rule 144A LEPW**"). The following discussion is not exhaustive of all possible tax considerations. This summary is based upon the Code, regulations promulgated under the Code by the United States Treasury (including proposed and temporary regulations), rulings, current administrative interpretations and official pronouncements of the IRS, and judicial decisions, all as currently in effect and all of which are subject to differing interpretations or to change, possibly with retroactive effect. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax consequences described below.

This summary is for general information only, and does not purport to discuss all aspects of United States federal income taxation that may be important to a particular holder in light of its investment or tax circumstances or to holders subject to special tax rules, such as partnerships (or entities or arrangements treated as partnerships for United States federal income purposes), subchapter S

corporations, or other pass-through entities, banks, financial institutions, tax-exempt entities, insurance companies, regulated investment companies, real estate investment trusts, trusts and estates, dealers in securities or currencies, traders in securities that have elected to use the mark-to-market method of accounting for their securities, persons holding a Rule 144A LEPW as part of an integrated investment, including a "straddle", "hedge", "constructive sale", or "conversion transaction", persons whose functional currency for tax purposes is not the United States dollar, persons holding a Rule 144A LEPW in a tax-deferred or tax-advantaged account, and persons subject to the alternative minimum or medicare contribution tax provisions of the Code. This summary does not include any description of the tax laws of any state or local governments, or of any foreign government, that may be applicable to a particular holder.

This summary is directed solely to United States Holders (as defined below) that, except as otherwise specifically noted, will purchase a Rule 144A LEPW upon original issuance and will hold the Rule 144A LEPW as a capital asset within the meaning of Section 1221 of the Code, which generally means property held for investment.

Holders should consult their own tax advisor concerning the United States federal income tax consequences to them of acquiring, owning, and disposing of a Rule 144A LEPW, as well as any tax consequences arising under the laws of any state, local, foreign, or other tax jurisdiction and the possible effects of changes in United States federal or other tax laws.

As used herein, the term "United States Holder" means a beneficial owner of a Rule 144A LEPW that is for United States federal income tax purposes:

- a citizen or resident of the United States; or
- a corporation (including an entity treated as a corporation for United States federal income tax purposes) created or organised in or under the laws of the United States or of any state of the United States or the District of Columbia.

Although there is no statutory, judicial, or administrative authority directly addressing the characterisation of a Rule 144A LEPW, the relevant Issuer intends to treat the Rule 144A LEPW for all tax purposes as a single financial contract linked to the underlying index or shares. This discussion assumes that a Rule 144A LEPW constitutes a single financial contract linked to the underlying index or shares for United States federal income tax purposes. If a Rule 144A LEPW does not constitute a single financial contract, the tax consequences described below would be materially different.

This characterisation of a Rule 144A LEPW is not binding on the IRS or the courts. No statutory, judicial, or administrative authority directly addresses the characterisation of a Rule 144A LEPW or any similar instruments for United States federal income tax purposes, and no ruling is being requested from the IRS with respect to its proper characterisation and treatment. Due to the absence of authorities on point, significant aspects of the United States federal income tax consequences of an investment in a Rule 144A LEPW are not certain, and no assurance can be given that the IRS or any court will agree with the characterisation and tax treatment described herein. Accordingly, holders are urged to consult their tax advisor regarding all aspects of the United States federal income tax consequences of an investment in a Rule 144A LEPW, including possible alternative characterisations.

As noted above, the IRS released the Notice in which it sought comments on the taxation of financial instruments referred to as "prepaid forward contracts". According to the Notice, the IRS and Treasury are considering whether a holder of such an instrument should be required to accrue ordinary income on a current basis, regardless of whether any payments are made prior to maturity or settlement. The IRS and Treasury are also considering additional issues, including whether foreign holders of such instruments should be subject to withholding tax on any deemed income accruals. It is not possible to determine what guidance the IRS and Treasury will ultimately issue, if any, and whether any such guidance would be retroactive. Any such guidance may affect the United States federal income and withholding tax treatment of a Rule 144A LEPW.

Holders are urged to consult their own tax advisor concerning the impact and the significance of the above considerations. The relevant Issuer intends to continue treating a Rule 144A LEPW for United States federal income tax purposes in the manner described herein unless and until such time as the relevant Issuer, the IRS or Treasury determines, that some other treatment is more appropriate.

Unless otherwise stated, the following discussion is based on the characterisation described above. The discussion in this section assumes that there is a significant possibility of a significant loss of principal on an investment in a Rule 144A LEPW.

The relevant Issuer will not attempt to ascertain whether any of the entities whose stock is included in an underlying index or the issuer of any underlying shares is a "passive foreign investment company" ("PFIC") within the meaning of Section 1297 of the Code or a "financial asset" within the meaning of Section 1260 of the Code. If any of the entities whose stock is included in the underlying index or the issuer of any underlying shares were so treated, certain adverse United States federal income tax consequences could possibly apply. Holders should consult their tax advisor regarding the possible consequences to them in this regard.

Although the United States federal income tax treatment of any Additional Amounts paid with respect to a share linked Rule 144A LEPW is uncertain, the relevant Issuer intends to take the position, and the following discussion assumes, that any such Additional Amounts constitute taxable ordinary income to a United States Holder at the time received or accrued in accordance with the holder's regular method of accounting.

Subject to the final sentence of this paragraph, upon receipt of a cash payment on the settlement date or upon a sale or exchange of a Rule 144A LEPW prior to exercise, a United States Holder generally should recognise capital gain or loss equal to the difference between the amount realised and the holder's basis in the Rule 144A LEPW. This capital gain or loss generally will be long-term capital gain or loss if the United States Holder held the Rule 144A LEPW for more than one year. The deductibility of capital losses is subject to limitations. For this purpose, however, the relevant Issuer can provide no assurance on the proper treatment of the portion of the cash settlement amount, if any, equal to a fixed percentage p.a. of the issue price (the "**outperformance payment**") and the IRS may successfully assert that any amount attributable to the outperformance payment should be treated as ordinary income rather than as part of the amount realised.

Due to the absence of authorities that directly address the proper tax treatment of a Rule 144A LEPW, prospective investors are urged to consult their tax advisor regarding all possible alternative tax treatments of an investment in a Rule 144A LEPW. For example, the IRS could seek to treat a Rule 144A LEPW as a single debt instrument. If the IRS were successful in that regard, the timing and character of income on a Rule 144A LEPW would be affected significantly. In that case, if a Rule 144A LEPW has a term that exceeds one year, a United States Holder would generally be required to accrue interest currently over the term of the Rule 144A LEPW. In addition, any gain a United States Holder might recognise upon the settlement or upon a sale or exchange of the Rule 144A LEPW prior to exercise would be ordinary income and any loss recognised by a holder at such time would be ordinary loss to the extent of interest that same holder included in income in the current or previous taxable years in respect of the Rule 144A LEPW, and thereafter, would be capital loss. If the Rule 144A LEPW is treated as a single debt instrument that has a term of no more than one year, it would be treated as a single contingent short-term debt instrument, which would also result in tax consequences that are different from those described above. Other alternative United States federal income tax characterisations of a Rule 144A LEPW are possible, which, if applied, also could affect the timing and the character of a United States Holder's income or loss.

In general, backup withholding may apply in respect of the amounts paid to a United States Holder, unless such United States Holder provides proof of an applicable exemption or a correct taxpayer identification number, or otherwise complies with applicable requirements of the backup withholding rules. In addition, information returns will be filed with the IRS in connection with payments on the Rule 144A LEPW as well as in connection with the proceeds from a sale, exchange, or other disposition of the Rule 144A LEPW, unless the United States Holder provides proof of an applicable exemption from the information reporting rules. Any amounts withheld under the backup withholding rules will be allowed as a refund or a credit against a United States Holder's United States federal income tax liability provided the required information is furnished to the IRS.

The Foreign Account Tax Compliance Act

The Foreign Account Tax Compliance Act ("**FATCA**") (Sections 1471 through 1474 of the Code) will impose a 30 per cent. United States withholding tax on certain United States source payments, including interest (and original issue discount), dividends (and dividend equivalents), or other fixed or

determinable annual or periodical gain, profits, and income, and on the gross proceeds from a disposition of property of a type which can produce United States source interest or dividends ("**Withholdable Payments**"), if paid to a foreign financial institution (including amounts paid to a foreign financial institution on behalf of a holder), unless such institution enters into an agreement with the United States Treasury to collect and provide to the United States Treasury substantial information regarding United States account holders, including certain account holders that are foreign entities with United States owners, with such institution. A Security may constitute an account for these purposes. The legislation also generally imposes a withholding tax of 30 per cent. on Withholdable Payments made to a non-financial foreign entity unless such entity provides the withholding agent with a certification that it does not have any substantial United States owners or a certification identifying the direct and indirect substantial United States owners of the entity. Under certain circumstances, a holder may be eligible for refunds or credits of such taxes.

