Application has been made to the Luxembourg Stock Exchange for Instruments issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's Euro MTF market and to be listed on the Official List of the Luxembourg Stock Exchange. The Luxembourg Stock Exchange's Euro MTF market is not a regulated market for the purposes of the Markets in Financial Instruments Directive (Directive 2004/39/EC) ("**MiFID**"). The Programme provides that Instruments may be listed or admitted to trading, as the case may be, on such further or other stock exchanges or markets as the relevant Issuer and the Dealer(s) (as defined herein) may agree. The applicable Final Terms will specify whether the Instruments are to be listed (and, if so, on which stock exchange(s) and/or market(s)) or will be unlisted Instruments.

In respect of Instruments to be listed on the SIX Swiss Exchange AG (the "**SIX Swiss Exchange**"), the relevant Term Sheet (as defined below), if any, and/or Final Terms in respect of such Instruments will specify that such Instruments will be listed on the SIX Swiss Exchange and application for trading of such Instruments on the SIX Structured Products Exchange or any successor thereto has been or will be made. In the case of a listing of Instruments on the SIX Swiss Exchange, this Offering Circular will constitute the base prospectus for the SIX Swiss Exchange registered issuance programme pursuant to Article 21 of the Additional Rules for the Listing of Derivatives of the SIX Swiss Exchange and may be supplemented from time to time by filing an appropriate supplement (each a "**Supplement**") with the SIX Swiss Exchange modifying, updating or amending the information contained herein. In respect of Instruments to be listed on the SIX Swiss Exchange, this Offering Circular, together with any Supplement and the applicable Final Terms, will constitute the listing prospectus pursuant to the Listing Rules of the SIX Swiss Exchange.

In respect of Instruments which will not be listed on the SIX Swiss Exchange or which will be listed on the SIX Swiss Exchange only after the commencement of trading, such Issuer may prepare a term sheet (the "**Term Sheet**") setting forth, on a preliminary basis, certain information with respect to such Instruments, the date of issue, the issue price, the redemption amount, the redemption date, the notional amount, the capital protection, the coupon, the strike price, the knock-in price (each as applicable) and any additional information required by applicable law or SIX Swiss Exchange regulations, provided that the relevant Issuer reserves the right to set forth any and all information which may be required to be disclosed in a simplified prospectus pursuant to Art. 5 of the Swiss Federal Act on Collective Investment Schemes and any implementing ordinance or other act or regulation or self-regulation in the applicable Final Terms or a separate document (the "**Simplified Prospectus**"). Any Term Sheet prepared shall be subject to the applicable Final Terms and Simplified Prospectus, if any, for the relevant Instruments.

The Instruments, the Guarantees and, in certain cases, any securities to be delivered upon exercise or settlement of the Instruments (if any) have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), or under any U.S. state securities laws. The Instruments, the Guarantees and certain Entitlements do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the U.S. Commodity Exchange Act

of 1936, as amended (the "**CEA**"), and trading in the Instruments has not been approved by the U.S. Commodity Futures Trading Commission (the "**CFTC**") pursuant to the CEA. The Instruments may not be offered, sold, resold, traded, transferred, pledged, delivered, exercised or redeemed, directly or indirectly, at any time within the United States or to, or for the account or benefit of, any U.S. person (as defined by Regulation S under the Securities Act) (other than distributors) (in the case of Notes issued by BAC) or any United States Person (as defined herein) (other than distributors) (in the case of Notes issued by MLBV or in the case of W&C Instruments) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. In addition, all issues of Notes by MLBV, all Certificates and all Warrants (other than Rule 144A Warrants), and certain Entitlements (if any) relating to such Instruments, may not be legally or beneficially owned by United States Persons at any time nor offered, sold or delivered in the United States or to, or for the account or benefit of, United States Persons. None of the Issuers has registered as an investment company pursuant to the U.S. Investment Company Act of 1940, as amended (the "**1940 Act**"), and the rules thereunder. MLICo. may offer and sell unsecured Warrants of certain issues within the United States or to, or for the account or benefit of, United States Persons, if such persons are reasonably believed by MLICo. to be qualified institutional buyers (each a "**QIB**") as defined in Rule 144A under the Securities Act ("**Rule 144A**") who are also each a qualified purchaser (each a "**QP**") within the meaning of Section 3(c)(7) and as defined in Section 2(a)(51) of the 1940 Act and the rules thereunder and who have executed an Investor Representation Letter (as defined herein) prior to acquiring any interest in such unsecured Warrants, such unsecured Warrants being referred to in this Offering Circular as "**Rule 144A Warrants**". Each purchaser of Rule 144A Warrants is hereby notified that the offer and sale of such Rule 144A Warrants is being made in reliance upon the exemption from the securities registration requirements of the Securities Act provided by Rule 144A, and that such Rule 144A Warrants are not transferable except as provided under "Offering and Sale" below. In certain circumstances, exercise or settlement of Instruments will be conditional upon certification as to non-U.S. beneficial ownership or, in the case of a Series (as defined below) of Rule 144A Warrants, that the holder (and any person on whose behalf the holder is acting) is a QIB and a QP. See "Terms and Conditions of the W&C Instruments" on pages 228 to 291 and "Additional Terms and Conditions for Rule 144A Warrants" on pages 533 to 541. Investors in the Instruments will be deemed to have made or be required to make certain acknowledgements, representations and warranties in connection with purchasing the Instruments. See "Notice to Purchasers and Holders of Instruments and Transfer Restrictions" on pages 623 to 636. Rule 144A Warrants will, unless otherwise specified in the applicable Final Terms, be sold through Merrill Lynch, Pierce, Fenner & Smith Incorporated or one of its affiliates, which in each case is a registered broker dealer in the United States.

Unless otherwise stated in the relevant Final Terms, Rule 144A Warrants relating to commodities or commodities futures may not be offered, sold, resold, traded, transferred, pledged, delivered or redeemed, directly or indirectly, in the United States or to, or for the account or benefit of, a United States Person, and MLICo. and the Guarantor reserve the right not to make payment or delivery in respect of any such Rule 144A Warrant to a person in the United States or a United States Person if such payment or delivery would constitute a violation of U.S. law.

Unless otherwise indicated, as used in this Offering Circular, "**United States Person**" means a person which is a "U.S. person" as defined by Regulation S under the Securities Act or a "United States person" as defined in Section 7701(a)(30) of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), and in the U.S. Department of the Treasury (the "**U.S. Treasury**") regulations.

For a description of certain further restrictions on offers and sales of the Instruments and on the distribution of this Offering Circular, see "Offering and Sale" on pages 678 to 700.

The Notes issued by BAC are unsecured and are not and will not be savings accounts, deposits or obligations of, or otherwise guaranteed by, Bank of America, N.A. ("**BANA**") or any other bank. The Notes issued by BAC do not evidence deposits of BANA or any other banking affiliate of BAC and are not insured by the U.S. Federal Deposit Insurance Corporation, the Deposit Insurance Fund or any other insurer or governmental agency or instrumentality.

Each issue of Instruments will be issued in the form set out in "Form of the Instruments" on pages 102 to 107.

**Prospective purchasers of Instruments should ensure that they understand the nature of the relevant Instruments and the extent of their exposure to risks and that they consider the suitability**

**of the relevant Instruments as an investment in light of their own circumstances and financial condition. Instruments involve a high degree of risk and potential investors should be prepared to sustain a total loss of the purchase price of their Instruments. See "Risk Factors" on pages 36 to 90.**

Neither this Offering Circular nor any other information supplied in connection with the Programme or any issue of Instruments constitutes an offer or an invitation by or on behalf of BAC, MLBV and/or MLICo. or any Dealer or any other person to subscribe for or to purchase any Instruments.

Neither the delivery of this Offering Circular nor the offering, sale or delivery of any Instruments shall in any circumstances imply that the information contained herein concerning BAC, MLBV and/or MLICo. is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. This Offering Circular does not constitute an offer to sell or the solicitation of an offer to buy any Instruments in any jurisdiction to any person to whom it is unlawful to make such offer or solicitation in such jurisdiction. The distribution of this Offering Circular and the offer or sale of Instruments may be restricted by law in certain jurisdictions. None of BAC, MLBV, MLICo. and any Dealer represents that this Offering Circular may be lawfully distributed, or that any Instruments may be lawfully offered, in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant to an exemption available thereunder, or assumes any responsibility for facilitating any such distribution or offer. In particular, unless specifically indicated to the contrary in the applicable Final Terms, no action has been taken by BAC, MLBV, MLICo. or any Dealer which is intended to permit a public offering of any Instruments or distribution of this Offering Circular in any jurisdiction where action for that purpose is required. Persons into whose possession this Offering Circular or any Instruments may come must inform themselves about, and observe, any such restrictions on the

distribution of this Offering Circular and the offering and sale of Instruments. In particular, there are restrictions on the distribution of this Offering Circular and the offer or sale of Instruments in the United States, the European Economic Area (including Luxembourg, the United Kingdom, France, Italy and The Netherlands), Argentina, Australia, Bahrain, Brazil, Chile, Colombia, Hong Kong, India, Indonesia, Israel, Japan, Malaysia, Mexico, Panama, Peru, Philippines, Singapore, South Korea, Spain, Switzerland, Taiwan, Thailand, Uruguay and Venezuela, and such other restrictions as may be required in connection with the offering and sale of a particular Series of Instruments (see "Offering and Sale" on pages 678 to 700). In particular, the Instruments, the Guarantees and, in certain cases, any securities to be delivered upon exercise or settlement of the Instruments (if any) have not been and will not be registered under the Securities Act.

This Offering Circular has been prepared on the basis that any offer of Instruments in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "Relevant Member State") will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Instruments. Accordingly any person making or intending to make an offer in that Relevant Member State of Instruments which are the subject of an offering contemplated in this Offering Circular as completed by the applicable Final Terms in relation to the offer of those Instruments may only do so in circumstances in which no obligation arises for the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. None of the relevant Issuer, the Guarantor (if applicable) and any Dealer have authorised, nor do they authorise, the making of any offer of Instruments in circumstances in which an obligation arises for the relevant Issuer, the Guarantor (if applicable) or any Dealer to publish or supplement a prospectus for such offer.

No Notes issued by MLBV or W&C Instruments (other than Rule 144A Warrants), or any interests therein, may at any time be offered, sold, resold, pledged, assigned, delivered or otherwise transferred, exercised or redeemed, directly or indirectly, in the United States or to, or for the account or benefit of, United States Persons and any offer, sale, resale, pledge, assignment, delivery or other transfer, exercise or redemption made, directly or indirectly, within the United States or to, or for the account or benefit of, a United States Person will not be recognised. See "Notice to Purchasers and Holders of Instruments and Transfer Restrictions" and "Offering and Sale". No Notes issued by BAC may be offered, sold, resold, traded, transferred, pledged, delivered, exercised or redeemed, directly or indirectly, in the United States or to, or for the account or benefit of, a U.S. person (as defined in Regulation S) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. The Notes issued by BAC will be subject to certain restrictions on transfer – see "Offering and Sale".

The Instruments and the Guarantees have not been approved or disapproved by the U.S. Securities and Exchange Commission (the "SEC") or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities reviewed or passed upon the accuracy or adequacy of this Offering Circular. Any representation to the contrary is a criminal offence in the United States. The Instruments, the Guarantees and certain Entitlements do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the CEA, and trading in the Instruments has not been approved by the CFTC pursuant to the CEA.

This Offering Circular is being submitted on a confidential basis in the United States to a limited number of QIBs who are also QPs for informational use solely in connection with the consideration of the purchase of the Rule 144A Warrants. It may not be copied or reproduced in the United States in whole or in part nor may it be distributed or any of its contents disclosed to anyone in the United States other than the prospective investors to whom it is originally submitted.

Each purchaser or holder of interests in the Warrants will be deemed, by its acceptance or purchase of any such Warrants, to have made, or will be required to make, certain representations and agreements as set out in "Notice to Purchasers and Holders of Instruments and Transfer Restrictions" and "Offering and Sale".

Notwithstanding anything to the contrary contained herein, each holder and beneficial owner of the Instruments (and each employee, representative, or other agent of each holder and beneficial owner of the Instruments) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of the transactions described herein and all materials of any kind that are provided to the holder or beneficial owner of the Instruments relating to such tax treatment and tax structure (as such terms are defined in U.S. Treasury Regulation Section 1.6011-4). This authorisation of tax disclosure is retroactively effective to the commencement of discussions with holders or beneficial owners of the Instruments regarding the transactions contemplated herein.

None of BAC, MLBV and MLICo. has investigated, and none has or may have access to information that would permit it to ascertain, whether any company which has issued equity, debt or other instruments to which any Instruments relate is for U.S. tax purposes a passive foreign investment company, a controlled foreign corporation, a publicly-traded partnership or other type of pass-through entity. Prospective investors in any Instruments that are U.S. taxpayers should consult their own advisers concerning U.S. tax considerations relevant to an investment in such Instruments.

If Instruments are linked to Reference Items that are Shares of one or more United States issuers, such Shares must be registered with the SEC. In addition, if Instruments are linked to Reference Items that are (i) Shares of one or more United States issuers or (ii) indices comprised of stock, Shares or other securities of United States issuers, such United States issuers must be, at the time of the issuance of the relevant Instruments, a reporting issuer under the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act"). Fund Linked Instruments linked to Exchange Traded Funds may be subject to early redemption or cancellation, as applicable, or adjustment (including as to valuation) if certain corporate events (such as events affecting the value of a Fund Share including share divisions or consolidation, de-listing of a Fund Share, insolvency, merger or nationalisation of a Fund Share issuer, or a tender offer of a Fund Share) or modifications of its investment objectives occur or if certain events occur with respect to the relevant Issuer's and/or Affiliate's hedging arrangements.

If certain disruption events occur with respect to valuation of a Fund Share in respect of an Exchange Traded Fund, such valuation may be postponed and/or may be made by the Calculation Agent. Payments may also be postponed.

**Inflation Linked Instruments:**

Amounts payable in respect of Inflation Linked Instruments will be calculated by reference to a single Inflation Index or basket of Inflation Indices.

Amounts payable and/or deliverable in respect of Credit Linked Instruments will be calculated by reference to the credit of a specified entity or entities.

Risk Factors:

In the course of conducting their business operations, BAC and its subsidiaries (together, the "**Group**"), including MLBV and MLICo., are exposed to a variety of risks, some of which are inherent in the financial services industry and others of which are more specific to their own businesses, and that are material for purposes of assessing the risks associated with investing in the Instruments. See "Risk Factors" for more information regarding these risks.

**POTENTIAL INVESTORS MUST REVIEW THE APPLICABLE FINAL TERMS TO ASCERTAIN WHAT THE RELEVANT REFERENCE ITEM(S) ARE AND TO SEE HOW THE CASH SETTLEMENT AMOUNT, FINAL REDEMPTION AMOUNT OR ENTITLEMENT, AS THE CASE MAY BE, PAYABLE AND/OR DELIVERABLE ON THE INSTRUMENTS AND ANY INTEREST PAYMENTS (IN THE CASE OF NOTES) OR ANY ADDITIONAL AMOUNT PAYMENTS (IN THE CASE OF W&C INSTRUMENTS) ARE DETERMINED AND WHEN SUCH AMOUNTS ARE PAYABLE AND/OR DELIVERABLE, AS THE CASE MAY BE, BEFORE MAKING ANY DECISION TO PURCHASE ANY INSTRUMENTS.**

## RISK FACTORS

*An investment in the Instruments involves substantial risks and is a riskier investment than an investment in ordinary debt or equity securities. The Instruments are not equivalent to investing directly in the Reference Items (if any).*

*Each of BAC (in its capacity as Issuer and in its capacity as Guarantor, with respect with respect to Instruments other than Secured W&C Instruments), MLBV and MLICo. believes that the following factors may affect its ability to fulfil its obligations in respect of its relevant Instruments issued under the Programme and/or are material for the purpose of assessing the market risks associated with its Instruments issued under the Programme. All of these factors are contingencies which may or may not occur, and none of BAC, MLBV and MLICo. is in a position to express a view on the likelihood of any such contingency occurring.*

*Each of BAC (in its capacity as Issuer and in its capacity as Guarantor, with respect to Instruments other than Secured W&C Instruments), MLBV and MLICo. believes that the factors described below represent the principal risks inherent in investing in the relevant Instruments issued under the Programme, but the inability of the relevant Issuer or the Guarantor (if applicable) to pay any cash amounts in connection with any cash settled instruments ("**Cash Settled Instruments**") or to deliver the Entitlement in connection with any physical delivery instruments ("**Physical Delivery Instruments**") may occur for other reasons, and none of the Issuers nor the Guarantor represents that the statements below regarding the risks of holding any such Instruments are exhaustive. Additional risks and uncertainties not presently known to any of BAC (in its capacity as Issuer and in its capacity as Guarantor, with respect to Instruments other than Secured W&C Instruments) or MLBV or MLICo. or that any of BAC (in its capacity as Issuer and in its capacity as Guarantor, with respect to Instruments other than Secured W&C Instruments) or MLBV or MLICo. currently believes to be immaterial could also have a material impact on its business operations or the relevant Instruments. The Final Terms in respect of an issue of Instruments may contain additional Risk Factors in respect of such Instruments. Prospective investors should also read the detailed information set out elsewhere in this Offering Circular and reach their own views prior to making any investment decision.*

*Terms used in this section and not otherwise defined shall have the meanings given to them in the "Terms and Conditions of the Notes" or the "Terms and Conditions of the W&C Instruments", as applicable (together the "**Conditions**" and references herein to "**relevant Conditions**" shall be construed accordingly).*

**Risk Factors Relating to the Relevant Issuer's and (with respect to the Instruments other than Secured W&C Instruments) the Guarantor's Ability to Fulfil Their Respective Obligations Under the Relevant Instruments**

BAC is the ultimate parent company of the Bank of America group of companies (BAC and its consolidated subsidiaries, the "**Group**"). MLBV and MLICo. are both part of the Group, and, as such, may be affected by uncertain or unfavourable economic, market, legal and other conditions that are likely to affect BAC as a whole.

Each of MLBV and MLICo. is a finance vehicle whose principal purpose is to raise debt or enter into financial contracts to assist the financing activities of such Issuer's affiliates. Accordingly, neither MLBV nor MLICo. has any trading assets nor generates any significant net income. MLBV and MLICo. transact with, and depend on, entities within the Group.

The payment and non-cash delivery obligations under Instruments issued by MLBV and MLICo. (other than in respect of Swiss COSIs and Secured W&C Instruments) under the Programme are guaranteed unconditionally and irrevocably pursuant to the Non-COSI Guarantee. MLICo.'s payment obligations to the extent of any Shortfall under the relevant Series of Swiss COSIs issued under the Programme will be guaranteed conditionally but irrevocably pursuant to the Swiss COSI Guarantee. As a result, if the Guarantor's financial condition were to deteriorate, the value of such Instruments may be affected and each of MLBV and MLICo. and investors in the Instruments issued by them may suffer direct and materially adverse consequences. Accordingly, prospective investors in such Instruments (other than Secured W&C Instruments) should review, *inter alia*, the factors below regarding BAC, the Group (as defined above) and the Group's businesses and industry, which may affect the relevant Issuer's ability to repay its obligations and (if applicable) BAC's ability to fulfil its obligations under the relevant Guarantee.

***Payments on the Instruments are subject to the credit risk of the relevant Issuer and (other than in respect of Secured W&C Instruments) BAC, in its capacity as the Guarantor, and the value of the Instruments (other than Secured W&C Instruments) will be affected by a credit rating reduction of BAC***

The amounts payable or deliverable on the Instruments at maturity, redemption, settlement, expiration or exercise are dependent upon the ability of the relevant Issuer and (other than in respect of Secured W&C Instruments) BAC, in its capacity as the Guarantor (if applicable), to repay (or deliver, as applicable) their respective obligations on the applicable maturity date, redemption date, settlement date, expiration date or exercise date. If the relevant Issuer and (other than in respect of Secured W&C Instruments) BAC, in its capacity as the Guarantor (if applicable), are not able to fulfil their respective obligations under the Instruments to Holders, investors will be unsecured and will not have the protection of the U.S. Federal Deposit Insurance Corporation, the U.S. Deposit Insurance Fund, the UK Financial Services Compensation Scheme or any other government or governmental agency, or insurance protection scheme in any jurisdiction. In such case, the return on the Instruments will be reduced and may be zero. This will be the case even if the value of the Reference Item increases (or decreases, as the case may be) after the pricing date. No assurance can be given as to what the financial condition of the relevant Issuer or (other than in respect of Secured W&C Instruments) BAC, in its capacity as the Guarantor (if applicable), will be on the applicable maturity date, redemption date, settlement date, expiration date or exercise date.

Furthermore, the value of the Instruments (other than Secured W&C Instruments) is expected to be affected, in part, by investors' general appraisal of BAC's creditworthiness and actual or anticipated changes in BAC's credit ratings prior to the maturity date, redemption date, settlement date, expiration date or exercise date may affect the value of the Instruments (other than Secured W&C Instruments). Such perceptions are generally influenced by the ratings accorded to BAC's outstanding securities by standard statistical rating services. A reduction (or anticipated reduction) in the rating, if any, accorded to outstanding debt securities of BAC by one of these rating agencies could result in a reduction in the

trading value of the Instruments (other than Secured W&C Instruments). As the return on the Instruments depends upon factors in addition to the ability of the relevant Issuer or (other than in respect of Secured W&C Instruments) BAC, in its capacity as the Guarantor (if applicable), to pay its respective obligations, an improvement in these credit ratings will not reduce the other investment risks related to such Instruments. A credit rating is not a recommendation to buy, sell, or hold any of the Instruments and may be subject to suspension, change, or withdrawal at any time by the assigning rating agency.

### **Risk Factors Relating to BAC and the Group and to the Group's Businesses and Industry**

*When used in this Offering Circular, and as required by the context, "BAC" may refer to Bank of America Corporation individually, Bank of America Corporation and its consolidated subsidiaries or certain of Bank of America Corporation's subsidiaries or affiliates, individually or collectively.*

In the course of conducting its business operations, BAC is exposed to a variety of risks, some of which are inherent in the financial services industry and others of which are more specific to BAC's own businesses. The most significant factors, of which BAC is currently aware, that could affect BAC's businesses, results of operations and financial condition are described in the BAC 2014 Annual Report under the caption "*Item 1A. Risk Factors*". Additional factors that could affect BAC's businesses, results of operations and financial condition are discussed in the BAC 2014 Annual Report under the heading "*Forward-looking Statements*" and in the BAC 30 September 2015 Quarterly Report under the heading "*Management's Discussion and Analysis of Financial Condition and Results of Operations*". However, other factors not discussed in the BAC 2014 Annual Report or the BAC 30 September 2015 Quarterly Report could also adversely affect BAC's businesses, results of operations and financial condition. Therefore, the risk factors set forth in the BAC 2014 Annual Report should not be considered a complete list of the potential risks that BAC may face.

**Any risk factor described in the BAC 2014 Annual Report or in any of BAC's other SEC filings could by itself, or together with other factors, materially adversely affect BAC's liquidity, cash flows, competitive position, business, reputation, results of operations, capital position or financial condition, including by materially increasing BAC's expenses or decreasing BAC's revenues, which could result in material losses.**

### **Risks Relating to the Instruments Generally**

#### ***Investors risk losing all of their investment in the Instruments***

Potential investors should be aware that depending on the terms of the relevant Instruments (i) they may receive no or a limited amount of interest, (ii) payments may occur at a different time than expected and (iii) except in the case of principal protected Instruments, they may lose all or a substantial portion of their investment if the value of the Reference Item(s) does not move in the anticipated direction.

Investors in Instruments which are principal protected may still be subject to loss of some or all of their investment if the relevant Issuer and (other than in respect of Secured W&C Instruments) the Guarantor (if applicable) are subject to bankruptcy or insolvency proceedings or some other event occurs which impairs the ability of each to meet its obligations under the Instruments. An investor may also lose some or all of its investment if it seeks to sell the relevant Instruments prior to their scheduled maturity, and the sale price of the Instruments in the secondary market is less than the initial investment or the relevant Instruments are subject to certain adjustments in accordance with the terms and conditions of such Instruments that may result in the scheduled amount to be paid or asset(s) to be delivered upon redemption being reduced to or being valued at an amount less than an investor's initial investment.

#### ***The Instruments may not be a suitable investment for all investors***

Each potential investor in the Instruments must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to evaluate the Instruments, the merits and risks of investing in the Instruments and the information contained or incorporated by reference in this

Offering Circular or any applicable supplement and all the information contained in the applicable Final Terms;

- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Instruments and the impact the Instruments will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Instruments, including Instruments with amounts payable in one or more currencies, or where the Settlement Currency or Specified Currency of the Instruments is different from the potential investor's currency;
- (d) have knowledge of and access to appropriate analytical resources to analyse quantitatively the effect (or value) of any redemption, cap, floor, or other features of the Instruments, and the resulting impact upon the value of the Instruments;
- (e) understand thoroughly the terms of the Instruments and be familiar with any relevant indices and financial markets; and
- (f) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

The Instruments are complex financial instruments. A potential investor should not invest in Instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how such Instruments will perform under changing conditions, the resulting effects on the value of those Instruments and the impact this investment will have on the potential investor's overall investment portfolio.

In addition, an investment in Index Linked Instruments, Share Linked Instruments, GDR/ADR Linked Instruments, FX Linked Instruments, Commodity Linked Instruments, Fund Linked Instruments, Inflation Linked Instruments, Credit Linked Instruments, Saudi Share Linked Warrants or other Reference Item Linked Instruments, may entail significant risks not associated with investments in conventional securities such as debt or equity securities, including, but not limited to, the risks set out in "Risks Relating to the Structure of a Particular Issue of Instruments" below.

***The Instruments (other than Swiss COSIs and Secured W&C Instruments) are unsecured obligations***

Save in respect of Swiss COSIs (in respect of which see "*Risks related to Swiss COSIs*" below) and Secured W&C Instruments (in respect of which see "*Risks related to Secured W&C Instruments*" below), the Instruments issued by each of MLBV and MLICo. constitute direct, unsubordinated, unconditional and unsecured obligations of the relevant Issuer and rank equally among themselves and rank equally (subject to exceptions as are from time to time provided by applicable laws) with all other present and future direct, unsubordinated, unconditional and unsecured indebtedness or obligations, as applicable, of the relevant Issuer.

The Notes issued by BAC will be unsecured and unsubordinated obligations of BAC and will rank equally with all of BAC's other unsecured and unsubordinated obligations from time to time outstanding, except obligations, including deposit liabilities, that are subject to any priorities or preferences by law.

Swiss COSIs constitute direct, unsubordinated and unconditional obligations of MLICo. and rank equally among themselves and rank equally (subject to such exceptions as are from time to time provided by applicable laws) with all other present and future direct, unsubordinated and unconditional obligations of MLICo. and are collateralised in accordance with the terms of the Framework Agreement.

The obligations of the Guarantor under each Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, will rank *pari passu* with its other present and future unsecured and unsubordinated obligations.

***BAC's obligations under its Notes and under the Guarantees will be structurally subordinated to liabilities of BAC's subsidiaries***

Because BAC is a holding company, the right of BAC to participate in any distribution of the assets of any subsidiary (including each of MLBV and MLICo.) upon its liquidation or reorganisation or otherwise is subject to the prior claims of creditors of the subsidiary, except to the extent that claims of BAC itself is recognised as a creditor of that subsidiary. As a result, BAC's obligations under its Notes or under the Guarantees will be structurally subordinated to all existing and future liabilities of BAC's subsidiaries, and claimants under the Notes issued by BAC or the Guarantees should look only to BAC's assets for payment.

***There are restrictions on the ability of BAC's subsidiaries to pay dividends, make loans and make advances to BAC***

BAC is a legal entity separate and distinct from its subsidiaries. A significant source of funds to pay principal and interest on its debt is dividends and other funds from its subsidiaries. Various U.S. federal and state statutory provisions and regulations limit the amount of dividends BAC's subsidiary banks and certain other subsidiaries may pay without regulatory approval. In addition, under various U.S. laws and regulations, the ability of BAC's subsidiary banks to make loans and transfer funds to BAC may be restricted. U.S. federal banking regulators have the authority to prohibit BAC's subsidiary banks from engaging in unsafe or unsound practices in conducting their businesses. The payment of dividends or making loans or advances to BAC could be deemed an unsafe or unsound practice, depending on the financial condition of the bank in question or other facts and circumstances. The ability of BAC's subsidiary banks to pay dividends, make loans or other advances to BAC in the future is currently, and could be further, influenced by bank regulatory policies and capital guidelines. If BAC's subsidiaries are restricted from paying dividends, making loans or making advances to BAC, BAC's ability to fulfil its obligations under its Notes and the Guarantees (if applicable) may be adversely affected.

***The yield on the Instruments may be less than the yield on a conventional debt security of comparable maturity***

Any yield that an investor may receive on the Instruments, which could be negative, may be less than the return an investor would earn if the investor purchased a conventional debt security with the same maturity date. As a result, an investment in the Instruments may not reflect the full opportunity cost to an investor when factors that affect the time value of money, such as inflation, are considered.

***Movements in the level or price of a Reference Item will affect the performance of the Instruments***

The level or price of the Reference Item may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices and the timing of changes in the relevant level or price of the Reference Item. This may affect the actual yield to investors, even if the average level or price of the Reference Item during the life of the Instruments is consistent with investors' expectations. In general, the earlier the change in the level or price of the Reference Item, the greater the effect on the yield of the Instruments.

***Leverage will magnify the effect of changes in the Reference Item***

If the formula used to determine any amount payable and/or non-cash consideration deliverable contains a multiplier or leverage factor, then the percentage change in the value of the Instrument will be greater than any positive and/or negative performance of the Reference Item(s). Any Instruments which include such multiplier or leverage factor represent a very speculative and risky form of investment since any change in the value of the Reference Item(s) carries the risk of a correspondingly higher change in the value of the Instruments.

For Tranche Portfolio CLNs, the Implicit Portfolio Size of the Reference Portfolio is likely to be significantly larger than the nominal amount of the Notes. Accordingly, the credit risk of investors in the Notes in relation to the Reference Portfolio is leveraged. The value of such Notes may be more volatile, and credit losses in respect of such Notes may be greater than would be the case in the absence of such leverage. The value of such Notes may also be adversely affected by changes in the relative value of different tranches of credit risk on the Reference Portfolio. Such relative value changes may occur as a result of, for example, changes in assumptions used by market participants to model the

credit risk of the Reference Portfolio, as well as changes in the supply of and demand for credit protection in relation to each such tranche.

***A postponement of valuation or determination due to a Market Disruption Event and Disrupted Day may have an adverse effect on the value of the Instruments***

If the Instruments include provisions dealing with the occurrence of a Market Disruption Event or a failure of an exchange or related exchange to open on a Valuation Date, an Averaging Date or a Pricing Date and the Calculation Agent determines that a Market Disruption Event or such failure has occurred or exists on any relevant date, any consequential postponement of the relevant date or any alternative provisions for valuation provided in the Instruments may have an adverse effect on the value of the Instruments or of any amounts payable under the Instruments.

***The occurrence of a Payment Disruption Event may lead to a delayed and/or reduced payment***

If a Payment Disruption Event is applicable to an Instrument, as specified in the applicable Final Terms, then, in the event that the Calculation Agent determines, in its sole discretion, that an event that (i) prevents, restricts or delays the relevant Issuer from converting or delivering relevant currencies, (ii) imposes capital or exchange controls, (iii) implements changes to laws relating to foreign investments, or (iv) otherwise prohibits or prevents the Issuer from making a payment or performing an obligation required of it as a result of war, catastrophe, governmental action or other event beyond its control (a **"Payment Disruption Event"**) has occurred or is likely to occur, then either (a) the relevant exercise or payment date (as applicable) in respect of the Instruments or (b) the relevant Issuer's obligation to make a payment in respect of such exercise or payment date may be postponed to a date falling five Business Days (or such other date as may be determined by the Calculation Agent and notified to Holders) after the date on which the Payment Disruption Event is no longer occurring. No accrued interest will be payable in respect of any such postponement and no Event of Default in respect of the Instruments will result from such postponement. Partial payments or physical delivery of Shares in lieu of cash settlement of Share Linked Instruments may, in the relevant Issuer's sole discretion, be made during such period (after deduction for any expenses). In the event that a Payment Disruption Event is still continuing on the date which is one year after the last date on which amounts are due under the Instruments (or in the case of Saudi Share Linked Warrants, the earlier of (x) one year after the last date on which amounts are due under the Instruments and (y) four years after the Trade Date) (the **"Payment Event Cut-Off Date"**), then (1) such final payment date shall be extended to the Payment Event Cut-Off Date and (2) the remaining amounts payable under the Instruments shall be deemed to be zero and the relevant Issuer shall have no obligations whatsoever under the Instruments. Therefore, in a case where Payment Disruption Event is specified as applicable in the applicable Final Terms, the Holder could lose all or part of its investment in the Instruments.

In the event that the relevant Issuer satisfies its obligation to make a cash payment by the delivery of Shares following the occurrence of a Payment Disruption Event, Holders may be unable to sell such Shares, or may be unable to sell them at a price equal to the cash payment that would have been payable but for the occurrence of the Payment Disruption Event.

***The occurrence of a CNY Payment Disruption Event may lead to a delayed and/or reduced payment or payment in another currency***

If a CNY Payment Disruption Event is applicable to an Instrument, as specified in the applicable Final Terms, then, in the event that the Calculation Agent determines, in its sole discretion, that any of the following events has occurred or is likely to occur: (i) an event that makes it impossible or impractical for the relevant Issuer to convert any amounts in CNY due in respect of the Instruments in the general CNY foreign exchange market in the relevant CNY Settlement Centre(s), (ii) an event that makes it impossible or impractical for the relevant Issuer to deliver CNY between accounts inside the relevant CNY Settlement Centre(s) or from an account inside the relevant CNY Settlement Centre(s) to an account outside the relevant CNY Settlement Centre(s), or (iii) the general CNY foreign exchange market in the relevant CNY Settlement Centre becomes illiquid as a result of which the relevant Issuer cannot obtain sufficient CNY in order to satisfy its payment obligations (in whole or in part) under the Instruments (each, a **"CNY Payment Disruption Event"**), then either (a) the relevant exercise or payment date (as applicable) in respect of the Instruments, or (b) the relevant Issuer's obligation to make a payment in respect of such exercise or payment date, may be postponed to a date falling five Business Days (or such other date as may be determined by the Calculation Agent and notified to

Holders) after the date on which the CNY Payment Disruption Event is no longer occurring. No accrued interest will be payable in respect of any such postponement and no Event of Default in respect of the Instruments will result from such postponement. In the event that a CNY Payment Disruption Event is still continuing on the Payment Event Cut-Off Date, then (1) such final payment date shall be extended to the Payment Event Cut-Off Date and (2) the remaining amounts payable under the Instruments shall be deemed to be zero and the relevant Issuer shall have no obligations whatsoever under the Instruments. Therefore, in a case where a CNY Payment Disruption Event is relevant as specified in the applicable Final Terms, the Holder could lose all or part of its investment in the Instruments. If "Payment of Equivalent Amount" is applicable to an Instrument, as specified in the applicable Final Terms, the relevant Issuer may make payment of the equivalent amount of the relevant Interest Amount, Fixed Coupon Amount, Final Redemption Amount, Additional Amount, Cash Settlement Amount or other amount payable under the Instruments in another currency as specified in the applicable Final Terms.

***Risks relating to Instruments denominated in CNY***

All payments in CNY under the Instruments will be made solely by credit or transfer to a CNY account maintained by the payee with a bank in the CNY Settlement Centre in accordance with the prevailing rules and regulations and in accordance with the Conditions. The relevant Issuer shall not be required to make payment by any other means (including in bank notes or by transfer to a bank account in the People's Republic of China or anywhere else other than the CNY Settlement Centre).

There is only limited availability of CNY outside the People's Republic of China, which may affect the liquidity of the Instruments and the relevant Issuer's ability to source CNY outside the People's Republic of China to fulfil its payment obligations under the Instruments.

CNY is not freely convertible at present. The government of the People's Republic of China continues to regulate conversion between CNY and foreign currencies despite the significant reduction over the years by such government of its control over routine foreign exchange transactions under current accounts. The People's Bank of China ("PBOC") has established a clearing and settlement system pursuant to the Settlement Agreement on the Clearing of CNY Business between PBOC and Bank of China (Hong Kong) Limited. However, the current size of CNY and CNY denominated financial assets in the Hong Kong Special Administrative Region is limited, and its growth is subject to many constraints imposed by the laws and regulations of the People's Republic of China on foreign exchange. There can be no assurance that access to CNY funds for the purposes of making payments under the Instruments or generally may remain or will not become restricted.

The value of CNY against foreign currencies fluctuates and is affected by changes in the People's Republic of China and international political and economic conditions and by many other factors. As a result, foreign exchange fluctuations between a purchaser's home currency and CNY may affect purchasers who intend to convert gains or losses from the sale or redemption of the Instruments into their home currency. The government of the People's Republic of China has gradually liberalised the regulation of interest rates in recent years. Further liberation may increase interest rate volatility.

***If a Currency Substitution Event with respect to the Instruments occurs, adjustments may be made to the economic terms of the Instruments which may result in a reduced investment return***

In the event of a Currency Substitution Event, the relevant Issuer may (a) make adjustments to the economic terms of the relevant Instruments, including, without limitation, to the exercise, settlement, valuation, calculation and payment terms or (b) redeem or settle the Instruments early on such day as shall be notified to the Holders at an early redemption amount or early settlement amount that accounts for the Currency Substitution Event. Any such action may reduce the value of the Instruments and may result in the amounts paid or non-cash consideration delivered under the Instruments being less than what would have been paid or delivered if the adjustments had not been made or the early redemption or settlement had not occurred, and may be less, or significantly less, than the initial investment.

***The relevant Issuer may make certain modifications to the Instruments without the consent of the Holders***

The Conditions provide that the relevant Agent and the relevant Issuer may, without the consent of Holders, agree to (i) any modification (subject to certain specific exceptions) of the Instruments or the

New York Law Agency Agreement or the English Law Agency Agreement (as applicable) (each as defined in the "Terms and Conditions of the Notes") which is not prejudicial to the interests of the Holders or (ii) any modification of the Instruments or the New York Law Agency Agreement or the English Law Agency Agreement (as applicable) which is of a formal, minor or technical nature or is made to correct a manifest error or proven error or to comply with mandatory provisions of law.

***At meetings of Holders, the decision of the majority will bind all Holders***

The Conditions contain provisions for calling meetings of Holders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Holders, including Holders who did not attend and vote at the relevant meeting and Holders who voted in a manner contrary to the majority.

***There may be conflicts of interest between the relevant Issuer, the Guarantor (if applicable) and/or their respective Affiliates and the Holders***

The relevant Issuer, the Guarantor (if applicable) and/or any of their respective Affiliates or agents may engage in activities that may result in conflicts of interests between their and their respective Affiliates' or agents' financial interests on the one hand and the interests of the Holders on the other hand. The relevant Issuer, the Guarantor (if applicable) and/or any of their respective Affiliates or agents may also engage in trading activities (including hedging activities) related to the Reference Item(s) underlying any Instruments and other instruments or derivative products based on or related to the Reference Item(s) underlying any Instruments for their proprietary accounts or for other accounts under their management. The relevant Issuer, the Guarantor (if applicable) and/or any of BAC's Affiliates or agents may also issue other derivative instruments in respect of the Reference Item(s) underlying Instruments. The relevant Issuer, the Guarantor (if applicable) and/or any of BAC's Affiliates or agents may also act as underwriter in connection with future offerings of Shares or other securities related to an issue of Instruments or may act as financial adviser to certain companies whose Shares or other securities are included in a basket of Shares or other securities or which are reference entities, or in a commercial banking capacity for any such companies. Such activities could present certain conflicts of interest, could influence the prices of such shares or other securities and could adversely affect the value of such Instruments. The relevant Issuer also may enter into arrangements with Affiliates or agents to hedge market risks associated with its obligations under the Instruments. Any such Affiliate or agent would expect to make a profit in connection with such arrangements. The relevant Issuer would not seek competitive bids for such arrangements from unaffiliated parties.

Where the Instruments are offered to third parties, as the Dealer(s) and any distributors act pursuant to a mandate granted by the relevant Issuer and they receive fees on the basis of the services performed and the outcome of the placement of the Instruments, potential conflicts of interest could arise.

Any additional risk factors relating to additional conflicts of interest with respect to a specific Series of Instruments will be specified in the applicable Final Terms.

In addition, unless otherwise specified in the applicable Final Terms, the Calculation Agent is an Affiliate of the relevant Issuer and the Guarantor (if applicable) and in such capacity may make certain determinations and calculate amounts payable or deliverable to Holders. The Calculation Agent may make such determinations using data which is not easily obtainable by a Holder of the Instruments. Under certain circumstances, the Calculation Agent, as an Affiliate of the relevant Issuer and the Guarantor (if applicable), and its responsibilities as calculation agent for the Instruments could give rise to potential conflicts of interest between the Calculation Agent and the Holders. As BAC controls the Calculation Agent, potential conflicts of interest could arise.

In addition, a proprietary index will generally be developed, owned, calculated and maintained by MLI or a MLI Affiliate, which would be responsible for the composition, calculation and maintenance of such index. In such circumstances, MLI or the MLI Affiliate, as the case may be, as the index sponsor, would be under no obligation to take into account the interests of the Holders of any Instruments referenced by such index. In such capacity as index sponsor, MLI or the MLI Affiliate, as the case may be, will have the authority to make determinations that could materially and adversely affect the value of the Instruments.

***The secondary market price of the Instruments may be less than the Issue Price***

Investors should note that, in certain circumstances immediately following the issue of the Instruments or at any time prior to maturity, the secondary market price of the Instruments may be less than the Issue Price, reflecting the fees to be paid to distributor(s) included in the Issue Price, hedging and other costs for the Instruments, changes to the relevant Issuer's or (if applicable) the Guarantor's credit spreads and changes in the level of the Reference Item. These factors, together with various credit, market and economic factors over the term of the Instruments, are expected to reduce the price at which an investor may be able to sell the Instruments in any secondary market and will affect the value of the Instruments in complex and unpredictable ways. See also "There may be conflicts of interest between the relevant Issuer, the Guarantor (if applicable) and/or their respective Affiliates and Holders" above.

***A Holder may not receive the Entitlement relating to a Physical Delivery Instrument if it fails to deliver the required notice and pay Expenses relating to such Physical Delivery Instrument***

In order to receive the Entitlement in respect of a Physical Delivery Note, the holder of such Note must (i) duly deliver to the Clearing System and/or Paying Agents, as specified in the Final Terms, a duly completed Asset Transfer Notice on or prior to the relevant time on the Cut-Off Date and (ii) pay the relevant Expenses. As used in the Conditions, "Expenses" includes any applicable depositary charges, transaction or exercise charges, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes arising from the redemption, exercise and settlement (as applicable) of such Instruments and/or the delivery of the Entitlement.

In order to receive the Entitlement in respect of a Physical Delivery W&C Instrument, the holder of such W&C Instrument must (i) deliver or send to the Clearing System and/or Paying Agents, as specified in the Final Terms, (a) a duly completed Exercise Notice on or prior to the relevant time on the Expiration Date (in the case of a Warrant) or (b) a duly completed Collection Notice on or prior to the relevant time on the Cut-Off Date (in the case of a Certificate) and (ii) pay the relevant Expenses.

Failure by a Holder properly to complete and deliver an Asset Transfer Notice, Exercise Notice or Collection Notice, as the case may be, or to procure that its agent does so on its behalf, may result in such notice being treated as null and void. This may result in a delay in delivery of the Entitlement, or the relevant Issuer being unable to deliver the Entitlement. Failure to pay the Expenses will have the same consequences to a Holder.

***In the case of Physical Delivery Instruments, settlement may be delayed or made in cash if certain events arise***

In the case of Physical Delivery Instruments (other than Credit Linked Instruments), if a Settlement Disruption Event occurs or exists on the Maturity Delivery Date (in the case of Notes) or Settlement Date (in the case of W&C Instruments), settlement will be postponed until the next date on which no Settlement Disruption Event occurs. The relevant Issuer in these circumstances has the right to pay the Disruption Cash Settlement Price in lieu of delivering the Entitlement. Such a determination may have an adverse effect on the value of the relevant Instruments. In addition, if "Failure to Deliver due to Illiquidity" is specified as applicable in the applicable Final Terms, and in the opinion of the Calculation Agent it is impossible or impracticable to deliver some or all of the Relevant Assets comprising the Entitlement when due as a result of illiquidity in the market for the Relevant Assets, the relevant Issuer has the right to pay the Failure to Deliver Settlement Price in lieu of delivering those Relevant Assets. Any Disruption Cash Settlement Price or Failure to Deliver Settlement Price may be significantly less than Holders expected to receive prior to such Settlement Disruption Event or Calculation Agent determination.

***Holdings have no claim against any Reference Item(s), and the return on a Reference Item Linked Instrument, if any, may be less than the return on an investment directly in the Reference Item(s)***

An Instrument will not represent a claim against any Reference Item(s) and, in the event of any loss, a Holder will not have recourse under an Instrument to any Reference Item(s). If a Reference Item is comprised of the same asset as a Collateral Asset in respect of a Series of Secured W&C Instruments, a Holder may have recourse to such Collateral Asset under the relevant Secured W&C Instruments (see the risk factors set out in the section entitled "Risks relating to Secured W&C Instruments"). The

investment return on the Instruments, if any, may be less than a comparable investment directly in the Reference Item(s), or the components included in any Reference Item(s). In contrast to an investment in the Instruments, a direct investment in the Reference Item(s) or the components of the Reference Item(s) would allow an investor to receive the full benefit of any appreciation or depreciation, as the case may be, in the value of such Reference Item(s) or these components.

***The Guarantor has the option to vary settlement under the Non-COSI Guarantee***

In relation to Physical Delivery Instruments (other than Secured W&C Instruments), under the Non-COSI Guarantee, the Guarantor has the right at all times to elect not to deliver or procure delivery of the Entitlement to the holders of Physical Delivery Instruments, but in lieu thereof to pay an amount in cash equal to the Guaranteed Cash Settlement Amount specified in the applicable Final Terms. Such cash payment will constitute a complete discharge of the Guarantor's obligations in relation to such Physical Delivery Instruments.

***The relevant Issuer may have the right to vary settlement***

If so indicated in the applicable Final Terms, the relevant Issuer has an option to vary settlement in respect of the Instruments. If exercised by the relevant Issuer, Physical Delivery Instruments may be cash settled or Cash Settled Instruments may be physically settled. Exercise of such option may affect the value of the Instruments.

***If the relevant Issuer determines that the performance of either its obligations under the Instruments or (if applicable) the obligations of the Guarantor under the relevant Guarantee has or will become illegal in whole or in part for any reason, the relevant Issuer may redeem or cancel the Instruments, as applicable***

If, in the case of illegality and to the extent permitted by applicable law, the relevant Issuer redeems or cancels the Instruments, then the relevant Issuer will, in the case of Notes, redeem each Note at the Early Redemption Amount together (if appropriate) with interest accrued to (but excluding) the date of redemption, or in the case of W&C Instruments, pay an amount to each Holder determined by reference to the fair market value of each Instrument, in each case, less hedging costs, which may be less than the purchase price of the Instruments and may in certain circumstances be zero.

***A United States federal withholding tax may be imposed on payments made by the relevant Issuer with respect to the Instruments to certain holders***

A 30 per cent. United States withholding tax may be imposed on certain payments made by a foreign financial institution that enters into an agreement with the U.S. Department of the Treasury (the "U.S. Treasury") to collect and provide to the U.S. Treasury substantial information regarding United States account holders, including certain account holders that are foreign entities with United States owners, with such institution. An Instrument may constitute an account for these purposes.

Pursuant to U.S. Treasury regulations, the 30 per cent. United States withholding tax may be imposed on (i) U.S. source payments (e.g. dividend equivalent payments) made by the relevant Issuer or any Paying Agent with respect to the Instruments and (ii) non-U.S. source payments made after 31 December 2018 by the relevant Issuer or any Paying Agent with respect to the Instruments in each case to "recalcitrant holders", which are generally holders that do not comply with the relevant Issuer's request for information to enable it to comply with the tax legislation, and to non-compliant foreign financial institutions. In the event withholding is required under the legislation, neither the relevant Issuer nor any Paying Agent will pay any additional amounts with respect to the amount so withheld.

***A United States withholding tax may be imposed on certain payments made to an Issuer in which case the relevant Issuer (other than BAC) may be entitled to redeem or cancel the Instruments prior to maturity***

A 30 per cent. United States withholding tax may be imposed on certain United States source payments made to a foreign financial institution, unless such institution enters into an agreement with the U.S. Treasury to collect and provide to the U.S. Treasury substantial information regarding United States account holders, including certain account holders that are foreign entities with United States owners, with such institution. An Instrument may constitute an account for these purposes.

If the relevant Issuer (other than BAC) determines in good faith that it has, or there is a substantial likelihood that it will, become subject to withholding imposed on a payment made to it on account of the relevant Issuer's inability to comply with the newly enacted legislation's reporting requirements (provided that such inability to comply with the reporting requirements is attributable to non-compliance by any Holder of such Instruments (or a foreign withholding agent (if any) in the chain of custody of payments made to the Holders) with the relevant Issuer's requests for certifications or identifying information), it may redeem or cancel the Instruments held by non-compliant and compliant Holders at their Early Redemption Amount (in the case of Notes) or at their Early Settlement Amount (in the case of W&C Instruments).

***United States federal tax may be withheld from payments with respect to Instruments that are treated as "dividend equivalents". This may have an adverse effect on the value and liquidity of the Instruments. In addition, if any payment with respect to Instruments would be treated as a "dividend equivalent", the relevant Issuer would be entitled to redeem or cancel the Instruments at any time prior to maturity, settlement, expiration or exercise.***

A "dividend equivalent" payment is treated as a dividend from sources within the United States and such payments generally would be subject to a 30 per cent. United States withholding tax if paid to a United States Alien holder. Under U.S. Department of the Treasury regulations issued pursuant to Code Section 871(m), payments with respect to equity-linked instruments ("ELIs") that are "specified ELIs" may be treated as dividend equivalents if such specified ELIs reference an interest in a U.S. "underlying security", which is generally any interest in an entity taxable as a corporation for U.S. federal income tax purposes if a payment with respect to such interest could give rise to a U.S. source dividend. While the regulations provide an exception for equity-linked instruments referencing indices that satisfy certain criteria, the scope of this exception is unclear and may not apply to Instruments linked to a U.S. or non-U.S. index and the application of the exception will generally depend on a holder's particular circumstances. The regulations impose a withholding tax on payments made (or deemed to have been made) on certain Instruments issued on or after 1 January 2017 to the extent that they are treated as "dividend equivalents". The regulations also impose a withholding tax, beginning 1 January 2018, on payments on certain Instruments issued on or after 1 January 2016 and before 1 January 2017 to the extent they are treated as dividend equivalents. If any payments are treated as dividend equivalents subject to withholding, the relevant Issuer (or an applicable withholding agent) would be entitled to withhold taxes without being required to pay any additional amounts with respect to amounts so withheld. As a result, actual payments on the Instruments may be substantially less than the amounts specified in their terms.

In addition, if any payment with respect to the Instruments would be treated as a dividend equivalent, the relevant Issuer would be entitled to redeem or cancel the Instruments, in whole, but not in part, at any time prior to maturity, settlement, expiration or exercise at their Early Redemption Amount (in the case of Notes) or Early Settlement Amount (in the case of W&C Instruments), as determined by the Calculation Agent in its discretion. These amounts could be significantly less than the holder's initial investment, and could be as low as zero.

***The value of the Instruments could be adversely affected by a change in English law or administrative practice or by a change in New York law***

The Conditions of the Instruments (other than Notes issued by BAC) are based on English law in effect as at the date of issue of the relevant Instruments. The Conditions of the Notes issued by BAC and each of the Guarantees are based on the laws of the State of New York in effect as at the date of issue of the relevant Instruments. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice or change to the laws of the State of New York, as applicable, after the date of issue of the relevant Instruments and any such change could materially adversely impact the value of, or the amounts paid under, any Instruments affected by it.

***Reform of LIBOR and EURIBOR and proposed regulation of other "benchmarks"***

The London Inter-Bank Offered Rate ("LIBOR"), the Euro Interbank Offered Rate ("EURIBOR") and other indices which are deemed "benchmarks" are the subject of recent national, international and other regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, or have other consequences which cannot be predicted.

Key international proposals for reform of "benchmarks" include (i) IOSCO's *Principles for Oil Price Reporting Agencies* (October 2012) and *Principles for Financial Market Benchmarks* (July 2013), (ii) ESMA-EBA's *Principles for the benchmark-setting process* (June 2013) and (iii) the European Commission's *proposed regulation on indices used as "benchmarks" in certain financial instruments, financial contracts and investment funds* (September 2013) (the "**Proposed Benchmark Regulation**").

The Proposed Benchmark Regulation, if passed in its current form, would apply to "contributors", "administrators" and "users" of "benchmarks" in the EU, and would, among other things, (i) require benchmark administrators to be authorised (or, if non-EU-based, to be subject to an equivalent regulatory regime) and to comply with extensive requirements in relation to the administration of "benchmarks" and (ii) ban the use of "benchmarks" of unauthorised administrators. The scope of the Proposed Benchmark Regulation is wide and, in addition to so-called "critical benchmark" indices such as LIBOR and EURIBOR, could also potentially apply to many interest rate and foreign exchange rate indices, equity indices and other indices (including "proprietary" indices or strategies) where referenced in listed financial instruments, financial contracts and investment funds.

It is presently unclear whether the Proposed Benchmark Regulation will be passed in its current form (including its broad scope) and, if so, when it would be effective. However, if so enacted, it could have a material impact on any listed Instruments linked to a "benchmark" index, including in any of the following circumstances:

- an index which is a "benchmark" could not be used as such if its administrator does not obtain authorisation or is based in a non-EU jurisdiction which does not have equivalent regulation. In such event, depending on the particular "benchmark" and the applicable terms of the Instruments, the Instruments could be de-listed, adjusted, terminated or otherwise impacted; and
- the methodology or other terms of the "benchmark" could be changed in order to comply with the terms of the Proposed Benchmark Regulation, and such changes could have the effect of reducing or increasing the rate or level or affecting the volatility of the published rate or level, and could lead to adjustments to the terms of the Instruments including Calculation Agent determination of the rate or level in its discretion.

More broadly, any of the international, national or other proposals for reform or general increased regulatory scrutiny of "benchmarks" could have a material adverse effect on the costs and risks of administering or otherwise participating in the setting of a "benchmark" and complying with any such regulations or requirements. Such factors may have the effect of discouraging market participants from continuing to administer or participate in certain "benchmarks", trigger changes in the rules or methodologies used in certain "benchmarks" or lead to the disappearance of certain "benchmarks". The disappearance of a "benchmark" or changes in the manner of administration of a "benchmark" may result in an adjustment to the terms and conditions of the relevant Instruments or other consequences, depending on the specific provisions of the relevant Instruments and the provisions for valuing the underlying asset or basis of reference relating to the relevant Reference Item.

In addition to the international proposals for reform of "benchmarks" described above, there are numerous other proposals, initiatives and investigations which may impact "benchmarks". For example, there are ongoing global investigations into the setting of foreign exchange rate "benchmarks", which may result in further regulation in relation to the setting of foreign exchange rates. Further, on 22 December 2014, the UK Government confirmed that it will be extending the legislation originally put in place to cover LIBOR to cover seven additional major UK-based financial benchmarks in the fixed income, commodity and currency markets ("**FICC**"). The relevant benchmarks are:

- SONIA (Sterling Overnight Index Average) and RONIA (Repurchase Overnight Index Average), which both serve as reference rates for overnight index swaps;
- WM/Reuters London 4pm Closing Spot Rate, which is the dominant global foreign exchange benchmark;
- ISDAFIX (now ICE Swap Rate), which is the principal global benchmark for swap rates and spreads for interest rate swap transactions;

- London Gold Fixing (now LBMA Gold Price) and the London Silver Fixing (now LBMA Silver Price), which determine the price of gold and silver in the London market; and
- ICE Brent Index, traded on the ICE Futures Europe (IFEU) exchange, which acts as the crude oil futures market's principal financial benchmark.

The UK Financial Conduct Authority has also released its *Financial Benchmarks: Thematic review of oversight and controls*, a review of the activities of firms in relation to a much broader spectrum of "benchmarks", that ultimately could impact inputs, governance and availability of certain "benchmarks".

Any of the above changes or any other consequential changes to LIBOR, EURIBOR or any other "benchmark" as a result of international, national or other proposals for reform or other initiatives or investigations, could have a material adverse effect on the value of and return on any Instruments linked to a "benchmark".

### **Risks Relating to Notes**

#### ***Failure by a Holder to pay instalments in respect of Partly Paid Notes may result in the Holder losing all of his investment***

BAC or MLBV may issue Notes where the issue price is payable in more than one instalment. Failure to pay BAC or MLBV, as the case may be, any subsequent instalment could result in a Holder losing all of his investment.

#### ***Notes may be subject to optional redemption by the relevant Issuer, which may limit their market value***

An optional redemption feature of Notes is likely to limit their market value. During any period when the relevant Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The relevant Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, a Holder generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

#### ***Notes issued at a substantial discount or premium may be volatile***

The market value of Notes issued at a substantial discount from, or premium to, their principal amount may fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the Notes, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

### **Risks Relating to W&C Instruments**

#### ***Certain factors affecting the value and trading price of W&C Instruments***

Either (1) in the case of Cash Settled W&C Instruments, the Cash Settlement Amount or (2) in the case of Physical Delivery W&C Instruments, the value of the Entitlement less (in the case of Warrants) the Exercise Price (the "**Physical Settlement Value**") at any time prior to expiration (in the case of a Warrant) or exercise (in the case of a Certificate) is typically expected to be less than the trading price of such W&C Instruments at that time. The difference between the trading price and the Cash Settlement Amount or the Physical Settlement Value, as the case may be, will reflect, among other things, the "time value" of the W&C Instruments. The "time value" of the W&C Instruments will depend partly upon the length of the period remaining to expiration (in the case of a Warrant) or exercise (in the case of a Certificate) and expectations concerning the price or level of the Reference Item(s). W&C Instruments offer hedging and investment diversification opportunities but also pose some additional risks with regard to interim value. The interim value of the W&C Instruments varies

with the price or level of the Reference Item(s), as well as by a number of other interrelated factors, including those specified herein.

Before exercising W&C Instruments, Holders should carefully consider, among other things, (i) the trading price of the W&C Instruments, (ii) the price or level and volatility of the Reference Item(s), (iii) the time remaining to expiration (in the case of a Warrant) or exercise (in the case of a Certificate), (iv) in the case of Cash Settled W&C Instruments, the probable range of Cash Settlement Amounts, (v) any change(s) in interim interest rates and dividend yields if applicable, (vi) any change(s) in currency exchange rates and (vii) any related transaction costs.

An optional exercise or mandatory early exercise feature in W&C Instruments is likely to limit their market value. In the case of an optional exercise feature, during any period when the relevant Issuer may elect to exercise W&C Instruments, the market value of those W&C Instruments generally will not rise substantially above the price at which they can be exercised. This also may be true prior to any exercise period. In the case of a mandatory early exercise feature, if the relevant Mandatory Early Exercise Event occurs the W&C Instruments will be exercised prior to their originally designated exercise or expiration date. Potential investors should be aware that in certain circumstances, an optional exercise or mandatory early exercise of the W&C Instruments by the relevant Issuer may result in a loss of all or a substantial portion of their investment.

In the case of Secured W&C Instruments, the market value of the Secured W&C Instruments will be affected by, among other things, the Collateral Assets which secure the relevant Series of W&C Instruments.

***There are no Events of Default in relation to W&C Instruments other than Secured W&C Instruments***

Other than in respect of Secured W&C Instruments, the Conditions of the W&C Instruments do not provide for any events of default. If the relevant Issuer defaults on any obligation under the W&C Instruments prior to the Settlement Date, Holders of Instruments other than Secured W&C Instruments will be able to claim against the Guarantor under the relevant Guarantee, but will have no right to declare all of the remaining obligations of the relevant Issuer in respect of the relevant Series of W&C Instruments to be immediately due and payable.

**Risks Relating to Warrants**

***There will be a time lag between the time a Holder gives instructions to exercise and the time the applicable Cash Settlement Amount relating to such exercise is determined, and such time lag could decrease the Cash Settlement Amount***

In the case of any exercise of Warrants, there will be a time lag between the time a Holder gives instructions to exercise and the time the applicable Cash Settlement Amount (in the case of Cash Settled Warrants) relating to such exercise is determined. Any such delay between the time of exercise and the determination of the Cash Settlement Amount will be specified in the Conditions of the W&C Instruments. However, such delay could be significantly longer, particularly in the case of a delay in exercise of Warrants arising from any daily maximum exercise limitation (in the case of American Style Warrants), the occurrence of a Market Disruption Event or failure of an exchange or related exchange to open (if applicable) or following the imposition of any exchange controls or other similar regulations affecting the ability to obtain or exchange any relevant currency in the case of FX Linked Warrants or other Warrants in respect of which "Exchange Rate" is specified to be applicable in the applicable Final Terms. The applicable Cash Settlement Amount may change significantly during any such period between exercise and determination of the Cash Settlement Amount, and such movement or movements could decrease the Cash Settlement Amount of the Warrants being exercised and may result in such Cash Settlement Amount being zero.

***Holders may have to tender a specified number of Warrants at any one time in order to exercise***

If so indicated in the applicable Final Terms, a Holder must tender or hold a specified number of Warrants at any one time in order to exercise. Thus, Holders with fewer than the specified minimum number of Warrants will either have to sell their Warrants or purchase additional Warrants, incurring transaction costs in each case, in order to realise their investment. Furthermore, holders of such Warrants incur the risk that there may be differences between the trading price of such Warrants and

the Cash Settlement Amount (in the case of Cash Settled Warrants) or the Physical Settlement Value (in the case of Physical Delivery Warrants) of such Warrants. Therefore it may cost an investor more to purchase additional Warrants than the value of the increase in the Cash Settlement Amount or Physical Settlement Value, as the case may be, attributable to such additional Warrants.

***The number of American Style Warrants exercisable on any date other than the Expiration Date may be limited to a maximum number***

In the case of American Style Warrants, if so indicated in the applicable Final Terms, the relevant Issuer will have the option to limit the number of American Style Warrants exercisable on any date (other than the Expiration Date) to the maximum number specified in the applicable Final Terms and, in conjunction with such limitation, to limit the number of American Style Warrants exercisable by any person or group of persons (whether or not acting in concert) on such date. In the event that the total number of American Style Warrants being exercised on any date (other than the Expiration Date) exceeds such maximum number and the relevant Issuer elects to limit the number of American Style Warrants exercisable on such date, a Holder may not be able to exercise on such date all American Style Warrants that such Holder desires to exercise. In any such case, the number of American Style Warrants to be exercised will be reduced until the total number of American Style Warrants exercised on that date no longer exceeds the maximum, such American Style Warrants being selected at the discretion of the relevant Issuer or in any other manner specified in the applicable Final Terms. Unless otherwise specified in the applicable Final Terms, the American Style Warrants tendered for exercise but not exercised on such date will be automatically exercised on the next date on which American Style Warrants may be exercised, subject to the same daily maximum limitation and delayed exercise provisions.

***Transfers of Rule 144A Warrants are restricted***

Issue and transfers of Rule 144A Warrants may be made only to or through MLICo. or the Dealer to purchasers in the United States or to, or for the account or benefit of, United States Persons that have executed and delivered to the Dealer, for the benefit of the Dealer, MLICo. and the Guarantor, an Investor Representation Letter pursuant to which such purchaser must certify, among other things, that such purchaser is a QIB who is also a QP. A transfer or attempted transfer of any Rule 144A Warrant which does not comply with the applicable transfer restrictions shall be absolutely null and void *ab initio* and shall vest no rights in the purported transferee.

**Risks Relating to Swiss COSIs**

***Risks relating to collateralisation***

Collateralisation eliminates the issuer default risk only to the extent that the proceeds from the liquidation of collateral upon occurrence of a Liquidation Event (less the costs of liquidation and payout) are able to meet the investors' claims. The investor bears the following risks, among others: (i) the Swiss COSI Collateral Provider is unable to supply the additionally required collateral if the value of the Swiss COSIs rises or the value of the collateral decreases; (ii) in a Liquidation Event, the collateral cannot be liquidated immediately by the SIX Swiss Exchange because of factual hindrances or because the collateral must be handed over to the executory authorities for liquidation; (iii) the market risk associated with the collateral results in insufficient liquidation proceeds or, in extreme circumstances, the collateral might lose its value entirely before the liquidation can take place; (iv) the settlement of Swiss COSIs in a foreign currency according to the Framework Agreement may result in losses for the investor because the Current Value (determinant for the investor's claim against the Issuer) is set in the foreign currency, while payment of the pro-rata share of net liquidation proceeds (determinant for the extent to which the investor's claim against the Issuer is satisfied) is made in Swiss francs; (v) the collateralisation is challenged according to the laws governing debt enforcement and bankruptcy, so that the collateral cannot be liquidated according to the terms of the Framework Agreement for the benefit of the investors in Swiss COSIs.

***Additional information***

The costs for the service provided by the SIX Swiss Exchange with respect to the collateralisation of Swiss COSIs may be taken into account for the pricing of Swiss COSIs and may therefore be borne by the investors, as the case may be. With regard to the payment of the pro-rata share of the net

liquidation proceeds, the investor shall bear the solvency risks of the SIX Swiss Exchange and the financial intermediaries along the payout chain. The payment to the investors may be delayed for factual or legal reasons. To the extent the calculation of the Current Value of Swiss COSIs proves to be incorrect, the collateralisation of the Swiss COSIs may be insufficient.

### **Risks Relating to the Market Generally**

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk that may have an impact on an investment in the Instruments.

#### ***Many factors will determine the price of the Instruments in the secondary market and such market may be illiquid***

It is not possible to predict the price at which Instruments will trade in the secondary market or whether such market will be liquid or illiquid. Each Issuer may, but is not obliged to, list or admit to trading an issue of Instruments on a stock exchange or market. If the Instruments are not listed or admitted to trading on any stock exchange or market, pricing information for the Instruments may be more difficult to obtain and the liquidity of the Instruments may be adversely affected. If the relevant Issuer does list or admit to trading an issue of Instruments, there can be no assurance that at a later date, the Instruments will not be delisted or that trading on such stock exchange or market will not be suspended. In the event of a de-listing or suspension of listing or trading on a stock exchange or market, the relevant Issuer will use its reasonable efforts to list or admit to trading the Instruments on another stock exchange or market, unless it concludes it would be unduly burdensome to do so. Also, in the case of American Style Warrants to the extent Warrants of a particular issue are exercised, the number of Warrants of such issue outstanding will decrease, resulting in a diminished liquidity for the remaining Warrants of such issue. A decrease in the liquidity of an issue of Warrants may cause, in turn, an increase in the volatility associated with the price of such issue of Warrants.

The relevant Issuer cannot assure holders of the Instruments that a trading market for their Instruments will ever develop or be maintained. Many factors independent of the creditworthiness of the relevant Issuer or the Guarantor (if applicable) affect the trading market of the Instruments. These factors include:

- (a) the complexity and volatility of the Reference Item(s) or formula or other basis of reference applicable to the Instruments;
- (b) the method of calculating amounts payable, including any dividend rates or yield or other securities or financial instruments applicable to the securities payable and/or deliverable, or other consideration, if any, in respect of the Instruments;
- (c) the time remaining to the expiration (in the case of Warrants), exercise (in the case of Certificates) or redemption (in the case of Notes) of the Instruments;
- (d) the aggregate amount or number of Instruments outstanding;
- (e) the redemption or settlement features of the Instruments;
- (f) the value of other securities linked to the Reference Item(s) or formula or other basis of reference applicable to the Instruments;
- (g) the level, direction and volatility of market interest rates generally;
- (h) the general economic conditions of the capital markets, as well as geopolitical conditions and other financial, political, regulatory and judicial events that affect the financial markets generally, may affect the value of the Reference Item(s) and the Instruments; and
- (i) the possibility that investors may be unable to hedge their exposure to risks relating to their Instruments.

In addition, certain Instruments may be designed for specific investment objectives or strategies and, therefore, may have a more limited secondary market and experience more price volatility. Holders may not be able to sell such Instruments readily or at prices that will enable them to realise their

anticipated yield. No investor should purchase Instruments unless such investor understands and is able to bear the risk that such Instruments may not be readily saleable, that the value of such Instruments will fluctuate over time, that such fluctuations may be significant and that such investor may lose all or a substantial portion of the purchase price of the Instruments.

The relevant Issuer, the Guarantor (if applicable), or any of BAC's Affiliates may, but is not obliged to, at any time purchase Instruments at any price in the open market or by tender or private treaty for their own account for business reasons or in connection with their hedging arrangements. Any Instruments so purchased may be held or resold or surrendered for cancellation. The relevant Issuer, the Guarantor (if applicable), or any of BAC's Affiliates may, but is not obliged to, be a market-maker for an issue of Instruments. Even if the relevant Issuer or such other entity is a market-maker for an issue of Instruments, the secondary market for such Instruments may be limited. These activities may affect the price of such obligations or securities in a manner that would be adverse to a Holder's investment in the Instruments. The relevant Issuer, the Guarantor (if applicable) and BAC's Affiliates have not considered, and are not required to consider, the interests of investors as Holders in connection with entering into any of the above mentioned transactions.

To the extent that an issue of Instruments is or becomes illiquid, an investor may have to exercise such Instruments (in the case of American Style Warrants) or wait until the Exercise Date (in the case of European Style Warrants or Certificates) or the Maturity Date (in the case of Notes) of such Instruments to realise value.

***Investors may be subject to foreign exchange exposure and the Instruments may become subject to exchange controls***

In the case of Cash Settled Instruments, the relevant Issuer will pay the Cash Settlement Amount (in the case of W&C Instruments) or Final Redemption Amount (in the case of the Notes) in respect of the Instruments in the Settlement Currency or Specified Currency specified in the applicable Final Terms. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Settlement Currency or Specified Currency, as applicable (the "**Settled Currency**"). These include the risk that exchange rates may significantly change (including changes due to devaluation of the Settled Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Settled Currency would decrease (i) the Investor's Currency-equivalent yield on the Instruments, (ii) the Investor's Currency equivalent value of the Cash Settlement Amount or Final Redemption Amount (as applicable) in respect of the Instruments and (iii) the Investor's Currency equivalent market value of the Instruments.

Government and monetary authorities may impose exchange controls (as some have done in the past) that could adversely affect an applicable exchange rate. As a result, the Cash Settlement Amount (in the case of Cash Settled W&C Instruments) or the Final Redemption Amount (in the case of Notes) that investors may receive may be less than expected or zero.

***In certain circumstances the relevant Issuer will not be obliged to maintain the listing of Instruments which are specified as being listed in the applicable Final Terms***

When the relevant Issuer specifies in the applicable Final Terms that a Series of Instruments is to be admitted to trading on the Euro MTF market operated by the Luxembourg Stock Exchange and admitted to listing on the Official List of the Luxembourg Stock Exchange and/or listed or admitted to trading by any other relevant stock exchange or market, the relevant Issuer expects, but is not obliged, to maintain such listing of the Instruments on such exchange(s) or market(s). Changed circumstances, including changes in listing requirements, could result in a suspension or removal of any such listing, or cause the relevant Issuer to conclude that continued listing of the Instruments on such exchange(s) or market(s) is unduly burdensome.

***Legal investment considerations may restrict certain investments***

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (i) Instruments are legal investments for it, (ii) Instruments can

be used as collateral for various types of borrowing and (iii) other restrictions apply to its purchase or pledge of any Instruments. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Instruments under any applicable risk-based capital or similar rules.

### **Risks Relating to the Structure of a Particular Issue of Instruments**

A wide range of Instruments may be issued under the Programme. A number of these Instruments may have features which contain particular risks for potential investors. Set out below is a description of the most common features.

#### **General risks relating to Reference Item Linked Instruments**

Reference Item Linked Instruments will represent an investment linked to the economic performance of the relevant Reference Item(s) and potential investors should note that the return (if any) on their investment in such Instruments will depend upon the performance of such Reference Item(s). Potential investors should also note that whilst the market value of such Instruments is linked to such Reference Item(s) and will be influenced (positively or negatively) by such Reference Item(s), any change in the market value of such Instruments may not be comparable to changes in the market value of the Reference Item(s). It is impossible to predict how the market value of the relevant Reference Item(s) will vary over time. In addition, in contrast to a direct investment in the relevant Reference Item(s), such Instruments represent the right to receive payment or delivery, as the case may be, of the Cash Settlement Amount(s), the Final Redemption Amount(s) or the Entitlement, as the case may be, as well as periodic payments of interest or additional amounts (if specified in the applicable Final Terms), all or some of which and the value of which will be determined by reference to the performance of the relevant Reference Item(s) but which are likely to differ from and may be less than the return on a direct investment in the same Reference Items(s).

As the amounts payable and/or non-cash consideration deliverable in respect of Reference Item Linked Instruments are linked to the performance of the relevant Reference Item(s), a purchaser of such an Instrument must generally be correct about the direction, timing and magnitude of an anticipated change in the value of the relevant Reference Item(s). Assuming all other factors are held constant, the lower the value of such an Instrument and the shorter the remaining term to expiration (in the case of a Warrant), exercise (in the case of a Certificate) or redemption (in the case of a Note), the greater the risk that purchasers of such Instrument will lose all or part of their investment.

Reference Item Linked Instruments may be principal protected or non-principal protected. Investors in Reference Item Linked Instruments that are non-principal protected may risk losing their entire investment if the value of the relevant Reference Item(s) does not move in the anticipated direction. Whether or not an Instrument is principal protected, all payments on such Instrument are subject to the relevant Issuer's and (if applicable) the Guarantor's credit risk and their respective ability to pay their relevant obligations on the applicable payment dates.

**POTENTIAL INVESTORS MUST REVIEW THE APPLICABLE FINAL TERMS TO ASCERTAIN WHAT THE RELEVANT REFERENCE ITEM(S) ARE AND TO SEE HOW THE CASH SETTLEMENT AMOUNT, FINAL REDEMPTION AMOUNT OR THE ENTITLEMENT, AS THE CASE MAY BE, AND ANY INTEREST PAYMENTS (IN THE CASE OF NOTES) OR ANY ADDITIONAL AMOUNT PAYMENTS (IN THE CASE OF W&C INSTRUMENTS) ARE DETERMINED AND WHEN SUCH AMOUNTS ARE PAYABLE AND/OR DELIVERABLE, AS THE CASE MAY BE, BEFORE MAKING ANY DECISION TO PURCHASE ANY INSTRUMENTS.**

#### ***Risks relating to Instruments which are linked to emerging market Reference Item(s)***

Where the terms and conditions of the Instruments reference one or more emerging market Reference Item(s), investors in such Instruments should be aware that the political and economic situation in countries with emerging economies or stock markets may be undergoing significant evolution and rapid development, and such countries may lack the social, political and economic stability characteristics of more developed countries, including a significant risk of currency value fluctuation. Such instability may result from, among other things, authoritarian governments, or military involvement in political and economic decision-making, including changes or attempted changes in

governments through extra-constitutional means; popular unrest associated with demands for improved political, economic or social conditions; internal insurgencies; hostile relations with neighbouring countries; and ethnic, religious and racial disaffections or conflict. Certain of such countries may have in the past failed to recognise private property rights and have at times nationalised or expropriated the assets of private companies. As a result, the risks from investing in those countries, including the risks of nationalisation or expropriation of assets, may be heightened. In addition, unanticipated political or social developments may affect the values of a Reference Item investment in those countries. The small size and inexperience of the securities markets in certain countries and the limited volume of trading in securities may make the emerging market Reference Item(s) illiquid and more volatile than investments in more established markets. There may be little financial or accounting information available with respect to local issuers, and as a result it may be difficult to assess the value or prospects of the Reference Item(s).

***The relevant Issuer may redeem early or settle a Series of Instruments if an Additional Disruption Event occurs, causing the investor to lose some or all of its investment in such Series of Instruments***

If Additional Disruption Events are specified as applicable in the Final Terms for the applicable Series of Instruments of the relevant Issuer, and one or more Additional Disruption Event occurs with respect to that Series of Instruments, the relevant Issuer may, in its sole and absolute discretion, cause the early redemption or settlement of such Series of Instruments in accordance with the applicable Conditions. If the relevant Issuer elects to redeem early or settle the Instruments as a result of an Additional Disruption Event, the amount payable or other consideration deliverable to the Holders may be significantly less than the investor's initial investment, and may be as low as zero. Additional Disruption Events include, among others, as specified in the applicable Final Terms and described in the applicable Conditions, (1) Change in Law, (2) Increased Cost of Hedging and (3) Hedging Disruption.

**Risks associated with baskets comprised of various components as Reference Items**

***Exposure to performance of basket and its components***

Where the Instruments are linked to or reference a basket of assets, the investors in such Instruments are exposed to the performance of such basket. The investors will bear the risk of the performance of each of the basket components. See, as applicable, the risk factors set out in the sections entitled "Risks relating to Index Linked Instruments", "Risks relating to Share Linked Instruments", "Risks relating to GDR/ADR Linked Instruments", "Risks relating to FX Linked Instruments and other Instruments in respect of which "Exchange Rate" is specified to be applicable", "Risks relating to Commodity Linked Instruments", "Risks relating to Fund Linked Instruments", "Risks relating to Inflation Linked Instruments", "Risks relating to Credit Linked Instruments" and "Risks relating to Saudi Share Linked Warrants".

***A high correlation of basket components may have a significant effect on amounts payable***

Some Instruments are linked to baskets of Reference Items where the performance of such Reference Items tends to move in the same direction, or correlate, as a result of changes in market conditions, such as a change in interest rates. Correlation of basket components indicates the level of interdependence among the individual basket components with respect to their performance. If, for example, all of the basket components originate from the same sector and the same country, a high positive correlation may generally be assumed. Past rates of correlation may not be determinative of future rates of correlation: investors should be aware that, though basket components may not appear to be correlated based on past performance, it may be that they suffer the same adverse performance following a general downturn or other economic or political event. Where the basket components are subject to high correlation, any move in the performance of the basket components will exaggerate the performance of the Instruments.

***The negative performance of a single basket component may outweigh a positive performance of one or more other basket components***

Investors in Instruments must be aware that even in the case of a positive performance of one or more basket components, the performance of the basket as a whole may be negative if the performance of the

other basket components is negative to a greater extent, subject to the Conditions of the relevant Instruments.

***A small basket, or an unequally weighted basket, will generally leave the basket more vulnerable to changes in the value of any particular Reference Item***

The performance of a basket that includes a smaller number of Reference Items will generally, subject to the terms and conditions of the relevant Instruments, be more affected by changes in the value of any particular Reference Item included therein than a basket that includes a greater number of Reference Items.

The performance of a basket that gives greater weight to some Reference Items will generally, subject to the terms and conditions of the relevant Instruments, be more affected by changes in the value of any such particular Reference Item included therein than a basket that gives relatively equal weight to each Reference Item.

***A change in composition of a basket may have an adverse effect on basket performance***

Where the Instruments grant the Calculation Agent the right, in certain circumstances, to adjust the composition of the basket, investors should be aware that any replacement basket component may perform differently from the original basket component, which may have an adverse effect on the performance of the basket which will in turn have an adverse effect on the value of the Instruments.

**Risks relating to Instruments linked to certain References Item(s)**

**Risks relating to Index Linked Instruments**

***Factors affecting the performance of Indices may adversely affect the value of the Instruments***

Indices are comprised of a synthetic portfolio of shares, bonds, currency exchange rates, commodities, property or other assets, and as such, the performance of an Index is dependent upon the performance of components of such Index, which may include interest rates, currency developments, political factors, market factors such as the general trends in capital markets or broad based indices and (in the case of shares) company-specific factors such as earnings position, market position, risk situation, shareholder structure and distribution policy. If an Index does not perform as expected, this will materially and adversely affect the value of Index Linked Instruments.

***Returns on the Instruments do not reflect a direct investment in underlying shares or other assets comprising the Index***

The return payable on Instruments that reference Indices may not reflect the return a potential investor would realise if it actually owned the relevant assets comprising the components of the Index or owned a different form of interest in the relevant Index. For example, if the components of the Indices are shares, Holders will not receive any dividends paid or distributions made on those shares and will not participate in the return on those dividends or distributions unless the relevant Index takes such dividends into account for purposes of calculating the relevant level. Similarly, Holders will not have any voting rights in the underlying shares or any other assets which may comprise the components of the relevant Index. Accordingly, Holders of Instruments that reference Indices as Reference Items may receive a lower payment upon redemption/settlement of such Instruments than any return such Holder would have received if it had invested in the components of the Index directly or other comparable instruments linked to the Index.

***A change in the composition or discontinuance of an Index could adversely affect the market value of the Instruments***

The sponsor of any Index can add, delete or substitute the components of such Index or make other methodological changes that could change the level of one or more components. The changing of components of any Index may affect the level of such Index as a newly added component may perform significantly worse or better than the component it replaces, which in turn may affect the payments made by the relevant Issuer to the Holders of the Index Linked Instruments. The sponsor of any such Index may also alter, discontinue or suspend calculation or dissemination of such Index. The sponsor of an Index will have no involvement in the offer and sale of the Index Linked Instruments and will

have no obligation to any Holder of such Instruments. Accordingly, the sponsor of an Index may take any actions in respect of such Index without regard to the interests of the Holder of the Instruments, and any of these actions could adversely affect the market value of the Index Linked Instruments.

***The substitution of an Index with a Successor Index could adversely affect the market value of the Instruments***

Upon notification by the relevant Issuer to the Calculation Agent that any payment (or deemed payment as determined for United States tax purposes) may be treated as a dividend or "dividend equivalent" for United States tax purposes (a "**U.S. Withholding Tax Event**"), the relevant Issuer may, at its option, upon notification to the Calculation Agent that it wishes to substitute a Successor Index for the relevant Index (an "**Index Substitution Event**"), effect such Index Substitution Event and, in the case of Notes, not redeem the Notes early pursuant to Note Condition 7 (*Redemption and Purchase*) or, in the case of W&C Instruments, not cancel the W&C Instruments pursuant to W&C Instruments Condition 8 (*Cancellation for Tax Reasons and Tax Compliance Reasons*). With respect to a relevant Index, a "**Successor Index**" includes an index that uses, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index. Such a substitution could adversely affect the market value and the performance of the Index Linked Instruments.

***Exposure to Index Modification, Index Cancellation, Index Disruption and correction of Index levels***

The Calculation Agent has broad discretion to make certain determinations and adjustments, to replace the original Reference Item with another and/or to cause early redemption/settlement of the Instruments, any of which may be adverse to Holders in connection with Index Modification, Index Cancellation, and Index Disruption. The Calculation Agent may determine that the consequence of any such event is to make adjustments to the Instruments, or to replace such Index with another or to cause early redemption/settlement of the Instruments. The Calculation Agent may (subject to the terms and conditions of the relevant Instruments) also amend the relevant Index level due to corrections in the level reported by the Index Sponsor. The consequences of such amendments could adversely affect the market value of the Index Linked Instruments.

***There are additional risks in relation to "Proprietary Indices" or "Strategies"***

See "There may be conflicts of interest between the relevant Issuer, its Affiliates and the Holders" above.

***There are additional risks in relation to Commodity Indices***

See "Additional risks in relation to the "rolling" of commodity futures contracts (including commodity futures contracts which are Components of a Commodity Index)" below.

***Specific risks relating to Index Linked Instruments in respect of which the applicable Final Terms specify that the "LEPW Conditions" shall be applicable***

Holders of Index Linked Instruments in respect of which the applicable Final Terms specify that the "LEPW Conditions" shall be applicable should note that all payments made by the relevant Issuer will be made subject to deductions to account for any costs and taxes which a hypothetical broker dealer, directly or indirectly, could incur in connection with any hedging arrangements which such hypothetical broker dealer could make in order to hedge such Index Linked Instruments.

***Instruments are not sold or promoted by an Index or the sponsor of such Index***

Instruments linked to an Index are not sponsored, endorsed, sold, or promoted by such Index or the sponsor of such Index. The sponsor of an Index makes no representation whatsoever, whether express or implied, either as to the results to be obtained from the use of such Index or the levels at which such Index stands at any particular time on any particular date. Neither an Index nor sponsor of such Index shall be liable (whether in negligence or otherwise) to any person for any error in such Index. A sponsor of an Index is under no obligation to advise any person of any error in such Index. A sponsor of an Index does not make any representation whatsoever, whether express or implied, as to the advisability of investing or assuming any risk in connection with the Instruments linked to such Index.

***The relevant Issuer, BAC and BAC's Affiliates are not liable for the actions or omissions of the sponsor of an Index, any information concerning an Index, the performance of such Index or use thereof in connection with the Instruments***

None of the relevant Issuer, BAC and any of BAC's Affiliates is liable to the Holders of Instruments for any act or failure to act by a sponsor of an Index in connection with the calculation, adjustment, or maintenance of such Index. Although the Calculation Agent will obtain information concerning an Index from publicly available sources it believes reliable, it will not independently verify this information. Accordingly, no representation, warranty, or undertaking (express or implied) is made and no responsibility is accepted by the relevant Issuer, BAC, any of BAC's Affiliates or the Calculation Agent as to the accuracy, completeness, and timeliness of information concerning such Index. In addition, none of the relevant Issuer, BAC, any of BAC's Affiliates and the Calculation Agent makes any representation whatsoever, whether express or implied, as to the performance of any Index which is linked to the Instruments, any data included in, or omitted from, such Index, or the use of such Index in connection with the Index Linked Instruments.