In addition, under FATCA, "passthru payments" made by a foreign financial institution to "recalcitrant holders" or non-compliant foreign financial institutions are subject to a 30 per cent. United States withholding tax. A "recalcitrant holder" generally is a holder of an account with a foreign financial institution that fails to comply with reasonable requests for information that will help enable the relevant foreign financial institution to comply with its reporting requirements (a Security may constitute an account for these purposes). Pursuant to United States Treasury regulations, a passthru payment is any Withholdable Payment and any "foreign passthru payment", which has yet to be defined. Under the regulations, the 30 per cent. United States withholding tax on "recalcitrant holders" or non-compliant foreign financial institutions may be imposed on United States source payments (e.g. dividend equivalent payments) made by an Issuer with respect to the Securities after 30 June 2014 and on non-United States source payments made by an Issuer with respect to the Securities after 31 December 2016.

These withholding and reporting requirements will generally apply to payments made after 30 June 2014 and if the relevant Issuer determines withholding is appropriate with respect to the Securities, the relevant Issuer will withhold tax at the applicable statutory rate without being required to pay any additional amounts with respect to amounts so withheld. However, the withholding tax will not be imposed on payments pursuant to obligations outstanding on 1 July 2014 or on obligations giving rise to withholdable payments solely because payments are treated as dividend equivalent payments if the obligation is outstanding six months after the date on which the obligation becomes subject to such treatment. Foreign financial institutions and non-financial foreign entities located in jurisdictions that have an intergovernmental agreement with the United States governing FATCA may be subject to different rules. Holders are urged to consult with their own tax advisors regarding the possible implications of FATCA on their investment in the Securities.

THE UNITED STATES FEDERAL INCOME TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY AND MAY OR MAY NOT BE APPLICABLE DEPENDING UPON A HOLDER'S PARTICULAR SITUATION. HOLDERS SHOULD CONSULT THEIR OWN TAX ADVISERS WITH RESPECT TO THE TAX CONSEQUENCES TO THEM OF THE OWNERSHIP AND DISPOSITION OF THE SECURITIES, INCLUDING THE TAX CONSEQUENCES UNDER STATE, LOCAL, FOREIGN AND OTHER TAX LAWS AND THE POSSIBLE EFFECTS OF CHANGES IN FEDERAL OR OTHER TAX LAWS.

DUTCH TAXATION

The following is a general summary and the tax consequences as described here may not apply to a Holder of Securities (as defined below). Any potential investor should consult his tax adviser for more information about the tax consequences of acquiring, owning and disposing of Notes, Warrants or Certificates (together referred to as "**Securities**") in his particular circumstances.

This taxation summary solely addresses the principal Dutch tax consequences of the acquisition, ownership and disposal of Securities issued on or after the date of this Offering Circular. It does not consider every aspect of taxation that may be relevant to a particular Holder of Securities under special circumstances or who is subject to special treatment under applicable law. Where in this summary English terms and expressions are used to refer to Dutch concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Dutch concepts under Dutch tax law. Where in this taxation summary the terms "The Netherlands" and "Dutch" are used,

these refer solely to the European part of the Kingdom of The Netherlands. This summary assumes that the relevant Issuer is organised, and that its business will be conducted, in the manner outlined in this Offering Circular. A change to such organisational structure or to the manner in which the relevant Issuer conducts its business may invalidate the contents of this summary, which will not be updated to reflect any such change.

This summary is based on the tax law of The Netherlands (unpublished case law not included) as it stands at the date of this Offering Circular. The law upon which this summary is based is subject to change, possibly with retroactive effect. Any such change may invalidate the contents of this summary, which will not be updated to reflect such change. This summary assumes that each transaction with respect to Securities is at arm's length.

Where in this Dutch taxation paragraph reference is made to a "Holder of Securities", that concept includes, without limitation:

1. an owner of one or more Securities who in addition to the title to such Securities has an economic interest in such Securities;
2. a person who or an entity that holds the entire economic interest in one or more Securities;
3. a person who or an entity that holds an interest in an entity, such as a partnership or a mutual fund, that is transparent for Dutch tax purposes, the assets of which comprise one or more Securities, within the meaning of 1. or 2. above; or
4. a person who is deemed to hold an interest in Securities, as referred to under 1. to 3., pursuant to the attribution rules of article 2.14a, of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*), with respect to property that has been segregated, for instance in a trust or a foundation.

Withholding tax

All payments under Securities may be made free from withholding or deduction of or for any taxes of whatever nature imposed, levied, withheld or assessed by The Netherlands or any political subdivision or taxing authority of or in The Netherlands, except where Securities are issued under such terms and conditions that such Securities are capable of being classified as equity of the relevant Issuer for Dutch tax purposes or actually function as equity of the relevant Issuer within the meaning of article 10, paragraph 1, letter d, of the Dutch Corporation Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*) and where Securities are issued that are redeemable in exchange for, convertible into or linked to shares or other equity instruments issued or to be issued by the relevant Issuer or by any entity related to the relevant Issuer.

Taxes on income and capital gains

Resident Holders of Securities

The summary set out in this section "Dutch Taxation - Taxes on income and capital gains - Resident Holders of Securities" applies only to a Holder of Securities who is a "Dutch Individual" or a "Dutch Corporate Entity".

A Holder of Securities is a "Dutch Individual" if:

- he is an individual; and
- he is resident, or deemed to be resident, in The Netherlands for Dutch income tax purposes, or has elected to be treated as a resident of The Netherlands for Dutch income tax purposes.

A Holder of Securities is a "Dutch Corporate Entity" if:

- it is a corporate entity (*lichaam*), including an association that is taxable as a corporate entity, that is subject to Dutch corporation tax;
- it is resident, or deemed to be resident, in The Netherlands for Dutch corporation tax purposes;

- it is not an entity that, although in principle subject to Dutch corporation tax, is, in whole or in part, specifically exempt from that tax;
- the benefits derived from Securities held by it are not exempt in its hands under the participation exemption (as laid down in the Dutch Corporation Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*)); and
- it is not an investment institution (beleggingsinstelling) as defined in the Dutch Corporation Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*).

If a Holder of Securities is not an individual and if it does not satisfy any one or more of these tests, with the exception of the second test, its Dutch tax position is not discussed in this Offering Circular.

Dutch Individuals deriving profits or deemed to be deriving profits from an enterprise

Any benefits derived or deemed to be derived from Securities, including any gain realised on the disposal of Securities, by a Dutch Individual that are attributable to an enterprise from which such Dutch Individual derives profits, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of an enterprise, other than as a shareholder, are generally subject to Dutch income tax at progressive rates.

Dutch Individuals deriving benefits from miscellaneous activities

Any benefits derived or deemed to be derived from Securities, including any gain realised on the disposal of Securities, by a Dutch Individual that constitute benefits from miscellaneous activities (*resultaat uit overige werkzaamheden*) are generally subject to Dutch income tax at progressive rates.

Benefits derived from Securities by a Dutch Individual are taxable as benefits from miscellaneous activities if he, or an individual who is a connected person in relation to him as meant by article 3.91, paragraph 2, letter b, or c, of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*), has a substantial interest (*aanmerkelijk belang*) in the relevant Issuer.

Generally, a person has a substantial interest in the relevant Issuer if such person – either alone or, in the case of an individual, together with his partner (*partner*), if any, or pursuant to article 2.14a, of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*) – owns or is deemed to own, directly or indirectly, either a number of shares representing five per cent. or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of the relevant Issuer, or rights to acquire, directly or indirectly, shares, whether or not already issued, representing five per cent. or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of the relevant Issuer or profit participating certificates (*winstbewijzen*) relating to five per cent. or more of the annual profits of the relevant Issuer or to five per cent. or more of the liquidation proceeds of the relevant Issuer.

A person who is entitled to the benefits from shares or profit participating certificates (for instance a holder of a right of usufruct) is deemed to be a holder of shares or profit participating certificates, as the case may be, and such person's entitlement to such benefits is considered a share or a profit participating certificate, as the case may be.

Furthermore, a Dutch Individual may, *inter alia*, derive, or be deemed to derive, benefits from Securities that are taxable as benefits from miscellaneous activities in the following circumstances:

- a. if his investment activities go beyond the activities of an active portfolio investor, for instance in the case of use of insider knowledge (*voorkennis*) or comparable forms of special knowledge;
- b. if he makes Securities available or is deemed to make Securities available, legally or as a matter of fact, directly or indirectly, to certain parties as meant by articles 3.91 and 3.92 of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*) under circumstances described there; or
- c. if he holds Securities, whether directly or indirectly, and any benefits to be derived from such Securities are intended, in whole or in part, as remuneration for activities performed by him or

by a person who is a connected person in relation to him as meant by article 3.92b, paragraph 5, of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*).

Other Dutch Individuals

If a Holder of Securities is a Dutch Individual whose situation has not been discussed before in this section "Dutch taxation - Taxes on income and capital gains – Resident Holders of Securities", benefits from his Securities are taxed annually as a benefit from savings and investments (*voordeel uit sparen en beleggen*). Such benefit is deemed to be 4 per cent. per annum of his "yield basis" (*rendementsgrondslag*), generally to be determined at the beginning of the calendar year, to the extent that such yield basis exceeds the "exempt net asset amount" (*heffingvrij vermogen*) for the relevant year. The benefit is taxed at the rate of 30 per cent. The value of his Securities forms part of his yield basis. Actual benefits derived from his Securities, including any gain realised on the disposal of Securities, are not as such subject to Dutch income tax.

Attribution rule

Benefits derived or deemed to be derived from certain miscellaneous activities by, and yield basis for benefits from savings and investments of, a child or a foster child who is under 18 years of age are attributed to the parent who exercises, or to the parents who exercise, authority over the child, irrespective of the country of residence of the child.

Dutch Corporate Entities

Any benefits derived or deemed to be derived from Securities, including any gain realised on the disposal thereof, that are held by a Dutch Corporate Entity are generally subject to Dutch corporation tax.

Non-resident Holders of Securities

The summary set out in this section "Dutch Taxation - Taxes on income and capital gains - Non-resident Holders of Securities" applies only to a Holder of Securities who is a Non-Resident Holder of Securities.

A Holder of Securities will be considered a "Non-Resident Holder of Securities" if he is neither resident, nor deemed to be resident, in The Netherlands for the purposes of Dutch income tax or corporation tax, as the case may be, and who, in the case of an individual, has not elected to be treated as a resident of The Netherlands for Dutch income tax purposes.

Individuals

A Non-Resident Holder of Securities who is an individual will not be subject to any Dutch taxes on income or capital gains in respect of any benefits derived or deemed to be derived from Securities, including any payment under Securities and any gain realised on the disposal of Securities, except if

1. he derives profits from an enterprise, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of such enterprise, other than as a shareholder, such enterprise is either being managed in The Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative in The Netherlands, and his Securities are attributable to such enterprise; or
2. he derives benefits or is deemed to derive benefits from Securities that are taxable as benefits from miscellaneous activities in The Netherlands (*resultaat uit overige werkzaamheden in Nederland*).

See the section "Dutch Taxation - Taxes on income and capital gains - Resident Holders of Securities - Dutch Individuals deriving benefits from miscellaneous activities" for a description of the circumstances under which the benefits derived from Securities may be taxable as benefits from miscellaneous activities, on the understanding that such benefits will be taxable in The Netherlands only if such activities are performed or deemed to be performed in The Netherlands.

Attribution rule

Benefits derived or deemed to be derived from certain miscellaneous activities by a child or a foster child who is under 18 years of age are attributed to the parent who exercises, or to the parents who exercise, authority over the child, irrespective of the country of residence of the child.

Entities

A Non-Resident Holder of Securities other than an individual will not be subject to any Dutch taxes on income or capital gains in respect of any benefits derived or deemed to be derived from Securities, including any payment under Securities and any gain realised on the disposal of Securities, except if

1. such Non-Resident Holder of Securities derives profits from an enterprise directly, or pursuant to a co-entitlement to the net value of such enterprise, other than as a holder of securities, such enterprise either being managed in The Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative in The Netherlands, and its Securities are attributable to such enterprise; or
2. such Non-Resident Holder of Securities has a substantial interest in the relevant Issuer (as described above under Individuals) or a deemed substantial interest in the relevant Issuer.

A deemed substantial interest may be present if shares, profit participating certificates or rights to acquire shares in the relevant Issuer are held by such person or deemed to be held by such person following the application of a non-recognition provision.

General

Subject to the above, a Non-Resident Holder of Securities will not be subject to income taxation in The Netherlands by reason only of the execution (*ondertekening*), delivery (*overhandiging*) and/or enforcement of the documents relating to the issue of Securities or the performance by the relevant Issuer of its obligations under such documents or under the Securities.

Gift and inheritance taxes

If a Holder of Securities disposes of Securities by way of gift, in form or in substance, or if a Holder of Securities who is an individual dies, no Dutch gift tax or Dutch inheritance tax, as applicable, will be due, unless:

- (i) the donor is, or the deceased was resident or deemed to be resident in The Netherlands for purposes of Dutch gift tax or Dutch inheritance tax, as applicable; or
- (ii) the donor made a gift of Securities, then became a resident or deemed resident of The Netherlands, and died as a resident or deemed resident of The Netherlands within 180 days of the date of the gift.

For purposes of the above, a gift of Securities made under a condition precedent (*opschortende voorwaarde*) is deemed to be made at the time the condition precedent is satisfied.

Other taxes and duties

No Dutch registration tax, transfer tax, stamp duty or any other similar documentary tax or duty, other than court fees, is payable in The Netherlands in respect of or in connection with (i) the execution, delivery and/or enforcement by legal proceedings (including the enforcement of any foreign judgment in the courts of The Netherlands) of the documents relating to the issue of Securities, (ii) the performance by the relevant Issuer of its obligations under such documents or under the Securities, or (iii) the transfer of Securities, except that Dutch real property transfer tax (*overdrachtsbelasting*) may be due by a Holder of Securities if in satisfaction of all or part of any of its rights under the Securities, it acquires any asset, or an interest in any asset (*economische eigendom*), that qualifies as real property or as a right over real property situated in The Netherlands, for the purposes of Dutch real property transfer tax (*overdrachtsbelasting*) or, where Securities are issued under such terms and conditions that they represent an interest in assets (*economische eigendom*) that qualify as real property, or rights over real property, situated in The Netherlands, for the purposes of Dutch real property transfer tax.

LUXEMBOURG TAXATION

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes, the Warrants and the Certificates (together referred to as the "**Securities**"), should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

Withholding Tax and Self-Applied Tax

(i) Non-resident holders of the Securities

Under Luxembourg general tax laws currently in force and subject to the laws of 21 June 2005 (the "**Laws**") mentioned below, there is no withholding tax on payments of principal, premium, any additional amounts or interest made to non-resident holders of Securities, nor on accrued but unpaid interest in respect of Securities, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Securities held by non-resident holders of Securities.

Under the Luxembourg laws dated 21 June 2005 implementing the Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the "**Savings Directive**") and several agreements concluded between Luxembourg and certain dependent or associated territories of the European Union ("**EU**"), a Luxembourg-based paying agent (within the meaning of the Savings Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident in another EU Member State or in certain EU dependent or associated territories, unless the beneficiary of the interest payments elects for the procedure of exchange of information or for the tax certificate procedure. The same treatment will apply to payments of interest and other similar income made to certain "residual entities" within the meaning of Article 4.2 of the Savings Directive established in a EU Member State or in certain EU dependent or associated territories (i.e. entities which are not legal persons (the Finnish and Swedish companies listed in Article 4.5 of the Savings Directive are not considered as legal persons for this purpose), whose profits are not taxed under the general arrangements for the business taxation, which are not and have not opted to be treated as UCITS recognised in accordance with the European Council Directive 85/611/EEC as replaced by the European Council Directive 2009/65/EC or similar collective investment funds located in Jersey, Guernsey, the Isle of Man, the Turks and Caicos Islands, the Cayman Islands, Montserrat or the British Virgin Islands).

The current withholding tax rate is 35 per cent. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain third countries.

(ii) Resident holders of the Securities

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005 as amended by the law of 17 July 2008 (the "**Law**") mentioned below, there is no withholding tax on payments of principal, premium, any additional amounts or interest made to Luxembourg resident holders of Securities, nor on accrued but unpaid interest in respect of Securities, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Securities held by Luxembourg resident holders of Securities.

Under the Law payments of interest or similar income made or ascribed by a Luxembourg paying agent (defined in the same way as in the Savings Directive) to or for the benefit of an individual beneficial owner who is resident of Luxembourg or to certain residual entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with the European Council Directive 85/611/EC as replaced by the European Council Directive 2009/65/EC or for the exchange of information regime) will be subject to a withholding tax of 10 per cent. (the "**10 per cent. Withholding Tax**").

Pursuant to the Law, Luxembourg resident individuals acting in the course of the private wealth can opt to self-declare and pay a 10 per cent. tax (the "**10 per cent. Self-Declared Tax**") on interest payments made on or after 31 December 2007 by paying agents (defined in the same way as under the Savings Directive) located in an EU Member State other than Luxembourg, a Member State of the European

Economic Area other than an EU Member State or in a State or territory which has concluded an international agreement directly related to the Savings Directive.

The 10 per cent. Withholding Tax or the 10 per cent. Self-Declared Tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Payments of interest under the Securities coming within the scope of the Law would be subject to 10 per cent. Withholding Tax, or the 10 per cent. Self-Declared Tax.

CURAÇAO TAXATION

This summary solely addresses the principal Curaçao tax consequences of the acquisition, ownership and disposal of W&C Securities issued on or after the date of this Offering Circular. It does not purport to describe every aspect of taxation that may be relevant to a particular holder of W&C Securities as defined below. Any potential investor should consult his tax adviser for more information about the tax consequences of acquiring, owning and disposing of W&C Securities. Where in this summary English terms and expressions are used to refer to Dutch concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Dutch concepts under Curaçao tax law.