#### **Risks relating to Share Linked Instruments**

***No issuer of the relevant Share(s) will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Share Linked Instruments***

No Share Company or Companies will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Share Linked Instruments and none of the relevant Issuer, the Guarantor (if applicable) and any Dealer will make any investigation or enquiry in connection with such offering with respect to any information concerning any such Share Company or Companies contained in such Final Terms or in the documents from which such information was extracted. Neither the relevant Issuer nor the Guarantor (if applicable) controls any Share Company or Companies and are not responsible for any disclosure made by any Share Company or Companies. Consequently, there can be no assurance that all events occurring prior to the relevant issue date (including events that would affect the adequacy, accuracy or completeness of the publicly available information described in this paragraph or in any applicable Final Terms) that would affect the trading price of the relevant Share(s) will have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of or failure to disclose material future events concerning such Share Company or Companies could affect the trading price of the Share(s) and therefore the trading price of the Instruments or amounts paid or delivered under the Instruments.

***Factors affecting the performance of Shares may adversely affect the value of the Share Linked Instruments***

The performance of Shares is dependent upon macroeconomic factors, such as interest and price levels on the capital markets, currency developments, political factors and company-specific factors such as earnings position, market position, risk situation, shareholder structure and distribution policy. These factors are not within the relevant Issuer's or (if applicable) the Guarantor's control and may result in a decline in the value of the Instruments.

***Holders have no claim against the Share Company or Companies or recourse to the Shares***

Share Linked Instruments do not represent a claim against or an investment in any Share Company or Companies and investors will not have any right of recourse under the Share Linked Instruments to any such company or the Shares. Share Linked Instruments are not in any way sponsored, endorsed or promoted by any Share Company or Companies and such companies have no obligation to take into account the consequences of their actions for any Holders. Accordingly, the Share Company or Companies may take any actions in respect of such Share without regard to the interests of the investors in the Share Linked Instruments, and any of these actions could adversely affect the market value of the Share Linked Instruments.

***Determinations made by the Calculation Agent in respect of Potential Adjustment Events, Merger Events, Tender Offers, De-listings, Nationalisations, Announcement Events, Insolvencies and Additional Disruption Events may have an adverse effect on the value of the Share Linked Instruments***

Upon determining that a Potential Adjustment Event, Merger Event, Tender Offer, De-listing, Nationalisation, Announcement Event, Insolvency or Additional Disruption Event has occurred in relation to an underlying Share or Share Company, the Calculation Agent has broad discretion to make certain determinations to account for such event including to (i) make adjustments to the terms of the Share Linked Instruments and/or (ii) (in the case of a Merger Event, Tender Offer, De-listing, Nationalisation, Announcement Event, Insolvency or Additional Disruption Event) cause early redemption/settlement of the Share Linked Instruments, any of which determinations may have an adverse effect on the value of the Share Linked Instruments. In particular, in the event that the Share Linked Instruments are early settled/redeemed, the amount payable to Holders may be significantly less than the investor's initial investment, and may be as low as zero.

If Announcement Event is specified to be applicable, the Calculation Agent may exercise the broad discretions described in the paragraph above based on a public announcement by the Share Company or a third party of an intention to take an action or enter into a transaction that would, if taken or consummated prior to final valuation of the Share Linked Instruments, constitute a Merger Event, Tender Offer, De-Listing or Nationalisation, regardless of whether the action or transaction is taken or consummated prior to final valuation of the Share Linked Instruments or at all.

Potential Adjustment Events include (a) a sub-division, consolidation or re-classification of the Shares, (b) an extraordinary dividend, (c) a call of the Shares that are not fully paid, (d) a repurchase by the Share Company, or an affiliate thereof, of the Shares, (e) a separation of rights from the Shares or (f) any event having a dilutive or concentrative effect on the value of the Shares. Additional Disruption Events include (1) a change in applicable law since the Trade Date that makes it illegal to hold, acquire or dispose of the Shares or more expensive for the relevant Issuer to hedge its obligations under the relevant Share Linked Instruments, (2) an insolvency filing by or on behalf of any issuer of the relevant Share(s), (3) Increased Cost of Hedging and (4) Hedging Disruption.

***Holders may receive physical delivery of Shares in lieu of payment of cash amounts***

Where the Share Linked Instruments include the right of the relevant Issuer, subject to the fulfilment of a particular condition, to redeem the Share Linked Instruments at their maturity by delivering Shares to the investor, the investors will receive such Shares rather than a monetary amount upon maturity. Holders will, therefore, be exposed to the Share Company or Companies and the risks associated with such Shares. The investor should not assume that he or she will be able to sell such Shares for a specific price after the redemption/settlement of the Instruments, and in particular not for the purchase price of the Share Linked Instruments. Under certain circumstances the Shares may only have a very low value or may, in fact, be worthless, in which case see "Investors risk losing all of their investment in the Instruments" above. Holders may also be subject to certain documentary or stamp taxes in relation to the delivery and/or disposal of such Shares. The holding of such Shares instead of the Instruments may adversely affect the Holder's tax position.

***Holders will have no voting rights or may have no right to receive dividends or distributions in respect of the relevant Shares***

Except as provided in the relevant Conditions in relation to Physical Delivery Instruments, Holders of Share Linked Instruments will not have voting rights or any other rights with respect to the relevant Shares to which such Share Linked Instruments relate.

Unless the "Dividend Conditions" are applicable for Share Linked Instruments, Holders of Share Linked Instruments will not have rights to receive dividends or distributions. As a result, the return on the Share Linked Instruments may not reflect the return an investor would realise if the investor actually owned those relevant Shares and received the dividends paid or other distributions made in connection with them.

***Specific risks relating to Share Linked Instruments in respect of which the applicable Final Terms specify that the "LEPW Conditions" shall be applicable***

Share Linked Instruments in respect of which the applicable Final Terms specify that the "LEPW Conditions" shall be applicable are linked to the value of specified Shares during a specified period. If cash dividends are declared and paid on such Shares during such specified period, Holders of such Share Linked Instruments shall receive such amounts, less deductions for local taxes (including withholding taxes). Holders of such Share Linked Instruments should note that they will not acquire any interest in or right to acquire the relevant Shares, and will not in any way have any rights with respect to the relevant Shares (including voting rights). There is no obligation on the relevant Issuer or any of its Affiliates to purchase, sell, hold, deliver, pledge or transfer any such Shares. In addition, the Additional Amount(s) and/or the Cash Settlement Amount (if any) due to Holders of such Share Linked Instruments will generally be payable in a currency other than the currency in which the relevant Shares are denominated; as a result, the returns to Holders will be subject to exchange rate risk as well.

Holders of such Share Linked Instruments should note that following the occurrence of any Potential Adjustment Event, the Calculation Agent may make certain determinations in respect of such Share Linked Instruments, such as the issue of additional Share Linked Instruments to Holders or the issue to Holders of new Share Linked Instruments linked to the relevant Share or the share capital or other securities of another company created as a result of a spin-off or other similar transaction relating to the relevant Share Company or the distribution of a cash amount to Holders or the adjustment of the terms and conditions of such Share Linked Instruments, in each case, to account for the diluting or concentrative effect of such Potential Adjustment Event. Holders of such Share Linked Instruments should note that none of the relevant Issuer, the Guarantor (if applicable) and any of their respective affiliates are in a position to advise or give assurance to the Holders as to the impact to the economic, legal or tax position of such Holders as a result of such determinations or actions to the Holders. Holders of such Share Linked Instruments should consult their own business, accounting, regulatory, legal, tax and other professional advisers with respect to any consequences or considerations (whether relating to tax or otherwise) which may be relevant to or which may result from any such determinations or actions.

Holders of such Share Linked Instruments should also note that all payments made by the relevant Issuer (other than Additional Amounts) will be made subject to deductions to account for any costs and taxes which a hypothetical broker dealer, directly or indirectly, could incur in connection with any hedging arrangements which such hypothetical broker dealer could make in order to hedge such Share Linked Instruments.

The Share Linked Instruments may give exposure to a specified China A share traded through the China Connect Service. Holders of such Share Linked Instruments should also note the specific risks relating to China Connect Share LEPU set out in the paragraph below.

***Specific Risks relating to Share Linked Instruments in respect of which the applicable Final Terms specify that the "LEPW Conditions" and "China Connect Share LEPU Conditions" shall be applicable***

Share Linked Instruments in respect of which the applicable Final Terms specify that the "LEPW Conditions" and "China Connect Share LEPU Conditions" shall be applicable are linked to the value of specified A shares traded through "China Connect". "China Connect" is a securities trading and clearing links programme developed by the Shanghai Stock Exchange ("SSE"), the Stock Exchange of Hong Kong Limited ("SEHK"), the China Securities Depository and Clearing Corporation and the Hong Kong Securities Clearing Company Limited for the establishment of mutual market access between SSE and SEHK. It is a new platform for foreign investors to invest in eligible A shares listed and traded on the SSE. MLICo. or its Affiliates may (but are not obliged to) hedge MLICo.'s obligations under such Share Linked Instruments through China Connect.

China Connect has some unique features and restrictions, including (without limitation) daily and aggregate quota restrictions, eligibility criteria for A shares that can be traded through China Connect, and restrictions on the ability of an investor to take up certain types of rights issuances through China Connect. Trading through China Connect is also subject to the laws, regulations, rules and guidelines published or applied by the exchanges, clearing systems and regulators in Hong Kong and the PRC

which provide services in relation to and/or regulate activities relating to China Connect ("**China Connect Rules**").

China Connect is in its initial stage and is subject to further development. There is no assurance as to whether or how such developments may affect an investment in securities traded through China Connect. Also, the interpretation and application of the China Connect Rules is untested and there is uncertainty as to how they will be applied.

Holders of such Share Linked Instruments should note that these potential restrictions and uncertainties relating to China Connect may trigger a Hedging Disruption, a Potential Adjustment Event or an Additional Disruption Event, or may lead to adjustments to the terms or early termination of such Share Linked Instruments, and any disruption to or early closure of China Connect may trigger a Market Disruption Event, all as provided for in the China Connect Share LEPW Conditions.

#### **Risks relating to GDR/ADR Linked Instruments**

##### ***Exposure to risk that redemption amounts do not reflect direct investment in the shares underlying the Depositary Receipts***

There are important differences between the rights of holders of ADRs or GDRs (ADRs and GDRs, together, "**Depositary Receipts**") and the rights of holders of the stock of the issuer of underlying shares represented by such Depositary Receipts. A Depositary Receipt is a security that represents capital stock of the relevant underlying share issuer. The relevant Deposit Agreement for the Depositary Receipt sets out the rights and responsibilities of the Depositary (being the issuer of the Depositary Receipt), the underlying share issuer and holders of the Depositary Receipt which may be different from the rights of holders of the underlying shares. For example, the underlying share issuer may make distributions in respect of its underlying shares that are not passed on to the holders of its Depositary Receipts. Any such differences between the rights of holders of the Depositary Receipts and holders of the underlying shares of the underlying share issuer may be significant and may materially and adversely affect the value of the relevant GDR/ADR Linked Instruments.

##### ***Exposure to the risk of non-recognition of beneficial ownership of the underlying shares represented by Depositary Receipts and therefore generally do not include dividends***

The legal owner of the underlying shares represented by Depositary Receipts is the custodian bank which at the same time is the issuing agent of the Depositary Receipts. Depending on the jurisdiction under which the Depositary Receipts have been issued and the jurisdiction to which the custodian agreement is subject, it is possible that the corresponding jurisdiction would not recognise the purchaser of the Depositary Receipts as the actual beneficial owner of the underlying shares. Particularly in the event that the custodian becomes insolvent or that enforcement measures are taken against the custodian, it is possible that an order restricting free disposition could be issued with respect to the underlying shares represented by Depositary Receipts or that such shares are realised within the framework of an enforcement measure against the custodian. If this is the case, the holder of the Depositary Receipt loses the rights under the underlying shares and the GDR/ADR Linked Instruments would become worthless. See "Investors risk losing all of their investment in the Instruments" above.

##### ***Potential exposure to risks of emerging markets***

Depositary Receipts often represent shares of underlying share issuers based in emerging market jurisdictions. In such case, there are risks relating to GDR/ADR Linked Instruments linked to Depositary Receipts which represent such underlying shares, see "Risks relating to Instruments which are linked to emerging market Reference Item(s)" above.

##### ***Distributions on the underlying shares may not be passed on to the Depositary Receipts***

The issuer of the underlying shares represented by Depositary Receipts may make distributions in respect of such shares that are not passed on to the purchasers of its Depositary Receipts which may materially and adversely affect the value of the GDR/ADR Linked Instruments.

***Adjustment to the terms and conditions or replacement of the Reference Item following certain corporate events in relation to the underlying shares represented by Depositary Receipts may materially and adversely affect the value of the Instruments***

Following certain corporate events specified in the terms and conditions of the relevant GDR/ADR Linked Instruments relating to the underlying shares represented by Depositary Receipts or the relevant issuer of such underlying shares, such as a merger where the relevant company is not the surviving entity, the amount Holders of GDR/ADR Linked Instruments will receive, if any, at maturity of such Instruments may be adjusted by the Calculation Agent or the affected underlying shares and Depositary Receipts may be replaced by another Reference Item. The occurrence of such corporate events and the consequential adjustments may materially and adversely affect the value of the GDR/ADR Linked Instruments.

***Exposure to changes in the rate of exchange between the currency of the Depositary Receipt and the underlying share***

Where the currency of the Depositary Receipt is different from that of the underlying share, represented by a Depositary Receipt, Holders of Instruments linked to such Depositary Receipt may be exposed not only to the performance of the Depositary Receipt but also to the performance of the relevant foreign currency of the underlying share, which cannot be predicted. See "Factors affecting the performance of the relevant foreign exchange rate may adversely affect the value of the Instruments" below.

***Risks relating to FX Linked Instruments and other Instruments in respect of which "Exchange Rate" is specified to be applicable***

***Factors affecting the performance of the relevant foreign exchange rate may adversely affect the value of the Instruments***

In the case of FX Linked Instruments or any other Instruments in respect of which "Exchange Rate" is specified to be applicable in the applicable Final Terms, any changes to the foreign exchange rate(s) to which such Instruments are linked will affect the nature and value of the investment return on such Instruments. The performance of foreign exchange rates is dependent upon the supply and demand for currencies in the international foreign exchange markets, which are subject to international and domestic political factors, economic factors (including inflation rates in the countries concerned, interest rate differences between the respective countries), economic forecasts, currency convertibility and safety of making financial investments in the currency concerned, speculation and measures taken by governments and central banks. Measures taken by governments and central banks include, without limitation, imposition of regulatory controls or taxes, issuance of a new currency to replace an existing currency, alteration of the exchange rate or exchange characteristics by devaluation or revaluation of a currency or imposition of exchange controls with respect to the exchange or transfer of a Specified Currency that would affect exchange rates and the availability of a Specified Currency which would affect the return on such an Instrument or the ability of the relevant Issuer to make delivery in the Specified Currency.

***BAC is a major foreign exchange dealer and is subject to conflicts of interest***

Investors should note that BAC and its Affiliates (including Merrill Lynch International) are regular participants in the foreign exchange markets and in the ordinary course of their business may effect transactions for their own account or for the account of their customers and hold long and short positions in currencies and related derivatives, including in the currencies of the relevant foreign exchange rate(s). Such transactions may affect the relevant foreign exchange rate(s), the market price, liquidity or value of the Instruments and could be adverse to the interests of Holders. Neither BAC nor any of its Affiliates has any duty to enter into such transactions in a manner which is favourable to Holders.

***Currencies of emerging markets jurisdictions pose particular risks***

Instruments (including FX Linked Instruments) which expose the investor to emerging market currencies may experience greater volatility and less certainty as to the future levels of such emerging market currencies or their rate of exchange as against other currencies. See "Risks relating to Instruments which are linked to emerging market Reference Item(s)" above.

### **Risks relating to Commodity Linked Instruments**

An investment in Commodity Linked Instruments entails significant risks in addition to those associated with investments in a conventional debt security.

***Ownership of the Commodity Linked Instruments will not entitle an investor to any rights with respect to any futures contracts or Commodities included in or tracked by the Reference Item(s)***

An investor will not own or have any beneficial or other legal interest in, and will not be entitled to any rights with respect to, any of the Commodities or commodity futures included in such Reference Item(s). Neither the relevant Issuer nor the Guarantor (if applicable) will invest in any of the Commodities or commodity futures contracts included in such Reference Item(s) on behalf or for the benefit of the Holders.

***Factors affecting the performance of Commodities may adversely affect the value of the Commodity Linked Instruments; Commodity prices may be more volatile than other asset classes***

The prices of Commodities may be volatile and may fluctuate substantially if, for example, natural disasters or catastrophes, such as hurricanes, fires, or earthquakes, affect the supply or production of such Commodities. Commodity prices also fluctuate due to general macro-economic forces and general market movements. The price of Commodities may also fluctuate substantially if conflict or war affects the supply or production of such Commodities. If any amount payable in respect of an Instrument is linked to the price of a Commodity, any change in the price of such Commodity may result in the reduction of the amount of such payment in respect of an Instrument. The reduction in the amount payable on the redemption/settlement of the Instrument may result, in some cases, in a Holder receiving a smaller sum on redemption/settlement of the Instrument than the amount originally invested in such Commodity Linked Instrument.

***Commodity Linked Instruments may reference physical commodities or commodity contracts, and Commodity Indices may include commodity contracts that are not traded on regulated exchanges***

Commodities comprise both (i) "physical" commodities, which need to be stored and transported, and which are generally traded at a "spot" price, and (ii) commodity contracts, which are agreements either to (a) buy or sell a set amount of an underlying physical commodity at a predetermined price and delivery period (which may be referred to as a delivery month), or to (b) make and receive a cash payment based on changes in the price of the underlying physical commodity.

Commodity Indices are typically based solely on futures contracts traded on regulated futures exchanges; however, a Commodity Index may include over-the-counter contracts traded on trading facilities outside the United States that are subject to lesser degrees of regulation or, in some cases, no substantive regulation. Accordingly, trading in such contracts, and the manner in which prices and volumes are reported by the relevant trading facilities, may not be subject to the provisions of, and the protections afforded by, the applicable regulations governing regulated futures exchanges. As a result, the trading of contracts on such facilities and the inclusion of such contracts in a Commodity Index may be subject to certain risks not presented by most exchange-traded futures contracts, including risks related to the liquidity and price histories of the relevant contracts and any Instruments which reference any such commodity contracts may have reduced liquidity or greater price volatility or be subject to more extensive market disruptions.

***Commodity Linked Instruments which are linked to commodity futures contracts may provide a different return from Commodity Linked Instruments linked to the relevant physical commodity and will have certain other risks***

The price of a futures contract on a commodity will generally be at a premium or at a discount to the spot price of the underlying commodity. This discrepancy is due to such factors as (i) the need to adjust the spot price due to related expenses (e.g., warehousing, transport and insurance costs) and (ii) different methods being used to evaluate general factors affecting the spot and the futures markets. In addition, and depending on the commodity, there can be significant differences in the liquidity of the spot and the futures markets. Accordingly, Commodity Linked Instruments which are linked to commodity futures contracts may provide a different return from Commodity Linked Instruments linked to the relevant physical commodity.

Investments in futures contracts involve certain other risks, including potential illiquidity. A holder of a futures position may find that such position becomes illiquid because certain commodity exchanges limit fluctuations in such futures contract prices pursuant to "daily limits". Once the price of a particular futures contract has increased or decreased by an amount equal to the daily limit, positions in the contract can neither be taken nor liquidated unless holders are willing to effect trades at or within the limit. This could prevent a holder from promptly liquidating unfavourable positions and subject it to substantial losses. Futures contract prices in various commodities occasionally have exceeded the daily limit for several consecutive days with little or no trading. Any such losses in such circumstances could have a negative adverse effect on the return of any Commodity Linked Instruments the Reference Item of which is the affected futures contract. There can be no assurance that any such disruption or any other force majeure (such as an act of God, fire, flood, severe weather conditions, act of governmental authority or a labour dispute or shortage) will not have an adverse effect on the value of or trading in the Reference Item(s), or the manner in which it is calculated, and therefore, the value of the Instruments.

In the case of a direct investment in commodity futures contracts, the invested capital may be applied in whole or in part by way of collateral in respect of the future claims of the respective counterparties under the commodity futures contracts. Such capital will generally bear interest, and the interest yield will increase the return of the investor making such direct investment. However, Holders of Instruments linked to the price of commodity futures contracts do not participate in such interest yields from the hypothetical fully collateralised investment in commodity futures contracts.

***Additional risks in relation to the "rolling" of commodity futures contracts (including commodity futures contracts which are Components of a Commodity Index)***

Commodity contracts have a predetermined expiration date, which is the date on which trading of the commodity contract ceases. Holding a commodity contract until expiration will result in delivery of the underlying physical commodity or the requirement to make or receive a cash settlement. Alternatively, "rolling" the commodity contracts means that the commodity contracts that are nearing expiration (the **"near-dated commodity contracts"**) are sold before they expire and commodity contracts that have an expiration date further in the future (the **"longer-dated commodity contracts"**) are purchased. Investments in commodities apply "rolling" of the component commodity contracts in order to maintain an ongoing exposure to such commodities.

"Rolling" can affect the value of an investment in commodities in a number of ways, including:

- (i) **The investment in commodity contracts may be increased or decreased through "rolling":** Where the price of a near-dated commodity contract is greater than the price of the longer-dated commodity contract (the commodity is said to be in "backwardation"), then "rolling" from the former to the latter will result in exposure to a greater number of the longer-dated commodity contract being taken. Therefore, any loss or gain on the new positions for a given movement in the prices of the commodity contract will be greater than if one had synthetically held the same number of commodity contracts as before the "roll". Conversely, where the price of the near-dated commodity contract is lower than the price of the longer-dated commodity contract (the commodity is said to be in "contango"), then "rolling" will result in exposure to a smaller number of the longer-dated commodity contract being taken. Therefore, any gain or loss on the new positions for a given movement in the prices of the commodity contract will be less than if one had synthetically held the same number of commodity contracts as before the "roll".
- (ii) **Where a commodity contract is in contango (or, alternatively, backwardation) it may be expected to (though it may not) have a negative (or, alternatively, positive) effect over time:** Where a commodity contract is in "contango", the price of the longer-dated commodity contract will generally be expected to (but may not) decrease over time as it nears expiry. In such event, rolling is generally expected to have a negative effect on an investment in the commodity contract. Where a commodity contract is in "backwardation", the price of the longer-dated commodity contract will generally be expected to (but may not) increase over time as it nears expiry. In such event, the investment in the relevant commodity contract can generally be expected to be positively affected.

Commodity indices are indices which track the performance of a basket of commodity contracts on certain commodities, depending on the particular index. The weighting of the respective commodities included in a commodity index will depend on the particular index, and is generally described in the relevant index rules of the index. Commodity indices apply "rolling" of the component commodity contracts in order to maintain an ongoing exposure to such commodities. Specifically, as a commodity contract is required to be rolled pursuant to the relevant index rules, the commodity index is calculated as if exposure to the commodity contract was liquidated and exposure was taken to another (generally longer-dated) commodity contract for an equivalent exposure. Accordingly, the same effects as described above with regard to "rolling" on the value of a Commodity Reference Item also apply with regard to the index level of a Commodity index.

***Legal and regulatory changes relating to the Commodities may lead to adjustment to, or early redemption or settlement of, the Commodity Linked Instruments, and could adversely affect the return on and value of the Commodity Linked Instruments***

The legal and regulatory regimes of Commodities in many jurisdictions, including, in particular, the United States and Europe, may change in ways that could increase the level of regulation of markets and market participants, reduce liquidity, increase market volatility and increase the costs of participating in the commodity or futures markets which could negatively affect an interest in Commodity Linked Instruments.

In the United States, the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "**Dodd-Frank Act**"), which was enacted in July 2010, provides for substantial changes to regulation of the listed and over-the-counter ("**OTC**") derivative markets. The Dodd-Frank Act requires regulators, including the U.S. Commodity Futures Trading Commission ("**CFTC**"), to adopt regulations to implement many of the requirements of the legislation, including additional obligations on market participants that trade OTC derivatives on physical commodities; increasing the level of regulation on market participants; requiring an increasing number of OTC derivative transactions to be executed on regulated exchanges or trading platforms and cleared through regulated clearing houses; and requiring swap dealers to be registered and subject to various additional regulatory requirements, including capital and margin requirements. These changes may have the effect of reducing liquidity and increasing costs in these markets, as well as affecting the structure of the markets in other ways. Furthermore, these changes and the resulting increased costs and regulatory oversight requirements may result in market participants being required to, or deciding to, cease or limit their trading activities. While the CFTC has adopted many of the final regulations and has proposed certain others, the ultimate nature and scope of all potentially relevant regulations, and its impact on the relevant Issuer and the Commodity Linked Instruments, cannot yet be determined.

In addition, other regulatory bodies have proposed, or may in the future propose, legislation similar to that proposed by the Dodd-Frank Act which could contain other restrictions that could adversely impact the liquidity of, and increase the costs of, participating in the commodities markets. In Europe, the European Market Infrastructure Regulation ("**EMIR**") and its accompanying technical standards, as well as the Markets in Financial Instruments Directive ("**MiFID II**") and its implementing measures, seek to address concerns in relation to the monitoring of counterparty credit risk of OTC derivatives market participants, transparency and liquidity in financial markets. For example, under the recast MiFID II and the accompanying Markets in Financial Instruments Regulation ("**MiFIR**"), there are requirements to establish position limits on trading commodity derivatives. The implementing regulations and technical standards are currently subject to review and consultation and the scope of the final rules remains unclear.

Any such changes to the legal and regulatory regime in relation to Commodities may adversely affect the relevant Issuer's obligations in respect of any underlying or hedging transactions in relation to the Commodity Linked Instruments, or may make it unlawful or infeasible, in whole or in part, for any reason for the relevant Issuer to access the commodity markets for purposes of managing commodity market risk, which may lead to adjustment to, or early redemption/settlement of, the Commodity Linked Instruments. In the event of an early redemption/settlement, any early settlement amount or early redemption amount may be less than the purchase price of the Commodity Linked Instruments, and may be zero.

In addition, any such changes to the legal and regulatory regime in relation to Commodities could have an adverse impact on the price of a Commodity, or the return on a Commodity Index, and the return on and value of the Commodity Linked Instruments.

***Data sourcing and calculation risks associated with a Commodity Index and the commodity contracts underlying a Commodity Index may adversely affect the value of the Commodity Index***

The closing level of a Commodity Index or the prices of commodity contracts underlying such Commodity Index will be calculated based on price data that are subject to potential errors in data sources or other errors that may affect the closing levels published by the relevant sponsor of a Commodity Index or the prices published by the relevant price source(s) for such underlying commodity contracts, as applicable. Also, there may be errors in any other data sourced by the sponsor of a Commodity Index. Such errors could adversely affect the closing level of the Commodity Index on any given day, which could in turn have an adverse effect on the value of the Instruments and any amount payable under the Instruments. There can be no assurance that any error or discrepancy on the part of any data source or sponsor will be corrected or revised or that the sponsor of a Commodity Index will incorporate any such correction or revision into the calculation of such Commodity Index. None of the sponsor of a Commodity Index, the Issuers and the Guarantor makes any representation or warranty, express or implied, as to the correctness or completeness of that information or takes any responsibility for the accuracy of such data or the impact of any inaccuracy of such data on the relevant level of such Commodity Index, or on the value of any commodity contracts included in such Commodity Index.

**Risks relating to Fund Linked Instruments**

***No Fund will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Fund Linked Instruments***

No Fund will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Fund Linked Instruments and none of the relevant Issuer, the Guarantor (if applicable) and any Dealer will make any investigation or enquiry in connection with such offering with respect to any information concerning any such Fund contained in such Final Terms or in the documents from which such information was extracted. Neither the relevant Issuer nor the Guarantor (if applicable) controls any Fund or is responsible for any disclosure made by any Fund. Consequently, there can be no assurance that all events occurring prior to the relevant issue date (including events that would affect the adequacy, accuracy or completeness of the publicly available information or in any applicable Final Terms) that would affect the net asset value of a unit (or fund interest) in the relevant Fund(s) or, the share price of the Fund Shares of the relevant Exchange Traded Fund(s) ("ETFs"), will have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of or failure to disclose material future events concerning such Fund could affect the net asset value of a unit (or fund interest) in such Fund, or the share price of the Fund Shares of such ETFs, and therefore the trading price of the Instruments or amounts paid or delivered under the Instruments.

***A Fund may be subject to Fund Events which may adversely impact the value of Fund Linked Instruments***

If certain events specified as Fund Events occur, the Calculation Agent may replace the Fund by other Funds and thereafter the amount payable in respect of the Fund Linked Instruments will depend on and be calculated by reference to the performance of an alternate asset. This may have a considerable impact on the value of the Fund Linked Instruments and the amount payable in respect of the Fund Linked Instruments. Alternatively, any determination dates and payment dates may be changed by the Calculation Agent, or the amount paid per Fund Linked Instrument may be based on the only cash amounts that an investor in the fund actually received, which might be as low as zero.

***Risk from composition and changes to a Fund***

The management company of a Fund can, without regard to the interests of the investors in the Fund Linked Instruments, add, delete or substitute any Funds by reference to which the value of a Fund is calculated or make other methodological changes that could change the investment profile of a Fund. The management company may also determine to discontinue a Fund. If a Fund is discontinued, it may be replaced by other assets and/or the Fund Linked Instruments may be redeemed or exercised early.

In the event that a Fund is materially modified or permanently cancelled or the management company fails to calculate or announce the net asset value of a Fund, the Calculation Agent will either make such adjustments to any variable, calculation methodology, valuation, settlement, payment terms or any other terms and conditions of the Fund Linked Instruments as the Calculation Agent determines appropriate to account for the effect on the Fund Linked Instruments of such events, or may redeem or exercise the Fund Linked Instruments early. Any of these decisions or determinations may adversely impact the value of the Fund Linked Instruments. In the event that the Fund Linked Instruments are early settled/redeemed, that amount payable to an investor may be less than the investor's initial investment, and may be as low as zero.

***Funds may be subject to transfer restrictions and illiquidity***

Funds and the assets thereof may be subject to transfer restrictions arising by way of applicable securities laws or otherwise. Such restrictions may mean that purchasers of the Fund Linked Instruments are not entitled to acquire interests in the Funds directly. Holders of units or shares in a Fund may have the right to transfer or withdraw their investment in the Funds only at certain times and upon completion of certain documentary formalities and such rights may be subject to suspension or alteration. These circumstances may affect the net asset value of the Funds in question. Potential investors should familiarise themselves with the features of the Funds in this regard.

***Events which affect the value of a Fund will affect the value of Fund Linked Instruments***

The occurrence of any of the following events could materially and adversely affect the value of shares or units in a Fund, and have a consequent material and adverse effect on the value of Fund Linked Instruments:

- *Valuation:* The valuation of Funds is generally controlled by the management company of the Fund. Valuations are performed in accordance the terms and conditions governing the Fund. Such valuations may be based upon the unaudited financial records of the Fund and any accounts pertaining thereto. Such valuations may be preliminary calculations of the net asset values of the Fund and accounts. The Fund may hold a significant number of investments which are illiquid or otherwise not actively traded and in respect of which reliable net asset values may be difficult to obtain. In consequence, the management company may vary certain quotations for such investments held by the Fund in order to reflect its judgement as to the fair value thereof. Therefore, valuations may be subject to subsequent adjustment upward or downward. Uncertainties as to the valuation of Fund assets and/or accounts may have an adverse effect on the net asset value of the Fund where such judgements regarding valuations prove to be incorrect.
- *Trading charges:* The performance of a Fund will be affected by the charges incurred thereby relating to the investments of such Fund. The Fund may engage in short-term trading which may result in increased turnover and associated higher than normal brokerage commissions and other expenses.
- *Legal and regulatory changes:* Future changes to applicable law or regulation may be adverse to a Fund.
- *Investment risk:* All investments risk the loss of capital and/or the diminution of investment returns. A Fund may utilise (*inter alia*) strategies such as short-selling, leverage, securities lending and borrowing, investment in sub-investment grade or non-readily realisable investments, uncovered options transactions, options and futures transactions and foreign exchange transactions and the use of concentrated portfolios, each of which could, in certain circumstances, magnify adverse market developments and losses.
- *Illiquidity:* A Fund may make investments in markets that are volatile and/or illiquid and it may be difficult or costly for positions therein to be opened or liquidated.
- *Performance risk:* No assurance can be given relating to the present or future performance of a Fund. The performance of a Fund is dependent on the performance of the management company thereof. Certain management companies may utilise analytical models upon which investment decisions are based. No assurance can be given that these persons will succeed in

meeting the investment objectives of the Fund, that any analytical model used thereby will prove to be correct or that any assessments of the short-term or long-term prospects, volatility and correlation of the types of investments in which the Funds have invested or will invest will prove accurate.

- *Effect of exchange rates and exchange controls:* The net asset value of a Fund could be adversely affected not only by hedging costs and changes in exchange rates, but also by local exchange control regulations and other limitations, including currency exchange limitations and political and economic developments in the relevant countries.
- *Market risks:* The markets in which a Fund invests may prove to be highly volatile from time to time as a result of, for example, sudden changes in government policies on taxation and currency repatriation or changes in legislation relating to the value of foreign ownership in companies, and this may affect the net asset value at which a Fund may liquidate positions to meet repurchase requests or other funding requirements.
- *Hedging risks:* A Fund may in certain cases employ various hedging techniques to reduce the risk of investment positions. A substantial risk remains, nonetheless, that such techniques will not always be available and when available, will not always be effective in limiting losses. A Fund may take substantial unhedged positions.
- *Interest rate risks:* The values of securities held by a Fund (or by any underlying Fund) tend to be sensitive to interest rate fluctuations and unexpected fluctuations in interest rates could cause the corresponding net asset values of a Fund's positions to move in directions which were not initially anticipated. To the extent that interest rate assumptions underlie the hedge ratios implemented in hedging a particular position, fluctuations in interest rates could invalidate those underlying assumptions and expose a Fund to losses.
- *Absence of regulation:* A Fund will generally not be regulated under the laws of any country or jurisdiction. As a result, certain protections of such laws (which, among other things, may require investment companies to have disinterested directors, require securities to be held in custody and segregated, regulate the relationship between the investment company and its adviser and mandate investor approval before fundamental investment policies may be changed) do not apply to a Fund. This absence of regulation may adversely affect the performance of a Fund.
- *Suspension of trading:* A securities exchange typically has the right to suspend or limit trading in any instrument traded on that exchange. A suspension could render it impossible for a Fund to liquidate positions and thereby expose a Fund to losses.
- *Dependence on key individuals:* The success of a Fund is dependent on the expertise of its managers. The loss of one or more individuals could have a material adverse effect on the ability of a Fund manager to direct a fund's portfolio, resulting in losses for a Fund and a decline in the value of a Fund. Indeed, certain fund managers may have only one principal, without whom the relevant Fund manager could not continue to operate.
- *Experience of Fund managers:* Certain Funds may be managed by investment managers who have managed hedge funds for a relatively short period of time. The previous experience of such investment managers is typically in trading proprietary accounts of financial institutions or managing unhedged accounts of institutional asset managers or other investment firms. As such investment managers do not have direct experience in managing Funds or hedge funds, including experience with financial, legal or regulatory considerations unique to Fund management, and there is generally less information available on which to base an opinion of such managers' investment and management expertise, investments with such investment managers may be subject to greater risk and uncertainty than investments with more experienced Fund managers.
- *Risk of fraud:* There is a risk that a Fund manager could divert or abscond with the assets, fail to follow agreed-upon investment strategies, provide false reports of operations or engage in other misconduct.

- *Performance compensation payable to Fund managers:* The performance-based compensation paid to a Fund manager is typically calculated on a basis that includes unrealised appreciation and may consequently be greater than if such compensation were based solely on realised gains. Each Fund generally calculates its own performance compensation based on its individual performance, irrespective of increases in the overall value of the Fund. Furthermore, when the Fund is rebalanced and an unprofitable underlying asset is removed, the loss carried forward by such Fund's trading is eliminated for purposes of calculating subsequent performance compensation due to the Fund manager of any replacement underlying asset. Thus, there may be substantial incentive compensation due to the relevant Fund manager even during a period when the portfolio of assets is incurring significant losses.
- *Concentration risk:* As many hedge funds have the authority to concentrate their investments in securities of a single issuer or industry, the overall adverse impact on one or more components of the fund, and correspondingly on the value of the Fund, of adverse movements in the value of such securities could be considerably greater than if the Fund were not permitted to concentrate their investments. Moreover, a number of hedge funds included as components in a Fund might accumulate substantial positions in the same or related instruments at the same time. As information regarding the actual investments made by such funds is not generally available, the management company will be unable to identify any such accumulations, which could expose the relevant Fund to the risk of sudden and severe declines.
- *Risks of leverage:* A Fund may borrow without limitation and typically utilise various lines of credit and other forms of leverage. In addition, certain of a Fund's investment strategies (primarily those utilising derivative instruments) may involve indirect forms of leverage. While leverage presents opportunities for increasing a Fund's total return, it increases the potential risk of loss as well. Any event which adversely affects the value of an investment by a Fund is magnified to the extent that such investment is leveraged. Leverage can have a similar effect on issuers in which a Fund invests. The use of leverage by a Fund could result in substantial losses which would be greater than if leverage had not been used. A Fund's assets may be further leveraged or hedged by the use of derivatives. In addition, investments of a fund may include investments in partnerships and other pooled investment vehicles, which themselves employ leverage to a significant extent. Such investments are subject to the same leverage risks as described above and a Fund could lose its entire investment. As a general matter, the banks and dealers that provide financing to a fund can apply essentially discretionary margin, haircut, financing and security and collateral valuation policies. Changes by banks and dealers in these policies may result in large margin calls, loss of financing and forced liquidations of positions at disadvantageous net asset values.
- *Non-deductible taxes:* As Funds may be resident in so-called off-shore jurisdictions, which have not entered into any double taxation conventions with other countries, any income of such Fund may be subject to taxation in the countries of origin. As such withholding taxes are non-deductible due to the fact that such Funds are not subject to income taxation in their countries of residence, the Fund's net income may be reduced which may have a negative impact on the performance of such Fund.
- *Investment criteria:* It may be difficult to specify precisely or comprehensively the strategies of a Fund. As a result, it may not sometimes be clear whether or not a Fund fulfils the investment criteria set out in its offering document.
- *Risks of equity investments:* The investment orientation of a Fund may be based to a significant extent on equity investments. Investment in equity securities to aggressively seek capital appreciation is speculative and is generally perceived to encompass greater risks than those involved in connection with an investment in debt securities of comparable issuers.
- *Risks of fixed income investments:* A Fund may invest in fixed income securities and, therefore, may be exposed to the risk of default by the issuers of such securities. Such default may result in delays in payment, or non-payment of interest or principal when due. Furthermore, the net asset value of fixed income securities may also fluctuate with changes in prevailing interest rates and/or in the creditworthiness of the issuer, and these fluctuations may result in a loss of capital by a Fund.

- *Risks of collective investment schemes:* Some Funds may invest in other collective investment schemes. Investment in schemes of this type may afford the investor less transparency in respect of the ultimate assets of the scheme.
- *Large transactions:* Large subscriptions and redemptions may result in the liquidation or dilution of fund assets that may affect the net asset value of such Fund.
- *Emerging markets:* A Fund may invest in securities of governments of, or companies domiciled in, less-developed or emerging markets. See "Risks relating to Instruments which are linked to emerging market Reference Item(s)" above. Custody arrangements in such countries may also present enhanced risk.
- *Risks of repos:* A Fund may use repurchase agreements. Under a repurchase agreement, a security is sold to a buyer and at the same time the seller of the security agrees to buy back the security at a later date at a higher net asset value. In the event of a bankruptcy or other default of the transferor of securities in a repurchase agreement, a Fund could experience delays in liquidating the underlying securities and losses, including possible declines in the value of the collateral during the period while it seeks to enforce its rights thereto; possible subnormal levels of income and lack of access to income during this period and the expenses of enforcing its rights. In the case of a default by the transferee of securities in a repurchase agreement, the management company bears the risk that the transferee may not deliver the securities when required.
- *Risks of currency speculation:* A Fund may engage in exchange rate speculation. Foreign exchange rates have been highly volatile in recent years. The combination of volatility and leverage gives rise to the possibility of large profit but also carries a high risk of loss. In addition, there is counterparty credit risk since foreign exchange trading is done on a principal to principal basis.
- *Risks of commodity futures:* Commodity futures prices can be highly volatile. As a result of the low margin deposits normally required in futures trading, an extremely high degree of leverage is typical of a futures trading account. As a result, a relatively small price movement in a futures contract may result in substantial losses to the investor. Like other leveraged investments, a futures transaction may result in losses in excess of the amount invested.
- *Risks of derivative instruments:* A Fund may use derivative instruments, such as collateralised debt obligations, stripped mortgage-backed securities, options and swaps. There are uncertainties as to how the derivatives market will perform during periods of unusual price volatility or instability, market illiquidity or credit distress. Substantial risks are also involved in borrowing and lending against such instruments. The prices of these instruments are volatile, market movements are difficult to predict and financing sources and related interest rates are subject to rapid change. One or more markets may move against the positions held by a Fund, thereby causing substantial losses. Most of these instruments are not traded on exchanges but rather through an informal network of banks and dealers. These banks and dealers have no obligation to make markets in these instruments and may apply essentially discretionary margin and credit requirements (and thus, in effect, force a Fund to close out its relevant positions). In addition, such instruments carry the additional risk of failure to perform by the counterparty to the transaction. Government policies, especially those of the U.S. Board of Governors of the Federal Reserve System (the "**Federal Reserve Board**") and non-U.S. central banks, have profound effects on interest and exchange rates which, in turn, affect prices of derivative instruments. Many other unforeseeable events, including actions by various government agencies and domestic and international political events, may cause sharp market fluctuations.
- *Risks of short selling:* A Fund may sell securities short. Short selling exposes a Fund to theoretically unlimited risk due to the lack of an upper limit on the price to which a security may rise. Short selling involves the sale of borrowed stock. If a stock loan is called, the short seller may be forced to repurchase the stock at a loss. In addition, some traders may attempt to profit by forcing short sellers to incur a loss. Traders may make large purchases of a stock that has been sold short. The large purchases are intended to drive up the stock price, and

cause the short sellers to incur losses. By doing this, the traders hope the short sellers will limit their losses by repurchasing the stock and force the stock price even higher.

- *Risks of arbitrage:* The use of arbitrage strategies by a Fund in no respect should be taken to imply that such strategies are without risk. Substantial losses may be incurred on "hedge" or "arbitrage" positions, and illiquidity and default on one side of a position may effectively result in the position being transformed into an outright speculation. Every arbitrage strategy involves exposure to some second order risk of the market, such as the implied volatility in convertible bonds or warrants, the yield spread between similar term government bonds or the net asset value spread between different classes of stock for the same underlying firm. Further, there are few examples of "pure" arbitrage Funds. Most Funds also employ limited directional strategies which expose them to market risk.
- *Credit risk:* Many of the markets in which a Fund effects its transactions are "over-the-counter" or "inter-dealer" markets. The participants in these markets are typically not subject to credit evaluation and regulatory oversight as are members of "exchange based" markets. To the extent that a Fund invests in swaps, derivatives or synthetic instruments, or other over-the-counter transactions in these markets, such Fund may take a credit risk with regard to parties with which it trades and also may bear the risk of settlement default. These risks may differ materially from those involved in exchange-traded transactions, which generally are characterised by clearing organisation guarantees, daily marking-to-market and settlement, and segregation and minimum capital requirements applicable to intermediaries. Transactions entered into directly between two counterparties generally do not benefit from these protections, which in turn may subject a Fund to the risk that a counterparty will not settle a transaction in accordance with its terms and conditions because of a dispute over the terms of the contract or because of a credit or liquidity problem. Such "counterparty risk" is increased for contracts with longer maturities when events may intervene to prevent settlement. The ability of a Fund to transact business with any one or any number of counterparties, the lack of any independent evaluation of the counterparties or their financial capabilities, and the absence of a regulated market to facilitate settlement, may increase the potential for losses.
- *Risks relating to controlling stakes:* A Fund may take controlling stakes in companies. The exercise of control over a company imposes additional risks of liability for environmental damage, product defects, failure to supervise and other types of related liability.
- *Price volatility:* The market price of Fund Linked Instruments may be volatile and may depend on the time remaining to the redemption date or settlement date (as applicable) and the volatility of the price of Fund share(s) or unit(s). The price of Fund share(s) or unit(s) may be affected by the economic, financial and political events in one or more jurisdictions, including factors affecting the exchange(s) or quotation system(s) on which any units in the Fund or Funds may be traded.

***As the shares of certain Funds may only be redeemable on certain dates, there is a risk of delays or defaults in payment***

The shares of a Fund may only be redeemable on certain redemption dates, subject to the prescribed notice period in respect of such Fund. This gives rise to a time delay between the execution of an order for redemption and payment of the proceeds on such redemption. If the Fund becomes insolvent following the date on which a redemption order would have to be notionally placed or the Calculation Agent determines that the relevant Fund would fail to pay to any shareholder in cash the full redemption proceeds owing to them if they redeemed their shares on the relevant date, an adjustment may be made by the Calculation Agent when calculating the return on the Instruments to the net asset value per share of the relevant Fund, thereby reducing the return on the Instruments.

In the case of Fund Linked Instruments linked to ETFs, if the Calculation Agent determines that an event giving rise to a Disrupted Day has occurred at any relevant time, any such determination may have an effect on the timing of valuation and consequently the value of the Instruments and/or may delay settlement in respect of the Fund Linked Instruments. Potential investors should review the relevant Conditions and the applicable Final Terms to ascertain whether and how such provisions apply to the Fund Linked Instruments.

In the case of Fund Linked Instruments linked to ETFs following the declaration by the ETF of the occurrence of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical relevant Fund Shares and, if so, will (i) make the corresponding adjustment, if any, to any of the terms of the relevant Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect and (ii) determine the effective date of that adjustment. Such adjustment may have an adverse effect on the value and liquidity of the affected Fund Linked Instruments.

In addition, in the case of Fund Linked Instruments linked to ETFs, if a Merger Event, Tender Offer, De-Listing, Material Underlying Event, Nationalisation or Insolvency occurs in relation to any Fund Share, the relevant Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:

- (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the relevant Conditions and/or the applicable Final Terms to account for the Merger Event, Tender Offer, De-Listing, Material Underlying Event, Nationalisation or Insolvency and determine the effective date of that adjustment. Such adjustment may have an adverse effect on the value and liquidity of the affected Fund Linked Instruments; or
- (ii) redeem or cancel, as applicable, all of the Fund Linked Instruments. In the event of such redemption or cancellation the amount payable to an investor may be less than the investor's initial investment, and may be as low as zero.

#### **Risks relating to Inflation Linked Instruments**

A relevant consumer price index or other formula linked to a measure of inflation to which the Instruments are linked may be subject to significant fluctuations that may not correlate with other indices. Any movement in the level of the index may result in a reduction of the interest payable on the Instruments, and in the case of Instruments with a settlement/redemption amount linked to inflation, in a reduction of the amount payable on settlement/redemption which in some cases could be less than the amount originally invested.

The timing of changes in the relevant consumer price index or other formula linked to the measure of inflation comprising the relevant index or indices may affect the actual yield to investors on the Inflation Linked Instruments, even if the average level is consistent with their expectations.

An index to which interest payments on an Inflation Linked Instrument and/or the redemption amount of an Inflation Linked Instrument are linked is only one measure of inflation for the relevant jurisdiction, and such index may not correlate perfectly with the rate of inflation experienced by Holders in such jurisdiction.

#### **Risks relating to Credit Linked Instruments**

##### ***General risks relating to Credit Linked Instruments***

The Issuers may issue Credit Linked Instruments where the amount payable is dependent upon whether certain events ("**Credit Events**") have occurred in respect of one or more Reference Entity/Entities and, if so, on the value of certain specified assets of such Reference Entity/Entities or where, if one or more Credit Events have occurred, on redemption the relevant Issuer's obligation is to deliver certain specified assets.

Holders of any such Credit Linked Instruments should be aware that depending on the terms of the Credit Linked Instruments (i) they may receive no or a limited amount of interest or additional amounts, (ii) the payment of the redemption amount, interest or additional amounts or delivery of any specified assets may occur at a different time than expected and (iii) they may lose all or a substantial portion of their investment.

The market price of Credit Linked Instruments may be volatile and will be affected by, amongst other things, the time remaining to the redemption date or settlement date, as applicable, prevailing credit spreads and the creditworthiness of the Reference Entity/Entities which in turn may be affected by the

economic, financial and political events in one or more jurisdictions. Risks relating to Credit Linked Instruments may be correlated or compounded and such correlation and/or compounding may result in increased volatility in the value of such Instruments and/or in increased losses for holders of such Instruments.

Actions of Reference Entities (for example, merger or demerger or the repayment or transfer of indebtedness) may adversely affect the value of any Credit Linked Instruments. The views of market participants and/or legal counsel may differ as to how the terms of market standard credit default swaps, and the corresponding terms of any Credit Linked Instruments, should be interpreted in the context of such actions, or such terms may operate in a manner contrary to the expectations of market participants and/or adversely to the interests of holders of any Credit Linked Instruments. Holders of any Credit Linked Instruments should be aware that the Reference Entities to which the value of such Instruments are exposed, and the terms of such exposure, may change over the term of such Instruments. Reference Entities may not be subject to regular reporting requirements under Luxembourg securities laws and may report information in accordance with different disclosure and accounting standards. Consequently, the information available for such Reference Entities may be different from, and in some cases less than, the information available for entities that are subject to the reporting requirements under the Luxembourg securities laws. None of the relevant Issuer, the Guarantor (if applicable), the Calculation Agent and any of their respective affiliates make any representation as to the accuracy or completeness of any information available with respect to the Reference Entities.

***Holders may be affected by Credit Events that occur before the Issue Date***

Holders of Credit Linked Instruments may suffer a loss of some or all of their investment if one or more Credit Events occur on or after the Credit Event Backstop Date (which may fall prior to the Issue Date). None of the Calculation Agent, the relevant Issuer, the Guarantor (if applicable) and any of their respective affiliates has any responsibility to avoid or mitigate the effects of a Credit Event that has taken place prior to the Issue Date.

***There may be increased risks associated with Nth-to-Default Instruments***

Where the Credit Linked Instruments are Nth-to-Default Instruments, the relevant Credit Linked Instruments will be subject to redemption in full as described above upon the occurrence of a Credit Event in relation to the Nth Reference Entity in relation to which an Event Determination Date has occurred. With Nth-to-Default Instruments, the credit risk to holders of the Instruments may be increased as a result of, amongst other things, the concentration of Reference Entities in a particular industry sector or geographic area, or the exposure of the Reference Entities to similar financial or other risks.

***There may be increased risks associated with Tranche Portfolio CLNs***

If a Credit Event occurs in respect of a Reference Entity that results in an Incurred Loss Amount, the Outstanding Principal Amount of the Credit Linked Notes shall be reduced by the sum of the lesser of: (a) the Outstanding Principal Amount; and (b) the relevant Settlement Amount, which amount may be at a considerable discount to par and could be zero and interest will cease to accrue from the immediately preceding Interest Payment Date with respect to an amount equal to the relevant Settlement Amount with respect to such Reference Entity and Credit Event.

If following the occurrence of a Credit Event, the Outstanding Principal Amount of the Credit Linked Notes is reduced to zero, the Credit Linked Notes will be redeemed early. An investor therefore risks losing all of its principal and interest.

Further, if on an Interest Determination Date, the Calculation Agent determines that a potential Credit Event has occurred or a Credit Event has occurred which, in either case, could result in the determination of an Incurred Loss Amount, then interest shall be deferred in an amount which would have accrued on the Reference Entity Notional Amount of the relevant affected Reference Entity until the actual Settlement Amount can be determined and, in such cases, any interest which would have been paid had the relevant potential Credit Event or Credit Event been determined in the same Interest Period shall be paid on a deferred basis on the Interest Payment Date following the date on which the relevant Settlement Amount has been determined.

Since payment under the Credit Linked Notes is linked to the credit of the Reference Portfolio, Holders will be exposed to the credit risk of the Reference Entity to the full extent of the principal amount of their Credit Linked Notes. Holders will have no right to vote or exercise any other right or remedy with respect to any Reference Entity or any of its obligations.

***The relevant Issuer, the Guarantor (if applicable), the Dealer(s) and the Calculation Agent have no duty to disclose use of non-public information with respect to any Reference Entity***

The relevant Issuer, the Guarantor (if applicable), the Dealer(s), the Calculation Agent or any of their respective Affiliates may have acquired, or during the term of the Credit Linked Instruments may acquire, non-public information with respect to the Reference Entity/Entities that they may not disclose. Potential investors must therefore make an investment decision based upon their own due diligence and purchase the Credit Linked Instruments in the knowledge that non-public information which the relevant Issuer, the Guarantor (if applicable), the Dealer(s), the Calculation Agent or any of their respective Affiliates may have will not be disclosed to investors. None of the relevant Issuer, the Guarantor (if applicable), the Dealer(s), the Calculation Agent and any of their respective Affiliates is under any obligation (i) to review on the Holders' behalf, the business, financial conditions, prospects, creditworthiness, status or affairs of the Reference Entity/Entities or conduct any investigation or due diligence into the Reference Entity/Entities or (ii) other than as may be required by applicable rules and regulations relating to the Credit Linked Instruments, to make available (a) any information relating to the Instruments or (b) any non-public information they may possess in respect of the Reference Entity/Entities.

***A Credit Event may occur even if the relevant Issuer does not suffer any loss***

The relevant Issuer's obligations in respect of Credit Linked Instruments are irrespective of the existence or amount of the relevant Issuer's and/or any Affiliates' credit exposure to a Reference Entity and the relevant Issuer and/or any Affiliate need not suffer any loss nor provide evidence of any loss as a result of the occurrence of a Credit Event.

#### ***Risks relating to Physical Settlement***

Where the Credit Linked Instruments provide that the applicable Settlement Method is "Physical Settlement", or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Physical Settlement", the relevant Issuer may determine that the specified assets to be delivered are either (a) assets which (i) for any reason (including, without limitation, failure of the relevant clearing system or due to any law, regulation, court order or market conditions or the non-receipt of any requisite consents with respect to the Delivery of assets which are loans) it is impossible or illegal to deliver on the specified settlement date or (ii) it is impracticable to Deliver on the specified settlement date because (1) the relevant holder(s) has not taken any action that is deemed necessary by the Calculation Agent to enable such Delivery or (2) the holder(s) has failed to provide know-your-customer information sign and deliver relevant transfer documentation and/or confidentiality agreement, pay a fee to the agent to effect the transfer and/or provide any other information or documentation or make any other payment (including taxes) specified under the terms of the relevant specified asset or as is customary to provide in respect of such specified asset or (b) assets which the relevant Issuer and/or any Affiliate and/or agent has not received under the terms of any transaction and/or trading position entered into by the relevant Issuer and/or such Affiliate and/or agent to hedge the relevant Issuer's obligations in respect of the Credit Linked Instruments.

Any such determination may delay settlement in respect of the Credit Linked Instruments and/or cause the obligation to deliver such specified assets to be replaced by an obligation to pay a cash amount which, in either case, may affect the value of the Credit Linked Instruments and, in the case of payment of a cash amount, will affect the timing of the valuation of such Credit Linked Instruments and as a result, the amount payable on redemption. Potential investors should review the relevant Conditions and the applicable Final Terms to ascertain whether and how such provisions should apply to the Credit Linked Instruments.

In the case of Physical Settlement, where the Reference Obligation is a loan, in order for the Delivery of the loan (or an interest in the loan) to be effected, the Reference Obligation must be capable of being transferred to the Holder in accordance with its terms and the Holders must have the capacity to hold such loan (or loan interest).

In the event that a Governmental Intervention Credit Event or certain Restructuring Credit Events which, in each case, constitute an Asset Package Credit Event occurs, the assets that may be delivered to the Holders may include the Asset Package received or retained by a Relevant Holder in place of the Prior Deliverable Obligation or Package Observable Bond in connection with such Asset Package Credit Event. Such Asset Package may be comprised of illiquid assets and/or may be worth significantly less than the original Prior Deliverable Obligation or Package Observable Bond prior to such Asset Package Credit Event. If the Relevant Holder is offered, receives and retains nothing, the Asset Package shall be deemed to be zero. In these circumstances, Holders may lose all or a substantial portion of their investment.

***Risks relating to Cash Settlement***

If the applicable Settlement Method is "Cash Settlement", or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Cash Settlement", then, following the occurrence of a Credit Event, the Calculation Agent will be required to seek quotations in respect of selected obligations of the affected Reference Entity. Such quotations may not be available, or the level of such quotations may be substantially reduced as a result of illiquidity in the relevant markets or as a result of factors other than the credit risk of the affected Reference Entity (for example, liquidity constraints affecting market dealers). Accordingly, any quotations so obtained may be significantly lower than the value of the relevant obligation which would be determined by reference to (for example) the present value of related cashflows. Quotations may be deemed to be zero in the event that no such quotations are available. This could result in a lower or zero recovery rate for investors in such Instruments.

If the relevant Issuer has discretion to choose the portfolio of obligations to be valued or delivered following a Credit Event in respect of a Reference Entity, it is likely that the portfolio of obligations selected will be obligations of the Reference Entity with the lowest market value that are permitted to be selected pursuant to the terms of any relevant Credit Linked Instruments. This could result in a lower recovery value and hence greater losses for investors in such Instruments.

***Risks relating to Auction Settlement***

If, in relation to any Credit Linked Instruments, "Auction Settlement" is applicable, and a Credit Derivatives Determinations Committee publishes auction settlement terms in respect of a Reference Entity (and the relevant seniority of the Reference Obligation), then the Calculation Agent will determine the Auction Settlement Amount in accordance with such auction settlement terms. The losses determined pursuant to a market auction process may be greater than the losses which would have been determined in the absence of the auction. In particular, the auction process may be affected by technical factors or operational errors which would not otherwise apply or may be the subject of actual or attempted manipulation. Auctions may be conducted by ISDA or by a relevant third party. None of the Calculation Agent, the relevant Issuer, the Guarantor (if applicable) and any of their respective affiliates has any responsibility for verifying that any auction price is reflective of current market values for establishing any auction methodology or for verifying that any auction has been conducted in accordance with its rules. If the Dealer, the relevant Issuer, the Guarantor (if applicable), the Calculation Agent or any of their respective Affiliates participates in any auction for the purposes of such an auction, then it will do so without regard to the interests of the holders of the Credit Linked Instruments. Such participation may have a material effect on the outcome of the relevant auction. Where the terms of any Credit Linked Instruments state "M(M)R Restructuring" to be applicable and the relevant Credit Event is an M(M)R Restructuring, several concurrent but separate Auctions may occur with respect to such Reference Entity and such Credit Event. In certain circumstances, the relevant Issuer may apply specific Parallel Auction Settlement Terms notifying Holders of the relevant Instruments. The Auction Final Price may be based on one or more obligations of the Reference Entity having a final maturity date different from the Restructured Bond or Loan and this may affect the Auction Settlement Amount determined in respect of the Credit Linked Instruments. In the event of a Governmental Intervention Credit Event or certain Restructuring Credit Events which constitute an Asset Package Credit Event, the Auction Final Price may be determined by reference to the value of the Asset Package received or retained by a Relevant Holder in place of the Prior Deliverable Obligation or Package Observable Bond in connection with such Asset Package Credit Event. Such Asset Package may be worth significantly less than the original Package Observable Bond prior to such Asset Package Credit Event and may result in a significantly lower Auction Settlement Amount being payable to the Holders than would have been the case following the relevant Credit Event had the Auction Final Price been determined only by reference to Deliverable Obligations.

***Unwind costs may be deducted from the amounts payable to Holders of Credit Linked Instruments***

Investors should note that amounts paid or delivered in respect of any Credit Linked Instruments may take into account Unwind Costs which are determined by the Calculation Agent to be equal to all costs, expenses, taxes and duties, incurred by the relevant Issuer and/or any of its Affiliates and/or agents in connection with the redemption or cancellation of the Credit Linked Instruments and the related termination, settlement or re-establishment of any hedge or related trading position.

***The determinations of the Calculation Agent are binding on Holders***

The determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent shall (in the absence of manifest error) be final and binding on the relevant Issuer, the Guarantor (if applicable) and the holders. In performing its duties pursuant to the Credit Linked Instruments, the Calculation Agent shall act in its sole and absolute discretion. In making any determinations expressed to be made by it, for example as to substitute Reference Obligations or Successors, the Calculation Agent is under no obligation to consider the interests of the relevant Issuer, the Guarantor (if applicable) or the Holders. If the Final Terms specify that "Calculation Agent Determination" is applicable, the relevant Issuer and the Calculation Agent may, but will not be required to apply any DC Resolution to any Credit Linked Instruments unless the Calculation Agent notifies the relevant Issuer that any DC Resolution shall apply to such Credit Linked Instruments.

Holders should note that the Calculation Agent may modify the terms of any Credit Linked Instruments without the consent of the Holders of such Instruments to account for any DC Resolution.

***Risks relating to the Credit Derivatives Determinations Committees***

The institutions represented on the Credit Derivatives Determinations Committee owe no duty to the holders of Credit Linked Instruments and have the ability to make determinations that may materially affect the holders of Credit Linked Instruments. The Credit Derivatives Determinations Committee will be able to make determinations without action or knowledge of the holders of Credit Linked Instruments. Holders of Credit Linked Instruments will have no role in the composition of the Credit Derivatives Determinations Committee. Separate criteria apply with respect to the selection of dealer and non-dealer institutions to serve on the Credit Derivatives Determinations Committee and the holders of Credit Linked Instruments will have no role in establishing such criteria. In addition, the composition of the Credit Derivatives Determinations Committee will change from time to time in accordance with the DC Rules, as the term of an institution may expire or an institution may be required to be replaced. To the extent applicable, the Credit Linked Instruments will be subject to the determinations made by such selected institutions in accordance with the DC Rules.

Holders of Credit Linked Instruments will have no recourse against either the institutions serving on the Credit Derivatives Determinations Committee or any external reviewers. Institutions serving on the Credit Derivatives Determinations Committee and the external reviewers, among others, disclaim any duty of care or liability arising in connection with the performance of duties or the provision of advice under the DC Rules, except in the case of gross negligence, fraud or wilful misconduct. Furthermore, the institutions on the Credit Derivatives Determinations Committee do not owe any duty to the holders of Credit Linked Instruments and the holders of Credit Linked Instruments will be prevented from pursuing claims with respect to actions taken by such institutions under the DC Rules.

Holders of Credit Linked Instruments should also be aware that institutions serving on the Credit Derivatives Determinations Committee have no duty to research or verify the veracity of information on which a specific determination is based. In addition, the Credit Derivatives Determinations Committee is not obligated to follow previous determinations and, therefore, could reach a conflicting determination on a similar set of facts. If the relevant Issuer, the Guarantor (if applicable) or the Calculation Agent or any of their respective Affiliates serve as a member of the Credit Derivatives Determinations Committee at any time, then they will act without regard to the interests of the holders of Credit Linked Instruments.

Holders of Credit Linked Instruments are responsible for obtaining information relating to deliberations of the Credit Derivatives Determinations Committee. Notices of questions referred to the Credit

Derivatives Determinations Committee, meetings held to deliberate such questions and the results of binding votes will be published on the ISDA website and none of the relevant Issuer, the Guarantor (if applicable), the Calculation Agent and any of their respective affiliates shall be obliged to inform the holders of Credit Linked Instruments of such information (other than as expressly provided in respect of such Instruments).

Holders of Credit Linked Instruments should also be aware that following the occurrence of a Credit Event Resolution Request Date in respect of a Reference Entity, any obligation of the relevant Issuer to redeem or cancel or otherwise settle any such Instruments or pay any amount in respect thereof may be suspended until the occurrence of a DC Credit Event Announcement, a DC No Credit Event Announcement or a DC Credit Event Question Dismissal.

***Risks relating to the Physical Settlement Matrix***

Holders of Credit Linked Instruments should be aware that the terms applicable to each Reference Entity incorporate the terms of the Physical Settlement Matrix for the Transaction Type specified in respect of such Reference Entity.

***Risks relating to Short Credit Linked W&C Instruments***

Holders of Short Credit Linked W&C Instruments should be aware that under the terms of such Credit Linked Instruments the Holders are purchasing credit protection on the relevant Reference Entity/Entities and consequently they may only receive a payout where such Short Credit Linked W&C Instruments are exercised following the occurrence of a Credit Event. If no Credit Event occurs during the life of the Short Credit Linked W&C Instruments then such Short Credit Linked W&C Instruments shall expire worthless unless otherwise provided in the terms of such Short Credit Linked W&C Instruments. In certain circumstances where an M(M)R Restructuring Credit Event has occurred, Holders may be entitled to deliver a Credit Event Notice to the relevant Issuer. None of the relevant Issuer, the Guarantor, the Calculation Agent and any of their respective affiliates shall have any obligation to inform the Holders at any time when they may be entitled to deliver such Credit Event Notice.

***Risks relating to amendments in accordance with market convention or otherwise***

*Calculation Agent's powers to amend terms without Holders' consent*

Holders should note that the Calculation Agent may (but shall not be obliged to) from time to time, without obtaining their consent or consulting them:

- (i) amend fundamental credit-linked provisions (including but not limited to the applicable Transaction Type, Credit Events, Deliverable Obligation Category, Deliverable Obligation Characteristics and deliverability, Reference Obligation, Successor and other provisions) in the Credit Linked Note Conditions and Credit Linked W&C Conditions or other provisions of the Instruments to correspond with those specified as applicable for a particular Reference Entity in the most recently published ISDA Credit Derivatives Definitions, ISDA Credit Derivatives Physical Settlement Matrix version, SRO List and/or prevailing trading standards applicable to such Reference Entity;
- (ii) amend any provision of the Credit Linked Note Conditions, Credit Linked W&C Conditions or the Instruments to incorporate and/or reflect further or alternative documents from time to time published by ISDA with respect to credit derivative transactions and/or the operation or application of determinations by the ISDA Credit Derivatives Determinations Committees which the Calculation Agent determines are necessary to reflect market practice for credit derivative transactions; and/or
- (iii) in circumstances where a Reference Entity has proposed an exchange of all or substantially all of the obligations of such Reference Entity into cash, securities and/or other assets, elect to make certain amendments to any provision of the Credit Linked Note Conditions, the Credit Linked W&C Conditions or the Instruments to reflect or account for such exchange, regardless of the credit derivatives definitions or trading standards applicable to such Reference Entity, as set out in Credit Linked Note Condition 25 (*Change in Market Convention*) and Credit Linked W&C Condition 23 (*Change in Market Convention*).

### **Risks relating to Saudi Share Linked Warrants**

***No issuer of the relevant Share(s) will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Saudi Share Linked Warrants***

No issuer of the relevant Share(s) will have participated in the preparation of the applicable Final Terms or in establishing the terms of the Saudi Share Linked Warrants and none of MLICo., the Guarantor and any Dealer will make any investigation or enquiry in connection with such offering with respect to any information concerning any such issuer of Shares contained in such Final Terms or in the documents from which such information was extracted. Neither MLICo. nor the Guarantor controls any issuer of the relevant Share(s) or is responsible for any disclosure made by any issuer of the relevant Share(s). Consequently, there can be no assurance that all events occurring prior to the relevant issue date (including events that would affect the adequacy, accuracy or completeness of the publicly available information described in this paragraph or in any applicable Final Terms) that would affect the trading price of the relevant Share(s) will have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of or failure to disclose material future events concerning such an issuer of relevant Share(s) could affect the trading price of the Share(s) and therefore the trading price of the Saudi Share Linked Warrants or amounts paid or delivered under the Saudi Share Linked Warrants.

***Exposure to value of Shares and notional liquidation of the Shares over a valuation period***

Saudi Share Linked Warrants are issued at a price linked to the value of the underlying Shares on particular trading days during a fixing period. On settlement a Holder will not receive the principal amount of its investment but instead will receive an amount calculated as the weighted average sale price of the Shares over a valuation period commencing on the Valuation Date (or such other price as may be specified in the applicable Final Terms) less deductions for local taxes (if any) and other costs which would have been incurred had the Shares been held by a Saudi resident investor directly and less deductions for any other taxes and costs associated with MLICo.'s hedging position. The valuation period will be the number of days commencing on/and including the valuation date that would have been required for a holder of the Shares to complete the sale of the equivalent position on the securities exchange on which such Shares are primarily traded. Depending on the performance of the Shares, the value of the Shares at settlement may be substantially lower than when the Saudi Share Linked Warrants were initially purchased. There is no assurance that the Cash Settlement Amount on settlement will be equal to or more than the purchase price of the Saudi Share Linked Warrants. In the worst case, the Saudi Share Linked Warrants may settle at zero, exposing investors to the full loss of their initial investment. If investors have any doubt on the risk level implied, they should consult a professional investment adviser. Further, generally returns to investors in Saudi Share Linked Warrants will be payable in U.S. Dollars or another currency other than the currency in which the Shares are denominated. Changes in the rate of exchange between the currency in which the underlying Shares are denominated and that in which returns are payable to Holders will affect the return to investors. See "Exposure to changes in the rate of exchange between the currency of the Shares and Settlement Currency" below.

***Factors affecting the performance of Shares may adversely affect the value of the Saudi Share Linked Warrants***

The performance of Shares is dependent upon macroeconomic factors, such as interest and price levels on the capital markets, currency developments, political factors and company-specific factors such as earnings position, market position, risk situation, shareholder structure and distribution policy. These factors are not within MLICo.'s or the Guarantor's control and may result in a decline in the value of the Saudi Share Linked Warrants. Neither MLICo. nor the Guarantor makes any representation or warranty about, or guarantee of, the performance of the Shares. Past performance of the Shares cannot be considered to be either a guarantee of, or necessarily a guide to, future performance. The value of the Shares may go down as well as up during the term of the Saudi Share Linked Warrants. Saudi Share Linked Warrants are linked to Shares listed in an emerging market which may make the Shares less liquid and more volatile than investments in more established markets. See "Risks relating to Instruments which are linked to emerging market Reference Item(s)" above.

***Exposure to changes in the rate of exchange between the currency of the Shares and Settlement Currency***

Where the currency of the Shares is different from that of the Settlement Currency, Holders of Saudi Share Linked Warrants linked to such Shares may be exposed not only to the performance of the Shares but also to the performance of the relevant foreign currency of the Shares, which cannot be predicted. Saudi Share Linked Warrants may be linked to the Saudi Arabian Riyal which may experience volatility and uncertainty as to its future levels or its rate of exchange as against other currencies (including the Settlement Currency). See "Risks relating to Instruments which are linked to emerging market Reference Item(s)" and "Factors affecting the performance of the relevant foreign exchange rate may adversely affect the value of the Instruments" above.

***Holders have no claim against the issuer of the relevant Share(s) or recourse to the Shares or the Hedge Positions***

Saudi Share Linked Warrants do not represent a claim against or an investment in any issuer of the relevant Share(s) and investors will not have any right of recourse under the Saudi Share Linked Warrants to any such company or the Shares or MLICo.'s Hedge Positions. Saudi Share Linked Warrants are not in any way sponsored, endorsed or promoted by any issuer of the relevant Share(s) and such companies have no obligation to take into account the consequences of their actions for any Holders. Accordingly, the issuer of a Share may take any actions in respect of such Share without regard to the interests of the investors in the Saudi Share Linked Warrants, and any of these actions could adversely affect the market value of the Saudi Share Linked Warrants.

***Determinations made by the Calculation Agent in respect of Potential Adjustment Events, Merger Events, Tender Offers, De-listings, Nationalisations, Insolvencies and Additional Disruption Events may have an adverse effect on the value of the Saudi Share Linked Warrants***

Upon determining that a Potential Adjustment Event, Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Additional Disruption Event has occurred in relation to an underlying Share or Share Company, the Calculation Agent has broad discretion to make certain determinations to account for such event including to (i) make adjustments to the terms of the Saudi Share Linked Warrants, (ii) distribute additional Instruments or cash payments to Holders and/or (iii) (in the case of a Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Additional Disruption Event) cause early settlement of the Saudi Share Linked Warrants, any of which determinations may have an adverse effect on the value of the Saudi Share Linked Warrants.

Potential Adjustment Events include (a) a sub-division, consolidation or re-classification of the Shares, (b) an extraordinary dividend, (c) a call of the Shares that are not fully paid, (d) a repurchase by the issuer, or an affiliate thereof, of the Shares, (e) a separation of rights from the Shares or (f) any event having a dilutive or concentrative effect on the value of the Shares. Additional Disruption Events include (a) (i) a requirement of the Capital Market Authority of the Kingdom of Saudi Arabia to terminate or otherwise modify any hedge position relating to the Saudi Share Linked Warrants or the imposition by the Capital Market Authority of any qualitative or quantitative limitation or any other requirements in relation to any Hedge Positions and (ii) a trading failure and (b) if specified to be applicable in the applicable Final Terms, (i) a change in applicable law since the Trade Date that makes it (A) illegal to hold, acquire or dispose of the Shares or (B) more expensive for MLICo. to hedge its obligations under the relevant Saudi Share Linked Warrants, (ii) an insolvency filing by or on behalf of any issuer of the relevant Share(s) and/or (iii) a disruption or increased cost of hedging.

***Holders will have no voting rights in respect of the relevant Shares***

Holders of Saudi Share Linked Warrants will not have voting rights or any other rights with respect to the relevant Shares to which such Saudi Share Linked Warrants relate.

***Consequences of CMA Resolution: including potential identification of Holders, unilateral amendments and/or early termination and transfer restrictions***

The Capital Market Authority regulates share dealing and associated activities in the Kingdom of Saudi Arabia. Pursuant to Capital Market Authority Board of Commissioners resolution number 3-10-2010 as issued by the Capital Market Authority in the "Circular from the CMA regarding its approval for Authorized Persons to Enter into Swap Agreements" which amends resolution number 2-28-2008 of

the Capital Market Authority Board of Commissioners (the "**CMA Resolution**"), "Authorised Persons" may enter into derivative transactions with non-resident foreign investors, whether institutions or individuals, to transfer certain economic benefits of Saudi companies' shares listed on the Saudi Stock Exchange (*Tadawul*), while the shares are registered in the name of the relevant Authorised Person, all on the terms and conditions set forth in the CMA Resolution. A copy of the CMA Resolution may be obtained on request from the relevant Dealer.

In respect of any Saudi Share Linked Warrants, MLICo. may (but shall be under no obligation under the Saudi Share Linked Warrants to) establish Hedge Positions in respect of its obligations under such Saudi Share Linked Warrants including the appointment of an "Authorised Person" as Hedging Entity which may register the relevant Shares in its name. Any such Hedge Positions would be subject to the terms and conditions of the CMA Resolution. In order to ensure compliance with the CMA Resolution, the relevant "Authorised Person" must enter into a swap agreement in a form consistent with the terms of the CMA Resolution with a term not exceeding four years and each purchaser of Saudi Share Linked Warrants will be required to make the additional disclosures and the authorisations, representations, confirmations and undertakings in the "Form of the Investor Representation Letter in respect of Saudi Share Linked Warrants" (substantially in the form set out in Schedule 25 to the English Law Agency Agreement) to MLICo., the Guarantor and the party specified as the "Authorised Person" including (amongst others):

- (i) representing that the purchaser is a "non-resident foreign investor" for the purposes of the CMA Resolution and is the ultimate beneficial owner of such Warrants;
- (ii) authorising the relevant "Authorised Person" to disclose such purchaser's name, country of origin (being its nationality or country of incorporation (as applicable)), details of Warrant holdings (including the quantity of Shares linked to such Warrants) and any other information requested by the Capital Market Authority to the Capital Market Authority; and
- (iii) acknowledging that the Calculation Agent under the Saudi Share Linked Warrants may in its sole and absolute discretion adjust the terms and conditions of the Saudi Share Linked Warrants and/or cause the cancellation of the Saudi Share Linked Warrants (in each case, without the consent of Holders), as applicable, in order to ensure compliance with any limitations or other requirements that the Capital Market Authority may impose from time to time.

Any adjustment and/or early termination of Saudi Share Linked Warrants (as described in (iii) above) may result in the loss of some or all of a purchaser's investment.

The requirement for all purchasers to provide a letter in the "Form of the Investor Representation Letter in respect of Saudi Share Linked Warrants" may adversely affect the ability of an investor to transfer any Saudi Share Linked Warrant.

### **Risks relating to Secured W&C Instruments**

#### ***Holders of Secured W&C Instruments do not have recourse to the Guarantees***

The Secured W&C Instruments will be limited recourse obligations of MLICo. secured by a separate Collateral Pool for each Series and will not be obligations or responsibilities of, or guaranteed by, the Guarantor or any other person or entity. Therefore a Holder of Secured W&C Instruments will not be able to claim under the terms of the Guarantees against the Guarantor for any unpaid amounts and any such shortfall will not constitute an unsecured claim by such Holder of Secured W&C Instruments against the Guarantor.

#### ***Limitations of the Security Interest under each Deed of Charge***

The security granted by the Secured W&C Instruments Collateral Provider under each Deed of Charge is a security interest over (i) the Collateral Account in which the Collateral Assets are held (although investors should note the remaining provisions of this section relating to Collateral Assets held through a clearing system) and does not extend to any interest or distributions paid on such Collateral Assets (to the extent such amounts are not held in the relevant Collateral Account) and (ii) the Secured W&C Instruments Collateral Provider's rights under the Charged Documents, to the extent those rights relate to the relevant Series of Secured W&C Instruments.

No security interest will be granted by the Secured W&C Instruments Collateral Provider over any of its rights under any agreement under which it acquires any Collateral Assets (including, without limitation, any hedging agreements). This means that the Security Agent will not have the ability to compel the Secured W&C Instruments Collateral Provider to enforce its rights (or to enforce such rights on behalf of the Secured W&C Instruments Collateral Provider) under any agreement against a counterparty to such agreement.

The Collateral Assets will be secured in favour of the Secured Parties pursuant to a fixed charge which is intended to create a security interest in the Collateral Assets in favour of the Secured Parties to secure MLICo.'s obligations in respect of the relevant Series of Secured W&C Instruments. However, where the Collateral Assets are held through a clearing system (either directly or through a sub-custodian), the interests which the Collateral Agent will hold and which are traded in the clearing system are not the physical Collateral Assets themselves but a series of contractual rights against such clearing system. These rights consist of (a) the Collateral Agent's rights as a participant against the clearing system, (b) the rights of the clearing system against the common depository and (c) the rights of the common depository against the Secured W&C Instruments Collateral Provider of the Collateral Assets. As a result, where the Collateral Assets are held in a clearing system, the security in respect of a Series of Secured W&C Instruments may take the form of an assignment of the Secured W&C Instruments Collateral Provider's rights against the Collateral Agent under the relevant Triparty Account Control Agreement rather than a charge over the Collateral Assets themselves.

***A failure to register the security created under a Deed of Charge could mean that it is void against a liquidator, administrator or creditor of the Secured W&C Instruments Collateral Provider***

In accordance with section 859A of the Companies Act 2006, relevant particulars of the Deed of Charge (together with a certified copy of the relevant instrument) must be delivered to the Registrar of Companies for registration within 21 days beginning with the date after the day on which the relevant security is created, failing which the security will be void against a liquidator, administrator and any creditor of the Secured W&C Instruments Collateral Provider, except where the Deed of Charge constitutes a "financial collateral arrangement" under the Financial Collateral Arrangements (No. 2) Regulations 2003 (the "**Financial Collateral Regulations**"), in which case the registration requirement is disapplied pursuant to the Financial Collateral Regulations. Uncertainty in respect of the meaning of key terms in the Financial Collateral Regulations including "possession" and "control" means that there is a legal risk that a court would not characterise the security granted under the Deed of Charge as a financial collateral arrangement. If the Deed of Charge were not to be registered in accordance with section 859A of the Companies Act and did not constitute a financial collateral arrangement under the Financial Collateral Regulations, investors would be exposed to the potentially severe consequences of a failure to register.

***Holders are exposed to the operational risks related to the collateral arrangements and the structure of the Collateral Accounts***

The Collateral Agent may, to the extent permitted in accordance with the terms of the Custodian Agreement and the relevant Triparty Account Control Agreement entered into with the Secured W&C Instruments Collateral Provider, hold certain cash and/or securities sub-accounts with other custodial entities ("sub-custodians"). Collateral Assets which, pursuant to the terms of the Secured W&C Instruments Conditions, the Custodian Agreement and the relevant Triparty Account Control Agreement, are to be held with the Collateral Agent in a Collateral Account may therefore in practice be held by the Collateral Agent in sub-accounts with sub-custodians. Where the Collateral Assets are held by a sub-custodian on behalf of the Collateral Agent, they will be held pursuant to separate agreements which may vary in relation to any particular sub-custodian and which may not be governed by English law. Security interests in respect of the Collateral Assets also may be created pursuant to separate agreements which may not be governed by English law. A sub-custodian, securities depository or clearing system may have a lien or rights of set-off with respect to the Collateral Assets held with them in relation to any of their fees and/or expenses. If such fees and/or expenses are not paid, such sub-custodian, securities depository or clearing system may exercise such lien or rights of set-off and this may adversely affect the amounts that are available for distribution to Holders.

The Collateral Agent shall exercise reasonable care in selecting and continuing to use a sub-custodian in each relevant country in light of customary or established rules, practices and procedures then prevailing in each such country, but shall otherwise have no responsibility with respect to the

performance by such sub-custodian (other than a sub-custodian that is an affiliate of the Collateral Agent) of its duties or in the event of its insolvency or dissolution. Accordingly, a Holder of Secured W&C Instruments will be exposed to, amongst other things, the risk of any potential operational disruption or any other adverse impact related to the Collateral Agent and any sub-custodian (including disruption caused by any insolvency proceedings which may be commenced in respect of the Collateral Agent and/or any such sub-custodians).

Neither MLICo. nor any Holder shall be entitled to enforce a Triparty Account Control Agreement or the Custodian Agreement or to proceed directly against the Collateral Agent or the Custodian to enforce the terms of the relevant Triparty Account Control Agreement or the Custodian Agreement, as applicable. Neither the Collateral Agent nor the Custodian has any liability to MLICo. or any Holder as to the consequence of any actions taken by the Collateral Agent or Custodian, as applicable.

***There is no guarantee that the Collateral Assets will be sufficient to pay all amounts due to Holders***

The security provided for a Series of Secured W&C Instruments is limited to the Collateral Assets constituting the Collateral Pool applicable to such Series. The amount of Collateral Assets constituting such Collateral Pool will depend on, amongst other things, in respect of the Secured W&C Instruments issued (a) under the Additional Terms and Conditions for Secured Static/Floating W&C Instruments set out in Annex 13 of the Offering Circular ("**Secured Static/Floating W&C Instruments Conditions**"), the MTM Collateral Specified Percentage and the Static Collateral Specified Percentage specified in the applicable Final Terms and (b) under the Additional Terms and Conditions for Secured Fully Floating W&C Instruments set out in Annex 14 to the Offering Circular ("**Secured Fully Floating W&C Instruments Conditions**"), the Collateralisation Percentage specified in the applicable Final Terms and/or whether or not "Collateral Valuation at Nominal Value" is specified to be applicable in the applicable Final Terms. There is no guarantee that the Collateral Assets will be sufficient to ensure that, following enforcement of a Deed of Charge, the amounts available for distribution or the value of the Collateral Assets available to be delivered by the Security Agent will be sufficient to pay all amounts due to a Holder of Secured W&C Instruments in respect of the relevant Series of Secured W&C Instruments (see "*Shortfall on Realisation of Collateral Assets and Limited Recourse of Holders of Secured W&C Instruments*"). In addition the claim of a Holder of Secured W&C Instruments may differ from the value of the Collateral Assets due to the application and distribution of proceeds on enforcement in accordance with the Order of Priority specified in the applicable Final Terms or if Collateral Assets are liquidated and realised by the Security Agent or the Disposal Agent on its behalf rather than being physically delivered due to a Physical Delivery of Collateral Assets Disruption Event (see Secured Static/Floating W&C Instruments Conditions 6.7 and 6.10 and Secured Fully Floating W&C Instruments Conditions 6.6 and 6.9).

***A lack of diversification of Collateral Assets in a Collateral Pool may impact the value of the Collateral Assets***

If the Secured Static/Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, the Collateral Assets in the Collateral Pool on which such Series of Secured W&C Instruments are secured in respect of (a) the MTM Collateral Assets, may be limited to one or a few assets or types of assets depending on the relevant Eligibility Criteria, and (b) the Static Collateral Assets, will be limited to one type of asset.

If the Secured Fully Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, the Collateral Assets in the Collateral Pool on which the Series of Secured W&C Instruments are secured may be limited to one or a few assets or types of assets depending on the relevant Eligibility Criteria.

Low diversification of Collateral Assets in a Collateral Pool may increase the risk that the value of Collateral Assets deliverable on early settlement (if physical settlement is applicable) and that the proceeds of realisation of the Collateral Assets may be less than the sums due to the relevant Holder of Secured W&C Instruments under the relevant Secured W&C Instruments. If the Collateral Pool is comprised of a limited number of different types of assets, any depreciation in the value of such assets and the realisation or delivery, as the case may be, of the Collateral Assets in the corresponding Collateral Pool will have a proportionally larger impact on any shortfall as the amount recovered in respect of the Collateral Assets on their sale will be dependent on the then current market value of a smaller range of Collateral Assets.

None of MLICo., the Secured W&C Instruments Collateral Provider, the Security Agent or the Collateral Agent is under any obligation to ensure that any relevant Eligibility Criteria provide for the diversification of Collateral Assets in a Collateral Pool.

***Collateral Assets may be illiquid***

Depending on the relevant Eligibility Criteria, certain of the Collateral Assets may not be admitted to trading on any public market and may be illiquid and not easily realisable in certain market circumstances. Where there is limited liquidity in the secondary market relating to Collateral Assets, in the event of enforcement the Security Agent, or the Disposal Agent on its behalf, may not be able to readily sell such Collateral Assets to a third party or may only be able to sell such Collateral Assets at a discounted value.

***Potential correlation between the value of the Collateral Assets and the creditworthiness of certain entities***

Depending on the Eligibility Criteria applicable to a Series of Secured W&C Instruments, the Collateral Assets relating to such Series could be composed of assets whose value may be positively correlated with the creditworthiness of MLICo. and the Secured W&C Instruments Collateral Provider in that adverse economic factors which apply to one may apply to the others, or the default or decline in the creditworthiness of one may itself adversely affect the others.

Where the value of the Collateral Assets is positively correlated with the creditworthiness of MLICo. and the Secured W&C Instruments Collateral Provider, for example where the Collateral Assets consist of securities (such as debt or equities) issued by other financial institutions, a default by MLICo. in relation to its obligations under the Secured W&C Instruments may be associated with a fall in the value of Collateral Assets securing such Secured W&C Instruments.

***Difference between the calculation of Marked-to-Market Option Value and Secured W&C Instrument Market Value and calculation of a Secured W&C Instrument's value for other purposes***

The Marked-to-Market Option Value is the market value of the Option in respect of the Secured W&C Instruments to which the Secured Static/Floating W&C Instruments Conditions apply, as determined by the Secured W&C Instruments Valuation Agent by reference to such factors as the Secured W&C Instruments Valuation Agent considers to be appropriate in its discretion, including without limitation:

- (a) spot and forward market prices or values for the underlying asset(s) of the Option and other relevant economic variables (including, without limitation, interest rates and, if applicable, exchange rates) at the relevant time;
- (b) the correlation between the market prices or value of the underlying asset(s) of the Option and other relevant economic variables at the relevant time;
- (c) historic and implied volatility of the market prices or value of the underlying asset(s) of the Option;
- (d) the remaining time until expiry of the Option;
- (e) internal pricing models; and
- (f) prices at which other market participants might bid for options similar to the Option.

The Option hedges that part of MLICo.'s payment obligations under the Secured W&C Instruments that does not relate to the nominal amount of such Secured W&C Instruments. However, there may be a difference between the sum of the Marked-to-Market Option Value plus the nominal amount of the Secured W&C Instruments and the value of the Secured W&C Instrument as determined for other purposes, including, without limitation, any determination as to its Cash Settlement Amount.

The Secured W&C Instrument Market Value is the market value of the relevant Secured W&C Instrument to which the Secured Fully Floating W&C Instruments Conditions apply, which will take into account MLICo.'s creditworthiness and will be determined by the Secured W&C Instruments

Valuation Agent by reference to such factors as the Secured W&C Instruments Valuation Agent considers to be appropriate including, without limitation:

- (a) market prices or values for any underlying asset(s) to which the Secured W&C Instruments are linked and other relevant economic variables (such as interest rates and, if applicable, exchange rates) at the relevant time;
- (b) the remaining term of the Secured W&C Instruments until their scheduled exercise and final settlement;
- (c) internal pricing models; and
- (d) prices at which other market participants might bid for securities similar to the Secured W&C Instruments.

There may be a difference between the Secured W&C Instrument Market Value and the value of the Secured W&C Instrument as determined for other purposes, including, without limitation, any determination as to its Cash Settlement Amount.

***The value of the Collateral Assets in a Collateral Pool may decline prior to any adjustment***

If the Secured Static/Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, on each Collateral Test Date, the Collateral Agent shall verify whether (a) the Pool Aggregate Nominal Amount is greater than or equal to the Static Collateral Specified Percentage of the Required Static Collateral Nominal Amount for a Collateral Pool (the "**Static Collateral Test**") and (b) the Collateral Value is greater than or equal to the MTM Collateral Specified Percentage of the Required Collateral Value for a Collateral Pool (the "**MTM Collateral Test**").

If the Secured Fully Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, on each Collateral Test Date, the Collateral Agent shall verify whether the Collateral Value is greater than or equal to the Required Collateral Value for a Collateral Pool (the "**Collateral Test**").

Where it is not possible to provide such verification or the Static Collateral Test, the MTM Collateral Test or the Collateral Tests, as applicable, are not met, the Secured W&C Instruments Collateral Provider may be required to deliver, or procure the delivery of, additional or replacement Collateral Assets to the Collateral Account such that after such adjustment of Collateral Assets, the Static Collateral Test, the MTM Collateral Test or the Collateral Test, as applicable, will be satisfied. Prior to such adjustment, the Holders of Secured W&C Instruments will be exposed to a decline in the Pool Aggregate Nominal Amount or the Collateral Value, as applicable, and there is also a risk that the Collateral Assets may not meet the relevant Eligibility Criteria.

***Substitution of Collateral Assets may affect the value of the Collateral Assets in a Collateral Pool***

If the Secured Static/Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, the Secured W&C Instruments Collateral Provider may withdraw and/or replace MTM Collateral Assets from any Collateral Account provided that following such adjustment the applicable MTM Collateral Test continues to be satisfied. Neither the Issuer nor the Secured W&C Instruments Collateral Provider are entitled to withdraw and/or replace Static Collateral Assets, provided that the Secured W&C Instruments Collateral Provider may withdraw from the relevant Collateral Account an aggregate nominal amount of Static Collateral Assets equal to the sum of the Notional Amount of each Non-Waived W&C Instrument that is converted into a Waived W&C Instrument if, following such adjustment, the Collateral Test continues to be satisfied.

If the Secured Fully Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, the Secured W&C Instruments Collateral Provider may withdraw and/or replace Collateral Assets from any Collateral Account provided that following such adjustment the applicable Collateral Test continues to be satisfied.

The Secured W&C Instruments Collateral Provider may give instructions for the substitution of MTM Collateral Assets or Collateral Assets, as applicable, any number of times over the term of the Secured W&C Instruments and is not required to obtain the consent of any other party prior to effecting the

proposed substitution of MTM Collateral Assets or Collateral Assets, as applicable. Until any further adjustments to the MTM Collateral Assets or Collateral Assets, as applicable, have occurred, the value of the MTM Collateral Assets or Collateral Assets held in a Collateral Account securing a Series of Secured W&C Instruments may be less than it would have been were it not for the substitution of the MTM Collateral Assets or Collateral Assets, as applicable. Also, in spite of the contractual restrictions on the Secured W&C Instruments Collateral Provider's ability to withdraw and/or replace MTM Collateral Assets, Static Collateral Assets and Collateral Assets, there are no practical restrictions on the Secured W&C Instruments Collateral Provider's ability to withdraw assets from the scope of the security.

***MLICo. may cancel and early settle the Secured W&C Instruments upon a Collateral Disruption Event***

Secured W&C Instruments will be subject to Collateral Disruption Events, including, but not limited to: (a) the Secured W&C Instruments Collateral Provider being unable to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) or futures or option contracts it deems necessary to obtain Collateral Assets, or (ii) freely realise, recover, remit, receive, repatriate or transfer the proceeds of any such transaction(s) or asset(s) or futures or option contract(s) or any relevant hedge positions relating to the Collateral Assets; (b) the Secured W&C Instruments Collateral Provider incurring a material increase in certain costs related to (a) and (b); or (c) the Issuer is unable to find a substitute or replacement Collateral Arrangement Party or Security Agent. This may increase the possibility (in comparison with W&C Instruments which are not secured) of the Secured W&C Instruments being cancelled and settled early. Upon the occurrence of a Collateral Disruption Event, MLICo. may, in its sole and absolute discretion, cancel and settle all of the relevant Secured W&C Instruments (a) in respect of Secured W&C Instruments to which the Secured Static/Floating W&C Instruments Conditions apply, at their Early Settlement Amount (CDE) and, where Physical Delivery of Static Collateral Assets is specified to apply in the applicable Final Terms, deliver the Entitlement (CDE); or (b) in respect of Secured W&C Instruments to which the Secured Fully Floating W&C Instruments Conditions apply, at their Early Settlement Amount.

Further, following the cancellation and early settlement of the Secured W&C Instruments, a Holder of Secured W&C Instruments may not be able to reinvest the settlement proceeds at an equivalent rate of return to the Secured W&C Instruments being settled and may only be able to do so at a significantly lower rate or in worse investment conditions. Potential investors should consider reinvestment risk in light of other available investments at the time they contemplate investing in Secured W&C Instruments.

***The Secured W&C Instruments will be automatically cancelled and settled early upon a Collateral Trigger Event***

Under the Secured Static/Floating W&C Instruments Conditions, if "Collateral Trigger Event" is specified to be applicable in the applicable Final Terms, the relevant Secured W&C Instruments will be subject to early cancellation following the occurrence of a Collateral Trigger Event. The Secured W&C Instruments Valuation Agent shall determine that a Collateral Trigger Event has occurred if, at any time during business hours on a London business day during the relevant observation period, the value of a Secured W&C Instrument of the relevant series is (a) if "less than the Collateral Trigger Level" is specified in the applicable Final Terms, less than the Collateral Trigger Level or (b) if "less than or equal to the Collateral Trigger Level" is specified in the applicable Final Terms, less than or equal to the Collateral Trigger Level. The Collateral Trigger Level will be specified in the applicable Final Terms. Upon the occurrence of a Collateral Trigger Event, MLICo. will cancel and settle all of the relevant Secured W&C Instruments at their Early Settlement Amount (CTE) and, where "Physical Delivery of Static Collateral Assets" is specified to apply in the applicable Final Terms, deliver the Entitlement (CTE).

The value of the relevant Secured W&C Instrument will be determined by the Secured W&C Instruments Valuation Agent as an amount equal to the sum of (x) the intra-day market value of the portion of the option that relates to such Secured W&C Instrument and (y) the intra-day market value of the relevant Static Collateral Assets that relate to such Secured W&C Instrument, by reference to such factors as the Secured W&C Instruments Valuation Agent considers appropriate in its discretion. As MLICo. and the Secured W&C Instruments Valuation Agent are affiliates, a potential conflict of interest may arise between the Secured W&C Instruments Valuation Agent and the Holders of Secured

W&C Instruments in respect of these determinations. See "Potential Conflicts of Interest between Holders of Secured W&C Instruments, the Secured W&C Instruments Collateral Provider and the Secured W&C Instruments Valuation Agent" below.

If a Collateral Trigger Event has occurred the value of all or some of the Collateral Assets forming the Collateral Pool will have lost a substantial proportion of their value. Therefore on early cancellation of the Instruments as a result of such Collateral Trigger Event, the Early Settlement Amount (CTE) payable or Entitlement (CTE) deliverable may be significantly less than the investor's initial investment.

In addition, if a Collateral Trigger Event is specified to be applicable in the applicable Final Terms, it may increase the possibility (in comparison with W&C Instruments which are not secured) of the Secured W&C Instruments being cancelled and settled early. Following such cancellation and early settlement, a Holder of Secured W&C Instruments may not be able to reinvest the settlement proceeds at an equivalent rate of return to the Secured W&C Instruments being settled and may only be able to do so at a significantly lower rate or in worse investment conditions. Potential investors should consider reinvestment risk in light of other available investments at the time they contemplate investing in Secured W&C Instruments.

***Investors are exposed to the credit risk of the issuer of the Static Collateral Assets***

In respect of Secured W&C Instruments to which the Secured Static/Floating W&C Instruments Conditions apply, the value of the Secured W&C Instruments is expected to be affected by the creditworthiness of the issuer of the Static Collateral Assets and actual or anticipated changes in the credit ratings of the issuer of the Static Collateral Assets.

In respect of Secured W&C Instruments to which the Secured Static/Floating W&C Instruments Conditions apply, Collateral Disruption Events also include certain events which are indicative of a default or material decline in the creditworthiness of the issuer of the Static Collateral Assets. In such circumstances, upon any cancellation and early settlement of Secured W&C Instruments by MLICo., it is likely that the market value of the Static Collateral Assets will be low and may be zero, thereby having a material adverse impact on the returns to investors. Therefore such Secured W&C Instruments explicitly bear the credit risk of the issuer of the Static Collateral Assets and any guarantor of such issuer's obligations under the Static Collateral Assets.

The market value of a Secured W&C Instrument may be affected negatively when the probability of, or the market's perception of the probability of, a Collateral Disruption Event occurring in respect of the issuer of the Static Collateral Assets increases, even if a Collateral Disruption Event does not actually occur.

No investigations, searches or other enquiries have been made by or on behalf of the Issuer, the Secured W&C Instruments Collateral Provider or the Security Agent in respect of the Static Collateral Assets or the issuer or any guarantor of the Static Collateral Assets. No representations or warranties, express or implied, have been given by the Issuer, the Secured W&C Instruments Collateral Provider or the Security Agent or any other person on their behalf in respect of the Static Collateral Assets or the issuer or any guarantor in respect of the Static Collateral Assets. Investors should conduct their own investigation and analysis with respect to the creditworthiness of the issuer and any guarantor of the Static Collateral Assets.

The issuer or any guarantor of the Static Collateral Assets may be a publicly reporting company and financial and other information with respect to the issuer or any guarantor may be available from publicly available sources. Publicly available information in relation to the issuer or any guarantor of the Static Collateral Assets may be incomplete, inaccurate or misleading. The Issuer, the Secured W&C Instruments Collateral Provider and the Security Agent give no assurance as to the accuracy or completeness of any information available with respect to the issuer or any guarantor of the Static Collateral Assets or that all events that would affect the creditworthiness of the issuer or any guarantor of the Static Collateral Assets have been publicly disclosed. Subsequent disclosure of any such events or the disclosure of, or failure to disclose, material future events concerning the issuer or any guarantor of the Static Collateral Assets could affect its creditworthiness and therefore the market value of the Secured W&C Instruments, the likelihood of a Collateral Disruption Event occurring and the resulting

Early Settlement Amount (CDE) or, if "Physical Delivery of Static Collateral Assets" is specified to be applicable in the applicable Final Terms, the value of the Static Collateral Assets delivered to Holders.

***Risks related to an Acceleration Event and enforcement of the security following a Secured W&C Instrument Event of Default***

If a Secured W&C Instrument Event of Default has occurred and is continuing with respect to any Series of Secured W&C Instruments, then any Holder may, at its option, send an Acceleration Notice to MLICo. and the relevant Instrument Agent. If Holders of at least 33 per cent. of the aggregate Notional Amount or by number (as applicable) of Non-Waived W&C Instruments (which, unless notified in writing by the Issuer and or its Affiliates to the Secured W&C Instruments Collateral Provider, shall not include any Secured W&C Instruments held by the Issuer or its Affiliates) and if any such default is not waived or cured by the Issuer in accordance with the relevant Secured W&C Instruments Conditions, an Acceleration Event shall occur in respect of such Series of Secured W&C Instruments.

The relevant Instrument Agent will as soon as reasonably practicable after the occurrence of an Acceleration Event notify the Security Agent of the occurrence of such Acceleration Event and such notification shall be deemed to be an instruction to the Security Agent to, among other things, enforce the security constituted by the relevant Deed of Charge (an "**Acceleration Instruction**"). If the Security Agent receives an Acceleration Instruction, the Security Agent shall (acting in accordance with such Acceleration Instruction), among other things, deliver a Collateral Enforcement Notice to MLICo., the Secured W&C Instruments Collateral Provider and the relevant Instrument Agent upon which all Secured W&C Instruments in respect of which such Collateral Enforcement Notice is served will become immediately due and repayable at their applicable Early Settlement Amount.

No Holder shall be entitled to enforce the relevant Deed of Charge or to proceed directly against the Secured W&C Instruments Collateral Provider to enforce the other provisions of a Charged Document unless the Security Agent, having become bound to so enforce or proceed, fails so to do within a reasonable time and such failure is continuing or the Security Agent is prevented from enforcing the relevant Deed of Charge by any court order. If a Holder becomes so entitled, then such Holder shall not be entitled to enforce the relevant Deed of Charge or Charged Document in the United Kingdom.

Where the Collateral Assets consist of debt securities, shares or other tradable securities, liquidation of all the Collateral Assets simultaneously may increase the risk that the proceeds of realisation of the Collateral Assets may be less than the sums due to the relevant Holder of Secured W&C Instruments under the relevant Secured W&C Instruments because liquidation of all the Collateral Assets in the Collateral Pool at the same time could, in particular market circumstances, lead to a reduction in the market value of some or all of the Collateral Assets.

In addition, following the realisation of the Collateral Assets, an investor may not be able to reinvest any settlement proceeds or, where applicable, any Collateral Assets that it receives at an equivalent rate of return to the Secured W&C Instruments that have become immediately due and payable following the occurrence of an Acceleration Event and may only be able to do so at a significantly lower rate or in worse investment conditions. Potential investors should consider reinvestment risk in light of other available investments at the time they contemplate investing in Secured W&C Instruments.

***Limitations on the entitlement of a Holder of Secured W&C Instruments on enforcement and subordination to payment of expenses and other payments***

If the Secured Static/Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, following the enforcement of the relevant Deed of Charge, the rights of a Holder of Secured W&C Instruments to be paid amounts from the proceeds of such enforcement and the realisation of the related Collateral Assets will be limited to the applicable Early Settlement Amount and, where Physical Delivery of Static Collateral Assets is applicable, the delivery of the Entitlement.

If the Secured Fully Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, and, following the enforcement of the relevant Deed of Charge, each Secured W&C Instrument's share of the proceeds of enforcement (following payment of the Secured Parties ranking above the Holders in the Order of Priority) is greater than the Early Settlement Amount, then the rights of a Holder of Secured W&C Instruments to be paid amounts from the proceeds of such enforcement

and the realisation of the related Collateral Assets (or, where "Physical Delivery of Static Collateral Assets" is applicable, the market value of Collateral Assets that a Holder is entitled to receive delivery of) will be limited to: (a) where "NV Collateralisation" or "Max (NV, MV) Collateralisation" is specified to be applicable in the applicable Final Terms, the greater of: (i) the product of (A) the Collateralisation Percentage, multiplied by (B) the Notional Amount of the Non-Waived W&C Instruments; and (ii) the Early Settlement Amount; and (b) where "MV Collateralisation" or "Min (NV, MV) Collateralisation" is specified to be applicable in the applicable Final Terms, the applicable Early Settlement Amount.

Following the early settlement of the Secured W&C Instruments, a Holder of Secured W&C Instruments may not be able to reinvest the settlement proceeds at an equivalent rate of return to the Secured W&C Instruments being settled and may only be able to do so at a significantly lower rate or in worse investment conditions. Potential investors should consider reinvestment risk in light of other available investments at the time they contemplate investing in Secured W&C Instruments.

A Holder's entitlement on enforcement and realisation of the related Collateral Assets will be subordinated to and therefore rank behind claims relating to any amounts payable to Secured Parties ranking prior to the Holder of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms and any rights of preference existing by operation of law.

***Shortfall on Realisation of Collateral Assets, Limited Recourse of a Holder of Secured W&C Instruments and inadequacy of collateral***

The security provided for a Series of Secured W&C Instruments is limited to the Collateral Assets constituting the Collateral Pool applicable to such Series together with the Secured W&C Instruments Collateral Provider's right, benefit, interest and title, present and future, in, under and to the Charged Documents (to the extent they relate to such Series). The value realised for the Collateral Assets in the relevant Collateral Pool or, where (a) in the event that the Secured Static/Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, "Physical Delivery of Static Collateral" is applicable, and (b) in the event that the Secured Fully Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, Physical Delivery of Collateral Assets on Enforcement is applicable, the value of the Collateral Assets delivered, upon enforcement of the relevant Deed of Charge may be less than the amounts due to a Holder of Secured W&C Instruments in respect of the relevant Series of Secured W&C Instruments and as a result, investors may lose all or a substantial portion of their investment. The level of risk will particularly depend on the Eligibility Criteria and, if the Secured Fully Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments on the collateralisation method (either MV Collateralisation, NV Collateralisation, Max (MV, NV) Collateralisation or Min (MV, NV) Collateralisation) as specified in the applicable Final Terms).

The Collateral Assets may suffer a fall in value between the time at which the relevant Deed of Charge becomes enforceable and the time at which the Collateral Assets are realised in full or, where (a) in the event that the Secured Static/Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, Physical Delivery of Static Collateral Assets on Enforcement is applicable, and (b) in the event that the Secured Fully Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments, Physical Delivery of Collateral Assets on Enforcement is applicable, the Collateral Assets are delivered. In extraordinary circumstances, the Collateral Assets forming part of the Collateral Pool available at the time at which a Deed of Charge becomes enforceable could lose all or a substantial proportion of their value by the time of realisation and distribution or delivery, as applicable. Moreover, the security created in respect of the Secured W&C Instruments may be unperfected for a variety of reasons, including the failure to make required filings and, as a result, Holders may not have priority over other creditors as anticipated.

If there is any shortfall in amounts due to a Holder of Secured W&C Instruments in accordance with the Secured W&C Instruments Conditions then such Holder of Secured W&C Instruments shall have no further claim against MLICo., the Secured W&C Instruments Collateral Provider or the Security Agent in respect of such amounts which remain unpaid following enforcement of the relevant Deed of Charge (including, for the avoidance of doubt, payments of settlement amounts or additional amounts in respect of the Secured W&C Instruments). In such a scenario, as the Guarantees are not applicable to Secured W&C Instruments, a Holder of the Secured W&C Instruments will have no further claim against any entity in respect of any shortfall in amounts due to it.

***If physical delivery of Collateral Assets applies on enforcement and a Physical Delivery of Collateral Assets Disruption Event occurs or exists, there may be a delay in delivery of the Collateral Assets or the Collateral Assets may be sold in lieu of delivery***

If the Secured Static/Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments and Physical Delivery of Static Collateral Assets is specified to be applicable, upon enforcement of a Deed of Charge, the Security Agent will not sell, or cause to be sold, the Static Collateral Assets (unless there is a Physical Delivery of Collateral Assets Disruption Event or to the extent required in order to pay any amounts payable to Secured Parties ranking prior to the Holders in accordance with the Order of Priority specified in the applicable Final Terms that have not been met by the sale of MTM Collateral Assets) but will procure delivery of the Static Collateral Assets to each Holder of Secured W&C Instruments in the manner set out in the Secured Static/Floating W&C Instruments Conditions.

If the Secured Fully Floating W&C Instruments Conditions apply to a Series of Secured W&C Instruments and Physical Delivery of Collateral Assets is specified in respect of a Series of Secured W&C Instruments, upon enforcement of a Deed of Charge, the Security Agent will not sell, or cause to be sold, the Collateral Assets (unless there is a Physical Delivery of Collateral Assets Disruption Event or to the extent required in order to pay any amounts payable to Secured Parties ranking prior to the Holders of Secured W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms) but will procure delivery of the Collateral Assets to each Holder of Secured W&C Instruments in the manner set out in the Secured Fully Floating W&C Instruments Conditions.

If, in the opinion of the Disposal Agent, delivery of all or some of the Static Collateral Assets or Collateral Assets, as applicable, forming part of the Entitlement is not practicable by reason of a Physical Delivery of Collateral Assets Disruption Event having occurred or continuing on any Collateral Delivery Date, then settlement will be postponed until the next Collateral Business Day on which there is no Physical Delivery of Collateral Assets Disruption Event. If delivery of any of the Static Collateral Assets or Collateral Assets, as applicable, forming part of the Entitlement is not possible due to the occurrence of a Physical Delivery of Collateral Assets Disruption Event for a period of greater than 20 Collateral Business Days, the Disposal Agent will sell or realise the undeliverable Static Collateral Assets or Collateral Assets, as applicable, in lieu of physical settlement. The amount received by a Holder of Secured W&C Instruments following such sale of Static Collateral Assets or Collateral Assets, as applicable may be lower than the amount which a Holder of Secured W&C Instruments would have received if the relevant Static Collateral Assets or Collateral Assets, as applicable, had been delivered to it and the Holder of Secured W&C Instruments held the relevant Static Collateral Assets or Collateral Assets, as applicable, to the maturity date of such assets or sold such assets at a different point in time.

***Risk of a delay in the realisation of the Collateral Assets in the event of the insolvency of the Security Agent or any Collateral Arrangement Party***

The insolvency of MLICo. will constitute a Secured W&C Instrument Event of Default, which may trigger early settlement of any Secured W&C Instruments issued by MLICo. In these circumstances, or in the event of the insolvency of the Security Agent or any Collateral Arrangement Party, the realisation of the Collateral Assets may be delayed either by the appointment of an insolvency administrator or other insolvency official in relation to the relevant party or by measures ordered by a competent court.

In addition, in the case of an insolvency of a member of the Group, it is possible that MLICo., the Secured W&C Instruments Collateral Provider and the Secured W&C Instruments Agent that are members of the Group may also each be insolvent. Such circumstances may lead to a delay in the administrative processes involved in the realisation of the Collateral Assets. However, as the entities responsible for the enforcement of the Deed of Charge and the realisation of the Collateral Assets, namely the Custodian, the Collateral Agent, the Security Agent and the Disposal Agent are not part of the Group, the impact of any insolvency of a member of the Group on such enforcement and realisation should be less material than it would have been if the Custodian, the Collateral Agent, the Security Agent and/or the Disposal Agent were part of the Group.

The initial Custodian, the initial Collateral Agent, and the initial Security Agent are affiliates of one another and it is possible that the Disposal Agent will also be an affiliate, and in the event of the

insolvency of one such entity it is possible that another of those entities may also be insolvent. Such circumstances may lead to a delay in the realisation of the Collateral Assets. The Custodian Agreement, Triparty Account Control Agreement, and the Security Agency Agreement will contain provisions permitting the replacement of the Custodian, Collateral Agent, and Security Agent, as applicable, in certain circumstances, including following insolvency, as further provided in such agreements and the Secured W&C Instrument.

If there is a delay in the realisation of the Collateral Assets due to the insolvency of any of these entities, such Collateral Assets could depreciate in value resulting in a shortfall in the amounts returned to Holders of Secured W&C Instruments.

***Potential Conflicts of Interest between Holders of Secured W&C Instruments, the Secured W&C Instruments Collateral Provider and the Secured W&C Instruments Valuation Agent***

As the Secured W&C Instruments Collateral Provider and the Secured W&C Instruments Valuation Agent are the same legal entity and are affiliates of MLICo., potential conflicts of interest may arise between the Secured W&C Instruments Collateral Provider, the Secured W&C Instruments Valuation Agent and the Holders of Secured W&C Instruments, including with respect to the making of certain determinations and the exercise of certain discretions (including as to the calculation of and determinations relating to (a) the Marked-to-Market Option Value, (b) in respect of Secured W&C Instruments to which the Secured Static/Floating W&C Instruments Conditions apply: (i) the MTM Collateral Specified Percentage of the Required MTM Collateral Value; (ii) the Static Collateral Specified Percentage of the Required Static Collateral Nominal Amount; and (iii) (if applicable) a Collateral Trigger Event, and (c) in respect of Secured W&C Instruments to which the Secured Fully Floating W&C Instruments Conditions apply: (i) the Secured W&C Instrument Market Value; and (ii) the Required Collateral Value). In addition, whilst the Secured W&C Instruments Collateral Provider and the Secured W&C Instruments Valuation Agent are obliged to carry out their duties and functions in good faith and in a commercially reasonable manner, neither the Secured W&C Instruments Collateral Provider nor the Secured W&C Instruments Valuation Agent acts or will act as a fiduciary or as an advisor to the Holder of Secured W&C Instruments in respect of their duties as Secured W&C Instruments Collateral Provider and Secured W&C Instruments Valuation Agent, respectively.

***A failure by the Security Agent or the Disposal Agent to perform its obligations following an Acceleration Event may adversely affect the amount the Holders of the Secured W&C Instruments may recover***

Following a Secured W&C Instruments Event of Default and subsequent Acceleration Event, the Security Agent will (acting in accordance with an Acceleration Instruction) enforce the security under the relevant Deed of Charge upon the delivery of a Collateral Enforcement Notice and will give instructions to the Disposal Agent to: (a) liquidate and realise the Collateral Assets in the Collateral Pool which secures a Series of Secured W&C Instruments and subsequently distribute the relevant Collateral Enforcement Proceeds Share to the relevant Holders of Secured W&C Instruments or (b) where, in respect of Secured W&C Instruments to which the Secured Static/Floating W&C Instruments Conditions apply, Physical Delivery of Static Collateral Assets is specified as applicable in the applicable Final Terms or where, in respect of Secured W&C Instruments to which the Secured Fully Floating W&C Instruments Conditions apply, Physical Delivery of Collateral Assets is specified as applicable in the applicable Final Terms, arrange for delivery of the relevant Entitlement to the relevant Holder of Secured W&C Instruments, in each case in accordance with the Order of Priority.

A failure by the Security Agent or the Disposal Agent to perform its obligations with respect to the Collateral Assets or to perform its obligations in a timely or efficient manner may adversely affect the realisation of the Collateral Assets and the amount distributable or deliverable to Holders of Secured W&C Instruments. Accordingly, in the event of a Secured W&C Instruments Event of Default and subsequent Acceleration Event, the amount that Holders of the Secured W&C Instruments recover may be adversely affected.

***The Security Agent may be entitled not to act following an Acceleration Event if it believes that it will be unable to recover certain amounts or is not indemnified and/or secured or pre-funded by the Holders***

Following a Secured W&C Instruments Event of Default and subsequent Acceleration Event (as notified to the Security Agent upon receipt of an Acceleration Instruction), the Security Agent shall be under no obligation to take any action to liquidate or realise any Collateral Assets, if (a) in the event that it is directed by the requisite percentage of Holders of the Secured W&C Instruments to effect such liquidation or realisation in accordance with the exact provisions of an Acceleration Instruction (the form of which is scheduled to the Agency Agreement) it reasonably believes that it would not be able to recover Security Agent Amounts (being amounts incurred by it in respect of exceptional duties) or would experience an unreasonable delay in doing so; or (b) in the event that it is directed by a Secured Party to effect such liquidation or realisation other than in accordance with the exact provisions of an Acceleration Instruction (the form of which is scheduled to the Agency Agreement) it has not been indemnified and/or secured and/or prefunded to its satisfaction by the Holders of the Secured W&C Instruments.

In any such event, the Security Agent may decide not to take any action and such inaction will not constitute a breach by it of its obligations under the Security Agency Agreement, the Deed of Charge or the Secured W&C Instruments Conditions. Consequently, if applicable, the Holders of the Secured W&C Instruments would have to either arrange for such indemnity and/or security and/or pre-funding, accept the consequences of such inaction by the Security Agent or appoint a replacement Security Agent. Holders of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of Non-Waived W&C Instruments outstanding may remove the Security Agent and appoint a replacement Security Agent. Holders of the Secured W&C Instruments should be prepared to bear the costs associated with any such indemnity and/or security and/or pre-funding and/or the consequences of any such inaction by the Security Agent and/or the replacement of the Security Agent. Such inaction by the Security Agent will not entitle Holders of the Secured W&C Instruments to take action in the United Kingdom directly against the Secured W&C Instruments Collateral Provider to pursue remedies for any breach by the Secured W&C Instruments Collateral Provider of the Deed of Charge, the Secured W&C Instruments Conditions or Charged Documents. Any consequential delay in the liquidation or realisation of the Collateral Assets may adversely affect the amount distributable or deliverable to Holders of Secured W&C Instruments.

#### ***No Fiduciary duties***

In performing their duties under the Programme, none of the Secured W&C Instruments Collateral Provider, the Custodian, the Collateral Agent, the Secured W&C Instruments Valuation Agent or the Disposal Agent will act as a fiduciary or as an advisor to the Holders of W&C Instruments in respect of their respective duties and do not act as a trustee for the Holders of W&C Instruments. In performing its role under the Programme, the Security Agent does not act as an advisor to or fiduciary or trustee for the Holders of the Secured W&C Instruments (either as a Series or individually) or any other party and nothing in any of the documents relating to the Programme shall be interpreted to constitute the Security Agent as a trustee or fiduciary of the Issuer, the Secured W&C Instruments Collateral Provider, the Holders of the Secured W&C Instruments or any other party.

## DESCRIPTION OF THE COLLATERAL ARRANGEMENTS RELATING TO SECURED W&C INSTRUMENTS

*The following is a description of the security and collateral arrangements in relation to W&C Instruments (such W&C Instruments being hereinafter referred to as Secured W&C Instruments) to which the Secured W&C Instruments Conditions are specified as being applicable in the applicable Final Terms.*

*Terms used but not otherwise defined in this description shall have the meaning given to them in the relevant Secured W&C Instruments Conditions.*

### 1. General

Each Series of Secured W&C Instruments will be issued by MLICo. and will be secured by a segregated pool of collateral assets (the "**Collateral Assets**") provided by Merrill Lynch International in its capacity as Secured W&C Instruments Collateral Provider (the "**Secured W&C Instruments Collateral Provider**"). The Secured W&C Instruments Collateral Provider has entered into a custody agreement with The Bank of New York Mellon, London Branch (in such capacity, the "**Custodian**"), which provides for the establishment of cash accounts and securities accounts in the name of the Secured W&C Instruments Collateral Provider. For each Series of Secured W&C Instruments, the Secured W&C Instruments Collateral Provider shall instruct The Bank of New York Mellon, London Branch (in such capacity, the "**Collateral Agent**") to open segregated collateral accounts (each, a "**Collateral Account**") in accordance with the provisions of a triparty account control agreement to be entered into between the Secured W&C Instruments Collateral Provider, the Collateral Agent and the Security Agent (as defined below) (each, a "**Triparty Account Control Agreement**"). Each Series of Secured W&C Instruments will benefit from a deed of charge (each a "**Deed of Charge**"), which will be governed by the English law, granted by the Secured W&C Instruments Collateral Provider. Under each Deed of Charge, the Secured W&C Instruments Collateral Provider will grant first ranking security over the Collateral Assets contained in the Collateral Account for the relevant Series of Secured W&C Instruments. Secured W&C Instruments may be issued under the (a) Additional Terms and Conditions for Secured Static/Floating W&C Instruments set out in Annex 13 to the Offering Circular ("**Secured Static/Floating W&C Instruments Conditions**"), pursuant to which the Collateral Assets will be separated into MTM Collateral Assets and Static Collateral Assets and (b) Additional Terms and Conditions for Secured Fully Floating W&C Instruments set out in Annex 14 to the Offering Circular ("**Secured Fully Floating W&C Instruments Conditions**") and, together with the Secured Static/Floating W&C Instruments Conditions, the "**Secured W&C Instruments Conditions**").

### 2. Appointment of a Security Agent

In relation to each series of Secured W&C Instruments, The Bank of New Mellon has been appointed as security agent (the "**Security Agent**") and has undertaken to carry out the duties of Security Agent in respect of the Secured W&C Instruments under a New York law governed security agency agreement entered into between, *inter alia*, MLICo., the Secured W&C Instruments Collateral Provider and the Security Agent (the "**Security Agency Agreement**").

In relation to each Series of Secured W&C Instruments, the security granted under each Deed of Charge will be granted in favour of the Security Agent or any successor thereto on behalf of itself and the relevant Holders of the Secured W&C Instruments and the other relevant Secured Parties (as defined in the relevant Secured W&C Instruments Conditions) under the Security Agency Agreement.

In performing its role under the Programme, the Security Agent does not act as an advisor to or fiduciary or trustee for the Holders of the Secured W&C Instruments (either as a Series or individually) or any other party and nothing in any of the documents relating to the Programme shall be interpreted to constitute the Security Agent as a trustee or fiduciary of the Issuer, the Secured W&C Instruments Collateral Provider, the Holders of the Secured W&C Instruments or any other party.

3. **Nature of Collateral Assets**

The Collateral Assets held in a Collateral Account and secured pursuant to a Deed of Charge are together referred to as the "**Collateral Pool**".

(a) Secured Static/Floating W&C Instruments Conditions

In respect of Secured W&C Instruments to which the Secured Static/Floating W&C Instruments Conditions apply, a Collateral Pool shall be made up of Static Collateral Assets and MTM Collateral Assets. The Static Collateral Assets shall comprise of debt securities only and that have the ISIN specified in the applicable Final Terms and debt securities that satisfy all of the Eligibility Criteria (as defined below) applicable to a certain class or type of Eligible MTM Collateral Assets (as defined below) specified in the applicable Final Terms. Such Static Collateral Assets are referred to as "**Eligible Static Collateral Assets**". MTM Collateral Assets may comprise of:

- cash;
- debt securities (including, but not limited to, government bonds, corporate bonds, covered bonds and asset backed securities);
- equity securities, shares, units or interests in a fund; and/or
- any other negotiable financial instruments in book entry-form.

The MTM Collateral Assets must satisfy the eligibility criteria (the "**Eligibility Criteria**") specified in the applicable Final Terms relating to such Series of Secured W&C Instruments. MTM Collateral Assets satisfying the relevant Eligibility Criteria are referred to as "**Eligible MTM Collateral Assets**".

The Eligibility Criteria specified in the applicable Final Terms will set out the criteria which must be met for MTM Collateral Assets to constitute Eligible MTM Collateral Assets and may include limitations on the type of MTM Collateral Assets that may be held, the maturity of the MTM Collateral Assets, the liquidity of the MTM Collateral Assets, requirements regarding the jurisdiction of the issuer of the MTM Collateral Assets or its guarantor or the credit rating of the obligor of the MTM Collateral Assets and/or any other limitations, restrictions and/or requirements concerning the MTM Collateral Assets as may be specified in the applicable Final Terms.

Notwithstanding the Eligibility Criteria specified to be applicable in the applicable Final Terms in respect of a Series of Secured W&C Instruments, the Collateral Agent shall be obliged to refer only to the terms of the relevant Triparty Account Control Agreement in determining whether the MTM Collateral Assets comply with the eligibility criteria set out in the relevant Triparty Account Control Agreement.

(b) Secured Fully Floating W&C Instruments Conditions

In respect of Secured W&C Instruments to which the Secured Fully Floating W&C Instruments Conditions apply, a Collateral Pool shall be made up of Collateral Assets comprising of:

- cash;
- debt securities (including, but not limited to, government bonds, corporate bonds, covered bonds and asset backed securities);
- equity securities, shares, units or interests in a fund; and/or
- any other negotiable financial instruments in book entry-form.

The Collateral Assets must satisfy the eligibility criteria (the "**Eligibility Criteria**") specified in the applicable Final Terms relating to such Series of Secured W&C Instruments. Collateral

Assets satisfying the relevant Eligibility Criteria are referred to as "**Eligible Collateral Assets**".

The Eligibility Criteria specified in the applicable Final Terms will set out the criteria which must be met for Collateral Assets to constitute Eligible Collateral Assets and may include limitations on the type of Collateral Assets that may be held, the maturity of the Collateral Assets, the liquidity of the Collateral Assets, requirements regarding the jurisdiction of the issuer of the Collateral Assets or its guarantor or the credit rating of the obligor of the Collateral Assets and/or any other limitations, restrictions and/or requirements concerning the Collateral Assets as may be specified in the applicable Final Terms.

Notwithstanding the Eligibility Criteria specified to be applicable in the applicable Final Terms in respect of a Series of Secured W&C Instruments, the Collateral Agent shall be obliged to refer only to the terms of the relevant Triparty Account Control Agreement in determining whether the Collateral Assets comply with the eligibility criteria set out in the relevant Triparty Account Control Agreement.

4. **Segregation between Collateral Pools, Limited Recourse and Non-Petition**

By acquiring and holding Secured W&C Instruments, Holders of the Secured W&C Instruments will be deemed to acknowledge and agree that the obligations of the Issuer to the Holders of the Secured W&C Instruments are limited in recourse to the Collateral Assets contained in the relevant Collateral Pool securing such Series of Secured W&C Instruments. In particular, the Collateral Assets contained in any other Collateral Pool will not be available to pay amounts due in respect of any Secured W&C Instruments which are not secured by that Collateral Pool. The Secured W&C Instruments are not guaranteed by the Guarantor or any other entity and therefore Holders of the Secured W&C Instruments will have no claim against the Guarantor or any other entity in respect of any such amounts owing to them which remain unpaid.

5. **Valuation of Collateral**

In order to ensure that a Series of Secured W&C Instruments is collateralised in accordance with its terms, on each Issue Date and relevant Collateral Business Day (each such test date being a "**Collateral Test Date**"), the actual value of the Collateral Assets will be tested against the required value of the Collateral Assets to be held in the Collateral Accounts to secure the relevant Series of Secured W&C Instruments, as determined in accordance with the provisions of the applicable Secured W&C Instruments Conditions. Merrill Lynch International shall undertake the duties of Secured W&C Instruments valuation agent (the "**Secured W&C Instruments Valuation Agent**") under the terms of a valuation agency agreement (the "**Valuation Agent Agreement**"), pursuant to which it will determine values relating to the collateral and provide them to the Collateral Agent as described below:

(a) **Secured Static/Floating W&C Instruments Conditions**

On the Collateral Business Day immediately preceding the Collateral Test Date, the Secured W&C Instruments Valuation Agent will determine and will send to the Collateral Agent a Collateral Test Notice notifying it of the following: (a) in respect of the Static Collateral Assets, the Static Collateral Specified Percentage of the Required Static Collateral Nominal Amount; and (b) in respect of the MTM Collateral Assets, the MTM Collateral Specified Percentage of the Required MTM Collateral Value. On each Collateral Test Date, the Collateral Agent shall: (a) in respect of the Static Collateral Assets, determine the Pool Aggregate Collateral Nominal Amount and verify if such amount is greater than or equal to the Static Collateral Specified Percentage of the Required Static Collateral Nominal Amount (the "**Static Collateral Test**"); and (b) in respect of the MTM Collateral Assets, determine the Collateral Value of the MTM Collateral Assets in the Collateral Account and verify if such value is greater than or equal to the MTM Collateral Specified Percentage of the Required MTM Collateral Value (the "**MTM Collateral Test**").

(i) ***Static Collateral Assets***

(A) *Pool Aggregate Collateral Nominal Amount*

The Pool Aggregate Collateral Nominal Amount in respect of a Collateral Pool on a relevant date, is an amount, expressed in the currency specified in the applicable Final Terms (the "**Collateral Valuation Currency**"), equal to the aggregate nominal amount of the Static Collateral Assets held in the Collateral Account on the relevant date, as determined by the Collateral Agent.

(B) *Static Collateral Specified Percentage of the Required Static Collateral Nominal Amount*

The Static Collateral Specified Percentage of the Required Static Collateral Nominal Amount is the percentage, as specified in the applicable Final Terms, of, in respect of a Collateral Pool which secures a Series of Secured W&C Instruments and any relevant date, the sum of the Notional Amount of each Non-Waived W&C Instrument of such Series of Secured W&C Instruments, as determined by the Secured W&C Instruments Valuation Agent.

(ii) ***MTM Collateral Assets***

(A) *Collateral Value*

The Collateral Value is, in respect of a Collateral Pool and a Collateral Test Date, an amount, expressed in the Collateral Valuation Currency, equal to the sum of the Margin Value of each Eligible MTM Collateral Asset in such Collateral Pool on such Collateral Test Date, as determined by the Collateral Agent.

(B) *MTM Collateral Specified Percentage of the Required MTM Collateral Value*

The MTM Collateral Specified Percentage of the Required MTM Collateral Value is the percentage, as specified in the applicable Final Terms, of, in respect of a Collateral Pool and a Collateral Test Date, the greater of zero and the sum of each portion of the Marked-to-Market Option Value at the relevant time that relates to a Non-Waived W&C Instrument of the relevant Series of Secured W&C Instruments which are secured by such Collateral Pool, as determined by the Secured W&C Instruments Valuation Agent.

(b) **Secured Fully Floating W&C Instruments Conditions**

On the Secured W&C Instrument Valuation Date for each Collateral Test Date, the Secured W&C Instruments Valuation Agent will determine the Required Collateral Value and will send the Collateral Agent a Collateral Test Notice notifying it of such Required Collateral Value. On each Collateral Test Date, the Collateral Agent shall calculate the Collateral Value and verify if such value is greater than or equal to the Required Collateral Value (the "Collateral Test").

(i) ***Collateral Value***

Except if "Collateral Valuation at Nominal Value" is specified as applicable in the applicable Final Terms, the Collateral Value is an amount equal to the sum of the quotient of (a) the Market Value of each Eligible Collateral Asset, divided by (b) the Margin Percentage applicable to each Eligible Collateral Asset, as determined by the Collateral Agent.

If "Collateral Valuation at Nominal Value" is specified as applicable in the applicable Final Terms, the Collateral Value shall be deemed to be equal to the

total aggregate nominal value of the Collateral Assets constituting Eligible Collateral Assets, as determined by the Collateral Agent.

The Collateral Agent shall calculate the Collateral Value as of the relevant Collateral Valuation Time (as described below) in the Collateral Valuation Currency. Where the currency of denomination of a Collateral Asset is other than the Collateral Valuation Currency, the Collateral Agent shall convert the value of such Collateral Asset at the relevant spot exchange rate or spot rates in accordance with such method and as at such time as the Collateral Agent may select in its discretion, having regard to the then current rates of exchange.

(ii) ***Required Collateral Value***

The Required Collateral Value will be calculated by the Secured W&C Instruments Valuation Agent on the Issue Date and on each Secured W&C Instrument Valuation Date, as follows:

- (A) where "MV Collateralisation" is specified as being the Type of Collateralisation applicable in the applicable Final Terms relating to a Series of Secured W&C Instruments, the Required Collateral Value shall be equal to the product of (a) the Collateralisation Percentage, (b) the Secured W&C Instrument Market Value and (c) the number of Non-Waived W&C Instruments of such Series;
- (B) where "NV Collateralisation" is specified as being the Type of Collateralisation applicable in the applicable Final Terms relating to a Series of Secured W&C Instruments, the Required Collateral Value shall be equal to the product of (a) the Collateralisation Percentage and (b) the total aggregate nominal value of the Non-Waived W&C Instruments of such Series;
- (C) where "Min (MV, NV) Collateralisation" is specified as being the Type of Collateralisation applicable in the applicable Final Terms relating to a Series of Secured W&C Instruments, the Required Collateral Value shall be equal to the lower of (a) the product of (1) the Collateralisation Percentage, (2) the Secured W&C Instrument Market Value and (3) the number of Non-Waived W&C Instruments or (b) the product of (1) the Collateralisation Percentage and (2) the total aggregate nominal value of the Non-Waived W&C Instruments of such Series; or
- (D) where "Max (MV, NV) Collateralisation" is specified as being the Type of Collateralisation applicable in the applicable Final Terms relating to a Series of Secured W&C Instruments, the Required Collateral Value shall be equal to the greater of (a) the product of (1) the Collateralisation Percentage, (2) the Secured W&C Instrument Market Value and (3) the number of Non-Waived W&C Instruments or (b) the product of (1) the Collateralisation Percentage and (2) the specified proportion of the total aggregate nominal value of the Non-Waived W&C Instruments of such Series.

The Collateralisation Percentage relating to a Series of Secured W&C Instruments will be specified in the applicable Final Terms and may specify a different Collateralisation Percentage in respect of different Collateral Test Dates.

6. **Adjustments to Collateral Pool and Collateral Agent Notice**

(a) **Secured Static/Floating W&C Instruments Conditions**

If on the relevant Collateral Test Date the Collateral Agent determines that the Collateral Test is not satisfied, the Collateral Agent will promptly send to the Secured W&C Instruments

Collateral Provider a Collateral Agent Notice. On the date such Collateral Agent Notice is given, the Secured W&C Instruments Collateral Provider will instruct the Collateral Agent to transfer sufficient additional Eligible MTM Collateral Assets or Eligible Static Collateral Assets (as applicable) into the relevant Collateral Account to satisfy the Collateral Test.

The Secured W&C Instruments Collateral Provider will ensure that sufficient Eligible MTM Collateral Assets and Eligible Static Collateral Assets are Delivered into the relevant Collateral Account on or before each Collateral Test Date to satisfy the Collateral Test in respect of such Collateral Test Date for the relevant Series of Secured W&C Instruments.

(b) **Secured Fully Floating W&C Instruments Conditions**

If on the relevant Collateral Test Date the Collateral Agent determines that the Collateral Test is not satisfied, the Collateral Agent will promptly send the Secured W&C Instruments Collateral Provider a Collateral Agent Notice. On the date such Collateral Agent Notice is given, the Secured W&C Instruments Collateral Provider will instruct the Collateral Agent to transfer sufficient additional Eligible Collateral Assets into the relevant Collateral Account to satisfy the Collateral Test.

The Secured W&C Instruments Collateral Provider will ensure that sufficient Eligible Collateral Assets are Delivered into the relevant Collateral Account on or before each Collateral Test Date to satisfy the Collateral Test in respect of such Collateral Test Date for the relevant Series of Secured W&C Instruments.

7. **Waived W&C Instruments**

In respect of all Secured W&C Instruments held by the Issuer or its Affiliates, including but not limited to, in its capacity as market maker, the Issuer or its Affiliates will be deemed to have waived their rights (a) to receive the proceeds of realisation of the Collateral Assets securing such Series of Secured W&C Instruments (and where "Physical Delivery of Static Collateral Assets" is specified as applicable in the applicable Final Terms, delivery of the Static Collateral Assets) following the enforcement of the relevant Deed of Charge and Charged Documents or the cancellation of such Series of Secured W&C Instruments following the occurrence of a Collateral Asset Default and (b) to give an Acceleration Notice on the occurrence of a Secured W&C Instrument Event of Default ("**Waived W&C Instruments**").

As a consequence, when making various calculations under the Secured W&C Instruments Conditions, including the Required MTM Collateral Value and the Required Static Collateral Nominal Amount (under the Secured Static/Floating W&C Instruments Conditions) and the Required Collateral Value (under the Secured Fully Floating W&C Instruments Conditions), the Secured W&C Instruments Valuation Agent shall only take into account the value of the Secured W&C Instruments that are not subject to such waiver (any such Secured W&C Instruments being "Non-Waived W&C Instruments").

8. **Collateral Substitution**

(a) **Secured Static/Floating W&C Instruments Conditions**

The Secured W&C Instruments Collateral Provider may, subject to the terms of the relevant Triparty Account Control Agreement, withdraw and/or replace MTM Collateral Assets from the relevant Collateral Account provided that following such adjustment the Collateral Test continues to be satisfied. The Secured W&C Instruments Collateral Provider will send or cause to be sent a notice to the Collateral Agent specifying the adjustments to be made to the Collateral Pool (including *inter alia* the type and quantity of any MTM Collateral Assets to be deposited and/or removed).

The Issuer and the Secured W&C Instruments Collateral Provider shall not be entitled to withdraw and/or replace Static Collateral Assets from the relevant Collateral Account, provided that the Secured W&C Instruments Collateral Provider may withdraw from the relevant Collateral Account an aggregate nominal amount of Static Collateral Assets equal to the sum of the Notional Amount of each Non-Waived W&C Instrument that is converted into

a Waived W&C Instrument if, following such adjustment, the Collateral Test continues to be satisfied.

(b) **Secured Fully Floating W&C Instruments Conditions**

The Secured W&C Instruments Collateral Provider may, subject to the terms of the relevant Triparty Account Control Agreement, withdraw and/or replace Collateral Assets from the relevant Collateral Account provided that following such adjustment the Collateral Test continues to be satisfied. The Secured W&C Instruments Collateral Provider will send or cause to be sent a notice to the Collateral Agent specifying the adjustments to be made to the Collateral Pool (including *inter alia* the type and quantity of any Collateral Assets to be deposited and/or removed).

9. **Early settlement following the occurrence of a Collateral Disruption Event**

(a) **Secured Static/Floating W&C Instruments Conditions**

If the Secured W&C Instruments Valuation Agent determines that a Collateral Disruption Event has occurred or is continuing, the Issuer may in its sole discretion cancel all of the relevant Secured W&C Instruments at their the Early Settlement Amount (CDE) or, if "Physical Delivery of Static Collateral Assets" is specified to be applicable in the applicable Final Terms, deliver Static Collateral Assets that make up the Entitlement (CDE) in accordance with the Secured W&C Instruments Conditions. The Early Settlement Amount (CDE) will be calculated on the basis of (i) if "Physical Delivery of Static Collateral Assets" is specified not to be applicable in the applicable Final Terms, the market value of the option entered into by the Issuer and/or its Affiliates to hedge the Issuer's payment obligations plus the lesser of the notional amount of the Secured W&C Instruments and the proceeds of the liquidation and realisation of the Static Collateral, less any of the hedge unwind costs of the Issuer and/or its Affiliates and costs of realising the Collateral Assets or (ii) if the applicable Final Terms specify "Physical Delivery of Static Collateral Assets" to be applicable, the market value of the option entered into by the Issuer and/or its Affiliates to hedge the Issuer's payment obligations less any hedge unwind costs of the Issuer and/or its Affiliates and costs of realising the Collateral Assets.

Collateral Disruption Events are defined in the Secured W&C Instruments Conditions and include, but are not limited to: (i) a Collateral Asset Default occurs or is continuing, as determined by the Secured W&C Instruments Valuation Agent; or (ii) the Secured W&C Instruments Collateral Provider being (A) unable, after using commercially reasonable efforts, to acquire the necessary Collateral Assets or (B) subject to materially increased costs in acquiring Collateral Assets; or (iii) the Issuer being unable, after using commercially reasonable efforts, to find a suitable substitute or replacement Collateral Arrangement Party (as defined below) following the termination of the relevant agreements or resignation or removal, for any reason, of any Collateral Arrangement Party.

(b) **Secured Fully Floating W&C Instruments Conditions**

If the Secured W&C Instruments Valuation Agent determines that a Collateral Disruption Event has occurred or is continuing, the Issuer may in its sole discretion cancel all of the relevant Secured W&C Instruments at the Early Settlement Amount following the occurrence of a Collateral Disruption Event. The Early Settlement Amount will be calculated on the basis of the fair market value of such Secured W&C Instrument less any hedge unwind costs of the Issuer and/or its Affiliates.

Collateral Disruption Events are defined in the Secured W&C Instruments Conditions and include, but are not limited to: (i) the Secured W&C Instruments Collateral Provider being (A) unable, after using commercially reasonable efforts, to acquire the necessary Collateral Assets or (B) subject to materially increased costs in acquiring Collateral Assets; or (ii) the Issuer being unable, after using commercially reasonable efforts, to find a suitable substitute or replacement Collateral Arrangement Party (as defined below) following the termination of the relevant agreements or resignation or removal, for any reason, of any Collateral Arrangement Party.

For the avoidance of doubt, the occurrence of a Collateral Disruption Event will not constitute a Secured W&C Instrument Event of Default.

**10. Early settlement following the occurrence of a Collateral Trigger Event under the Secured Static/Floating W&C Instruments Conditions**

If a "Collateral Trigger Event" is specified to be applicable in the applicable Final Terms and the Secured W&C Instruments Valuation Agent determines that a Collateral Trigger Event has occurred or is continuing, the Issuer shall cancel all of the relevant Secured W&C Instruments at their Early Settlement Amount (CTE) and, if "Physical Delivery of Static Collateral Assets" is specified to be applicable in the applicable Final Terms, deliver Static Collateral Assets that make up the Entitlement (CTE) (including payment of any Fractional Cash Amount (CTE)) in accordance with the Secured W&C Instruments Conditions. The Early Settlement Amount (CTE) will be calculated on the basis of (i) if "Physical Delivery of Static Collateral Assets" is specified not to be applicable in the applicable Final Terms, the intra-day market value of the Option entered into by the Issuer and/or its Affiliates to hedge the Issuer's payment obligations plus the lesser of the notional amount of the Secured W&C Instruments and the proceeds of the liquidation and realisation of the Static Collateral, less any of the hedge unwind costs of the Issuer and/or its Affiliates and costs of realising the Collateral Assets or (ii) if the applicable Final Terms specify "Physical Delivery of Static Collateral Assets" to be applicable, the intra-day market value of the Option entered into by the Issuer and/or its Affiliates to hedge the Issuer's payment obligations less any hedge unwind costs of the Issuer and/or its Affiliates and costs of realising the Collateral Assets.

A Collateral Trigger Event shall have occurred if the Secured W&C Instruments Valuation Agent determines that, at any time on a day during the relevant observation period, the value of a Secured W&C Instrument of the relevant series is (a) if "less than the Collateral Trigger Level" is specified in the applicable Final Terms, less than the Collateral Trigger Level or (b) if "less than or equal to the Collateral Trigger Level" is specified in the applicable Final Terms, less than or equal to the Collateral Trigger Level. The Collateral Trigger Level will be specified in the applicable Final Terms. The value of the relevant Secured W&C Instruments will be determined by the Secured W&C Instruments Valuation Agent as an amount equal to the sum of (x) the intra-day market value of the portion of the Option that relates to such Secured W&C Instruments and (y) the intra-day market value of the relevant Static Collateral Assets that relate to such Secured W&C Instruments.

The intra-day market value of the Option and of the Static Collateral Assets shall be determined by the Secured W&C Instruments Valuation Agent by reference to such factors as it considers to be appropriate in its discretion, including without limitation:

- (a) in respect of the Option:
  - (i) spot and forward market prices or values for the underlying asset(s) of the option and other relevant economic variables (such as interest rates and exchange rates);
  - (ii) the correlation between the market prices or value of the underlying asset(s) of the option and other relevant economic variables;
  - (iii) historic and implied volatility of the market prices or value of the underlying asset(s) of the option;
  - (iv) the remaining time until expiry of the option;
  - (v) internal pricing models; and
  - (vi) prices at which other market participants might bid for similar options.
- (b) in respect of the relevant Static Collateral Assets:
  - (i) bid prices (if available) for a nominal amount of such Static Collateral Assets equal to the minimum nominal amount that may be quoted for bids on the screen page specified in the applicable Final Terms; and

- (ii) internal pricing models.

11. **Default in provision of Collateral Assets**

A "**Required Collateral Default**" shall occur if, following receipt by the Secured W&C Instruments Collateral Provider of a Collateral Agent Notice which indicates that the Collateral Test is not satisfied (or will not be satisfied after taking into account any adjustments specified in a Collateral Test Notice), the Secured W&C Instruments Collateral Provider fails to instruct the Collateral Agent to transfer sufficient Collateral Assets into the Collateral Account and such failure results in the Collateral Test not being satisfied for one Collateral Business Day following delivery of such Collateral Agent Notice (when determining whether the Collateral Test has been so satisfied, only Collateral Assets which have actually been transferred to the relevant Collateral Account shall be taken into account).

Following the occurrence of a Required Collateral Default, the Collateral Agent will send a notice (a "**Required Collateral Default Notice**") to the Secured W&C Instruments Collateral Provider and the Security Agent, specifying that a Required Collateral Default has occurred. The Secured W&C Instruments Collateral Provider shall notify the Issuer of the Required Collateral Default Notice. The Security Agent shall as soon as reasonably practicable after receiving a Required Collateral Default Notice give notice to the relevant Instrument Agent and the relevant Instrument Agent will give notice as soon as reasonably practicable to all relevant Holders of the receipt of a Required Collateral Default Notice.

12. **Secured W&C Instruments Events of Default**

The Secured W&C Instruments are subject to various events of default (each a "**Secured W&C Instrument Event of Default**"), including, but not limited to, (i) the Issuer's failure to pay Additional Amounts and Cash Settlement Amounts or to deliver any Entitlement, (ii) insolvency proceedings against the Issuer, (iii) the occurrence of a Required Collateral Default, or (iv) a failure by the Issuer and/or the Secured W&C Instruments Collateral Provider to comply with or perform its obligations under the Security Agency Agreement or the relevant Deed of Charge.

If a Secured W&C Instrument Event of Default occurs and is continuing with respect to any Series of Secured W&C Instruments, then any Holder may, at its option, send an Acceleration Notice through the relevant Clearing System to the relevant Instrument Agent. If the Holder(s) of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments outstanding send Acceleration Notice(s) through the relevant Clearing System to the relevant Instrument Agent, and if any such default is not waived or cured in accordance with the Secured W&C Instruments Conditions an "Acceleration Event" shall occur in respect of such Series of Secured W&C Instruments.

The relevant Instrument Agent will as soon as reasonably practicable after the occurrence of an Acceleration Event send an instruction (an "**Acceleration Instruction**") to the Security Agent confirming that the Holders of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of the Non-Waived W&C Instruments outstanding have delivered Acceleration Notices and thereby instructing the Security Agent to, *inter alia*, enforce the security constituted by the relevant Deed of Charge and distribute the proceeds (and, if applicable, physically settle the Entitlement), in each case, in accordance with its terms, the Secured W&C Instruments Conditions and the Security Agency Agreement.

If the Security Agent receives an Acceleration Instruction, the Security Agent shall (acting in accordance with such Acceleration Instruction), *inter alia*, as soon as reasonably practicable, (i) deliver a Collateral Enforcement Notice to each of the Issuer, the Secured W&C Instruments Collateral Provider and the relevant Instrument Agent, (ii) give notice to the relevant Instrument Agent of, *inter alia*, the occurrence of an Acceleration Event, upon which the relevant Instrument Agent will give notice of the same to all relevant Holders, and (iii) appoint a Disposal Agent, if a Disposal Agent has not already been appointed.

**13. Collateral Enforcement**

**(a) Secured Static/Floating W&C Instruments Conditions**

Following delivery of a Collateral Enforcement Notice, the Security Agent (acting in accordance with an Acceleration Instruction) shall enforce the security constituted by the relevant Deed of Charge relating to the relevant Collateral Pool in accordance with the terms thereof and the Secured W&C Instruments Conditions and the terms of the Security Agency Agreement and will give instructions to the Disposal Agent to effect a liquidation and realisation of the Collateral Assets in the Collateral Pool which secures such Series of Secured W&C Instruments: (i) by liquidating or realising all Collateral Assets in the Collateral Pool; or (ii) where "Physical Delivery of Static Collateral Assets" is specified to be applicable in the applicable Final Terms: (A) firstly, by liquidating or realising the MTM Collateral Assets in the Collateral Pool in accordance with the Secured W&C Instruments Conditions; (B) secondly, to the extent the proceeds available following the liquidation and realisation of the MTM Collateral Assets in the Collateral Pool are insufficient to make payment of any amounts payable to the Secured Parties ranking prior to the Holders of the Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms, by liquidating or realising an amount of Static Collateral Assets sufficient to make the remainder of such payments in accordance with Secured W&C Instruments; and (C) thirdly, by liquidating or realising an amount of Static Collateral Assets to the cover any outstanding hedge unwind costs.

The Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) will (i) liquidate or realise the MTM Collateral Assets and, if applicable, the Static Collateral Assets and distribute the relevant Collateral Enforcement Proceeds Share to the relevant Holders or (ii) where "Physical Delivery of Static Collateral Assets" is specified to be applicable in the applicable Final Terms, arrange for delivery of the Entitlement to the relevant Holders, in each case in accordance with the Order of Priority specified in the applicable Final Terms and the Secured Static/Floating W&C Instruments Conditions.

**(b) Secured Fully Floating W&C Instruments Conditions**

Following receipt of a Collateral Enforcement Notice, the Security Agent (acting in accordance with an Acceleration Instruction) shall enforce the security constituted by the relevant Deed of Charge relating to the relevant Collateral Pool in accordance with the terms thereof and the Secured W&C Instruments Conditions and the terms of the Security Agency Agreement and will give instructions to the Disposal Agent to (i) liquidate or realise the Collateral Assets in the Collateral Pool and subsequently distribute the relevant Collateral Enforcement Proceeds Share to the relevant Holders or (ii) where "Physical Delivery of Collateral Assets" is specified to be applicable in the applicable Final Terms, arrange for delivery of the relevant Entitlement to the relevant Holders, in each case in accordance with the Order of Priority specified in the applicable Final Terms and the Secured Fully Floating W&C Instruments Conditions.

**14. Enforcement and realisation by Holders**

No Holder shall be entitled to enforce a Deed of Charge or to proceed directly against the Secured W&C Instruments Collateral Provider to enforce the other provisions of a Charged Document unless the Security Agent, having become bound to so enforce or proceed, fails so to do within a reasonable time and such failure is continuing or the Security Agent is prevented from enforcing a Deed of Charge by any court order. If a Holder becomes so entitled, then such Holder shall not be entitled to enforce the relevant Deed of Charge or Charged Document in the United Kingdom.

If the Security Agent becomes bound to enforce a Deed of Charge or a Charged Document and fails to do so within a reasonable time and such failure is continuing or the Security Agent is prevented from enforcing a Deed of Charge by any court order, then, without prejudice to the paragraph above, Holder(s) of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments outstanding may remove the

Security Agent and appoint a replacement Security Agent in accordance with the Secured W&C Instrument Conditions and the terms of the Security Agency Agreement.

Neither the Issuer nor any Holder shall be entitled to enforce a Triparty Account Control Agreement or the Custodian Agreement or to proceed directly against the Collateral Agent or the Custodian to enforce the terms of the relevant Triparty Account Control Agreement or the Custodian Agreement (as applicable). Neither the Collateral Agent nor the Custodian shall have any liability to the Issuer or any Holder as to the consequence of any actions taken by the Collateral Agent or Custodian (as applicable).

15. **Physical Delivery of Collateral Assets Disruption Event**

Where "Physical Delivery of Collateral Assets" is specified as applicable in the applicable Final Terms, in certain circumstances, if, in the opinion of the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), delivery of all or some of the Static Collateral Assets (in respect of Secured W&C Instruments to which the Secured Static/Floating W&C Instruments Conditions apply) or the Collateral Assets (in respect of Secured W&C Instruments to which the Secured Fully Floating W&C Instruments Conditions apply) forming part of the Entitlement is not possible for a specified period of time, then the Security Agent, or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), in lieu of physical settlement, may sell or realise such undeliverable Static Collateral Assets or Collateral Assets, as applicable, and deliver the proceeds thereof to Holders.

16. **Replacement of Collateral Arrangement Parties**

Each of the Collateral Transaction Documents contains, or will contain, provisions for the termination of such agreement and, as the case may be, the removal or replacement of the role of the relevant appointed thereunder (each a "**Collateral Arrangement Party**"). Any such termination, removal and/or replacement will be effected in accordance with the provisions of such agreements and (other than in respect of the Custodian or the Collateral Agent) the Secured W&C Instruments Conditions and may be effected without the consent of Holders. No such termination or removal shall be effective until a replacement entity has been appointed. The Secured W&C Instruments Valuation Agent shall be required to give notice to Holders of any such termination, removal and/or replacement.

A replacement Collateral Arrangement Party may only be appointed when the following conditions are fulfilled: the replacement Collateral Arrangement Party (other than the replacement Custodian or Collateral Agent): (i) is an institution incorporated and in good standing in the United States of America or one of the States thereof or in a state which is, as at the date of the relevant Collateral Transaction Document, a member state of the European Union; (ii) has the requisite resources and legal capacity to perform the duties imposed upon the relevant existing Collateral Arrangement Party under the relevant Collateral Transaction Document and is a recognised provider of the services provided by such Collateral Arrangement Party; (iii) is legally qualified and has the capacity to act as successor to the relevant Collateral Arrangement Party on the terms of the relevant Collateral Transaction Document; and (iv) whose performance of its duties under the relevant Collateral Transaction Document will not cause the Issuer and/or Secured W&C Instruments Collateral Provider to become subject to tax in any jurisdiction where such successor is incorporated, established, doing business, has a permanent establishment or is otherwise considered tax resident.

The Security Agency Agreement contains, or will contain, provisions for the termination of such agreement and the removal or replacement of the Security Agent appointed thereunder. Any such termination, removal and/or replacement will be effected in accordance with the provisions of the Security Agency Agreement and may be effected without the consent of Holders. No such termination or removal shall be effective until a replacement Security Agent has been appointed.

## FORM OF THE INSTRUMENTS

*Words and expressions defined in the "Terms and Conditions of the Notes" or "Terms and Conditions of the W&C Instruments", as applicable, shall have the same meanings in this Form of the Instruments.*

### Form of the Notes

#### *Registered Notes*

Each Tranche of Notes issued in registered form ("**Registered Notes**") will be represented by a global registered note (a "**Global Registered Note**") or Notes in definitive form ("**Definitive Registered Notes**") represented by individual note certificates ("**Individual Note Certificates**"), as the case may be, together with the attached or incorporated Terms and Conditions of the Notes and the applicable Final Terms. Each Global Registered Note will be deposited on or around the relevant issue date with either (a) the Common Depositary for Euroclear, Clearstream, Luxembourg or any other relevant clearing system, in the case of a Global Registered Note not intended to be issued under the NSS, and registered in the name of a nominee of the Common Depositary, or (b) the Common Safekeeper for Euroclear, Clearstream, Luxembourg or any other relevant clearing system, in the case of a Global Registered Note intended to be issued under the NSS, and registered in the name of a nominee of the Common Safekeeper.

The NSS form allows Notes in registered form to be issued and held in a manner which will permit them to be recognised as eligible collateral for monetary policy of the central banking system for the euro (the "**Eurosystem**") and intra-day credit operations by the Eurosystem either upon their issue or at any other time prior to the applicable maturity date. However, such recognition will depend upon satisfaction of the Eurosystem eligibility criteria.

Beneficial interests in a Global Registered Note will be exchangeable for Definitive Registered Notes represented by Individual Note Certificates if: (1) an Event of Default (as defined herein) occurs and is continuing, (2) the relevant Issuer is notified that Euroclear and/or Clearstream, Luxembourg or any other relevant clearing system has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system approved by the holders of the Notes is available, or (3) the relevant Issuer, after notice to the Principal Paying Agent, determines to issue the Notes in definitive form.

Whenever the Global Registered Note is to be exchanged for Individual Note Certificates, the relevant Issuer shall procure that Individual Note Certificates will be issued in an aggregate principal amount equal to the principal amount of the Global Registered Note within five Business Days of the delivery by or on behalf of the registered holder of the Global Registered Note to the Principal Paying Agent of such information as is required to complete and deliver such Individual Note Certificates (including, without limitation, the names and addresses of the persons in whose names the Individual Note Certificates are to be registered and the principal amount of each such person's holding) against the surrender of the Global Registered Note at the specified office of the Principal Paying Agent.

Such exchange will be effected in accordance with the provisions of the New York Law Agency Agreement (in the case of Notes issued by BAC) or the English Law Agency Agreement (in the case of Notes issued by MLB) and, in either case, the regulations concerning the transfer and registration of Notes scheduled thereto, and, in particular, shall be effected without charge to any holder, but against such indemnity as the Principal Paying Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) Individual Note Certificates have not been delivered by 5.00 p.m. (London time) on the thirtieth calendar day after they are due to be issued and delivered in accordance with the terms of the Global Registered Note; or
- (b) any of the Notes represented by a Global Registered Note (or any part of it) has become due and payable in accordance with the Terms and Conditions of the Notes or the date for final redemption of the Notes has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the holder of the

Global Registered Note in accordance with the terms of the Global Registered Note on the due date for payment,

then the Global Registered Note (including the obligation to deliver Individual Note Certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) immediately above) or at 5.00 p.m. (London time) on such due date (in the case of (b) immediately above) and the holder of the Global Registered Note will have no further rights thereunder (but without prejudice to the rights which the holder of the Global Registered Note or others may have under the MLBV Notes Deed of Covenant (as defined under "Terms and Conditions of the Notes")). With respect to Notes issued by MLBV, under the MLBV Notes Deed of Covenant, persons shown in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system as being entitled to an interest in a Global Registered Note will acquire directly against MLBV all those rights to which they would have been entitled if, immediately before the Global Registered Note became void, they were entered in the Register as the holder of Notes in an aggregate principal amount equal to the principal amount of Notes they were shown as holding in the records of Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system.

### ***Swedish Notes and Finnish Notes***

### **Form of the Warrants**

#### ***Registered Warrants***

If the applicable Final Terms specify that Warrants are eligible for sale exclusively in the United States or to, or for the account or benefit of, United States Persons (as defined below) pursuant to an exemption from the registration requirements of the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), the Warrants sold (a) in the United States to qualified institutional buyers within the meaning of Rule 144A ("**Rule 144A**") under the Securities Act ("**QIBs**") who are also each a qualified purchaser (each a "**QP**") within the meaning of Section 3(c)(7) and as defined in Section 2(a)(51) of the U.S. Investment Company Act of 1940, as amended (the "**1940 Act**") and the rules thereunder or (b) to, or for the account or benefit of, United States Persons who are QIBs and also QPs will be represented by a Rule 144A Global Warrant (the "**Rule 144A Global Warrant**") which will be in registered form and either (i) deposited with the U.S. Warrant Agent as a custodian for, and registered in the name of a nominee of, The Depository Trust Company ("**DTC**"); or (ii) deposited with, and registered in the name of a nominee of, the Common Depositary.

Unless otherwise indicated, as used in this Offering Circular, "**United States Person**" means a person which is a "U.S. person" as defined by Regulation S under the Securities Act or a "United States person" as defined in Section 7701(a)(30) of the U.S. Internal Revenue Code of 1986, as amended, and in U.S. Treasury regulations. Unsecured Warrants which may be sold as described above to United States Persons who are QIBs and also QPs in reliance on Rule 144A are referred to in this Offering Circular as "Rule 144A Warrants", which term shall also include, where the context requires, Rule 144A Warrants sold as described in the succeeding paragraph that are represented by a Regulation S/Rule 144A Global Warrant (as defined below).

If specified in the applicable Final Terms, the Warrants may be sold (a) in the United States to QIBs who are also QPs or (b) to, or for the account or benefit of, United States Persons who are QIBs and also QPs and, in either case, concurrently outside the United States to non-United States Persons and will be represented by a Regulation S/Rule 144A Global Warrant (the "**Regulation S/Rule 144A**").

**Global Warrant**") which will be in registered form and deposited with, and registered in the name of a nominee for, the Common Depositary.

If the Warrants are to be issued into and transferred through accounts at Euroclear and Clearstream, Luxembourg, and are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons, such Series of Warrants will on issue be constituted by a global warrant in registered form (the "**Euroclear/CBL Global Registered Warrant**"), which will be deposited with, and registered in the name of the nominee of, the Common Depositary.

Each Rule 144A Global Warrant, Regulation S/Rule 144A Global Warrant and Euroclear/CBL Global Registered Warrant will be exchangeable in whole, but not in part, for individual warrant certificates ("**individual warrant certificates**") in a form to be agreed between the relevant Issuer and the Principal Warrant Agent or U.S. Warrant Agent, as applicable, representing Warrants in definitive form ("**Definitive Registered Warrants**"), only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (a) in the case of Warrants represented by a Rule 144A Global Warrant held through DTC, either DTC has notified the Issuer that it is unwilling or unable to continue as a depositary for that Rule 144A Global Warrant held through DTC and no alternative clearing system is available, or DTC has ceased to be a "clearing agency" registered under the Exchange Act, and no alternative clearing system is available, (b) in the case of Warrants registered in the name of a nominee of the Common Depositary, the relevant Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (c) the relevant Issuer or the Guarantor has or will become subject to adverse tax consequences which would not be suffered were the Warrants held in definitive form. The relevant Issuer will give notice of any such Exchange Event to the Holders in accordance with W&C Instruments Condition 12 (*Notices*).

Whenever the Global Warrant is to be exchanged for individual warrant certificates, such individual warrant certificates shall be issued in equal number to the number of Warrants represented by the Global Warrant within five business days of the delivery, by or on behalf of the Holder, DTC or such other relevant clearing system, to the Principal Warrant Agent or U.S. Warrant Agent, as applicable, of such information as is required to complete and deliver such individual warrant certificates (including, without limitation, the names and addresses of the persons in whose names the individual warrant certificates are to be registered and the number or nominal amount of each such person's holding) against the surrender of the Global Warrant at the specified office of the Principal Warrant Agent or U.S. Warrant Agent, as applicable.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and the regulations concerning the transfer and registration of Warrants scheduled thereto and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Principal Warrant Agent or U.S. Warrant Agent, as applicable, may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) individual warrant certificates have not been issued and delivered by 5.00 p.m. (London time) on the thirtieth calendar day after the date on which the same are due to be issued and delivered in accordance with the terms of the Global Warrant; or
- (b) the date for final settlement of the Warrants has occurred and payment in full of the amount due has not been made to the Holder on the due date for payment in accordance with the terms of the Global Warrant,

then the Global Warrant (including the obligation to deliver individual warrant certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) immediately above) or at 5.00 p.m. (London time) on such due date (in the case of (b) immediately above) and the Holder of the Global Warrant will have no further rights thereunder (but without prejudice to the rights which the Holder of the Global Warrant or others may have under the W&C Instruments Deed of Covenant (as defined under "Terms and Conditions of the W&C Instruments")). Under the W&C Instruments Deed of Covenant, each Holder is entitled to exercise or enforce in respect of each Warrant

held by him, the rights and obligations attaching to the relevant Warrant as set out in, and subject to, the W&C Instruments Deed of Covenant, the W&C Instruments Conditions and the applicable Final Terms issued in respect of such Warrants.

### ***CBF Warrants***

If the Warrants are to be issued into and transferred through accounts at Clearstream Banking AG, Frankfurt am Main ("**Clearstream, Frankfurt**") ("**CBF Warrants**"), such CBF Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons, and will on issue be constituted by a global warrant in bearer form, provided, however, that the CBF Warrants will be treated as in registered form for United States federal income tax purposes. The relevant global warrant will be delivered on or prior to the issue date of the relevant Series of CBF Warrants to Clearstream, Frankfurt.

### ***Swedish Warrants and Finnish Warrants***

If the Warrants are to be issued into and cleared through the Swedish CSD ("**Swedish Warrants**"), such Swedish Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons, and will be issued in dematerialised and uncertificated book-entry form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag (1998: 1479) om kontoföring av finansiella instrument*) and the Swedish CSD Rules.

If the Warrants are to be issued into and cleared through Euroclear Finland ("**Finnish Warrants**"), such Finnish Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons, and will be issued in dematerialised and uncertificated book-entry form in accordance with the Finnish Act on the Book-Entry System and Clearing Operations (in Finnish: *laki arvo-osuussjärjestelmästä ja selvitystoiminnasta (749/2012)*) and the Finnish Act on Book-Entry Accounts (in Finnish: *laki arvo-osuustileistä (827/1991)*) and the Euroclear Finland Rules.

### ***Swiss Warrants***

If the Warrants are to be listed on the SIX Swiss Exchange and/or issued into and/or transferred through accounts at SIS, including such Warrants that are Swiss COSIs ("**Swiss Warrants**"), each Tranche of such Swiss Warrants will on issue be constituted as uncertificated securities which come into effect once registered in the "uncertificated securities book" as provided for in the English Law Agency Agreement and which will be entered into the main register (*Hauptregister*) of SIS on the Issue Date of such Tranche.

As a matter of Swiss law, once Swiss Warrants issued in the form of uncertificated securities are entered into the main register (*Hauptregister*) of SIS and are entered into the accounts of one or more participants of SIS, such Swiss Warrants will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*). No Holder of Swiss Warrants will at any time have the right to effect or demand the conversion of the uncertificated securities representing such Swiss Warrants into, or the delivery of, Warrants in definitive form. However, Swiss Warrants issued in uncertificated form will be exchangeable for individual certificates ("**Swiss Individual Warrant Certificates**") representing definitive Warrants in registered form ("**Swiss Definitive Registered Warrants**") in the limited circumstances described in the relevant W&C Instruments Conditions.

Whenever a Swiss Warrant in uncertificated form is to be exchanged for Swiss Individual Warrant Certificates, the relevant Issuer shall procure that the number or nominal amount of Swiss Individual Warrant Certificates issued will be equal to the number or nominal amount represented by the Swiss Warrants in uncertificated form within five Business Days of the delivery, by or on behalf of the registered holder of the Swiss Warrants in uncertificated form to the Swiss Programme Agent of such information as is required to complete and deliver such Swiss Individual Warrant Certificates (including, without limitation, the names and addresses of the persons in whose names the Swiss Individual Warrant Certificates are to be registered and the number or nominal amount of each such person's holding).

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and, in particular, shall be effected without charge to any Holder, but against such

indemnity as the Swiss Programme Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

## **Form of the Certificates**

### ***Registered Certificates***

If the applicable Final Terms indicate that the Certificates are to be issued in registered form ("**Registered Certificates**"), such Registered Certificates will be issued in global registered form ("**Global Registered Certificates**"), as specified in the applicable Final Terms. Each Global Registered Certificate will be deposited on or around the relevant Issue Date with, and registered in the name of the nominee for, the Common Depositary.

Each Global Registered Certificate will be exchangeable in whole, but not in part, for individual certificates ("**individual certificates**"), representing Certificates in definitive form ("**Definitive Registered Certificates**"), if the relevant Issuer has been notified that Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system approved by the Holders of the Certificates is available.

Whenever the Global Registered Certificate is to be exchanged for individual certificates, the relevant Issuer shall procure that individual certificates will be issued in number or nominal amount equal to the number or nominal amount of the Global Registered Certificates then outstanding within five Business Days of the delivery, by or on behalf of the registered holder of the Global Registered Certificate to the Principal Certificate Agent of such information as is required to complete and deliver such individual certificates (including, without limitation, the names and addresses of the persons in whose names the individual certificates are to be registered and the number or nominal amount of each such person's holding) against the surrender of the Global Registered Certificate at the specified office of the Principal Certificate Agent.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and the regulations concerning the transfer and registration of Certificates scheduled thereto and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Principal Certificate Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) individual certificates have not been delivered by 5.00 p.m. (London time) on the thirtieth calendar day after they are due to be issued and delivered in accordance with the terms of the Global Registered Certificate; or
- (b) the date for final settlement of the Certificates has occurred and payment in full of all amounts due has not been made to the Holder of the Global Registered Certificate on the due date for payment in accordance with the terms of the Global Registered Certificate,

then the Global Registered Certificate (including the obligation to deliver individual certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) immediately above) or at 5.00 p.m. (London time) on such due date (in the case of (b) immediately above) and the Holder of the Global Registered Certificate will have no further rights thereunder (but without prejudice to the rights which the holder of the Global Registered Certificate or others may have under the W&C Instruments Deed of Covenant). Under the W&C Instruments Deed of Covenant, each Holder is entitled to exercise or enforce in respect of each Certificate held by him, the rights and obligations attaching to the relevant Certificate as set out in, and subject to, the W&C Instruments Deed of Covenant, the W&C Instruments Conditions and the applicable Final Terms issued in respect of such Certificates.

### ***CBF Certificates***

If the Certificates are to be issued into and transferred through accounts at Clearstream, Frankfurt ("**CBF Certificates**"), such CBF Certificates will on issue be constituted by a permanent global

certificate in bearer form, provided, however, that the CBF Certificates will be treated as in registered form for United States federal income tax purposes. The permanent global certificate will be delivered on or prior to the Issue Date of the relevant Series of CBF Certificates to Clearstream, Frankfurt.

### ***Swedish Certificates and Finnish Certificates***

If the Certificates are to be issued into and cleared through the Swedish CSD ("**Swedish Certificates**"), such Swedish Certificates will be issued in dematerialised and uncertificated book-entry form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag (1998:1479) om kontoföring av finansiella instrument*) and the Swedish CSD Rules.

If the Certificates are to be issued into and cleared through Euroclear Finland ("**Finnish Certificates**"), such Finnish Certificates will be issued in dematerialised and uncertificated book-entry form in accordance with the Finnish Act on the Book-Entry System and Clearing Operations (in Finnish: *laki arvo-osuusjärjestelmästä ja selvitystoiminnasta (749/2012)*), the Finnish Act on Book-Entry Accounts (in Finnish: *laki arvo-osuustileistä (827/1991)*) and the Euroclear Finland Rules.

### ***Swiss Certificates***

If the Certificates are to be listed on the SIX Swiss Exchange and/or issued into and transferred through accounts at SIS, including Certificates that are Swiss COSIs ("**Swiss Certificates**"), each Tranche of such Swiss Certificates will on issue be constituted as uncertificated securities which come into effect once registered in the "uncertificated securities book" as provided for in the English Law Agency Agreement and which will be entered into the main register (*Hauptregister*) of SIS on the Issue Date of such Tranche.

As a matter of Swiss law, once Swiss Certificates issued in the form of uncertificated securities are entered into the main register (*Hauptregister*) of SIS and entered into the accounts of one or more participants of SIS, the Swiss Certificates represented thereby will constitute intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*). No Holder of Swiss Certificates will at any time have the right to effect or demand the conversion of the uncertificated securities representing such Swiss Certificates into, or the delivery of, Certificates in definitive form. However, Swiss Certificates issued in uncertificated form will be exchangeable for individual certificates ("**Swiss Individual Certificates**") representing definitive Certificates in registered form ("**Swiss Definitive Registered Certificates**") in the limited circumstances described in the relevant W&C Instruments Conditions.

Whenever a Swiss Certificate in uncertificated form is to be exchanged for Swiss Individual Certificates, the relevant Issuer shall procure that the number or nominal amount of Swiss Individual Certificates issued will be equal to the number or nominal amount represented by the Swiss Certificates in uncertificated form within five Business Days of the delivery, by or on behalf of the registered holder of the Swiss Certificates in uncertificated form to the Swiss Programme Agent of such information as is required to complete and deliver such Swiss Individual Certificates (including, without limitation, the names and addresses of the persons in whose names the Swiss Individual Certificates are to be registered and the number or nominal amount of each such person's holding).

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Swiss Programme Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

Any payment of the Guaranteed Cash Settlement Amount in lieu of the Entitlement shall constitute a complete discharge of the Guarantor's obligations in respect of such Physical Delivery Notes.

4. **Redenomination**

(A) *Redenomination*

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders on giving prior notice to the Principal Paying Agent, Euroclear and Clearstream, Luxembourg and at least 30 calendar days' prior notice to the Noteholders in accordance with Condition 14 (*Notices*), elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in euro.