This summary is based on the tax law of Curaçao (unpublished case law not included) as it stands at the date of this Note, Warrant and Certificate Programme. The tax law upon which this summary is based, is subject to changes, perhaps with retroactive effect. Any such change may invalidate the contents of this summary, which will not be updated to reflect such change. This summary assumes that (i) each transaction with respect to W&C Securities is at arm's length, (ii) BAC as Guarantor is neither resident nor deemed to be resident in Curaçao and neither has a permanent establishment nor a permanent representative in Curaçao, (iii) no payment under W&C Securities has been or will be secured by a mortgage on any real property, or on any rights on real property, situated within Curaçao, (iv) if any payment under W&C Securities qualifies as an interest payment made to, or secured to, or for the direct benefit of, an individual who is resident of the part of the Kingdom of The Netherlands situated in Europe or of any other State, with which the Kingdom of The Netherlands has concluded an agreement regarding automatic exchange of information with respect to income in the form of interest payments within the meaning of the National Ordinance on the Taxation of Savings Income (*Landsverordening spaarvermogensheffing*), such individual has authorised in writing the submission of information concerning such payments to the competent authorities of his State of residency in accordance with the National Ordinance on the Taxation of Savings Income, and (v) no W&C Securities will be issued that are, in whole or in part, linked to shares of any one or more companies that are resident or deemed to be resident in Curaçao for Curaçao tax purposes.

Where in this Curaçao taxation paragraph reference is made to a "holder of W&C Securities", that concept includes, without limitation:

1. an owner of one or more W&C Securities who in addition to the title to such W&C Securities has an economic interest in such W&C Securities;
2. a person who or an entity that holds the entire economic interest in one or more W&C Securities;
3. a person who or an entity that holds an interest in an entity, such as a partnership, that is transparent for Curaçao tax purposes, the assets of which comprise one or more W&C Securities, within the meaning of 1. or 2. above.

Withholding Tax

All payments under W&C Securities may be made free of withholding or deduction of, for or on account of any taxes of whatever nature imposed, levied, withheld or assessed by Curaçao or any political subdivision or taxing authority of, or in, Curaçao.

Taxes on Income and Capital Gains

The summary set out in this section "Curacao Taxation - Taxes on Income and Capital Gains" applies only to a holder of W&C Securities who is neither resident nor deemed to be resident in Curaçao for

the purposes of Curaçao income tax or profit tax, as the case may be (a "**Non-Resident holder of W&C Securities**").

A Non-Resident holder of W&C Securities will not be subject to any Curaçao taxes on income or capital gains in respect of any benefits derived or deemed to be derived from W&C Securities, including any payment under W&C Securities and any gain realised on the disposal of W&C Securities, provided that:

- (i) such holder does not have an enterprise or profession or an interest in an enterprise or profession that is, in whole or in part, carried on in Curaçao by or for the account of such holder, and to which enterprise or profession or part of an enterprise or profession, as the case may be, his or its W&C Securities are attributable; and
- (ii) if such holder is an individual and if such W&C Securities are not considered securities (*effecten*) for Curaçao purposes, no payment under the W&C Securities is contingent on the proceeds of any Curaçao enterprise or profession, nor on the quantities or proceeds of any product mined or processed in Curaçao; and
- (iii) if such holder is an individual, his W&C Securities do not form part of, and are not deemed to form part of, a substantial interest (*aanmerkelijk belang*) in the relevant Issuer.

An individual's W&C Securities may form part of, or may be deemed to form part of, a substantial interest if he, either alone or together with his spouse and certain of their relatives in blood or by marriage (*bloed- of aanverwanten*) in the direct line, holds, directly or indirectly, (A) at least 5 per cent. of the issued share capital (*geplaatste kapitaal*) of a company, the capital of which is wholly or partly divided into shares, or (B) rights to acquire, directly or indirectly, shares to at least 5 per cent. of the issued share capital of such a company, or (C) profit participating certificates (*winstbewijzen*) that relate to 5 per cent. or more of the annual profit or to 5 per cent. or more of the liquidation proceeds of such a company.

Benefits derived or deemed to be derived from certain miscellaneous activities by a child or a foster-child who is under 18 years of age are attributed to the parent who exercises, or the parents who exercise, authority over the child, irrespective of the country of residence of the child.

Gift and Inheritance Taxes

If a holder of W&C Securities disposes of W&C Securities by way of gift, in form or in substance, or if a holder of W&C Securities who is an individual dies, no Curaçao gift tax or Curaçao inheritance tax, as applicable, will be due, unless the donor is, or the deceased was resident or deemed to be resident in Curaçao for purposes of Curaçao gift tax or Curaçao inheritance tax, as applicable.

Sales Tax

No sales tax (*omzetbelasting*), turnover tax (*belasting op bedrijfsomzetten*) or similar tax will arise in Curaçao in respect of any payment in consideration for the issue of W&C Securities or with respect to any payment under the W&C Securities provided that the W&C Securities will neither be offered or deemed to be offered nor sold or deemed to be sold directly or indirectly to, nor will W&C Securities be acquired or deemed to be acquired or owned or deemed to be owned by:

- (i) an individual who is resident or deemed to be resident in Curaçao; or
- (ii) an entity which is resident or deemed to be resident in Curaçao if and to the extent such entity qualifies as an entrepreneur (*ondernemer*); or
- (iii) an individual who or an entity which is neither resident nor deemed to be resident in Curaçao and who or which is engaged in trade or business in Curaçao through a permanent establishment or through a permanent representative;

in each case: for the purposes of the Sales Tax Ordinance (*Landverordening Omzetbelasting 1999*).

Other Taxes and Duties

No Curaçao registration tax, transfer tax, stamp duty or any other similar documentary tax or duty will be payable in Curaçao in respect of, or in connection with, the execution, delivery and/or enforcement by legal proceedings of the documents relating to the issue of W&C Securities or the performance by the relevant Issuer or the Guarantor of its obligations under such documents or under W&C Securities, provided these actions take place outside Curaçao. Stamp tax amounting to not more than NAFL 10 (U.S.\$5.60) per page and registration tax of NAFL 5 (U.S.\$2.80) per document are payable in the case of registration in Curaçao of documents or if such documents are brought into the courts of Curaçao and court fees will be due in the case of litigation in the courts of Curaçao.

A holder of W&C Securities will not incur or become liable for any Curaçao registration tax, transfer tax, stamp duty or any other similar documentary tax or duty by reason only of the acquisition, ownership or disposal of W&C Securities.

SWITZERLAND

The following is a summary based on legislation as of the date of this Offering Circular. It does not aim to be a comprehensive description of all the Swiss tax considerations that may be relevant for a decision to invest in Securities. The tax treatment for each investor depends on the particular situation. All investors are advised to consult with their professional tax advisors as to the respective Swiss tax consequences of the purchase, ownership, disposition, lapse, exercise or redemption of Securities (or options embedded therein) in light of their particular circumstances.

Swiss Federal Stamp Taxes

The issuance of Securities to the initial holders at the original offering price (primary market) is not subject to Swiss federal issuance stamp tax or Swiss federal securities turnover tax (*Umsatzabgabe*), although the issuance of Securities classified as fund-like instruments may be subject to Swiss federal securities turnover tax of up to 0.3 per cent. on the offering price, but only if a Swiss securities dealer (as defined in the Swiss federal stamp tax act) is a party or an intermediary to the transaction and no exemption applies.

Dealings in Securities (secondary market) classified as pure derivative financial instruments (such as pure call and put options, including low exercise price options with maturities not exceeding twelve months, pure futures with maximum pre-financings of 25 per cent., fully-funded Securities which statically replicate an index or a basket of at least five shares and with a fixed maturity or annual redemption right) are exempt from Swiss federal securities turnover tax. Dealings in other Securities may be subject to Swiss federal securities turnover tax of up to 0.3 per cent. on the consideration paid if a Swiss securities dealer (as defined in the Swiss federal stamp tax act) is a party or an intermediary to the transaction and no exemption applies.

The physical delivery of a Security at exercise or redemption to the holder of such Security may be subject to Swiss federal securities turnover tax of (i) 0.3 per cent., in the event that a security issued by an issuer outside Switzerland is delivered and (ii) 0.15 per cent., in the event that a security issued by a Swiss domestic issuer is delivered, in each case, only if a Swiss domestic securities dealer (as defined in the Swiss federal stamp tax act) is a party or an intermediary to the delivery and no exemption applies.

Swiss Withholding Tax

Payments under the Securities are not subject to Swiss federal withholding tax provided that the relevant Issuer is at all times resident and managed outside Switzerland for Swiss tax purposes.

On 24 August 2011 the Swiss Federal Council issued draft legislation, which, if enacted, may require a paying agent in Switzerland to deduct Swiss withholding tax at a rate of 35 per cent. on any payment under a Security which is classified as interest to an individual resident in Switzerland (including if such payment is made to an entity treated as fiscally transparent and interest therein is held by such an individual resident in Switzerland) or to a person (not only individual) resident outside Switzerland (see below "Income Taxation - Securities held as Private Assets by a Swiss resident Holder, paragraph (a) Structured Securities" as concerns the interest classification of payments). If this legislation or similar legislation were enacted and a payment in respect of a Security were to be made or collected

through Switzerland and an amount of, or in respect of, Swiss withholding tax were to be deducted or withheld from that payment, neither the relevant Issuer, nor the Guarantor nor any paying agent nor any other person would, pursuant to the Terms and Conditions of the Notes or the Terms and Conditions of the W&C Securities, be obliged to pay additional amounts with respect to any Security as a result of the deduction or imposition of such withholding tax.

Income Taxation

Non-Swiss resident Holders

A holder of a Security who is not resident in Switzerland and who during the tax year has not engaged in a trade or business carried on through a permanent establishment or fixed place of business in Switzerland will not be subject to income tax in Switzerland in respect of such Security.