The election will have effect as follows:

- (a) the Notes shall be deemed to be redenominated in euro in the denomination of €0.01 with a nominal amount for each Note equal to the nominal amount of that Note in the Specified Currency, converted into euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Principal Paying Agent, that the then market practice in respect of the redenomination in euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed, and the Paying Agents of such deemed amendments;
- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest €0.01;
- (c) if Definitive Registered Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer, in the denominations of €1,000, €10,000, €100,000 and (but only to the extent of any remaining amounts less than €1,000 or such smaller denominations as the Principal Paying Agent may approve) €0.01 and such other denominations as the Principal Paying Agent shall determine and notify to the Noteholders;
- (d) the payment obligations contained in any Notes issued prior to the Redenomination Date will become void on the date on which the Issuer gives notice (the "**Exchange Notice**") that replacement euro-denominated Notes are available for exchange (provided that such securities are so available) and no payments will be made in respect of them, although those Notes will continue to constitute valid exchange obligations of the Issuer. New euro-denominated Notes will be issued in exchange for Notes denominated in the Specified Currency in such manner as the Principal Paying Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 calendar days prior to any date for payment of principal or interest (if any) on the Notes;
- (e) after the Redenomination Date, all payments in respect of the Notes, other than payments of interest (if any) in respect of periods commencing before the Redenomination Date, will be made solely in euro as though references in the Notes to the Specified Currency were to euro. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
  - (i) in the case of the Notes represented by a Global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such Global Note; and

- (ii) in the case of Definitive Registered Notes, by applying the Rate of Interest to the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding;

- (g) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest; and
- (h) such other changes shall be made to this Condition 4 (*Redenomination*) as the Issuer may decide, after consultation with the Paying Agents and as may be specified in the notice, to conform it to conventions applicable to instruments denominated in euro.

  - (e) if "**Actual/360**" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
  - (f) if "**30/360 (ICMA)**" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360;
  - (g) if "**30/360**", "**360/360**" or "**Bond Basis**" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \left[ \frac{360 \times (Y_2 - Y_1) + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360} \right]$$

where:

"**Y<sub>1</sub>**" is the year, expressed as a number, in which the first day of the Interest Period falls;

- (h) if "**30E/360**" or "**Eurobond Basis**" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \left[ \frac{360 \times (Y_2 - Y_1) + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360} \right]$$

where:

"**Y<sub>1</sub>**" is the year, expressed as a number, in which the first day of the Interest Period falls;

"**Y<sub>2</sub>**" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"**M<sub>1</sub>**" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"**M<sub>2</sub>**" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"**D<sub>1</sub>**" is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D<sub>1</sub> will be 30; and

"**D<sub>2</sub>**" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D<sub>2</sub> will be 30; or

$$\text{Day Count Fraction} = \left[ \frac{360 \times (Y_2 - Y_1) + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360} \right]$$

where:

"**Y<sub>1</sub>**" is the year, expressed as a number, in which the first day of the Interest Period falls;

In these Terms and Conditions:

**"Determination Period"** means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

**"sub-unit"** means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

(B) *Interest on Fixed Rate Notes*

Except as provided in the applicable Final Terms, each Fixed Rate Note bears interest on its outstanding principal amount from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

Except as provided in the applicable Final Terms, if a Fixed Coupon Amount is specified in the applicable Final Terms, the amount of interest payable in respect of each Note on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount as specified irrespective of any calculation based on the applicable Rate of Interest and any applicable Day Count Fraction (if any). Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If **"Unadjusted"** is specified in the applicable Final Terms with respect to any Interest Payment Date, any Interest Payment Date falling on a day which is not a Business Day will not be adjusted in accordance with any Business Day Convention, and the relevant Fixed Interest Period (as defined below) will accordingly not be adjusted. In such event, payment of any amounts will be made in accordance with the provisions of Condition 6(D) (*Payments - Payment Days*).

If **"Adjusted"** is specified in the applicable Final Terms with respect to any Interest Payment Date, any Interest Payment Date falling on a day which is not a Business Day will be adjusted in accordance with the Business Day Convention specified in the applicable Final Terms, and the relevant Fixed Interest Period will be adjusted accordingly. For these purposes, the provisions of Condition 5(C)(a) below relating to Business Day Conventions shall apply *mutatis mutandis* where "Business Day" has the meaning assigned to it in Condition 18 (*Business Days*).

As used in these Terms and Conditions, **"Fixed Interest Period"** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note or, if they are Partly Paid Notes, the aggregate amount paid up; or
- (ii) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such product by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for

the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

(C) *Interest on Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes*

(a) *Interest Payment Dates*

Each Floating Rate Note, Index Linked Interest Note, Share Linked Interest Note, GDR/ADR Linked Interest Note, FX Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note and Inflation Linked Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an "**Interest Payment Date**") which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each "**Interest Period**" (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If "**Unadjusted**" is specified in the applicable Final Terms with respect to any Interest Payment Date, and such Interest Payment Date is not a Business Day, then such Interest Payment Date will not be adjusted in accordance with any Business Day Convention, and the relevant Interest Period will accordingly not be adjusted. In such event, payment of any amounts will be made in accordance with the provisions of Condition 6(D) (*Payments - Payment Days*).

If (x) there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) "Adjusted" is specified in the applicable Final Terms with respect to any Interest Payment Date and such Interest Payment Date falls on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5(C)(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or

- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day,

where "Business Day" has the meaning assigned to it in Condition 18 (*Business Days*).

(b) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.

(i) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub paragraph (i), "**ISDA Rate**" for an Interest Period means a rate equal to the Floating Rate that would be determined by the Principal Paying Agent or the Calculation Agent under an interest rate swap transaction if the Principal Paying Agent or the Calculation Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended, updated or replaced as at the Issue Date of the first Tranche of the Notes of the relevant Series (the "**ISDA Definitions**") and under which:

- (A) the Floating Rate Option is as specified in the applicable Final Terms;
- (B) the relevant Interest Commencement Date is the Effective Date;
- (C) the Designated Maturity is a period specified in the applicable Final Terms; and
- (D) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London interbank offered rate ("**LIBOR**") or on the Euro-zone interbank offered rate ("**EURIBOR**"), the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (i), "**Floating Rate**", "**Calculation Agent**", "**Floating Rate Option**", "**Effective Date**", "**Designated Maturity**" and "**Reset Date**" have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms, the Minimum Interest Rate shall be deemed to be zero.

(ii) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be, subject as provided below, either:

- (A) the offered quotation (if there is only one quotation on the relevant screen page specified in the applicable Final Terms); or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations (if there are

two or more quotations on the relevant screen page specified in the applicable Final Terms),

(in each case expressed as a percentage rate per annum) for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) (the "**Specified Time**") on the applicable Interest Determination Date plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Calculation Agent.

In the case of a rate determined pursuant to paragraph (B) above, if five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of paragraph (A) above, no offered quotation appears or, in the case of paragraph (B) above, fewer than three offered quotations appear, in each case as at the Specified Time, the Calculation Agent shall request each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Calculation Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by any two or more of the Reference Banks, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Calculation Agent suitable for the purpose) informs the Calculation Agent it is quoting to leading banks in the London inter-bank market (if the Reference Rate is LIBOR) or the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest for the relevant Interest Period shall be determined by the Calculation Agent in good faith and in a commercially reasonable manner.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or

EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

For the purposes of this sub-paragraph (ii) "**Reference Banks**" means, in the case of a determination of LIBOR, the principal London offices of four major banks in the London inter-bank market and, in the case of a determination of EURIBOR, the principal Euro-zone offices of four major banks in the Euro-zone inter-bank market, in each case selected by the Calculation Agent or as specified in the applicable Final Terms.

(c) *Minimum or Maximum Rate of Interest*

If the applicable Final Terms specifies a minimum rate at which the Notes bear interest (a "**Minimum Interest Rate**") or a maximum rate at which the Notes bear interest (a "**Maximum Interest Rate**"), then the Rate of Interest shall in no event be greater than the Maximum Interest Rate or be less than the Minimum Interest Rate so specified.

(d) *Determination of Rate of Interest and Calculation of Interest Amounts*

The Calculation Agent, in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, the Calculation Agent will notify the Principal Paying Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Calculation Agent, in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes and Inflation Linked Interest Notes, will calculate the amount of interest (the "**Interest Amount**") payable on the Notes for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such product by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note, Index Linked Interest Note, Share Linked Interest Note, GDR/ADR Linked Interest Note, FX Linked Interest Note, Commodity Linked Interest Note, Fund Linked Interest Note or Inflation Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding. In such case, the Calculation

Agent will notify the Principal Paying Agent of the Interest Amount for the relevant Interest Period as soon as practicable after calculating the same.

(e) *Notification of Rate of Interest and Interest Amounts*

The Principal Paying Agent and/or the Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes are for the time being listed (by no later than the first day of each Interest Period, in the case of Floating Rate Notes) and notice thereof to be published in accordance with Condition 14 (*Notices*) as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes, Index Linked Interest Notes, Share Linked Interest Notes, GDR/ADR Linked Interest Notes, FX Linked Interest Notes, Commodity Linked Interest Notes, Fund Linked Interest Notes or Inflation Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 14 (*Notices*). For the purposes of this paragraph (e), the expression "**London Business Day**" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(f) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5(C), whether by the Principal Paying Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith, manifest error or proven error) be binding on the Issuer, the Guarantor (in the case of Notes issued by MLBV), the Principal Paying Agent, the Calculation Agent (if applicable), the other Paying Agents, the Registrar and all Noteholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Guarantor (in the case of Notes issued by MLBV) or the Noteholders shall attach to the Principal Paying Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(D) *Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

(E) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid and/or all assets deliverable in respect of such Note have been delivered; and
- (b) five calendar days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Principal Paying Agent and/or all assets in respect of such Note have been received by any agent appointed by the Issuer to deliver such assets to Noteholders and notice to that effect has been given to the Noteholders in accordance with Condition 14 (*Notices*),

provided that if:

- (c) "Accrual of Interest upon Credit Event" is specified as Not Applicable in the applicable Final Terms, each Note shall cease to bear interest from the Interest Payment Date immediately preceding the Event Determination Date, or if the Event Determination Date is an Interest Payment Date such Interest Payment Date (or, in the case of the Event Determination Date falling on or after the Scheduled Maturity Date (which is an Interest Payment Date), the Interest Payment Date immediately preceding the Scheduled Maturity Date) or, if the Event Determination Date falls prior to the first Interest Payment Date, no interest shall accrue on the Notes; or
- (d) "Accrual of Interest upon Credit Event" is specified as being Applicable in the applicable Final Terms, each Note shall cease to bear interest from the Event Determination Date.

(F) *Calculation of interest in respect of Swedish Notes*

For the purposes of calculation of any amount of interest on Swedish Notes, the provisions in this Condition 5 (*Interest*) shall be amended so that all periods shall consist of the period from (but excluding) the first day of the relevant period up to (and including) the last day of the relevant period.

(G) *Payment Disruption*

(a) *Occurrence of a Payment Disruption Event or a CNY Payment Disruption Event*

If the applicable Final Terms specifies "Payment Disruption Event" or "CNY Payment Disruption Event" to be applicable, then, in the event that the Calculation Agent, at any time and from time to time, determines in its sole discretion that a Payment Disruption Event or a CNY Payment Disruption Event, as the case may be, has occurred or is likely to occur, then the Calculation Agent shall as soon as practicable notify the Holders of the relevant Notes of the occurrence of such Payment Disruption Event or CNY Payment Disruption Event, as the case may be, in accordance with Condition 14 (*Notices*).

(b) *Consequences of a Payment Disruption Event*

Upon the occurrence of a Payment Disruption Event:

(i) *Extension of relevant dates*

The Calculation Agent may extend the Interest Payment Date, the Maturity Date or any other date on which the Notes may be redeemed or any amount shall be due and payable in respect of the relevant Notes, subject to Condition 6(G)(e), to a date falling five Business Days (or such other date as may be determined by the Calculation Agent and notified to the Holders in accordance with Condition 14 (*Notices*)) after the date on which the Payment Disruption Event is no longer occurring and notice thereof shall be given to the relevant Holders in accordance with Condition 14 (*Notices*).

(ii) *Obligation to pay postponed*

The Calculation Agent may postpone the Issuer's obligation to pay the Interest Amount, Fixed Coupon Amount, Final Redemption Amount or any such other amounts in respect of the relevant Notes, subject to Condition 6(G)(e), until five Business Days (or such other date as may be determined by the Calculation Agent and notified to the Holders in accordance with Condition 14 (*Notices*)) after the date on which the Payment Disruption Event is no longer occurring. Noteholders shall not be entitled to further interest or other payment in respect of such postponement.

(iii) *Issuer's option to vary settlement*

Notwithstanding the Issuer's right to extend the dates for payments in accordance with Condition 6(G)(b)(i) or postpone payment in accordance with Condition 6(G)(b)(ii), as applicable, the Issuer may, if practicable (and to the extent lawful), and at the Issuer's sole and absolute discretion:

- (1) make payments due to be made in the Subject Currency in the Base Currency, converted from the Subject Currency into the Base Currency at a rate reasonably selected by the Calculation Agent;
- (2) make payments due to be made in the Base Currency in the Subject Currency, disregarding any obligation to convert amounts into the Base Currency;
- (3) in the case of Share Linked Notes, deliver the Shares in lieu of cash settlement; or
- (4) in the case of Share Linked Notes which reference a basket of Shares, elect to satisfy in part its obligation to pay the amounts as may be due and payable under the relevant Notes by making partial payment(s) or partial deliveries, as the case may be (the "**Partial Distributions**"). Any Partial Distribution made by the Issuer to the Holders will be calculated and/or determined by the Calculation Agent in its sole and absolute discretion and shall be paid and/or delivered to the Holders *pro rata* (as far as possible, subject to any necessary adjustments for rounding) to the proportion of the Notes of the same Series held by the relevant Holder. In the event that any Partial Distribution is made by the Issuer, the Calculation Agent may, in its sole and absolute discretion, make any such corresponding adjustment to any variable relevant to the redemption or payment terms of the relevant Notes as it deems necessary and shall notify the relevant Holders thereof in accordance with Condition 14 (*Notices*).

Any payments or deliveries made in accordance with this Condition 6(G)(b)(iii) shall satisfy and discharge in full (in the case of payments or deliveries made in accordance with paragraphs (1) to (3)) and in part (in the case of Partial Distributions made in accordance with paragraph (4)) the Issuer's obligation to pay the Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of which the Payment Disruption Event has arisen, and no further amounts shall be due and payable by the Issuer in respect thereof.

(c) *Consequences of a CNY Payment Disruption Event*

Upon the occurrence of a CNY Payment Disruption Event:

(i) *Extension of relevant dates*

If "Extension" is specified to be applicable in the applicable Final Terms, then Condition 6(G)(b)(i) shall apply, provided that the reference therein to "Payment Disruption Event" shall be construed as a reference to "CNY Payment Disruption Event".

(ii) *Obligation to pay postponed*

If "Payment Postponement" is specified to be applicable in the applicable Final Terms, then Condition 6(G)(b)(ii) shall apply, provided that the reference therein to "Payment Disruption Event" shall be construed as a reference to "CNY Payment Disruption Event".

(iii) *Payment of Equivalent Amount*

If "Payment of Equivalent Amount" is specified to be applicable in the applicable Final Terms, and the Calculation Agent determines that such CNY Payment Disruption Event is material in relation to the Issuer's obligations under the relevant Notes to pay any Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of the relevant Notes on the relevant Interest Payment Date, Maturity Date, or such other date on which any amount in respect of the relevant Notes shall be due and payable (such date, the "**Affected Payment Date**"), then the Issuer shall, on giving notice to Holders prior to the relevant Affected Payment Date, make payment of the Equivalent Amount of the relevant Interest Amount, Fixed Coupon Amount, Final Redemption Amount or such other amount payable (if applicable) on the relevant Affected Payment Date in full and final settlement of its obligations to pay such Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of the relevant Notes.

(d) *Payments net of expenses*

Notwithstanding any provisions to the contrary, (a) any payments made in accordance with Condition 6(G)(b) or Condition 6(G)(c), as the case may be, shall be made after deduction of any costs, expenses or liabilities incurred or to be incurred by the Calculation Agent or Issuer in connection with or arising from the resolution of the relevant Payment Disruption Event(s) or CNY Payment Disruption Event(s), as the case may be, and (b) no interest shall be paid by the Issuer in respect of any delay which may occur in the payment of any amounts due and payable under the Notes as a result of the operation of Condition 6(G)(b) or Condition 6(G)(c), as the case may be.

(e) *Payment Event Cut-Off Date*

In the event that a Payment Disruption Event or a CNY Payment Disruption Event, as the case may be, is still occurring on the Payment Event Cut-Off Date, then the Interest Payment Date, the Maturity Date, or any other date on which any Interest Amount, Fixed Coupon Amount, Final Redemption Amount or other amount in respect of the relevant Notes shall be due and payable (as the case may be) for the relevant Notes shall be deemed to fall on the Payment Event Cut-Off Date. ## 7. **Redemption and Purchase**

### (A) *Redemption at Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note (other than a Credit Linked Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date or, if the Notes are specified as Physical Delivery Notes in the applicable Final Terms, by delivery of the Entitlement (subject as provided in "Annex 10 – *Additional Terms and Conditions for Physical Delivery Notes*") specified in, or determined in the manner specified in, the applicable Final Terms on the Maturity Date.

### (B) *Redemption for Tax Reasons*

The Issuer may redeem the Notes, in whole, but not in part, at any time prior to maturity at their Early Redemption Amount, together, if appropriate, with accrued interest to (but excluding) the date fixed for redemption, if: (i) the Issuer or (in the case of Notes issued by MLB) the Guarantor shall determine that the Issuer would be required to pay Additional Amounts, as provided in Condition 9 (*Taxation*), on the occasion of the next payment due with respect to the Notes; (ii) any payment or deemed payment as determined for United States tax purposes with respect to the Notes or with respect to a direct or indirect hedging arrangement entered into by the Issuer or any of its Affiliates relating to the Notes may be treated as a dividend or "dividend equivalent" for United States tax purposes (such event being a "U.S. **Withholding Tax Event**"); or (iii) in the case of Notes issued by MLB, on the occasion of the next payment due in respect of the Notes, the Guarantor would be unable to procure the Issuer to make payment and, in making such payment itself under the Guarantee, the Guarantor would be required to pay Additional Amounts as provided in Condition 9 (*Taxation*).

Notice of intention to redeem Notes pursuant to this Condition 7(B) (*Redemption and Purchase – Redemption for Tax Reasons*) will be given at least once in accordance with Condition 14 (*Notices*) not less than 30 calendar days nor more than 60 calendar days prior to the date fixed for redemption, provided that no such notice of redemption shall be given earlier than 90 calendar days prior to the effective date of such change or amendment and that at the time notice of such redemption is given, such obligation to pay such additional amounts remains in effect and cannot be avoided by the Issuer's taking reasonable measures available to it. From and after any redemption date, if monies for the redemption of Notes shall have been made available for redemption on such redemption date, such Notes shall cease to bear interest, if applicable, and the only right of the holders of such Notes shall be to receive payment of the Early Redemption Amount and, if appropriate, all unpaid interest accrued to such redemption date.

### (C) *Redemption for Tax Compliance Reasons*

MLB may, at its option, redeem the Notes, in whole or in part, at any time prior to maturity, at their Early Redemption Amount, together, if appropriate, with accrued interest to (but excluding) the date fixed for redemption, if MLB determines in good faith that it has, or there is a substantial likelihood that it will, become subject to withholding imposed on a payment made to it on account of MLB's inability to comply with the reporting requirements imposed by the FATCA Provisions (as defined below), provided that such inability to comply with the reporting requirements is attributable to non-compliance by any Holder of such Notes

(or a foreign withholding agent (if any) in the chain of custody of payments made to the Holders) with MLBV's requests for certifications or identifying information (such redemption, a "**Redemption for Tax Compliance Reasons**"). Upon a Redemption for Tax Compliance Reasons, Notes held by compliant Holders, in addition to those held by non-compliant Holders, may be redeemed.

Notice of intention to redeem Notes pursuant to this Condition 7(C) will be given in accordance with Condition 14 (*Notices*) not less than 30 calendar days nor more than 60 calendar days prior to the date fixed for redemption. From and after any redemption date, if monies for the redemption of Notes shall have been made available for redemption on such redemption date, such Notes shall cease to bear interest, if applicable, and the only right of the holders of such Notes shall be to receive payment of the Early Redemption Amount and, if appropriate, all unpaid interest accrued to such redemption date.

(D) *Redemption at the Option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

- (a) not less than 30 nor more than 60 calendar days' notice to the Noteholders in accordance with Condition 14 (*Notices*) (or such other period as is specified in the applicable Final Terms); and
- (b) not less than two London Business Days' notice (or such other period as is specified in the applicable Final Terms) before the giving of the notice referred to in (a), notice to the Principal Paying Agent,

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and/or not more than the Maximum Redemption Amount in each case as may be specified in the applicable Final Terms. In the case of Redeemed Notes represented by Individual Note Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 (*Notices*) not less than 30 calendar days prior to the date fixed for redemption. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this paragraph (D) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 (*Notices*) at least five calendar days' prior to the Selection Date.

(E) *Redemption at the Option of the Noteholders (Investor Put)*

If Investor Put is specified in the applicable Final Terms, upon the Holder of any Note giving to the Issuer in accordance with Condition 14 (*Notices*) not less than 30 nor more than 60 calendar days' notice (or such other notice period as is specified in the applicable Final Terms) the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the

terms specified in the applicable Final Terms, such Note on the Optional Redemption Date and at the Optional Redemption Amount together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions detailing such conditions and/or circumstances to be satisfied will be set out in the applicable Final Terms.

If the Note is represented by an Individual Note Certificate and held outside Euroclear and Clearstream, Luxembourg, to exercise the right to require redemption of the Note the Holder of the Note must deliver at the specified office of the Principal Paying Agent at any time during normal business hours of the Principal Paying Agent falling within the notice period, a duly signed and completed notice of exercise (a "**Put Notice**") in the form (for the time being current) obtainable from the specified office of the Principal Paying Agent and in which the Holder must specify a bank account (or, if payment is required by cheque, an address) to which payment is to be made under this Condition 7 (*Redemption and Purchase*) accompanied by the relevant Individual Note Certificate(s) or evidence satisfactory to the Principal Paying Agent that the Individual Note Certificate(s) will, following delivery of the Put Notice, be held to its order or under its control.

If the Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of the Note the Holder of the Note must, within the notice period, give notice to the Principal Paying Agent of such exercise in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on its instruction by Euroclear or Clearstream, Luxembourg or the Common Depositary or its nominee or common safekeeper, as the case may be, for them to the Principal Paying Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if the Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Principal Paying Agent for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of Euroclear and Clearstream, Luxembourg given by a Holder of any Note pursuant to this paragraph (E) shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing in which event such Holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph (E) and instead to declare such Note forthwith due and payable pursuant to Condition 11 (*Events of Default*).

(F) *Exercise of Options or Partial Redemption in respect of Definitive Registered Notes*

See Condition 2(D) above for information about the issuance of new Individual Note Certificates in the event of an exercise of an Issuer Call or Investor Put in respect of, or a partial redemption of, a holding of Definitive Registered Notes.

determined by the Calculation Agent which on (i) in the case of redemption other than pursuant to Condition 11 (*Events of Default*), the second Business Day immediately preceding the due date for the early redemption of such Note, or (ii) in the case of redemption pursuant to Condition 11 (*Events of Default*), the due date for the early redemption of such Note, represents the fair market value of such Note (taking into account all factors which the Calculation Agent determines to be relevant) less Associated Costs, and provided that no account shall be taken of the financial condition of the Issuer which shall be presumed to be able to perform fully its obligations in respect of the Notes and provided further that, if "Market Value less Associated Costs (90 per cent. floor)" is specified in the applicable Final Terms as the Early Redemption Amount, in no event shall the Early Redemption Amount of each Note (in the case of an Instalment Note, when aggregated with the sum of any Instalment Amounts already paid in respect of such Note) be less than 90 per cent. of the Specified Denomination of such Note (or, in the case of a Partly Paid Note, 90 per cent. of the amount paid up in respect of such Note, or, in the case of a Zero Coupon Note, 90 per cent. of the Amortised Face Amount (as defined in sub-paragraph (c) below) of such Note); or

"**AY**" means the Accrual Yield expressed as a decimal; and

"**y**" is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Final Terms.

As used herein:

"**Associated Costs**" means, an amount per Note of the Specified Denomination equal to such Notes' *pro rata* share of the total amount of any and all costs associated or incurred by the Issuer or any Affiliate in connection with such early redemption, including, without limitation, any costs associated with unwinding any funding relating to the Notes and any costs associated with unwinding any hedge positions relating to the Notes, all as determined by the Calculation Agent in its sole discretion.

statute or by Regulation of the U.S. Department of the Treasury or of the relevant Netherlands authority (as applicable), as the case may be, as a precondition to relief or exemption from such tax, assessment or other governmental charge;

11. **Events of Default**

(A) *Notes issued by MLBV*

The occurrence of one or more of the following events with respect to any Series of Notes issued by MLBV shall constitute an "**Event of Default**" with respect to such Series:

- (a) default shall be made in the payment of any amount of interest due in respect of any such Notes and the default continues for a period of 30 calendar days after the due date; or
- (b) default shall be made in the payment of any principal of any such Notes or in the delivery when due of the Entitlement in respect of any such Notes (in each case whether at maturity or upon redemption or otherwise), and such default continues for a period of 30 calendar days after the due date; or
- (c) MLBV or the Guarantor shall fail to perform or observe any other term, covenant or agreement contained in the Terms and Conditions applicable to any of such Notes or in the English Law Agency Agreement or the Guarantee for the period of 90 calendar days after the date on which written notice of such failure, requiring MLBV or the Guarantor, as the case may be, to remedy the same, first shall have been given to the Principal Paying Agent, MLBV and the Guarantor by Holders of at least 33 per cent. of the aggregate principal amount of any such Notes outstanding; or
- (d) a court having jurisdiction in the premises shall have entered a decree or order granting relief with respect to MLBV or the Guarantor in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of MLBV or the Guarantor or of all or substantially all of its property or for the winding up or liquidation of its affairs, and such decree or order shall have remained in force and unstayed for a period of 60 consecutive calendar days; or
- (e) MLBV or the Guarantor shall institute proceedings for relief under any applicable bankruptcy, insolvency or any other similar law now or hereafter in effect, or shall consent to the institution of any such proceedings against it, or shall consent to the appointment of a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of it or of all or substantially all of its property, or shall make an assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall take any corporate action in furtherance of any of the foregoing.

If an Event of Default shall occur and be continuing with respect to any Series of Notes issued by MLBV, then the Holders of at least 33 per cent. in aggregate principal amount of such Notes outstanding may, at their option, declare such Notes to be due and payable immediately at the Early Redemption Amount, together with interest, if any, accrued thereon by written notice to MLBV, the Guarantor and the Principal Paying Agent at its main office in London, and if any such default is not waived in accordance with Condition 11(D) or cured by MLBV or the Guarantor, as the case may be, prior to receipt of such written notice, such Notes shall become and be immediately due and payable at the Early Redemption Amount, together with the interest, if any, accrued on such Notes.

(B) *Notes issued by BAC*

The occurrence of any of the following events with respect to any Series of Notes issued by BAC shall constitute an "**Event of Default**" with respect to such Series:

- (a) BAC shall fail to pay the principal amount of any of such Notes or in the delivery of the Entitlement when due whether at maturity or upon early redemption or otherwise; or
- (b) BAC shall fail to pay any instalment of interest, other amounts payable, or Additional Amounts on any of such Notes for a period of 30 calendar days after the due date; or

- (c) BAC shall fail duly to perform or observe any other term, covenant, or agreement applicable to such Notes contained in any of such Notes or in the New York Law Agency Agreement for a period of 90 calendar days after the date on which written notice of such failure, requiring BAC to remedy the same, shall first have been given to BAC, the Registrar and the Principal Paying Agent by the holders of at least 25.00 per cent. in aggregate principal amount of such Notes at the time outstanding; provided, however, that in the event BAC within the aforesaid period of 90 calendar days shall commence legal action in a court of competent jurisdiction seeking a determination that BAC had not failed duly to perform or observe the term or terms, covenant or covenants, or agreement or agreements specified in the aforesaid notice, such failure shall not be an Event of Default unless the same continues for a period of ten calendar days after the date of any final determination to the effect that BAC had failed to duly perform or observe one or more of such terms, covenants, or agreements; or
- (d) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of BAC in an involuntary case or proceeding under any applicable bankruptcy, insolvency, reorganisation, or other similar law now or hereafter in effect, or appointing a receiver, liquidator, conservator, assignee, custodian, trustee, or sequestrator (or similar official) of BAC or for any substantial part of its property or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 60 consecutive calendar days; or
- (e) BAC shall commence a voluntary case or proceeding under any applicable bankruptcy, insolvency, liquidation, receivership, reorganisation, or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, conservator, assignee, trustee, custodian, or sequestrator (or similar official) of BAC or for any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due or shall take any corporate action in furtherance of any of the foregoing.

If an Event of Default shall occur and be continuing with respect to any Series of Notes issued by BAC, then the Noteholders of at least 25.00 per cent. in aggregate principal amount of such Notes outstanding, by written notice to BAC, the Registrar and the Principal Paying Agent, may declare such Notes to be due and payable immediately at the Early Redemption Amount (together with accrued and unpaid interest (if any) to (but excluding) the date of repayment and any Additional Amounts (if any) thereon) and if any such Event of Default is not waived, in accordance with Condition 11(D), prior to or shall continue at the time of receipt of such written notice, such amounts shall become immediately due and payable. Upon payment of such amounts, all of BAC's obligations in respect of payment of principal of, interest on, or any other amounts then payable on (and Additional Amounts, if any) such Notes shall terminate. Interest on overdue principal, interest or any other amounts then payable thereon (and Additional Amounts, if any) shall accrue from the date on which such principal, interest or any other amounts then payable (and Additional Amounts, if any) were due and payable to the date such principal, interest or any other amounts payable (and Additional Amounts, if any) are paid or duly provided for, at the rate borne by such Notes (to the extent payment of such interest shall be legally enforceable).

- (C) At any time after any Series of Notes has become due and payable following a declaration of acceleration made in accordance with this Condition 11 and before a judgment or decree for payment of the money due with respect to such Notes has been obtained by any Noteholder of such Notes, such declaration and its consequences may be rescinded and annulled upon the written consent of Noteholders of a majority in aggregate principal amount of such Notes then outstanding, or by resolution adopted by a majority in aggregate principal amount of such Notes outstanding present or represented at a meeting of Noteholders of such Notes at which a quorum is present, as provided in the applicable Agency Agreement, if:
  - (i) (A) the Issuer has paid, or has deposited with the relevant clearing system, a sum sufficient to pay:

- (1) all overdue amounts of interest on such Notes;
- (2) the principal of such Notes which has become due otherwise than by such declaration of acceleration; or
- (B) in the case of Notes to be redeemed by physical delivery, the Issuer has delivered the relevant assets to any agent appointed by the Issuer to deliver such assets to the Noteholders; and
- (ii) all Events of Default with respect to such Notes, other than the non-payment of the principal of such Notes which has become due solely by such declaration of acceleration, have been cured or waived as provided in Condition 11(D) below.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

- (D) Any default by the Issuer or (in the case of Notes issued by MLBV) the Guarantor, other than the events described in Condition 11(A)(a), Condition 11(A)(b), Condition 11(B)(a) or Condition 11(B)(b), and other than an event described in Condition 11(A)(c) or Condition 11(B)(c) in respect of a covenant or provision of these Conditions which cannot be amended or modified without the passing of an Extraordinary Resolution of Noteholders, may be waived by the written consent of Noteholders of a majority in aggregate principal amount of such Notes then outstanding affected thereby, or by resolution adopted by a majority in aggregate principal amount of such Notes then outstanding present or represented at a meeting of Noteholders of such Notes affected thereby at which a quorum is present, as provided in the applicable Agency Agreement. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the applicable Agency Agreement, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

## 12. **Replacement of Notes**

Should any Note be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Principal Paying Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes must be surrendered before replacements will be issued.

The names of the initial Paying Agent and the Registrar and their initial specified offices are as set out at the end of these Terms and Conditions.

Notice of any variation, termination, appointment or change in the Paying Agents or the Registrar will be given to the Noteholders in accordance with Condition 14 (*Notices*) provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such variation, termination or changes.

In acting under the applicable Agency Agreement, the Paying Agents and the Registrar act solely as agents of the Issuer and (in the case of Notes issued by MLBV) the Guarantor and do not assume any obligation to, or relationship of agency or trust with, any Noteholders. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers; or

Until such time as any Individual Note Certificates are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of Euroclear and/or Clearstream, Luxembourg, as the case may be, be substituted for such publication in such newspaper(s) (as described in Condition 14(b)) the delivery of the relevant notice to Euroclear and/or Clearstream, Luxembourg, as applicable for communication by them to the Holders of the Notes and, in addition, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the Holders of the Notes on the day on which such notice was given to Euroclear and/or Clearstream, Luxembourg, as applicable.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together with, in the case of Definitive Registered Notes, the related Individual Note Certificate (if applicable), with the Principal Paying Agent. Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Principal Paying Agent through Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Principal Paying Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

## 15. Meetings of Noteholders, Modification and Waiver

The applicable Agency Agreement contains provisions for convening meetings of the Holders of Notes of a particular Series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of such Notes or any of the provisions of the applicable Agency Agreement. In the case of Notes issued by MLBV, such a meeting may be convened by the Guarantor and shall be convened by the Issuer if required in writing by the Noteholders holding not less than 33 per cent. in nominal amount of the Notes of the affected Series for the time being outstanding. In the case of Notes issued by BAC, such a meeting may be convened by BAC and shall be convened by BAC if required in writing by the Noteholders holding not less than 10 per cent. in nominal amount of the Notes of the affected Series for the time being outstanding. (in the case of Notes issued by MLBV) or a clear majority (in the case of Notes issued by BAC) in nominal amount of the Notes of the affected Series for the time being outstanding, or at any adjourned meeting one or more persons present whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the Entitlement or the rate

of interest payable in respect of the Notes or altering the currency of payment of the Notes except, in each case, in accordance with these Conditions), the quorum shall be one or more persons present and holding or representing not less than two-thirds (in the case of Notes issued by MLBV) or three-quarters (in the case of Notes issued by BAC) in nominal amount of the Notes of the affected Series for the time being outstanding, or at any adjourned such meeting one or more persons present and holding or representing not less than one-third (in the case of Notes issued by MLBV) or one-quarter (in the case of Notes issued by BAC) in nominal amount of the Notes of the affected Series for the time being outstanding. Any such modification shall be binding on the Noteholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 (*Notices*) as soon as practicable thereafter.

#### 16. **Further Issues**

The Issuer shall be at liberty from time to time without the consent of the Noteholders to create and issue further notes having terms and conditions the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding Notes.

If the Issuer issues further Notes of the same Series during the initial 40-day restricted period applicable to the outstanding Notes of such Series, then such 40-day period will be extended until 40 calendar days after the later of the commencement of the offering of such further issue of Notes and the Issue Date of such further issue of Notes. In addition, if the Issuer issues further Notes of the same Series after the expiration of the 40-day restricted period, a new 40-day restricted period will be applied to such further issue of Notes without applying to the outstanding Notes. After the expiration of the new 40-day restricted period, all such Notes will be consolidated with and form a single Series with the outstanding Notes.

For the avoidance of doubt, the Secured W&C Instruments issued by MLICo. are not guaranteed by BAC and Holders of such Secured W&C Instruments will not be able to claim under the terms of either Guarantee for any unpaid amounts and any such shortfall will not constitute an unsecured claim by such Holder of Secured W&C Instruments against the Guarantor.

W&C Instruments to be issued into and transferred through accounts at Clearstream, Frankfurt (as defined below) will be constituted by a Global W&C Instrument (a "**CBF Global W&C Instrument**") in bearer form, provided, however, that the W&C Instruments will be treated as in registered form for United States federal income tax purposes.

The applicable Final Terms will indicate whether settlement shall be by way of cash payment ("**Cash Settled W&C Instruments**") or physical delivery ("**Physical Delivery W&C Instruments**") and whether averaging ("**Averaging**") will apply to the W&C Instruments.

If Averaging is specified as applying in the applicable Final Terms, the applicable Final Terms will state the relevant Averaging Dates and, in respect of Index Linked Instruments and Share Linked Instruments, if an Averaging Date is a Disrupted Day, whether Omission, Postponement or Modified Postponement applies.

W&C Instruments may, if so specified and provided for in the applicable Final Terms, allow Holders to elect for settlement by way of cash payment or by way of physical delivery or by such other method of settlement as is specified in the applicable Final Terms. Those W&C Instruments where the Holder has elected for cash payment will be Cash Settled W&C Instruments and those W&C Instruments where the Holder has elected for physical delivery will be Physical Delivery W&C Instruments. ## 2. Status of the W&C Instruments and Guarantees

Other than the Swiss COSIs and the Secured W&C Instruments, the W&C Instruments constitute direct, unsubordinated, unconditional and unsecured obligations of the Issuer and rank equally among themselves and rank equally (subject to such exceptions as are from time to time provided by applicable laws) with all other present and future direct, unsubordinated, unconditional and unsecured obligations of the Issuer.

The Swiss COSIs constitute direct, unsubordinated and unconditional obligations of the Issuer and rank equally among themselves and rank equally (subject to such exceptions as are from time to time provided by applicable laws) with all other present and future direct, unsubordinated and unconditional obligations of the Issuer and are collateralised in accordance with the terms of the Framework Agreement.

The Secured W&C Instruments constitute direct, unsubordinated, limited recourse and unconditional obligations of MLICo., secured in respect of the relevant Collateral Assets, and rank equally among themselves and rank equally (subject to such exceptions as are from time to time provided by applicable laws) with all other present and future direct, unsubordinated, limited recourse, unconditional and secured obligations of MLICo.

The obligations of the Guarantor under each Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, will rank *pari passu* with its other present and future unsecured and unsubordinated obligations.

## 3. Guarantees

Under the Non-COSI Guarantee, the Guarantor has unconditionally and irrevocably guaranteed to the Holders, (i) the due and punctual payment of any and all amounts payable by the Issuer as obligor in respect of the W&C Instruments (except for Secured W&C Instruments which it does not guarantee) and/or (ii) subject as provided below, the due and punctual delivery of non-cash consideration deliverable by the Issuer in respect of the W&C Instruments (except for Secured W&C Instruments which it does not guarantee), if applicable, when and as the same shall become due and payable or when the same shall become due for delivery, as the case may be, pursuant to the Conditions and to the extent provided in the Non-COSI Guarantee. The Secured W&C Instruments will not have the benefit of the Non-COSI Guarantee. As more fully set forth in the Non-COSI Guarantee, the Guarantor shall at all times

have the right, at its sole and unfettered discretion, to elect not to deliver or procure delivery of the Entitlement to the Holders of Physical Delivery W&C Instruments (which term, as it relates to the Non-COSI Guarantee and the Guarantor does not include Secured W&C Instruments) when the same shall become due and deliverable, but in lieu thereof, to pay an amount in cash equal to the Guaranteed Cash Settlement Amount. The "**Guaranteed Cash Settlement Amount**" in respect of each W&C Instrument, other than any Secured W&C Instruments, means an amount calculated pursuant to the terms of, or as specified in, the applicable Final Terms (or, in respect of each Credit Linked W&C Instruments, as set out in Condition 5 (*Physical Settlement*) of "Annex 9B - *Additional Terms and Conditions for Credit Linked W&C Instruments*" or, if not specified in the applicable Final Terms, an amount equal to the fair market value of the Entitlement in respect of such W&C Instrument on any date notified as such by the Guarantor to the Issuer and the Calculation Agent, less the cost to the Issuer and/or its Affiliates or agents of unwinding or adjusting any underlying or related hedging arrangements (including the cost of funding in respect of such hedging arrangements), all as determined by the Guarantor in its sole and absolute discretion. Any payment of the Guaranteed Cash Settlement Amount in lieu of the Entitlement shall constitute a complete discharge of the Guarantor's obligations in respect of such Physical Delivery W&C Instruments.

Under the Swiss COSI Guarantee, the Guarantor will conditionally but irrevocably guarantee to the Holders the payment obligations of MLICo. to the extent of any Shortfall for the relevant Series of Swiss COSIs. Any and all obligations of the Guarantor under the Swiss COSI Guarantee will be conditional and secondary, it being understood and agreed that the Holders shall have no right to proceed under the Swiss COSI Guarantee until the SIX Swiss Exchange or other liquidator has liquidated all the collateral relating to the relevant Series of Swiss COSIs furnished by the Swiss COSI Collateral Provider in accordance with the Framework Agreement and applicable law (the "**Collateral Enforcement Efforts**"). Subject as provided above, and as more fully set forth in the Swiss COSI Guarantee, in the event that the proceeds and other amounts received by the SIX Swiss Exchange or other liquidator after exhausting all Collateral Enforcement Efforts are insufficient to pay to the Holders the Current Value (as defined in the Framework Agreement) of the relevant Series of Swiss COSIs (the "**Shortfall**") and in case of the failure of MLICo. to punctually make payment of any Shortfall when and as the same shall become due and payable, the Guarantor will agree in the Swiss COSI Guarantee to pay or cause to be paid promptly upon demand such additional amounts as are necessary to ensure that the Holders receive the Current Value of the relevant Series of Swiss COSIs as though there had been no Shortfall.

(A) *Settlement Disruption*

If, following the exercise of Physical Delivery W&C Instruments, in the opinion of the Calculation Agent, delivery of the Entitlement using the method of delivery specified in the applicable Final Terms is not practicable by reason of a Settlement Disruption Event (as defined below) having occurred and continuing on any Settlement Date, then such Settlement Date for such W&C Instruments shall be postponed to the first following Settlement Business Day in respect of which there is no such Settlement Disruption Event, provided that the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant W&C Instruments or Unit, as the case may be, by delivering the Entitlement using such other

commercially reasonable manner as it may select and in such event the Settlement Date shall be such day as the Issuer deems appropriate in connection with delivery of the Entitlement in such other commercially reasonable manner. For the avoidance of doubt, where a Settlement Disruption Event affects some but not all of the Relevant Assets comprising the Entitlement, the Settlement Date for the Relevant Assets not affected by the Settlement Disruption Event will be the originally designated Settlement Date. In the case of Warrants, in the event that a Settlement Disruption Event will result in the delivery on a Settlement Date of some but not all of the Relevant Assets comprising the Entitlement, the Calculation Agent shall determine in its discretion the appropriate *pro rata* portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement. For so long as delivery of the Entitlement is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy and discharge its obligations in respect of the relevant W&C Instruments or Unit, as the case may be, by payment to the relevant Holder of the Disruption Cash Settlement Price (as defined below) on the third Business Day following the date that notice of such election is given to the Holders in accordance with Condition 12 (*Notices*). No Holder shall be entitled to any payment in respect of the relevant W&C Instrument or Unit, as the case may be, in the event of any delay in the delivery of the Entitlement due to the occurrence of a Settlement Disruption Event and no liability in respect thereof shall attach to the Issuer or the Guarantor.

For the purposes hereof:

**"Disruption Cash Settlement Price"** in respect of any relevant W&C Instruments or Unit, as the case may be, shall be the fair market value of such W&C Instruments or Unit, as the case may be, (taking into account, where the Settlement Disruption Event affected some but not all of the Relevant Assets comprising the Entitlement and such non-affected Relevant Assets have been duly delivered as provided above, the value of such duly delivered Relevant Assets), less the cost to the Issuer and/or its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Issuer in its sole and absolute discretion, plus, in the case of Warrants and if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion); and

- (a) subject as provided elsewhere in the Conditions, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Settlement Date and, in the case of Warrants, the Calculation Agent shall determine in its discretion the appropriate *pro rata* portion of the Exercise Price to be paid by the relevant Holder in respect of that partial settlement; and
- (b) in respect of any Affected Relevant Assets, in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant W&C Instruments or Unit, as the case may be, by payment to the relevant Holder of the Failure to Deliver Settlement

Price (as defined below) on the fifth Business Day following the date that notice of such election is given to the Holders in accordance with Condition 12 (*Notices*). The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with Condition 12 (*Notices*) that the provisions of this Condition 5(B) apply.

For the purposes hereof:

**"Failure to Deliver Settlement Price"** means, in respect of any relevant W&C Instrument or Unit, as the case may be, the fair market value of such W&C Instrument or Unit, as the case may be (taking into account, the Relevant Assets comprising the Entitlement which have been duly delivered as provided above), less the cost to the Issuer and/or its Affiliates or agents of unwinding any underlying related hedging arrangements, all as determined by the Issuer in its sole and absolute discretion, plus, in the case of Warrants and if already paid, the Exercise Price (or, where as provided above some Relevant Assets have been delivered, and a *pro rata* portion thereof has been paid, such *pro rata* portion).

(C) *Issuer's Option to Vary Settlement*

If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the W&C Instruments, upon a valid exercise of W&C Instruments in accordance with these Terms and Conditions, the Issuer may, at its sole and unfettered discretion, in respect of each such W&C Instrument or Unit elect not to pay the relevant Holders the Cash Settlement Amount or not to deliver or procure delivery of the Entitlement, as the case may be, to the relevant Holders but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Cash Settlement Amount on the Settlement Date to the relevant Holders. Notification of such election will be given to Holders in accordance with Condition 12 (*Notices*) no later than 10.00 a.m. (London time) on the second Business Day following the Actual Exercise Date.

Any Partial Distribution made by the Issuer to the Holders will be calculated and/or determined by the Calculation Agent in its sole and absolute discretion and shall be paid and/or delivered to the Holders *pro rata* (as far as possible, subject to any necessary adjustments for rounding) to the proportion of the W&C Instruments of the same Series held by the relevant Holder. In the event that any Partial Distribution is made by the Issuer, the Calculation Agent may, in its sole and absolute discretion, make any such corresponding adjustment to any variable relevant to the redemption or payment terms of the relevant W&C Instruments as it deems necessary and shall notify the relevant Holders thereof in accordance with Condition 12 (*Notices*).

The Issuer may cancel the W&C Instruments, in whole, but not in part, at any time at their Early Settlement Amount (as defined in Condition 9 (*Illegality*)), if the Issuer shall determine that any payment or deemed payment as determined for United States tax purposes with respect to the W&C Instruments or with respect to a direct or indirect hedging arrangement entered into by the Issuer or any of its Affiliates relating to the W&C Instruments may be treated as a dividend or "dividend equivalent" for United States tax purposes (such event being a **"U.S. Withholding Tax Event"**).

### (B) *Cancellation for Tax Compliance Reasons*

The Issuer may, at its option, cancel the W&C Instruments, in whole or in part, at any time, at their Early Settlement Amount, if the Issuer determines in good faith that it has, or there is a substantial likelihood that it will, become subject to withholding imposed on a payment made to it on account of the Issuer's inability to comply with the reporting requirements imposed by the FATCA Provisions, provided that such inability to comply with the reporting requirements is attributable to non-compliance by any Holder of such W&C Instruments (or a foreign withholding agent (if any) in the chain of custody of payments made to the Holders) with the Issuer's requests for certifications or identifying information (such cancellation, a **"Cancellation for Tax Compliance Reasons"**). Upon a Cancellation for Tax Compliance Reasons, W&C Instruments held by compliant Holders, in addition to those held by non-compliant Holders, may be cancelled.

Notice of intention to cancel W&C Instruments will be given in accordance with Condition 12 (*Notices*) not less than 30 calendar days nor more than 60 calendar days prior to the date fixed for cancellation. Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 12 (*Notices*).

9. **Illegality**

In the event that the Issuer determines in good faith that (i) the performance of the Issuer's obligations under the W&C Instruments or that any arrangements made to hedge the Issuer's obligations under the W&C Instruments or (ii) the performance by the Guarantor of any of its obligations under the relevant Guarantee in respect of the W&C Instruments (except for Secured W&C Instruments to which the Guarantee does not apply), has or will become, in whole or in part, unlawful, illegal or otherwise contrary to any present or future law, rule, regulation, judgment, order or directive of any governmental, administrative, legislative, judicial or regulatory authority or powers, or any change in the interpretation thereof that is applicable to the Issuer and/or (if applicable) the Guarantor, the Issuer may, at its discretion, cancel the W&C Instruments by giving notice to Holders in accordance with Condition 12 (*Notices*).

Should any one or more of the provisions contained in these Terms and Conditions be or become invalid, the validity of the remaining provisions shall not in any way be affected thereby.

If the Issuer cancels the W&C Instruments then the Issuer will, if and to the extent permitted by applicable law, pay an amount to each Holder in respect of each W&C Instrument or each Unit, as the case may be, held by such Holder, which amount shall be the fair market value of a W&C Instrument or Unit, as the case may be, notwithstanding such illegality less the cost to the Issuer and/or its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants and if already paid by or on behalf of the Holder, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion (the "**Early Settlement Amount**"). Payment will be made in such manner as shall be notified to the Holders in accordance with Condition 12 (*Notices*).

10. **Repurchases**

The Issuer, (if applicable) the Guarantor or any of their Affiliates may purchase W&C Instruments at any time and from time to time outstanding W&C Instruments by tender in the open market or by private agreement. Such W&C Instruments may be held, reissued, resold or at the option of the Issuer or (if applicable) the Guarantor, surrendered to any Instrument Agent for cancellation.

11. **Agents, Determinations, Modifications and Meeting Provisions**

(A) *Instrument Agents and Registrar*

The specified offices of the Instrument Agents and the Registrar are as set out at the end of these Terms and Conditions.

In the case of Swedish W&C Instruments, the Issuer has appointed the Swedish Instrument Agent. The Swedish Instrument Agent acts solely as agent of the Issuer and (if applicable) the Guarantor and does not assume any obligation to, or relationship of agency and trust with, the Holders.

In the case of Finnish W&C Instruments, the Issuer has appointed the Finnish Instrument Agent. The Finnish Instrument Agent acts solely as agent to the Issuer and (if applicable) the Guarantor and does not assume any obligation to, or relationship of agency with, the Holders.

The Issuer and (if applicable) the Guarantor are entitled to vary or terminate the appointment of any Instrument Agent or the Registrar and/or to appoint additional or other Instrument Agents or Registrars and/or approve any change in the specified office through which any Instrument Agent or Registrar acts, provided that:

- (i) at all times there will be a Principal Instrument Agent and a Registrar (which, in the case of the Registrar, shall be an entity with a specified office outside of the United Kingdom);

- (ii) so long as any W&C Instruments are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be an Instrument Agent, which may be the Principal Instrument Agent, with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (iii) so long as any of the W&C Instruments are represented by a CBF Global W&C Instrument, there shall be a Frankfurt Instrument Agent;
- (iv) so long as any of the Warrants are represented by a Rule 144A Global Warrant held through DTC, there shall be a U.S. Warrant Agent;
- (v) so long as any of the W&C Instruments are Swedish W&C Instruments, there shall be a Swedish Instrument Agent who shall be duly authorised as an account operator and issuing agent under the Swedish CSD Rules;
- (vi) so long as any of the W&C Instruments are Finnish W&C Instruments, there shall be a Finnish Instrument Agent who shall be duly authorised as an account operator and issuing agent under the Euroclear Finland Rules;
- (vii) so long as any of the W&C Instruments are listed on the SIX Swiss Exchange, there shall be a Swiss Programme Agent being a Swiss bank or securities dealer; and
- (viii) there shall at all times be a Calculation Agent.

Notice of any variation or termination of appointment and of any changes in the specified office of any Instrument Agent or the Registrar will be given to Holders in accordance with Condition 12 (*Notices*) provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such variation, termination or changes.

In acting under the English Law Agency Agreement, each Instrument Agent and the Registrar acts solely as agent of the Issuer and (if applicable) the Guarantor and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders and any determinations and calculations by the Instrument Agents or Registrar in respect of the W&C Instruments shall (save in the case of manifest or proven error) be final, conclusive and binding on the Issuer, (if applicable) the Guarantor and the Holders.

(B) *Calculation Agent*

In relation to each issue of W&C Instruments, the Calculation Agent (whether it be Merrill Lynch International or another entity) acts solely as agent of the Issuer and (if applicable) the Guarantor and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. All calculations and determinations made in respect of the W&C Instruments by the Calculation Agent shall be in its sole and absolute discretion (unless, in respect of the particular calculation or determination to be made, the Terms and Conditions provide that it shall be made in a "commercially reasonable manner"), in good faith, and shall (save in the case of manifest or proven error) be final, conclusive and binding on the Issuer, (if applicable) the Guarantor, the Instrument Agents and the Holders. The Calculation Agent shall promptly notify the Issuer and the Principal Instrument Agent upon any such calculations and determinations, and (in the absence of wilful default, bad faith or manifest or proven error) no liability to the Issuer, (if applicable) the Guarantor, the Instrument Agents or the Holders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

The Calculation Agent may, with the consent of the Issuer, delegate any of its obligations and functions to a suitably competent third party of good standing as it deems appropriate.

(C) *Determinations by the Issuer*

Any determination made by the Issuer pursuant to these Terms and Conditions shall (save in the case of manifest or proven error) be final, conclusive and binding on the Instrument Agents, the Registrar and the Holders.

(D) *Modifications and Meetings Provisions*

The English Law Agency Agreement contains provisions for convening meetings of the Holders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Terms and Conditions of the W&C Instruments or any of the provisions of the English Law Agency Agreement. Such a meeting may be convened by the Issuer or (if applicable) the Guarantor and shall be convened by the Issuer if required in writing by the Holders holding not less than 33 per cent. (by number) of the W&C Instruments of the relevant Series for the time being remaining unexercised. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons present and holding or representing in the aggregate not less than 50 per cent. (by number) of the W&C Instruments of the relevant Series for the time being unexercised, or at any adjourned meeting one or more persons present whatever the number of the W&C Instruments so held or represented by them, except that at any meeting the business of which includes the modification of certain provisions of the Terms and Conditions of the W&C Instruments (including modifying the Exercise Date, reducing or cancelling the Cash Settlement Amount or the Entitlement or the additional amount payable (if applicable) or altering the Cash Settlement Currency), the quorum shall be one or more persons present and holding or representing not less than two-thirds (by number) of the W&C Instruments of the relevant Series for the time being unexercised, or at any adjourned such meeting one or more persons present and holding or representing not less than one-third (by number) of the W&C Instruments of the relevant Series for the time being unexercised. An Extraordinary Resolution passed at any meeting of the Holders shall be binding on all Holders, whether or not they are present at the meeting.

The relevant Instrument Agents and each Issuer may agree, without the consent of the Holders, to:

- (a) any modification (except as mentioned above) of the W&C Instruments or English Law Agency Agreement which is not prejudicial to the interests of the Holders; or
- (b) any modification of the W&C Instruments or the English Law Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Holders and any such modification shall be notified to the Holders in accordance with Condition 12 (*Notices*) as soon as practicable thereafter.

12. **Notices**

In the case of W&C Instruments represented by a Global W&C Instrument, Swedish W&C Instruments or Finnish W&C Instruments, all notices to Holders shall be valid: (i) if delivered (x) in the case of W&C Instruments, which are not Swedish W&C Instruments or Finnish W&C Instruments, to each Clearing System, for communication by them to the Holders, (y) in the case of Swedish W&C Instruments, by mail to the address registered for such Holder in the Swedish Register or otherwise in accordance with the rules and regulations of the Swedish CSD, (z) in the case of Finnish W&C Instruments, by (A) mail from the Issuer or the Finnish Instrument Agent to the address registered for such Holder in the Finnish Register, (B) e-mail or other electronic means such as a SWIFT message from the Issuer or the Finnish Instrument Agent to the e-mail, SWIFT or relevant electronic address for such Holder as provided by Euroclear Finland, (C) publication in a leading Finnish language daily newspaper of general circulation in Helsinki (which is expected to be *Kauppalehti*) or (D) otherwise in accordance with the rules and regulations of Euroclear Finland; (ii) if and so long as the W&C Instruments are admitted to trading on, and listed on any stock exchange or are admitted to trading by another relevant authority, if delivered in accordance with the rules and regulations of the relevant stock exchange or other relevant authority; (iii) if and so long as the W&C Instruments are listed on the SIX Swiss Exchange, in accordance with the rules of the SIX Swiss Exchange and as specified in the Final Terms; and (iv) as otherwise specified in the applicable Final Terms.

If the W&C Instruments are admitted to trading on the Luxembourg Stock Exchange's Euro MTF and listed on the Official List of the Luxembourg Stock Exchange, notices shall be published either in a daily newspaper with general circulation in Luxembourg (which is expected to be the *Luxemburger Wort* or *Tageblatt*) or on the website of the Luxembourg Stock Exchange ([www.bourse.lu](http://www.bourse.lu)).

In the case of Definitive W&C Instruments, notices to the Holders will be deemed to be validly given if posted to the Holders of such Definitive W&C Instruments at their respective addresses in the Register.

Any such notice shall be deemed to have been given (i) in the case of W&C Instruments which are neither Swedish W&C Instruments nor Finnish W&C Instruments and which are held through a Clearing System, on the day on which such notice is delivered to the relevant Clearing System, (ii) in the case of W&C Instruments which are not Swedish W&C Instruments or Finnish W&C Instruments and which are not held through a Clearing System, on the second Business Day following such publication, (iii) in the case of Swedish W&C Instruments and Finnish W&C Instruments, (x) if sent by mail to the Holders, on the fourth weekday (being a day other than a Saturday or a Sunday) following the day on which the notice was sent by mail, (y) if sent by e-mail to the Holders, on the weekday (being a day other than a Saturday or a Sunday) following the day on which such e-mail was sent or, (z) in each case if earlier, the date of such publication or, if published more than once, on the date of the first such publication, (v) in the case of Definitive Registered Certificates, if sent by post, on the fourth weekday (being a day other than Saturday or Sunday) after the date of mailing, or (vi) in the case of W&C Instruments listed on the SIX Swiss Exchange, on the day such notice is published.

### 13. **Expenses and Taxation**

- (a) A Holder of W&C Instruments must pay all taxes, duties and/or expenses, including any applicable depositary charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities transfer and/or other taxes or duties arising from the exercise and settlement of such W&C Instruments and/or, if applicable, the delivery of the Entitlement pursuant to the terms of such W&C Instruments (together "**Expenses**").
- (b) The Issuer shall not be liable for or otherwise obliged to pay any tax, duty, withholding or other payment which may arise as a result of the ownership, transfer, exercise or enforcement of any W&C Instrument by any person and all payments made by the Issuer shall be made subject to any such tax, duty, withholding or other payment which may be required to be made, paid, withheld or deducted.

### 14. **Further Issues**

The Issuer shall be at liberty from time to time without the consent of Holders to create and issue further W&C Instruments so as to be consolidated with and form a single Series with the outstanding W&C Instruments.

### 15. **Substitution of the Issuer, Consolidation and Merger**

#### (A) *Substitution of the Issuer*

The Issuer, or any previous substituted company or other entity, may, at any time, without the consent of the Holders, substitute for itself as principal obligor under the W&C Instruments any company or other entity (the "**Substitute**") being the Guarantor or any of its other subsidiaries, subject to:

- (i) (except in the case of the substitution of the Guarantor), the W&C Instruments (other than the Secured W&C Instruments) being guaranteed by the Guarantor on the same terms, *mutatis mutandis*, as the W&C Instruments (other than the Secured W&C Instruments);

- (ii) all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the W&C Instruments represent legal, valid and binding obligations of the Substitute having been taken, fulfilled and done and are in full force and effect;
- (iii) the Substitute shall have become party to the English Law Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it;
- (iv) the Substitute and the Issuer shall have obtained legal opinions from independent legal advisers of recognised standing in the country of incorporation or other form of organisation of the Substitute, and (if the Guarantor is not the Substitute and other than in respect of Secured W&C Instruments) the States of Delaware and New York and England, that the obligations of the Substitute and (if the Guarantor is not the Substitute and other than in respect of Secured W&C Instruments) the Guarantor are legal, valid and binding obligations, that all consents and approvals as aforesaid have been obtained;
- (v) the Issuer shall have given at least 30 calendar days' prior notice of the date of such substitution to the Holders in accordance with Condition 12 (*Notices*);
- (vi) each stock exchange or market on which the W&C Instruments are listed or admitted to trading shall have confirmed that, following the proposed substitution by the Substitute, the W&C Instruments will continue to be listed or admitted to trading on such stock exchange(s) or such market(s), as the case may be;
- (vii) if appropriate, the Substitute shall have appointed a process agent as its agent in England to receive service of process on its behalf in relation to any legal action or proceedings arising out of or in connection with the W&C Instruments;
- (viii) if the W&C Instruments are Swedish W&C Instruments, the Swedish CSD having given its consent to such substitution (such consent not to be unreasonably withheld or delayed); and
- (ix) if the W&C Instruments are Finnish W&C Instruments, Euroclear Finland having given its consent to such substitution (such consent not to be unreasonably withheld or delayed).

(B) *Consolidation or Merger*

The Issuer or (if applicable) the Guarantor may consolidate with, or sell or convey all or substantially all of its assets to, or merge with or into any other company provided that in any such case, (a) in the case of the Issuer, either the Issuer shall be the continuing company, or the successor company shall expressly assume the due and punctual payment of all amounts or delivery of all assets, as the case may be, payable or deliverable, as applicable, with respect to the W&C Instruments, according to their tenor, and the due and punctual performance and observance of all of the obligations under the Conditions to be performed by the Issuer by an amendment to the English Law Agency Agreement executed by, *inter alios*, such successor company, the Guarantor and the Principal Instrument Agent, and (b) in the case of the Guarantor and, with respect to W&C Instruments other than Secured W&C Instruments, the Guarantor shall be the continuing company, or the successor company shall be a company organised and existing under the laws of the United States or a state thereof or the District of Columbia and such successor company shall expressly assume (i) the due and punctual payment of all amounts or delivery of all assets, as the case may be, payable or deliverable, as applicable, with respect to the Non-COSI Guarantee and (ii) the obligations for payment of any Shortfall with respect to the Swiss COSI Guarantee, in each case by the execution of a new guarantee of like tenor. In case of any such consolidation, merger, sale or conveyance and upon any such assumption by the successor company, such successor company shall succeed to and be substituted for the Issuer or (if applicable) the Guarantor, as the case may be, with the same effect as if it had been named herein as the Issuer or (if applicable) the Guarantor, as the case may be, and the Issuer or (if applicable) the Guarantor, as the case may be, except in the event of a conveyance by way of lease, shall be relieved of any further

obligations under the Conditions, the English Law Agency Agreement and (if applicable) each Guarantee, as applicable.

**16. Governing Law and Submission to Jurisdiction**

**(A) *Governing law***

The W&C Instruments, Global W&C Instruments, Definitive W&C Instruments, the English Law Agency Agreement and the W&C Instruments Deed of Covenant and any non-contractual obligations arising out of the W&C Instruments, Global W&C Instruments, Definitive W&C Instruments, the English Law Agency Agreement and the W&C Instruments Deed of Covenant (including without limitation any dispute, controversy, proceedings or claim of whatever nature (whether contractual, non-contractual or otherwise) arising out of or in any way relating to the W&C Instruments, Global W&C Instruments, Definitive W&C Instruments, the English Law Agency Agreement and the W&C Instruments Deed of Covenant or their respective formation) shall be governed by, and construed in accordance, with English law.

Each Guarantee is governed by, and shall be construed in accordance with, the laws of the State of New York, United States, applicable to agreements made and to be performed wholly within such jurisdiction without regard to principles of conflicts of laws.

**(B) *Submission to jurisdiction***

In relation to any legal action or proceedings arising out of or in connection with the W&C Instruments and the Global W&C Instruments ("**Proceedings**"), the courts of England have exclusive jurisdiction and the Issuer and the Holders submit to the exclusive jurisdiction of the English courts. The Issuer and the Holders waive any objection to Proceedings in the English courts on the grounds of venue or that the Proceedings have been brought in an inconvenient forum.

For greater certainty, the Guarantor has not submitted to the jurisdiction of the English courts in the Guarantees, and claims under the Guarantees are required to be instituted in the U.S. federal court in the Borough of Manhattan in the City and State of New York, United States.

**(C) *Appointment of Process Agent***

The Issuer hereby appoints Merrill Lynch Corporate Services Limited, currently at 2 King Edward Street, London EC1A 1HQ as its agent in England to receive service of process in any Proceedings in England. If for any reason such process agent ceases to act as such or no longer has an address in England, the Issuer agrees to appoint a substitute process agent and to notify the Holders of such appointment. Nothing herein shall affect the right to serve process in any other manner permitted by law.

**17. Adjustments for European Economic and Monetary Union**

The Issuer may, without the consent of the Holders, on giving notice to the Holders in accordance with Condition 12 (*Notices*):

- (a) elect that, with effect from the Adjustment Date specified in the notice, certain terms of the W&C Instruments shall be redenominated in euro.

The election will have effect as follows:

- (i) where the Settlement Currency of the W&C Instruments is the National Currency Unit of a country which is participating in the third stage of European Economic and Monetary Union, such Settlement Currency shall be deemed to be an amount of euro converted from the original Settlement Currency into euro at the Established Rate, subject to such provisions (if any) as to rounding as the Calculation Agent may decide and as may be specified in the notice, and after the Adjustment Date, all payments of the Cash Settlement Amount in respect of the W&C Instruments will be made

solely in euro as though references in the W&C Instruments to the Settlement Currency were to euro;

- (ii) where the Exchange Rate and/or any other terms of these Terms and Conditions are expressed in or, in the case of the Exchange Rate, contemplate the exchange from or into, the currency (the "**Original Currency**") of a country which is participating in the third stage of European Economic and Monetary Union, such Exchange Rate and/or any other terms of these Terms and Conditions shall be deemed to be expressed in or, in the case of the Exchange Rate, converted for or, as the case may be into, euro at the Established Rate; and
  - (iii) such other changes shall be made to these Terms and Conditions as the Issuer may decide, in its sole and absolute discretion to conform them to conventions then applicable to instruments expressed in euro; and/or
- (b) require that the Calculation Agent make such adjustments to the Multiplier and/or, in the case of Warrants, the Exercise Price and/or any other terms of these Terms and Conditions and/or the applicable Final Terms as the Calculation Agent, in its sole discretion, may determine to be appropriate to account for the effect of the third stage of European Economic and Monetary Union on the Multiplier and/or, in the case of Warrants, the Exercise Price and/or such other terms of these Terms and Conditions.

Notwithstanding the foregoing, none of the Issuer, any of its Affiliates or agents, the Calculation Agent, any Instrument Agent and the Registrar shall be liable to any Holder or other person for any commissions, costs, losses or expenses in relation to or resulting from the transfer of euro or any currency conversion or rounding effected in connection therewith.

In this Condition, the following expressions have the following meanings:

**"Adjustment Date"** means a date specified by the Issuer in the notice given to the Holders pursuant to this Condition which falls on or after the date on which the country of the Original Currency first participates in the third stage of European Economic and Monetary Union pursuant to the Treaty;

**"Established Rate"** means the rate for the conversion of the Original Currency (including compliance with rules relating to rounding in accordance with applicable European Community regulations) into euro established by the Council of the European Union pursuant to first sentence of Article 1091(4) of the Treaty;

**"euro"** means the lawful single currency of the member states of the European Union that have adopted and continue to retain a common single currency through monetary union in accordance with European Union treaty law (as amended from time to time);

**"National Currency Unit"** means the unit of the currency of a country, as those units are defined on the date on which the country of the Original Currency first participates in European Economic and Monetary Union; and

**"Treaty"** means the treaty establishing the European Community, as amended from time to time.

#### 18. **Contracts (Rights of Third Parties) Act 1999**

The W&C Instruments do not confer on any third party any rights under the Contracts (Rights of Third Parties) Act 1999 (the "**Act**") to enforce any term of the W&C Instruments, but this does not affect any right or remedy of a third party which exists or is available apart from the Act.

19. **Terms applicable to Warrants only**

Conditions 20 (*Definitions (Warrants)*), 21 (*Form of Warrants*), 22 (*Style and Title (Warrants)*), 23 (*Exercise Rights (Warrants)*), 24 (*Exercise Procedure (Warrants)*) and 25 (*Additional Amounts*) apply to Warrants only.

20. **Definitions (Warrants)**

For the purposes of the Warrants:

**"Exercise Business Day"** means a day that is a Business Day and, in the case of an Index Linked Warrant or Share Linked Warrant, a Scheduled Trading Day; and

**"In-The-Money"** means:

- (a) in the case of a Cash Settled Warrant, the Cash Settlement Amount in respect of such Warrant is greater than zero; and
- (b) in the case of a Physical Delivery Warrant, the value of the Entitlement on the Actual Exercise Date for such Warrant is greater than the Exercise Price as determined by the Calculation Agent.

21. **Form of Warrants**

If the Warrants are to be issued into and transferred through accounts at Euroclear and Clearstream, Luxembourg, and are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons, such Series of Warrants will on issue be constituted by a global registered warrant (the **"Euroclear/CBL Global Registered Warrant"**), which will be deposited with, and registered in the name of the nominee of, the Common Depositary.

If the Warrants are to be issued into and transferred through accounts at Clearstream, Frankfurt, such Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons, and will on issue be constituted by a global bearer warrant (the **"CBF Global Warrant"**), provided, however, that the CBF Global Warrants will be treated as in registered form for United States federal income tax purposes. The CBF Global Warrant will be delivered on or prior to the issue date of the relevant Series of CBF Global Warrants to Clearstream, Frankfurt.

The Euroclear/CBL Global Registered Warrants and the CBF Global Warrants are referred to herein as the **"Global Warrants"** and each a **"Global Warrant"**.

Euroclear/CBL Global Registered Warrants will be exchangeable in whole, but not in part, for individual warrant certificates:

- (a) on the expiry of such period of notice as may be specified in the applicable Final Terms; or
- (b) at any time, if so specified in the applicable Final Terms; or
- (c) if the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available; or
- (d) the Issuer or the Guarantor has or will become subject to adverse tax consequences which would not be suffered were the Warrants held in definitive form.

Whenever the Euroclear/CBL Global Registered Warrant is to be exchanged for individual warrant certificates, such individual warrant certificates shall be issued in equal number to the number of Warrants represented by the Global Warrant within five Business Days of the

delivery, by or on behalf of the registered holder of the Euroclear/CBL Global Registered Warrant to the Principal Warrant Agent of such information as is required to complete and deliver such individual warrant certificates (including, without limitation, the names and addresses of the persons in whose names the individual warrant certificates are to be registered and the principal amount of each such person's holding) against the surrender of the Euroclear/CBL Global Registered Warrant at the specified office of the Principal Warrant Agent.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and the regulations concerning the transfer and registration of Warrants scheduled thereto and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Principal Warrant Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) individual warrant certificates have not been delivered by 5.00 p.m. (London time) on the thirtieth calendar day after they are due to be issued and delivered in accordance with the terms of the Euroclear/CBL Global Registered Warrant; or
- (b) the date for final settlement of the Warrants has occurred and payment in full of all amounts due has not been made to the Holder of the Euroclear/CBL Global Registered Warrant on the due date for payment in accordance with the terms of the Euroclear/CBL Global Registered Warrant,

then the Euroclear/CBL Global Registered Warrant (including the obligation to deliver individual warrant certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the holder of the Euroclear/CBL Global Registered Warrant will have no further rights thereunder (but without prejudice to the rights which the holder of the Euroclear/CBL Global Registered Warrant or others may have under the W&C Instruments Deed of Covenant). Under the W&C Instruments Deed of Covenant, each Holder is entitled to exercise or enforce in respect of each Warrant held by him, the rights and obligations attaching to the relevant Warrant as set out in, and subject to, the W&C Instruments Deed of Covenant, the Conditions and the applicable Final Terms issued in respect of such Warrants.

If the Warrants are to be issued into and cleared through the Swedish CSD ("**Swedish Warrants**"), such Swedish Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons, and will be issued in dematerialised and uncertificated book-entry form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag (1998: 1479) om kontoföring av finansiella instrument*).

If the Warrants are to be issued into and cleared through Euroclear Finland ("**Finnish Warrants**"), such Finnish Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons, and will be issued in dematerialised and uncertificated book-entry form in accordance with the Finnish Act on the Book-Entry System and Clearing Operations (in Finnish: *laki arvo-osuusjärjestelmästä ja selvitystoiminnasta (749/2012)*) and the Finnish Act on Book-Entry Accounts (in Finnish: *laki arvo-osuustileistä (827/1991)*) and the Euroclear Finland Rules.

If the Warrants are to be listed on the SIX Swiss Exchange and/or issued and transferred through accounts at SIS, including such Warrants that are Swiss COSIs ("**Swiss Warrants**"), such Warrants are not eligible for sale in the United States or to, or for the account or benefit of, United States Persons and will on issue be constituted as uncertificated securities which will be entered into the main register (*Hauptregister*) of SIS on the Issue Date.

As a matter of Swiss law, once Swiss Warrants issued in the form of uncertificated securities are entered into the main register (*Hauptregister*) of SIS and are entered into the accounts of one or more participants of SIS, the respective Swiss Warrants will constitute Intermediated Securities.

No Holder of Swiss Warrants will at any time have the right to effect or demand the conversion of the uncertificated securities representing such Swiss Warrants into, or the delivery of, Warrants in definitive form. However, Swiss Warrants in uncertificated form will be exchangeable (free of charge) in whole but not in part for Swiss Individual Warrant Certificates representing definitive Warrants in registered form ("**Swiss Definitive Registered Warrants**") (i) at the option of the Issuer if the Issuer has been notified by the Swiss Programme Agent that SIS has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no successor clearing system is available (an "**SIS Exchange Event**"), or (ii) in the case of Swiss Warrants listed on the SIX Swiss Exchange, at the option of the Swiss Programme Agent if the Swiss Programme Agent determines that such exchange is necessary or useful or that the presentation of Warrants in definitive form is required by Swiss or foreign laws or regulations in connection with the enforcement of rights.

The Issuer will promptly give notice to Holders in accordance with Condition 12 (*Notices*) if an SIS Exchange Event occurs. In the event of the occurrence of an SIS Exchange Event, SIS may give notice to the Swiss Programme Agent requesting exchange. Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Swiss Programme Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

Unless otherwise specified in the applicable Final Terms, the Entitlement will be evidenced by the delivery of the Entitlement to the securities account with such clearing system (the "**Physical Delivery Clearing System**") or in such other manner as shall have been specified by the Holder in the relevant Exercise Note. The Issuer, Guarantor and Calculation Agent shall be under no obligation to register or procure the registration of a Holder in the register of members of the Share Company.

Unless otherwise specified in the applicable Final Terms, the Entitlement will be delivered to such securities account with such Physical Delivery Clearing System or in such other manner as shall have been specified by the Holder in the relevant Exercise Notice, provided that, if, in the opinion of the Issuer, delivery of the Entitlement to the Holder in the manner specified by the Holder or through the Physical Delivery Clearing System specified by the Holder is not commercially reasonable, the Issuer shall deliver the Entitlement to the Holder through a clearing system which the Issuer determines to be commercially reasonable for such delivery and references to "Physical Delivery Clearing System" shall be deemed to be references to such clearing system selected by the Issuer. For the avoidance of doubt, the Issuer or the Guarantor will be fully discharged of any and all obligations with respect to delivery of the Entitlement by making delivery in the manner specified by the Holder in the relevant Exercise Notice.

(D) *Determinations*

Any determination as to whether an Exercise Notice is duly completed and in proper form shall, in the case of Warrants represented by a Global Warrant, be made by the Principal Warrant Agent or, in the case of Warrants represented by a Euroclear/CBL Global Registered Warrant, Euroclear or Clearstream, Luxembourg, as the case may be, in consultation with the Principal Warrant Agent or, in the case of Swiss Warrants, the Swiss Programme Agent and shall be conclusive and binding on the Issuer, the relevant Instrument Agents and the relevant Holder. **If Automatic Exercise is not specified in the applicable Final Terms, any Warrants with respect to which the Exercise Notice has not been duly completed and delivered in the**

**manner set out above by the cut-off time specified in Condition 23(A)(a), in the case of American Style Warrants, or Condition 23(A)(b), in the case of European Style Warrants, shall become void.**

Subject to the relevant Holder performing its obligations in respect of the relevant Warrant or Unit, as the case may be, in accordance with these Terms and Conditions, the Settlement Date for such Warrants or Units, as the case may be, shall be (i) in the case of Cash Settled Warrants, the fourth Business Day following the Exercise Notice Delivery Date and (ii) in the case of Physical Delivery Warrants and subject to Conditions 5(B) and 5(C), the fourth Settlement Business Day following the Exercise Notice Delivery Date. (a) American Style Warrants

This paragraph (a) applies only to American Style Warrants:

(i) The number of Warrants exercisable by any Holder on any Actual Exercise Date, as determined by the Issuer, must not be less than the Minimum Exercise Number specified in the applicable Final Terms and, if specified in the applicable Final Terms, if a number greater than the Minimum Exercise Number, must be an integral multiple of the number specified in the applicable Final Terms. Any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and of no effect.

(ii) If the Issuer determines that the number of Warrants being exercised on any Actual Exercise Date by any Holder or a group of Holders (whether or not acting in concert) exceeds the Maximum Exercise Number (a number equal to the Maximum Exercise Number being the "**Quota**"), the Issuer may deem the Actual Exercise Date for the first Quota of such Warrants, selected at the discretion of the Issuer, to be such day and the Actual Exercise Date for each additional Quota of such Warrants (and any remaining number thereof) to be each of the succeeding Exercise Business Days until all such Warrants have been attributed with an Actual Exercise Date, provided, however, that the deemed Actual Exercise Date for any such Warrants which would thereby fall after the Expiration Date shall fall on the Expiration Date. In any case where more than the Quota of Warrants are exercised on the same day by Holder(s), the order of settlement in respect of such Warrants shall be at the sole discretion of the Issuer.

(b) European Style Warrants

This paragraph (b) applies only to European Style Warrants:

The number of Warrants exercisable by any Holder on any Exercise Date as determined by the Issuer must not be less than the Minimum Exercise Number specified in the applicable Final Terms and, if specified in the applicable Final Terms, if a number greater than the Minimum Exercise Number, must be an integral multiple of the number specified in the applicable Final Terms. Any Exercise Notice which purports to exercise Warrants in breach of this provision shall be void and be of no effect.

25. **Additional Amounts**

(A) *Calculation of Additional Amounts*

If so specified in the applicable Final Terms, each Warrant pays additional amounts from and including the Issue Date at the Additional Amount Rate payable in arrear on each Additional Amount Payment Date.

The additional amount payable in respect of each Warrant on each Additional Amount Payment Date will amount to the Additional Amount for the Additional Amount Period ending on (but excluding) such Additional Amount Payment Date.

If an additional amount is required to be calculated for a period ending other than on (but excluding) an Additional Amount Payment Date, it will be calculated on the basis of the number of calendar days from and including the most recent Additional Amount Payment Date (or, if none, the Issue Date) to but excluding the relevant payment date and the Additional Amount Rate Day Count Fraction.

(B) *Accrual of Additional Amounts*

Each Warrant will cease to accrue additional amounts from and including the Additional Amount Cut-Off Date or, if earlier, the date on which the Warrants are cancelled (the "**Cancellation Date**"), if applicable, in accordance with these Terms and Conditions unless payment of the amount and/or delivery of any Entitlement due on the Settlement Date or Cancellation Date, as the case may be, is improperly withheld or refused or unless default is otherwise made in respect of the payment or delivery in which case additional amount(s) shall accrue from the date such amount or delivery of such Entitlement was due until such amount or delivery of such Entitlement is paid or delivered, as the case may be provided that:

- (a) if "Accrual of Additional Amounts upon Credit Event" is specified as not applicable in the applicable Final Terms, each Warrant shall cease to accrue additional amount from the Additional Amount Payment Date or, if applicable, the Additional Amount Cut-Off Date, immediately preceding the Event Determination Date, or if the Event Determination Date is an Additional Amount Payment Date or, if applicable, the Additional Amount Cut-Off Date, such date (or, in the case of the Event Determination Date falling on or after the Actual Exercise Date (which is an Additional Amount Payment Date), the Additional Amount Payment Date immediately preceding the Actual Exercise Date or, if applicable, the Additional Amount Cut-Off Date corresponding to such Additional Amount Payment Date) or, if the Event Determination Date falls prior to the first Additional Amount Payment Date or, if applicable, the Additional Amount Cut-Off Date, no additional amount shall accrue on the Warrants; or
- (b) if "Accrual of Additional Amounts upon Credit Event" is specified as being applicable in the applicable Final Terms, each Warrant shall cease to accrue additional amounts from the Event Determination Date.

For the avoidance of doubt, no additional amount on the Warrants shall accrue beyond the Exercise Date in the event that delivery of any Entitlement is postponed due to the occurrence of a Settlement Disruption Event.

(C) *Payment of Additional Amounts*

Except in the case of Swedish Warrants and Swiss Warrants, where the Warrants pay additional amounts as specified in the applicable Final Terms, subject as provided below, the Issuer or failing the Issuer, the Guarantor shall pay or cause to be paid the Additional Amount for each Warrant in respect of each Additional Amount Payment Date by credit or transfer to the Holder's account with the relevant Clearing System for value on the relevant Additional Amount Payment Date, such payment to be made in accordance with the rules of the relevant Clearing System.

Except in the case of Swedish Warrants and Swiss Warrants, the Issuer or the Guarantor, as applicable, will be discharged by payment to, or to the order of, the relevant Clearing System in respect of the amount so paid. Each of the persons shown in the records of the relevant Clearing System as the holder of a particular amount of the Warrants must look solely to such Clearing System for his share of each such payment so made to, or to the order of, the relevant Clearing System.

In the case of Swedish Warrants, where the Warrants pay Additional Amounts as specified in the applicable Final Terms, subject as provided below, payment of the Additional Amount for each Swedish Warrant will be made to the persons registered as Holders in the Swedish Register on the fifth Business Day prior to the relevant Additional Amount Payment Date (the "**Additional Amount Payment Record Date**"). The Swedish Instrument Agent will pay the Additional Amount through the Swedish CSD to each Holder appearing in the Swedish Register on the Additional Amount Payment Record Date on the relevant Additional Amount Payment Date.

In the case of Swiss Warrants, where the Warrants pay Additional Amounts as specified in the applicable Final Terms, the Issuer or failing the Issuer, the Guarantor, through the Swiss

Programme Agent, shall pay or cause to be paid the Additional Amount (if any) for each Warrant in respect of each Additional Amount Payment Date to the Holder for value on the relevant Additional Amount Payment Date, less any Expenses not already paid. In the case of Swiss Definitive Registered Warrants, payment of the Additional Amount for each Swiss Warrant will be made to the persons registered as Holders in the register on the fifteenth calendar day before to the relevant Additional Amount Payment Date (the "**Additional Amount Payment Record Date**"). The Swiss Programme Agent will pay the Additional Amount by credit or transfer to an account specified by the Holder or, at the option of the Holder, by cheque be mailed to the address shown as the address of the Holder in the register on the Additional Amount Payment Record Date on the relevant Additional Amount Payment Date. In order to receive the Additional Amount less any Expense the Holder must deliver the relevant Swiss Individual Warrant Certificate to the Swiss Programme Agent.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment.

26. **Terms applicable to Certificates only**

Conditions 27 (*Definitions (Certificates)*), 28 (*Form of Certificates*), 29 (*Type and Title (Certificates)*), 30 (*Exercise Rights (Certificates)*), 31 (*Collection Notices and Settlement (Certificates)*) and 32 (*Additional Amounts*) apply to Certificates only.

27. **Definitions (Certificates)**

For the purposes of the Certificates:

**"Global W&C Instrument"** means, as the context so requires, a Global Certificate.

28. **Form of Certificates**

If the Certificates are to be issued into and transferred through accounts at Euroclear and Clearstream, Luxembourg ("**Euroclear/CBL Certificates**"), such Series of Euroclear/CBL Certificates will on issue be constituted by a global certificate in registered form (the "**Euroclear/CBL Global Registered Certificate**"), which will be deposited with a depositary common to Euroclear and Clearstream, Luxembourg and registered in the name of the nominee of such depositary.

If the Certificates are to be issued into and transferred through accounts at Clearstream, Frankfurt ("**CBF Certificates**"), such Series of CBF Certificates will on issue be constituted by a permanent global certificate in bearer form (the "**CBF Global Certificate**") provided, however, that the CBF Global Certificates will be treated as in registered form for United States federal income tax purposes. The CBF Global Certificate will be delivered on or prior to the Issue Date of the relevant Series of CBF Global Certificates to Clearstream, Frankfurt.

The Euroclear/CBL Global Registered Certificates and the CBF Global Certificates are referred to herein as "**Global Certificates**" and each a "**Global Certificate**".

Euroclear/CBL Global Registered Certificates will be exchangeable in whole, but not in part, for individual certificates:

- (a) on the expiry of such period of notice as may be specified in the applicable Final Terms; or
- (b) at any time, if so specified in the applicable Final Terms; or
- (c) if the Issuer has been notified that Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no alternative clearing system approved by the Holders of the Certificates is available.

Whenever the Euroclear/CBL Global Registered Certificate is to be exchanged for individual certificates, the Issuer shall procure that individual certificates will be issued in number or nominal amount equal to the number or nominal amount of the Euroclear/CBL Global Registered Certificates then outstanding within five Business Days of the delivery, by or on behalf of the registered holder of the Euroclear/CBL Global Registered Certificate to the Principal Certificate Agent of such information as is required to complete and deliver such individual warrant certificates (including, without limitation, the names and addresses of the persons in whose names the individual warrant certificates are to be registered and the number or nominal amount of each such person's holding) against the surrender of the Euroclear/CBL Global Registered Certificate at the specified office of the Principal Certificate Agent.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and the regulations concerning the transfer and registration of Certificates scheduled thereto and, in particular, shall be effected without charge to any holder, but against such indemnity as the Principal Certificate Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

If:

- (a) individual certificates have not been delivered by 5.00 p.m. (London time) on the thirtieth calendar day after they are due to be issued and delivered in accordance with the terms of the Euroclear/CBL Global Registered Certificate; or
- (b) the date for final settlement of the Certificates has occurred and payment in full of all amounts due has not been made to the Holder of the Euroclear/CBL Global Registered Certificate on the due date for payment in accordance with the terms of the Euroclear/CBL Global Registered Certificate,

then the Euroclear/CBL Global Registered Certificate (including the obligation to deliver individual certificates) will become void at 5.00 p.m. (London time) on such thirtieth calendar day (in the case of (a) above) or at 5.00 p.m. (London time) on such due date (in the case of (b) above) and the holder of the Euroclear/CBL Global Registered Certificate will have no further rights thereunder (but without prejudice to the rights which the holder of the Euroclear/CBL Global Registered Certificate or others may have under the W&C Instruments Deed of Covenant). Under the W&C Instruments Deed of Covenant, each Holder is entitled to exercise or enforce in respect of each Certificate held by him, the rights and obligations attaching to the relevant Certificate as set out in, and subject to, the W&C Instruments Deed of Covenant, the Conditions and the applicable Final Terms issued in respect of such Certificates.

If the Certificates are to be issued into and cleared through the Swedish CSD ("**Swedish Certificates**"), such Series of Swedish Certificates will be issued in dematerialised and uncertificated book-entry form in accordance with the Swedish Financial Instruments Accounts Act (in Swedish: *lag (1998: 1479) om kontoföring av finansiella instrument*).

If the Certificates are to be issued into and cleared through Euroclear Finland ("**Finnish Certificates**"), such Series of Finnish Certificates will be issued in dematerialised and uncertificated book-entry form in accordance with the Finnish Act on the Book-Entry System and Clearing Operations (in Finnish: *laki arvo-osuusjärjestelmästä ja selvitystoiminnasta (749/2012)*), the Finnish Act on Book-Entry Accounts (in Finnish: *laki arvo-osuustileistä (827/1991)*) and the Euroclear Finland Rules.

If the Certificates are to be listed on the SIX Swiss Exchange and/or issued and transferred through accounts at SIS, including such Certificates that are Swiss COSIs ("**Swiss Certificates**"), such Swiss Certificates will on issue be constituted as uncertificated securities which will be entered into the main register (*Hauptregister*) of SIS on the Issue Date.

As a matter of Swiss law, once Swiss Certificates issued in the form of uncertificated securities are entered into the main register (*Hauptregister*) of SIS and are entered into the accounts of one or more participants of SIS, the respective Swiss Certificates will constitute Intermediated Securities.

No Holder of Swiss Certificates will at any time have the right to effect or demand the conversion of the uncertificated securities representing such Swiss Certificates into, or the delivery of, Certificates in definitive form. However, Swiss Certificates in uncertificated form will be exchangeable (free of charge), in whole but not in part, for Swiss Individual Certificates representing definitive Certificates in registered form ("**Swiss Definitive Registered Certificates**") as specified in the applicable Final Terms, (i) at the option of the Issuer if the Issuer has been notified by the Swiss Programme Agent that SIS has been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or has announced an intention permanently to cease business or has in fact done so and no successor clearing system is available (an "**SIS Exchange Event**"), or (ii) in the case of Swiss Certificates listed on the SIX Swiss Exchange, at the option of the Swiss Programme Agent if the Swiss Programme Agent determines that such exchange is necessary or useful or that the presentation of Certificates in definitive form is required by Swiss or foreign laws or regulations in connection with the enforcement of rights.

The Issuer will promptly give notice to Holders in accordance with Condition 12 (*Notices*) if an SIS Exchange Event occurs. In the event of the occurrence of an SIS Exchange Event, SIS

may give notice to the Swiss Programme Agent requesting exchange. Any such exchange shall occur no later than 45 calendar days after the date of receipt of the first relevant notice by the Swiss Programme Agent from SIS.

If Swiss Individual Certificates representing Swiss Definitive Registered Certificates are printed and issued in exchange for Swiss Certificates in uncertificated form, the Swiss Programme Agent will (i) deregister such Swiss Certificates in the "uncertificated securities book", and (ii) deliver the Swiss Individual Certificates representing the Swiss Definitive Registered Certificates to the relevant Holders.

Such exchange will be effected in accordance with the provisions of the English Law Agency Agreement and, in particular, shall be effected without charge to any holder, but against such indemnity as the Swiss Programme Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such exchange.

No Holder may require the transfer of a Definitive Registered Certificate or Swiss Definitive Registered Certificate to be registered:

30. **Exercise Rights (Certificates)**

(A) *Certificates other than Credit Linked Certificates*

Certificates other than Credit Linked Certificates shall be automatically exercised on the Actual Exercise Date. If the Certificates are Cash Settled Certificates, each such Certificate entitles its Holder to receive from the Issuer on the Settlement Date the Cash Settlement Amount. If the Certificates are Physical Delivery Certificates, each such Certificate entitles its Holder, subject to certification as to non-U.S. beneficial ownership and to the provisions of Condition 31(A), to receive from the Issuer on the Settlement Date the Entitlement subject to payment of any Expenses.

Unless otherwise specified in the applicable Final Terms, the Entitlement will be evidenced by the delivery of the Entitlement to the securities account with the Physical Delivery Clearing System or in such other manner as shall have been specified by the Holder in the relevant

Collection Notice. The Issuer, (if applicable) the Guarantor and the Calculation Agent shall be under no obligation to register or procure the registration of a Holder in the register of members of the Share Company.

Unless otherwise specified in the applicable Final Terms, the Entitlement will be delivered to such securities account with the Physical Delivery Clearing System or in such other manner as shall have been specified by the Holder in the relevant Collection Notice, provided that, if, in the opinion of the Issuer, delivery of the Entitlement to the Holder in the manner specified by the Holder or through the Physical Delivery Clearing System specified by the Holder is not commercially reasonable, the Issuer shall deliver the Entitlement to the Holder through a clearing system which the Issuer determines to be commercially reasonable for such delivery and references to "Physical Delivery Clearing System" shall be deemed to be references to such clearing system selected by the Issuer. For the avoidance of doubt, the Issuer or, with respect to Certificates other than Secured W&C Instruments, the Guarantor will be fully discharged of any and all obligations with respect to delivery of the Entitlement by making delivery in the manner specified by the Holder in the relevant Collection Notice.

Unless otherwise specified in the applicable Final Terms, Certificates of the same Holder automatically exercised and in respect of which a Collection Notice (as defined below) has been duly given as provided in Condition 30(A), will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Certificates, provided that the aggregate Entitlements will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or of each of the Relevant Assets, as the case may be, will not be delivered and in lieu thereof a cash adjustment calculated by the Calculation Agent in its sole and absolute discretion shall be paid to the Holder.

Following exercise of a Share Certificate which is a Physical Delivery Certificate, all dividends on the relevant Shares to be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares executed on the Actual Exercise Date and to be delivered in the same manner as such relevant Shares. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Collection Notice as referred to in Condition 31(A)(a)(1)(v), Condition 31(A)(b)(1)(iii), Condition 31(A)(c)(1)(v) or Condition 31(A)(d)(1)(iii) as applicable.

The expressions "exercise", "due exercise" and related expressions shall be construed to apply to any Certificates which are automatically exercised on the Actual Exercise Date in accordance with this provision.

(B) *Credit Linked Certificates*

Credit Linked Certificates shall be automatically exercised on the Long Exercise Date or the Short Exercise Date (as the case may be) in accordance with Credit Linked W&C Instruments Condition 3.

If Call Option Cash Settlement is specified as applying in the applicable Final Terms, notwithstanding any provision to the contrary in the Terms and Conditions and/or the applicable Final Terms (a) if the Certificates are not Cash Settled Certificates, the Certificates shall be deemed to be Cash Settled Certificates and (b) the Cash Settlement Amount shall be the Call Option Cash Settlement Amount specified in the applicable Final Terms.

(D) *Mandatory Early Exercise*

If Mandatory Early Exercise is specified as applicable in the applicable Final Terms and a Mandatory Early Exercise Event occurs, the Exercise Date for all (but not less than all) of the

Certificates will be brought forward to the Mandatory Early Exercise Date. If Mandatory Early Exercise Cash Settlement is specified as applicable in the applicable Final Terms, notwithstanding any provision to the contrary in the Terms and Conditions and/or the applicable Final Terms (a) if the Certificates are not Cash Settled Certificates, the Certificates shall be deemed to be Cash Settled Certificates and (b) the Cash Settlement Amount shall be the Mandatory Early Exercise Cash Settlement Amount specified in the applicable Final Terms, which shall be payable on the Mandatory Early Exercise Cash Settlement Date.

(E) *Holder Put Option*

If Holder Put Option is specified as applicable in the applicable Final Terms, a Holder may, by giving not less than 10 nor more than 60 calendar days' notice (or such other Holder Put Option Notice Period as is set out in the applicable Final Terms) as set out below elect to bring forward the Exercise Date for his Certificates to the Put Option Date set out in the relevant Put Notice (as defined below). If Put Option Cash Settlement is specified as applying in the applicable Final Terms, notwithstanding any provision to the contrary in the Terms and Conditions and/or the applicable Final Terms (a) if the Certificates are not Cash Settled Certificates, the Certificates shall be deemed to be Cash Settled Certificates and (b) the Cash Settlement Amount for the relevant Certificates shall be the Put Option Cash Settlement Amount specified in the applicable Final Terms.

In order to exercise the right to bring forward the Exercise Date of a Certificate the Holder must deliver by facsimile or authenticated SWIFT message (confirmed in writing) a duly completed notice of exercise (a "**Put Notice**") in the form set out in the English Law Agency Agreement to (a) in the case of Euroclear/CBL Certificates, Euroclear or Clearstream, Luxembourg with a copy to Merrill Lynch International and the Principal Certificate Agent, (b) in the case of CBF Global Certificates, the Principal Certificate Agent with a copy to Merrill Lynch International, (c) in the case of Swedish Certificates, the Swedish Instrument Agent with a copy to Merrill Lynch International, (d) in the case of Swiss Certificates, the Swiss Programme Agent with a copy to Merrill Lynch International, (e) in the case of Finnish Certificates, the Finnish Instrument Agent with a copy to Merrill Lynch International, (f) in the case of Global Certificates in registered form, the relevant Clearing System and the Principal Certificate Agent with a copy to Merrill Lynch International, and (g) in the case of Definitive Registered Certificates, the Principal Certificate Agent with a copy to Merrill Lynch International. (F) *Prescription*

Definitive Registered Certificates will become void unless presented for payment within a period of ten years (in the case of principal) and five years (in the case of additional amounts) after the Relevant Date (as defined below) therefor.

As used herein, the "**Relevant Date**" means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the relevant Instrument Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Holders in accordance with Condition 12 (*Notices*).

If specified as applicable in the applicable Final Terms, the terms and conditions applicable to Index Linked Notes shall comprise the terms and conditions of the Notes (the "**Note Conditions**") and the Additional Terms and Conditions for Index Linked Instruments set out below (the "**Index Linked Conditions**"), in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between (a) the Note Conditions or the W&C Instruments Conditions and/or the Index Linked Conditions and (b) the applicable Final Terms, the applicable Final Terms shall prevail. References in the Index Linked Conditions to "Instrument" and "Instruments" shall be deemed to be references to "Note" and "Notes" or "W&C Instrument" and "W&C Instruments" as the context admits.

2. **Definitions**

For the purposes of these Index Linked Conditions:

**"Averaging Cut-Off Date"** means the eighth Scheduled Trading Day (or, where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the eighth Common Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, or on account of such date not being a Scheduled Trading Day (or, where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, a Common Scheduled Trading Day), would have been the final Averaging Date, or, if earlier, the Scheduled Trading Day (or, where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day (or, in respect of Swedish Instruments, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on the relevant Averaging Dates, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which the final Averaging Date was scheduled to fall.

If any such day is a Disrupted Day:

- (a) if "**Omission**" is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant level or price provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of "Valuation Date" will apply for purposes of determining the relevant level or price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if "**Postponement**" is specified as applying in the applicable Final Terms, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant level or price on that Averaging Date as if such Averaging

Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or

- (c) if "**Modified Postponement**" is specified as applying in the applicable Final Terms then:
- (i) where the Index Linked Instruments relate to a single Index, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of "Valuation Date" below;
  - (ii) where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall not be applicable, the Averaging Date for each Index not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for an Index affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Index. If the first succeeding Valid Date in relation to such Index has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Index, and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of "Valuation Date" below;
  - (iii) where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Individual Disrupted Days" shall be applicable, the Averaging Date for each Index not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for an Index affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Index. If the first succeeding Valid Date in relation to such Index has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day for the Index, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Index, and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of "Valuation Date" below; or
  - (iv) where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Averaging Date for each Index shall be the first succeeding Common Valid Date in relation to such Index. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls

on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of "Valuation Date" below,

**"Index Sponsor"** means, in relation to an Index, the corporation or other entity that (a) is responsible for setting and reviewing the rules and procedures and the methods of calculation and adjustments, if any, related to such Index and (b) announces (directly or through an agent) the level of such Index on a regular basis during each Scheduled Trading Day, which as of the Issue Date is the index sponsor specified for such Index in the applicable Final Terms.

**"Initial Level"** means, in respect of an Index, unless otherwise specified in the applicable Final Terms, the Index Closing Level of such Index on the Strike Date, subject to adjustment in accordance with these Index Linked Conditions.

**"Multi-Exchange Index"** means any Index for which the "Type of Index" is specified as such in the applicable Final Terms, or, if not specified, any Index the Calculation Agent determines as such.

**"Observation Cut-Off Date"** means the eighth Scheduled Trading Day (or, where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the eighth Common Scheduled Trading Day) immediately following the Scheduled Observation Date or, if earlier, the Scheduled Trading Day (or, where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day (or, in respect of Swedish Instruments, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Observation Date, provided that the Observation Cut-Off Date shall not fall prior to the original date on which such Observation Date was scheduled to fall.

**"Observation Date"** means each Observation Date specified in the applicable Final Terms, or if such date is not a Scheduled Trading Day the immediately following Scheduled Trading Day (or, where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the immediately following Common Scheduled Trading Day) or, if earlier, the Observation Cut-Off Date. If any such day is a Disrupted Day, then:

- (a) where the Index Linked Instruments relate to a single Index, the Observation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date up to, and including, the Observation Cut-Off Date is a Disrupted Day. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, (i) the Observation Cut-Off Date shall be deemed to be such Observation Date (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant level or price in the manner set out in the applicable Final Terms or, if not set out or if not practicable, determine the relevant level or price by determining the level of the Index as of the Valuation Time on the Observation Cut-Off Date in accordance with (subject to Index Linked Condition 5 below) the formula for and method of calculating the Index last in effect prior to the occurrence of the first Disrupted Day (A) in respect of a Unitary Index or Multi-Exchange Index, using the Exchange traded or quoted price as of the Valuation Time on the Observation Cut-Off Date of each security comprised in the Index (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Observation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Observation Cut-Off Date), or (B) in respect of a Proprietary Index, using such levels or values as the Calculation Agent determines to be appropriate as of the Valuation Time on the Observation Cut-Off Date of each component comprised in the Index, or, if the value of any component cannot be determined at such time on such day, its good faith estimate of the value for the relevant component as of the Valuation Time on the Observation Cut-Off Date;
- (b) where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall not be applicable, the Observation Date for each Index not affected by the occurrence of a Disrupted Day shall be the Scheduled Observation Date (or, if earlier, the Observation Cut-Off Date) and the Observation Date for each Index affected (each an **"Affected Index"**) by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Index, unless each of the Scheduled

Trading Days immediately following the Scheduled Observation Date up to, and including, the Observation Cut-Off Date is a Disrupted Day relating to the Affected Index. - (d) where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Observation Date shall be the first succeeding Common Scheduled Trading Day that is not a Disrupted Day for any Index, unless each of the Common Scheduled Trading Days immediately following the Scheduled Observation Date up to, and including, the Observation Cut-Off Date is a Disrupted Day for one or more Indices. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, (i) the Observation Cut-Off Date shall be deemed to be the Observation Date (notwithstanding the fact that such day may be a Disrupted Day for an Index or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant level or price using, in relation to each Index for which the Observation Cut-Off Date is a Disrupted Day or is not a Common Scheduled Trading Day, the level of such Index determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using the level of such Index as of the Valuation Time on the Observation Cut-Off Date in accordance with (subject to Index Linked Condition 5) the formula for and method of calculating such Index last in effect prior to the occurrence of the first Disrupted Day (A) in respect of a Unitary Index or Multi-Exchange Index, using the Exchange traded or quoted price as of the Valuation Time on the Observation Cut-Off Date of each security comprised in each Index for which the Observation Cut-Off Date is a Disrupted Day or is not a Common Scheduled Trading Day (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Observation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Observation Cut-Off Date), or (B) in respect of a Proprietary Index, using such levels or values as the Calculation Agent determines to be appropriate as of the Valuation Time on the Observation Cut-Off Date of each component comprised in the Index, or, if the value of any component cannot be determined at such time on such day, its good faith estimate of the value for the relevant component as of the Valuation Time on the Observation Cut-Off Date.

**"Observation Period"** means, in respect of an Index:

- (a) if the consequence of "Extension" is specified in the applicable Final Terms to be applicable, each period commencing on the Observation Period Start Date, following adjustment of such date pursuant to these Index Linked Conditions or as specified in the applicable Final Terms, if applicable (and including or excluding such Observation Period Start Date, as specified in the applicable Final Terms) and ending on the immediately following Observation Period End Date, following adjustment of such date pursuant to these Index Linked Conditions or as specified in the applicable Final Terms, if applicable (and including or excluding such Observation Period End Date, as specified in the applicable Final Terms); or
- (b) if the consequence of "No Extension" is specified in the applicable Final Terms to be applicable, each period commencing on the Observation Period Start Date, prior to any adjustment of such date pursuant to these Index Linked Conditions or as specified in the applicable Final Terms, if applicable (and including or excluding such Observation Period Start Date, as specified in the applicable Final Terms) and ending on the immediately following Observation Period End Date, prior to any adjustment of such date pursuant to these Index Linked Conditions or as specified in the applicable Final Terms, if applicable (and including or excluding such Observation Period End Date, as specified in the applicable Final Terms).

**"Strike Date"** means the date specified as such in the applicable Final Terms.

**"Trade Date"** means the date specified as such in the applicable Final Terms.

**"Trading Disruption"** means:

- (a) in respect of any Unitary Index, any suspension of, or limitation imposed on, trading by any relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise, (i) relating to securities that comprise 20 per cent. or more of the level of such Index on any relevant Exchange, or (ii) in futures or options contracts relating to such Index on any relevant Related Exchange; and
- (b) in respect of any Multi-Exchange Index, any suspension or limitation imposed on trading by any relevant Exchange or Related Exchange or otherwise, and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise, (i) relating to any Component Security on the Exchange in respect of such Component Security, or (ii) in futures or options contracts relating to the Index on the Related Exchange.

**"Unitary Index"** means any Index for which the "Type of Index" is specified as such in the applicable Final Terms, or, if not specified, any Index the Calculation Agent determines as such.

**"Valuation Date"** means each Valuation Date specified in the applicable Final Terms, or if such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day (or, where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the immediately following Common Scheduled Trading Day) or, if earlier, the Valuation Cut-Off Date. If such day is a Disrupted Day, then:

- (a) where the Index Linked Instruments relate to a single Index, the Valuation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the Scheduled Trading Days immediately following the Scheduled Valuation Date up to, and including, the Valuation Cut-Off Date is a Disrupted Day. In that case, or if such Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Index, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant level or price in the manner set out in the applicable Final Terms or, if not set out or if not practicable, determine the relevant level or price by determining the level of the Index as of the Valuation Time on the Valuation Cut-Off Date in accordance with (subject to Index Linked Condition 5 below) the formula for and method of calculating the Index last in effect prior to the occurrence of the first Disrupted Day (A) in respect of a Unitary Index or Multi-Exchange Index, using the Exchange traded or quoted price as of the Valuation Time on the Valuation Cut-Off Date of each security comprised in the Index (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Valuation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Valuation Cut-Off Date), or (B) in respect of a Proprietary Index, using such levels or values as the Calculation Agent determines to be appropriate as of the Valuation Time on the Valuation Cut-Off Date of each component comprised in the Index, or, if the value of any component cannot be determined at such time on such day, its good faith estimate of the value for the relevant component as of the Valuation Time on the Valuation Cut-Off Date;

In that case, or if such Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled

Trading Day for such Index, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date for such Index (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant level or price using, in relation to such Index, the level of such Index determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using the level of such Index as of the Valuation Time on the Valuation Cut-Off Date in accordance with (subject to Index Linked Condition 5) the formula for and method of calculating such Index last in effect prior to the occurrence of the first Disrupted Day (A) in respect of a Unitary Index or Multi-Exchange Index, using the Exchange traded or quoted price as of the Valuation Time on the Valuation Cut-Off Date of each security comprised in that Index (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Valuation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Valuation Cut-Off Date), or (B) in respect of a Proprietary Index, using such levels or values as the Calculation Agent determines to be appropriate as of the Valuation Time on the Valuation Cut-Off Date of each component comprised in the Index, or, if the value of any component cannot be determined at such time on such day, its good faith estimate of the value for the relevant component as of the Valuation Time on the Valuation Cut-Off Date;

In that case, or if such Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date for such Index (notwithstanding the fact that such day may be a Disrupted Day for an Index or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant level or price using, in relation to such Index, the level of such Index determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using the level of that Index as of the Valuation Time on the Valuation Cut-Off Date in accordance with (subject to Index Linked Condition 5) the formula for and method of calculating such Index last in effect prior to the occurrence of the first Disrupted Day (A) in respect of a Unitary Index or Multi-Exchange Index, using the Exchange traded or quoted price as of the Valuation Time on the Valuation Cut-Off Date of each security comprised in such Index (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Valuation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Valuation Cut-Off Date), or (B) in respect of a Proprietary Index, using such levels or values as the Calculation Agent determines to be appropriate as of the Valuation Time on the Valuation Cut-Off Date of each component comprised in the Index, or, if the value of any component cannot be determined at such time on such day, its good faith estimate of the value for the relevant component as of the Valuation Time on the Valuation Cut-Off Date; or
- (d) where the Index Linked Instruments relate to a Basket of Indices and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Valuation Date shall be the first succeeding Common Scheduled Trading Day that is not a Disrupted Day for any Index, unless

each of the Common Scheduled Trading Days immediately following the Scheduled Valuation Date up to, and including, the Valuation Cut-Off Date is a Disrupted Day for one or more Indices. In that case, or if the Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date (notwithstanding the fact that such day may be a Disrupted Day for an Index or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant level or price using, in relation to each Index for which the Valuation Cut-Off Date is a Disrupted Day or is not a Common Scheduled Trading Day, the level of such Index determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using the level of such Index as of the Valuation Time on the Valuation Cut-Off Date in accordance with (subject to Index Linked Condition 5) the formula for and method of calculating such Index last in effect prior to the occurrence of the first Disrupted Day (A) in respect of a Unitary Index or Multi-Exchange Index, using the Exchange traded or quoted price as of the Valuation Time on the Valuation Cut-Off Date of each security comprised in each Index for which the Valuation Cut-Off Date is a Disrupted Day or is not a Common Scheduled Trading Day (or, if an event giving rise to a Disrupted Day (as defined in the Share Linked Conditions in relation to a share) has occurred in respect of the relevant security on the Valuation Cut-Off Date, its good faith estimate of the value for the relevant security as of the Valuation Time on the Valuation Cut-Off Date), or (B) in respect of a Proprietary Index, using such levels or values as the Calculation Agent determines to be appropriate as of the Valuation Time on the Valuation Cut-Off Date of each component comprised in the Index, or, if the value of any component cannot be determined at such time on such day, its good faith estimate of the value for the relevant component as of the Valuation Time on the Valuation Cut-Off Date.

**"Valuation Time"** means:

- (a) in respect of any Unitary Index, (i) for the purposes of determining whether an Early Closure, an Exchange Disruption or a Trading Disruption has occurred in respect of (A) any Exchange, the Scheduled Closing Time of the Exchange (provided that, if the relevant Exchange closes prior to its Scheduled Closing Time, then the Valuation Time shall be such actual closing time), and (B) any options contracts or futures contracts on such Index, the close of trading on the Related Exchange, and (ii) in all other circumstances, the time at which the official closing level of the Index is calculated and published by the Index Sponsor;
- (b) in respect of any Multi-Exchange Index, (i) for the purposes of determining whether an Early Closure, an Exchange Disruption or a Trading Disruption has occurred in respect of (I) any Component Security, the Scheduled Closing Time on the Exchange in respect of such Component Security (provided that, if the relevant Exchange closes prior to its Scheduled Closing Time, then the Valuation Time shall be such actual closing time), and (II) any options contracts or futures contracts on the Index, the close of trading on the Related Exchange, and (ii) in all other circumstances, the time at which the official closing level of the Index is calculated and published by the Index Sponsor; and
- (c) in respect of any Proprietary Index, the time at which the Index Sponsor calculates and publishes the official closing level of the Index.

**"Worst Performing Index"** means, in respect of a Basket of Indices and the Valuation Date (unless otherwise specified in the applicable Final Terms), the Index with the lowest Index Performance on such day as determined by the Calculation Agent (provided that if two or more Indices have the same lowest Index Performance on such day, the Calculation Agent shall determine which Index shall be the Worst Performing Index in its sole and absolute discretion, and such Index shall be the Worst Performing Index).

### 3. **Market Disruption**

**"Market Disruption Event"** means:

- (a) in respect of any Unitary Index, the occurrence or existence of (i) a Trading Disruption, (ii) an Exchange Disruption, which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time or (iii) an Early Closure.

For the purposes of determining whether a Market Disruption Event in respect of a Unitary Index exists at any time, if a Market Disruption Event (as defined in the Share Linked Conditions in relation to a share) occurs in respect of a Component Security included in the Index at any time, then the relevant percentage contribution of such Component Security to the level of the Index shall be based on a comparison of (A) the portion of the level of the Index attributable to such Component Security and (B) the overall level of the Index, in each case immediately before the occurrence of such Market Disruption Event;

- (b) in respect of any Multi-Exchange Index either:
  - (i) (A) the occurrence or existence, in respect of any Component Security, of:
    - (1) a Trading Disruption, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded;
    - (2) an Exchange Disruption, which the Calculation Agent determines is material, at any time during the one hour period that ends at the relevant Valuation Time in respect of the Exchange on which such Component Security is principally traded; or
    - (3) an Early Closure; and
  - (B) the aggregate of all Component Securities in respect of which a Trading Disruption, an Exchange Disruption or an Early Closure occurs or exists, comprises 20 per cent. or more of the level of the Index; or
  - (ii) the occurrence or existence, in respect of futures or options contracts relating to the Index, of (A) a Trading Disruption, (B) an Exchange Disruption which in either case the Calculation Agent determines is material, at any time during the one hour period that ends at the Valuation Time in respect of the Related Exchange or (C) an Early Closure.

For the purposes of determining whether a Market Disruption Event in respect of a Multi-Exchange Index exists at any time, if a Market Disruption Event (as defined in the Share Linked Conditions in relation to a share) occurs in respect of a Component Security at that time, then the relevant percentage contribution of such Component Security to the level of the Index shall be based on a comparison of (x) the portion of the level of the Index attributable to that Component Security and (y) the overall level of the Index, in each case using the official opening weightings as published by the Index Sponsor as part of the market "opening data".

- (c) in respect of any Proprietary Index, the failure by the Index Calculation Agent (as specified in the rules relating to the relevant Proprietary Index) to calculate, and/or the Index Sponsor to publish, the level of the Index on any Scheduled Trading Day or in respect of such Scheduled Trading Day within the scheduled timeframe for such calculation or publication.

#### 4. **Barrier Event**

- (a) A "**Barrier Event (intraday)**" means (and a Barrier Event (intraday) shall be deemed to occur if), in respect of an Index, the Calculation Agent determines that the Index Level of such Index as of the Barrier Event Valuation Time (intraday) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Index and such Barrier Event Determination Day.

For the purpose of determining whether a Barrier Event (intraday) has occurred on any day in respect of a Unitary Index and a Multi-Exchange Index, the definition of Market Disruption Event specified in Index Linked Condition 3 shall be amended such that (i) all references to "during the one-hour period that ends at the relevant Valuation Time" shall be deleted, and (ii) in the definition of "Early Closure" appearing in Index Linked Condition 2, each reference to "Valuation Time" and "Scheduled Closing Time" shall be construed as a reference to "Barrier Event Valuation Time (intraday)".

- (b) A "**Barrier Event (closing)**" means (and a Barrier Event (closing) shall be deemed to occur if), in respect of an Index, the Calculation Agent determines that the Index Closing Level of such Index as of the Barrier Event Valuation Time (closing) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Index and such Barrier Event Determination Day.

#### 5. **Adjustments and Corrections to an Index**

- (a) Consequences of a Successor Index Sponsor or a Successor Index

If a relevant Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (the "**Successor Index Sponsor**") acceptable to the Calculation Agent, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Index, then in each case that index (the "**Successor Index**") will be deemed to be the Index.

- (b) Modification and Cessation of Calculation of an Index

If (i) on or prior to a Valuation Date, an Observation Date or an Averaging Date (or other relevant date, as determined by the Calculation Agent), the relevant Index Sponsor makes or announces that it will make a material change in the formula for or the method of calculating a relevant Index or in any other way materially modifies that Index (other than a modification prescribed in that formula or method to maintain that Index in the event of changes in constituent stock and capitalisation or contracts and other routine events) (an "**Index Modification**"), or permanently cancels a relevant Index and no Successor Index exists (an "**Index Cancellation**"), or (ii) on a Valuation Date, an Observation Date or an Averaging Date (or other relevant date, as determined by the Calculation Agent), the Index Sponsor or, if applicable, the Successor Index Sponsor fails to calculate and announce a relevant Index, provided that, in respect of an Index which is specified in the applicable Final Terms as being a Multi-Exchange Index or a Proprietary Index, the Calculation Agent may, in its discretion, determine that such event instead results in the occurrence of a Disrupted Day (an "**Index Disruption**") and, together with an Index Modification and an Index Cancellation, each an "**Index Adjustment Event**"), then the Issuer may take the action described in (A) or (B) below:

- (A) require the Calculation Agent to determine if such Index Adjustment Event has a material effect on the Index Linked Instruments and, if so, calculate the relevant level or price using, in lieu of a published level for such Index, the level for such Index as at the Valuation Time on that Valuation Date, Observation Date or Averaging Date, as the case may be, as determined by the Calculation Agent in accordance with the formula for and method of calculating such Index last in effect prior to the change, failure or cancellation, but using only those securities or

components that comprised such Index immediately prior to that Index Adjustment Event; or

- (B) (1) in the case of Notes, on giving notice to the Noteholders in accordance with Note Condition 14, redeem all (but not less than all) of the Notes, each Note being redeemed at the Early Redemption Amount; or
- (2) in the case of W&C Instruments, on giving notice to Holders in accordance with W&C Instruments Condition 12, cancel the W&C Instruments. If the W&C Instruments are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Instrument or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Instrument or a Unit, as the case may be, taking into account the Index Adjustment Event, less the cost to the Issuer and/or any of its Affiliates of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12.

Upon the occurrence of an Index Adjustment Event, the Issuer shall give notice as soon as reasonably practicable to the Holders in accordance with Note Condition 14 or Holders in accordance with W&C Instruments Condition 12, as applicable, giving details of the action proposed to be taken in relation thereto, provided that any failure to give, or non-receipt of, such notice will not affect the validity of such action. The Issuer shall make available for inspection by Holders copies of any such determinations.

(c) Corrections to an Index

If the level of a relevant Index published on any Valuation Date, Observation Date or Averaging Date (or other relevant date, as determined by the Calculation Agent), as the case may be, by the relevant Index Sponsor or (if applicable) the relevant Successor Index Sponsor and which is utilised for any calculation or determination made for the purposes of the Index Linked Instruments (a "**Relevant Calculation**") is subsequently corrected and the correction (the "**Corrected Index Level**") is published by the relevant Index Sponsor or (if applicable) the relevant Successor Index Sponsor no later than two Business Days prior to the date on which payment of any amount or delivery of any assets may have to be made pursuant to such Relevant Calculation, then such Corrected Index Level shall be deemed to be the relevant level for such Index on such Averaging Date, Observation Date or Valuation Date (or other relevant date, as determined by the Calculation Agent), as the case may be, and the Calculation Agent shall use such Corrected Index Level in determining the relevant level or price and/or whether the Barrier Event (closing) or Barrier Event (intraday), as the case may be, has been triggered.

(d) Additional Index Adjustment Event

If, on or prior to a Strike Date, Valuation Date, an Observation Date or an Averaging Date (or other relevant date, as determined by the Calculation Agent), the Issuer has determined and notified the Calculation Agent that a U.S. Withholding Tax Event has occurred on or prior to such date, then:

- (i) regardless of whether an Index Substitution Event takes place pursuant to the below, the Calculation Agent may make such adjustments or reductions to the Index Closing Level (or any other relevant level) of the relevant Index in respect of the Strike Date, any Valuation Date, any Observation Date, any Averaging Date or any other relevant date, and/or any adjustment(s), if any, to one or more of any variables relevant to the redemption, cancellation, payment, calculation of any amount payable or other terms of the Instruments, as the Calculation Agent determines appropriate to account for the economic effect of such U.S.

Withholding Tax Event, including after giving effect to any Index Substitution Event (if any); and/or

- (ii) notwithstanding the Issuer's right to, in the case of Notes, redeem the Notes early at its option pursuant to Note Condition 8 or, in the case of W&C Instruments, cancel the W&C Instruments at its option pursuant to W&C Instruments Condition 8, following the occurrence of such U.S. Withholding Tax Event, the Issuer may, at its option, upon notification by the Issuer to the Calculation Agent that it wishes to substitute a Successor Index for the relevant Index (such event, an "**Index Substitution Event**"), determine that the relevant Index shall be replaced by the Successor Index with effect from the date specified by the Issuer and not, in the case of Notes, redeem the Notes early at its option pursuant to Note Condition 7 nor, in the case of W&C Instruments, cancel the W&C Instruments at its option pursuant to W&C Instruments Condition 8, and, following the Index Substitution Event coming into effect, the Calculation Agent may make such adjustments or reductions to the Index Closing Level (or any other relevant level) of the relevant Successor Index in respect of the Strike Date, any Valuation Date, any Observation Date, any Averaging Date or any other relevant date, and/or any adjustment(s), if any, to one or more of any variables relevant to the redemption, cancellation, payment, calculation of any amount payable, or other terms of the Notes or W&C Instruments, as the Calculation Agent determines appropriate to account for the economic effect of such Index Substitution Event (if any). The Issuer will notify holders of the occurrence and terms of such Index Substitution Event, in the case of Notes, in accordance with Note Condition 14 and, in the case of W&C Instruments, in accordance with W&C Instruments Condition 12 (the date of such notification, in the case of Notes pursuant to Note Condition 14 and, in the case of W&C Instruments pursuant to W&C Instruments Condition 12, being the "**Index Substitution Event Notification Date**"). The Issuer's determination, in the case of Notes, not to redeem the Notes early and, in the case of W&C Instruments, not to cancel the W&C Instruments, following a U.S. Withholding Tax Event shall not affect its right to, in the case of Notes, redeem the Notes early for any other tax reasons pursuant to Note Condition 7 or, in the case of W&C Instruments, cancel the W&C Instruments for any other tax reason pursuant to W&C Instruments Condition 8, at any time during the term of the Notes or W&C Instruments, as applicable (whether before, at the same time, or after the occurrence of the U.S. Withholding Tax Event which gave rise to such Index Substitution Event).

Following the occurrence of an Index Substitution Event: (a) in the case of Notes each Noteholder shall have the option, upon such Noteholder giving the Issuer, in accordance with Note Condition 14, not less than 10 nor more than 30 calendar days' notice from the Index Substitution Event Notification Date to redeem the Notes held by such Noteholder in whole (but not in part), and, the Issuer, upon the expiration of such notice, will redeem such Notes on the Index Substitution Optional Redemption Date and at the Index Substitution Optional Redemption Amount; or (b) in the case of W&C Instruments each Holder shall have the option, upon such Holder giving the Issuer, in accordance with W&C Instruments Condition 12, not less than 10 nor more than 30 calendar days' notice from the Index Substitution Event Notification Date to cancel the W&C Instruments held by such Holder in whole (but not in part), and, the Issuer, upon the expiration of such notice, will cancel such W&C Instruments on the Index Substitution Optional Cancellation Date at the Index Substitution Optional Cancellation Amount.

In the case of (a) Notes, the procedures specified in the second, third and fourth paragraphs of Note Condition 7(E) shall apply to the election of the option described in paragraph (i) above, (b) Certificates, the procedures specified in the second paragraph of W&C Instruments Condition 30(E) shall apply to the election of the option described in paragraph (ii) above, provided that for the purposes of this Index Condition 5(d) the words "In order to exercise the right to bring forward the Exercise Date" shall be deemed to be deleted, and (c) Warrants, the procedure specified in the

relevant paragraph of W&C Instruments Condition 24 shall apply to the election of the option described in paragraph (ii) above, provided that for the purposes of this Index Condition 5(d) the words "Settlement Date" and "Actual Exercise Date" shall be deemed to be deleted and replaced with the words "Index Substitution Optional Cancellation Date".

**"Index Substitution Optional Cancellation Amount"** means, in respect of each W&C Instrument, the fair market value of the W&C Instrument less the cost to the Issuer and/or its Affiliates or agents of unwinding any underlying hedging arrangement (including any cost of funding in respect of such hedging arrangements) as determined by the Calculation Agent (determined on or after the Index Substitution Event Notification Date) (taking into account, if applicable, any and all adjustments made to the levels of the relevant Index or Successor Index and the terms of the W&C Instruments made pursuant to paragraphs (i) and (ii) of Index Linked Condition 5(d)).

**"Index Substitution Optional Cancellation Date"** means, in respect of each W&C Instrument, a date selected by the Issuer, which shall be not earlier than the fifth Business Day following the Index Substitution Event Notification Date and not later than the 60th calendar day following the Index Substitution Event Notification Date.

**"Index Substitution Optional Redemption Date"** means, in respect of each Note, a date selected by the Issuer, which shall be not earlier than the fifth Business Day following the Index Substitution Event Notification Date and not later than the 60th calendar day following the Index Substitution Event Notification Date.

## 6. Additional Disruption Events

- (a) **"Additional Disruption Event"** means any of Change in Law, Hedging Disruption and/or Increased Cost of Hedging, in each case if specified in the applicable Final Terms.

**"Change in Law"** means that, on or after the Trade Date (as specified in the applicable Final Terms) (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in its sole and absolute discretion that (A) it has become illegal to hold, acquire or dispose of any relevant security comprised in an Index or (B) the Issuer will incur a materially increased cost in performing its obligations in relation to the Index Linked Instruments (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on the tax position of the Issuer and/or any of its affiliates).

**"Hedging Disruption"** means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Index Linked Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

**"Increased Cost of Hedging"** means that the Issuer and/or any of its Affiliates or agents acting on its behalf would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Index Linked Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

- (b) If Additional Disruption Events are specified as applicable in the applicable Final Terms, then if an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
  - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any one or more of the terms of these Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
  - (ii) give notice to Holders in accordance with Note Condition 14 or W&C Instruments Condition 12, as applicable, and (A) in the case of Notes, redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or (B) in the case of W&C Instruments, cancel the W&C Instruments and pay an amount to each Holder in respect of each W&C Instrument or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Instrument or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion, payment being made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12.
- (c) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders stating the occurrence of the Additional Disruption Event, giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

## ANNEX 2

## ADDITIONAL TERMS AND CONDITIONS FOR SHARE LINKED INSTRUMENTS

1. **Interpretation**

If specified as applicable in the applicable Final Terms, the terms and conditions applicable to Share Linked Notes shall comprise the terms and conditions of the Notes (the "**Note Conditions**") and the Additional Terms and Conditions for Share Linked Instruments set out below (the "**Share Linked Conditions**"), in each case subject to completion and/or amendment in the applicable Final Terms. The terms and conditions applicable to Share Linked W&C Instruments shall comprise the terms and conditions of the W&C Instruments (the "**W&C Instruments Conditions**") and the Share Linked Conditions, in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Note Conditions, in the case of Notes, and the W&C Instruments Conditions, in the case of W&C Instruments, and the Share Linked Conditions, the Share Linked Conditions shall prevail. In the event of any inconsistency between (a) the Note Conditions or the W&C Instruments Conditions and the Share Linked Conditions and (b) the applicable Final Terms, the applicable Final Terms shall prevail. References in the Share Linked Conditions to "Instrument" and "Instruments" shall be deemed to be references to "Note" and "Notes" or "W&C Instrument" and "W&C Instruments" as the context admits.

2. **Definitions**

For the purposes of these Share Linked Conditions:

**"Averaging Cut-Off Date"** means the eighth Scheduled Trading Day (or, where the Share Linked Instruments relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the eighth Common Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, or on account of such date not being a Scheduled Trading Day (or, where the Share Linked Instruments relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, a Common Scheduled Trading Day), would have been the final Averaging Date, or, if earlier, the Scheduled Trading Day (or, where the Share Linked Instruments relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day (or, in respect of Swedish Instruments, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on the relevant Averaging Dates, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which the final Averaging Date was scheduled to fall.

**"Averaging Date"** means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day, (or, where the Share Linked Instruments relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the immediately following Common Scheduled Trading Day), or, if earlier, the Averaging Cut-Off Date. If any such day is a Disrupted Day:

- (a) if "**Omission**" is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant price; provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of "Valuation Date" will apply for purposes of determining the relevant price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if "**Postponement**" is specified as applying in the applicable Final Terms, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant price on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such

determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or

- (c) if "Modified Postponement" is specified as applying in the applicable Final Terms then:
  - (i) where the Share Linked Instruments relate to a single Share, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of "Valuation Date" below;
  - (ii) where the Share Linked Instruments relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall not be applicable, the Averaging Date for each Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for a Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Share. If the first succeeding Valid Date in relation to such Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of "Valuation Date" below;
  - (iii) where the Share Linked Instruments relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Individual Disrupted Days" shall be applicable, the Averaging Date for each Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for a Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Share. If the first succeeding Valid Date in relation to such Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of "Valuation Date" below; or
  - (iv) where the Share Linked Instruments relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Averaging Date for each Share shall be the first succeeding Common Valid Date in relation to such Share. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective

of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of "Valuation Date" below,

and, for the purposes of these Share Linked Conditions **"Valid Date"** means a Scheduled Trading Day that is not a Disrupted Day and on which another Averaging Date does not or is deemed not to occur, and **"Common Valid Date"** means a Common Scheduled Trading Day that is not a Disrupted Day for any Share and on which another Averaging Date does not or is deemed not to occur.

- (a) if the applicable Final Terms provides that the Barrier Event (intraday) provisions shall apply, unless otherwise specified in the Final Terms, each day on which the price of such Share is quoted on the relevant Exchange during the relevant Observation Period, regardless of whether or not such day is a Scheduled Trading Day for such Share (and, for the avoidance of doubt, if the Calculation Agent in its sole and absolute discretion determines that a Market Disruption Event is occurring at any time on any Barrier Event Determination Day, it shall disregard the period during which it determines in its sole and absolute discretion that such Market Disruption Event has occurred and is continuing for the purposes of determining whether or not a Barrier Event (intraday) has occurred); or
- (b) if the applicable Final Terms provides that the Barrier Event (closing) provisions shall apply, each day specified as such in the applicable Final Terms.

**"Barrier Event Valuation Time (closing)"** means, in respect of each Share to be valued, the Scheduled Closing Time on the relevant Exchange on the relevant Barrier Event Determination Day. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Barrier Event Valuation Time (closing) is after the actual closing time for its regular trading session, then the Barrier Event Valuation Time (closing) shall be such actual closing time.

**"Exchange"** means, in relation to a Share, each exchange or quotation system specified as such for such Share in the applicable Final Terms, any successor to such exchange or quotation system or any substitute exchange or quotation system to which trading in the Share has temporarily relocated (provided that the Calculation Agent has determined that there is comparable liquidity relative to such Share on such temporary substitute exchange or quotation system as on the original Exchange).

**"Observation Date"** means each date specified as such in the applicable Final Terms, or if such date is not a Scheduled Trading Day the immediately following Scheduled Trading Day (or, where the Share Linked Instruments relate to a Basket of Shares and the applicable Final Terms provides that "Common Scheduled Trading Days" shall be applicable, the immediately following Common Scheduled Trading Day), or, if earlier, the Observation Cut-Off Date. If any such day is a Disrupted Day, then:

- (a) where the Share Linked Instruments relate to a single Share, the Observation Date shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day, unless each of the Scheduled Trading Days immediately following the Scheduled Observation Date up to, and including, the Observation Cut-Off Date is a Disrupted Day. In that case, or if such Observation Date falls on the Observation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Share, (i) the Observation Cut-Off Date shall be deemed to be the Observation Date for such Share (notwithstanding the fact that such day may be a Disrupted Day) and (ii) the Calculation Agent shall determine the relevant price using, in relation to such Share, a price determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using its good faith estimate of the price for such Share as of the Valuation Time on the Observation Cut-Off Date, and otherwise in accordance with the above provisions;

may be, and the Calculation Agent shall use such Corrected Share Price in determining the relevant price and/or whether the Barrier Event (closing) or Barrier Event (intraday), as the case may be, has been triggered.

- (vii) any other event having, in the opinion of the Calculation Agent, a diluting or concentrative effect on the theoretical value of the relevant Shares.

Following the declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Shares and, if so, will make the corresponding adjustment, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate to account for that diluting or concentrative effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends stock loan rate or liquidity relative to the relevant Share) and determine the effective date of that adjustment. The Calculation Agent may, but need not, determine the appropriate adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange.

Announcements capable of falling within the description above include any announcement by the Share Company or a third party of an intention to pursue "strategic alternatives" or a similar announcement, or any subsequent announcement relating to the same subject matter (including a subsequent announcement that the relevant transaction, event or strategy will not be pursued or consummated, as the case may be).

**"Relevant Event Cut-off Date"** means, in respect of (i) Cash Settled Instruments, the last occurring Valuation Date or Observation Date, as the case may be, or where Averaging is specified in the applicable Final Terms, the final Averaging Date in respect of the relevant Instrument or (ii) in the case of Physical Delivery Notes, the Maturity Date, or (iii) Physical Delivery W&C Instruments the relevant Settlement Date.

  - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any terms of the Terms and Conditions and/or the applicable Final Terms to account for the De-listing,

- Merger Event, Tender Offer, Nationalisation, Insolvency or Announcement Event, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but need not) determine the appropriate adjustment by reference to the adjustment in respect of the Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Announcement Event made by any options exchange to options on the Shares traded on that options exchange and the relevant adjustments may in the case of adjustments following a Merger Event, Tender Offer or Announcement Event include, without limitation, adjustments to account for changes in volatility, expected dividends, stock loan rate or liquidity relevant to the Shares; or

If options on the Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Announcement Event, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded; or

the purposes of the Instruments, and the Calculation Agent will make such adjustment, if any, to any of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that in the event that any amount payable under the Instruments was to be determined by reference to the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms), the relevant price of each Substitute Share will be determined by the Calculation Agent in accordance with the following formula:

$$A \times (B/C)$$

Where:

"A" is the official closing price of the relevant Substitute Share on the relevant exchange, as determined by the Calculation Agent, on the date that the substitution is effected;

"B" is the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms) where such price is defined in the applicable Final Terms for the purposes of calculating any value or determining any amount payable in respect of the Instruments; and

- (B) Where the Share Linked Instruments relate to a Basket of Shares, the Calculation Agent may adjust the basket of Shares to include a share or shares (the "**Substitute Shares**") selected by it in accordance with the Share Substitution Criteria in place of the Share(s) (the "**Affected Share(s)**") which are affected by such Merger Event, Tender Offer, Nationalisation, Insolvency, De-listing or Announcement Event and the Substitute Shares will be deemed to be "Shares" and the relevant issuer of each such share, a "Share Company" for the purposes of the Instruments, and the Calculation Agent will make such adjustment, if any, to any of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, provided that in the event that any amount payable under the Instruments was to be determined by reference to the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms), the relevant price of each Substitute Share will be determined by the Calculation Agent in accordance with the following formula:

$$A \times (B/C)$$

"A" is the official closing price of the relevant Substitute Share on the relevant exchange, as determined by the Calculation Agent on the date that the substitution is effected;

"B" is the price of the Affected Share on the Trade Date (or any such other historical date specified in the applicable Final Terms) where such price is defined in the applicable Final Terms for the purposes of calculating any value or determining any amount payable in respect of the Instruments; and

"C" is the official closing price of the relevant Affected Share on the relevant Exchange on the date that the substitution is effected.

The weighting of each Substitute Share in the basket will be equal to the weighting of the relevant Affected Share.

Upon the occurrence of a Merger Event, De-listing, Nationalisation, Insolvency, Announcement Event, or if applicable, Tender Offer, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Instruments Condition 12, as applicable, stating the occurrence of the Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Announcement Event, or as the case may be, giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Announcement Event, as the case may be.

#### 7. **Non-euro Quoted Shares**

The Calculation Agent will make any conversion necessary for purposes of any such adjustment as of the Valuation Time at an appropriate mid market spot rate of exchange determined by the Calculation Agent prevailing as of the Valuation Time. No adjustments under this provision will affect the currency denomination of any payment obligation arising out of the Instruments.

- (a) has the direct or indirect effect of hindering, limiting or restricting (i) the convertibility of the relevant Subject Currency into the Base Currency, or (ii) the transfer of the Subject Currency or the Base Currency to countries other than the countries for which the Subject Currency or the Base Currency, as the case may be, is the lawful currency (including without limitation, by way of any delays, increased costs or discriminatory rates of exchange or any current or future restrictions); and/or
- (b) results in the unavailability of any relevant Base Currency or Subject Currency in the interbank foreign exchange market in any Specified Financial Centre(s) in accordance with normal commercial practice.

**"Interbank Market"** means the over-the-counter foreign exchange spot market open continuously from and including 5.00 a.m., Sydney time, on a Monday in any week to and including 5.00 p.m., New York time, on the Friday of such week.

**"Maximum Days of Postponement"** means five (5) FX Business Days or such other number of FX Business Days (or other type of days) as specified in the applicable Final Terms.

**"Non-Transferability Event"** means the occurrence, as determined by the Calculation Agent in its sole and absolute discretion, of any event that generally makes it impossible to deliver (a) the Base Currency from accounts inside the Subject Currency Jurisdiction to accounts outside the Subject Currency Jurisdiction or (b) the Subject Currency between accounts inside the Subject Currency Jurisdiction or to a party that is a non-resident of the Subject Currency Jurisdiction.

**"Other Published Sources"** means, in respect of any relevant day, that the Calculation Agent will determine the Currency Price on such relevant day on the basis of the exchange rate for one unit of the Base Currency in terms of the Subject Currency published by available recognised financial information vendors (as selected by the Calculation Agent) other than the applicable FX Price Source, at or around the applicable Valuation Time on such relevant day.

**"Postponement"** means, in respect of a Valuation Date or an Averaging Date, if such day (or, if applicable, if the original day on which such Valuation Date or an Averaging Date, as the case may be, is scheduled to fall (as specified in the applicable Final Terms) is postponed on account of such original day not being an FX Business Day, such postponed day) is an FX Disrupted Day, then:

- (a) where the FX Linked Instruments relate to a single Currency Price, such Valuation Date or Averaging Date, as the case may be, shall be the first succeeding FX Business Day that is not an FX Disrupted Day, unless the Calculation Agent determines that each of the consecutive FX Business Days equal in number to the Maximum Days of Postponement immediately following such Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, is an FX Disrupted Day. In that case, (i) that last consecutive FX Business Day shall be deemed to be the Valuation Date or the Averaging Date, as the case may be (notwithstanding the fact that such day may be an FX Disrupted Day) and (ii) the next applicable Disruption Fallback shall apply; or
- (b) where the FX Linked Instruments relate to a Basket of Currency Prices, such Valuation Date or Averaging Date, as the case may be, for each Currency Price not affected by the occurrence of an FX Disrupted Day shall be the Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, and the Valuation Date for each Currency Price affected (each an **"Affected Currency Price"**) by the occurrence of an FX Disrupted Day shall be the first succeeding FX Business Day that is not an FX Disrupted Day relating to the Affected Currency Price, unless the Calculation Agent determines that each of the consecutive FX Business Days equal in number to the Maximum Days of Postponement immediately following such Scheduled Valuation Date or Scheduled Averaging Date, as the case may be, is an FX Disrupted Day. In

that case for each Affected Currency Price, (i) that last consecutive FX Business Day shall be deemed to be the Valuation Date or the Averaging Date, as the case may be (notwithstanding the fact that such day may be an FX Disrupted Day) and (ii) the next applicable Disruption Fallback shall apply.

**"Price Materiality Event"** means, in respect of a Currency Price and a Valuation Date, Averaging Date or other relevant date, that the FX Price Source differs from the Fallback Reference Price by at least the Price Materiality Percentage (and if both an FX Price Source Disruption and a Price Materiality Event occur or exist on any day, it shall be deemed that an FX Price Source Disruption and not a Price Materiality Event occurred or existed on such day).

**"Price Materiality Percentage"** means the percentage specified as such in the applicable Final Terms.

**"Reference Dealers"** means, in respect of each Subject Currency, four leading dealers in the relevant foreign exchange market, as determined by the Calculation Agent (or any other number of dealers as specified in the applicable Final Terms).

**"Specified Financial Centre(s)"** means the financial centre(s) specified in the applicable Final Terms.

**"Strike Date"** means the date specified as such in the applicable Final Terms.

**"Subject Currency"** means the currency specified as such in the applicable Final Terms.

**"Subject Currency Jurisdiction"** means the country for which the Subject Currency is the lawful currency.

**"Valuation Cut-Off Date"** means, in respect of a Valuation Date, the fifth FX Business Day immediately following the original date on which such Valuation Date was scheduled to fall, or, if earlier, the FX Business Day falling on or immediately preceding the second Business Day (or, in respect of Swedish Instruments, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Valuation Date, provided that the Valuation Cut-Off Date shall not fall prior to the original date on which such Valuation Date was scheduled to fall.

**"Valuation Date"** means:

- (a) if the applicable Final Terms specify that the EM Currency Provisions shall not apply to a Currency Price, each Valuation Date specified in the applicable Final Terms or if that is not an FX Business Day the first following day which is an FX Business Day, or, if earlier the Valuation Cut-Off Date (such day, the **"Scheduled Valuation Date"** corresponding to such Valuation Date). If a Valuation Date falls on the Valuation Cut-Off Date, then, subject to the applicable Final Terms, the first applicable Disruption Fallback specified as a consequence of an FX Market Disruption Event shall apply (as if an FX Market Disruption Event had occurred), or, if none is specified, Calculation Agent Determination shall be deemed to apply; or
- (b) if the applicable Final Terms specify that the EM Currency Provisions shall apply to a Currency Price, each Valuation Date specified in the applicable Final Terms (the **"Scheduled Valuation Date"** in respect of such Currency Price, if such day is an FX Business Day for such Currency Price, or if such day is not an FX Business Day only by reason of being an Unscheduled Holiday for such Currency Price), or the immediately preceding FX Business Day for such Currency Price, as determined by the Calculation Agent (the **"Scheduled Valuation Date"** in respect of such Currency Price, if such day is not an FX Business Day and is not an Unscheduled Holiday for such Currency Price), provided that such Valuation Date shall be subject to adjustment in accordance with FX Linked Condition 3 and FX Linked Condition 4.

**"Valuation Time"** means the Valuation Time specified in the applicable Final Terms.

### 3. **Consequences of an FX Disrupted Day**

If the Calculation Agent determines that any Valuation Date or Averaging Date is an FX Disrupted Day, then the Currency Price for such Valuation Date or Averaging Date will be determined in accordance with the terms of the first applicable Disruption Fallback. The applicable Final Terms may provide that one or more Disruption Fallbacks may apply to any Valuation Date or Averaging Date and that such applicable Disruption Fallbacks may apply concurrently or sequentially, in such manner as specified in the applicable Final Terms.

### 4. **EM Currency Provisions: Unscheduled Holiday**

(a) If the applicable Final Terms provide that the EM Currency Provisions shall apply to a Currency Price or Fallback Reference Price, as applicable, and any Valuation Date or Averaging Date, and that Unscheduled Holidays shall be applicable, then, if the Calculation Agent determines that the relevant Scheduled Valuation Date or Scheduled Averaging Date, as applicable (each, a "**Scheduled Reference Date**"), is an Unscheduled Holiday for such Currency Price or Fallback Reference Price, then the Valuation Date or Averaging Date shall be postponed to the first FX Business Day falling after the Scheduled Reference Date (the "**Adjusted Scheduled Reference Date**"), provided that if such first FX Business Day has not occurred on or before the last day of the Maximum Days of Deferral, then the next day after the Last Deferred Day that would have been an FX Business Day but for a Unscheduled Holiday shall be deemed to be the Adjusted Scheduled Reference Date.

(b) The following terms and expressions shall have the following meanings:

**"Last Deferred Day"** means, in respect of any postponement by a number of days equal to the Maximum Days of Deferral, the last day to which such day is postponed.

**"Maximum Days of Deferral"** means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

**"Unscheduled Holiday"** means, in respect of a Currency Price or Fallback Reference Price, as applicable, a day that is not an FX Business Day and the market was not aware of such fact (by means of a public announcement or by reference to other publicly available information) until a time later than 9.00 a.m., local time in the Specified Financial Centre in respect of such Currency Price or Fallback Reference Price, two FX Business Days prior to such day.

### 5. **EM Currency Provisions: EM Valuation Postponement**

If the applicable Final Terms provide that the EM Currency Provisions shall apply to a Currency Price (which term shall include, where the Final Terms provide that the prior applicable Disruption Fallback is "Fallback Reference Price", the Currency Price determined using the applicable Fallback Reference Price) and any Valuation Date or Averaging Date, and that EM Valuation Postponement shall be applicable, then, if the Calculation Agent determines that the relevant Scheduled Reference Date (if the Scheduled Reference Date is not an Unscheduled Holiday for the Currency Price) or the Adjusted Scheduled Reference Date (if the Scheduled Reference Date is an Unscheduled Holiday for the Currency Price) is an FX Disrupted Day, then such Valuation Date or Averaging Date shall be the first FX Business Day which is not an FX Disrupted Day unless an FX Market Disruption Event continues to exist (measured from such Scheduled Reference Date or Adjusted Scheduled Reference Rate, as applicable) for a consecutive number of calendar days equal to the Maximum Days of EM Valuation Postponement. In that case, the Currency Price will be determined on the next FX Business Day after the Maximum Days of EM Valuation Postponement in accordance with the next applicable Disruption Fallback as specified in the applicable Final Terms.

Where:

**"Maximum Days of EM Valuation Postponement"** means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

## 6. **EM Currency Provisions: EM Fallback Valuation Postponement**

If the applicable Final Terms provide that the EM Currency Provisions shall apply and that EM Fallback Valuation Postponement shall be applicable and where the Final Terms provide that the prior applicable Disruption Fallback is "Fallback Reference Price", if the Calculation Agent determines that the Currency Price (as determined by reference to the applicable Fallback Reference Price) is not available on (a) the first FX Business Day following the end of the Maximum Days of EM Valuation Postponement (where an FX Market Disruption Event has occurred or exists in respect of the Currency Price throughout the Maximum Days of EM Valuation Postponement) or (b) on the Adjusted Scheduled Reference Date (where the Adjusted Scheduled Reference Date falls after the Last Deferred Day) then the Valuation Date or Averaging Date shall be the first succeeding FX Business Day which is not an FX Disrupted Day in respect of the Currency Price unless an FX Market Disruption Event continues to exist throughout the Fallback Maximum Period of Postponement. In that case, the Currency Price will be determined on the Last Fallback Postponement Date in accordance with the next applicable Disruption Fallback.

Where:

**"Fallback Maximum Period of Postponement"** means the period commencing on, and including:

- (a) if an FX Market Disruption Event has occurred or exists in respect of the Currency Price throughout the Maximum Days of EM Valuation Postponement, the first FX Business Day following the end of the Maximum Days of EM Valuation Postponement; or
- (b) if the Adjusted Scheduled Reference Date falls after the Last Deferred Day, the Adjusted Scheduled Reference Date,

and ending on, and including, the third FX Business Day (or such other day as specified in the applicable Final Terms) following such date as specified in paragraphs (a) and (b) above, as applicable (such date, the **"Last Fallback Postponement Date"**).

## 7. **EM Currency Provisions: Cumulative Events**

If the applicable Final Terms provide that the EM Currency Provisions shall apply to a Currency Price and any Valuation Date or Averaging Date, and that Cumulative Events shall be applicable, then the total number of consecutive calendar days during which (a) such Valuation Date or Averaging Date is deferred due to an Unscheduled Holiday, (b) an EM Valuation Postponement shall occur in respect of such Valuation Date or Averaging Date, or (c) an EM Fallback Valuation Postponement shall occur in respect of such Valuation Date or Averaging Date (or any combination of (a), (b) and (c)), shall not exceed the Maximum Days of Cumulative Postponement in the aggregate. Accordingly, (i) if such Valuation Date or Averaging Date is postponed by the number of calendar days equal to the Maximum Days of Cumulative Postponement owing to an EM Valuation Postponement or EM Fallback Valuation Postponement (or both), and an Unscheduled Holiday shall have occurred or be continuing on the day following the relevant Last Postponed Day that otherwise would have been an FX Business Day, then such day shall be deemed to be such Valuation Date or Averaging Date and (ii) if such Valuation Date or Averaging Date is postponed by the number of calendar days equal to the Maximum Days of Cumulative Postponement owing to Unscheduled Holidays, and on the first day after the Last Postponed Day, an applicable FX Market Disruption Event shall have occurred or be continuing, then the Currency Price in respect of such Valuation Date or Averaging Date or other relevant date shall be determined in accordance with the next applicable Disruption Fallback.

Where:

**"Last Postponed Day"** means, in respect of any postponement by a number of days equal to the Maximum Days of Cumulative Postponement, the last day to which such day is postponed; and

**"Maximum Days of Cumulative Postponement"** means such number of calendar days (or other type of days) as specified in the applicable Final Terms.

8. **Corrections to Published and Displayed Rates**

- (a) In any case where a Currency Price is based on information obtained from the Reuters Monitor Money Rates Service, or any other financial information service, the Currency Price will be subject to the corrections, if any, to that information subsequently displayed by that source within one hour of the time when such rate is first displayed by such source, unless the Calculation Agent determines in its sole and absolute discretion that it is not practicable to take into account such correction.
- (b) Notwithstanding FX Linked Condition 8(a), in any case where the Currency Price is based on information published or announced by any governmental authority in a relevant country, the Currency Price will be subject to the corrections, if any, to that information subsequently published or announced by that source within five calendar days of the relevant date, unless the Calculation Agent determines in its sole and absolute discretion that it is not practicable to take into account such correction.

9. **Successor Currency**

Where the applicable Final Terms specify that "Successor Currency" is applicable in respect of a Currency Price, then:

- (a) each Subject Currency and Base Currency will be deemed to include any lawful successor currency to the Subject Currency or Base Currency (the "**Successor Currency**");
- (b) if the Calculation Agent determines that on or after the Issue Date (or such other date as specified in the applicable Final Terms) but on or before any relevant date under the Instruments on which an amount may be payable, a country has lawfully eliminated, converted, redenominated or exchanged its currency in effect on the Issue Date or any Successor Currency, as the case may be (the "**Original Currency**") for a Successor Currency, then for the purposes of calculating any amounts of the Original Currency or effecting settlement thereof, any Original Currency amounts will be converted to the Successor Currency by multiplying the amount of Original Currency by a ratio of Successor Currency to Original Currency, which ratio will be calculated on the basis of the exchange rate set forth by the relevant country of the Original Currency for converting the Original Currency into the Successor Currency on the date on which the elimination, conversion, redenomination or exchange took place, as determined by the Calculation Agent. If there is more than one such date, the date closest to such relevant date will be selected (or such other date as may be selected by the Calculation Agent in its sole and absolute discretion);
- (c) notwithstanding paragraph (b) above but subject to paragraph (d) below, the Calculation Agent may (to the extent permitted by the applicable law), in good faith and in its sole and absolute discretion, select such other exchange rate or other basis for the conversion of an amount of the Original Currency to the Successor Currency and, will make such adjustment(s) that it determines to be appropriate, if any, to any variable, calculation methodology, valuation, settlement, payment terms or any other terms in respect of the Instruments to account for such elimination, conversion, redenomination or exchange of the Subject Currency or Base Currency, as the case may be; and
- (d) notwithstanding the foregoing provisions, with respect to any Subject Currency or Base Currency that is substituted or replaced by the Euro, the consequences of such substitution or replacement will be determined in accordance with applicable law.

10. **Rebasing of Instruments**

If the applicable Final Terms specify that "Rebasing" is applicable, then if, on or prior to any Valuation Date or Averaging Date or any other relevant date, the Calculation Agent is unable

to obtain a value for a Subject Currency (because the Subject Currency and/or Base Currency ceases to exist, or for any other reason other than a temporary disruption, as determined by the Calculation Agent), the Calculation Agent may rebase the Instruments against another foreign exchange rate determined by the Calculation Agent, in its sole and absolute discretion, to be a comparable foreign exchange rate. If the Calculation Agent determines in its sole and absolute discretion that there is not such a comparable foreign exchange rate, the Issuer may take the action described in FX Linked Condition 11(a)(ii)(A) or 11(a)(ii)(B) below, provided that the words "the Additional Disruption Event" in FX Linked Condition 11(a)(ii)(A) and FX Linked Condition 11(a)(ii)(B) shall be deemed to be replaced with the words "the inability of the Calculation Agent to obtain a value for the Subject Currency".

#### 11. **Consequences of an Additional Disruption Event**

If the applicable Final Terms specify that Additional Disruption Events shall be applicable, then:

- (a) following the determination by the Calculation Agent that an Additional Disruption Event has occurred, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
  - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
  - (ii)
    - (A) in the case of Notes, give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
    - (B) in the case of W&C Instruments, give notice to the Holders in accordance with W&C Instruments Condition 12 and cancel the W&C Instruments. If the W&C Instruments are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Instrument or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Instrument or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12;
- (b) upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Instruments Condition 12, as applicable, stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event; and
- (c) the following terms and expressions shall have the following meanings:

**"Additional Disruption Event"** means any of a Change in Law, a Hedging Disruption and/or an Increased Cost of Hedging.

**"Change in Law"** means that, on or after the Trade Date (or such other date as specified in the applicable Final Terms) of the Instruments (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent

determines in good faith that (A) it has become illegal to hold, acquire or dispose of any relevant currency or asset, or (B) the Issuer or any affiliate(s) of the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer's obligations under the Instruments will incur a materially increased cost in performing its obligations in relation to the Instruments (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position).

**"Hedging Disruption"** means that the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer's obligations in relation to the Instruments is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the currency or other price risk of the Issuer issuing and performing its obligations with respect to or in connection with the relevant Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

**"Increased Cost of Hedging"** means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the currency or other price risk of the Issuer issuing and performing its obligations with respect to the relevant Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on such Pricing Date, provided that the Commodity Cut-Off Date shall not fall prior to the original date on which such Pricing Date was scheduled to fall (unless otherwise provided in the applicable Final Terms).

  - (i) all trading in the Futures Contract or the Commodity is suspended for the entire Pricing Date; or
  - (ii) all trading in the Futures Contract or the Commodity is suspended subsequent to the opening of trading on the Pricing Date, trading does not recommence prior to the regularly scheduled close of trading in such Futures Contract or such Commodity on such Pricing Date and such suspension is announced less than one hour preceding its commencement; and

**"Pricing Date"** means, with respect to a Commodity or a Commodity Index, each date specified as such or otherwise as provided in the applicable Final Terms (each such original date, a **"Scheduled Pricing Date"**), provided that if any Scheduled Pricing Date is not a Commodity Business Day for such Commodity or Commodity Index (as the case may be), then the Pricing Date for such Commodity or Commodity Index (as the case may be) will be the earlier of (a) the next following Commodity Business Day for such Commodity or Commodity Index (as the case may be), and (b) the Commodity Cut-Off Date or Commodity Index Cut-Off Date (as the case may be), and subject to adjustment as provided in Commodity Linked Condition 4 (*Market Disruption and Disruption Fallback*).

**"Relevant Price"** means for any Pricing Date, the price, expressed as a price per unit of the Commodity or the price of the Commodity Index, determined with respect to that day for the specified Commodity Reference Price calculated as provided in these Commodity Linked Conditions and the applicable Final Terms.

**"Specified Price"** means, in respect of a Commodity Reference Price, any of the following prices (which must be a price reported in or by, or capable of being determined from information reported in or by, the relevant Price Source) as specified in the applicable Final Terms (and, if applicable, as of the time so specified): (a) the high price; (b) the low price; (c) the average of the high price and the low price; (d) the closing price; (e) the opening price; (f) the bid price; (g) the asked price; (h) the average of the bid price and the asked price; (i) the settlement price; (j) the official settlement price; (k) the official price; (l) the morning fixing; (m) the afternoon fixing; (n) the spot price; or (o) any other price specified in the applicable Final Terms.

**"Strike Date"** means the date specified as such in the applicable Final Terms.

### 3. **Terms relating to Calculation of Prices**

#### (a) **Common Pricing**

If **"Common Pricing"** is specified in the applicable Final Terms to be:

- (i) **"Applicable"**, then, if any Scheduled Pricing Date is not a day on which all referenced Commodity Reference Prices (for which such date would otherwise be a Pricing Date) are scheduled to be published or announced, as determined on the Trade Date of the Instruments, then the Pricing Date shall be the next following day on which all referenced Commodity Reference Prices (for which such date would otherwise be a Pricing Date) are scheduled to be published or announced, as determined on the Trade Date of the Instruments; or
- (ii) **"Not Applicable"**, then this Commodity Linked Condition 3(a) shall not apply.

If the Calculation Agent determines that a Market Disruption Event has occurred or exists on any Pricing Date in respect of any relevant Commodity (an **"Affected Commodity"**) and/or Commodity Index (an **"Affected Commodity Index"**), the Relevant Price of each Commodity and/or Commodity Index within the basket which is not affected by the occurrence of a Market Disruption Event shall be determined on the Scheduled Pricing Date and the Relevant Price for each Affected Commodity or

Affected Commodity Index shall be determined in accordance with the first applicable Disruption Fallback that provides a Relevant Price.

All determinations made by the Calculation Agent pursuant to this Condition will be conclusive and binding on the Holders, the Issuer and the Guarantor, except in the case of manifest error.

(b) Correction to Published Prices

For purposes of determining or calculating the Relevant Price (or any price or value published or announced on any date which is utilised for any calculation or determination in connection with the Commodity Linked Instruments), if the price published or announced on a given day and used or to be used by the Calculation Agent to determine a Relevant Price (or any price or value published or announced on any date which is utilised for any calculation or determination in connection with the Commodity Linked Instruments) is subsequently corrected and the correction is published or announced by the person responsible for that publication or announcement within 30 calendar days after the original publication or announcement (or, if earlier the day falling two Business Days preceding the date on which payment of any amount or delivery of any assets may have to be made, in each case calculated by reference to such Relevant Price (or any price or value published or announced on any date which is utilised for any calculation or determination in connection with the Commodity Linked Instruments)), the Calculation Agent may, in its sole discretion, use such corrected price in such calculation.

4. **Market Disruption and Disruption Fallback**

If, in the opinion of the Calculation Agent, a Market Disruption Event (as defined below) has occurred and is continuing on any Pricing Date (or, if different, the day on which the price for that Pricing Date would, in the ordinary course, be published by the Price Source), the Relevant Price for that Pricing Date will be determined by the Calculation Agent, in accordance with the first applicable Disruption Fallback (as set out below) that provides a Relevant Price:

(a) Market Disruption Event

**"Market Disruption Event"** means the occurrence of any of the following events:

- (i) with respect to all Commodities:
  - (A) Price Source Disruption;
  - (B) Commodity Trading Disruption;
  - (C) Disappearance of Commodity Reference Price; and
- (ii) with respect to all Commodities other than gold, silver, platinum or palladium:
  - (A) Material Change in Formula;
  - (B) Material Change in Content; and
  - (C) any additional Market Disruption Events as specified in the applicable Final Terms; and
- (iii) with respect to a Commodity Index:
  - (A) a temporary or permanent failure by the applicable exchange or other price source to announce or publish (I) the Commodity Reference Price (provided that the Calculation Agent may, in its sole and absolute discretion, determine that such failure (aa) shall not be a Market Disruption Event and shall instead be dealt with under paragraph (a) of

the proviso to the definition of Price Source specified in Commodity Linked Condition 2, or (bb) shall instead amount to a Commodity Index Adjustment Event in respect of such Commodity Index, and proceed in accordance with Commodity Linked Condition 5 (Adjustments to a Commodity Index)) or (II) the closing price for any futures contract included in the Commodity Index;

- (B) a material limitation, suspension or disruption of trading in one or more of the futures contracts included in the Commodity Index which results in a failure by the exchange on which each applicable futures contract is traded to report a closing price for such contract on the day on which such event occurs or any succeeding day on which it continues; or
  - (C) the closing price for any futures contract included in the Commodity Index is a "limit price", which means that the closing price for such contract for a day has increased or decreased from the previous day's closing price by the maximum amount permitted under applicable exchange rules.
- (iv) Disruption Fallback

**"Disruption Fallback"** means a source or method that may give rise to an alternative basis for determining the Relevant Price in respect of a specified Commodity Reference Price when a Market Disruption Event occurs or exists on a day that is a Pricing Date in respect of the relevant Instrument. A Disruption Fallback is applicable if it is specified in the applicable Final Terms or, if no Disruption Fallback is specified in the applicable Final Terms, shall mean:

- (A) with respect to a relevant Commodity (in the following order):
  - (i) Fallback Reference Price (if applicable);
  - (ii) Delayed Publication or Announcement and Postponement (each to operate concurrently with the other and each subject to a period of two consecutive Commodity Business Days (measured from and including the original day that would otherwise have been the Pricing Date (or, if applicable, measured from and including the day that is the original date that would otherwise have been the Pricing Date, following any adjustment on account of such original date not being a Commodity Business Day)), or, if shorter, the period commencing on, and including, the original day that would otherwise have been the Pricing Date and ending on, and including, the Commodity Cut-Off Date) provided, however, that the price determined by Postponement shall be the Relevant Price only if Delayed Publication or Announcement does not yield a Relevant Price within those two consecutive Commodity Business Days (or, if applicable, the number of Commodity Business Days (if any) falling within the period ending on the Commodity Cut-Off Date); and
  - (iii) Calculation Agent Determination;
- (B) with respect to a Commodity Index, the Calculation Agent shall determine the Relevant Price using (unless otherwise specified in the applicable Final Terms):
  - (i) with respect to each futures contract included in the Commodity Index which is not affected by the Market Disruption Event, the closing prices of each such contract on the applicable determination date;

- (ii) with respect to each futures contract included in the Commodity Index which is affected by the Market Disruption Event, but for which a Market Disruption Event ceased to exist on or prior to the Commodity Index Cut-Off Date, the closing prices of each such contract on the first day following the applicable determination date on which no Market Disruption Event is occurring with respect to such contract; and
- (iii) with respect to each futures contract included in the Commodity Index which is affected by the Market Disruption Event, where a Market Disruption Event continues to exist as of the Commodity Index Cut-Off Date, the Calculation Agent's good faith estimate of the closing price of each such contract on the Commodity Index Cut-Off Date;

Subject as provided below, the Calculation Agent shall determine the Relevant Price by reference to the closing prices determined in (i), (ii) and (iii) above or as specified in the applicable Final Terms above using the then current method for calculating the Commodity Reference Price.

Where (A) the original date that would otherwise have been the Pricing Date is adjusted on account of such original date not being a Commodity Business Day, and the Pricing Date would fall on or after the Commodity Index Cut-Off Date following such adjustment, or (B) a Market Disruption Event with respect to one or more futures contracts included in the Commodity Index has occurred on an applicable determination date and continues to exist as of the relevant Commodity Index Cut-Off Date for such applicable determination date, the Calculation Agent shall determine the Relevant Price on such Commodity Index Cut-Off Date. In calculating the Relevant Price as set out herein, the Calculation Agent shall use the formula for calculating the Commodity Reference Price last in effect prior to the Market Disruption Event (if applicable).

## 5. Adjustments to a Commodity Index

### (a) Consequences of a Successor Index Sponsor or a Successor Index

If a relevant Commodity Index is (i) not calculated and announced by the Index Sponsor but is calculated and announced by a successor sponsor (the "**Successor Index Sponsor**") acceptable to the Issuer, or (ii) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of that Commodity Index, then in each case that index (the "**Successor Index**") will be deemed to be the Commodity Index.

### (b) Modification and Cessation of Calculation of a Commodity Index

If on or prior to a Pricing Date (i) the relevant Index Sponsor makes a material change in the formula for or the method of calculating a relevant Commodity Index or in any other way materially modifies that Commodity Index (other than a modification prescribed in that formula or method to maintain that Commodity Index in the event of changes in constituent commodities and weightings and other routine events), or (ii) the Index Sponsor permanently cancels a relevant Commodity Index or (iii) the Index Sponsor fails to calculate and announce a relevant Commodity Index and there is no Successor Index Sponsor or Successor Index, then the Issuer may at its option (in the case of (i)) and shall (in the case of (ii) and (iii)) (such events (i), (ii) and (iii) to be collectively referred to as "**Commodity Index Adjustment Events**") (provided that the Calculation Agent may, in its sole and absolute discretion, determine that event (iii) (y) shall not be a Commodity Index Adjustment Event and shall instead be dealt with under paragraph (a) of the proviso to the definition of Price Source specified in Commodity Linked Condition 2, or (z) shall instead amount to a Market Disruption Event in respect of such Commodity Index, and proceed in accordance with Commodity Linked Condition 4 take the action described in (A), (B) or (C) below:

- (A) calculate the Commodity Reference Price using in lieu of the published level for that Commodity Index, the level for that Commodity Index as at the relevant determination date as determined by the Calculation Agent in accordance with the formula for and method of calculating that Commodity Index last in effect prior to the relevant Commodity Index Adjustment Event, but using only those futures contracts that comprised that Commodity Index immediately prior to the relevant Commodity Index Adjustment Event (other than those futures contracts that have ceased to be listed on any relevant exchange);
- (B) if the Calculation Agent determines that it is not reasonably practicable (taking into account the costs involved) to calculate or continue to calculate such Commodity Index pursuant to (A) above, the Calculation Agent may rebase the Instruments against another index or basket of indices, as applicable, determined by the Calculation Agent, in its sole and absolute discretion, to be comparable to such Commodity Index, and, following such rebasing, the Calculation Agent may make such adjustment(s) that it determines to be appropriate, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent determines appropriate to account for such rebasing;
- (C)
  - (1) in the case of Notes, on giving notice to the Noteholders in accordance with Note Condition 14, redeem all (but not less than all) of the Notes, each Note being redeemed at the Early Redemption Amount; or
  - (2) in the case of W&C Instruments, on giving notice to Holders in accordance with W&C Instruments Condition 12, cancel the W&C Instruments. If the W&C Instruments are so cancelled, the Issuer will pay an amount to each Holder in respect of each W&C Instrument or Unit, as the case may be, held by him, which amount shall be the fair market value of a Commodity W&C Instrument or a Unit, as the case may be, taking into account the Commodity Index Adjustment Event, less the cost to the Issuer and/or any of its Affiliates of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12.

Upon the occurrence of a Commodity Index Adjustment Event, the Issuer shall give notice as soon as reasonably practicable to the Holders in accordance with Note Condition 14 or Holders in accordance with W&C Instruments Condition 12, as applicable, giving details of the action proposed to be taken in relation thereto, provided that any failure to give, or non-receipt of, such notice will not affect the validity of such action. The Issuer shall make available for inspection by Holders copies of any such determinations.

#### **6. Consequences of an Additional Disruption Event in respect of a Commodity Index**

- (a) Following the determination by the Calculation Agent that an Additional Disruption Event has occurred in respect of a Commodity Index, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
  - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
  - (ii)
    - (A) in the case of Notes, give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
    - (B) in the case of W&C Instruments, give notice to the Holders in accordance with W&C Instruments Condition 12 and cancel the W&C Instruments. If the W&C

Instruments are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Instrument or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Instrument or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12.

- (b) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Instruments Condition 12, as applicable, stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.
- (c) The following terms and expressions shall have the following meanings:

**"Additional Disruption Event"** means any of a Change in Law, a Hedging Disruption, and/or an Increased Cost of Hedging (together the **"Additional Disruption Events"**).

**"Change in Law"** means that, on or after the Trade Date (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in good faith that (A) it has become illegal to hold, acquire or dispose of any relevant currency or asset, or (B) the Issuer or any affiliate(s) of the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer's obligations under the Instruments will incur a materially increased cost in performing its obligations in relation to the Instruments (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position).

**"Hedging Disruption"** means that the Issuer or any entity (or entities) acting on behalf of the Issuer engaged in any underlying or hedging transactions in respect of the Issuer's obligations in relation to the Instruments is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the commodity or other price risk of the Issuer issuing and performing its obligations with respect to or in connection with the relevant Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

**"Increased Cost of Hedging"** means that the Issuer and/or any of its Affiliates or agents acting on its behalf would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the commodity or other price risk of the Issuer issuing and performing its obligations with respect to the Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

  - (B) determining that, in the sole and absolute discretion of the Calculation Agent, one or more Fund Events may continue until or after any scheduled determination dates and/or payment dates as set out in the applicable Final Terms, and thereafter determining to fix any determination date (including any Valuation or Averaging Date) and/or date on which payment should be made, and making payment on such date of such amount as is appropriate, as determined in the sole and absolute discretion of the Calculation Agent, taking into account the Fund Event, and which may be based solely on any amounts of cash that a Hypothetical Investor in the Fund actually received from the Fund during the relevant period or periods (and which may be less than any relevant net asset value published for the Fund, and may be as low as zero);
  - (C) calculating the value of a Fund Interest and/or replacing a Fund Interest (the "**Affected Fund Interest**") with a replacement fund interest (the "**Replacement Fund Interest**") with a value as determined by the Calculation Agent equal to the Removal Value for the Affected Fund Interest and in a fund which in the determination of the Calculation Agent has similar characteristics, investment objectives and policies to those applicable to the Fund in respect of the Affected Fund Interest immediately prior to the occurrence of the Fund Event; or

If the Calculation Agent replaces an Affected Fund Interest with a Replacement Fund Interest, such replacement shall take effect on the first reasonably practicable date following the Removal Date for such Affected Fund Interest on which the Calculation Agent determines that a Hypothetical Investor could acquire the Replacement Fund Interest.

Upon the occurrence of a Fund Event, the Issuer shall give notice as soon as reasonably practicable to the Holders in accordance with Note Condition 14 or W&C Instruments Condition 12, as applicable, giving details of the action proposed to be taken in relation thereto, provided that any failure to give, or non-receipt of, such notice will not affect the validity of such action.

Following the declaration by a Fund of the terms of any Fund Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Fund Potential Adjustment Event has a diluting, concentrative or other effect on the theoretical value of the relevant Fund Interest and, if so, will make the corresponding adjustment, if any, to any one or more of any of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion, determines appropriate to account for that diluting, concentrative or other effect (provided that no adjustments will be made to account solely for changes in volatility, expected dividends or liquidity relative to the relevant Fund Interest) and determine the effective date of that adjustment.

Upon the making of any such adjustment by the Calculation Agent, the Issuer shall give notice as soon as reasonably practicable to the Holders in accordance with Note Condition 14 or W&C Instruments Condition 12, as applicable, stating the adjustment to any of the terms of the Terms and Conditions, and/or the applicable Final Terms and giving brief details of the Fund Potential Adjustment Event, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such adjustment.

## 6. **Provisions relating to Exchange Traded Funds**

**"Averaging Cut-Off Date"** means the eighth Scheduled Trading Day (or, where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall be applicable, the eighth Common Scheduled Trading Day) immediately following the original date that, but for the occurrence of another Averaging Date or Disrupted Day, or on account of such date not being a Scheduled Trading Day (or, where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall be applicable, a Common Scheduled Trading Day), would have been the final Averaging Date, or, if earlier, the Scheduled Trading Day (or, where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall be

applicable, the Common Scheduled Trading Day) falling on or immediately preceding the second Business Day (or, in respect of Swedish Instruments, the sixth Business Day) immediately preceding the date on which payment of any amount or delivery of any assets may have to be made pursuant to any calculation or determination made on the relevant Averaging Dates, provided that the Averaging Cut-Off Date shall not fall prior to the original date on which the final Averaging Date was scheduled to fall.