Securities held as Private Assets by a Swiss resident Holder

(a) Structured Notes

If a Security is classified as a structured note, its income taxation depends on whether the bond and the derivative financial instrument(s) embedded therein are recorded separately from each other and whether the Security is classified as a structured note with or without a predominant one-time interest payment:

Non-transparent derivative financial instruments: If the embedded bond is not recorded separately from the embedded derivative financial instrument(s), the Security classifies as a non-transparent structured note and any return over the initial investment classifies as a taxable interest payment. Non-transparent derivative financial instruments generally include a predominant one-time interest payment and are taxed in accordance with the principles set forth below under "Transparent derivative financial instruments with a predominant one-time interest payment".

Transparent derivative financial instruments without a predominant one-time interest payment: If the embedded bond is recorded separately from the embedded derivative financial instrument(s) and the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time-interest-payment (see below "Transparent derivative financial instruments with a predominant one-time interest payment"), then any periodic interest payment and the one-time interest payment is taxed when paid to the holder of the Security. A gain, including interest accrued, or a loss, as the case may be, realised on the sale of a Security is a tax-free private capital gain or a non-tax-deductible private capital loss, as applicable (see below "Capital Gains Taxation - Securities held as Private Assets by a Swiss resident Holder"). The same applies if the Security is redeemed except that interest accrued is taxed when paid.

Transparent derivative financial instruments with a predominant one-time interest payment: If the embedded bond is recorded separately from the embedded derivative financial instrument(s) and the yield-to-maturity predominantly derives from a one-time interest payment such as an original issue discount or a repayment premium and not from periodic interest payments, then any periodic interest payments and on the sale or redemption of the Security, the difference between the value of the embedded bond at redemption or sale, as applicable, and its value at issuance or secondary market purchase, as applicable, converted, in each case, into Swiss Francs at the exchange rate prevailing at the time of redemption or sale, issuance or purchase, respectively (modified differential taxation method) constitutes taxable income. A value decrease on the embedded bond respectively realised on the sale or redemption of the Security may be offset against any gains (including periodic interest payments) realised within the same taxation period from all instruments with a predominant one-time interest payment. Any residual return realised on the embedded derivative financial instrument(s) is a tax-free private capital gain, and any residual loss is a non-tax-deductible private capital loss, respectively (see below "Capital Gains Taxation - Securities held as Private Assets by a Swiss resident Holder").

(b) Bonds

Bonds without a predominant one-time interest payment: If a Security classifies as a pure bond without a predominant one-time interest payment (the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time-interest-payment), Swiss resident private investors will be taxed on the periodic and any one-time interest payments, converted into Swiss Francs at the exchange rate prevailing at the time of payment. A gain, including interest accrued, or a loss, as the case may be, realised on the sale of a Security is a tax-free private capital gain or a non-tax-deductible private capital loss, as applicable (see below "Capital Gains Taxation - Securities held as Private Assets by a Swiss resident Holder").

Bonds with a predominant one-time interest payment: If a Security classifies as a pure bond with a predominant one-time interest payment (the yield-to-maturity predominantly derives from a one-time-interest-payment such as an original issue discount or a repayment premium and not from periodic interest payments), Swiss resident private investors will be taxed on any periodic interest payments and on any gains, including capital and foreign exchange gains, realised on the Securities (differential taxation method).

(c) Pure Derivative financial instruments

Periodic and one-time dividend equalisation payments realised on a Security which classifies as a pure derivative financial instrument (such as pure call and put options, including low exercise price options with a maturity not exceeding one year, pure futures, static certificates replicating an index or a basket of at least five shares and with a fixed maturity or an annual redemption right) and which is held as part of their private assets constitute taxable investment income. Any other return will be classified as a tax-exempt capital gain or a non-tax deductible capital loss (see below "Capital Gains Taxation - Securities held as Private Assets by a Swiss resident Holder").

(d) Low Exercise Price Options

According to the current practice of the Swiss Federal Tax Administration, low exercise price options are given if the underlying of an option has been pre-financed by at least 50 per cent. at the time of issuance.

For low exercise price options with a maturity exceeding one year the interest component of the low exercise price option (i.e. issue discount) constitutes taxable investment income. Any other return will be classified as a tax-exempt capital gain or a non-tax deductible capital loss (see below "Capital Gains Taxation - Securities held as Private Assets by a Swiss resident Holder").

(e) Fund-like instruments

A Security classified as a fund-like instrument will be considered a pass-through instrument for Swiss tax purposes if dividend and interest income (less attributable costs) from, and capital gains and losses (less costs attributable) realised on, the underlying investments, are reported and distributed separately. Under such conditions, an individual holding a fund-like Security as part of private assets only receives taxable income (which he or she must report annually) over such portion of the distributions (if the fund is distributing the income realised on the underlying investments) or earnings credits (if the fund is reinvesting the income realised on the underlying investment) as derive from dividends and interest (less attributable costs) on the underlying instruments. Any distributions or credits deriving from capital gains realised on the underlying investments constitute a tax-free private capital gain and any respective loss on the underlying investments is a non-tax-deductible private capital loss. Any gain realised within a taxation period on the sale of a fund-like instrument (including accrued dividends and interest) is exempt from income taxation as a private capital gain, and, conversely, any loss realised a non-tax-deductible capital loss (see below "Capital Gains Taxation - Securities held as Private Assets by a Swiss resident Holder").

Securities held as Assets of a Swiss Business

Corporate entities and individuals who hold Securities as part of a trade or business in Switzerland, in the case of residents abroad carried on through a permanent establishment or a fixed place of business in Switzerland, are required to recognise any payments on, and any capital gains or losses realised on the sale or redemption of, such Securities (irrespective of their classification) in their income statement for the respective taxation period and will be taxed on any net taxable earnings for such period.

The same taxation treatment also applies to Swiss-resident individuals who, for income tax purposes, are classified as "professional securities dealers" for reasons of, *inter alia*, frequent dealing and leveraged investments in securities.

Capital Gains Taxation***Securities held as Private Assets by a Swiss resident Holder***

A gain or a loss, as the case may be, realised by an individual resident in Switzerland for tax purposes upon the sale or other disposal of a Security held as part of his or her private assets is a tax-free private capital gain or a non-tax deductible capital loss, as applicable, unless such individual is classified, for income tax purposes, as "professional securities dealers" for reasons of, *inter alia*, frequent dealing and leveraged investments in securities. If an individual is classified as "professional securities dealer" he or she will in accordance with the principles set forth below under "Securities held as Assets of a Swiss Business". Concerning the bifurcation of a tax-exempt capital gains component or non-tax deductible capital loss component, as the case may be, from taxable income components of a Security see the bifurcation principles set forth above with regard to the different instruments under "Income Taxation - Securities held as Private Assets by a Swiss resident Holder").

Securities held as Assets of a Swiss Business

Capital gains realised on Securities held as Assets of a Swiss Business are taxed in accordance with the taxation principles set forth above under "Income Taxation - Securities held as Assets of a Swiss Business").

Gift, Inheritance and Estate Taxes

Subject to an applicable tax treaty in an international scenario, transfers of Securities may be subject to cantonal and/or communal inheritance tax, estate tax or gift tax if the deceased person has had his or her last domicile in Switzerland, or the donor is resident in Switzerland, or, in the case of a foreign deceased or resident person, the transfer involves an unincorporated business in Switzerland and Securities are held as part of such business. No such taxes exist at the federal level. Rates depend upon the existing relationship (i.e. the relationship between the deceased and the heirs, or between the donor and the donee) and the size of the inheritance or gift. Interspousal gifts and gifts to descendants and inheritances collected by the surviving spouse and descendants are frequently exempt or taxed at very low rates (up to 6 per cent.). Gifts and inheritances received from unrelated persons attract rates ranging from 20 per cent. to 40 per cent. The taxable base is usually the market value of the property transferred.

Net Worth and Capital Taxes

A holder of Securities who is an individual resident in Switzerland for tax purposes or is a non-Swiss resident holding Securities as part of a Swiss business operation or a Swiss permanent establishment is required to report Securities as part of private wealth or as part of Swiss business assets, as the case may be, and is subject to annual cantonal and/or communal private wealth tax on any net taxable wealth (including the Securities), in the case of non-Swiss resident individual holding Securities as part of a Swiss business operation or a Swiss permanent establishment to the extent the aggregate taxable wealth is allocable to Switzerland. Incorporated holders of Securities are subject to cantonal and communal capital tax on net taxable equity, in the case of non-Swiss resident person holding Securities as part of a Swiss permanent establishment, to the extent the aggregate taxable equity is allocable to Switzerland. No net worth and capital taxes exist at the federal level.

EU Savings Tax

The Agreement between the European Community and the Confederation of Switzerland dated as of 26 October 2004 provides for measures equivalent to those laid down in the EU Savings Tax Directive and requires a Swiss paying agent to deduct EU savings tax on an interest payment to an individual resident in an EU member state. The tax is withheld at a rate of 35 per cent., with the option of the individual to have the paying agent and Switzerland provide to the tax authorities of the EU member state the details of the interest payments in lieu of the withholding. The individual may be entitled to a tax credit or refund of the withholding, provided that he or she is the beneficial owner of the interest payments and certain other conditions are met.