**"Averaging Date"** means each date specified as an Averaging Date in the applicable Final Terms or, if any such date is not a Scheduled Trading Day, the immediately following Scheduled Trading Day, (or, where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall be applicable, the immediately following Common Scheduled Trading Day), or, if earlier, the Averaging Cut-Off Date. If any such day is a Disrupted Day:

- (a) if **"Omission"** is specified as applying in the applicable Final Terms, then such date will be deemed not to be an Averaging Date for the purposes of determining the relevant price; provided that, if through the operation of this provision there would not be an Averaging Date, then the provisions of the definition of "Valuation Date" will apply for purposes of determining the relevant price on the final Averaging Date, as if such final Averaging Date were a Valuation Date that was a Disrupted Day; or
- (b) if **"Postponement"** is specified as applying in the applicable Final Terms, then the provisions of the definition of "Valuation Date" will apply for the purposes of determining the relevant price on that Averaging Date as if such Averaging Date were a Valuation Date that was a Disrupted Day irrespective of whether, pursuant to such determination, that deferred Averaging Date would fall on a day that already is or is deemed to be an Averaging Date; or
- (c) if **"Modified Postponement"** is specified as applying in the applicable Final Terms then:
  - (i) where the Fund Linked Instruments relate to a single Fund, the Averaging Date shall be the first succeeding Valid Date. If the first succeeding Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for the Fund, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (a)(ii) of the definition of "Valuation Date" below;
  - (ii) where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" shall not be applicable, the Averaging Date for each Fund Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Scheduled Trading Day, if applicable) (the **"Scheduled Averaging Date"**) and the Averaging Date for a Fund Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Fund Share. If the first succeeding Valid Date in relation to such Fund Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Scheduled Trading Day for such Fund Share, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Fund Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (b)(ii) of the definition of "Valuation Date" below;

- (iii) where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" and "Individual Disrupted Days" shall be applicable, the Averaging Date for each Fund Share not affected by the occurrence of a Disrupted Day shall be the originally designated Averaging Date (following adjustment of such date owing to the original date not being a Common Scheduled Trading Day, if applicable) (the "**Scheduled Averaging Date**") and the Averaging Date for a Fund Share affected by the occurrence of a Disrupted Day shall be the first succeeding Valid Date in relation to such Fund Share. If the first succeeding Valid Date in relation to such Fund Share has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date) in relation to such Fund Share, and (B) the Calculation Agent shall determine the relevant price for that Averaging Date in accordance with sub-paragraph (c)(ii) of the definition of "Valuation Date" below; or
- (iv) where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provide that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Averaging Date for each Fund Share shall be the first succeeding Common Valid Date in relation to such Fund Share. If the first succeeding Common Valid Date has not occurred as of the Valuation Time on the Averaging Cut-Off Date or if such Averaging Date falls on the Averaging Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, then (A) the Averaging Cut-Off Date shall be deemed to be the Averaging Date (irrespective of whether the Averaging Cut-Off Date is already an Averaging Date), and (B) the Calculation Agent shall determine the relevant level or price for that Averaging Date in accordance with sub-paragraph (d)(ii) of the definition of "Valuation Date" below,

- (c) where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Individual Disrupted Days" shall be applicable, the Valuation Date for each Fund Share not affected by the occurrence of a Disrupted Day shall be the Scheduled Valuation Date (or if the Scheduled Valuation Date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day, or in either case, if earlier, the Valuation Cut-Off Date) and the Valuation Date for each Fund Share affected (each an "**Affected Fund Share**") by the occurrence of a Disrupted Day shall be the first succeeding Scheduled Trading Day that is not a Disrupted Day relating to the Affected Fund Share, unless each of the Scheduled Trading Days immediately following the Scheduled Valuation Date (or if the Scheduled Valuation Date is not a Common Scheduled Trading Day, the immediately following Common Scheduled Trading Day) up to, and including, the Valuation Cut-Off Date is a Disrupted Day relating to the Affected Fund Share. In that case, or if such Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date for such Fund Share (notwithstanding the fact that such day may be a Disrupted Day for a Fund Share or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant price using, in relation to such Fund Share, a price determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using its good faith estimate of the price for such Fund Share as of the Valuation Time on the Valuation Cut-Off Date, and otherwise in accordance with the above provisions; or
- (d) where the Fund Linked Instruments relate to a Basket of Funds and the applicable Final Terms provides that "Common Scheduled Trading Days" and "Common Disrupted Days" shall be applicable, the Valuation Date shall be the first succeeding Common Scheduled Trading Day that is not a Disrupted Day for any Fund Share, unless each of the Common Scheduled Trading Days immediately following the Scheduled Valuation Date up to, and including, the Valuation Cut-Off Date is a Disrupted Day for one or more Fund Shares. In that case, or if the Valuation Date falls on the Valuation Cut-Off Date owing to the original date on which it was scheduled to fall not being a Common Scheduled Trading Day, (i) the Valuation Cut-Off Date shall be deemed to be the Valuation Date (notwithstanding the fact that such day may be a Disrupted Day for a Fund Share or not a Common Scheduled Trading Day) and (ii) the Calculation Agent shall determine the relevant price using, in relation to each Fund Share for which the Valuation Cut-Off Date is a Disrupted Day or is not a Common Scheduled Trading Day, a price determined in the manner set out in the applicable Final Terms or, if not set out or if not practicable, using its good faith estimate of the price for such Fund Share as of the Valuation Time on the Valuation Cut-Off Date, and otherwise in accordance with the above provisions.

**"Valuation Time"** means the Valuation Time specified in the applicable Final Terms or, if no Valuation Time is specified, the Scheduled Closing Time on the relevant Exchange on the relevant Valuation Date in relation to each Fund Share to be valued. If the relevant Exchange closes prior to its Scheduled Closing Time and the specified Valuation Time is after the actual closing time for its regular trading session, then the Valuation Time shall be such actual closing time.

**"Worst Performing Fund Share"** means, in respect of a Basket of Funds and the Valuation Date (unless otherwise specified in the applicable Final Terms), the Fund Share with the lowest Fund Performance on such day, as determined by the Calculation Agent (provided that if two or more Fund Shares have the same lowest Fund Performance on such day, the Calculation Agent shall determine which Fund Share shall be the Worst Performing Fund Share in its sole and absolute discretion, and such Fund Share shall be the Worst Performing Fund Share).

#### 8. **Barrier Event**

- (a) A **"Barrier Event (intraday)"** means (and a Barrier Event (intraday) shall be deemed to occur if), in respect of a Fund Share, the Calculation Agent determines that the Fund Share Price of such Fund Share as of the Barrier Event Valuation Time (intraday) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Fund Share and such Barrier Event Determination Day.

For the purpose of determining whether a Barrier Event (intraday) has occurred on any day, the definition of Market Disruption Event specified in Fund Linked Condition 9 shall be amended such that (i) all references to "during the one-hour period that ends at the relevant Valuation Time" shall be deleted, and (ii) in sub-paragraph (b) each reference to "Valuation Time" and "Scheduled Closing Time" shall be construed as a reference to "Barrier Event Valuation Time (intraday)".

- (b) A **"Barrier Event (closing)"** means (and a Barrier Event (closing) shall be deemed to occur if), in respect of a Fund Share, the Calculation Agent determines that the Fund Share Closing Price of any Fund Share as of the Barrier Event Valuation Time (closing) on any Barrier Event Determination Day is less than or equal to the corresponding Barrier Level for such Fund Share and such Barrier Event Determination Day.

#### 9. **Market Disruption**

**"Market Disruption Event"** means, in respect of a Fund Share:

- (a) the occurrence or existence at any time during the one-hour period that ends at the relevant Valuation Time:
- (i) of any suspension of or limitation imposed on trading by the relevant Exchange or Related Exchange or otherwise and whether by reason of movements in price exceeding limits permitted by the relevant Exchange or Related Exchange or otherwise:
    - (A) relating to the relevant Fund Share on such Exchange; or
    - (B) relating to securities that comprise 20 per cent. or more of the level of the relevant Underlying Index or any relevant successor index; or
    - (C) in futures or options contracts relating to such Fund Shares or the relevant Underlying Index on any relevant Related Exchange, or
  - (ii) of any event (other than an event described in (b) below) that disrupts or impairs (as determined by the Calculation Agent) the ability of market participants in general to (A) effect transactions in, or obtain market values for, the Fund Shares on the Exchange, (B) effect transactions in, or obtain market values for securities that comprise 20 per cent. or more of the level of the relevant

- Underlying Index, or (C) to effect transactions in, or obtain market values for, futures or options contracts relating to such Fund Shares or the relevant Underlying Index on any relevant Related Exchange; or
- (b) the closure on any Exchange Business Day of any relevant Exchange(s) or any Related Exchange(s) prior to its Scheduled Closing Time unless such earlier closing time is announced by such Exchange(s) or such Related Exchange(s), as the case may be, at least one hour prior to (i) the actual closing time for the regular trading session on such Exchange(s) or such Related Exchange on such Exchange Business Day or, if earlier, (ii) the submission deadline for orders to be entered into such Exchange or Related Exchange system for execution at the Valuation Time on such Exchange Business Day,

which in any such case the Calculation Agent determines is material.

For the purpose of determining whether a Market Disruption Event exists in respect of a Fund Share at any time, if an event giving rise to a Market Disruption Event occurs in respect of a security included in the relevant Underlying Index at that time, then the relevant percentage contribution of that security, to the level of the relevant Underlying Index shall be based on a comparison of (a) the portion of the level of the relevant Underlying Index attributable to that security, and (b) the overall level of the relevant Underlying Index immediately before the occurrence of such Market Disruption Event.

The Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 in the case of Notes, or W&C Instruments Condition 12 in the case of W&C Instruments of the occurrence of a Disrupted Day on any day that, but for the occurrence of a Disrupted Day, would have been a Valuation Date provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such Disrupted Day.

#### 10. **Potential Adjustment Event**

**"Potential Adjustment Event"** means any of the following:

- (a) a subdivision, consolidation or reclassification of relevant Fund Shares (unless resulting in a Merger Event or Tender Offer), or a free distribution or dividend of any such Fund Shares to existing holders by way of bonus, capitalisation or similar issue;
- (b) a distribution, issue or dividend to existing holders of the relevant Fund Shares of (i) such Fund Shares or (ii) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the ETF equally or proportionately with such payments to holders of such Fund Shares or (iii) share capital or other securities of another issuer acquired or owned (directly or indirectly) by the ETF as a result of a spin-off or other similar transaction, or (iv) any other type of securities, rights or warrants or other assets in any case for payment (cash or other consideration) at less than the prevailing market price as determined by the Calculation Agent;

- (f) in respect of an ETF, an event that results in any shareholder rights being distributed or becoming separated from Fund Shares of common stock or other shares of the capital stock of the ETF pursuant to a shareholder rights plan or arrangement directed against hostile takeovers that provides upon the occurrence of certain events for a distribution of preferred stock, warrants, debt instruments or stock rights at a price below their market value, as determined by the Calculation Agent, provided that any adjustment effected as a result of such an event shall be readjusted upon any redemption of such rights; or

- (g) any other event that may have a diluting or concentrative effect on the theoretical value of the relevant Fund Shares.

Following a Potential Adjustment Event, the Calculation Agent will, in its sole and absolute discretion, determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the relevant Fund Shares and, if so, will (a) make the corresponding adjustment(s), if any, to any one or more of the terms of the Terms and Conditions of the Instruments and/or the applicable Final Terms as the Calculation Agent determines appropriate to account for that diluting or concentrative effect and (b) determine the effective date(s) of that adjustment(s). The Calculation Agent may, but need not, determine the appropriate adjustment(s) by reference to the adjustment(s) in respect of such Potential Adjustment Event made by an options exchange to options on the relevant Fund Shares traded on such options exchange.

Upon the making of any such adjustment, the Calculation Agent shall as soon as is reasonably practicable under the circumstances give notice to the Holders in accordance with Note Condition 14 in the case of Notes or W&C Instruments Condition 12 in the case of W&C Instruments, as applicable, stating the adjustment made and giving brief details of the Potential Adjustment Event, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such adjustment.

**"De-Listing"** means, in respect of a Fund Share, that the relevant Exchange announces that pursuant to the rules of such Exchange, such Fund Share ceases (or will cease) to be listed, traded or publicly quoted on such Exchange for any reason (other than a Merger Event or Tender Offer) and is not immediately re-listed, re-traded or re-quoted on an exchange or quotation system located in the same country as the Exchange (or, where the Exchange is within the European Union, in a member state of the European Union).

**"Insolvency"** means that by reason of the voluntary or involuntary liquidation, bankruptcy, insolvency, dissolution or winding-up of or any analogous proceeding affecting an ETF, (a) all the Fund Shares of that ETF are required to be transferred to a trustee, liquidator or other similar official or (b) holders of the Fund Shares of that ETF become legally prohibited from transferring them.

transfer all of such Fund Shares outstanding to another entity or person, (b) consolidation, amalgamation, merger or binding share exchange of the ETF with or into another entity or person (other than a consolidation, amalgamation, merger or binding share exchange in which such ETF is the continuing entity and which does not result in any such reclassification or change of all such Fund Shares outstanding) or (c) takeover offer, tender offer, exchange offer, solicitation, proposal or other event by any entity or person to purchase or otherwise obtain 100 per cent. of the outstanding Fund Shares of the relevant ETF that results in a transfer of or an irrevocable commitment to transfer all such Fund Shares (other than such Fund Shares owned or controlled by such other entity or person), or (d) consolidation, amalgamation, merger or binding share exchange of the ETF or its subsidiaries with or into another entity in which the ETF is the continuing entity and which does not result in a reclassification or change of all such Fund Shares outstanding but results in the outstanding Fund Shares (other than Fund Shares owned or controlled by such other entity) immediately prior to such event collectively representing less than 50 per cent. of the outstanding Fund Shares immediately following such event (a "**Reverse Merger**"), in each case if the Merger Date is on or before the Valuation Date (or such other date as is specified in the applicable Final Terms).

"**Tender Offer Date**" means, in respect of a Tender Offer, the date on which voting shares in the amount of the applicable percentage threshold are actually purchased or otherwise obtained (as determined by the Calculation Agent).

- (a) require the Calculation Agent, in its sole and absolute discretion, to determine the appropriate adjustment(s), if any, to be made to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms to account for the De-Listing, Merger Event, Tender Offer, Nationalisation, Insolvency or Material Underlying Event, as the case may be, and determine the effective date(s) of that adjustment(s). The Calculation Agent may (but need not) determine the appropriate adjustment(s) by reference to the adjustment(s) in respect of the De-Listing, Merger Event, Tender Offer, Nationalisation, Insolvency or Material Underlying Event made by any options exchange to options on the relevant Fund Share traded on that options exchange;
- (b)
  - (i) in the case of Notes give notice to the Noteholders in accordance with Note Condition 14, and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount, or
  - (ii) in the case of W&C Instruments cancel the W&C Instruments by giving notice to Holders in accordance with W&C Instruments Condition 12. If the W&C Instruments are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Instrument, or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Instrument, or Unit, as the case may be, taking into account the Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Material Underlying Event, as the case may be, less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already

paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12; or

- (c) following such adjustment to the settlement terms of options on the Fund Shares traded on such exchange(s) or quotation system(s) as the Issuer in its sole discretion shall select (the "**Options Exchange**"), require the Calculation Agent to make a corresponding adjustment to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Options Exchange. If options on the Fund Shares are not traded on the Options Exchange, the Calculation Agent will make such adjustment, if any, to any one or more of the terms of the Terms and Conditions and/or the applicable Final Terms as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Options Exchange to account for the Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Material Underlying Event, as the case may be, that in the determination of the Calculation Agent would have given rise to an adjustment by the Options Exchange if such options were so traded.

Upon the occurrence of a Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Material Underlying Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 (in the case of Notes) or W&C Instruments Condition 12 (in the case of W&C Instruments) stating the occurrence of the Merger Event, Tender Offer, Nationalisation, De-listing, Insolvency or Material Underlying Event, as the case may be, giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of any such Merger Event, Tender Offer, De-listing, Nationalisation, Insolvency or Material Underlying Event, as the case may be.

## 12. **Additional Disruption Events**

- (a) "**Additional Disruption Event**" means any of Change in Law, Hedging Disruption and/or Increased Cost of Hedging, in each case if specified in the applicable Final Terms.

"**Hedging Disruption**" means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Fund Linked Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

"**Increased Cost of Hedging**" means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity or other price risk of the Issuer issuing and performing its obligations with respect to the Fund Linked Instruments, or (ii) realise, recover or remit the proceeds of any such

transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

- (b) If an Additional Disruption Event occurs, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
  - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
  - (ii) (A) in the case of Notes, give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
    - (B) in the case of W&C Instruments, give notice to the Holders in accordance with W&C Instruments Condition 12 and cancel the W&C Instruments. If the W&C Instruments are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Instrument or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Instrument or a Unit, as the case may be, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements) plus, in the case of Warrants, if already paid, the Exercise Price, all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12.
- (c) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 or W&C Instruments Condition 12, as applicable, stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

## ANNEX 8

## ADDITIONAL TERMS AND CONDITIONS FOR INFLATION LINKED INSTRUMENTS

1. **Interpretation**

If specified as applicable in the applicable Final Terms, the terms and conditions applicable to Inflation Linked Notes shall comprise the terms and conditions of the Notes (the "**Note Conditions**") and the Additional Terms and Conditions for Inflation Linked Instruments set out below (the "**Inflation Linked Conditions**"), in each case subject to completion and/or amendment in the applicable Final Terms. The terms and conditions applicable to Inflation Linked W&C Instruments shall comprise the terms and conditions of the W&C Instruments (the "**W&C Instruments Conditions**") and the Inflation Linked Conditions, in each case subject to completion and/or amendment in the applicable Final Terms. In the event of any inconsistency between the Note Conditions, in the case of Notes, or the W&C Instruments Conditions, in the case of W&C Instruments, and the Inflation Linked Conditions, the Inflation Linked Conditions shall prevail. In the event of any inconsistency between (a) the Note Conditions or the W&C Instruments Conditions and/or the Inflation Linked Conditions and (b) the applicable Final Terms, the applicable Final Terms shall prevail. References in the Inflation Linked Conditions to "Instrument" and "Instruments" shall be deemed to be references to "Note" and "Notes" or "W&C Instrument" and "W&C Instruments" as the context admits.

2. **Definitions**

For the purpose of the Inflation Linked Instruments:

**"Cut-Off Date"** means, in respect of a Determination Date, five Business Days prior to such Determination Date, unless otherwise stated in the applicable Final Terms.

**"Delayed Index Level Event"** means, in respect of any Determination Date and an Inflation Index, that the relevant Inflation Index Sponsor fails to publish or announce the level of such Inflation Index (the "**Relevant Level**") in respect of any Reference Month which is to be utilised in any calculation or determination to be made by the Issuer in respect of such Determination Date, at any time on or prior to the Cut-Off Date.

**"Determination Date"** means each date specified as such in the applicable Final Terms.

**"End Date"** means each date specified as such in the applicable Final Terms.

**"Fallback Bond"** means, in respect of an Inflation Index, a bond selected by the Calculation Agent and issued by the government of the country to whose level of inflation the relevant Inflation Index relates, and which pays a coupon or redemption amount which is calculated by reference to such Inflation Index, with a maturity date which falls on (a) the same day as the End Date as specified in the applicable Final Terms, (b) the next longest maturity after the End Date if there is no such bond maturing on the End Date, or (c) the next shortest maturity before the End Date if no bond defined in (a) or (b) is selected by the Calculation Agent. If the relevant Inflation Index relates to the level of inflation across the European Monetary Union, the Calculation Agent will select an inflation-linked bond that is a debt obligation of one of the governments (but not any government agency) of France, Italy, Germany or Spain and which pays a coupon or redemption amount which is calculated by reference to the level of inflation in the European Monetary Union. In each case, the Calculation Agent will select the Fallback Bond from those inflation linked bonds issued on or before the Issue Date and, if there is more than one inflation-linked bond maturing on the same date, the Fallback Bond shall be selected by the Calculation Agent from those bonds. If the Fallback Bond redeems, the Calculation Agent will select a new Fallback Bond on the same basis, but selected from all eligible bonds in issue at the time the original Fallback Bond redeems (including any bond for which the redeemed bond is exchanged).

**"Inflation Index"** means each inflation index specified in the applicable Final Terms and related expressions shall be construed accordingly.

**"Inflation Index Sponsor"** means, in relation to an Inflation Index, the entity that publishes or announces (directly or through an agent) the level of such Inflation Index which, as of the Issue Date, is the Inflation Index Sponsor specified in the applicable Final Terms.

**"Reference Month"** means the calendar month for which the level of the Inflation Index was reported, regardless of when this information is published or announced. If the period for which the level of the Inflation Index was reported is a period other than a month, the Reference Month shall be the period for which the level of the Inflation Index was reported.

**"Related Bond"** means, in respect of an Inflation Index, the bond specified as such in the applicable Final Terms. If the Related Bond specified in the applicable Final Terms is "Fallback Bond", then, for any Related Bond determination, the Calculation Agent shall use the Fallback Bond. If no bond is specified in the applicable Final Terms as the Related Bond and "Fallback Bond: Not Applicable" is specified in the applicable Final Terms there will be no Related Bond. If a bond is selected as the Related Bond in the applicable Final Terms and that bond redeems or matures before the End Date, unless "Fallback Bond: Not Applicable" is specified in the applicable Final Terms, the Calculation Agent shall use the Fallback Bond for any Related Bond determination.

### 3. Inflation Index Adjustments

#### (a) Delay in Publication

Subject to Inflation Linked Condition 3(b), if the Calculation Agent determines that a Delayed Index Level Event in respect of an Inflation Index has occurred with respect to any Determination Date, then the Relevant Level for such Inflation Index the subject of such Delayed Index Level Event (the **"Substitute Index Level"**) shall be determined by the Calculation Agent as follows:

- (i) if Related Bond is specified as applicable for such Inflation Index in the applicable Final Terms, the Calculation Agent shall determine the Substitute Index Level by reference to the corresponding index level determined under the terms and conditions of the relevant Related Bond; or
- (ii) if (A) Related Bond is not specified as applicable for such Inflation Index in the applicable Final Terms, or (B) the Calculation Agent is not able to determine a Substitute Index Level under (i) above, the Calculation Agent shall determine the Substitute Index Level by reference to the following formula:

$$\text{Substitute Index Level} = \text{Base Level} \times (\text{Latest Level} / \text{Reference Level})$$

where:

**"Base Level"** means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month which is 12 calendar months prior to the month for which the Substitute Index Level is being determined.

**"Latest Level"** means, in respect of an Inflation Index, the latest level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor prior to the month in respect of which the Substitute Index Level is being determined.

**"Reference Level"** means, in respect of an Inflation Index, the level of such Inflation Index (excluding any "flash" estimates) published or announced by the relevant Inflation Index Sponsor in respect of the month that is 12 calendar months prior to the month in respect of the Latest Level.

The Issuer shall give notice to Holders in accordance with Note Condition 14, or W&C Instruments Condition 12, as applicable, of any Substitute Index Level calculated pursuant to this Inflation Linked Condition 3.

## (b) Cessation of Publication

If a level for the Inflation Index has not been published or announced for two consecutive months or the Inflation Index Sponsor announces that it will no longer continue to publish or announce the Inflation Index then the Calculation Agent shall determine a successor index (in lieu of any previously applicable Inflation Index) for the purposes of the Inflation Linked Instruments by using the following methodology:

- (i) if, at any time, a successor index has been designated by the Calculation Agent pursuant to the terms and conditions of the Related Bond, such successor index shall be designated a "Successor Index" notwithstanding that any other Successor Index may previously have been determined under paragraphs (ii), (iii) or (iv) below; or
- (ii) if a Successor Index has not been determined pursuant to Inflation Linked Condition 3(b)(i) and a notice has been given or an announcement has been made by the Inflation Index Sponsor, specifying that the Inflation Index will be superseded by a replacement Inflation Index specified by the Inflation Index Sponsor, and the Calculation Agent determines that such replacement index is calculated using the same or substantially similar formula or method of calculation as used in the calculation of the previously applicable Inflation Index, such replacement index shall be the Inflation Index for purposes of the Inflation Linked Instruments from the date that such replacement Inflation Index comes into effect; or
- (iii) if a Successor Index has not been determined pursuant to Inflation Linked Condition 3(b)(i) or Inflation Linked Condition 3(b)(ii), the Calculation Agent shall ask five leading independent dealers to state what the replacement index for the Inflation Index should be. If between four and five responses are received, and of those four or five responses, three or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If three responses are received, and two or more leading independent dealers state the same index, this index will be deemed the "Successor Inflation Index". If fewer than three responses are received, the Calculation Agent will proceed to Inflation Linked Condition 3(b)(iv); or
- (iv) if no replacement index or Successor Inflation Index has been deemed under Inflation Linked Conditions 3(b)(i), 3(b)(ii) or 3(b)(iii), by the next occurring Cut-Off Date the Calculation Agent will determine an appropriate alternative index from such Cut-Off Date, and such index will be deemed a "Successor Inflation Index"; or
- (v) (A) if the Calculation Agent determines that there is no appropriate alternative index, in relation to Notes, the Issuer shall give notice to the Holders in accordance with Note Condition 14 and redeem all (but not less than all) of the Notes, each nominal amount of Notes equal to the Calculation Amount being redeemed at the Early Redemption Amount; or
- (B) in relation to W&C Instruments, the Issuer shall give notice to the Holders in accordance with W&C Instruments Condition 12 and cancel the W&C Instruments. If the W&C Instruments are so cancelled the Issuer will pay an amount to each Holder in respect of each W&C Instrument or Unit, as the case may be, held by him which amount shall be the fair market value of a W&C Instrument or a Unit, as the case may be, less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12.

(c) Rebasing of the Inflation Index

If the Calculation Agent determines that the Inflation Index has been or will be rebased at any time, the Inflation Index as so rebased (the "**Rebased Index**") will be used for purposes of determining the level of the Inflation Index from the date of such rebasing; provided, however, that the Calculation Agent shall make adjustments as are made by the calculation agent pursuant to the terms and conditions of the Related Bond, if Related Bond is specified as applicable in the applicable Final Terms, to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased, or, if Related Bond is not specified as applicable in the applicable Final Terms the Calculation Agent shall make adjustments to the levels of the Rebased Index so that the Rebased Index levels reflect the same rate of inflation as the Inflation Index before it was rebased.

(d) Material Modification Prior to Last Occurring Cut-Off

If, on or prior to the last occurring Cut-Off Date, the Inflation Index Sponsor announces that it will make a material change to the Inflation Index then the Calculation Agent shall make any such adjustments, if Related Bond is specified as applicable in the applicable Final Terms, consistent with adjustments made to the Related Bond, or, if Related Bond is not specified as applicable in the applicable Final Terms, only those adjustments to the Inflation Index necessary for the modified Inflation Index to continue as the Inflation Index.

- (b) If any of the events set forth under sub-paragraphs (a) or (c) of the definition of Substitution Event have occurred with respect to the Non-Standard Reference Obligation, the Non-Standard Reference Obligation will cease to be the Reference Obligation (other than for purposes of the "Not Subordinated" Obligation Characteristic or "Not Subordinated" Deliverable Obligation Characteristic and sub-paragraph (c)(ii) below). If the event set forth in sub-paragraph (b) of the definition of Substitution Event has occurred with respect to the Non-Standard Reference Obligation and no Substitute Reference Obligation is available, the Non-Standard Reference Obligation will continue to be the Reference Obligation until the Substitute Reference Obligation is identified or, if earlier, until any of the events set forth under sub-paragraphs (i) or (iii) of the definition of Substitution Event occur with respect to such Non-Standard Reference Obligation.
- (c) The Substitute Reference Obligation shall be an obligation that on the Substitution Date:
  - (i) is a Borrowed Money obligation of the Reference Entity (either directly or as provider of a guarantee);

  - (I) is a Non-Conforming Substitute Reference Obligation (other than a Loan); or if no such obligation is available,
  - (II) is a Deliverable Obligation (other than a Loan) determined in accordance with sub-paragraph (a) of the definition of Deliverable Obligation; or if no such obligation is available,
  - (III) is a Non-Conforming Substitute Reference Obligation which is a Loan (other than a Private-side Loan); or if no such obligation is available,

- (d) If more than one potential Substitute Reference Obligation is identified pursuant to the process described in sub-paragraph (c) above, the Substitute Reference Obligation will be the potential Substitute Reference Obligation that most closely preserves the economic equivalent of the delivery and payment obligations of the Issuer under the Instruments, as determined by the Calculation Agent. The Calculation Agent will notify the Issuer of the Substitute Reference Obligation as soon as reasonably practicable after it has been identified in accordance with sub-paragraph (c) above and

the Substitute Reference Obligation shall replace the Non-Standard Reference Obligation immediately upon such notification.

- (e) If a Substitution Event has occurred with respect to the Non-Standard Reference Obligation and the Calculation Agent determines that no Substitute Reference Obligation is available for the Non-Standard Reference Obligation, then, subject to sub-paragraph (a) above and notwithstanding the fact that the Non-Standard Reference Obligation may have ceased to be the Reference Obligation in accordance with sub-paragraph (b) above, the Calculation Agent shall continue to attempt to identify the Substitute Reference Obligation.

  - (ii) if only one entity succeeds, either directly or as a provider of a Relevant Guarantee, to more than 25 per cent. (but less than 75 per cent.) of the Relevant Obligations of the Reference Entity, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entity that succeeds to more than 25 per cent. of the Relevant Obligations will be the sole Successor;
  - (iii) if more than one entity each succeeds, either directly or as a provider of a Relevant Guarantee, to more than 25 per cent. of the Relevant Obligations of the Reference Entity, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remain with the Reference Entity, the entities that succeed to more than 25 per cent. of the Relevant Obligations will each be a Successor, and the Credit Linked Notes will be divided in accordance with Credit Linked Note Condition 13;

  - (vii) in respect of a Reference Entity which is not a Sovereign, if one entity assumes all of the obligations (including at least one Relevant Obligation) of the Reference Entity, and at the time of the determination either (A) the Reference Entity has ceased to exist, or (B) the Reference Entity is in the process of being dissolved (howsoever described) and the Reference Entity has not issued or incurred any Borrowed Money obligation at any time since the legally effective date of the assumption, such entity (the "**Universal Successor**") will be the sole Successor.
- (b) The Calculation Agent will be responsible for determining, as soon as reasonably practicable it becomes aware thereof and, in each case, with effect from the Succession Date, any Successor or Successors under sub-paragraph (a) above; provided that if "Calculation Agent Determination" is not specified as being applicable in the applicable Final Terms, the Calculation Agent will not make such determination if, at the time of determination, the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that there is no Successor based on the relevant succession to Relevant Obligations.

Notwithstanding sub-paragraph (a) above, where "Calculation Agent Determination" is specified as being applicable in the applicable Final Terms, the Successor shall be either (as selected by the Calculation Agent in its sole discretion) (A) the current obligor in respect of the Reference Obligation, (B) the successor(s) determined in accordance with sub-paragraph (a) above, as applicable, or (C) any successor(s) identified by the relevant Credit Derivatives Determinations Committee pursuant to a DC Resolution if the Calculation Agent notifies the Issuer that a DC Resolution in relation to a Reference Entity and a succession shall apply.

The Calculation Agent will make all calculations and determinations required to be made under this provision on the basis of Eligible Information and will notify the Issuer of any such calculation or determination as soon as practicable.

In calculating the percentages used to determine whether an entity qualifies as a Successor, if there is a Steps Plan, the Calculation Agent shall consider all related successions in respect of such Steps Plan in aggregate as if forming part of a single succession.

For purposes of this definition of Successor, "succeeded" and "succession" shall be construed accordingly.
- (e) In the case of an exchange offer, the determination required pursuant to sub-paragraph (a) above shall be made on the basis of the outstanding principal balance of Relevant Obligations exchanged and not on the basis of the outstanding principal balance of the Exchange Bonds or Loans.
- (f) If two or more entities (each, a "**Joint Potential Successor**") jointly succeed to a Relevant Obligation (the "**Joint Relevant Obligation**") either directly or as a provider of a Relevant Guarantee, then (i) if the Joint Relevant Obligation was a direct obligation of the Reference Entity, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as direct obligor or obligors, or (ii) if the Joint Relevant Obligation was a Relevant Guarantee, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as guarantor or guarantors, if any, or otherwise by each Joint Potential Successor in equal parts.
- (g) Where:
- (A) a Reference Obligation with respect to a Reference Entity is specified in the applicable Final Terms; and

- (a) impossible, illegal, impracticable or is otherwise unable to Deliver for any reason on the Final Delivery Date; or
- (b) unable or impracticable to Deliver on the Final Delivery Date because (i) the relevant Holder(s) has not taken any action that is deemed necessary by the Calculation Agent (acting in its sole discretion) to enable the Issuer to Deliver and/or for the Holder(s) to take delivery of all or a portion of the Deliverable Obligations; or (ii) the Holder(s) has failed to provide know-your-customer information, sign and deliver relevant transfer documentation and/or confidentiality agreement, pay a fee to the agent to effect the transfer and/or provide any other information or documentation or make any other payment (including any taxes) as is specified under the terms of the relevant Deliverable Obligations or as is customary to provide in respect of such Deliverable Obligations, each as may be required pursuant to the definition of "Deliver" herein.

If Reference Obligation Only Trade is applicable with respect to the Instruments and the event set out in sub-paragraph (a) of the definition of Substitution Event occurs with respect to the Reference Obligation, the Calculation Agent may give notice (such notice a **"Reference Obligation Only Redemption Notice"**) to the Issuer on any day from and including the applicable Substitution Event Date and the Issuer shall redeem each Credit Linked Note at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency (or if no such provision is made in the applicable Final Terms at the outstanding principal amount thereof) on the Reference Obligation Only Redemption Date.

#### 4. Cash Settlement

Unless the Instruments have been previously redeemed or purchased and cancelled, if an Event Determination Date occurs (in the case of Nth-to-Default CLNs, in relation to the Nth Reference Entity in respect of which an Event Determination Date occurs) and the applicable Settlement Method is "Cash Settlement" (or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Cash Settlement"), the Calculation Agent shall give notice (such notice a "**Settlement Notice**") to the Issuer and the Issuer shall redeem or cancel, as applicable, all of the Instruments and pay in respect of each Instrument the Credit Event Redemption Amount on the Credit Event Redemption Date.

*If an Event Determination Date occurs and the Notes are redeemed in accordance with this Credit Linked Note Condition 4, upon payment of the Credit Event Redemption Amount the Issuer shall have discharged its obligations in respect of the Instruments and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the Issue Price or nominal amount of an Instrument. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.*

#### 5. Physical Settlement

Unless the Instruments have been previously redeemed or purchased and cancelled, if an Event Determination Date occurs (in the case of Nth-to-Default CLNs, in relation to the Nth Reference Entity in respect of which an Event Determination Date occurs) and the applicable Settlement Method is "Physical Settlement" (or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Physical Settlement"), the Calculation Agent shall give notice (such notice a "**Notice of Physical Settlement**") to the Issuer on or before the NOPS Cut-off Date and the Issuer shall redeem or cancel, as applicable, all of the Instruments, by Delivering (or procuring the Delivery) in respect of each Instrument the Deliverable Obligations comprising the Entitlement, subject to and in accordance with the Note Conditions and the Credit Linked Note Conditions (and in particular, Credit Linked Note Condition 9).

In the Notice of Physical Settlement, the Calculation Agent shall:

- (a) specify the Deliverable Obligations comprising the Entitlement that the Issuer shall endeavour to Deliver including, if available and applicable, the CUSIP or ISIN number (or, if such identifying number is not available or applicable, the rate and tenor) of each such Deliverable Obligation; and
- (b) specify the Outstanding Principal Balance or Due and Payable Amount, as applicable, or the equivalent amount in the Settlement Currency (in each case, the "**Outstanding Amount**") and, if different, the face amount, of each such Deliverable Obligation and the aggregate Outstanding Amount of all Deliverable Obligations specified in the Notice of Physical Settlement that the Issuer shall endeavour to Deliver (the "**Aggregate Outstanding Amount**").

The Calculation Agent may at any time prior to any Delivery Date by delivery of a notice to the Issuer (the "**NOPS Amendment Notice**") amend the Notice of Physical Settlement and the Issuer shall endeavour to, pursuant to such NOPS Amendment Notice, Deliver to the Holders replacement Deliverable Obligations that are different from the Deliverable Obligations originally specified (each, a "**Replacement Deliverable Obligation**"). A NOPS Amendment Notice shall contain a revised detailed description of each Replacement Deliverable Obligation and shall also specify the Outstanding Amount of each Deliverable Obligation identified in the Notice of Physical Settlement or a prior NOPS Amendment Notice, as applicable, that is being replaced (with respect to each such Deliverable Obligation, the "**Replaced Deliverable Obligation Outstanding Amount**"). The Outstanding Amount of the Replacement Deliverable Obligations specified in any NOPS Amendment Notice in aggregate with the Outstanding Amount of the Deliverable Obligations specified in the Notice of Physical Settlement or any earlier NOPS Amendment Notice which, in each case, are not being replaced must not be greater than the Aggregate Outstanding Amount. Each such NOPS

Amendment Notice must be effective on or prior to the Delivery Date (determined without reference to any change resulting from such NOPS Amendment Notice).

Notwithstanding the foregoing, (i) the Calculation Agent may correct any errors or inconsistencies in the detailed description of each Deliverable Obligation contained in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, by notice to Issuer prior to the relevant Delivery Date; and (ii) if Asset Package Delivery is applicable, the Calculation Agent shall on the NOPS Effective Date, or as soon as reasonably practicable thereafter (but in any case, prior to the Delivery Date), notify the Issuer of the detailed description of the Asset Package, if any, that the Issuer shall endeavour to deliver in lieu of the Prior Deliverable Obligation or Package Observable Bond, if any, specified in the Notice of Physical Settlement or NOPS Amendment Notice, as applicable, it being understood in each case that such notice of correction shall not constitute a NOPS Amendment Notice.

If (i) "Physical Settlement" is specified to be the Settlement Method in the applicable Final Terms (or is applicable as the Fallback Settlement Method), (ii) "Mod R" is specified as applicable in the applicable Final Terms and (iii) Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention, a Deliverable Obligation may only be specified (or deemed specified) in the Notice of Physical Settlement or in any NOPS Amendment Notice, as applicable, if such Deliverable Obligation (A) is a Fully Transferable Obligation and (B) has a final maturity date not later than the applicable Restructuring Maturity Limitation Date, in each case, as of both the NOPS Effective Date and the Delivery Date.

If (i) "Physical Settlement" is specified to be the Settlement Method in the applicable Final Terms (or is applicable as the Fallback Settlement Method), (ii) "Mod Mod R" is specified as applicable in the applicable Final Terms and (iii) Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention, a Deliverable Obligation may only be specified (or deemed specified) in the Notice of Physical Settlement or in any NOPS Amendment Notice, as applicable, if it (A) is a Conditionally Transferable Obligation and (B) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date in each case, as of both the NOPS Effective Date and the Delivery Date. Notwithstanding the foregoing, for purposes of this sub-paragraph, in the case of a Restructured Bond or Loan with a final maturity date on or prior to the 10-year Limitation Date, the final maturity date of such Bond or Loan shall be deemed to be the earlier of such final maturity date or the final maturity date of such Bond or Loan immediately prior to the relevant Restructuring.

Unless otherwise specified in the applicable Final Terms, the Guaranteed Cash Settlement Amount in respect of each Credit Linked Note shall be an amount calculated in accordance with the definition of "Partial Cash Settlement Amount", provided that the Guarantor shall designate in its sole and absolute discretion which portion of the Entitlement shall be an Undeliverable Obligation, and provided that the Valuation Date, shall be the date notified as such by the Guarantor to the Issuer and the Calculation Agent.

***If an Event Determination Date occurs and the Instruments are redeemed or are cancelled in accordance with this Credit Linked Note Condition 5, upon Delivery of the Deliverable Obligations comprising the Entitlement and/or payment of the Partial Cash Settlement Amount, as the case may be, the Issuer shall have discharged its obligations in respect of the Instruments and shall have no other liability or obligation whatsoever in respect thereof. The value of such Deliverable Obligations and/or the Partial Cash Settlement Amount in respect of the Instruments to be redeemed may be less than the Issue Price, nominal amount or notional amount, as applicable, of an Instrument. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.***

## 6. Auction Settlement

Unless the Instruments have been previously redeemed or purchased and cancelled, if an Event Determination Date occurs (in the case of Nth-to-Default CLNs, in relation to the Nth

Reference Entity in respect of which an Event Determination Date occurs) and the applicable Settlement Method is "Auction Settlement", the Calculation Agent shall give notice (such notice a "**Settlement Notice**") to the Issuer and the Issuer shall redeem or cancel as applicable, all of the Instruments and pay in respect of each Instrument the Auction Settlement Amount on the Auction Settlement Date unless a Fallback Settlement Event occurs (for the avoidance of doubt, in relation to the same Credit Event), in which case the Issuer shall redeem or cancel, as the case may be, the Instruments in accordance with the applicable Fallback Settlement Method.

***If an Event Determination Date occurs and the Notes are redeemed or are cancelled in accordance with this Credit Linked Note Condition 6, upon payment of the Auction Settlement Amount the Issuer shall have discharged its obligations in respect of the Instruments and shall have no other liability or obligation whatsoever in respect thereof. The Auction Settlement Amount may be less than the Issue Price or nominal amount of an Instrument. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.***

#### 7. **Suspension of Obligations**

If a Credit Event Resolution Request Date occurs in relation to any Reference Entity, then, unless the Issuer otherwise elects by notice to the Holders, any obligation of the Issuer to redeem or cancel (as the case may be) or otherwise settle any Credit Linked Note or pay any amount of interest or Additional Amount (as the case may be) which would otherwise be due thereon shall, to the extent that it relates to such Reference Entity, be and remain suspended until (a) the occurrence of a DC Credit Event Announcement; (b) the occurrence of a DC No Credit Event Announcement; or (c) the occurrence of a DC Credit Event Question Dismissal (each of the events set out in (a), (b) or (c), a "**DC Announcement**").

Following a DC Announcement, any obligations so suspended shall resume on the second Business Day immediately following the date of such DC Announcement (with benefit being given of the full day notwithstanding when the tolling or suspension began). Any amount of interest or any Additional Amount so suspended shall, subject to Note Condition 5(E) become due and payable on the date determined by the Calculation Agent in its sole discretion provided that such date shall not be later than 20 Business Days after the date of such DC Announcement.

No interest shall accrue on any amount of interest, any Final Redemption Amount or any other payment obligation of the Issuer so suspended.

Where the applicable Final Terms specify that "Calculation Agent Determination" is applicable, this Credit Linked Note Condition 7 shall not apply to the relevant Instruments unless the Calculation Agent notifies the Issuer that this Credit Linked Note Condition 7 shall apply.

#### 8. **Interest and Additional Amounts**

Following the delivery of an Extension Notice, in the case of interest bearing Credit Linked Notes and provided that an Event Determination Date has not occurred, the Issuer shall be obliged to pay interest calculated as provided in Note Condition 5 accruing from (and including) the Interest Payment Date immediately preceding the Scheduled Maturity Date (or, if none the Interest Commencement Date) to (but excluding) the Scheduled Maturity Date but shall only be obliged to make such payment of interest on the CLN Maturity Date and no further or other amount in respect of interest shall be payable and no additional amount shall be payable in respect of such delay.

Without prejudice to Credit Linked Note Condition 7, if "Accrual of Interest upon Credit Event" or, as the case may be, "Accrual of Additional Amounts upon Credit Event" is specified as Not Applicable in the applicable Final Terms and the Calculation Agent determines that a Credit Event, a Potential Failure to Pay or a Potential Repudiation/Moratorium has occurred or may occur on or prior to an Interest Payment Date, the Calculation Agent may notify the Issuer and where the Calculation Agent delivers any

such notice (a "**Postponement Notice**") to the Issuer on or prior to such Interest Payment Date (in either case, the "**Postponed Payment Date**"), any obligation of the Issuer to pay any interest amount shall be suspended for a period of 15 Business Days following such Postponed Payment Date (or, in respect of any Postponed Payment Date scheduled to fall on the Scheduled Maturity Date, up to the CLN Maturity Date (or such shorter period as the Calculation Agent may notify the Issuer) to enable the Calculation Agent to determine whether a Credit Event has occurred.

Where the Calculation Agent delivers a Postponement Notice to the Issuer, the Issuer shall give notice thereof as soon as practicable to the Holders in accordance with Note Condition 14, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any postponement of an Interest Payment Date.

If an Event Determination Date has not occurred on or prior to such 15th Business Day or CLN Maturity Date, the interest amount shall be payable on such 15th Business Day or CLN Maturity Date (for the avoidance of doubt, no interest shall accrue on any amount of interest so suspended). If an Event Determination Date has occurred on or prior to such 15th Business Day or CLN Maturity Date, then notwithstanding Note Condition 5(E)(a), each Note shall cease to bear interest from the Interest Payment Date immediately preceding the Postponed Payment Date or, if the Postponed Payment Date falls on the first Interest Payment Date, no interest shall accrue on the Notes (and Note Condition 5(E) shall be deemed to be amended accordingly).

#### 9. **Partial Cash Settlement**

If all or a portion of the Undeliverable Obligations or Hedge Disruption Obligations comprising the Entitlement are not Delivered for whatever reason by the Final Delivery Date, the Calculation Agent shall give notice (a "**Partial Cash Settlement Notice**") to the Issuer, as applicable, and the Issuer shall pay in respect of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, the Partial Cash Settlement Amount on the Partial Cash Settlement Date. For the avoidance of doubt, the failure by the Issuer to Deliver all or such portion of the Undeliverable Obligations comprising the Entitlement on or prior to the Final Delivery Date shall not constitute an Event of Default.

**"Partial Cash Settlement Date"** is deemed to be the date falling three Business Days after the calculation of the Final Price or, as applicable, the date falling fifteen Business Days after the later of (a) the Final Delivery Date and (b) the Auction Final Price Determination Date.

obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.

- (c) The Calculation Agent shall determine, based on the then current market practice in the market of the relevant Undeliverable Obligation or Hedge Disruption Obligations, as the case may be, whether such Quotations shall include or exclude accrued but unpaid interest. ## 13. Successors

- (a) Where pursuant to sub-paragraph (a)(iii), (iv) or (vi) of the definition of Successor, more than one Successor has been identified, the Credit Linked Notes will be equally divided into such number of notional Credit Linked Notes as there are Successors and each Successor will be the Reference Entity for the purposes of one of such Credit Linked Notes. Each Instrument shall thereafter be redeemed in part (such redeemed part being equal to its pro rata share of the Partial Principal Amount).
- (c) The Instruments shall remain outstanding in an amount equal to the outstanding principal amount of the Credit Linked Notes minus the Partial Principal Amount (such amount, the **"Remaining Amount"**) and interest shall accrue on the Remaining Amount as provided for in Note Condition 5 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate).

- (d) Any determinations (including (without limitation) as to the division of the Credit Linked Notes) and any adjustment to the applicable Final Terms relating to, connected with or as a result of the identification of more than one Successor shall be made by the Calculation Agent in its sole discretion (provided that if such determinations have been made by the relevant Credit Derivatives Determinations Committee, then the Calculation Agent shall, unless (x) otherwise provided for in the applicable Final Terms or (y) "Calculation Agent Determination" is specified as applicable in the applicable Final Terms, be bound by such determinations) and, in the absence of manifest error, shall be conclusive and binding on all Holders. - (iii) The definition of "Restructuring" in Credit Linked Note Condition 2 is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

15. **Provisions taken from the ISDA supplement titled Additional Provisions for LPN Reference Entities (published on 3rd October, 2006)**

If Credit Linked Note Condition 15 is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the Credit Linked Note Conditions, the following provisions will apply:

- (a) provisions relating to Multiple Holder Obligation will be deemed to be Not Applicable with respect to any Reference Obligation (and any Underlying Loan);
- (b) each Reference Obligation will be an Obligation, notwithstanding anything to the contrary in the Credit Linked Note Conditions and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity;
- (c) each Reference Obligation will be a Deliverable Obligation notwithstanding anything to the contrary in the Credit Linked Note Conditions including and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity.

For the avoidance of doubt with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Finance Instrument, the Outstanding Principal Balance shall be determined by reference to the Underlying Loan or Underlying Finance Instrument (as applicable) relating to such LPN Reference Obligation.

The Not Subordinated Obligation Characteristic and Deliverable Obligation Characteristic shall be construed as if no Reference Obligation was specified in respect of the Reference Entity;

- (d) the definition of "Reference Obligation" shall be deleted and the following substituted therefor:

**"Reference Obligation"** means, as of the Trade Date, each of the obligations listed as a Reference Obligation of the Reference Entity in the applicable Final Terms and set forth on the relevant LPN Reference Obligations List (each a **"Markit Published LPN Reference Obligation"**), as published by Markit Group Limited, or any successor thereto, which list is as of the Trade Date available at <http://www.markit.com/marketing/services.php>, any Additional LPN determined in accordance with sub-paragraph (e) below, and each Additional Obligation. Each Reference Obligation determined in accordance with the foregoing will be a Reference Obligation notwithstanding anything to the contrary in the Credit Linked Notes Conditions, and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity. Standard Reference Obligation shall be Not Applicable. The proviso in the definition of "Original Non-Standard Reference Obligation" shall not apply.

It is intended that there may be more than one Reference Obligation, as a result of which all applicable references in the Credit Linked Notes Conditions to "the Reference Obligation" shall be construed as a reference to "a Reference Obligation", and all other provisions of the Credit Linked Note Conditions shall be construed accordingly.

The provisions set forth in the definitions of "Substitute Reference Obligation" and "Substitution Event" shall not be applicable to LPN Reference Obligations; and

- (e) the following additional definitions shall apply:

**"Additional LPN"** means any bond issued in the form of a loan participation note (a "LPN") by an entity (the **"LPN Issuer"**) for the sole purpose of providing funds for the LPN Issuer to (a) finance a loan to the Reference Entity (the **"Underlying Loan"**) or (b) provide finance to the Reference Entity by way of a deposit, loan or other Borrowed Money instrument (the **"Underlying Finance Instrument"**), provided that (i) either (x) in the event that there is an Underlying Loan with respect to such LPN the Underlying Loan satisfies the Obligation Characteristics specified in respect of the Reference Entity or (y) in the event that there is an Underlying Finance Instrument with respect to such LPN the Underlying Finance Instrument satisfies the Not Subordinated, Not Domestic Law and Not Domestic Currency Obligation Characteristics; (ii) the LPN satisfies the following Deliverable Obligation Characteristics: Transferable, Not Bearer, Specified Currency – Standard Specified Currencies, Not Domestic Law, Not Domestic Issuance; and (iii) the LPN Issuer has, as of the issue date of such obligation, granted a First Ranking Interest over or in respect of certain of its rights in relation to the relevant Underlying Loan or Underlying Finance Instrument (as applicable) for the benefit of the holders of the LPNs.

**"Additional Obligation"** means each of the obligations listed as an Additional Obligation of the Reference Entity in the applicable Final Terms or set forth on the relevant LPN Reference Obligations List, as published by Markit Group Limited, or any successor thereto, as of the Trade Date, which list is currently available at <http://www.markit.com/marketing/services.php>.

**"First Ranking Interest"** means a charge, security interest (or other type of interest having similar effect) (an **"Interest"**), which is expressed as being "first ranking", "first priority", or similar (**"First Ranking"**) in the document creating such Interest (notwithstanding that such Interest may not be First Ranking under any insolvency laws of any related insolvency jurisdiction of the LPN Issuer).

**"LPN Reference Obligation"** means each Reference Obligation other than any Additional Obligation.

For the avoidance of doubt, any change to the issuer of an LPN Reference Obligation in accordance with its terms shall not prevent such LPN Reference Obligation constituting a Reference Obligation.

Each LPN Reference Obligation is issued for the sole purpose of providing funds for the Issuer to finance a loan to the Reference Entity. For the purposes of the Credit Linked Note Conditions each such loan shall be an Underlying Loan.

#### 16. Deliverable Obligations Portfolio Valuation

If Credit Linked Note Condition 16 is specified as applicable in the applicable Final Terms:

- (a) notwithstanding anything to the contrary in the Credit Linked Note Conditions, "Reference Obligation" shall mean:
  - (i) any obligation of a Reference Entity (either directly or as provider of a Relevant Guarantee) determined pursuant to the method described in sub-paragraph (A) (Method for Determining "Deliverable Obligations") in the definition of "Deliverable Obligation" above;
  - (ii) each Benchmark Obligation specified in the applicable Final Terms; and
  - (iii) any Substitute Benchmark Obligation,

as selected by the Calculation Agent in its sole and absolute discretion and notified to the Issuer (a "**Reference Obligation Notification**") on or prior to the relevant Valuation Date.

In each case the Reference Obligation Notification shall describe the selected Reference Obligation in reasonable detail and shall specify the title or designation, maturity date and coupon rate. The Calculation Agent may at any time after delivering a Reference Obligation Notification but prior to the Valuation Time on the Valuation Date deliver a further Reference Obligation Notification which shall replace all prior Reference Obligation Notifications in relation to any additional or replacement Reference Obligation specified therein.

For the avoidance of doubt the Calculation Agent shall be entitled to select any of the Reference Obligations for the purposes of calculating the Final Price irrespective of their market value and, provided that (in the case of Credit Linked Note Condition 16(a)(i) only) the selected obligation(s) satisfy the Deliverable Obligation Category and Deliverable Obligation Characteristics on the date of selection, such obligation(s) may constitute the Reference Obligation for the purposes hereof notwithstanding that this is not the case subsequent to such date. For the avoidance of doubt, the Deliverable Obligation Category and Deliverable Obligation Characteristics shall not apply in respect of any Benchmark Obligation or Substitute Benchmark Obligation.

- (b) The definition of "Substitute Reference Obligation" in Credit Linked Note Condition 2 shall be amended so that each reference to "Substitute Reference Obligation" and "Non-Standard Reference Obligation" is replaced by reference to a "Substitute Benchmark Obligation" and a "Benchmark Obligation" respectively, provided that once a Benchmark Obligation has been specified as a Reference Obligation the definition of "Substitute Reference Obligation" shall not apply with respect to such Benchmark Obligation.
- (c) Sub-paragraph (b)(i) of "Method for Determining Obligations" in the definition of "Obligation" in Credit Linked Note Condition 2 shall be deleted and the following substituted therefor:

**"Not Subordinated"** means an obligation that is not Subordinated to (i) the most senior Benchmark Obligation in priority of payment or (ii) if no Benchmark Obligation is specified in the applicable Final Terms, any unsubordinated Borrowed Money obligation of the Reference Entity. For purposes of determining whether an obligation

satisfies the "Not Subordinated" Obligation Characteristic or Deliverable Obligation Characteristic, the ranking in priority of payment of each Benchmark Obligation shall be determined as of the later of (A) the Trade Date specified in the applicable Final Terms and (B) the date on which such Benchmark Obligation was issued or incurred and shall not reflect any change to such ranking in priority of payment after such later date.

- (d) For purposes of the Credit Linked Note Conditions:
  - (i) each reference in the Credit Linked Note Conditions to "a Deliverable Obligation" and "the Deliverable Obligation" shall be deemed to be a reference to "a Reference Obligation" and "the Reference Obligation" respectively; and
  - (ii) each reference in the Credit Linked Note Conditions to "a Delivery Date" and "the Delivery Date" shall be deemed to be a reference to the date of selection of the relevant Reference Obligation.
- (e) For the avoidance of doubt, if Credit Linked Note Condition 16 is specified as applicable in the applicable Final Terms Credit Linked Note Condition 5 is not applicable and the Instruments shall, following the occurrence of an Event Determination Date, be settled in accordance with Credit Linked Note Condition 4, and these Credit Linked Notes Conditions shall be construed accordingly.
- (f) If the Calculation Agent selects more than one Reference Obligation, such Reference Obligations shall have an Outstanding Principal Balance or Due and Payable Amount (or the equivalent Currency Amount of any such amount) that, in aggregate, shall not exceed the Reference Entity Notional Amount in respect of the relevant Reference Entity.
- (g) With respect to a Reference Entity and the related Final Price Calculation Date, the "Final Price" shall be the weighted average of the Final Prices determined for each Reference Obligation in respect of the relevant Reference Entity, weighted by reference to the Reference Portfolio of each such Reference Obligation.
- (h) For the purposes of Credit Linked Note Condition 16(a)(ii), Benchmark Obligation means each Reference Obligation specified in respect of the relevant Reference Entity, unless otherwise specified in the applicable Final Terms.

#### 17. Nth-to-Default CLNs

Where the Instruments are Nth-to-Default CLNs:

- (a) where a succession has occurred in respect of a Reference Entity (other than a Reference Entity in respect of which an Event Determination Date has occurred) and more than one Successor has been identified, the applicable Instruments will be equally divided into a number of notional Credit Linked Notes as there are Successors. Each such notional Credit Linked Notes shall include a Successor and each and every one of the Reference Entities unaffected by such succession shall apply thereto;
- (b) if "Substitution" is specified as not being applicable in the applicable Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to a succession) would be a Successor to any other Reference Entity (the "**Legacy Reference Entity**") pursuant to a succession, such Surviving Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity; and
- (c) if "Substitution" is specified as being applicable in the applicable Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to a succession) would be a Successor to any other Reference Entity (the "**Legacy Reference Entity**") pursuant to a succession:

- (i) such Surviving Reference Entity shall be deemed not to be a Successor to the Legacy Reference Entity; and
- (ii) the Replacement Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity.

#### 18. **Linear Basket CLNs**

Where the Notes are Linear Basket CLNs, then the provisions of these Credit Linked Note Conditions relating to redemption of Credit Linked Notes following the occurrence of an Event Determination Date, extension of maturity of Credit Linked Notes on delivery of an Extension Notice, cessation or suspension of accrual of interest or accrual and payment of interest following the Scheduled Maturity Date shall apply separately with respect to each Reference Entity and a principal amount of each Credit Linked Note corresponding to its pro rata proportion of the related Reference Entity Notional Amount. The remaining provisions of these Credit Linked Note Conditions shall be construed accordingly.

Accordingly:

- (a) the Calculation Amount of each Note shall be reduced with effect from the occurrence of an Event Determination Date by a pro rata proportion of the Reference Entity Notional Amount or, as applicable, the Partial Redemption Amount;
- (b) following the occurrence of an Event Determination Date in respect of any Reference Entity, the Notes shall be partially redeemed and the Noteholders shall receive an amount equal to a Credit Event Redemption Amount (if Credit Linked Note Condition 4 applies) or an Auction Settlement Amount (if Credit Linked Note Condition 6 applies) or shall be entitled to receive an Entitlement, or, as appropriate, Partial Cash Settlement Amount (if Credit Linked Note Condition 5 applies), in each case calculated in respect of the Reference Entity as though references to the Calculation Amount in such definitions were references to such amount divided by the number of Reference Entities as at the relevant Event Determination Date;
- (c) the definition of "**CLN Maturity Date**" shall operate separately in respect of each Reference Entity and a portion of the Calculation Amount of each Note corresponding to a pro rata proportion of the related Reference Entity Notional Amount, or, as applicable, the Partial Redemption Amount; and
- (d) the provisions of Credit Linked Note Condition 8 shall apply separately in respect of each Reference Entity and a portion of the Calculation Amount of each Note corresponding to a pro rata proportion of the related Reference Entity Notional Amount or, as applicable, the related Reference Entity Notional Amount.

#### 19. **Tranched Portfolio CLNs**

Where the Instruments are Tranched Portfolio CLNs:

- (a) The interest amount payable per Calculation Amount on each Interest Payment Date in respect of each Note and each Interest Period shall be a pro rata proportion per Calculation Amount of an amount determined on the relevant Interest Determination Date, equal to the sum of:
  - (i) the product of: (A) the Interest Calculation Amount, (B) the Rate of Interest, and (C) the Day Count Fraction (and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention); and
  - (ii) the Deferred Coupon Adjustment Amount, if any.
- (b) If the Calculation Agent determines at any time that the Undetermined Reference Entity Notional Amount on any Interest Payment Date is greater than the Undetermined Reference Entity Notional Amount on the corresponding Interest

Determination Date, the Calculation Agent may in its sole discretion make any adjustment: (i) if the determination is made on or prior to such Interest Payment Date and to the extent operationally practicable, to the interest amount payable on such Interest Payment Date, or otherwise (ii) to the interest amount payable on any subsequent Interest Payment Date or, if the relevant interest amount is less than such shortfall, the Outstanding Principal Amount of the Notes, to account for such shortfall.

- (c) In the event that a Credit Event occurs in respect of one of the Reference Entities within the Reference Portfolio, the amount of the Aggregate Principal Amount remaining will be reduced by the Writedown Amount (itself calculated with reference to the Loss Amount), all as set out in the definitions of the Outstanding Principal Amount, Incurred Loss Amount, Loss Amount, Writedown Amount and any other relevant definitions.
- (d) Unless the Notes have been previously redeemed or purchased and cancelled, each Note will be redeemed at its Final Redemption Amount on the Final Redemption Date. Credit Linked Note Conditions 4 and 6 shall not apply.
- (e) If the Outstanding Principal Amount of the Notes is reduced to zero, the Notes will thereupon be deemed to have been redeemed in full and, without prejudice to any obligations incurred due and payable on or prior to such date, the Issuer shall have no further obligations in relation to the Notes.
- (f) Paragraph (b) of the definition of "CLN Maturity Date" shall apply if an Extension Notice is given in respect of any Reference Entity.
- (g) If any day is a Final Price Calculation Date with respect to more than one Reference Entity, the Loss Amount, the Recovery Amount, the Incurred Loss Amount and the Incurred Recovery Amount (if applicable) with respect to each Reference Entity shall be calculated in the order of delivery of the relevant Credit Event Notices or (if applicable) the order of the relevant Credit Event Resolution Request Dates or, if any of the relevant Credit Event Notices are delivered at the same time or the Credit Event Resolution Request Dates occur at the same time, in a sequential order determined by the Calculation Agent.
- (h) In relation to Tranche Portfolio CLNs where the Reference Portfolio is determined by reference to a Relevant Annex, then notwithstanding Credit Linked Note Condition 13, the Reference Portfolio from time to time (together with, in respect of each relevant Reference Entity, the elected Reference Entity weighting) shall be as determined and published from time to time by the relevant Index Sponsor, as specified in the applicable Final Terms.

20. **Provisions taken from the CoCo Supplement to the 2014 ISDA Credit Derivatives Definitions (published on 15 September 2014)**

If Credit Linked Note Condition 20 is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the Credit Linked Note Conditions, the following provisions will apply:

- (a) The following additional definitions shall apply:

**"CoCo Provision"** means, with respect to an Obligation, a provision which requires (i) a permanent or temporary reduction of the amount of principal payable at redemption or (ii) a conversion of principal into shares or another instrument, in each case, if the Capital Ratio is at or below the Trigger Percentage.

**"CoCo Supplement"** means the CoCo Supplement to the 2014 ISDA Credit Derivatives Definitions (published on 15 September 2014).

**"Capital Ratio"** means the ratio of capital to risk weighted assets applicable to the Obligation, as described in the terms thereof in effect from time to time.

- (b) A CoCo Provision shall be deemed to be a provision which permits a Governmental Intervention for all purposes under the Credit Linked Notes Conditions.
- (c) If, with respect to one or more Obligations and in relation to an aggregate amount of not less than the Default Requirement, the operation of one or more CoCo Provisions results in (i) a permanent or temporary reduction of the amount of principal payable at redemption or (ii) a conversion of principal into shares or another instrument, such event shall be deemed to constitute a Governmental Intervention falling within subparagraph (a) of the definition thereof.

**21. Provisions taken from the 2014 Sovereign No Asset Package Delivery Supplement to the 2014 ISDA Credit Derivatives Definitions (published on September 15 2014)**

If Credit Linked Note Condition 21 is specified as applicable in respect of a Reference Entity in the applicable Final Terms, the following provision shall apply in respect of such Reference Entity for purposes of the Instruments and the Credit Linked Note Conditions:

The last paragraph of the definition of "Asset Package Credit Event" is hereby amended by the addition of the following at the end thereof: "Notwithstanding the above, it shall be deemed that no Package Observable Bond exists with respect to a Reference Entity that is a Sovereign (even if such a Package Observable Bond has been published by ISDA and accordingly, Asset Package Delivery shall not apply thereto)."

**22. Physical Settlement Matrix**

Where a Transaction Type is specified in the applicable Final Terms in respect of any Reference Entity, then the provisions of such Final Terms shall apply with respect to such Reference Entity in accordance with the Physical Settlement Matrix as it applies to such Transaction Type, as though such Physical Settlement Matrix were set out in full in such Final Terms. Certain additional provisions or supplements may be deemed to apply to the Credit Linked Note Conditions in respect of a Reference Entity if those provisions or supplements are specified as being applicable for the relevant Reference Entity in the Credit Derivatives Physical Settlement Matrix and the provisions of the Credit Linked Note Conditions shall be construed as if those additional provisions or supplements had been included in the Credit Linked Note Conditions with such amendments as the Calculation Agent deems necessary to give effect to those provisions.

**23. Notices to Holders**

The Issuer shall, upon receiving any of the following notices from the Calculation Agent, as soon as practicable forward a copy of such notice(s) to the Holders of the relevant Instruments:

In performing its duties pursuant to the Credit Linked Note Conditions, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Credit Linked Note Conditions including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent, the Issuer and the Guarantor shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

For the avoidance of doubt, if the applicable Final Terms specify that "Calculation Agent Determination" is applicable, then notwithstanding any provision in these Credit Linked Note Conditions, the Issuer and the Calculation Agent shall not be bound to (although they may in their sole discretion) apply any DC Resolution to the Instruments and unless the Calculation Agent notifies the Issuer that any DC Resolution shall apply to the Instruments, the Credit Linked Note Conditions and the relevant Instruments shall be construed as if the relevant DC Resolution and the relevant DC Question was not made. If the Calculation Agent notifies the Issuer that any DC Resolution shall apply to the Instruments, the Calculation Agent shall have the power to amend or otherwise adjust any provision of these Credit Linked Notes Conditions (including, without limitation any provision relating to the timing of notices hereunder) to account for the application of such DC Resolution.

#### 25. **Change in Market Convention**

The Calculation Agent may (but shall not be obliged to), without obtaining the consent of or consulting with the Holders or any other person, from time to time and at any time in its sole and absolute discretion and in good faith, amend any provision of these Credit Linked Note Conditions or the Instruments:

- (a) (including but not limited to the applicable Transaction Type, Credit Events, Deliverable Obligation Category, and Deliverable Obligation Characteristics and deliverability, Reference Obligation, Successor and other provisions) to correspond with the most recently published ISDA Credit Derivatives Definitions, ISDA Credit

- (b) to incorporate and/or reflect further or alternative documents from time to time published by ISDA with respect to credit derivative transactions and/or the operation or application of determinations by the ISDA Credit Derivatives Determinations Committees which the Calculation Agent determines in a commercially reasonable manner are necessary to reflect market practice for credit derivative transactions; and/or
- (c) in circumstances where a Reference Entity has proposed an exchange of all or substantially all of the obligations of such Reference Entity into cash, securities and/or other assets, to reflect or account for such exchange, regardless of the credit derivatives definitions or trading standards applicable to such Reference Entity.

The applicable Final Terms may be amended and/or restated from time to time to reflect any such amendments without the consent of the Holders, and the Holders are deemed to agree to this provision by the purchase or acquisition of the Instruments.

## 26. **Additional Provisions**

- (a) If one or more amendments or adjustments to these Credit Linked Note Conditions are required for one or more Series of credit linked Instruments, including any issue of Nth-to-Default CLNs or leveraged credit linked instruments, the applicable Final Terms shall set out such amendments or adjustments to these Credit Linked Note Conditions that are necessary in order to take account of the nature of such instruments and these Credit Linked Note Conditions shall be construed accordingly.
- (b) Any term defined or described in these Credit Linked Note Conditions or the applicable Final Terms includes where that term is incorporated or included by reference to another document including (without limitation) where the applicability or otherwise of any particular provision is determined by reference to the Credit Derivatives Physical Settlement Matrix.
- (c) Subject to sub-paragraph (d) below, in order to determine the day on which an event occurs for purposes of these Credit Linked Note Conditions, the demarcation of days shall be made by reference to Greenwich Mean Time (or, if the Transaction Type of the Reference Entity relates to Japan, Tokyo time), irrespective of the time zone in which such event occurred. Any event occurring at midnight shall be deemed to have occurred immediately prior to midnight.
- (d) Notwithstanding the definition of "Credit Event Notice" and sub-paragraph (c) above, if a payment is not made by the Reference Entity on its due date or, as the case may be, on the final day of the relevant Grace Period, then such failure to make a payment shall be deemed to have occurred on such day prior to midnight Greenwich Mean Time (or, if the Transaction Type of the Reference Entity relates to Japan, Tokyo time), irrespective of the time zone of its place of payment.

- (a) Following the determination by the Calculation Agent that an Additional Disruption Event has occurred, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
  - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
  - (ii) give notice to Holders in accordance with Note Condition 14 and redeem all, but not less than all, of the Notes, each nominal amount of Notes equal to the

Calculation Amount being redeemed at the Early Redemption Amount (as specified in Part A).

- (b) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with Note Condition 14 stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.

**"Hedging Disruption"** means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity, price, credit or other risk of the Issuer issuing and performing its obligations with respect to the Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

**"Increased Cost of Hedging"** means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity, price, credit or other risk of the Issuer issuing and performing its obligations with respect to the Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

- (5) If "Financial Reference Entity Terms" and "Governmental Intervention" are specified as applicable in the applicable Final Terms, if an obligation would otherwise satisfy a particular Deliverable Obligation Characteristic, the existence of any terms in the relevant obligation in effect at the time of making the determination which permit the Reference Entity's obligations to be altered, discharged, released or suspended in circumstances which would constitute a Governmental Intervention, shall not cause such obligation to fail to satisfy such Deliverable Obligation Characteristic;
- (6) For purposes of determining the applicability of Deliverable Obligation Characteristics and the requirements specified in Credit Linked W&C Condition 5 to a Prior Deliverable Obligation or a Package Observable Bond, any such determination shall be made by reference to the terms of the relevant obligation in effect immediately prior to the Asset Package Credit Event; and

  - (vi) if one or more entities succeed, either directly or as a provider of a Relevant Guarantee, to a portion of the Relevant Obligations of the Reference Entity, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations will be the Successor (provided that if two or more entities succeed to an equal percentage of Relevant Obligations, each such entity will be a Successor and the Credit Linked Warrants or Credit Linked Certificates, as applicable, will be divided in accordance with Credit Linked W&C Condition 13); and
  - (vii) in respect of a Reference Entity which is not a Sovereign, if one entity assumes all of the obligations (including at least one Relevant Obligation) of the Reference Entity, and at the time of the determination either (A) the Reference Entity has ceased to exist, or (B) the Reference Entity is in the process of being dissolved (howsoever described) and the Reference Entity has not issued or incurred any Borrowed Money obligation at any time since the legally effective date of the assumption, such entity (the "**Universal Successor**") will be the sole Successor.
- (b) The Calculation Agent will be responsible for determining, as soon as reasonably practicable it becomes aware thereof and, in each case, with effect from the Succession Date, any Successor or Successors under sub-paragraph (a) above; provided that if "Calculation Agent Determination" is not specified as being applicable in the applicable Final Terms, the Calculation Agent will not make such determination if, at the time of determination, the DC Secretary has publicly announced that the relevant Credit Derivatives Determinations Committee has Resolved that there is no Successor based on the relevant succession to Relevant Obligations.

Notwithstanding sub-paragraph (a) above, where "Calculation Agent Determination" is specified as being applicable in the applicable Final Terms, the Successor shall be either (as selected by the Calculation Agent in its sole discretion) (A) the current obligor in respect of the Reference Obligation, (B) the successor(s) determined in

accordance with sub-paragraph (a) above, as applicable, or (C) any successor(s) identified by the relevant Credit Derivatives Determinations Committee pursuant to a DC Resolution if the Calculation Agent notifies the Issuer that a DC Resolution in relation to a Reference Entity and a succession shall apply.

The Calculation Agent will make all calculations and determinations required to be made under this provision on the basis of Eligible Information and will notify the Issuer of any such calculation or determination as soon as practicable.

In calculating the percentages used to determine whether an entity qualifies as a Successor, if there is a Steps Plan, the Calculation Agent shall consider all related successions in respect of such Steps Plan in aggregate as if forming part of a single succession.

- (c) An entity may only be a Successor if:
  - (i) either (A) the related Succession Date occurs on or after the Successor Backstop Date, or (B) such entity is a Universal Successor in respect of which the Succession Date occurred on or after January 1, 2014;
  - (ii) the Reference Entity had at least one Relevant Obligation outstanding immediately prior to the Succession Date and such entity succeeds to all or part of at least one Relevant Obligation of the Reference Entity; and
  - (iii) where the Reference Entity is a Sovereign, such entity succeeded to the Relevant Obligations by way of a Sovereign Succession Event.
- (d) For the purposes of this definition of Successor, "**succeed**" means, with respect to a Reference Entity and its Relevant Obligations, that an entity other than such Reference Entity: (i) assumes or becomes liable for such Relevant Obligations whether by operation of law or pursuant to any agreement (including, with respect to a Reference Entity that is a Sovereign, any protocol, treaty, convention, accord, concord, entente, pact or other agreement); or (ii) issues Bonds or incurs Loans (the "**Exchange Bonds or Loans**") that are exchanged for Relevant Obligations, and in either case the Reference Entity is not thereafter a direct obligor or a provider of a Relevant Guarantee with respect to such Relevant Obligations or such Exchange Bonds or Loans, as applicable. For purposes of this definition of Successor, "succeeded" and "succession" shall be construed accordingly.
- (e) In the case of an exchange offer, the determination required pursuant to sub-paragraph (a) above shall be made on the basis of the outstanding principal balance of Relevant Obligations exchanged and not on the basis of the outstanding principal balance of the Exchange Bonds or Loans.
- (f) If two or more entities (each, a "**Joint Potential Successor**") jointly succeed to a Relevant Obligation (the "**Joint Relevant Obligation**") either directly or as a provider of a Relevant Guarantee, then (i) if the Joint Relevant Obligation was a direct obligation of the Reference Entity, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as direct obligor or obligors, or (ii) if the Joint Relevant Obligation was a Relevant Guarantee, it shall be treated as having been succeeded to by the Joint Potential Successor (or Joint Potential Successors, in equal parts) which succeeded to such Joint Relevant Obligation as guarantor or guarantors, if any, or otherwise by each Joint Potential Successor in equal parts.
- (g) Where:
  - (A) a Reference Obligation with respect to a Reference Entity is specified in the applicable Final Terms; and
  - (B) one or more Successors to the Reference Entity have been identified; and

- (C) any one or more such Successors have not assumed the Reference Obligation,
- a Substitute Reference Obligation will be determined in accordance with the definition of "Substitute Reference Obligation".

**"Successor Backstop Date"** means for purposes of any Successor determination determined by DC Resolution, the date that is ninety calendar days prior to the Successor Resolution Request Date or otherwise, the date that is ninety calendar days prior to the earlier of (i) the date on which the Successor Notice is effective and (ii) in circumstances where (A) a Successor Resolution Request Date has occurred, (B) the relevant Credit Derivatives Determinations Committee has Resolved not to make a Successor determination and (C) the Successor Notice is delivered by the Calculation Agent to the Issuer not more than fourteen calendar days after the day on which the DC Secretary publicly announces that the relevant Credit Derivatives Determinations Committee has Resolved not to make a Successor determination, the Successor Resolution Request Date. **"Transaction Type"** means in respect of a Reference Entity, the transaction type specified in respect of such Reference Entity in the applicable Final Terms corresponding to the "Transaction Type" specified as such in the Physical Settlement Matrix.

**"Undeliverable Obligation"** means a Deliverable Obligation included in the Entitlement which, on the Final Delivery Date for such Deliverable Obligation, the Calculation Agent determines (in its sole discretion) for any reason (including without limitation, failure of the relevant clearance system or due to any law, regulation, court order, contractual restrictions, statutory restrictions, a Hedge Disruption Event or market conditions or the non-receipt of any requisite consents with respect to the Delivery of Loans) it is either:

- (a) impossible, illegal, impracticable or is otherwise unable to Deliver for any reason on the Final Delivery Date; or
- (b) unable or impracticable to Deliver on the Final Delivery Date because (i) the relevant Holder(s) has not taken any action that is deemed necessary by the Calculation Agent (acting in its sole discretion) to enable the Issuer to Deliver and/or for the Holder(s) to take delivery of all or a portion of the Deliverable Obligations; or (ii) the Holder(s) has failed to provide know-your-customer information, sign and deliver relevant transfer documentation and/or confidentiality agreement, pay a fee to the agent to effect the transfer and/or provide any other information or documentation or make any other payment (including any taxes) as is specified under the terms of the relevant Deliverable Obligations or as is customary to provide in respect of such Deliverable Obligations, each as may be required pursuant to the definition of "Deliver" herein.

**"Valuation Date"** means (i) where Physical Settlement is specified as applying in the applicable Final Terms, the day falling five Business Days after the Final Delivery Date, or (ii) where Cash Settlement is specified as applying in the applicable Final Terms, if "Single Valuation Date" is specified in the applicable Final Terms, the date that is the number of Business Days specified in the applicable Final Terms after the Event Determination Date or, if the number of Business Days is not so specified, any day falling on or before the 122nd Business Day after the Event Determination Date or (following any Auction Cancellation Date or No Auction Announcement Date) after such Auction Cancellation Date or No Auction Announcement Date (in each case, as selected by the Calculation Agent in its sole discretion), and if "Multiple Valuation Dates" is specified in the applicable Final Terms, each of the following dates:

- (b) each successive date that is the number of Business Days specified in the applicable Final Terms (or if the number of Business Days is not so specified, five Business Days) after the date on which the Calculation Agent obtains a Market Value with respect to the immediately preceding Valuation Date.

When "Multiple Valuation Dates" is specified in the applicable Final Terms, the total number of Valuation Dates shall be equal to the number of Valuation Dates specified in the applicable Final Terms (or, if the number of Valuation Dates is not so specified, five Valuation Dates).

If neither Single Valuation Date nor Multiple Valuation Dates is specified in the applicable Final Terms, Single Valuation Date shall apply.

**"Valuation Method":**

### 3. Automatic Exercise

- (a) Unless previously exercised or purchased and cancelled by the Issuer, each Long Credit Linked W&C Instrument will be automatically exercised on the Long Exercise Date, and each such Instrument shall entitle its Holder to receive from the Issuer on the Settlement Date the Cash Settlement Amount specified in, or determined in the manner specified in, the applicable Final Terms (or, if no such provision is made in the applicable Final Terms, the outstanding Notional Amount thereof).
- (b) Unless previously exercised or purchased and cancelled by the Issuer, each Short Credit Linked W&C Instrument will be automatically exercised on the Short Exercise Date, and each such Instrument shall entitle its Holder to receive from the Issuer on the Settlement Date the Cash Settlement Amount specified in, or determined in the manner specified in, the applicable Final Terms (or, if no such provision is made in the applicable Final Terms, zero).

If Reference Obligation Only Trade is applicable with respect to the Instruments and the event set out in sub-paragraph (a) of the definition of Substitution Event occurs with respect to the Reference Obligation, the Calculation Agent may give notice (such notice a **"Reference Obligation Only Exercise Notice"**) to the Issuer on any day from and including the applicable Substitution Event Date and the Issuer shall exercise each Credit Linked Warrant or Credit Linked Certificate, as applicable, and the Holder of each such Instrument shall receive the Cash Settlement Amount specified in, or determined in the manner specified in, the applicable Final Terms (or if no such provision is made in the applicable Final Terms (i) in respect of each Long Credit Linked W&C Instrument, the outstanding Notional Amount thereof or (ii) in respect of each Short Credit Linked W&C Instrument, zero).

### 4. Cash Settlement

Unless the Instruments have been previously redeemed or purchased and cancelled, if an Event Determination Date occurs (in the case of Nth-to-Default Instruments, in relation to the Nth Reference Entity in respect of which an Event Determination Date occurs) and the applicable Settlement Method is "Cash Settlement" (or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Cash Settlement"), the Calculation Agent shall give notice (such notice a **"Settlement Notice"**) to the Issuer and the Issuer shall redeem or cancel, as applicable, all of the Instruments and pay in respect of each Instrument the Credit Event Redemption Amount on the Credit Event Redemption Date.

*If an Event Determination Date occurs and the Instruments are redeemed in accordance with this Credit Linked W&C Condition 4, upon payment of the Credit Event Redemption Amount the Issuer shall have discharged its obligations in respect of the Instruments and shall have no other liability or obligation whatsoever in respect thereof. The Credit Event Redemption Amount may be less than the Issue Price or Notional Amount of an Instrument. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.*

## 5. Physical Settlement

Unless the Instruments have been previously redeemed or purchased and cancelled, if an Event Determination Date occurs (in the case of Nth-to-Default Instruments, in relation to the Nth Reference Entity in respect of which an Event Determination Date occurs) and the applicable Settlement Method is "Physical Settlement" (or a Fallback Settlement Event has occurred and the Fallback Settlement Method is "Physical Settlement"), the Calculation Agent shall give notice (such notice a "**Notice of Physical Settlement**") to the Issuer on or before the NOPS Cut-off Date and the Issuer shall redeem or cancel, as applicable, all of the Instruments, by Delivering (or procuring the Delivery) in respect of each Instrument the Deliverable Obligations comprising the Entitlement, subject to and in accordance with the W&C Instruments Conditions and the Credit Linked W&C Conditions (and in particular, Credit Linked W&C Condition 9).

In the Notice of Physical Settlement, the Calculation Agent shall:

- (a) specify the Deliverable Obligations comprising the Entitlement that the Issuer shall endeavour to Deliver including, if available and applicable, the CUSIP or ISIN number (or, if such identifying number is not available or applicable, the rate and tenor) of each such Deliverable Obligation; and
- (b) specify the Outstanding Principal Balance or Due and Payable Amount, as applicable, or the equivalent amount in the Settlement Currency (in each case, the "**Outstanding Amount**") and, if different, the face amount, of each such Deliverable Obligation and the aggregate Outstanding Amount of all Deliverable Obligations specified in the Notice of Physical Settlement that the Issuer shall endeavour to Deliver (the "**Aggregate Outstanding Amount**").

The Calculation Agent may at any time prior to any Delivery Date by delivery of a notice to the Issuer (the "**NOPS Amendment Notice**") amend the Notice of Physical Settlement and the Issuer shall endeavour to, pursuant to such NOPS Amendment Notice, Deliver to the Holders replacement Deliverable Obligations that are different from the Deliverable Obligations originally specified (each, a "**Replacement Deliverable Obligation**"). A NOPS Amendment Notice shall contain a revised detailed description of each Replacement Deliverable Obligation and shall also specify the Outstanding Amount of each Deliverable Obligation identified in the Notice of Physical Settlement or a prior NOPS Amendment Notice, as applicable, that is being replaced (with respect to each such Deliverable Obligation, the "**Replaced Deliverable Obligation Outstanding Amount**"). The Outstanding Amount of the Replacement Deliverable Obligations specified in any NOPS Amendment Notice in aggregate with the Outstanding Amount of the Deliverable Obligations specified in the Notice of Physical Settlement or any earlier NOPS Amendment Notice which, in each case, are not being replaced must not be greater than the Aggregate Outstanding Amount. Each such NOPS Amendment Notice must be effective on or prior to the Delivery Date (determined without reference to any change resulting from such NOPS Amendment Notice).

Notwithstanding the foregoing, (i) the Calculation Agent may correct any errors or inconsistencies in the detailed description of each Deliverable Obligation contained in the Notice of Physical Settlement or any NOPS Amendment Notice, as applicable, by notice to Issuer prior to the relevant Delivery Date; and (ii) if Asset Package Delivery is applicable, the Calculation Agent shall on the NOPS Effective Date, or as soon as reasonably practicable thereafter (but in any case, prior to the Delivery Date), notify the Issuer of the detailed description of the Asset Package, if any, that the Issuer shall endeavour to deliver in lieu of the Prior Deliverable Obligation or Package Observable Bond, if any, specified in the Notice of

Physical Settlement or NOPS Amendment Notice, as applicable, it being understood in each case that such notice of correction shall not constitute a NOPS Amendment Notice.

If (i) "Physical Settlement" is specified to be the Settlement Method in the applicable Final Terms (or is applicable as the Fallback Settlement Method), (ii) "Mod R" is specified as applicable in the applicable Final Terms and (iii) Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention, a Deliverable Obligation may only be specified (or deemed specified) in the Notice of Physical Settlement or in any NOPS Amendment Notice, as applicable, if such Deliverable Obligation (A) is a Fully Transferable Obligation and (B) has a final maturity date not later than the applicable Restructuring Maturity Limitation Date, in each case, as of both the NOPS Effective Date and the Delivery Date.

If (i) "Physical Settlement" is specified to be the Settlement Method in the applicable Final Terms (or is applicable as the Fallback Settlement Method), (ii) "Mod Mod R" is specified as applicable in the applicable Final Terms and (iii) Restructuring is the only Credit Event specified in a Credit Event Notice, then unless the Deliverable Obligation is a Prior Deliverable Obligation and Asset Package Delivery applies due to a Governmental Intervention, a Deliverable Obligation may only be specified (or deemed specified) in the Notice of Physical Settlement or in any NOPS Amendment Notice, as applicable, if it (A) is a Conditionally Transferable Obligation and (B) has a final maturity date not later than the applicable Modified Restructuring Maturity Limitation Date in each case, as of both the NOPS Effective Date and the Delivery Date. Notwithstanding the foregoing, for purposes of this sub-paragraph, in the case of a Restructured Bond or Loan with a final maturity date on or prior to the 10-year Limitation Date, the final maturity date of such Bond or Loan shall be deemed to be the earlier of such final maturity date or the final maturity date of such Bond or Loan immediately prior to the relevant Restructuring.

Unless otherwise specified in the applicable Final Terms, the Guaranteed Cash Settlement Amount in respect of each Credit Linked Warrant or Credit Linked Certificate shall be an amount calculated in accordance with the definition of "Partial Cash Settlement Amount", provided that the Guarantor shall designate in its sole and absolute discretion which portion of the Entitlement shall be an Undeliverable Obligation, and provided that the Valuation Date, shall be the date notified as such by the Guarantor to the Issuer and the Calculation Agent.

***If an Event Determination Date occurs and the Instruments are redeemed or are cancelled in accordance with this Credit Linked W&C Condition 5, upon Delivery of the Deliverable Obligations comprising the Entitlement and/or payment of the Partial Cash Settlement Amount, as the case may be, the Issuer shall have discharged its obligations in respect of the Instruments and shall have no other liability or obligation whatsoever in respect thereof. The value of such Deliverable Obligations and/or the Partial Cash Settlement Amount in respect of the Instruments to be redeemed may be less than the Issue Price or Notional Amount of an Instrument. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.***

## 6. Auction Settlement

Unless the Instruments have been previously redeemed or purchased and cancelled, if an Event Determination Date occurs (in the case of Nth-to-Default Instruments, in relation to the Nth Reference Entity in respect of which an Event Determination Date occurs) and the applicable Settlement Method is "Auction Settlement", the Calculation Agent shall give notice (such notice a "Settlement Notice") to the Issuer and the Issuer shall redeem or cancel as applicable, all of the Instruments and pay in respect of each Instrument the Auction Settlement Amount on the Auction Settlement Date unless a Fallback Settlement Event occurs (for the avoidance of doubt, in relation to the same Credit Event), in which case the Issuer shall redeem or cancel, as the case may be, the Instruments in accordance with the applicable Fallback Settlement Method.