Final Foreign Withholding Taxes

The Swiss Federal Council recently signed treaties with the United Kingdom and Austria providing, inter alia, for a final withholding tax. The treaties with the United Kingdom and Austria entered into force on 1 January 2013 and might be followed by similar treaties with other European countries.

According to the treaties, a Swiss paying agent may, inter alia, levy a final withholding tax on certain income items, including capital gains, interest and dividends, deriving from assets held on accounts or deposits with a Swiss paying agent, including, as the case may be, Securities. The final withholding tax will substitute the ordinary income tax due by an individual resident of a contracting state on such gains and income items. In lieu of the final withholding, individuals may opt for a voluntary disclosure of the relevant capital gains and income items to the tax authorities of their state of residency.

UNITED KINGDOM TAXATION

The following is a summary of the United Kingdom withholding taxation treatment in relation to payments of principal and interest in respect of the Securities, certain other material UK tax considerations and of certain aspects of the UK stamp duty and stamp duty reserve tax treatment of the Securities at the date hereof. It is based on the current United Kingdom tax law and United Kingdom HM Revenue & Customs ("HMRC") practice. The comments only apply to Holders that are the beneficial owners of Securities who acquire and hold Securities as an investment and do not apply to certain classes of person (such as unit trusts, open-ended investment companies, persons connected with the relevant Issuer and persons carrying on a trade of dealing in financial instruments) to whom special rules may apply. The comments are intended as a general guide and should be treated with appropriate caution, particularly since the precise provisions of the Final Terms could alter the tax treatment. This summary is not intended to be exhaustive and does not cover any issues or taxes not expressly covered; nor should it be considered legal or tax advice to any person. The summary does not take into account the effect of any overriding anti-avoidance legislation that may apply to Holders in their particular circumstances or to any wider arrangements to which they may be a party. Each potential purchaser is advised to consult its own tax adviser as to the UK tax consequences attributable to acquiring, holding and disposing of Securities and as to other UK and non-UK applicable taxes, particularly where: (i) an individual holder is only temporarily non-UK resident; or (ii) a corporate holder will "bifurcate" the warrant for accounting purposes; as the treatment of such holders is not covered below (save to the extent specifically detailed below).

The references to "interest" in this United Kingdom taxation section mean "interest" as understood in United Kingdom tax law. The statements do not take account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the terms and conditions of the Securities or any related documentation. In particular, any premium element of the redemption amount of any Securities redeemable at a premium may constitute a payment of interest.

Potential purchasers who are resident for tax purposes in the UK but who are not UK-domiciled should consult their own tax advisers as to which investments do or do not benefit from a non-UK situs treatment for the purposes of the relevant UK taxes.

United Kingdom Withholding Tax on Securities

There should be no requirement for UK tax to be withheld on payments of interest under the Securities.

Provisions of information in respect of certain payments of interest

HMRC has powers, in certain circumstances, to obtain information about: payments derived from Securities (whether income or capital); certain payments of interest (including the amount payable on the redemption of a Security constituting a deeply discounted security (see definition below)); and Securities transactions.

The persons from whom HMRC can obtain information include: a person who receives (or is entitled to receive) a payment derived from Securities; a person who makes such a payment (received from, or paid on behalf of another person); a person by or through whom interest is paid or credited; a person who effects or is a party to Securities transactions (which includes an issue of Securities) on behalf of others; registrars or administrators in respect of Securities transactions; and each registered or inscribed holder of Securities.

The information HMRC can obtain includes: details of the beneficial owner of Securities; details of the person for whom the Securities are held, or the person to whom the payment is to be made (and, if more than one, their respective interests); information and documents relating to Securities transactions; and, in relation to interest paid or credited on money received or retained in the United Kingdom, the identity of the Security under which interest is paid.

HMRC has indicated that it will not generally use its information-gathering power on interest to obtain information about amounts payable on the redemption of deeply discounted securities which are paid before 6 April 2014.

In certain circumstances the information which HMRC has obtained using these powers may be exchanged with tax authorities in other jurisdictions.

Warrants

Paragraphs (i) and (ii) below relate only to Warrants which satisfy all of the following conditions:

- (a) there are no interim payments payable under the terms of the Warrants;
- (b) there is no element of principal protection under the terms of the Warrants;
- (c) the return on the Warrants is calculated with direct reference to fluctuations in the value of an Underlying Reference Item or Items; and
- (d) the Warrants are not designed to produce a return equivalent to money invested at interest.

Where conditions (a) to (d) are not all met, potential purchasers should refer to the section below entitled "Other Certificates and Notes", however further considerations may affect the analysis, depending on the terms of the Warrant. The taxation of Warrants is particularly complex and each potential purchaser of Warrants is advised to consult its own tax adviser as to the UK tax consequences of acquiring, holding and disposing of Warrants.

(i) *United Kingdom resident individuals holding such Warrants*

Where Warrants are held as investments, any gain arising may, depending on the Holder's personal circumstances, give rise to a charge to UK tax on capital gains or an allowable loss. Where Warrants fall within the definition of "financial option" for the purposes of UK capital gains tax the rules as to wasting assets (which might otherwise restrict the amount of the acquisition costs of the warrant for the purposes of calculating any chargeable gain or allowable loss) will not apply.

(ii) *Holders within the charge to UK corporation tax holding such Warrants*

A company which is resident for tax purposes in the United Kingdom or which is not so resident but carries on a trade in the United Kingdom through a United Kingdom permanent establishment to which the Warrants are attributable will generally be chargeable to corporation tax in respect of the returns on the Warrants. The way in which amounts are brought into the corporation tax charge differs depending upon whether or not the Warrant constitutes a derivative contract for the purposes of Part 7 of the Corporation Tax Act 2009.

Where a Warrant does constitute a derivative contract for the purposes of Part 7 of the Corporation Tax Act 2009, such a Holder will generally be chargeable to corporation tax on all income, profits and gains on an income basis deriving from the Warrant (whether they arise from acquiring, holding, disposing or exercising rights under the Warrant) consistently with the way those profits are recognised in accordance with generally accepted accounting practice. Accordingly, any income, profits or gains in relation to Warrants will generally be charged to tax as income. In certain limited cases, some or all of the above amounts may be treated as capital gains rather than income for corporation tax purposes (but without many of the consequent advantages such as indexation relief).

Warrants which are not treated as derivative contracts and which do not carry a right to interest are likely to be taxed in accordance with the rules set out in (i) above. United Kingdom companies may also be entitled to an indexation allowance on the disposal of a Warrant which in effect increases the base cost of an asset (such as a Warrant) in line with inflation.

Non principal protected Certificates

For United Kingdom resident individuals holding certain non-principal protected Certificates the UK tax treatment should be the same as that described above under the heading "Warrants" at section (i) above, provided that the Certificates satisfy all of the following conditions:

- (a) there are no interim payments payable under the terms of the Certificates;
- (b) there is no element of principal protection under the terms of the Certificates;
- (c) the return on the Certificates is calculated with direct reference to fluctuations in the value of an Underlying Reference Item or Items; and
- (d) the Certificates are not designed to produce a return equivalent to money invested at interest.

Other Certificates and Notes

- (i) *United Kingdom resident individuals holding other Certificates or Notes*

The discussion in this section relates to:

- (a) Certificates that do not satisfy all the conditions set out in the section above; and
- (b) Notes.

Any interest, discount or premium payable on the Certificates or Notes may be subject to UK income tax by direct assessment even where paid without withholding.

Accrued Income Scheme

Holders that are UK resident individuals should also have regard to the provisions of the Accrued Income Scheme (the "**Scheme**") which may apply to individuals transferring Certificates or Notes that bear interest or to individuals to whom such Certificates or Notes are transferred. The charge to tax on income that may arise under the Scheme will be in respect of an amount representing interest on the Certificates or Notes which has accrued since the preceding interest payment date. This amount will be taken into account in determining any chargeable gain or loss arising on a disposal of the Certificates or Notes.

However, where a Certificate or Note constitutes a variable rate security for the purposes of the Scheme, the amount of accrued interest deemed to be received as income by a Holder upon transfer would be such amount as HMRC decides is just and reasonable and the transferee will not be entitled to any credit under the Scheme to set against any actual or deemed interest that is received or is deemed received.

Taxation of discount and premium

Generally where the amount payable on maturity, or any other occasion when the Certificate or Note can be redeemed, will or may exceed the issue price by more than 0.5 per cent. of the redemption amount for each year in the redemption period, up to a maximum of 30 years, those Certificates or

Notes will constitute deeply discounted securities, subject to certain exceptions. It is not considered that Certificates or Notes would be regarded as deeply discounted securities merely by reason of the fact that they are denominated in a currency other than sterling. Where Certificates or Notes constitute "deeply discounted securities", a Holder of such Certificates or Notes who is within the scope of UK income tax may be liable to UK income tax on any profits (the amount by which any sum payable on the transfer or redemption of the Certificate or Note exceeds its acquisition price) made on the sale or other disposal (including redemption) of such Certificates or Notes.

Where Certificates or Notes are issued at a redemption premium as opposed to being issued at a discount, then where such premium does not constitute a payment of interest such Certificates or Notes may constitute "deeply discounted securities" (as mentioned above).

Certificates or Notes which are deeply discounted securities are qualifying corporate bonds and are therefore not subject to tax on chargeable gains.

Certificates or Notes which are "excluded indexed securities" will, notwithstanding that they may satisfy the above requirements, not be treated as deeply discounted securities and therefore any gain will be, subject to the Holder's personal circumstances, within the charge to UK tax on capital gains. A security will only be an excluded indexed security for these purposes if the amount payable on redemption is determined by applying to the amount for which the Certificate or Notes was issued the percentage change (if any) over the Certificate or Note's redemption period in (a) the value of chargeable assets of a particular description, or (b) an index of the value of such assets. The fact that the Certificate or Note provides for a minimum amount payable on redemption not exceeding 10 per cent. of the issue price will not prevent it from satisfying this requirement and any interest payable on redemption is ignored in determining the amount payable on redemption for these purposes.

Capital gains tax

Where Certificates or Notes are denominated in sterling and not capable of redemption in or by reference to any foreign currency they may be treated as qualifying corporate bonds so that no UK taxation on chargeable gains or allowable losses will arise on any sale, redemption or other disposal. This depends upon the Certificates or Notes comprising normal commercial loans at all times which may not be the case where the Certificates or Notes contain a right to acquire other shares or securities, or a return which depends on the results of the Issuer's business or any part of it.

Where Certificates or Notes are denominated in a currency other than sterling or do not comprise normal commercial loans, then provided they are not deeply discounted securities they will be chargeable assets for the purposes of UK capital gains tax with the result that any gain arising may, depending on the Holder's personal circumstances, give rise to a charge to United Kingdom tax on capital gains or an allowable loss.

(ii) Holders within the charge to UK corporation tax holding other Certificates or Notes

A Holder who is within the charge to UK corporation tax, in particular a company which is resident for tax purposes in the United Kingdom or which is not so resident but carries on a trade in the United Kingdom through a United Kingdom permanent establishment to which the Certificates or Notes are attributable, will generally be chargeable to corporation tax on all the returns on, and profits and gains (whether of an income or capital nature) arising from the holding or disposal of, the Certificates or Notes broadly in accordance with their statutory accounting treatment provided that accounting treatment complies with generally accepted accounting practice. This means in particular that any discount element (together with any interest) and any foreign exchange profits or loss may be taxed (or relieved) as it accrues over the term of the Certificate or Note and not when it is paid or received.

Where a Certificate or Note is split for accounting purposes into a derivative contract and a host loan relationship, the host loan relationship will be taxed as described above. In respect of the derivative contract, where the underlying subject matter is qualifying ordinary shares or mandatory convertible preference shares or a contract for differences where the underlying subject matter is qualifying ordinary shares listed on a recognised stock exchange and the contract exactly tracks the value of such underlying subject matter, any excess of accounting credits over debits will generally be chargeable to corporation tax on chargeable gains consistently with the way those credits and debits are recognised for accounting purposes but without the benefit of any indexation allowance.

For the purposes of the above, "qualifying ordinary shares" means shares which represent some or all of the issued share capital of the company and which carry a right to share in the profits of the company by way of a dividend or otherwise (provide the rights to share in profits are not restricted to a right to receive fixed rate dividends) and mandatory convertible preference shares means shares which are not qualifying ordinary shares and which are issued on such terms that stipulate that they must be converted into, or exchanged for, qualifying ordinary shares by a specified time.

Holders Not Resident in the United Kingdom

Where interest, discount or premium amounts are received without withholding or deduction for or on account of UK tax, such amounts will not be chargeable in the hands of a Holder (other than certain trustees) who is not resident for tax purposes in the United Kingdom unless that Holder carries on a trade, profession or vocation in the United Kingdom through a United Kingdom branch or agency or, in the case of a company, a permanent establishment in connection with which such amounts are received or to which the Securities are attributable.

Where interest on Securities has been paid under deduction of UK income tax, Holders who are not resident in the United Kingdom may be able to recover part of the tax deducted if that is provided for in an applicable double tax treaty between the country of residence of the Holder and the United Kingdom.

Holders not resident in the United Kingdom will not be within the charge to UK tax on chargeable gains in respect of any Securities save broadly where Securities are held in or used for the purposes of a trade carried on by the non-resident through a branch or agency or, in the case of a company, a permanent establishment, and subject also to certain rules that apply in the case of individuals that are temporary non-residents.

United Kingdom Stamp Duty and Stamp Duty Reserve Tax ("SDRT")

Issue

No UK stamp duty should be payable in respect of the issue of the Securities by the Issuers on the basis that the relevant register in which the Securities are registered is kept outside the United Kingdom.

Transfer

The Issuers do not intend to keep or maintain any register of securities in the United Kingdom and on the basis that no such register is kept or maintained in the United Kingdom:

- (a) no SDRT should be payable in respect of any agreement to transfer securities;
- (b) no stamp duty should be payable on any instrument transferring securities which is executed and retained outside the United Kingdom; and
- (c) stamp duty at 0.5 per cent. could be payable in respect of any document executed in the United Kingdom transferring any security which does not constitute "exempt loan capital" but, as a practical matter, it is unlikely that any such stamp duty would have to be paid.

SDRT at 0.5 per cent. may be payable in relation to any agreement to transfer Securities such as Physical Delivery Warrants or Physical Delivery Certificates which give the Holder the right on exercise to acquire stock, shares or loan capital (or certain interests therein) in certain companies with a UK connection unless such stock, shares or loan capital would qualify as "exempt loan capital". A company will have a UK connection for these purposes if (i) a register of the relevant stock, shares or loan capital is kept in the UK by or on behalf of the company; or (ii) the shares are "paired" with shares in a UK incorporated company within the meaning of s 99(6B) FA 1986.

Exercise

United Kingdom stamp duty may be required to be paid in relation to the transfer of an asset (such as stock or marketable securities) following the exercise of a Physical Delivery Warrant or Physical Delivery Certificate. SDRT may be payable in respect of the agreement to transfer an asset pursuant to a Physical Delivery Warrant or Physical Delivery Certificate following the exercise of the Warrant or

Certificate. However, any such liability to SDRT will be cancelled (or, if already paid, will be repaid) if the instrument effecting the transfer is chargeable with stamp duty (or is otherwise required to be stamped) and has been duly stamped within six years of the agreement being made or, in the case of a conditional agreement, within six years of all conditions being satisfied.

THE PROPOSED FINANCIAL TRANSACTIONS TAX (FTT)

The European Commission has published a proposal for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**").

The proposed FTT has a very broad scope and could, if introduced in its current form, apply to certain dealings in Securities (including secondary market transactions) in certain circumstances. The issuance and subscription of Securities should, however, be exempt. Under current proposals the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Securities where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

Were the FTT to be introduced in that form, it would primarily be a tax levied on financial institutions (such as banks, credit institutions and pension funds) in the secondary market. However, such financial institutions may choose to transfer the FTT cost on to the holders of Securities, who may consequently suffer additional transaction costs.

The FTT proposal remains subject to negotiation between the participating Member States. It is the subject of legal challenge and significant uncertainty after the leaking of an opinion of the Legal Service of the Council of the European Union questioning the legality of certain aspects of the current draft proposal. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate. Prospective holders of Securities are advised to seek their own professional advice in relation to the FTT.

OFFERING AND SALE

The Dealers, as applicable, have entered into a Programme Agreement dated 15 November 2013 (as the same may be amended, supplemented and/or restated, from time to time, in accordance with the terms thereof, the "**Programme Agreement**"), with the Issuers and the Guarantor, which sets forth a basis upon which they may from time to time agree to purchase the Securities. In the Programme Agreement, the Issuers have agreed to reimburse the Dealers for certain of their expenses in connection with the issue of Securities under the Programme.

No action has been or will be taken by BAC, MLBV, MLCMAG or MLICo. that would permit a public offering of any Securities or possession or distribution of any offering material in relation to any Securities in any jurisdiction where action for that purpose is required. No offers, sales, re-sales or deliveries of any Securities, or distribution of any offering material relating to any Securities, may be made in or from any jurisdiction except in circumstances which will result in compliance with any applicable laws and regulations and which will not impose any obligation on the Issuers and the Guarantor.

UNITED STATES

Notes issued by BAC

The Notes issued by BAC have not been and will not be registered under U.S. Securities Act of 1933, as amended (the "**Securities Act**"), or under any U.S. state securities laws.

The Notes issued by BAC may not be offered, sold, resold, traded, transferred, pledged, delivered or redeemed, directly or indirectly, within the United States of America (including the U.S. states and the District of Columbia), its territories, its possessions and other areas subject to its jurisdiction (the "**United States**") or to, or for the account or benefit of, U.S. persons (other than distributors) except in accordance with Regulation S under the Securities Act or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Neither the Notes issued by BAC nor any Entitlement constitutes, or has been marketed as, a contract of sale of a commodity for future delivery (or an option thereon) subject to the U.S. Commodity Exchange Act of 1936, as amended (the "**CEA**"), and trading in the Notes issued by BAC has not been approved by the U.S. Commodity Futures Trading Commission (the "**CFTC**") pursuant to the CEA.