***If an Event Determination Date occurs and the Instruments are redeemed or are cancelled in accordance with this Credit Linked W&C Condition 6, upon payment of the Auction***

*Settlement Amount the Issuer shall have discharged its obligations in respect of the Instruments and shall have no other liability or obligation whatsoever in respect thereof. The Auction Settlement Amount may be less than the Issue Price or Notional Amount of an Instrument. Any shortfall shall be borne by the Holder and no liability shall attach to the Issuer and/or the Guarantor.*

## 7. Suspension of Obligations

If a Credit Event Resolution Request Date occurs in relation to any Reference Entity, then, unless the Issuer otherwise elects by notice to the Holders, any obligation of the Issuer to redeem or cancel (as the case may be) or otherwise settle any Credit Linked Warrant or Credit Linked Certificate or pay any Additional Amount which would otherwise be due thereon shall, to the extent that it relates to such Reference Entity, be and remain suspended until (a) the occurrence of a DC Credit Event Announcement; (b) the occurrence of a DC No Credit Event Announcement; or (c) the occurrence of a DC Credit Event Question Dismissal (each of the events set out in (a), (b) or (c), a "**DC Announcement**").

Following a DC Announcement, any obligations so suspended shall resume on the second Business Day immediately following the date of such DC Announcement (with benefit being given of the full day notwithstanding when the tolling or suspension began). Any Additional Amount so suspended shall, subject to W&C Instruments Condition 25(B) or W&C Instruments Condition 32(B), as applicable, become due and payable on the date determined by the Calculation Agent in its sole discretion provided that such date shall not be later than 20 Business Days after the date of such DC Announcement.

No interest shall accrue on any Additional Amount, any Cash Settlement Amount or any other payment obligation of the Issuer so suspended.

Where the applicable Final Terms specify that "Calculation Agent Determination" is applicable, this Credit Linked W&C Condition 7 shall not apply to the relevant Instruments unless the Calculation Agent notifies the Issuer that this Credit Linked W&C Condition 7 shall apply.

## 8. Additional Amounts

Following the delivery of an Extension Notice, in the case of additional amount bearing Credit Linked Warrants or Credit Linked Certificates and provided that an Event Determination Date has not occurred, the Issuer shall be obliged to pay Additional Amounts calculated as provided in W&C Instruments Condition 25 or W&C Instruments Condition 32, as applicable, accruing from (and including) the Additional Amount Payment Date immediately preceding the Actual Exercise Date (or, if none the Issue Date) to (but excluding) the Actual Exercise Date but shall only be obliged to make such payment of interest on the Long Exercise Date or the Short Exercise Date, as applicable, and no further or other amount in respect of interest shall be payable and no additional amount shall be payable in respect of such delay.

Without prejudice to Credit Linked W&C Condition 7, if "Accrual of Additional Amounts upon Credit Event" is specified as Not Applicable in the applicable Final Terms and the Calculation Agent determines that a Credit Event, a Potential Failure to Pay or a Potential Repudiation/Moratorium has occurred or may occur on or prior to an Additional Amount Payment Date, the Calculation Agent may notify the Issuer and where the Calculation Agent delivers any such notice (a "**Postponement Notice**") to the Issuer on or prior to such Additional Amount Payment Date (in either case, the "**Postponed Payment Date**"), any obligation of the Issuer to pay any Additional Amount shall be suspended for a period of 15 Business Days following such Postponed Payment Date (or, in respect of any Postponed Payment Date scheduled to fall on the Actual Exercise Date, up to the Long Exercise Date or the Short Exercise Date, as applicable, (or such shorter period as the Calculation Agent may notify the Issuer) to enable the Calculation Agent to determine whether a Credit Event has occurred.

Where the Calculation Agent delivers a Postponement Notice to the Issuer, the Issuer shall give notice thereof as soon as practicable to the Holders in accordance with W&C Instruments

Condition 12, provided that any failure to give, or non-receipt of, such notice will not affect the validity of any postponement of an Additional Amount Payment Date.

If an Event Determination Date has not occurred on or prior to such 15th Business Day, Long Exercise Date or Short Exercise Date, as applicable, the Additional Amount shall be payable on such 15th Business Day, Long Exercise Date or Short Exercise Date, as applicable, (for the avoidance of doubt, no interest shall accrue on any additional amount so suspended). If an Event Determination Date has occurred on or prior to such 15th Business Day, Long Exercise Date or Short Exercise Date, as applicable, then notwithstanding W&C Instruments Condition 25(B)(a) or W&C Instruments Condition 32(B)(a), as applicable, each Instrument shall cease to accrue Additional Amounts from the Additional Amount Payment Date immediately preceding the Postponed Payment Date or, if the Postponed Payment Date falls on the first Additional Amount Payment Date, no Additional Amount shall accrue on the Instruments (and W&C Instruments Condition 25(B) or W&C Instruments Condition 32(B), as applicable shall be deemed to be amended accordingly).

#### 9. **Partial Cash Settlement**

If all or a portion of the Undeliverable Obligations or Hedge Disruption Obligations comprising the Entitlement are not Delivered for whatever reason by the Final Delivery Date, the Calculation Agent shall give notice (a "**Partial Cash Settlement Notice**") to the Issuer, as applicable, and the Issuer shall pay in respect of each Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, the Partial Cash Settlement Amount on the Partial Cash Settlement Date. For the avoidance of doubt, the failure by the Issuer to Deliver all or such portion of the Undeliverable Obligations comprising the Entitlement on or prior to the Final Delivery Date shall not constitute an Event of Default.

Unless otherwise specified in the applicable Final Terms, for the purposes of this Credit Linked W&C Condition 9 the following terms are deemed to have the following meanings:

**"Indicative Quotation"** means, in accordance with the Quotation Method, each quotation obtained from a Quotation Dealer at the Valuation Time for (to the extent reasonably practicable) an amount of the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, equal to the Quotation Amount, which reflects such Quotation Dealer's reasonable assessment of the price of such Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, based on such factors as such Quotation Dealer may consider relevant, which may include historical prices and recovery rates.

**"Market Value"** means, with respect to an Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, on a Valuation Date, (a) if more than three Full Quotations are obtained, the arithmetic mean of such Full Quotations, disregarding the Full Quotations having the same highest and lowest values (and, if more than one such Full Quotations have the same highest or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (b) if exactly three Full Quotations are obtained, the Full Quotations remaining after disregarding the highest and lowest Full Quotations (and, if more than one such Full Quotations have the same highest value or lowest value, then one of such highest or lowest Full Quotations shall be disregarded); (c) if exactly two Full Quotations are obtained, the arithmetic mean of such Full Quotations; (d) if fewer than two Full Quotations are obtained and a Weighted Average Quotation is obtained, such Weighted Average Quotation; (e) if Indicative Quotations are specified as applying in the applicable Final Terms and exactly three Indicative Quotations are obtained, the Indicative Quotation remaining after disregarding the highest and lowest Indicative Quotations (and, if more than one such Indicative Quotations have the same highest or lowest value, then one of such highest or lowest Indicative Quotations shall be disregarded); (f) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) then, subject to paragraph (b) of the definition of "Quotation" below, an amount as determined by the Calculation Agent on the next Business Day on which two or more Full Quotations or a Weighted Average Quotation or, if applicable, three Indicative Quotations are obtained; and (vii) if fewer than two Full Quotations are obtained and no Weighted Average Quotation is obtained (and, if Indicative Quotations are applicable, fewer than three Indicative Quotations are obtained) on the same Business Day on

or prior to the tenth Business Day following the Valuation Date, the Market Value shall be any Full Quotation obtained from a Quotation Dealer at the Valuation Time on such tenth Business Day or, if no Full Quotation is obtained, the weighted average of any firm quotations (or, if applicable, Indicative Quotations) for the Undeliverable Obligation or Hedge Disruption Obligation, as the case may be, obtained from Quotation Dealers at the Valuation Time on such tenth Business Day with respect to the aggregate portion of the Quotation Amount for which such quotations were obtained and a quotation deemed to be zero for the balance of the Quotation Amount for which firm quotations (or, if applicable, Indicative Quotations) were not obtained on such day.

- (a) in the case of Credit Linked Certificates:
  - (i) either (A) the Calculation Agent may deliver a Credit Event Notice to the Issuer or (B) (in the case of Short Credit Linked Certificates only) a Holder may deliver a Credit Event Notice to the Issuer, in each case in respect of an amount (the **"Partial Cancellation Amount"**) that is less than the Notional Amount of each Certificate immediately prior to the delivery of such Credit Event Notice. In such circumstances the Credit Linked W&C Conditions and related provisions shall be deemed to apply to the Partial Cancellation Amount only and

each such Certificate shall be cancelled in part (such cancelled part being equal to the Partial Cancellation Amount).

- (ii) For the avoidance of doubt (A) the Notional Amount, part or other amount of each such Certificate not so redeemed in part shall remain outstanding and Additional Amounts (if applicable) shall be payable on the Notional Amount outstanding of such Certificate as provided in W&C Instruments Condition 32 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate), (B) the Credit Linked W&C Conditions and related provisions shall apply to such Notional Amount, part or other amount outstanding of such Certificate in the event that subsequent Credit Event Notices are delivered in respect of the Reference Entity that was the subject of the M(M)R Restructuring Credit Event and (C) once a Credit Event Notice with respect to an M(M)R Restructuring Credit Event has been delivered in respect of a Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the M(M)R Restructuring Credit Event.
  - (iii) If the provisions of this Credit Linked W&C Condition 11(a) apply in respect of the Credit Linked Certificate, on cancellation of part of each such Credit Linked Certificate the relevant Credit Linked Certificate or, if the Credit Linked Certificates are represented by a Global Certificate, such Global Certificate, shall be endorsed to reflect such part redemption;
- (b) in the case of Credit Linked Warrants:
- (i) either (A) the Calculation Agent may deliver a Credit Event Notice to the Issuer or (B) (in the case of Short Credit Linked Warrants only) a Holder may deliver a Credit Event Notice to the Issuer, in each case in respect of an amount (the "**Partial Cancellation Amount**") that is less than the Notional Amount of each Warrant immediately prior to the delivery of such Credit Event Notice (provided that if the Credit Event Notice does not specify an amount, then the full Notional Amount will be deemed to have been specified). In such circumstances the Credit Linked W&C Conditions and related provisions shall be deemed to apply to the Partial Cancellation Amount only and each such Warrant shall be cancelled in part (such cancelled part being equal to the Partial Cancellation Amount).
  - (ii) For the avoidance of doubt (A) the Notional Amount, part or other amount of each such Warrant not so redeemed in part shall remain outstanding and Additional Amounts (if applicable) shall be payable on the Notional Amount outstanding of such Warrant as provided in W&C Instruments Condition 25 (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate), (B) the Credit Linked W&C Conditions and related provisions shall apply to such Notional Amount, part or other amount outstanding of such Warrant in the event that subsequent Credit Event Notices are delivered in respect of the Reference Entity that was the subject of the M(M)R Restructuring Credit Event and (C) once a Credit Event Notice with respect to an M(M)R Restructuring Credit Event has been delivered in respect of a Reference Entity, no further Credit Event Notices may be delivered in respect of any Reference Entity other than the Reference Entity that was the subject of the M(M)R Restructuring Credit Event.
  - (iii) If the provisions of this Credit Linked W&C Condition 11(b) apply in respect of the Credit Linked Warrant, on cancellation of part of each such Credit Linked Warrant the relevant Credit Linked Warrant or, if the Credit Linked Warrants are represented by a Global Warrant, such Global Warrant, shall be endorsed to reflect such part redemption.

## 12. **Multiple Holder Obligation**

If this Credit Linked W&C Condition 12 is specified as applicable (or deemed to be applicable) in the applicable Final Terms, notwithstanding anything to the contrary in the definition of Restructuring and related provisions, the occurrence of, agreement to, or announcement of, any of the events described in sub-paragraphs (a)(i) to (v) of the definition of "Restructuring" in Credit Linked W&C Condition 2 shall not be a Restructuring unless the Obligation in respect of any such events is a Multiple Holder Obligation.

**"Multiple Holder Obligation"** means an Obligation that (a) at the time of the event which constitutes a Restructuring Credit Event, is held by more than three holders that are not Affiliates of each other and (b) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation as in effect on the date of such event) at least equal to sixty-six and two-thirds is required to consent to the event which constitutes a Restructuring Credit Event, provided that any Obligation that is a Bond shall be deemed to satisfy the requirement in (b).

## 13. **Successors**

- (a) Where pursuant to sub-paragraph (a)(iii), (iv) or (vi) of the definition of Successor, more than one Successor has been identified, the Credit Linked Warrants or Credit Linked Certificates, as applicable, will be equally divided into such number of notional Credit Linked Warrants or Credit Linked Certificates, as applicable, as there are Successors and each Successor will be the Reference Entity for the purposes of one of such Credit Linked Warrants or Credit Linked Certificates, as applicable. These Credit Linked W&C Conditions shall be deemed to apply to such Credit Linked Warrants or Credit Linked Certificates, as applicable, and shall be construed accordingly.
- (b) Where a Credit Event occurs in respect of a Reference Entity after more than one Successor has been identified, the provisions of these Credit Linked W&C Conditions shall be deemed to apply to the Notional Amount represented by that Reference Entity only (the **"Partial Notional Amount"**) and all the provisions shall be construed accordingly. Each Instrument shall thereafter be redeemed in part (such redeemed part being equal to its pro rata share of the Partial Notional Amount).
- (c) The Instruments shall remain outstanding with a new Notional Amount equal to the Notional Amount prior to such redemption minus the Partial Notional Amount (such amount, the **"Remaining Amount"**) and Additional Amounts (if applicable) shall be payable on the Remaining Amount as provided for in W&C Instruments Condition 25 or W&C Instruments Condition 32, as applicable (adjusted in such manner as the Calculation Agent in its sole and absolute discretion determines to be appropriate).
- (d) Any determinations (including (without limitation) as to the division of the Credit Linked Warrants or Credit Linked Certificates, as applicable) and any adjustment to the applicable Final Terms relating to, connected with or as a result of the identification of more than one Successor shall be made by the Calculation Agent in its sole discretion (provided that if such determinations have been made by the relevant Credit Derivatives Determinations Committee, then the Calculation Agent shall, unless (x) otherwise provided for in the applicable Final Terms or (y) "Calculation Agent Determination" is specified as applicable in the applicable Final Terms, be bound by such determinations) and, in the absence of manifest error, shall be conclusive and binding on all Holders. The applicable Final Terms may be amended and restated from time to time to reflect the effect of such determinations without the consent of the Holders and the Holders are deemed to agree to this provision by the purchase of the Instruments.

## 14. **Provisions taken from the ISDA supplement titled "Additional Provisions for Physically Settled Default Swaps – Monoline Insurer as Reference Entity (January 2005)"**

If Credit Linked W&C Condition 14 is specified as applicable in the applicable Final Terms, the following provisions will apply:

- (d) **Deliver.** For the purposes of the definition of "Deliver" in Credit Linked W&C Condition 2, "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognised custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.

    - (iv) a change in the ranking in priority of payment of (x) any Obligation under a Qualifying Policy in respect of Instrument Payments, causing the Subordination of such Obligation to any other Obligation or (y) any Instrument Payments, causing the Subordination of such Insured Instrument to any other instrument in the form of a pass-through certificate or similar funded beneficial interest issued by the Insured Obligor, it being understood that, for this purpose, Subordination will be deemed to include any such change that results in a lower ranking under a priority of payments provision applicable to the relevant Instrument Payments; or
    - (v) any change in the currency of any payment of Instrument Payments that are guaranteed or insured by the Qualifying Policy to any currency other than the lawful currency of Canada, Japan, Switzerland, the United Kingdom and the United States of America and the euro and any successor currency to any of the aforementioned currencies (which in the case of the euro, shall mean the currency which succeeds to and replaces the euro in whole)."

(ii) Sub-paragraph (b)(iv) of the definition of "Restructuring" in Credit Linked W&C Condition 2 is hereby amended by adding "or, in the case of a Qualifying Policy and an Insured Instrument, where (A) the Qualifying Policy continues to guarantee or insure, as applicable, that the same Instrument Payments will be made on the same dates on which the Qualifying Policy guaranteed or insured that such Instrument Payments would be made prior to such event and (B) such event is not a change in the ranking in the priority of payment of the Qualifying Policy" at the end thereof.

(iii) The definition of "Restructuring" in Credit Linked W&C Condition 2 is hereby amended by the insertion of the following paragraph after the final paragraph thereof:

"For purposes of the definition of "Restructuring" in Credit Linked W&C Condition 2 and if Credit Linked W&C Condition 14 is specified as applying in the applicable Final Terms, for the purposes of the Credit Linked W&C Conditions the term Obligation shall be deemed to include Insured Instruments for which the Reference Entity is acting as provider of a Qualifying Policy. In the case of a Qualifying Policy and an Insured Instrument, references to the Reference Entity in sub-paragraph (a) above shall be deemed to refer to the Insured Obligor and the reference to the Reference Entity in sub-paragraph (b) above shall continue to refer to the Reference Entity."

(h) **Fully Transferable Obligation and Conditionally Transferable Obligation.** In the event that a Fully Transferable Obligation or Conditionally Transferable Obligation is a Qualifying Policy, the Insured Instrument must meet the requirements of the relevant definition. References in the definition of "Conditionally Transferable Obligation" to the "guarantor" and "guaranteeing" shall be deemed to include "the insurer" and "insuring" respectively. With respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "final maturity date", as such term is used in Credit Linked W&C Condition 5 and the definition of "Restructuring Maturity Limitation Date", shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

(i) **Other Provisions.** For purposes of the definitions of "Credit Event" and "Deliver" in Credit Linked W&C Condition 2, references to the "Underlying Obligation" and the "Underlying Obligor" shall be deemed to include "Insured Instruments" and the "Insured Obligor" respectively.

(j) **Additional Definitions.**

"**Qualifying Policy**" means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments of an instrument that constitutes Borrowed Money (modified as set forth in this Credit Linked W&C Condition 14) (the "**Insured Instrument**") for which another party (including a special purpose entity or trust) is the obligor (the "**Insured Obligor**"). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments);

"**Instrument Payments**" means (i) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date and (ii) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (i) and (ii) (A) determined without regard to limited recourse or reduction provisions of the type described in Credit Linked W&C Condition 14(c)

above and (B) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

**"Certificate Balance"** means, in the case of an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

15. **Provisions taken from the ISDA supplement titled Additional Provisions for LPN Reference Entities (published on 3rd October, 2006)**

If Credit Linked W&C Condition 15 is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the Credit Linked W&C Conditions, the following provisions will apply:

- (a) provisions relating to Multiple Holder Obligation will be deemed to be Not Applicable with respect to any Reference Obligation (and any Underlying Loan);
- (b) each Reference Obligation will be an Obligation, notwithstanding anything to the contrary in the Credit Linked W&C Conditions and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity;
- (c) each Reference Obligation will be a Deliverable Obligation notwithstanding anything to the contrary in the Credit Linked W&C Conditions including and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity.

For the avoidance of doubt with respect to any LPN Reference Obligation that specifies an Underlying Loan or an Underlying Finance Instrument, the Outstanding Principal Balance shall be determined by reference to the Underlying Loan or Underlying Finance Instrument (as applicable) relating to such LPN Reference Obligation.

The Not Subordinated Obligation Characteristic and Deliverable Obligation Characteristic shall be construed as if no Reference Obligation was specified in respect of the Reference Entity;

- (d) the definition of "Reference Obligation" shall be deleted and the following substituted therefor:

**"Reference Obligation"** means, as of the Trade Date, each of the obligations listed as a Reference Obligation of the Reference Entity in the applicable Final Terms and set forth on the relevant LPN Reference Obligations List (each a **"Markit Published LPN Reference Obligation"**), as published by Markit Group Limited, or any successor thereto, which list is as of the Trade Date available at <http://www.markit.com/marketing/services.php>, any Additional LPN determined in accordance with sub-paragraph (e) below, and each Additional Obligation. Each Reference Obligation determined in accordance with the foregoing will be a Reference Obligation notwithstanding anything to the contrary in the Credit Linked W&C Conditions, and in particular, notwithstanding that the obligation is not an obligation of the Reference Entity. Standard Reference Obligation shall be Not Applicable. The proviso in the definition of "Original Non-Standard Reference Obligation" shall not apply.

It is intended that there may be more than one Reference Obligation, as a result of which all applicable references in the Credit Linked W&C Conditions to "the Reference Obligation" shall be construed as a reference to "a Reference Obligation", and all other provisions of the Credit Linked W&C Conditions shall be construed accordingly.

The provisions set forth in the definitions of "Substitute Reference Obligation" and "Substitution Event" shall not be applicable to LPN Reference Obligations; and

- (e) the following additional definitions shall apply:

**"Additional LPN"** means any bond issued in the form of a loan participation note (a **"LPN"**) by an entity (the **"LPN Issuer"**) for the sole purpose of providing funds for the LPN Issuer to (a) finance a loan to the Reference Entity (the **"Underlying Loan"**) or (b) provide finance to the Reference Entity by way of a deposit, loan or other Borrowed Money instrument (the **"Underlying Finance Instrument"**), provided that (i) either (x) in the event that there is an Underlying Loan with respect to such LPN the Underlying Loan satisfies the Obligation Characteristics specified in respect of the Reference Entity or (y) in the event that there is an Underlying Finance Instrument with respect to such LPN the Underlying Finance Instrument satisfies the Not Subordinated, Not Domestic Law and Not Domestic Currency Obligation Characteristics; (ii) the LPN satisfies the following Deliverable Obligation Characteristics: Transferable, Not Bearer, Specified Currency – Standard Specified Currencies, Not Domestic Law, Not Domestic Issuance; and (iii) the LPN Issuer has, as of the issue date of such obligation, granted a First Ranking Interest over or in respect of certain of its rights in relation to the relevant Underlying Loan or Underlying Finance Instrument (as applicable) for the benefit of the holders of the LPNs.

**"Additional Obligation"** means each of the obligations listed as an Additional Obligation of the Reference Entity in the applicable Final Terms or set forth on the relevant LPN Reference Obligations List, as published by Markit Group Limited, or any successor thereto, as of the Trade Date, which list is currently available at <http://www.markit.com/marketing/services.php>.

**"First Ranking Interest"** means a charge, security interest (or other type of interest having similar effect) (an **"Interest"**), which is expressed as being "first ranking", "first priority", or similar (**"First Ranking"**) in the document creating such Interest (notwithstanding that such Interest may not be First Ranking under any insolvency laws of any related insolvency jurisdiction of the LPN Issuer).

**"LPN Reference Obligation"** means each Reference Obligation other than any Additional Obligation.

For the avoidance of doubt, any change to the issuer of an LPN Reference Obligation in accordance with its terms shall not prevent such LPN Reference Obligation constituting a Reference Obligation.

Each LPN Reference Obligation is issued for the sole purpose of providing funds for the Issuer to finance a loan to the Reference Entity. For the purposes of the Credit Linked W&C Conditions each such loan shall be an Underlying Loan.

## 16. Deliverable Obligations Portfolio Valuation

If Credit Linked W&C Condition 16 is specified as applicable in the applicable Final Terms:

- (a) notwithstanding anything to the contrary in the Credit Linked W&C Conditions, "Reference Obligation" shall mean:
  - (i) any obligation of a Reference Entity (either directly or as provider of a Relevant Guarantee) determined pursuant to the method described in sub-paragraph (A) (Method for Determining "Deliverable Obligations") in the definition of "Deliverable Obligation" above;
  - (ii) each Benchmark Obligation specified in the applicable Final Terms; and
  - (iii) any Substitute Benchmark Obligation,

as selected by the Calculation Agent in its sole and absolute discretion and notified to the Issuer (a **"Reference Obligation Notification"**) on or prior to the relevant Valuation Date.

In each case the Reference Obligation Notification shall describe the selected Reference Obligation in reasonable detail and shall specify the title or designation,

maturity date and coupon rate. The Calculation Agent may at any time after delivering a Reference Obligation Notification but prior to the Valuation Time on the Valuation Date deliver a further Reference Obligation Notification which shall replace all prior Reference Obligation Notifications in relation to any additional or replacement Reference Obligation specified therein.

For the avoidance of doubt the Calculation Agent shall be entitled to select any of the Reference Obligations for the purposes of calculating the Final Price irrespective of their market value and, provided that (in the case of Credit Linked W&C Condition 16(a)(i) only) the selected obligation(s) satisfy the Deliverable Obligation Category and Deliverable Obligation Characteristics on the date of selection, such obligation(s) may constitute the Reference Obligation for the purposes hereof notwithstanding that this is not the case subsequent to such date. For the avoidance of doubt, the Deliverable Obligation Category and Deliverable Obligation Characteristics shall not apply in respect of any Benchmark Obligation or Substitute Benchmark Obligation.

- (b) The definition of "Substitute Reference Obligation" in Credit Linked W&C Condition 2 shall be amended so that each reference to "Substitute Reference Obligation" and "Non-Standard Reference Obligation" is replaced by reference to a "Substitute Benchmark Obligation" and a "Benchmark Obligation" respectively, provided that once a Benchmark Obligation has been specified as a Reference Obligation the definition of "Substitute Reference Obligation" shall not apply with respect to such Benchmark Obligation.
- (c) Sub-paragraph (b)(i) of "Method for Determining Obligations" in the definition of "Obligation" in Credit Linked W&C Condition 2 shall be deleted and the following substituted therefor:

**"Not Subordinated"** means an obligation that is not Subordinated to (i) the most senior Benchmark Obligation in priority of payment or (ii) if no Benchmark Obligation is specified in the applicable Final Terms, any unsubordinated Borrowed Money obligation of the Reference Entity. For purposes of determining whether an obligation satisfies the "Not Subordinated" Obligation Characteristic or Deliverable Obligation Characteristic, the ranking in priority of payment of each Benchmark Obligation shall be determined as of the later of (A) the Trade Date specified in the applicable Final Terms and (B) the date on which such Benchmark Obligation was issued or incurred and shall not reflect any change to such ranking in priority of payment after such later date.

- (d) For purposes of the Credit Linked W&C Conditions:
  - (i) each reference in the Credit Linked W&C Conditions to "a Deliverable Obligation" and "the Deliverable Obligation" shall be deemed to be a reference to "a Reference Obligation" and "the Reference Obligation" respectively; and
  - (ii) each reference in the Credit Linked W&C Conditions to "a Delivery Date" and "the Delivery Date" shall be deemed to be a reference to the date of selection of the relevant Reference Obligation.
- (e) For the avoidance of doubt, if Credit Linked W&C Condition 16 is specified as applicable in the applicable Final Terms Credit Linked W&C Condition 5 is not applicable and the Instruments shall, following the occurrence of an Event Determination Date, be settled in accordance with Credit Linked W&C Condition 4, and these Credit Linked W&C Conditions shall be construed accordingly.
- (f) If the Calculation Agent selects more than one Reference Obligation, such Reference Obligations shall have an Outstanding Principal Balance or Due and Payable Amount (or the equivalent Currency Amount of any such amount) that, in aggregate, shall not exceed the Reference Entity Notional Amount in respect of the relevant Reference Entity.

- (g) With respect to a Reference Entity and the related Final Price Calculation Date, the "Final Price" shall be the weighted average of the Final Prices determined for each Reference Obligation in respect of the relevant Reference Entity, weighted by reference to the Reference Portfolio of each such Reference Obligation.
- (h) For the purposes of Credit Linked W&C Condition 16(a)(ii), Benchmark Obligation means each Reference Obligation specified in respect of the relevant Reference Entity, unless otherwise specified in the applicable Final Terms.

#### 17. **Nth-to-Default Instruments**

Where the Instruments are Nth-to-Default Instruments:

- (a) where a succession has occurred in respect of a Reference Entity (other than a Reference Entity in respect of which an Event Determination Date has occurred) and more than one Successor has been identified, the applicable Instruments will be equally divided into a number of notional Credit Linked Warrants or Credit Linked Certificate, as applicable, as there are Successors. Each such notional Credit Linked Warrants or Credit Linked Certificates, as applicable, shall include a Successor and each and every one of the Reference Entities unaffected by such succession shall apply thereto;
- (b) if "Substitution" is specified as not being applicable in the applicable Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to a succession) would be a Successor to any other Reference Entity (the "**Legacy Reference Entity**") pursuant to a succession, such Surviving Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity; and
- (c) if "Substitution" is specified as being applicable in the applicable Final Terms, where any Reference Entity (the "**Surviving Reference Entity**") (other than a Reference Entity that is subject to a succession) would be a Successor to any other Reference Entity (the "**Legacy Reference Entity**") pursuant to a succession:
  - (i) such Surviving Reference Entity shall be deemed not to be a Successor to the Legacy Reference Entity; and
  - (ii) the Replacement Reference Entity shall be deemed to be a Successor to the Legacy Reference Entity.

#### 18. **Provisions taken from the CoCo Supplement to the 2014 ISDA Credit Derivatives Definitions (published on 15 September 2014)**

If Credit Linked W&C Condition 20 is specified as applicable in the applicable Final Terms, notwithstanding anything to the contrary in the Credit Linked W&C Conditions, the following provisions will apply:

- (a) The following additional definitions shall apply:

**"CoCo Provision"** means, with respect to an Obligation, a provision which requires (i) a permanent or temporary reduction of the amount of principal payable at redemption or (ii) a conversion of principal into shares or another instrument, in each case, if the Capital Ratio is at or below the Trigger Percentage.

**"CoCo Supplement"** means the CoCo Supplement to the 2014 ISDA Credit Derivatives Definitions (published on 15 September 2014).

**"Capital Ratio"** means the ratio of capital to risk weighted assets applicable to the Obligation, as described in the terms thereof in effect from time to time.

- (b) A CoCo Provision shall be deemed to be a provision which permits a Governmental Intervention for all purposes under the Credit Linked W&C Conditions.
- (c) If, with respect to one or more Obligations and in relation to an aggregate amount of not less than the Default Requirement, the operation of one or more CoCo Provisions results in (i) a permanent or temporary reduction of the amount of principal payable at redemption or (ii) a conversion of principal into shares or another instrument, such event shall be deemed to constitute a Governmental Intervention falling within subparagraph (a) of the definition thereof.

**19. Provisions taken from the 2014 Sovereign No Asset Package Delivery Supplement to the 2014 ISDA Credit Derivatives Definitions (published on September 15 2014)**

If Credit Linked W&C Condition 21 is specified as applicable in respect of a Reference Entity in the applicable Final Terms, the following provision shall apply in respect of such Reference Entity for purposes of the Instruments and the Credit Linked W&C Conditions:

The last paragraph of the definition of "Asset Package Credit Event" is hereby amended by the addition of the following at the end thereof: "Notwithstanding the above, it shall be deemed that no Package Observable Bond exists with respect to a Reference Entity that is a Sovereign (even if such a Package Observable Bond has been published by ISDA and accordingly, Asset Package Delivery shall not apply thereto)."

**20. Physical Settlement Matrix**

Where a Transaction Type is specified in the applicable Final Terms in respect of any Reference Entity, then the provisions of such Final Terms shall apply with respect to such Reference Entity in accordance with the Physical Settlement Matrix as it applies to such Transaction Type, as though such Physical Settlement Matrix were set out in full in such Final Terms. Certain additional provisions or supplements may be deemed to apply to the Credit Linked W&C Conditions in respect of a Reference Entity if those provisions or supplements are specified as being applicable for the relevant Reference Entity in the Credit Derivatives Physical Settlement Matrix and the provisions of the Credit Linked W&C Conditions shall be construed as if those additional provisions or supplements had been included in the Credit Linked W&C Conditions with such amendments as the Calculation Agent deems necessary to give effect to those provisions.

**21. Notices to Holders**

The Issuer shall, upon receiving any of the following notices from the Calculation Agent, as soon as practicable forward a copy of such notice(s) to the Holders of the relevant Instruments:

- (a) an Extension Notice;
- (b) a Cancellation Notice;
- (c) a Credit Event Notice;
- (d) a Notice of Publicly Available Information;

## 22. **Calculation Agent**

Any determination by the Calculation Agent of any amount or of any state of affairs, circumstance, event or other matter, or the formation of any opinion or the exercise of any discretion required or permitted to be determined, formed or exercised by the Calculation Agent pursuant to the Credit Linked W&C Conditions and related provisions shall (in the absence of manifest error) be final and binding on the Issuer, the Guarantor and the Holders and shall be without liability on the part of the Calculation Agent and without the Calculation Agent being obliged to consider the interests of the Issuer, the Guarantor or the Holders. In performing its duties pursuant to the Credit Linked W&C Conditions, the Calculation Agent shall act in its sole and absolute discretion. Any delay, deferral or forbearance by the Calculation Agent in the performance or exercise of any of its obligations or its discretion under the Credit Linked W&C Conditions including, without limitation, the giving of any notice by it to any person, shall not affect the validity or binding nature of any later performance or exercise of such obligation or discretion, and none of the Calculation Agent, the Issuer and the Guarantor shall, in the absence of wilful misconduct and gross negligence, bear any liability in respect of, or consequent upon, any such delay, deferral or forbearance.

For the avoidance of doubt, if the applicable Final Terms specify that "Calculation Agent Determination" is applicable, then notwithstanding any provision in these Credit Linked W&C Conditions, the Issuer and the Calculation Agent shall not be bound to (although they may in their sole discretion) apply any DC Resolution to the Instruments and unless the Calculation Agent notifies the Issuer that any DC Resolution shall apply to the Instruments, the Credit Linked W&C Conditions and the relevant Instruments shall be construed as if the relevant DC Resolution and the relevant DC Question was not made. If the Calculation Agent notifies the Issuer that any DC Resolution shall apply to the Instruments, the Calculation Agent shall have the power to amend or otherwise adjust any provision of these Credit Linked W&C Conditions (including, without limitation any provision relating to the timing of notices hereunder) to account for the application of such DC Resolution.

## 23. **Change in Market Convention**

The Calculation Agent may (but shall not be obliged to), without obtaining the consent of or consulting with the Holders or any other person, from time to time and at any time in its sole and absolute discretion and in good faith, amend any provision of these Credit Linked W&C Conditions or the Instruments:

- (a) (including but not limited to the applicable Transaction Type, Credit Events, Deliverable Obligation Category, and Deliverable Obligation Characteristics and deliverability, Reference Obligation, Successor and other provisions) to correspond with the most recently published ISDA Credit Derivatives Definitions, ISDA Credit Derivatives Physical Settlement Matrix version, SRO List and/or prevailing trading standards applicable to a Reference Entity;
- (b) to incorporate and/or reflect further or alternative documents from time to time published by ISDA with respect to credit derivative transactions and/or the operation or application of determinations by the ISDA Credit Derivatives Determinations Committees which the Calculation Agent determines in a commercially reasonable

manner are necessary to reflect market practice for credit derivative transactions; and/or

- (c) in circumstances where a Reference Entity has proposed an exchange of all or substantially all of the obligations of such Reference Entity into cash, securities and/or other assets, to reflect or account for such exchange, regardless of the credit derivatives definitions or trading standards applicable to such Reference Entity.

The applicable Final Terms may be amended and/or restated from time to time to reflect any such amendments without the consent of the Holders, and the Holders are deemed to agree to this provision by the purchase or acquisition of the Instruments.

#### 24. **Additional Provisions**

- (a) If one or more amendments or adjustments to these Credit Linked W&C Conditions are required for one or more Series of credit linked Instruments, including any issue of Nth-to-Default Instruments or leveraged credit linked instruments, the applicable Final Terms shall set out such amendments or adjustments to these Credit Linked W&C Conditions that are necessary in order to take account of the nature of such instruments and these Credit Linked W&C Conditions shall be construed accordingly.
- (b) Any term defined or described in these Credit Linked W&C Conditions or the applicable Final Terms includes where that term is incorporated or included by reference to another document including (without limitation) where the applicability or otherwise of any particular provision is determined by reference to the Credit Derivatives Physical Settlement Matrix.
- (c) Subject to sub-paragraph (d) below, in order to determine the day on which an event occurs for purposes of these Credit Linked W&C Conditions, the demarcation of days shall be made by reference to Greenwich Mean Time (or, if the Transaction Type of the Reference Entity relates to Japan, Tokyo time), irrespective of the time zone in which such event occurred. Any event occurring at midnight shall be deemed to have occurred immediately prior to midnight.
- (d) Notwithstanding the definition of "Credit Event Notice" and sub-paragraph (c) above, if a payment is not made by the Reference Entity on its due date or, as the case may be, on the final day of the relevant Grace Period, then such failure to make a payment shall be deemed to have occurred on such day prior to midnight Greenwich Mean Time (or, if the Transaction Type of the Reference Entity relates to Japan, Tokyo time), irrespective of the time zone of its place of payment.

#### 25. **Additional Disruption Events**

- (a) Following the determination by the Calculation Agent that an Additional Disruption Event has occurred, the Issuer in its sole and absolute discretion may take the action described in (i) or (ii) below:
  - (i) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of the Terms and Conditions and/or the applicable Final Terms to account for the Additional Disruption Event and determine the effective date of that adjustment; or
  - (ii) in the case of Credit Linked Warrants, give notice to Holders in accordance with W&C Instruments Condition 12 and cancel the Credit Linked Warrants. If the Credit Linked Warrants are so cancelled, the Issuer will pay an amount to each Holder in respect of each Credit Linked Warrant held by him, which amount shall be the fair market value of a Credit Linked Warrant, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion.

Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12; or

- (iii) in the case of Credit Linked Certificates, give notice to Holders in accordance with W&C Instruments Condition 12 and cancel the Credit Linked Certificates. If the Credit Linked Certificates are so cancelled, the Issuer will pay an amount to each Holder in respect of each Credit Linked Certificate held by him, which amount shall be the fair market value of a Credit Linked Certificate, taking into account the Additional Disruption Event less the cost to the Issuer and/or any of its Affiliates or agents of unwinding any underlying related hedging arrangements (including any cost of funding in respect of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payments will be made in such manner as shall be notified to the Holders in accordance with W&C Instruments Condition 12.
- (b) Upon the occurrence of an Additional Disruption Event, the Issuer shall give notice as soon as practicable to the Holders in accordance with W&C Instruments Condition 12 stating the occurrence of the Additional Disruption Event giving details thereof and the action proposed to be taken in relation thereto provided that any failure to give, or non-receipt of, such notice will not affect the validity of the Additional Disruption Event.
- (c) For these purposes:

**"Additional Disruption Event"** means any of Change in Law, Hedging Disruption, and/or Increased Cost of Hedging, in each case if specified in the applicable Final Terms.

**"Change in Law"** means that, on or after the Trade Date (i) due to the adoption of or any change in any applicable law or regulation (including, without limitation, any tax law), or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority), the Calculation Agent determines in its sole and absolute discretion that (A) it has become illegal to hold, acquire or dispose of any relevant asset, hedge or related trading position or (B) the Issuer and/or any of its Affiliates or agents will incur a materially increased cost in performing the obligations of the Issuer in relation to the Instruments (including, without limitation, due to any increase in tax liability, decrease in tax benefit or other adverse effect on its tax position).

**"Hedging Disruption"** means that the Issuer and/or any of its Affiliates or agents is unable, after using commercially reasonable efforts, to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity, price, credit or other risk of the Issuer issuing and performing its obligations with respect to the Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s).

**"Increased Cost of Hedging"** means that the Issuer and/or any of its Affiliates or agents would incur a materially increased (as compared with circumstances existing on the Trade Date) amount of tax, duty, expense or fee (other than brokerage commissions) to (i) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the equity, price, credit or other risk of the Issuer issuing and performing its obligations with respect to the Instruments, or (ii) realise, recover or remit the proceeds of any such transaction(s) or asset(s), provided that any such materially increased amount that is incurred solely due to the deterioration of the creditworthiness of the Issuer and/or any of its Affiliates or agents shall not be deemed an Increased Cost of Hedging.

## ANNEX 10

## ADDITIONAL TERMS AND CONDITIONS FOR PHYSICAL DELIVERY NOTES

1. **Interpretation**

The following provisions (the "**Physical Delivery Note Conditions**") apply to Notes specified as being Physical Delivery Notes in the applicable Final Terms or where Physical Delivery is specified in the applicable Final Terms.

References in the Physical Delivery Note Conditions to "delivery", "delivered" and "deliver" shall in the context of the delivery of the Entitlement in respect of Credit Linked Notes be deemed to be references to "Delivery", "Delivered" and "Deliver" as such terms are defined and construed in the Credit Linked Note Conditions.

2. **Delivery of Entitlement and Asset Transfer Notices**

In order to obtain delivery of the Entitlement(s) in respect of any Note:

- (a) if such Note is represented by a Global Note, the relevant Holder must deliver to Euroclear or Clearstream, Luxembourg (as applicable), with a copy to the Principal Paying Agent and the Issuer not later than the close of business in each place of reception on the Cut-Off Date, a duly completed Asset Transfer Notice substantially in the form set out in the English Law Agency Agreement or New York Law Agency Agreement, as applicable (each, an "**Asset Transfer Notice**"); or
- (b) if such Note is in definitive form, the relevant Holder must deliver to any Paying Agent, with a copy to the Principal Paying Agent and the Issuer not later than the close of business in each place of receipt on the Cut-Off Date, a duly completed Asset Transfer Notice.

Forms of the Asset Transfer Notice may be obtained during normal business hours from the specified office of any Instrument Agent.

An Asset Transfer Notice may only be delivered (a) if such Note is represented by a Global Note, in such manner as is acceptable to Euroclear or Clearstream, Luxembourg, as the case may be, or (b) if such Note is in definitive form in writing or such other form acceptable to the Principal Paying Agent.

If such Note is in definitive form, such Note must be delivered together with the duly completed Asset Transfer Notice.

The Issuer shall at the risk of the relevant Holder deliver the Entitlement in respect of each Note or, in the case of Credit Linked Notes, Deliver the Deliverable Obligations comprising the Entitlement in such commercially reasonable manner as the Issuer shall, in its sole discretion, determine to be appropriate for such delivery.

All expenses including any applicable depositary charges, transaction or exercise charges, stamp duty, stamp duty reserve tax, issue, registration, securities, transfer and/or other taxes or duties (together "**Expenses**") arising from the redemption of the Notes and the delivery of any Entitlement shall be for the account of the relevant Holder and no delivery and/or transfer of any Entitlement shall be made until all Expenses have been paid to the satisfaction of the Issuer by the relevant Holder.

An Asset Transfer Notice must:

- (a) specify the name, address and contact telephone number of the relevant Holder and the person from whom the Issuer may obtain details for the delivery of the Entitlement if such delivery is to be made otherwise than in the manner specified in the applicable Final Terms;

- (b) in the case of Notes represented by a Global Note, specify the nominal amount of Notes which are the subject of such notice and the number of the Holder's account at Euroclear or Clearstream, Luxembourg, as the case may be, to be debited with such Notes and irrevocably instruct and authorise Euroclear or Clearstream, Luxembourg, as the case may be, to debit the relevant Holder's account with such Notes on or before the Maturity Delivery Date (as defined below) or, in the case of Credit Linked Notes, the Credit Settlement Date;

- (e) certify that the beneficial owner of each Note is not a U.S. person (as defined by Regulation S under the Securities Act) (in the case of Notes issued by BAC) or a United States Person (as defined in the Asset Transfer Notice) (in the case of Notes issued by MLBV); the Note is not being redeemed within the United States or on behalf of a U.S. person (in the case of Notes issued by BAC) or a United States Person (in the case of Notes issued by MLBV); and no cash, securities or other property have been or will be delivered within the United States or to, or for the account or benefit of, a U.S. person (in the case of Notes issued by BAC) or a United States Person (in the case of Notes issued by MLBV) in connection with any redemption thereof, provided that, in the case of Notes issued by BAC, such certification as to no beneficial ownership by a U.S. person will only be required for any Asset Transfer Notice delivered prior to the fortieth day after the completion of the distribution of the relevant Tranche; and
- (f) authorise the production of such notice in any applicable administrative or legal proceedings.

No Asset Transfer Notice may be withdrawn after receipt thereof by Euroclear, Clearstream, Luxembourg or a Paying Agent as provided above. After delivery of an Asset Transfer Notice, the relevant Holder may not transfer the Notes which are the subject of such notice.

In the case of Notes represented by a Global Note, upon receipt of such notice, Euroclear or Clearstream, Luxembourg, as the case may be, shall verify that the person specified therein as the Holder is the holder of the specified nominal amount of Notes according to its books.

Subject thereto, Euroclear or Clearstream, Luxembourg, as the case may be, will confirm to the Principal Paying Agent the Series number and number of Notes the subject of such notice, the relevant account details (if applicable) and the details for the delivery of the Entitlement in respect of each such Note. Upon receipt of such confirmation, the Principal Paying Agent will inform the Issuer thereof. Euroclear or Clearstream, Luxembourg, as the case may be, will on or before the Maturity Delivery Date or Credit Settlement Date, as the case may be, debit the securities account of the relevant Holder with the Notes the subject of the relevant Asset Transfer Notice.

Failure properly to complete and deliver an Asset Transfer Notice may result in such notice being treated as null and void. Any determination as to whether such notice has been properly completed and delivered as provided in the Physical Delivery Note Conditions shall be made,

in the case of Notes represented by a Global Note, by Euroclear or Clearstream, Luxembourg, as the case may be, after consultation with the Principal Paying Agent and the Issuer and shall be conclusive and binding on the Issuer, (in the case of Notes issued by MLBV) the Guarantor and the relevant Holder or in the case of Notes in definitive form, by the relevant Paying Agent after consultation with the Principal Paying Agent and the Issuer and shall be conclusive and binding on the Issuer, the Guarantor and the relevant Holder.

If such Asset Transfer Notice is subsequently corrected to the satisfaction of Euroclear or Clearstream, Luxembourg, as the case may be, or the relevant Paying Agent, in each case in consultation with the Principal Paying Agent and the Issuer, it shall be deemed to be a new Asset Transfer Notice submitted at the time such correction was delivered as provided above.

Euroclear, Clearstream, Luxembourg or the relevant Paying Agent, as applicable, shall use its best efforts promptly to notify the Holder submitting an Asset Transfer Notice if, in consultation with the Principal Paying Agent and the Issuer, it has determined that such Asset Transfer Notice is incomplete or not in proper form. In the absence of negligence or wilful misconduct on its part, none of the Issuer, (in the case of Notes issued by MLBV) the Guarantor, the Paying Agents, Euroclear, Clearstream, Luxembourg and the Principal Paying Agent shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

The Entitlement will be delivered at the risk of the relevant Holder, in the manner provided above on the Maturity Date (such date, subject to adjustment in accordance with these Physical Delivery Note Conditions, the "**Maturity Delivery Date**") or, in the case of Credit Linked Notes, in the manner provided above on the Credit Settlement Date, provided that the Asset Transfer Notice is duly delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent, as the case may be, with a copy to the Principal Paying Agent and the Issuer, as provided above, not later than the close of business in each place of receipt on the Cut-Off Date.

If an Asset Transfer Notice is delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent, as the case may be, with a copy to the Principal Paying Agent and the Issuer, later than the close of business in each place of receipt on the Cut-Off Date, then the Entitlement will be delivered as soon as practicable after the Maturity Date (in which case, such date of delivery shall be the Maturity Delivery Date) or, in the case of Credit Linked Notes, the Credit Settlement Date at the risk of such Holder in the manner provided above. Provided that if in respect of a Note an Asset Transfer Notice is not delivered to Euroclear, Clearstream, Luxembourg or a Paying Agent, as the case may be, with a copy to the Principal Paying Agent and the Issuer, later than the close of business in each place of receipt on the 90th calendar day following the Cut-Off Date the Issuer's obligations in respect of such Note and (in the case of Notes issued by MLBV) the Guarantor's obligations in respect of the relevant Guarantee in respect of such Note shall be discharged and no further liability in respect thereof shall attach to the Issuer or (in the case of Notes issued by MLBV) the Guarantor. For the avoidance of doubt, in such circumstances such Holder shall not be entitled to any payment, whether of interest or otherwise, as a result of such Maturity Delivery Date or the Credit Settlement Date, as the case may be, falling after the originally designated Maturity Delivery Date or Credit Settlement Date, as the case may be, and no liability in respect thereof shall attach to the Issuer or (in the case of Notes issued by MLBV) the Guarantor.

Delivery of the Entitlement in respect of the Notes is subject to all applicable laws, regulations and practices in force on the Maturity Delivery Date or the Credit Settlement Date, as the case may be, and none of the Issuer, (in the case of Notes issued by MLBV) the Guarantor and any of its Affiliates or agents and the Paying Agents shall incur any liability whatsoever if it is unable to effect the transactions contemplated, after using all reasonable efforts, as a result of any such laws, regulations or practices. None of the Issuer, (in the case of Notes issued by MLBV) the Guarantor and any of its Affiliates or agents and the Paying Agents shall under any circumstances be liable for any acts or defaults of Euroclear or Clearstream, Luxembourg in relation to the performance of their duties in relation to the Notes.

For such period of time after the Maturity Delivery Date or Credit Settlement Date, as the case may be, as any person other than the relevant Holder shall continue to be the legal owner of

the securities, obligations or Deliverable Obligations comprising the Entitlement (the "**Intervening Period**"), none of the Issuer, (in the case of Notes issued by MLB) the Guarantor nor any other such person shall (a) be under any obligation to deliver or procure delivery to the relevant Holder or any subsequent beneficial owner of such Note any letter, certificate, notice, circular or any other document or, except as provided herein, payment whatsoever received by that person in respect of such securities, obligations or Deliverable Obligations, (b) be under any obligation to exercise or procure exercise of any or all rights (including voting rights) attaching to such securities, obligations or Deliverable Obligations during the Intervening Period or (c) be under any liability to the relevant Holder, or any subsequent beneficial owner of such Note in respect of any loss or damage which the relevant Holder, or subsequent beneficial owner may sustain or suffer as a result, whether directly or indirectly, of that person being the legal owner of such securities, obligations or Deliverable Obligations during such Intervening Period.

Where the Entitlement comprises Shares, any dividend or other distribution in respect of such Entitlement will be payable to the party that would receive such dividend or other distribution according to market practice for a sale of the Share executed on the Maturity Delivery Date and to be delivered in the same manner as the Entitlement. Any such dividend or other distribution to be paid to a Holder shall be paid to the account specified in the relevant Asset Transfer Notice.

Except in the case of Credit Linked Notes, where the Entitlement is, in the determination of the Issuer, an amount other than an amount of Relevant Assets capable of being delivered, the Holders will receive an Entitlement comprising of the nearest number (rounded down) of Relevant Assets capable of being delivered by the Issuer (taking into account that a Holder's entire holding may be aggregated at the Issuer's discretion for the purpose of delivering the Entitlements), and in respect of the amount of Relevant Assets not capable of being delivered, an amount in the Specified Currency which shall be the value of the amount of the Relevant Assets so rounded down, as calculated by the Calculation Agent in its sole discretion from such source(s) as it may select (converted if necessary into the Specified Currency by reference to such exchange rate as the Calculation Agent deems appropriate).

### 3. **Settlement Disruption Event**

The provisions of this Physical Delivery Note Condition 3 shall apply to Physical Delivery Notes other than Credit Linked Notes.

If, prior to the delivery of the Entitlement in accordance with these Physical Delivery Note Conditions, a Settlement Disruption Event is subsisting, then the Maturity Delivery Date in respect of such Note shall be postponed until the next Settlement Business Day on which no Settlement Disruption Event is subsisting and notice thereof shall be given to the relevant Holder, in accordance with Note Condition 14. Such Holder shall not be entitled to any payment, whether of interest or otherwise, on such Note as a result of any delay in the delivery of the Entitlement pursuant to these Physical Delivery Note Conditions. Where delivery of the Entitlement has been postponed as provided in the Physical Delivery Note Conditions the Issuer shall not be in breach of these Conditions and no liability in respect thereof shall attach to the Issuer or (in the case of Notes issued by MLB) the Guarantor.

For so long as delivery of the Entitlement in respect of any Note is not practicable by reason of a Settlement Disruption Event, then in lieu of physical settlement and notwithstanding any other provision hereof, the Issuer may elect in its sole discretion to satisfy its obligations in respect of the relevant Note by payment to the relevant Holder of the Disruption Cash Settlement Price not later than on the third Business Day following the date that the notice of such election (the "**Election Notice**") is given to the Holders in accordance with Note Condition 14.

### 4. **Failure to Deliver due to Illiquidity**

The provisions of this Physical Delivery Note Condition 4 shall apply to Physical Delivery Notes other than Credit Linked Notes.

If Failure to Deliver due to Illiquidity is specified as applying in the applicable Final Terms and, in the opinion of the Calculation Agent, it is impossible or impracticable to deliver, when due, some or all of the Relevant Assets comprising the Entitlement (the "**Affected Relevant Assets**"), where such failure to deliver is due to illiquidity in the market for the Relevant Assets (a "**Failure to Deliver due to Illiquidity**"), then:

- (a) subject as provided elsewhere in the Physical Delivery Note Conditions and/or the applicable Final Terms, any Relevant Assets which are not Affected Relevant Assets, will be delivered on the originally designated Maturity Delivery Date in accordance with the Physical Delivery Note Conditions; and
- (b) in respect of any Affected Relevant Assets, notwithstanding any other provision hereof, the Issuer may elect in its sole discretion, in lieu of delivery of the Affected Relevant Assets, to pay to the relevant Holder the Failure to Deliver Settlement Price (as defined below) on the fifth Business Day following the date the Failure to Deliver Notice (as defined below) is given to the Holders in accordance with Note Condition 14. The Issuer shall give notice (such notice a "**Failure to Deliver Notice**") as soon as reasonably practicable to the Holders in accordance with Note Condition 14 that the provisions of this Physical Delivery Note Condition 4 apply.

#### 5. **Option to Vary Settlement**

The provisions of this Physical Delivery Note Condition 5 shall apply to Physical Delivery Notes other than Credit Linked Notes.

If the applicable Final Terms indicate that the Issuer has an option to vary settlement in respect of the Notes, the Issuer may at its sole and unfettered discretion in respect of each such Note, elect not to pay the relevant Holders the Final Redemption Amount or to deliver or procure delivery of the Entitlement to the relevant Holders, as the case may be, but, in lieu thereof to deliver or procure delivery of the Entitlement or make payment of the Final Redemption Amount on the Maturity Date to the relevant Holders, as the case may be. Notification of such election will be given to Holders in accordance with Note Condition 14.

#### 6. **Additional Provisions for Credit Linked Notes**

The provisions of this Physical Delivery Note Condition 6 shall apply to Credit Linked Notes.

In the event of any inconsistency between (a) the W&C Instruments Conditions and (b) the Rule 144A Warrant Conditions, the Rule 144A Warrant Conditions shall prevail. In the event of any inconsistency between (a) the W&C Instruments Conditions and/or the Rule 144A Warrant Conditions and (b) the applicable Final Terms, the applicable Final Terms will prevail.

Any reference herein to Euroclear and/or Clearstream, Luxembourg or DTC shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system approved by the Issuer and the Principal Warrant Agent from time to time and notified to the Holders in accordance with W&C Instruments Condition 12 (*Notices*).

## 2. Form

Unsecured Warrants in registered form may be offered and sold in private transactions exclusively in the United States or to, or for the account or benefit of, United States Persons ("**Rule 144A Global Warrant**") in reliance on Rule 144A ("**Rule 144A**") under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), only to persons who are "qualified institutional buyers" (as defined in Rule 144A) ("**QIBs**") and who are also each a "qualified purchaser" (each a "**QP**") within the meaning of Section 3(c)(7) and as defined in Section 2(a)(51) of the U.S. Investment Company Act of 1940, as amended (the "**1940 Act**"), and the rules thereunder, and who, as a condition to purchasing such Warrants will enter into and remain in compliance with an Investor Representation Letter for the benefit of the Dealer, the Issuer and the Guarantor (together with their respective affiliates and any persons controlling, controlled by or under common control with such Dealer, Issuer or Guarantor) in which they represent and agree, among other things, to purchase such Warrants for their own account and not with a view to the distribution thereof (each letter, for the benefit of such parties, an "**Investor Representation Letter**"). If specified in the applicable Final Terms, unsecured Warrants in registered form may be offered and sold concurrently (a) in the United States or to, or for the account or benefit of, United States Persons, in each case to persons who are QIBs and who are also each a QP, and who, as a condition to purchasing the Warrants will enter into and remain in compliance with an Investor Representation Letter and (b) outside the United States to non-United States Persons in an offshore transaction pursuant to Regulation S under the Securities Act ("**Regulation S/Rule 144A Global Warrant**").

Interests in a Rule 144A Global Warrant or a Regulation S/Rule 144A Global Warrant will be exchangeable, in whole but not in part, for Warrants in definitive registered form ("**Definitive Registered Warrants**") only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (a) in the case of Warrants represented by a Rule 144A Global Warrant held through DTC, either DTC has notified the Issuer that it is unwilling or unable to continue as a depositary for that Rule 144A Global Warrant held through DTC and no alternative clearing system is available, or DTC has ceased to be a "clearing agency" registered under the U.S. Securities Exchange Act of 1934, as amended, and no alternative clearing system is available, (b) in the case of Warrants registered in the name of a nominee of the Common Depositary, the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have been closed for business for a continuous period of 14 calendar days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any such case, no successor clearing system is available or (c) the Issuer or the Guarantor has or will become subject to adverse tax

consequences which would not be suffered were the Warrants held in definitive form. The Issuer will give notice of any such Exchange Event to the Holders in accordance with W&C Instruments Condition 12 (*Notices*).

In the case of Warrants represented by a Regulation S/Rule 144A Global Warrant or a Rule 144A Global Warrant held through Euroclear or Clearstream, Luxembourg, such Warrants will be registered in the name of a nominee for, and will be deposited with, the Common Depositary.

Subject to mandatory rules of law, title to Rule 144A Global Warrants and Regulation S/Rule 144A Global Warrants will pass by registration of the transfer in the Register maintained by the U.S. Warrant Agent or the Registrar, as applicable, in accordance with the provisions of the English Law Agency Agreement. Beneficial ownership of interests in a Rule 144A Global Warrant or a Regulation S/Rule 144A Global Warrant will be determined in accordance with the rules and procedures of DTC, Euroclear or Clearstream, Luxembourg, as applicable.

Subject as set forth in this Rule 144A Warrant Condition 4, each person who is for the time being shown in the records of DTC as the holder of a particular number of Warrants represented by a Rule 144A Global Warrant shall be treated by the Issuer, the Guarantor and any Instrument Agent as the holder of such number of such Warrants for all purposes (and the expressions **"Holder"** and **"holder of Warrants"** and related expressions shall be construed accordingly). For as long as the Warrants are represented by a Global Warrant held through Euroclear and/or Clearstream, Luxembourg, each person who is for the time being shown in the records of Euroclear and/or Clearstream, Luxembourg as the holder of a particular number of Warrants (in which regard any certificate or other document issued by such Clearing System as to the number of Warrants standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer, the Guarantor or the Registrar and any relevant Instrument Agent as the holder of such number of Warrants for all purposes (and the expressions **"Holder"** and **"holder of Warrants"** and related expressions shall be construed accordingly).

5. **Transfers**

(a) Transfers of Warrants represented by a Global Warrant may only be made in accordance with any applicable rules and regulations of the U.S. Warrant Agent, DTC, Euroclear and/or Clearstream, Luxembourg, and the following provisions:

(i) any sales, transfers to or exchanges with a person who takes delivery in the form of Warrants represented by a Regulation S/Rule 144A Global Warrant may only

- be made if such sale, transfer or exchange is being made either (x) between or among non-United States Persons in an offshore transaction pursuant to Regulation S under the Securities Act or (y) by United States Persons to or through the Issuer or the Dealer (I) in the United States to a QIB who is also a QP or (II) to, or for the account or benefit of, a United States Person who is a QIB and who is also a QP, in either case of (I) or (II), who is acquiring such Warrants in a transaction meeting the requirements of Rule 144A, and who enters into and remains in compliance with an Investor Representation Letter; or

- (b) All transactions (which transactions shall include transfers of Warrants represented by a Rule 144A Global Warrant or a Regulation S/Rule 144A Global Warrant, and transfers of Warrants in definitive form) (a) to a person in the United States or (b) to, or for the account or benefit of, a United States Person, in either case who is a QIB and also a QP and, who takes delivery of Warrants represented by a Rule 144A Global Warrant or a Regulation S/Rule 144A Global Warrant in the open market or otherwise may only be effected to or through the Issuer or the Dealer, and shall only be effective if, as a condition to such transfer of the Warrants, the transferee enters into and remains in compliance with an Investor Representation Letter (which must be duly executed by such proposed transferee or such transferee's attorney duly authorised in writing at least three New York Business Days prior to the date the transfer of such Warrants is desired).
  - (c) In the case of sales, transfers or exchanges of Global Warrants, the Holder must send:
    - (i) (in the case of Warrants represented by a Regulation S/Rule 144A Global Warrant or Rule 144A Global Warrant held through Euroclear and/or Clearstream, Luxembourg) to Euroclear and/or Clearstream, Luxembourg, as the case may be, a free of payment instruction not later than 10.00 a.m. (Brussels or Luxembourg time, as the case may be) one Brussels Business Day or Luxembourg Business Day, as the case may be, prior to the date on which the sale, transfer or exchange is to take effect; and
    - (ii) (in the case of Warrants represented by a Rule 144A Global Warrant held through DTC) to DTC a free of payment instruction at least two New York Business Days prior to the date on which the sale, transfer or exchange is to take effect.

In the case of a transfer, separate payment arrangements are required to be made between the transferor and the transferee.

On the sale, transfer or exchange date, Euroclear or Clearstream, Luxembourg, or DTC, as the case may be, will debit the account of its transferor-participant and will instruct (a), in the case of sales, transfers to or exchanges with a person who takes delivery of Warrants represented by a Regulation S/Rule 144A Global Warrant or a Rule 144A Global Warrant held through Euroclear and/or Clearstream, Luxembourg, the Principal Warrant Agent to credit the relevant account of the transferee-Euroclear or Clearstream, Luxembourg participant, as the case may be, or (b) in the case of sales, transfers to or exchanges with a person who takes delivery of Warrants represented by a Rule 144A Global Warrant held through DTC, the U.S. Warrant Agent to credit the relevant account of the transferee-DTC participant.

- (d) No beneficial owner of a Rule 144A Global Warrant will be able to transfer such interest, except in accordance with the applicable procedures of DTC, Euroclear or Clearstream, Luxembourg, as applicable. A beneficial interest in a Rule 144A Global Warrant will, subject to compliance with all applicable legal and regulatory restrictions, be exchangeable for Warrants in definitive form only (a) upon the occurrence of an Exchange Event, (b) in accordance with the rules and procedures for the time being of DTC, Euroclear and Clearstream, Luxembourg, as the case may be, and (c) in accordance with the terms and conditions specified in the English Law Agency Agreement. Transfers of a Rule 144A Global Warrant held through DTC shall be limited to transfers of such Rule 144A Global Warrant, in whole but not in part, to another nominee of DTC or to a successor of DTC or such successor's nominee. For so long as the Warrants are represented by a Regulation S/Rule 144A Global Warrant or a Rule 144A Global Warrant held through Euroclear or Clearstream, Luxembourg, all permitted transfers of such Warrants must be effected through an account at Euroclear or Clearstream, Luxembourg.
- (e) Subject as provided in these Rule 144A Warrant Conditions, upon the terms and subject to the conditions set forth in the English Law Agency Agreement, a Warrant in definitive form may be transferred in whole or in part. In order to effect any such transfer, (i) the holder or holders must (A) surrender the Warrant for registration of the transfer of the Warrant (or the relevant part of the Warrant) at the specified office of the U.S. Warrant Agent or the Principal Warrant Agent, as applicable, with a form of transfer duly completed and executed by the person shown as the registered holder on the Register, or its attorney duly authorised in writing and (B) complete and deposit such other certifications or evidence as may be required by the U.S. Warrant Agent or the Principal Warrant Agent, as applicable, the Issuer or the Guarantor and (ii) the U.S. Warrant Agent or the Principal Warrant Agent, as applicable, must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request. Any such transfer will be subject to such reasonable regulations as the Issuer, the Guarantor and the U.S. Warrant Agent or the Principal Warrant Agent, as applicable, may from time to time prescribe. Subject to the provisions above, the U.S. Warrant Agent or the Principal Warrant Agent, as applicable, will, within three business days (being for this purpose a day on which banks are open for business in the city where the specified office of the U.S. Warrant Agent or the Principal Warrant Agent, as applicable, is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new certificate representing such Warrant in definitive form of the same aggregate amount of the Warrant (or the relevant part of the Warrant) transferred. In the case of the transfer of part only of a Warrant in definitive form, a new certificate representing such Warrant in definitive form in respect of the balance of the Warrant not transferred will be so authenticated and delivered or (at the risk of the transferor) sent to the transferor. The U.S. Warrant Agent or the Principal Warrant Agent, as applicable, shall record such transfer, and make appropriate notations, in the Register to reflect such transfer.
- (f) Any attempted sale, transfer or exchange in which the proposed sale, transfer or exchange was not effected in accordance with the foregoing procedures shall not be valid or binding on the Issuer or the Guarantor. In addition, if any Instrument Agent subsequently determines or is subsequently notified by the Issuer that (i) a sale, transfer or exchange, or attempted or purported sale, transfer or exchange, of any interest in a Warrant was consummated on the basis of an incorrect certification from the transferee or purported transferee as set forth in the relevant Investor Representation Letter, (ii) the holder of any interest in a Warrant was in breach, at the time given, of any representation or agreement set forth in any Investor Representation Letter or any deemed representation or agreement of such holder, or (iii) a sale, transfer or exchange, or attempted sale, transfer or exchange, of any interest in a Warrant was consummated which did not comply with the transfer restrictions set forth in this Rule 144A Warrant Condition 5 the purported transfer shall be absolutely null and void *ab initio* and shall

vest no rights in the purported transferee (such purported transferee, a "**Disqualified Transferee**") and the last preceding holder of such interest that was not a Disqualified Transferee shall be restored to all rights as a holder thereof retroactively to the date of transfer of such interest by such holder.

## 6. Exercise Rights

### (A) *American Style Warrants*

If Automatic Exercise is not specified in the applicable Final Terms, in the case of American Style Warrants represented by a Rule 144A Global Warrant held through DTC, any such American Style Warrants with respect to which no Exercise Notice has been delivered in the manner set out in Rule 144A Warrant Condition 7 (*Exercise Procedure*), at or prior to 5.00 p.m., New York City time, on the New York Business Day immediately preceding the Expiration Date, shall become void.

If Automatic Exercise is specified in the applicable Final Terms, in the case of American Style Warrants represented by a Rule 144A Global Warrant held through DTC, any such American Style Warrant with respect to which no Exercise Notice has been delivered in the manner set out in Rule 144A Warrant Condition 7 (*Exercise Procedure*), at or prior to 5.00 p.m., New York City time, on the New York Business Day immediately preceding the Expiration Date and which is in the determination of the Calculation Agent "In-The-Money" shall be automatically exercised on the Expiration Date, but payment or delivery of the Entitlement is subject to the delivery of a duly completed Exercise Notice as set forth in Rule 144A Warrant Condition 8 (*Automatic Exercise*). In such event, the provisions of Rule 144A Warrant Condition 8 (*Automatic Exercise*) shall apply.

In the case of American Style Warrants represented by a Rule 144A Global Warrant held through DTC, (a) the Exercise Business Day immediately succeeding the New York Business Day on which an Exercise Notice is received prior to 5.00 p.m., New York City time, by the U.S. Warrant Agent and a copy thereof is delivered to Merrill Lynch International and the Principal Warrant Agent, or (b) if Automatic Exercise is specified in the applicable Final Terms and the Warrants are automatically exercised on the Expiration Date as provided above, then such Expiration Date is referred to herein as the "**Actual Exercise Date**". If any such Exercise Notice is received by the U.S. Warrant Agent, or if a copy thereof is delivered to Merrill Lynch International and the Principal Warrant Agent after 5.00 p.m., New York City time, on any New York Business Day, such Exercise Notice will be deemed to have been given on the next New York Business Day and the Exercise Business Day immediately succeeding such next New York Business Day shall be deemed to be the Actual Exercise Date; provided that any such Warrants in respect of which no Exercise Notice has been delivered in the manner set out in Rule 144A Warrant Condition 7 (*Exercise Procedure*), at or prior to 5.00 p.m., New York City time, on the New York Business Day immediately preceding the Expiration Date shall (i) if Automatic Exercise is not specified in the applicable Final Terms, become void or (ii), if Automatic Exercise is specified in the applicable Final Terms, be automatically exercised or expire on the Expiration Date as provided above and in Rule 144A Warrant Condition 8 (*Automatic Exercise*).

In the case of American Style Warrants represented by a Rule 144A Warrant held through Euroclear or Clearstream, Luxembourg or a Regulation S/Rule 144 Warrant, the provisions of W&C Instruments Condition 23 (*Exercise Rights (Warrants)*) shall apply.

### (B) *European Style Warrants*

In the case of European Style Warrants represented by a Rule 144A Global Warrant held through DTC, if Automatic Exercise is not specified in the applicable Final Terms, any European Style Warrant with respect to which no Exercise Notice has been delivered in the manner set out in Rule 144A Warrant Condition 7 (*Exercise Procedure*), at or prior to 5.00 p.m., New York City time, on the New York Business Day immediately preceding the Actual Exercise Date, shall become void.

If Automatic Exercise is specified in the applicable Final Terms, any such European Style

Warrant with respect to which no Exercise Notice has been delivered in the manner set out in Rule 144A Warrant Condition 7 (*Exercise Procedure*), at or prior to 5.00 p.m., New York City time, on the New York Business Day immediately preceding the Actual Exercise Date and which is in the determination of the Calculation Agent "In-The-Money", shall be automatically exercised on the Actual Exercise Date and the provisions of Rule 144A Warrant Condition 8 (*Automatic Exercise*) shall apply.

The expressions "exercise", "due exercise" and related expressions shall be construed to apply to any Warrants which are automatically exercised on the Actual Exercise Date in accordance with this provision.

In the case of European Style Warrants represented by a Rule 144A Global Warrant held through Euroclear or Clearstream, Luxembourg or a Regulation S/Rule 144A Warrant, the provisions of W&C Instruments Condition 23 (*Exercise Rights (Warrants)*) shall apply.

(C) *Cash Settlement*

In the case of Rule 144A Warrants which are Cash Settled Warrants, each such Warrant or, if Units are specified in the applicable Final Terms, each Unit, entitles its holder, upon due exercise to receive from the Issuer on the Settlement Date the Cash Settlement Amount.

In the case of Rule 144A Global Warrants held through DTC which are Cash Settled Warrants, the Issuer, through the Principal Warrant Agent, shall on the Settlement Date pay or cause to be paid the Cash Settlement Amount (if any) for each duly exercised Warrant or Unit, as the case may be, to the designated account at the U.S. Warrant Agent (or at such other account or bank as may be specified by the U.S. Warrant Agent). In such case, as promptly as practicable thereafter, and provided that the U.S. Warrant Agent is satisfied that delivery to it of funds sufficient to pay the Cash Settlement Amount will be made, the U.S. Warrant Agent will cause the Cash Settlement Amount to be credited to the Holder's account with the U.S. Warrant Agent less any Expenses.

(D) *Physical Settlement*

Rule 144A Warrants which are Physical Delivery Warrants will be issued only in relation to Share Linked Warrants, GDR/ADR Linked Warrants and Fund Linked Warrants. In the case of Rule 144A Warrants which are Physical Delivery Warrants, upon the exercise or deemed exercise of a Rule 144A Warrant by a Holder, and, subject to certification as to QIB and QP beneficial ownership, the Issuer shall transfer or procure the transfer on the Settlement Date of the Entitlement in respect of each Rule 144A Warrant so exercised, subject to payment by the Holder to or to the order of the Issuer on or before the Settlement Date of the Exercise Price, if any, and any other Expenses or sums payable. For the avoidance of doubt, delivery of the Entitlement shall take place only after the Expenses (if any) have been paid by such Holder to or to the order of the Issuer. No Rule 144A Warrant shall confer on a Holder any right to acquire the Entitlement and the Issuer is not obliged to purchase or hold the Entitlement. The delivery of the Entitlement shall be made (i) if practicable and in respect of the account of the Holder, (ii) in the manner specified in the relevant Final Terms or (iii) in such other commercially reasonable manner as the Issuer shall determine to be appropriate for such delivery and will, where appropriate and if practicable, notify the Holders in accordance with W&C Instruments Condition 12 (*Notices*). By purchasing or exercising a Rule 144A Warrant which is a Physical Delivery Warrant, the relevant Holder shall be deemed to have agreed to such form of settlement as provided herein.

The obligation of the Issuer to deliver Shares, GDRs/ADRs or Funds is limited to the delivery of Shares, GDRs/ADRs or Funds having the characteristics and in the form that allows delivery via the relevant Clearing System and, in the case of Shares, does not include registration of the Holder in the share register or in the list of shareholders, and none of the Issuer, the Guarantor, the Calculation Agent or any other person shall have any liability for any such failure of (or delay in) registration.

Following exercise of a Rule 144A Warrant linked to Shares, GDRs/ADRs or Funds which is subject to Physical Settlement, all dividends on the relevant Shares, GDRs/ADRs or Funds to

be delivered will be payable to the party that would receive such dividend according to market practice for a sale of the Shares, GDRs/ADRs or Funds executed on the relevant Actual Exercise Date and to be delivered in the same manner as such relevant Shares, GDRs/ADRs or Funds. Any such dividends to be paid to a Holder will be paid to the account specified by the Holder in the relevant Exercise Notice.

Unless otherwise specified in the Final Terms, Rule 144A Warrants exercised at the same time will be aggregated for the purpose of determining the aggregate Entitlements in respect of such Rule 144A Warrants, provided that the aggregate Entitlements in respect of the same Holder will be rounded down to the nearest whole unit of the Relevant Asset or each of the Relevant Assets, as the case may be, in such manner as the Calculation Agent shall determine. Therefore, fractions of the Relevant Asset or each of the Relevant Assets, as the case may be, will not be delivered and in lieu thereof a cash adjustment calculated by the Calculation Agent in its sole and absolute discretion shall be paid to the Holder.

If the relevant Holder fails to provide the required certifications in the relevant Exercise Notice as of the relevant Cut-Off Date, the Issuer may, instead of delivering, or having delivered on its behalf, the Entitlement, satisfy its obligations in respect of the relevant Rule 144A Warrant by payment to the relevant Holder of a cash amount, calculated by the Calculation Agent in good faith and in a commercially reasonable manner to represent the fair market value of the Entitlement on such day as shall be selected by the Issuer in good faith and in a commercially reasonable manner adjusted to take account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including, but not limited to, any options or selling or otherwise realizing any relevant Share, GDR/ADR, Fund or other instruments or assets of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements.)

## 7. Exercise Procedure

### (A) *Warrants represented by a Rule 144A Global Warrant held through DTC*

Warrants represented by a Rule 144A Global Warrant held through DTC may only be exercised by delivery through computerised exercise instruction through DTC (via its "Deposit and Withdrawal at Custodian" or "DWAC" function) of a duly completed Exercise Notice in the form set out in the English Law Agency Agreement (copies of which form may be obtained from the Instrument Agents) to the U.S. Warrant Agent with a copy to the Principal Warrant Agent and Merrill Lynch International, in accordance with the provisions set out in Rule 144A Warrant Condition 6 (*Exercise Rights*) and this Rule 144A Warrant Condition 7.

In the case of Warrants represented by a Rule 144A Global Warrant held through DTC, the Exercise Notice shall, unless otherwise agreed:

- (a) specify the Series of the Warrants and the number of Warrants being exercised and, if Units are specified in the applicable Final Terms, the number of Units being exercised;
- (b) specify the designated account at DTC to be debited with the Warrants being exercised;
- (c) irrevocably instruct DTC to exercise the Warrants debited to the account of the Holder and credited to the account of the U.S. Warrant Agent by means of DTC's DWAC function;
- (d) specify the designated account at DTC to be credited with the Cash Settlement Amount (if any) for each Warrant being exercised;
- (e) include an irrevocable undertaking by the Holder to pay all Expenses and an instruction from the Holders to DTC to deduct an amount in respect thereof from any Cash Settlement Amount due to such Holder and/or to debit a specified account of the Holder at DTC with an amount or amounts in respect thereof;
- (f) include a certification that each beneficial owner is a QIB and a QP; and

- (g) authorise the production of such certification in applicable administrative or legal proceedings,

all as provided in the English Law Agency Agreement.

In addition, if the relevant Final Terms specify Physical Settlement is applicable, the Exercise Notice shall also, unless otherwise agreed:

- (i) irrevocably instruct DTC to debit on the Actual Exercise Date a specified account of the Holder with the aggregate Exercise Price(s) (if relevant) in respect of the Rule 144A Warrants being exercised and to transfer such amount to such account with DTC as shall have been specified by the Issuer to DTC for that purpose;
- (ii) include an irrevocable undertaking by the Holder to pay all Expenses incurred by reason of transfer (if any) of the Entitlement(s) to the account at DTC specified by the Holder in the relevant Exercise Notice and an instruction from the Holder to DTC to deduct an amount in respect thereof from any Physical Settlement Value due to such Holder or otherwise to debit (on or at any time after the Settlement Date) a specified account of the Holder at DTC with an amount or amounts in respect thereof; and
- (iii) specify the number of the Holder's account with DTC to be credited with the relevant Entitlement(s).

Upon receipt of an Exercise Notice, the U.S. Warrant Agent shall verify that the person exercising the Warrants is the holder thereof according to the records of DTC. Subject thereto, the U.S. Warrant Agent shall notify the Issuer of the number of Warrants being exercised and the account details, if applicable, for the payment of the Cash Settlement Amount of each Warrant being exercised. If the Warrants are American Style Warrants, upon exercise of less than all the Warrants held through DTC, the U.S. Warrant Agent will note such exercise on the Register and the number of Warrants so constituted shall be reduced by the redemption pro tanto of the Warrants so exercised.

Delivery of an Exercise Notice shall constitute an irrevocable election by the relevant Holder to exercise the Warrants specified. After the delivery of such Exercise Notice, such exercising Holder may not transfer such Warrants.

Any determination as to whether an Exercise Notice is duly completed and in proper form shall be made by the U.S. Warrant Agent in consultation with the Principal Warrant Agent in the case of Warrants represented by a Rule 144A Global Warrant held through DTC, and shall be conclusive and binding on the Issuer, the relevant Instrument Agents and the relevant Holder. Subject as set out below, any Exercise Notice so determined to be incomplete or not in proper form, or which is not copied to the Principal Warrant Agent and Merrill Lynch International immediately after being delivered or sent to the U.S. Warrant Agent, shall be null and void.

If such Exercise Notice is subsequently corrected to the satisfaction of the U.S. Warrant Agent in consultation with the Principal Warrant Agent, it shall be deemed to be a new Exercise Notice submitted at the time such correction was delivered to the U.S. Warrant Agent and copied to the Principal Warrant Agent and Merrill Lynch International.

If on the relevant Collateral Test Date the Collateral Agent determines that the Collateral Test is not satisfied, the Collateral Agent will promptly send the Secured W&C Instruments Collateral Provider a Collateral Agent Notice. On the date such Collateral Agent Notice is given, the Secured W&C Instruments Collateral Provider will instruct the Collateral Agent to transfer sufficient additional Eligible MTM Collateral Assets or Eligible Static Collateral Assets (as applicable) into the relevant Collateral Account to satisfy the Collateral Test.

The Secured W&C Instruments Collateral Provider will ensure that sufficient Eligible MTM Collateral Assets and Eligible Static Collateral Assets are Delivered into the relevant Collateral Account on or before each Collateral Test Date to satisfy the Collateral Test in respect of such Collateral Test Date for the relevant Series of Secured W&C Instruments.

#### 4.5 **Substitution or withdrawal of Collateral Assets**

The Secured W&C Instruments Collateral Provider may, subject to the terms of the relevant Triparty Account Control Agreement, withdraw and/or replace MTM Collateral Assets from the relevant Collateral Account provided that following such adjustment the Collateral Test continues to be satisfied. The Secured W&C Instruments Collateral Provider will send or cause to be sent a notice to the Collateral Agent specifying the adjustments to be made to the Collateral Pool (including *inter alia* the type and quantity of any MTM Collateral Assets to be deposited and/or removed).

The Issuer and the Secured W&C Instruments Collateral Provider shall not be entitled to withdraw and/or replace Static Collateral Assets from the relevant Collateral Account, provided that the Secured W&C Instruments Collateral Provider may withdraw from the relevant Collateral Account an aggregate nominal amount of Static Collateral Assets equal to the sum of the Notional Amount of each Non-Waived W&C Instrument that is converted into a Waived W&C Instrument if, following such adjustment, the Collateral Test continues to be satisfied.

#### 4.6 **Delegation to Secured W&C Instruments Collateral Provider**

The Issuer has, pursuant to the terms of the Secured W&C Instruments Collateral Provider Agreement, delegated to the Secured W&C Instruments Collateral Provider the role of managing each Collateral Pool to comply with the requirements of these Secured Static/Floating W&C Instruments Conditions (including, but not limited to, compliance with Secured Static/Floating W&C Instruments Conditions 4.3, 4.4 and 4.5).

#### 4.7 **Required Collateral Default**

Following the occurrence of a Required Collateral Default, the Collateral Agent shall send a Required Collateral Default Notice to the Secured W&C Instruments Collateral Provider and the Security Agent, specifying that a Required Collateral Default has occurred. The Secured W&C Instruments Collateral Provider shall notify the Issuer of the Required Collateral Default Notice. The Security Agent shall as soon as reasonably practicable after receiving a Required Collateral Default Notice give notice to the relevant Instrument Agent and the relevant Instrument Agent will as soon as reasonably practicable give notice in accordance with W&C Instruments Condition 12 (*Notices*) to all relevant Holders of the receipt of a Required Collateral Default Notice.

#### 4.8 **Secured W&C Instrument Event of Default**

##### 4.8.1 The occurrence of one or more of the following events shall constitute a "**Secured W&C Instrument Event of Default**" with respect to any Series of Secured W&C Instruments:

- (a) default shall be made in the payment of any Additional Amount due in respect of any such Non-Waived W&C Instruments and the default continues for a period of 30 calendar days after the due date; or
- (b) default shall be made in the payment of any Cash Settlement Amount or other termination amount of any such Non-Waived W&C Instruments or in the delivery when due of the Entitlement in respect of any such Non-Waived W&C Instruments (in each case whether at settlement or upon redemption or otherwise), and such default continues for a period of 30 calendar days after the due date; or
- (c) the Issuer shall fail to perform or observe any other term, covenant or agreement contained in the Terms and Conditions applicable to any of such Secured W&C Instruments or in the Agency Agreement for the period of 90 calendar days after the date on which written notice of such failure, requiring the Issuer, as the case may be, to remedy the same, first shall have been given to the relevant Instrument Agent (which will give notice to the Security Agent) and the Issuer by Holders of at least 33 per cent. of the aggregate Notional Amount or by number (as applicable) of any such Non-Waived W&C Instruments outstanding; or

- (d) a court having jurisdiction in the premises shall have entered a decree or order granting relief with respect to the Issuer in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of the Issuer or of all or substantially all of its property or for the winding up or liquidation of its affairs, and such decree or order shall have remained in force and unstayed for a period of 60 consecutive calendar days; or
- (e) the Issuer shall institute proceedings for relief under any applicable bankruptcy, insolvency or any other similar law now or hereafter in effect, or shall consent to the institution of any such proceedings against it, or shall consent to the appointment of a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of it or of all or substantially all of its property, or shall make an assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall take any corporate action in furtherance of any of the foregoing; or
- (f) a Required Collateral Default has occurred; or
- (g) any of (i) a failure by the Issuer and/or Secured W&C Instruments Collateral Provider to comply with or perform any undertaking or obligation to be complied with or performed by it in accordance with the Security Agency Agreement or the relevant Deed of Charge if such failure is continuing after any applicable grace period has elapsed, the expiration or termination of such Security Agency Agreement or Deed of Charge, or (ii) the failing or cessation of such Security Agency Agreement or Deed of Charge, or any security granted by the Issuer and/or Secured W&C Instruments Collateral Provider, to be in full force and effect prior to the satisfaction of all the obligations of such party under these Secured Static/Floating W&C Instruments Conditions or (iii) the Issuer and/or Secured W&C Instruments Collateral Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Security Agency Agreement or Deed of Charge (or such action is taken by any person or entity appointed or empowered to act on the Issuer's and/or Secured W&C Instruments Collateral Provider's behalf).

If a Secured W&C Instrument Event of Default shall occur and be continuing with respect to any Series of Secured W&C Instruments, then any Holder may, at its option, send an Acceleration Notice through the relevant Clearing System to the relevant Instrument Agent. If the Holder(s) of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments outstanding send Acceleration Notice(s) through the relevant Clearing System to the relevant Instrument Agent, and if any such default is not waived in accordance with Secured Static/Floating W&C Instruments Condition 4.8.4 below or cured by the Issuer prior to receipt by the relevant Instrument Agent of the latest of such Acceleration Notice(s) required to exceed the 33 per cent. threshold specified above, an "**Acceleration Event**" shall occur in respect of such Series of Secured W&C Instruments.