Each Dealer in respect of Notes issued by BAC has represented and agreed, and each further dealer or distributor in respect of Notes issued by BAC will be required to agree, that it has offered and sold any Notes issued by BAC, and will offer and sell any Notes issued by BAC, (i) as part of their distribution at any time and (ii) otherwise until 40 days after the later of the commencement of the offering of Notes issued by BAC of the same Tranche to persons other than distributors and the date of issue thereof (the "**Restricted Period**"), only in accordance with Rule 903 of Regulation S under the Securities Act. Accordingly, each Dealer has further represented and agreed, and each further dealer or distributor will be required to further agree, that it, its affiliates or any persons acting on its or their behalf have not engaged and will not engage in any directed selling efforts with respect to any Note issued by BAC, and it and they have complied and will comply with the offering restrictions requirement of Regulation S. Each Dealer who has purchased Notes issued by BAC of a Tranche (or in the case of a sale of a Tranche of BAC Notes issued to or through more than one Dealer, each of such Dealers as to the BAC Notes of such Tranche purchased by or through it) shall determine and notify in writing to the Principal Paying Agent the completion of the distribution of the BAC Notes of such Tranche. On the basis of such notification or notifications, the Principal Paying Agent has agreed to notify such Dealer or Dealers in writing of the end of the Restricted Period with respect to such Tranche of BAC Notes.

Each Dealer has also agreed that, during the Restricted Period, it will have sent to each distributor, dealer, person receiving a selling concession, fee, or other remuneration, or purchaser that purchases Notes issued by BAC from it a confirmation or other notice substantially the following effect:

"The Securities covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering of Notes issued by Bank of America

Corporation of the same Tranche to persons other than distributors and the date of issue thereof, except in either case in accordance with Regulation S under the Securities Act. Terms used above have the meanings given to them by Regulation S."

Terms used in this section have the meanings given to them by Regulation S under the Securities Act.

Notes issued by MLBV and Certificates

None of the Notes issued by MLBV or Certificates of any series, the related Guarantee of BAC, or certain of the Entitlements (if any) with respect thereto, have been, or will be, registered under the Securities Act or under any U.S. state securities laws. No Notes issued by MLBV or Certificates of any series, or interests therein or Entitlements (if any) with respect thereto, may at any time be offered, sold, resold, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors). **"United States Person"** means a person which is a "U.S. person" as defined by Regulation S under the Securities Act or a "United States person" as defined in Section 7701(a)(30) of the U.S. Internal Revenue Code of 1986, as amended, and in U.S. Treasury regulations. Consequently, any offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery of any Notes issued by MLBV or Certificates made, directly or indirectly, within the United States or to, or for the account or benefit of, a United States Person will not be recognised. None of the Notes issued by MLBV, the Certificates, the related Guarantee and any Entitlement constitutes, or has been marketed as, a contract of sale of a commodity for future delivery (or an option thereon) subject to the CEA, and trading in the Notes issued by MLBV or the Certificates has not been approved by the CFTC pursuant to the CEA.

Each Dealer has represented and agreed, and each further dealer or distributor in respect of an issue of Notes issued by MLBV or Certificates will be required to agree that it, its affiliates and any person acting on its or their behalf will not at any time offer, sell, resell, trade, pledge, exercise, redeem, transfer or deliver, directly or indirectly, Notes issued by MLBV or Certificates of such series in the United States or to, or for the account or benefit of, any United States Person or to others for offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any such United States Person. See Annex 11 to the Terms and Conditions – *Additional Terms and Conditions for Rule 144A Warrants*.

Each QIB/QP, as a condition to purchasing Warrants in the United States, or any legal or beneficial interests therein, will be obligated to enter into and remain in compliance with an Investor Representation Letter executed for the benefit of the Dealer, MLICo. and the Guarantor (together with the respective affiliates and any persons controlling, controlled by or under common control with such Dealer, MLICo. or the Guarantor) pursuant to which it will agree, among other things, that any resales of such Warrants may be effected only to or through MLICo. or the Dealer to another QIB/QP, and otherwise in compliance with Rule 144A.

See "Notice to Purchasers and Holders of Securities and Transfer Restrictions".

In connection with each issue of Warrants (other than Rule 144A Warrants), each Dealer has represented and agreed, and each further dealer or distributor in respect of an issue of Warrants will be required to agree, that without the prior written agreement of the relevant Issuer and the Guarantor, it will not at any time offer, sell, resell, trade, pledge, exercise, transfer or deliver, directly or indirectly, Warrants of such series in the United States or to, or for the account or benefit of, any United States Person or to others for offer, sale, resale, trade, pledge, exercise, transfer or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any such United States Person. Each Dealer has agreed, and each further dealer or distributor in respect of an issue of Rule 144A Warrants will also be required to agree, and any person purchasing such Rule 144A Warrants must agree, to send each person who purchases any such Rule 144A Warrants from it at or prior to the confirmation of sale, a written confirmation (which shall include the definitions of "United States" and "United States Persons" set forth herein) stating that the Warrants, the relevant Guarantee and certain of the Entitlements (if any) have not been registered under the Securities Act or any state securities laws, and any trading in the Warrants has not been approved by the CFTC pursuant to the CEA, and stating

that such purchaser agrees that it will not at any time offer, sell, resell, trade, pledge, exercise, transfer or deliver Warrants, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person unless effected to or through MLICo. or the Dealer to another QIB/QP, and otherwise in compliance with Rule 144A. Each of MLICo. and the Guarantor has agreed to sales by MLI to Merrill Lynch, Pierce, Fenner & Smith Incorporated or one of its affiliates for re-sale (a) to persons in the United States and (b) to, or for the account or benefit of, United States Persons, in either case, who are QIBs and also QPs and who enter into and remain in compliance with an Investor Representation Letter, and otherwise in compliance with Rule 144A and the restrictions set forth herein.

Any person purchasing Warrants of any series (other than a series of Rule 144A Warrants) must agree or will be deemed on purchase to agree with the relevant Issuer or the seller of such Warrants that, (i) it is not a United States Person, is not located in the United States and was not solicited to purchase such Warrants while present in the United States, (ii) it will not at any time offer, sell, resell, trade, pledge, exercise, transfer or deliver, directly or indirectly, any Warrants of such series so purchased in the United States or to, or for the account or benefit of, any United States Person or to others for offer, sale, resale, trade, pledge, exercise, transfer or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person, (iii) it is not purchasing any Warrants of such series for the account or benefit of any United States Person and (iv) it will not make offers, sales, re-sales, trades, pledges, exercises, transfers or deliveries of any Warrants of such series (otherwise acquired), directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person.

REPUBLIC OF ITALY

The offering of the Securities has not been registered with *CONSOB - Commissione Nazionale per le Società e la Borsa* (the Italian Companies and Exchange Commission) pursuant to Italian securities legislation and, accordingly, no Securities may be offered, sold or delivered, nor may copies of this

Offering Circular or of any other document relating to the Securities be distributed in the Republic of Italy, except:

- (a) to qualified investors (*investitori qualificati*) as defined in Article 34-ter, first paragraph, letter b) of CONSOB Regulation No. 11971 of 14 May 1999, as amended ("**CONSOB Regulation No. 11971**"), pursuant to Article 100 of Legislative Decree No. 58 of 24 February 1998, as amended (the "**Italian Financial Services Act**"); or
- (b) in other circumstances which are exempted from the rules on offerings of securities to the public pursuant to Article 100 of the Italian Financial Services Act and Article 34-ter, first paragraph, of CONSOB Regulation No. 11971.

Any offer, sale or delivery of the Securities or distribution of copies of the Offering Circular or any other document relating to the Securities in the Republic of Italy under (a) or (b) above must be:

- (i) made by an investment firm, bank or financial intermediary permitted to conduct such activities in the Republic of Italy in accordance with the Italian Financial Services Act, Legislative Decree No. 385 of 1 September 1993, as amended (the "**Consolidated Banking Act**"), and Regulation No. 16190 of 29 October 2007 (as amended from time to time); and

Please note that in accordance with Article 100-bis of the Italian Financial Services Act, concerning the circulation of financial products, where no exemption from the rules on offerings of securities to the public applies under (a) and (b) above, the subsequent distribution of the Securities on the secondary market in Italy must be made in compliance with the public offer and the prospectus requirement rules provided under the Italian Financial Services Act and CONSOB Regulation No. 11971. Furthermore, Article 100-bis of the Italian Financial Services Act affects the transferability of the Securities in the Republic of Italy to the extent that any placing of the Securities is made solely with qualified investors and the Securities are then systematically resold to non-qualified investors on the secondary market at any time in the 12 months following such placing. Where this occurs, if a prospectus has not been published, purchasers of the Securities who are acting outside of the course of their business or profession may be entitled to declare such purchase null and void and to claim damages from any authorised intermediary at whose premises the Securities were purchased, unless an exemption provided for by the Italian Financial Services Act applies.

As the offering of the Securities satisfies the requirements provided in

Article 2, Paragraph 3, Item 2(i) or Article 2, Paragraph 4, Item 2(i) of the FIEL, no securities registration statement has been or will be filed under Article 4, Paragraph 1 of the FIEL.