4.8.2 The relevant Instrument Agent will as soon as reasonably practicable after the occurrence of an Acceleration Event send a notice (in or substantially in the form set out at Schedule 26 of the Agency Agreement) (an "**Acceleration Instruction**") to the Security Agent confirming that the Holders of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of the Non-Waived W&C Instruments outstanding have delivered Acceleration Notices thereby instructing the Security Agent to:

- (a) deliver the notices specified in Secured Static/Floating W&C Instruments Condition 6.1;
- (b) enforce the security constituted by the relevant Deed of Charge and distribute the proceeds (and, if applicable, physically settle the Entitlement), in each case, in accordance with its terms and the provisions of these Secured Static/Floating W&C Instruments Conditions and the Security Agency Agreement;

- (c) appoint a Disposal Agent, if a Disposal Agent has not already been appointed, and provide instructions to the Disposal Agent in accordance with these Secured Static/Floating W&C Instruments Conditions; and
- (d) perform any further actions of the Security Agent specified in these Secured Static/Floating W&C Instruments Conditions, the relevant Deed of Charge and the Security Agency Agreement or any reasonable incidental actions,

provided that if, at any time before the Security Agent has taken any steps to enforce the security constituted by the related Security Agency Agreement and/or Deed of Charge or a judgment or decree for payment of the money due with respect to such Secured W&C Instruments has been obtained by any Holder, the Security Agent is notified in writing by the relevant Instrument Agent that the occurrence of an Acceleration Event and its consequences have been rescinded and annulled in accordance with Secured Static/Floating W&C Instruments Condition 4.8.3 below, then such Acceleration Instruction shall be deemed not to have been given and the Security Agent shall be entitled to rely on any such notification from the relevant Instrument Agent without further enquiry and shall incur no liability to the Holders or any other party for any action taken or not taken prior to or as a result of such notification.

4.8.3 At any time following the occurrence of an Acceleration Event and before (i) the Security Agent has taken any steps to enforce the security constituted by the related Security Agency Agreement and/or Deed of Charge or (ii) a judgment or decree for payment of the money due with respect to such Secured W&C Instruments has been obtained by any Holder, the occurrence of an Acceleration Event and its consequences may be rescinded and annulled upon the written consent of Holders of a majority in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments then outstanding, or by resolution adopted by a majority in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments outstanding present or represented at a meeting of Holders at which a quorum is present, as provided in the Agency Agreement, if:

- (a) (i) the Issuer has paid, or has deposited with the relevant Clearing System, a sum sufficient to pay:
  - (A) all overdue Additional Amounts on such Secured W&C Instruments;
  - (B) the Cash Settlement Amount or other termination amount of such Secured W&C Instruments which has become due otherwise than by such declaration of acceleration; or
- (ii) in the case of Secured W&C Instruments to be settled by physical delivery, the Issuer has delivered the relevant assets to any agent appointed by the Issuer to deliver such assets to the Holders of the Non-Waived W&C Instruments; and
- (b) all Secured W&C Instrument Events of Default with respect to such Secured W&C Instruments, other than the non-payment of the Cash Settlement Amount or other termination amount of such Secured W&C Instruments which has become due solely by such declaration of acceleration, have been cured or waived as provided in Secured Static/Floating W&C Instruments Condition 4.8.4 below.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

4.8.4 Any default by the Issuer and/or Secured W&C Instruments Collateral Provider, other than the events described in Secured Static/Floating W&C Instruments Condition 4.8.1(a) or Secured Static/Floating W&C Instruments Condition 4.8.1(b), and other than an event described in Secured Static/Floating W&C Instruments Condition 4.8.1(c) in respect of a covenant or provision of the Terms and Conditions which cannot be amended or modified without the passing of an Extraordinary Resolution of Holders, may be waived by the written consent of Holders of a majority in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments then outstanding affected thereby, or by resolution adopted by a majority in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments then outstanding present or represented at a meeting of Holders affected

thereby at which a quorum is present, as provided in the Agency Agreement. Upon any such waiver, such default shall cease to exist, and any Secured W&C Instrument Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the Agency Agreement, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

#### 4.9 Status

W&C Instruments Condition 2 (*Status of the W&C Instruments and Guarantee*) shall not apply to the Secured W&C Instruments. The Secured W&C Instruments constitute direct, limited recourse, unsubordinated and secured obligations of the Issuer and rank equally among themselves.

Notwithstanding W&C Instruments Condition 2 (*Status of the W&C Instruments and Guarantee*), the obligations of the Guarantor under the Guarantee shall not apply to Secured W&C Instruments. **The Secured W&C Instruments are not guaranteed by the Guarantor or any other entity.**

#### 5. Secured W&C Instruments Collateral Provider, Collateral Agent, Custodian, Security Agent, Secured W&C Instruments Valuation Agent and relevant Instrument Agent

In relation to each Series of Secured W&C Instruments, the Secured W&C Instruments Valuation Agent acts solely as an agent of the Issuer, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. In relation to each issue of Secured W&C Instruments, the Collateral Agent acts solely as an agent of the Secured W&C Instruments Collateral Provider, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders or the Issuer.

The Secured W&C Instruments Collateral Provider acts as an arms-length third party and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. For the avoidance of doubt, the Custodian does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders, the Issuer or the Security Agent.

In acting in connection with any Series of Secured W&C Instruments, the Security Agent does not act as an advisor to or fiduciary or trustee for the Holders or any other party and nothing in any of the documents relating to the Programme shall be interpreted to constitute the Security Agent as a trustee or fiduciary of the Issuer, the Secured W&C Instruments Collateral Provider, the Holders or any other party.

All calculations and determinations made in respect of the Secured W&C Instruments by the Secured W&C Instruments Collateral Provider, Collateral Agent and Secured W&C Instruments Valuation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Holders and the Security Agent (as applicable).

Each of the Secured W&C Instruments Collateral Provider and Secured W&C Instruments Valuation Agent may, with the consent of the Issuer, delegate any of their obligations and functions to a third party as provided for in the Secured W&C Instruments Collateral Provider Agreement, Valuation Agency Agreement and each Triparty Account Control Agreement, as applicable. The Collateral Agent may delegate any of its obligations and functions to a third party as provided for in the relevant Triparty Account Control Agreement.

In acting in connection with any Series of Secured W&C Instruments, the relevant Instrument Agent shall act solely as an agent of the Issuer and will not assume any obligations towards or relationship of agency or trust for or with any of the Holders of such Secured W&C Instruments.

#### 6. Default, Enforcement and Realisation

##### 6.1 Acceleration and Enforcement of Collateral

If the Security Agent receives an Acceleration Instruction, the Security Agent shall (acting in accordance with such Acceleration Instruction), as soon as reasonably practicable:

- (i) deliver a Collateral Enforcement Notice (in or substantially in the form annexed to the relevant Deed of Charge) in respect of such Series of Secured W&C Instruments to each of the Issuer, the Secured W&C Instruments Collateral Provider and the relevant Instrument Agent ;
- (ii) deliver a Notice of Exclusive Control (in or substantially in the form annexed to the relevant Triparty Account Control Agreement) in respect of the Collateral Account of such Series of Secured W&C Instruments to the Collateral Agent;
- (iii) give notice to the relevant Instrument Agent of the occurrence of an Acceleration Event and the delivery of such Collateral Enforcement Notice and Notice of Exclusive Control and the relevant Instrument Agent will give notice of the same in accordance with W&C Instruments Condition 12 (*Notices*) to all relevant Holders; and
- (iv) appoint a Disposal Agent, if a Disposal Agent has not already been appointed, and provide instructions to the Disposal Agent in accordance with the Secured Static/Floating W&C Instruments Conditions.

Upon delivery of the Collateral Enforcement Notice, all Secured W&C Instruments in respect of which the Collateral Enforcement Notice is served will become immediately due and repayable at their Early Settlement Amount and, where "Physical Delivery of Collateral Assets" is specified to be applicable in the applicable Final Terms, such Secured W&C Instruments will also be subject to settlement in accordance with Secured Static/Floating W&C Instruments Condition 6.9.

As soon as reasonably practicable following the delivery of a Collateral Enforcement Notice, the Issuer shall, and shall procure that its Affiliates that hold Waived W&C Instruments, of the Series of Secured W&C Instruments in respect of which the Collateral Enforcement Notice is served, submit such Waived W&C Instruments for cancellation free of payment and, following such cancellation, the Secured W&C Instruments Valuation Agent shall notify the Security Agent of the number of outstanding Non-Waived W&C Instruments of such Series.

## 6.2 Definition of "Early Settlement Amount"

6.2.1 Following notification of the MTM Collateral Enforcement Proceeds and, where "Physical Delivery of Static Collateral Assets" is specified to be not applicable in the applicable Final Terms, the Static Collateral Enforcement Proceeds by the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) to the Secured W&C Instruments Valuation Agent in accordance with Secured Static/Floating W&C Instruments Condition 6.3, the Early Settlement Amount payable in respect of a Non-Waived W&C Instrument of such Series shall be determined by the Secured W&C Instruments Valuation Agent in accordance with paragraph (a) or (b) below (as applicable):

- (a) if the applicable Final Terms specify "Physical Delivery of Static Collateral Assets" to be not applicable, an amount in the Settlement Currency equal to the greater of zero and the sum of:
  - (i) the lesser of:
    - (A) an amount equal to the portion of the Marked-to-Market Option Value that relates to such Non-Waived W&C Instrument, determined in respect of the Option Valuation Time for the Collateral Test Date immediately preceding the delivery of a Collateral Enforcement Notice; and
    - (B) the difference between (I) the Adjusted MTM Collateral Enforcement Proceeds Share minus (II) such Non-Waived W&C Instrument's *pro rata* share of the Option Termination Costs; plus
  - (ii) the lesser of (A) the Notional Amount of such Non-Waived W&C Instrument and (B) the difference between (I) the Static Collateral Enforcement Proceeds Share minus (II) such Non-Waived W&C Instrument's *pro rata* share of the Static Collateral Hedge Termination Costs; or

- (b) if the applicable Final Terms specify "Physical Delivery of Static Collateral Assets" to be applicable, an amount in the Settlement Currency equal to the greater of zero and the lesser of:
  - (i) an amount equal to the portion of the Marked-to-Market Option Value that relates to such Non-Waived W&C Instrument, determined in respect of the Option Valuation Time for the Collateral Test Date immediately preceding the delivery of a Collateral Enforcement Notice; and
  - (ii) the difference between (A) the MTM Collateral Enforcement Proceeds Share minus (B) the sum of (I) such Non-Waived W&C Instrument's *pro rata* share of the Option Termination Costs, plus (II) such Non-Waived W&C Instrument's *pro rata* share of the Static Collateral Hedge Termination Costs.

6.2.2 For the purposes of these Secured Static/Floating W&C Instruments Conditions, the following definitions will apply:

**"Adjusted MTM Collateral Enforcement Proceeds Share"** means the sum of the MTM Collateral Enforcement Proceeds Share plus the Excess Static Collateral Enforcement Proceeds Share, as determined by the Secured W&C Instruments Valuation Agent.

**"Collateral Enforcement Proceeds"** means the sum of the MTM Collateral Enforcement Proceeds plus the Static Collateral Enforcement Proceeds (if any), as determined by the Secured W&C Instruments Valuation Agent.

**"Collateral Enforcement Proceeds Share"** means the sum of the MTM Collateral Enforcement Proceeds Share plus the Static Collateral Enforcement Proceeds Share (if any), as determined by the Secured W&C Instruments Valuation Agent, as determined by the Secured W&C Instruments Valuation Agent.

**"Excess Static Collateral Enforcement Proceeds Share"** means, in respect of a Non-Waived W&C Instrument, the greater of zero and the difference between (a) the Static Collateral Enforcement Proceeds Share minus (b) the sum of (i) the Notional Amount of such Non-Waived W&C Instrument plus (ii) such Non-Waived W&C Instrument's *pro rata* share of the Static Collateral Hedge Termination Costs, as determined by the Secured W&C Instruments Valuation Agent.

**"MTM Collateral Enforcement Proceeds"** means the net proceeds of realisation of, or enforcement with respect to, the relevant MTM Collateral Assets in a Collateral Pool following payment of all amounts payable to the Secured Parties ranking prior to the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms.

**"MTM Collateral Enforcement Proceeds Share"** means, in respect of a Series of Secured W&C Instruments, the *pro rata* share of the MTM Collateral Enforcement Proceeds attributable to each Non-Waived W&C Instrument in such Series of Secured W&C Instruments, as determined by the Secured W&C Instruments Valuation Agent.

**"Static Collateral Enforcement Proceeds"** means the net proceeds of realisation of, or enforcement with respect to, the relevant Static Collateral Assets (excluding, if "Physical Delivery of Static Collateral Assets" is applicable, any Static Collateral Assets that are Deliverable in accordance with Secured Static/Floating W&C Instruments Condition 6.9) in a Collateral Pool following payment of all amounts (to the extent that the proceeds of realisation of the MTM Collateral Assets are insufficient to make payment of any such amounts) payable to the Secured Parties ranking prior to the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms.

**"Static Collateral Enforcement Proceeds Share"** means, in respect of a Series of Secured W&C Instruments, the *pro rata* share of the Static Collateral Enforcement Proceeds attributable to each Non-Waived W&C Instrument in such Series of Secured W&C Instruments, as determined by the Secured W&C Instruments Valuation Agent.

### 6.3 Enforcement and Realisation

Following delivery of a Collateral Enforcement Notice in respect of the relevant Series of Secured W&C Instruments, the Security Agent (acting in accordance with an Acceleration Instruction) shall enforce the security constituted by the relevant Deed of Charge relating to the relevant Collateral Pool in accordance with the terms thereof and these Secured Static/Floating W&C Instruments Conditions (as completed by the applicable Final Terms) and the terms of the Security Agency Agreement and will give instructions to the Disposal Agent to effect a liquidation and realisation of the Collateral Assets in the Collateral Pool which secures such Series of Secured W&C Instruments in the following manner:

- (a) if "Physical Delivery of Static Collateral Assets" is specified not to apply in the applicable Final Terms, by liquidating or realising all Collateral Assets in the Collateral Pool which secures such Series of Secured W&C Instruments in accordance with Secured Static/Floating W&C Instruments Condition 6.7; or
- (b) if "Physical Delivery of Static Collateral Assets" is specified to be applicable in the applicable Final Terms:
  - (i) firstly, by liquidating or realising the MTM Collateral Assets in the Collateral Pool which secures such Series of Secured W&C Instruments in accordance with Secured Static/Floating W&C Instruments Condition 6.7;
  - (ii) secondly, to the extent the proceeds available following the liquidation and realisation of the MTM Collateral Assets in the Collateral Pool under subparagraph (b)(i) above are insufficient to make payment of any amounts payable to the Secured Parties ranking prior to the Holders of the Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms, by liquidating or realising an amount of Static Collateral Assets sufficient to make the remainder of such payments in accordance with Secured Static/Floating W&C Instruments Condition 6.7 and such proceeds will not be distributed to Holders but will be distributed to the Secured Parties ranking prior to the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms; and
  - (iii) thirdly, by liquidating or realising an amount of Static Collateral Assets sufficient to derive proceeds equal in value to any Hedge Termination Costs Shortfall in accordance with Secured Static/Floating W&C Instruments Condition 6.7 and such proceeds will not be distributed to Holders but will be distributed to the Secured Parties ranking after the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms,

the aggregate nominal amount of Static Collateral Assets remaining in the relevant Collateral Account following such liquidation or realisation in accordance with subparagraph (b)(ii) and (iii) above, the "**Remaining Static Collateral Assets**". The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall notify the Secured W&C Instruments Valuation Agent of the Static Collateral Assets comprising the Remaining Static Collateral Assets.

### 6.4 Liability of the Security Agent

The Security Agency Agreement contains provisions setting out the standards of liability of the Security Agent including providing that:

- (a) in the event that any Secured Party directs the Security Agent to effect the liquidation and realisation of the Collateral Assets in the Collateral Pool which secures the relevant Series of Secured W&C Instruments in a manner that is in accordance with the exact provisions of the Acceleration Instruction, the Security Agent shall not be under any obligation to take any further action (without prejudice to its ability to instruct the Disposal Agent to liquidate and realise the Collateral Assets for the purpose of funding the Security Agent Amounts) if it reasonably believes that (i) it would not be able to

recover the Security Agent Amounts that would be incurred in connection with such action from the relevant Collateral Assets or otherwise and/or (ii) it would experience an unreasonable delay in doing so; and

- (b) in the event that any Secured Party directs the Security Agent to effect the liquidation and realisation of the Collateral Assets in the Collateral Pool which secures the relevant Series of Secured W&C Instruments in a manner other than in accordance with the exact provisions of the Acceleration Instruction, the Security Agent shall not be under any obligation to take any action unless it has first been indemnified and/or secured and/or pre-funded to its satisfaction

and, in each case, the Security Agent shall have no liability for any such failure to act.

The Security Agent will not, in the absence of its own gross negligence, fraud and wilful misconduct, have any liability in connection with its role under or for the purposes of these Secured Static/Floating W&C Instruments Conditions and it will have no regard to the effect of such action on individual Holders. In no event shall the Security Agent be liable for any special, indirect or consequential loss or any punitive damages including (without limitation) any lost profits.

For the avoidance of doubt, the Security Agent shall be entitled to rely without enquiry on an Acceleration Instruction delivered by the Instrument Agent and on any notice of revocation of such Acceleration Instruction pursuant to Condition 4.8.2 and shall have no obligation to monitor or verify whether the relevant threshold has been met or to monitor or verify whether any Holder that has delivered an Acceleration Notice holds Waived W&C Instruments or Non-Waived W&C Instruments.

## 6.5 Enforcement and realisation by Holders

No Holder shall be entitled to enforce a Deed of Charge or to proceed directly against the Secured W&C Instruments Collateral Provider to enforce the other provisions of a Charged Document unless the Security Agent, having become bound to so enforce or proceed, fails so to do within a reasonable time and such failure is continuing or the Security Agent is prevented from enforcing a Deed of Charge by any court order. If a Holder becomes so entitled, then such Holder shall not be entitled to enforce the relevant Deed of Charge or Charged Document in the United Kingdom.

If the Security Agent becomes bound to enforce a Deed of Charge or a Charged Document and fails to do so within a reasonable time and such failure is continuing or the Security Agent is prevented from enforcing a Deed of Charge by any court order, then, without prejudice to the paragraph above, Holder(s) of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments outstanding may remove the Security Agent and appoint a replacement Security Agent in accordance with Secured Static/Floating W&C Instrument Condition 3.7 and the terms of the Security Agency Agreement.

Neither the Issuer nor any Holder shall be entitled to enforce a Triparty Account Control Agreement or the Custodian Agreement or to proceed directly against the Collateral Agent or the Custodian to enforce the terms of the relevant Triparty Account Control Agreement or the Custodian Agreement (as applicable). Neither the Collateral Agent nor the Custodian shall have any liability to the Issuer or any Holder as to the consequence of any actions taken by the Collateral Agent or Custodian (as applicable).

## 6.6 Application and distribution of proceeds of enforcement

- 6.6.1 In connection with the enforcement of the security constituted by the relevant Deed of Charge, after the realisation and liquidation of the relevant Collateral Assets specified in Secured Static/Floating W&C Instruments Condition 6.3 in accordance with Secured Static/Floating W&C Instruments Condition 6.7, the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall firstly use the proceeds of such realisation and liquidation of the MTM Collateral Assets to make payment of any amounts payable to the Secured Parties

ranking prior to the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms. To the extent that the proceeds of the realisation and liquidation of the MTM Collateral Assets are insufficient to make payments of any amounts payable to the Secured Parties ranking prior to the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms, the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall use the proceeds of any realisation and liquidation of the Static Collateral Assets to make payments of any such outstanding amounts.

6.6.2 Following such payments, the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall notify the Secured W&C Instruments Valuation Agent of the MTM Collateral Enforcement Proceeds and, where "Physical Delivery of Static Collateral Assets" is specified to be not applicable in the applicable Final Terms, the Static Collateral Enforcement Proceeds. The Secured W&C Instruments Valuation Agent shall then determine the Early Settlement Amount in respect of each Non-Waived W&C Instrument in accordance with Secured Static/Floating W&C Instruments Condition 6.2 and shall notify such amount to the Security Agent, the Disposal Agent and to the Holders in accordance with W&C Instruments Condition 12 (*Notices*).

6.6.3 Subject as provided below, the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall apply the remaining proceeds from the realisation of the relevant Collateral Assets in a Collateral Pool (excluding, if "Physical Delivery of Static Collateral Assets" is applicable, any Static Collateral Assets that are deliverable in accordance with Secured Static/Floating W&C Instruments Condition 6.9) in meeting the claims of Holders in respect of the Early Settlement Amount payable under each Non-Waived W&C Instrument which is secured by the relevant Collateral Pool. Notwithstanding the foregoing, the proceeds of any Static Collateral Assets realised or liquidated in accordance with Secured Static/Floating W&C Instruments Condition 6.3(b)(iii) will not be distributed to Holders but will be distributed to the Secured Parties ranking after the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms.

If the Collateral Enforcement Proceeds Share for a particular Non-Waived W&C Instrument is greater than the Early Settlement Amount of such Non-Waived W&C Instrument, then such excess amount will not be distributed to such Holder but will be distributed to the Secured Parties ranking after the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms.

6.6.4 The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall determine the date for distribution of the remaining proceeds to Holders in accordance with Secured Static/Floating W&C Instruments Condition 6.6.3 and shall notify such date to the relevant Instrument Agent and the relevant Instrument Agent shall notify Holders in accordance with W&C Instruments Condition 12 (*Notices*).

6.6.5 Moneys held by the Security Agent shall be deposited in its name in an account at such bank or other financial institution as the Security Agent may, acting in good faith and in a commercially reasonable manner, think fit. Any interest paid by such bank or financial institution on such moneys shall be deemed to be MTM Collateral Assets.

6.6.6 To the extent that any proceeds from the liquidation or realisation of the relevant Collateral Assets in a Collateral Pool are not in the Settlement Currency, then such proceeds shall be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), having regard to then current rates of exchange. Any rate, method and date so specified shall be binding on the Issuer, the Secured W&C Instruments Collateral Provider and the Holders.

## 6.7 Method of realisation of Collateral Assets

Subject as may otherwise be provided for in these Secured Static/Floating W&C Instruments Conditions, in effecting the sales, the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) may sell the relevant Collateral Assets in one single tranche or in smaller tranches as it considers appropriate in order to attempt reasonably to maximise the proceeds from such sale. The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) may effect sales of the Collateral Assets (a) on any securities exchange or quotation service on which the Collateral Assets may be listed or quoted, (b) in the over-the-counter market or (c) in transactions otherwise than on such exchanges or in the over-the counter market.

Where the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) disposes of any Collateral Assets other than on any securities exchange or quotation service on which the Collateral Assets may be listed or quoted then:

- (a) the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall seek firm bid quotations from at least three independent dealers in assets similar in nature to the relevant Collateral Assets (and, for such purpose, it may seek quotations in respect of such Collateral Assets in their entirety or in respect of a designated part or proportion thereof, as it considers appropriate in order to maximise the proceeds of the sale of such Collateral Assets);
- (b) for the purposes of obtaining the quotations referred to in (a) above, the Security Agent or the Disposal Agent may itself provide a bid in respect of the relevant Collateral Assets or any part or proportion thereof; and
- (c) the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall be authorised to accept without liability to any party in respect of each relevant part or proportion of the Collateral Assets or, as applicable, the entirety of the relevant Collateral Assets the highest quotation so obtained (which may be a quotation from the Security Agent or the Disposal Agent (when providing such quotations itself, the Security Agent or the Disposal Agent shall act in a commercially reasonable manner)).

Notwithstanding any other provision of these Secured Static/Floating W&C Instruments Conditions, following receipt by the Security Agent of notice of an Acceleration Event, the Security Agent shall be entitled in its sole discretion to instruct the Disposal Agent to liquidate, dispose or realise any of the Collateral Assets at any time and without regard to any of the provisions of the Secured Static/Floating W&C Instruments Conditions with respect to method, price or time of such realisation, in order to satisfy any Security Agent Amounts, and without liability to any party for any such action.

## 6.8 Inability to realise Collateral Assets

If the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) is unable to sell the relevant Collateral Assets on any securities exchange or quotation service on which the Collateral Assets may be listed or quoted or obtain the three quotations required for the sale of one or more Collateral Assets, in each case pursuant to Secured Static/Floating W&C Instruments Condition 6.6, for a period of one year from the date of the relevant Acceleration Instruction (such Collateral Assets being "**Non-Realised Collateral Assets**"), then notwithstanding any other provision hereof, the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall be entitled without liability to any party to sell such Non-Realised Collateral Assets by accepting the first available price for such Non-Realised Collateral Assets.

## 6.9 Physical Delivery of Static Collateral Assets

- 6.9.1 The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) will notify the relevant Instrument Agent and the relevant Instrument Agent will notify Holders of the relevant Collateral Delivery Date in accordance with W&C Instruments Condition 12 (*Notices*) and:

- (a) the Secured W&C Instruments Valuation Agent shall aggregate the Unrounded Collateral Assets Entitlement in respect of all Non-Waived W&C Instruments of such Series held by each such Holder and will round down such aggregated Unrounded Collateral Assets Entitlement to the nearest tradable unit of each type of Static Collateral Asset (the "**Entitlement**" in respect of such Holder);
  - (b) the Secured W&C Instruments Valuation Agent shall notify the Entitlement in respect of each Holder to the Security Agent and the Disposal Agent and to the Holders in accordance with W&C Instruments Condition 12 (*Notices*);
  - (c) the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall deliver the relevant Entitlement to the Holders of the Non-Waived W&C Instruments secured by the relevant Collateral Pool in accordance with the method of transfer of Collateral Assets specified in W&C Instruments Condition 24(C)(b) or 31(C)(b) (provided that no Expenses shall be payable), as applicable (and each reference in those W&C Instruments Conditions to "Issuer" shall be deemed to be a reference to "Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent)"); and
  - (d) the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall realise and liquidate in accordance with Secured Static/Floating W&C Instruments Condition 6.7 the number or fraction of Collateral Assets which it is not possible to deliver to a Holder following rounding by the Secured W&C Instruments Valuation Agent in accordance with sub-paragraph (a) above as notified to the Security Agent and the Disposal Agent in accordance with sub-paragraph (b) above and shall notify the Secured W&C Instruments Valuation Agent of the amount of the proceeds of such realisation and liquidation. The Secured W&C Instruments Valuation Agent shall determine the *pro rata* share of the proceeds of such realisation and liquidation of each Holder whose Entitlement is subject to rounding (determined by the Secured W&C Instruments Valuation Agent in respect of each Holder, on the basis of the difference between the aggregated Unrounded Collateral Assets Entitlement of such Holder minus the Entitlement of such Holder) (such amount, the "**Fractional Cash Amount**" in respect of such Holder) and shall notify the Fractional Cash Amount in respect of each Holder to the Security Agent and the Disposal Agent and to the Holders in accordance with W&C Instruments Condition 12 (*Notices*). The Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall pay the relevant Fractional Cash Amount to each Holder.
- 6.9.2 Delivery of such Entitlement and payment of such Fractional Cash Amount shall fully extinguish the Issuer's obligations in respect of the Notional Amount of the relevant Secured W&C Instruments notwithstanding that the value of the Entitlement so delivered and Fractional Cash Amount so paid may be less than the market value and/or nominal value of the relevant Secured W&C Instrument.
- 6.9.3 W&C Instruments Condition 5 shall not apply in respect of Secured W&C Instruments.
- 6.9.4 For the purposes of these Secured Static/Floating W&C Instruments Conditions, the following definitions will apply:
- "Collateral Delivery Date"** means, in relation to a Series of Secured W&C Instruments where "Physical Delivery of Static Collateral Assets" is applicable, the date on which the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) intends to deliver the Entitlement to Holders.

**"Remaining Static Collateral Assets"** has the meaning given in Secured Static/Floating W&C Instruments Condition 6.3(b).

**"Unrounded Collateral Assets Entitlement"** means, for each Non-Waived W&C Instrument in a Series of Secured W&C Instruments, Static Collateral Assets with an aggregate nominal amount equal to the quotient of (a) the Remaining Static Collateral Assets in respect of the Collateral Pool which secures such Series of Secured W&C Instruments, divided by (b) the number of Non-Waived W&C Instruments of such Series of Secured W&C Instruments, as determined by the Secured W&C Instruments Valuation Agent.

#### 6.10 Physical Delivery of Collateral Assets Disruption Event

- 6.10.1 If, in the opinion of the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), delivery of all or some of the Static Collateral Assets forming part of the Entitlement using the method of delivery specified in W&C Instruments Condition 24(C)(b) or 31(C)(b) (as applicable and as notified to the Disposal Agent by the Security Agent), or such other commercially reasonable manner as the Security Agent, or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), has determined, is not practicable by reason of a Physical Delivery of Collateral Assets Disruption Event having occurred and continuing on any Collateral Delivery Date, then such Collateral Delivery Date shall be postponed to the first following Collateral Business Day in respect of which there is no such Physical Delivery of Collateral Assets Disruption Event, provided that the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) may elect in its sole discretion and without liability to any party to deliver the Static Collateral Assets forming part of the Entitlement in such other commercially reasonable manner as it may select and in such event the Collateral Delivery Date shall be such day as the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) deems appropriate in connection with delivery of the Static Collateral Assets forming part of the Entitlement in such other commercially reasonable manner.

Where a Physical Delivery of Collateral Assets Disruption Event affects some but not all of the Static Collateral Assets forming part of the Entitlement due to be delivered to a Holder, the Collateral Delivery Date for those Static Collateral Assets forming part of the Entitlement which are able to be delivered will be the Collateral Delivery Date on which such Static Collateral Assets are delivered.

- 6.10.2 If delivery of any Static Collateral Assets forming part of the Entitlement is not possible due to the occurrence of a Physical Delivery of Collateral Assets Disruption Event for a period of greater than 20 Collateral Business Days, then in lieu of physical settlement and notwithstanding any other provision hereof, the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall sell or realise the Undeliverable Collateral Assets in the manner set out in Secured Static/Floating W&C Instruments Condition 6.7 and deliver the proceeds thereof to Holders.
- 6.10.3 If the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) is unable to either sell the Undeliverable Collateral Assets on any securities exchange or quotation service on which the Undeliverable Collateral Assets may be listed or quoted or obtain the three quotations required for the sale of the Collateral Assets, in each case pursuant to Secured Static/Floating W&C Instruments Condition 6.7, the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall be entitled, without the Security Agent or the Disposal Agent incurring any liability to any party, to accept the first available price for such Undeliverable Collateral Assets.

The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), shall give notice as soon as practicable to the relevant Instrument Agent and the relevant Instrument Agent will give notice as soon as practicable to Holders in accordance with W&C Instruments Condition 12 (*Notices*) that a Physical Delivery of Collateral Assets Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Non-Waived W&C Instruments in the event of any delay in the delivery of the Collateral Assets forming part of the Entitlement due to the occurrence of a Physical Delivery

of Collateral Assets Disruption Event and no liability in respect thereof shall attach to the Issuer, the Secured W&C Instruments Collateral Provider, the Security Agent or the Disposal Agent.

#### 6.11 **Replacement Secured W&C Instruments Valuation Agent**

If, following the delivery of a Collateral Enforcement Notice, the Secured W&C Instruments Valuation Agent fails to make the applicable calculations and determinations specified in this Secured Static/Floating W&C Instruments Condition 6, or fails to notify the Security Agent or the Disposal Agent of the results of such calculations and determinations, within a reasonable time and in any event within 20 Collateral Business Days of receipt of a written request from the Security Agent and/or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) that it make such calculations and determinations, then the Security Agent shall as soon as reasonably practicable appoint a replacement Secured W&C Instruments Valuation Agent (a "**Replacement Secured W&C Instruments Valuation Agent**") in accordance with Secured Static/Floating W&C Instruments Condition 3.7.

### 7. **Segregation of Collateral Pools and Limited Recourse and Non-Petition**

By acquiring and holding Secured W&C Instruments, Holders will be deemed to acknowledge and agree that the obligations of the Issuer to the Holders are limited in recourse to the Collateral Assets contained in the relevant Collateral Pool securing such Series of Secured W&C Instruments. If:

- (a) there are no relevant Collateral Assets in the relevant Collateral Pool remaining which are capable of being realised or otherwise converted into cash;
- (b) all amounts available from the relevant Collateral Assets in the relevant Collateral Pool have been applied to meet or provide for the relevant obligations specified in, and in accordance with, the provisions of the relevant Deed of Charge, the Security Agency Agreement and these Secured Static/Floating W&C Instruments Conditions; and

then the Holders of such Secured W&C Instruments shall have no further claim against the Issuer or the Secured W&C Instruments Collateral Provider in respect of any amounts owing to them which remain unpaid (including, for the avoidance of doubt, payments of principal, premium (if any) and/or interest in respect of the Secured W&C Instruments). In particular, no Holder shall be entitled to have recourse to the Collateral Assets contained in a Collateral Pool other than the Collateral Pool which secures the Secured W&C Instruments held by such Holder. The Secured W&C Instruments are not guaranteed by the Guarantor or any other entity and therefore Holders will have no claim against the Guarantor or any other entity in respect of any such amounts owing to them which remain unpaid.

### 8. **Collateral Disruption Events**

#### 8.1 **Consequences of a Collateral Disruption Event**

If a Collateral Disruption Event occurs or is continuing in respect of Static Collateral Assets securing a Series of Secured W&C Instruments, as determined by the Secured W&C Instruments Valuation Agent, the Issuer may, at its discretion, cancel the Secured W&C Instruments of such Series by giving notice to Holders in accordance with W&C Instruments Condition 12 (*Notices*). If the Issuer cancels the Secured W&C Instruments, then the Issuer shall:

- (b) if "Physical Delivery of Static Collateral Assets" is specified to be applicable in the applicable Final Terms, (i) Deliver the relevant Entitlement (CDE) to each Holder and (ii) pay the Fractional Cash Amount (CDE) to each relevant Holder, in each case, in accordance with Secured Static/Floating W&C Instruments Condition 8.4.

Payment will be made in such manner and on such date as shall be notified by the Issuer to the Holders in accordance with W&C Instruments Condition 12 (*Notices*), provided that such date shall be no later than two Business Days following the day on which the Secured W&C Instruments Collateral Provider and/or its Affiliate receives the proceeds of liquidation and realisation of all Static Collateral Assets (if any) that are required to be liquidated and realised in accordance with Secured Static/Floating Instruments Conditions 8.3.1 and 8.4.2 (if applicable).

    - (B) the lesser of (I) the Notional Amount of such Non-Waived W&C Instrument and (II) the difference between (aa) the Static Collateral Proceeds Share (CDE) minus (bb) such Non-Waived W&C Instrument's *pro rata* share of the Static Collateral Hedge Termination Costs; minus
  - (ii) an amount equal to such Non-Waived W&C Instrument's *pro rata* share of the Realisation Costs; or
- (b) if the applicable Final Terms specify "Physical Delivery of Static Collateral Assets" to be applicable, the Early Settlement Amount (CDE) shall be an amount equal to the greater of zero and the difference between:
  - (i) an amount equal to the portion of the Marked-to-Market Option Value in respect of the Option Valuation Time for the Collateral Disruption Event Determination Date that relates to such Non-Waived W&C Instrument; minus
  - (ii) the Collateral Disruption Event Costs.

## 8.3 Liquidation and realisation of Static Collateral Assets

If the Issuer elects to cancel a Series of Secured W&C Instruments in accordance with Secured Static/Floating W&C Instruments Condition 8.1, the Secured W&C Instruments Collateral Provider shall deliver a Control Event Notice to the Collateral Agent and shall effect a liquidation and realisation in accordance with Secured Static/Floating W&C Instruments Condition 6.7 (and each reference therein to "Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent)" shall be deemed to be a reference to "Secured W&C Instruments Collateral Provider and/or its Affiliate") of:

- (a) if "Physical Delivery of Static Collateral Assets" is specified to apply in the applicable Final Terms, an amount of Static Collateral Assets sufficient to derive proceeds that are equal in value to the Collateral Disruption Event Costs Shortfall (if any) and such proceeds shall be retained by the Secured W&C Instruments Collateral Provider and shall not be payable to Holders (the aggregate nominal amount of Static Collateral Assets remaining in the relevant Collateral Pool following such liquidation or realisation in accordance with this sub-paragraph (a), the **"Remaining Static Collateral Assets (CDE)"**); or
- (b) if "Physical Delivery of Static Collateral Assets" is specified not to apply in the applicable Final Terms, all Static Collateral Assets in the Collateral Pool which secures a Series of Secured W&C Instruments.

Any rate, method and date so specified shall be binding on the Issuer and the Holders.

### 8.3.2 **Liability of the Secured W&C Instruments Collateral Provider**

The Secured W&C Instruments Collateral Provider and/or its Affiliates will not, in the absence of negligence, fraud and wilful misconduct, have any liability as to the consequence of any liquidation or realisation action and will have no regard to the effect of such action on individual Holders.

  - (c) realise and liquidate the Static Collateral Assets which it is not possible to deliver to a Holder following such rounding in accordance with Secured Static/Floating W&C Instruments Condition 6.7 (and each reference therein to "Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent)" shall

be deemed to be a reference to "Secured W&C Instruments Collateral Provider and/or its Affiliate") and pay a *pro rata* share of the proceeds of such realisation and liquidation to each Holder whose Entitlement (CDE) is subject to rounding (determined on the basis of the difference between the aggregate Unrounded Collateral Assets Entitlement (CDE) of such Holder minus the Entitlement (CDE) of such Holder) (such amount, the "**Fractional Cash Amount (CDE)**" in respect of such Holder).

Delivery of such Entitlement (CDE) and payment of such Fractional Cash Amount (CDE) shall fully extinguish the Issuer's obligations in respect of the Notional Amount of the relevant Secured W&C Instruments notwithstanding that the value of the Entitlement (CDE) so delivered and Fractional Cash Amount (CDE) so paid may be less than the market value and/or nominal value of the relevant Secured W&C Instrument.

On the date such Collateral Agent Notice is given, the Secured W&C Instruments Collateral Provider will instruct the Collateral Agent to transfer sufficient additional Eligible Collateral Assets into the relevant Collateral Account to satisfy the Collateral Test.

The Secured W&C Instruments Collateral Provider will ensure that sufficient Eligible Collateral Assets are Delivered into the relevant Collateral Account on or before each Collateral Test Date to satisfy the Collateral Test in respect of such Collateral Test Date for the relevant Series of Secured W&C Instruments.

#### 4.5 **Substitution or withdrawal of Collateral Assets**

#### 4.8 **Secured W&C Instrument Event of Default**

##### 4.8.1 The occurrence of one or more of the following events shall constitute a "**Secured W&C Instrument Event of Default**" with respect to any Series of Secured W&C Instruments:

- (a) default shall be made in the payment of any Additional Amount due in respect of any such Non-Waived W&C Instruments and the default continues for a period of 30 calendar days after the due date; or

- (b) default shall be made in the payment of any Cash Settlement Amount or other termination amount of any such Non-Waived W&C Instruments or in the delivery when due of the Entitlement in respect of any such Non-Waived W&C Instruments (in each case whether at settlement or upon redemption or otherwise), and such default continues for a period of 30 calendar days after the due date; or
- (c) the Issuer shall fail to perform or observe any other term, covenant or agreement contained in the Terms and Conditions applicable to any of such Secured W&C Instruments or in the Agency Agreement for the period of 90 calendar days after the date on which written notice of such failure, requiring the Issuer, as the case may be, to remedy the same, first shall have been given to the relevant Instrument Agent (which will give notice to the Security Agent) and the Issuer by Holders of at least 33 per cent. of the aggregate Notional Amount or by number (as applicable) of any such Non-Waived W&C Instruments outstanding; or
- (d) a court having jurisdiction in the premises shall have entered a decree or order granting relief with respect to the Issuer in an involuntary proceeding under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appointing a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of the Issuer or of all or substantially all of its property or for the winding up or liquidation of its affairs, and such decree or order shall have remained in force and unstayed for a period of 60 consecutive calendar days; or
- (e) the Issuer shall institute proceedings for relief under any applicable bankruptcy, insolvency or any other similar law now or hereafter in effect, or shall consent to the institution of any such proceedings against it, or shall consent to the appointment of a receiver, liquidator, trustee, assignee, custodian or sequestrator (or similar official) of it or of all or substantially all of its property, or shall make an assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due, or shall take any corporate action in furtherance of any of the foregoing; or

- (g) any of (i) a failure by the Issuer and/or Secured W&C Instruments Collateral Provider to comply with or perform any undertaking or obligation to be complied with or performed by it in accordance with the Security Agency Agreement or the relevant Deed of Charge if such failure is continuing after any applicable grace period has elapsed, the expiration or termination of such Security Agency Agreement or Deed of Charge, or (ii) the failing or cessation of such Security Agency Agreement or Deed of Charge, or any security granted by the Issuer and/or Secured W&C Instruments Collateral Provider, to be in full force and effect prior to the satisfaction of all the obligations of such party under these Secured W&C Instruments Conditions or (iii) the Issuer and/or Secured W&C Instruments Collateral Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Security Agency Agreement or Deed of Charge (or such action is taken by any person or entity appointed or empowered to act on the Issuer's and/or Secured W&C Instruments Collateral Provider's behalf).

If a Secured W&C Instrument Event of Default shall occur and be continuing with respect to any Series of Secured W&C Instruments, then any Holder may, at its option, send an Acceleration Notice through the relevant Clearing System to the relevant Instrument Agent. If the Holder(s) of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments outstanding send Acceleration Notice(s) through the relevant Clearing System to the relevant Instrument Agent, and if any such default is not waived in accordance with Secured Fully Floating W&C Instruments Condition 4.8.4 below or cured by the Issuer prior to receipt by the relevant Instrument Agent of the latest of such Acceleration Notice(s) required to exceed the 33 per cent. threshold specified above, an "**Acceleration Event**" shall occur in respect of such Series of Secured W&C Instruments.

- 4.8.2 The relevant Instrument Agent will as soon as reasonably practicable after the occurrence of an Acceleration Event send a notice (in or substantially in the form set out at Schedule 24 of

the Agency Agreement) (an "**Acceleration Instruction**") to the Security Agent confirming that the Holder(s) of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of the Non-Waived W&C Instruments outstanding have delivered Acceleration Notices thereby instructing the Security Agent to:

- (a) deliver the notices specified in Secured Fully Floating W&C Instruments Condition 6.1;
- (b) enforce the security constituted by the relevant Deed of Charge and distribute the proceeds (and, if applicable, physically settle the Entitlement), in each case, in accordance with its terms and the provisions of these Secured Fully Floating W&C Instruments Conditions and the Security Agency Agreement;
- (c) appoint a Disposal Agent, if a Disposal Agent has not already been appointed, and provide instructions to the Disposal Agent in accordance with these Secured Fully Floating W&C Instruments Conditions; and
- (d) perform any further actions of the Security Agent specified in these Secured Fully Floating W&C Instruments Conditions, the relevant Deed of Charge and the Security Agency Agreement or any reasonable incidental actions,

provided that if, at any time before the Security Agent has taken any steps to enforce the security constituted by the related Security Agency Agreement and/or Deed of Charge or a judgment or decree for payment of the money due with respect to such Secured W&C Instruments has been obtained by any Holder, the Security Agent is notified in writing by the relevant Instrument Agent that the occurrence of an Acceleration Event and its consequences have been rescinded and annulled in accordance with Secured Fully Floating W&C Instruments Condition 4.8.3 below, then such Acceleration Instruction shall be deemed not to have been given and the Security Agent shall be entitled to rely on any such notification from the relevant Instrument Agent without further enquiry and shall incur no liability to the Holders or any other party for any action taken or not taken prior to or as a result of such notification.

4.8.3 At any time following the occurrence of an Acceleration Event and (i) before the Security Agent has taken any steps to enforce the security constituted by the related Security Agency Agreement and/or Deed of Charge or (ii) a judgment or decree for payment of the money due with respect to such Secured W&C Instruments has been obtained by any Holder, the occurrence of an Acceleration Event and its consequences may be rescinded and annulled upon the written consent of Holders of a majority in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments then outstanding, or by resolution adopted by a majority in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments outstanding present or represented at a meeting of Holders at which a quorum is present, as provided in the Agency Agreement, if:

- (a) (i) the Issuer has paid, or has deposited with the relevant Clearing System, a sum sufficient to pay:
  - (A) all overdue Additional Amounts on such Secured W&C Instruments;
  - (B) the Cash Settlement Amount or other termination amount of such Secured W&C Instruments which has become due otherwise than by such declaration of acceleration; or
- (ii) in the case of Secured W&C Instruments to be settled by physical delivery, the Issuer has delivered the relevant assets to any agent appointed by the Issuer to deliver such assets to the Holders of the Non-Waived W&C Instruments; and
- (b) all Secured W&C Instrument Events of Default with respect to such Secured W&C Instruments, other than the non-payment of the Cash Settlement Amount or other termination amount of such Secured W&C Instruments which has become due solely by such declaration of acceleration, have been cured or waived as provided in Secured Fully Floating W&C Instruments Condition 4.8.4 below.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

- 4.8.4 Any default by the Issuer and/or Secured W&C Instruments Collateral Provider, other than the events described in Secured Fully Floating W&C Instruments Condition 4.8.1(a) or Secured Fully Floating W&C Instruments Condition 4.8.1(b), and other than an event described in Secured Fully Floating W&C Instruments Condition 4.8.1(c) in respect of a covenant or provision of the Terms and Conditions which cannot be amended or modified without the passing of an Extraordinary Resolution of Holders, may be waived by the written consent of Holders of a majority in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments then outstanding affected thereby, or by resolution adopted by a majority in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments then outstanding present or represented at a meeting of Holders affected thereby at which a quorum is present, as provided in the Agency Agreement. Upon any such waiver, such default shall cease to exist, and any Secured W&C Instrument Event of Default arising therefrom shall be deemed to have been cured, for every purpose of the Agency Agreement, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

#### 4.9 Status

W&C Instruments Condition 2 (*Status of the W&C Securities and Guarantee*) shall not apply to the Secured W&C Instruments. The Secured W&C Instruments constitute direct, limited recourse, unsubordinated and secured obligations of the Issuer and rank equally among themselves.

Notwithstanding W&C Instruments Condition 2 (*Status of the W&C Securities and Guarantee*), the obligations of the Guarantor under the Guarantee shall not apply to Secured W&C Instruments. **The Secured W&C Instruments are not guaranteed by the Guarantor or any other entity.**

#### 5. Secured W&C Instruments Collateral Provider, Collateral Agent, Custodian, Security Agent, Secured W&C Instruments Valuation Agent and relevant Instrument Agent

In relation to each Series of Secured W&C Instruments, the Secured W&C Instruments Valuation Agent acts solely as an agent of the Issuer, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. In relation to each issue of Secured W&C Instruments, the Collateral Agent acts solely as an agent of the Secured W&C Instruments Collateral Provider, and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders or the Issuer.

The Secured W&C Instruments Collateral Provider acts as an arms-length third party and does not assume any obligation or duty to, or any relationship of agency or trust for or with, the Holders. In acting in connection with any Series of Secured W&C Instruments, the Security Agent does not act as an advisor to or fiduciary or trustee for the Holders or any other party and nothing in any of the documents relating to the Programme shall be interpreted to constitute the Security Agent as a trustee or fiduciary of the Issuer, the Secured W&C Instruments Collateral Provider, the Holders or any other party and will not assume any obligation or duty to, or any relationship of agency or trust for or with, any of the Holders of such Secured W&C Instruments.

All calculations and determinations made in respect of the Secured W&C Instruments by the Secured W&C Instruments Collateral Provider, Collateral Agent and Secured W&C Instruments Valuation Agent shall (save in the case of manifest error) be final, conclusive and binding on the Issuer, the Holders and the Security Agent (as applicable).

Each of the Secured W&C Instruments Collateral Provider and Secured W&C Instruments Valuation Agent may, with the consent of the Issuer, delegate any of their obligations and functions to a third party as provided for in the Secured W&C Instruments Collateral Provider Agreement, Valuation Agency Agreement and each Triparty Account Control Agreement, as

applicable. The Collateral Agent may delegate any of its obligations and functions to a third party as provided for in the relevant Triparty Account Control Agreement.

In acting in connection with any Series of Secured W&C Instruments, the relevant Instrument Agent shall act solely as an agent of the Issuer and will not assume any obligations towards or relationship of agency or trust for or with any of the Holders of such Secured W&C Instruments.

## 6. **Default, Enforcement and Realisation**

### 6.1 **Acceleration and Enforcement of Collateral**

If the Security Agent receives an Acceleration Instruction, the Security Agent shall (acting in accordance with such Acceleration Instruction), as soon as reasonably practicable:

- (ii) deliver a Notice of Exclusive Control (in or substantially in the form annexed to the relevant Triparty Account Control Agreement) in respect of the Collateral Account of such Series of Secured W&C Instruments to the Collateral Agent;
- (iii) give notice to the relevant Instrument Agent of the occurrence of an Acceleration Event and the delivery of such Collateral Enforcement Notice and Notice of Exclusive Control and the relevant Instrument Agent will give notice of the same in accordance with W&C Instruments Condition 12 (*Notices*) to all relevant Holders; and
- (iv) appoint a Disposal Agent, if a Disposal Agent has not already been appointed, and provide instructions to the Disposal Agent in accordance with the Secured Fully Floating W&C Instruments Conditions.

Upon delivery of the Collateral Enforcement Notice, all Secured W&C Instruments in respect of which the Collateral Enforcement Notice is served will become immediately due and repayable at their Early Settlement Amount and, where "Physical Delivery of Collateral Assets" is specified to be applicable in the applicable Final Terms, such Secured W&C Instruments will also be subject to settlement in accordance with Secured Fully Floating W&C Instruments Condition 6.8.

As soon as reasonably practicable following the delivery of a Collateral Enforcement Notice, the Issuer shall, and shall procure that its Affiliates that hold Waived W&C Instruments, of the Series of Secured W&C Instruments in respect of which the Collateral Enforcement Notice is served, submit such Waived W&C Instruments for cancellation free of payment and, following such cancellation, the Secured W&C Instruments Valuation Agent shall notify the Security Agent of the number of outstanding Non-Waived W&C Instruments of such Series.

### 6.2 **Enforcement and Realisation**

Following delivery of a Collateral Enforcement Notice in respect of the relevant Series of Secured W&C Instruments, the Security Agent (acting in accordance with an Acceleration Instruction) shall enforce the security constituted by the relevant Deed of Charge relating to the relevant Collateral Pool in accordance with the terms thereof, these Secured Fully Floating W&C Instruments Conditions (as completed by the applicable Final Terms) and the terms of the Security Agency Agreement and will give instructions to the Disposal Agent to:

- (a) where "Physical Delivery of Collateral Assets" is specified not to apply in the applicable Final Terms, effect a liquidation and realisation in accordance with Secured Fully Floating W&C Instruments Condition 6.6 of all the Collateral Assets in the Collateral Pool which secures such Series of Secured W&C Instruments and subsequently distribute the relevant Collateral Enforcement Proceeds Share to the

relevant Holders in accordance with Secured Fully Floating W&C Instruments Condition 6.5; or

- (b) where "Physical Delivery of Collateral Assets" is specified to be applicable in the applicable Final Terms, arrange for delivery of the relevant Entitlement to the relevant Holders in accordance with Secured Fully Floating W&C Instruments Condition 6.8.

### 6.3 **Liability of the Security Agent**

The Security Agency Agreement contains provisions setting out the standards of liability of the Security Agent including providing that:

- (a) in the event that any Secured Party directs the Security Agent to effect the liquidation and realisation of the Collateral Assets in the Collateral Pool which secures the relevant Series of Secured W&C Instruments in a manner that is in accordance with the exact provisions of the Acceleration Instruction, the Security Agent shall not be under any obligation to take any further action (without prejudice to its ability to instruct the Disposal Agent to liquidate and realise the Collateral Assets for the purpose of funding the Security Agent Amounts) if it reasonably believes that (i) it would not be able to recover the Security Agent Amounts that would be incurred in connection with such action from the relevant Collateral Assets or otherwise and/or (ii) it would experience an unreasonable delay in doing so; and
- (b) in the event that any Secured Party directs the Security Agent to effect the liquidation and realisation of the Collateral Assets in the Collateral Pool which secures the relevant Series of Secured W&C Instruments in a manner other than in accordance with the exact provisions of the Acceleration Instruction, the Security Agent shall not be under any obligation to take any action unless it has first been indemnified and/or secured and/or pre-funded to its satisfaction

and in, each case, the Security Agent shall have no liability for any such failure to act.

The Security Agent will not, in the absence of its own gross negligence, fraud and wilful misconduct, have any liability in connection with its role under or for the purposes of these Secured Fully Floating W&C Instruments Conditions and it will have no regard to the effect of such action on individual Holders. In no event shall the Security Agent be liable for any special, indirect or consequential loss or any punitive damages including (without limitation) any lost profits.

For the avoidance of doubt, the Security Agent shall be entitled to rely without enquiry on an Acceleration Instruction delivered by the Instrument Agent and on any notice of revocation of such Acceleration Instruction pursuant to Condition 4.8.2 and shall have no obligation to monitor or verify whether the relevant threshold has been met or to monitor or verify whether any Holder that has delivered an Acceleration Notice holds Waived W&C Instruments or Non-Waived W&C Instruments.

### 6.4 **Enforcement and realisation by Holders**

No Holder shall be entitled to enforce a Deed of Charge or to proceed directly against the Secured W&C Instruments Collateral Provider to enforce the other provisions of a Charged Document unless the Security Agent, having become bound to so enforce or proceed, fails so to do within a reasonable time and such failure is continuing or the Security Agent is prevented from enforcing a Deed of Charge by any court order. If a Holder becomes so entitled, then such Holder shall not be entitled to enforce the relevant Deed of Charge or Charged Document in the United Kingdom.

If the Security Agent becomes bound to enforce a Deed of Charge or a Charged Document and fails to do so within a reasonable time and such failure is continuing or the Security Agent is prevented from enforcing a Deed of Charge by any court order, then, without prejudice to the paragraph above, Holder(s) of at least 33 per cent. in aggregate Notional Amount or by number (as applicable) of such Non-Waived W&C Instruments outstanding may remove the

Security Agent and appoint a replacement Security Agent in accordance with Secured Fully Floating W&C Instruments Condition 3.7 and the terms of the Security Agency Agreement.

Neither the Issuer nor any Holder shall be entitled to enforce a Triparty Account Control Agreement or the Custodian Agreement or to proceed directly against the Collateral Agent or the Custodian to enforce the terms of the relevant Triparty Account Control Agreement or the Custodian Agreement (as applicable). Neither the Collateral Agent nor the Custodian shall have any liability to the Issuer or any Holder as to the consequence of any actions taken by the Collateral Agent or Custodian (as applicable).

## 6.5 Application and distribution of proceeds of enforcement

6.5.1 In connection with the enforcement of the security constituted by the relevant Deed of Charge, after the realisation and liquidation of the relevant Collateral Assets in accordance with Secured Fully Floating W&C Instruments Condition 6.6, the Security Agent (acting in accordance with an Acceleration Instruction) shall instruct the Disposal Agent to use the proceeds of such realisation and liquidation of the Collateral Assets to make payment of any amounts payable to the Secured Parties ranking prior to the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms and to notify the Secured W&C Instruments Valuation Agent of the Collateral Enforcement Proceeds. Following such payment the Secured W&C Instruments Valuation Agent shall determine the Collateral Enforcement Proceeds Share (if any) in respect of each Non-Waived W&C Instrument and shall notify such amount to the Security Agent, the Disposal Agent and to the Holders in accordance with W&C Instruments Condition 12 (*Notices*).

6.5.2 Subject as provided below, the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall apply the remaining proceeds from the realisation of the relevant Collateral Assets in a Collateral Pool in meeting the claims of Holders in respect of the Early Settlement Amount payable under each Non-Waived W&C Instrument which is secured by the relevant Collateral Pool *pro rata* to the Collateral Enforcement Proceeds Share of each such Non-Waived W&C Instrument.

6.5.3 If the Collateral Enforcement Proceeds Share for a particular Non-Waived W&C Instrument is greater than the Early Settlement Amount of such Non-Waived W&C Instrument, then:

(a) where "NV Collateralisation" or "Max (NV,MV) Collateralisation" is specified to be applicable in the applicable Final Terms, such Holder shall be entitled to receive from the Collateral Enforcement Proceeds Share up to the greater of:

(i) the product of (A) the Collateralisation Percentage, multiplied by (B) the Notional Amount of such Non-Waived W&C Instrument; and

(ii) the Early Settlement Amount,

(the greater of the amounts in sub-paragraphs (i) and (ii) shall be the "**NV Collateralisation Enforcement Proceeds Cap**"). Any excess amount of the Collateral Enforcement Proceeds Share over the NV Collateralisation Enforcement Proceeds Cap will be distributed to the Secured Parties ranking after the Holders of Non-Waived Secured W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms; or

(b) where "MV Collateralisation" or "Min (NV,MV) Collateralisation" is specified to be applicable in the applicable Final Terms, the Holder is only entitled to receive from the Collateral Enforcement Proceeds Share an amount equal to the Early Settlement Amount. Any excess amount of the Collateral Enforcement Proceeds Share over the Early Settlement Amount will not be distributed to such Holder but will be distributed to the Secured Parties ranking after the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms.

6.5.4 Where the Collateral Enforcement Proceeds Share for a particular Secured W&C Instrument is less than the Early Settlement Amount (such amount being a "Collateral Enforcement Loss

Amount"), such Holder will not be entitled to any further recourse against the Issuer or the Secured W&C Instruments Collateral Provider for such Collateral Enforcement Loss Amount.

- 6.5.5 The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall determine the date for distribution of the remaining proceeds to Holders in accordance with Secured Fully Floating W&C Instruments Condition 6.5.2 and shall notify such date to the relevant Instrument Agent and the relevant Instrument Agent shall notify Holders in accordance with W&C Instruments Condition 12 (*Notices*).
- 6.5.6 Moneys held by the Security Agent shall be deposited in its name in an account at such bank or other financial institution as the Security Agent may, acting in good faith and in a commercially reasonable manner, think fit. Any interest paid by such bank or financial institution on such moneys shall be deemed to be Collateral Assets.
- 6.5.7 To the extent that any proceeds from the liquidation or realisation of the relevant Collateral Assets in a Collateral Pool are not in the Settlement Currency, then such proceeds shall be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), having regard to then current rates of exchange. Any rate, method and date so specified shall be binding on the Issuer, the Secured W&C Instruments Collateral Provider and the Holders.

## 6.6 Method of realisation of Collateral Assets

Subject as may otherwise be provided for in these Secured Fully Floating W&C Instruments Conditions, in effecting the sales, the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) may sell the relevant Collateral Assets in one single tranche or in smaller tranches as it considers appropriate in order to attempt reasonably to maximise the proceeds from such sale. The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) may effect sales of the Collateral Assets (a) on any securities exchange or quotation service on which the Collateral Assets may be listed or quoted, (b) in the over-the-counter market or (c) in transactions otherwise than on such exchanges or in the over-the counter market.

Where the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) disposes of any Collateral Assets other than on any securities exchange or quotation service on which the Collateral Assets may be listed or quoted then:

- (a) the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall seek firm bid quotations from at least three independent dealers in assets similar in nature to the relevant Collateral Assets (and, for such purpose, it may seek quotations in respect of such Collateral Assets in their entirety or in respect of a designated part or proportion thereof, as it considers appropriate in order to maximise the proceeds of the sale of such Collateral Assets);
- (b) for the purposes of obtaining the quotations referred to in (a) above, the Security Agent or the Disposal Agent may itself provide a bid in respect of the relevant Collateral Assets or any part or proportion thereof; and
- (c) the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall be authorised to accept without liability to any party in respect of each relevant part or proportion of the Collateral Assets or, as applicable, the entirety of the relevant Collateral Assets the highest quotation so obtained (which may be a quotation from the Security Agent or the Disposal Agent (when providing such quotations itself, the Security Agent or the Disposal Agent shall act in a commercially reasonable manner)).

Notwithstanding any other provision of these Secured Fully Floating W&C Instruments Conditions, following receipt by the Security Agent of notice of an Acceleration Event, the Security Agent shall be entitled in its sole discretion to instruct the Disposal Agent to liquidate, dispose or realise any of the Collateral Assets at any time and without regard to any of the provisions of the Secured Fully Floating W&C Instruments Conditions with respect to

method, price or time of such realisation, in order to satisfy any Security Agent Amounts, and without liability to any party for any such action.

#### 6.7 **Inability to realise Collateral Assets**

If the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) is unable to sell the relevant Collateral Assets on any securities exchange or quotation service on which the Collateral Assets may be listed or quoted or obtain the three quotations required for the sale of one or more Collateral Assets, in each case pursuant to Secured Fully Floating W&C Instruments Condition 6.6, for a period of one year from the date of the relevant Acceleration Instruction (such Collateral Assets being "**Non-Realised Collateral Assets**"), then notwithstanding any other provision hereof, the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall be entitled without liability to any party to sell such Non-Realised Collateral Assets by accepting the first available price for such Non-Realised Collateral Assets.

#### 6.8 **Physical Delivery of Collateral Assets**

6.8.1 Where "Physical Delivery of Collateral Assets" is specified to be applicable in the applicable Final Terms, following enforcement of a Deed of Charge, the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall:

- (a) firstly, apply any Cash held in the Collateral Account in payment of any amounts payable to the Secured Parties ranking prior to the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms; and
- (b) secondly, to the extent that any Cash held in the Collateral Account is insufficient to make payment of any amounts payable to the Secured Parties ranking prior to the Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms, liquidate or realise in accordance with Secured Fully Floating W&C Instruments Condition 6.6 an amount of Collateral Assets sufficient to make the payment of the remainder of such amounts in accordance with the Order of Priority specified in the applicable Final Terms,

the aggregate amount of Collateral Assets remaining in the relevant Collateral Account following such distribution of Cash and liquidation or realisation in accordance with this Secured Fully Floating W&C Instruments Condition 6.8.1, the "**Remaining Collateral Assets**". The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall notify the Secured W&C Instrument Valuation Agent of the Collateral Assets comprising the Remaining Collateral Assets.

6.8.2 The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) will notify the relevant Instrument Agent and the relevant Instrument Agent will notify Holders of the relevant Collateral Delivery Date in accordance with W&C Instruments Conditions 12 (*Notices*) and:

- (a) the Secured W&C Instruments Valuation Agent shall aggregate the Unrounded Collateral Assets Entitlement (excluding any Cash) in respect of all Non-Waived W&C Instruments of such Series held by each such Holder and will round down such aggregated Unrounded Collateral Assets Entitlement to the nearest tradable unit of each type of Collateral Asset (the "**Entitlement**" in respect of such Holder);
- (b) the Secured W&C Instruments Valuation Agent shall notify the Entitlement in respect of each Holder to the Security Agent and the Disposal Agent and to the Holders in accordance with W&C Instruments Condition 12 (*Notices*);
- (c) the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall deliver the relevant Entitlement to the Holders of the Non-Waived W&C Instruments secured by the relevant Collateral Pool in accordance with the method of transfer of

Collateral Assets specified in W&C Instruments Condition 24(C)(b) or 30(C)(b) (provided that no Expenses shall be payable), as applicable (and each reference in those W&C Instruments Conditions to "Issuer" shall be deemed to be a reference to "Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent)"); and

- (d) the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall realise and liquidate in accordance with Secured W&C Instruments Condition 6.6 the number or fraction of Collateral Assets which it is not possible to deliver to a Holder following rounding by the Secured W&C Instruments Valuation Agent in accordance with sub-paragraph (a) above as notified to the Security Agent and the Disposal Agent in accordance with sub-paragraph (b) above and shall notify the Secured W&C Instruments Valuation Agent of the amount of the proceeds of such realisation and liquidation. The Secured W&C Instruments Valuation Agent shall notify the Fractional Cash Amount in respect of each Holder to the Security Agent and the Disposal Agent and to the Holders in accordance with W&C Instruments Condition 12 (*Notices*). The Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall pay the relevant Fractional Cash Amount to each Holder.

Delivery of such Entitlement and payment of such Fractional Cash Amount shall fully extinguish the Issuer's obligations in respect of the relevant Secured W&C Instruments notwithstanding that the value of the Entitlement so delivered and Fractional Cash Amount so paid may be less than the market value and/or nominal value of the relevant Secured W&C Instrument.

- 6.8.3 A Holder is only entitled to receive its Entitlement (and any Fractional Cash Amount) and delivery thereof is subject to Secured Fully Floating W&C Instruments Condition 6.9. Any remaining Collateral Assets will be liquidated by the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) and the proceeds thereof distributed to the Secured Parties ranking after Holders of Non-Waived W&C Instruments in accordance with the Order of Priority specified in the applicable Final Terms.
- 6.8.4 Where the Entitlement for a particular Holder is less than the sum of the Early Settlement Amounts that would be payable in respect of each Non-Waived W&C Instrument held by such Holder if "Physical Settlement of Collateral Assets" were deemed to be not applicable (such loss amount, the "**Collateral Enforcement Loss Amount**"), such Holder shall not be entitled to any further recourse against the Issuer, the Secured W&C Instruments Collateral Provider or any other party for such Collateral Enforcement Loss Amount.
- 6.8.5 W&C Instruments Condition 5 shall not apply in respect of Secured W&C Instruments.
- 6.8.6 To the extent that any Cash in a Collateral Pool is not in the Settlement Currency, such Cash shall be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), having regard to then current rates of exchange. Any rate, method and date so specified shall be binding on the Issuer, the Secured W&C Instruments Collateral Provider and the Holders.
- 6.8.7 For the purposes of these Secured Fully Floating W&C Instruments Conditions, the following definitions will apply:

"**Collateral Delivery Date**" means, in relation to a Series of Secured W&C Instruments where "Physical Delivery of Collateral Assets" is applicable, the date on which the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) intends to deliver the Entitlement to Holders.

"**Fractional Cash Amount**" means, in respect of a Holder, an amount in the Settlement Currency determined by the Secured W&C Instruments Valuation Agent as the sum of:

- (a) the pro rata share of the proceeds of such realisation and liquidation of such Holder whose Entitlement is subject to rounding (determined by the Secured W&C

Instruments Valuation Agent in respect of each Holder, on the basis of the difference between the aggregated Unrounded Collateral Assets Entitlement of such Holder minus the Entitlement of such Holder); plus

- (b) the pro rata share of any Cash comprised in the Remaining Collateral Assets of such Holder (determined by the Secured W&C Instruments Valuation Agent in respect of each Holder, on the basis of the aggregated Unrounded Collateral Assets Entitlement of such Holder).

**"Remaining Collateral Assets"** has the meaning given in Secured Fully Floating W&C Instruments Condition 6.8.1.

**"Unrounded Collateral Assets Entitlement"** means, for each Non-Waived W&C Instrument in a Series of Secured W&C Instruments, the lesser of:

- (a) Collateral Assets with a Market Value equal to the Market Value of the Collateral Assets comprising such Non-Waived W&C Instrument's *pro rata* share of the Remaining Collateral Assets, in each case, as determined by the Collateral Agent in respect of the Secured W&C Instrument Valuation Time for the Collateral Test Date immediately preceding delivery of the Collateral Enforcement Notice; and
- (b) Collateral Assets with a Market Value determined by the Collateral Agent in respect of the Secured W&C Instrument Valuation Time for the Collateral Test Date immediately preceding delivery of the Collateral Enforcement Notice equal to, if the applicable Final Terms specify:
  - (i) "NV Collateralisation" or "Max (NV,MV) Collateralisation" to be applicable, the greater of:
    - (A) the product of (I) the Collateralisation Percentage, multiplied by (II) the Notional Amount of such Non-Waived W&C Instrument; and
    - (B) the Early Settlement Amount in respect of such Non-Waived W&C Instrument; or
  - (ii) "MV Collateralisation" or "Min (NV,MV) Collateralisation" to be applicable, the Early Settlement Amount in respect of such Non-Waived W&C Instrument,

in each case, as determined by the Secured W&C Instruments Valuation Agent.

## 6.9 Physical Delivery of Collateral Assets Disruption Event

- 6.9.1 If, in the opinion of the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), delivery of all or some of the Collateral Assets forming part of the Entitlement using the method of delivery specified in W&C Instruments Condition 24(C)(b) or 30(C)(b) (as applicable and as notified to the Disposal Agent by the Security Agent), or such other commercially reasonable manner as the Security Agent, or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), has determined, is not practicable by reason of a Physical Delivery of Collateral Assets Disruption Event having occurred and continuing on any Collateral Delivery Date, then such Collateral Delivery Date shall be postponed to the first following Collateral Business Day in respect of which there is no such Physical Delivery of Collateral Assets Disruption Event, provided that the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) may elect in its sole discretion and without liability to any party to deliver the Collateral Assets forming part of the Entitlement in such other commercially reasonable manner as it may select and in such event the Collateral Delivery Date shall be such day as the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) deems appropriate in connection with delivery of the Collateral Assets forming part of the Entitlement in such other commercially reasonable manner.

Where a Physical Delivery of Collateral Assets Disruption Event affects some but not all of the Collateral Assets forming part of the Entitlement due to be delivered to a Holder, the

Collateral Delivery Date for those Collateral Assets forming part of the Entitlement which are able to be delivered will be the Collateral Delivery Date on which such Collateral Assets are delivered.

- 6.9.2 If delivery of any Collateral Assets forming part of the Entitlement is not possible due to the occurrence of a Physical Delivery of Collateral Assets Disruption Event for a period of greater than 20 Collateral Business Days, then in lieu of physical settlement and notwithstanding any other provision hereof, the Security Agent (acting in accordance with an Acceleration Instruction) or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall sell or realise the Undeliverable Collateral Assets in the manner set out in Secured Fully Floating W&C Instruments Condition 6.6 and deliver the proceeds thereof to Holders.
- 6.9.3 If the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) is unable to either sell the Collateral Assets on any securities exchange or quotation service on which the Collateral Assets may be listed or quoted or obtain the three quotations required for the sale of the Collateral Assets, in each case pursuant to Secured Fully Floating W&C Instruments Condition 6.6, the Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent) shall be entitled, without the Security Agent or the Disposal Agent incurring any liability to any party, to accept the first available price for such Collateral Assets.

The Security Agent or the Disposal Agent (acting on behalf of and at the instruction of the Security Agent), shall give notice as soon as practicable to the relevant Instrument Agent and the relevant Instrument Agent will give notice as soon as practicable to Holders in accordance with W&C Instruments Condition 12 (*Notices*) that a Physical Delivery of Collateral Assets Disruption Event has occurred. No Holder shall be entitled to any payment in respect of the relevant Non-Waived W&C Instruments in the event of any delay in the delivery of the Collateral Assets forming part of the Entitlement due to the occurrence of a Physical Delivery of Collateral Assets Disruption Event and no liability in respect thereof shall attach to the Issuer, the Secured W&C Instruments Collateral Provider, the Security Agent or the Disposal Agent.

#### 6.10 **Replacement Secured W&C Instruments Valuation Agent**

If, following the delivery of a Collateral Enforcement Notice, the Secured W&C Instruments Valuation Agent fails to make the applicable calculations and determinations specified in this Secured Fully Floating W&C Instruments Condition 6, or fails to notify the Security Agent or the Disposal Agent of the results of such calculations and determinations, within a reasonable time and in any event within 20 Collateral Business Days of receipt of a written request from the Security Agent and/or Disposal Agent (acting on behalf of and at the instruction of the Security Agent) that it make such calculations and determinations, then the Security Agent shall as soon as reasonably practicable appoint a replacement Secured W&C Instruments Valuation Agent (a "**Replacement Secured W&C Instruments Valuation Agent**") in accordance with Secured Fully Floating W&C Instruments Condition 3.7.

#### 7. **Segregation of Collateral Pools and Limited Recourse and Non-Petition**

By acquiring and holding Secured W&C Instruments, Holders will be deemed to acknowledge and agree that the obligations of the Issuer to the Holders are limited in recourse to the Collateral Assets contained in the relevant Collateral Pool securing such Series of Secured W&C Instruments. If:

- (a) there are no relevant Collateral Assets in the relevant Collateral Pool remaining which are capable of being realised or otherwise converted into cash;
- (b) all amounts available from the relevant Collateral Assets in the relevant Collateral Pool have been applied to meet or provide for the relevant obligations specified in, and in accordance with, the provisions of the relevant Deed of Charge, the Security Agency Agreement and these Secured Fully Floating W&C Instruments Conditions; and

- (c) there are insufficient amounts available from the relevant Collateral Assets in the relevant Collateral Pool to pay in full, in accordance with the provisions of the relevant Deed of Charge, the Security Agency Agreement and these Secured Fully Floating W&C Instruments Conditions, amounts outstanding under the Secured W&C Instruments (including payments of principal, premium (if any) and interest),

then the Holders of such Secured W&C Instruments shall have no further claim against the Issuer or the Secured W&C Instruments Collateral Provider in respect of any amounts owing to them which remain unpaid (including, for the avoidance of doubt, payments of principal, premium (if any) and/or interest in respect of the Secured W&C Instruments). In particular, no Holder shall be entitled to have recourse to the Collateral Assets contained in a Collateral Pool other than the Collateral Pool which secures the Secured W&C Instruments held by such Holder. The Secured W&C Instruments are not guaranteed by the Guarantor or any other entity and therefore Holders will have no claim against the Guarantor or any other entity in respect of any such amounts owing to them which remain unpaid.

8. **Collateral Disruption Events**

Upon the occurrence, as determined by the Secured W&C Instruments Valuation Agent, of a Collateral Disruption Event, the Issuer may at its option and in its sole discretion give notice to the Holders in accordance with W&C Instruments Condition 12 (*Notices*) and cancel all but not some only of the Secured W&C Instruments of the relevant Series at the Early Settlement Amount on the date specified by the Issuer in the notice to Holders, provided that such date shall be no later than two Business Days following the date of such notice.

9. **Release of Security**

The security constituted by the relevant Deed of Charge will be released in relation to Collateral Assets that are withdrawn from the Collateral Account in accordance with Secured Fully Floating W&C Instruments Condition 4.4 or Secured Fully Floating W&C Instruments Condition 4.5 and in accordance with the provisions of the relevant Deed of Charge.

## ANNEX 15

### ADDITIONAL TERMS AND CONDITIONS FOR SWISS COSIs

If "Collateralisation" is specified as applicable in the applicable Final Terms, the terms and conditions applicable to Swiss W&C Instruments shall comprise the terms and conditions of the W&C Instruments and the additional terms and conditions for Swiss COSIs set out below and as further described under section "Collateral-Secured Instruments (COSIs)".

Swiss COSIs are collateralised in accordance with the terms of the SIX Swiss Exchange «Framework Agreement for Collateral-Secured Instruments (COSI)» (the "**Framework Agreement**"), dated 24 May 2012, between SIX Swiss Exchange, SIS, MLICo. and Merrill Lynch Capital Markets AG, Zurich, Switzerland (the "**Swiss COSI Collateral Provider**"). The Swiss COSI Collateral Provider undertakes to secure the Current Value of the Swiss COSIs at any given time as well as the further claims listed in the Framework Agreement in accordance with the provisions of the Framework Agreement. The Holders are not party to the Framework Agreement. The Framework Agreement constitutes an integral part of this Offering Circular.

In the event of any contradiction between the provisions of this Offering Circular and the applicable Final Terms and the Framework Agreement, the Framework Agreement takes precedence. The Issuer shall, upon request, provide the Framework Agreement to investors free of charge in the original German version or in an English translation. The Framework Agreement may be obtained from Merrill Lynch Capital Markets AG, Stockerhof, Stockerstrasse 23, 8002 Zurich, Switzerland via telephone +41 44 297 75 93, fax +41 44 291 33 41 or via e-mail: [dg.ogc\\_zurich@baml.com](mailto:dg.ogc_zurich@baml.com).

## COLLATERAL-SECURED INSTRUMENTS (COSIs)

Swiss COSIs are collateralised in accordance with the terms of the SIX Swiss Exchange «Framework Agreement for Collateral-Secured Instruments (COSI)». Merrill Lynch Capital Markets AG, Zurich, Switzerland (the "**Swiss COSI Collateral Provider**") undertakes to secure the value of the Swiss COSIs at any given time as well as the further claims listed in the Framework Agreement.

Security must be provided to SIX Swiss Exchange in the form of a regular right of lien. The collateral is booked to a SIX Swiss Exchange account with SIX SIS. Investors do not themselves have a surety right to the collateral. The Swiss COSIs and the collateral shall be valued on each banking day. The Swiss COSI Collateral Provider shall be obliged to adjust the collateral to any changes in value. Permitted forms of collateral shall be selected by SIX Swiss Exchange on an ongoing basis from various categories of securities. The Issuer shall, upon enquiry, inform investors about the collateral that is permitted as security for the Swiss COSIs at any given time. The Swiss COSI Collateral Provider shall pay SIX Swiss Exchange a fee for the service regarding the collateralisation of the Swiss COSIs. A change of Swiss COSI Collateral Provider shall be notified in accordance with the provisions of this Offering Circular.

**Documentation.** The collateralisation in favour of SIX Swiss Exchange is based on the «Framework Agreement for Collateral-Secured Instruments (COSI)» between SIX Swiss Exchange, SIX SIS, MLICo. and the Swiss COSI Collateral Provider dated 24 May 2012 ("**Framework Agreement**"). The investor is not party to the Framework Agreement. **The Framework Agreement constitutes an integral part of this Offering Circular.** In the event of any contradiction between the provisions of this Offering Circular and the Framework Agreement, the Framework Agreement takes precedence. The Issuer shall, upon request, provide the Framework Agreement to investors free of charge in the original German version or in an English translation. The Framework Agreement may be obtained from Merrill Lynch Capital Markets AG, Stockerhof, Stockerstrasse 23, 8002 Zurich, Switzerland via telephone +41 44 297 75 93, fax +41 44 291 33 41 or via e-mail: dg.ogc\_zurich@baml.com. The core elements of collateralisation of the Swiss COSIs are summarised in a SIX Swiss Exchange information sheet, which is available at «[www.six-swiss-exchange.com](http://www.six-swiss-exchange.com)».

**Collateralisation method.** The collateral that must be furnished by the Swiss COSI Collateral Provider is determined by the value of the Swiss COSIs at any given time (hereinafter "**Current Value**"). The Current Values shall be determined in the trading currency of the Swiss COSIs and converted into Swiss francs for the purpose of calculating the required collateral. The method for calculating the Current Value shall be determined for each series of Swiss COSIs upon application for (provisional) admission to trading and shall remain unchanged for the entire term of such series of Swiss COSIs. If prices for the Swiss COSIs calculated by third parties are available (so-called «Fair Values»), they are taken into account when determining the Current Value in accordance with the provisions of the rules and regulations of SIX Swiss Exchange. Otherwise, the determination of the Current Value will take into account the «bond floor pricing», as defined by the Swiss Federal Tax Administration, Berne (Switzerland). For as long as no bond floor is available for a series of Swiss COSIs that is subject to bond floor pricing, the Current Value shall correspond at least to the capital protection laid down in the redemption terms for such series of Swiss COSIs. If the final bid-side purchase price of the Swiss COSIs on the previous trading day on the SIX Structured Products Exchange is higher, the collateral requirement shall always be based on this latter price. If the aforementioned prices for Swiss COSIs are unavailable at any given time, then other prices shall be used to calculate the required collateral, in accordance with the rules and regulations of SIX Swiss Exchange. The Current Values required for the collateralisation of the Swiss COSIs shall be determined exclusively in accordance with the provisions of the «Special Provisions Governing Collateral-Secured Instruments» of SIX Swiss Exchange. The Current Value of a series of Swiss COSIs shall be determined according to either Method A: "Fair Value Method" or Method B: "Bond Floor Method" of the Special Provisions Governing Collateral-Secured Instruments of SIX Swiss Exchange.

**Distribution and market making.** The distribution of the Swiss COSIs shall be the responsibility of the Issuer. The Issuer undertakes to ensure that market making for the Swiss COSIs is in place.

**Risks.** Collateralisation eliminates the issuer default risk only to the extent that the proceeds from the liquidation of collateral upon occurrence of a Liquidation Event (less the costs of liquidation and payout) are able to meet the investors' claims. The investor bears the following risks, among others: (i)

the Swiss COSI Collateral Provider is unable to supply the additionally required collateral if the value of the Swiss COSIs rises or the value of the collateral decreases; (ii) in a Liquidation Event, the collateral cannot be liquidated immediately by SIX Swiss Exchange because of factual hindrances or because the collateral must be handed over to the executory authorities for liquidation; (iii) the market risk associated with the collateral results in insufficient liquidation proceeds or, in extreme circumstances, the collateral might lose its value entirely until the liquidation can take place; (iv) the maturity of Swiss COSIs in a foreign currency according to the Framework Agreement may result in losses for the investor because the Current Value (determinant for the investor's claim against the Issuer) is set in the foreign currency, while payment of the pro-rata share of net liquidation proceeds (determinant for the extent to which the investor's claim against the Issuer is satisfied) is made in Swiss francs; (v) the collateralisation is challenged according to the laws governing debt enforcement and bankruptcy, so that the collateral cannot be liquidated according to the terms of the Framework Agreement for the benefit of the investors in Swiss COSIs.

**Liquidation of collateral.** If the Swiss COSI Collateral Provider fails to fulfil its obligations, the collateral will be liquidated by SIX Swiss Exchange or a liquidator under the terms of the applicable legal regulations. The collateral may be liquidated ("**Liquidation Events**") if (i) the Swiss COSI Collateral Provider fails to furnish the required collateral, fails to do so in due time, or if the collateral that is provided is not free from defects, unless any such defect is remedied within three banking days; (ii) the Issuer fails to fulfil a payment or delivery obligation under any Swiss COSIs upon maturity according to the issuing conditions, fails to do so in due time, or if its fulfilment of such obligations is defective, unless any such defect is remedied within three banking days; (iii) the Swiss Financial Market Supervisory Authority FINMA orders protective measures with regard to the Issuer or the Swiss COSI Collateral Provider under Article 26 paragraph 1 letter (f) to (h) of the Federal Act on Banks and Savings Banks, or restructuring measures or the liquidation (winding-up proceedings) under Article 25 et seq. of the Federal Act on Banks and Savings Banks; (iv) a foreign financial market supervisory authority, another competent foreign authority or a competent foreign court orders an action that is comparable with that described in item (iii) above; (v) the market making obligation is breached for ten consecutive banking days; (vi) the Swiss COSI Collateral Provider's participation at SIX SIS ceases; (vii) the provisional admission of the Swiss COSIs to trading lapses or is cancelled and the Issuer fails to satisfy investors' claims according to the issuing conditions of the Swiss COSIs within 30 banking days of the lapse or cancellation of the provisional admission; or (viii) the Swiss COSIs are delisted upon application by the Issuer or for any other reason, and the Issuer fails to satisfy investors' claims according to the issuing conditions of the Swiss COSIs within thirty (30) banking days of the last trading day. The Framework Agreement provides for the exact time at which each Liquidation Event occurs. The remedy of a Liquidation Event is not possible.

**Determination of a Liquidation Event.** SIX Swiss Exchange is not required to undertake investigations with regard to the occurrence of a Liquidation Event. In determining the occurrence of a Liquidation Event, it bases its decision on reliable sources of information only. SIX Swiss Exchange determines with binding effect for the investors that an incident qualifies as a Liquidation Event and at what point in time the Liquidation Event occurred.

**Procedure in case of a Liquidation Event.** If a Liquidation Event occurs, SIX Swiss Exchange is at its own discretion entitled: (i) to make public the occurrence of a Liquidation Event immediately or at a later stage in suitable form, specifically in a newspaper with a national distribution and on the SIX Swiss Exchange website; as well as (ii) to liquidate immediately or at a later stage – without regard to the amount of unsatisfied claims – all existing collateral on a private basis, provided the applicable legal regulations or regulatory orders do not prohibit such private liquidation (and, if a private liquidation is not possible, hand the collateral over to the competent person for liquidation). Once a Liquidation Event has occurred, trading in all Swiss COSIs of the Issuer may be suspended, and the Swiss COSIs of the Issuer may be delisted.

**Maturity of the Swiss COSIs as well as investors' claims against SIX Swiss Exchange and the Issuer.** All of the Issuer's Swiss COSIs under the Framework Agreement shall fall due for redemption 30 banking days after a Liquidation Event has occurred. SIX Swiss Exchange shall make public the due date in a newspaper with a national distribution, as well as on the SIX Swiss Exchange website.

**Investors' claims against SIX Swiss Exchange for the payment of their pro-rata share of the net liquidation proceeds** arise automatically only once the Swiss COSIs have fallen due for redemption. Investors' claims against SIX Swiss Exchange are based on a genuine contract in favour of third parties (Article 112 paragraph 2 of the Swiss Code of Obligations) which is irrevocable on the part of the

Swiss COSI Collateral Provider. The acquisition of a Swiss COSI by an investor automatically entails the declaration vis-à-vis SIX Swiss Exchange, as described in Art. 112 paragraph 3 of the Swiss Code of Obligations, that he wishes to enforce his right under the Framework Agreement at maturity of the Swiss COSI. In dealings with SIX Swiss Exchange and SIX SIS, the investors are bound by the provisions of the Framework Agreement, specifically the **choice of Swiss law and the exclusive jurisdiction of the Commercial Court of Canton Zurich (Switzerland)**.

If a Liquidation Event has occurred, SIX Swiss Exchange will determine the Current Values of all Swiss COSIs of the Issuer in the respective trading currency with binding effect for the Issuer, the Swiss COSI Collateral Provider and the investors. Investors' claims against the Issuer will be based on these Current Values when the Swiss COSIs mature in accordance with the Framework Agreement. The Current Values of the Swiss COSIs on the banking day immediately preceding the date on which the Liquidation Event occurred shall be applicable. SIX Swiss Exchange shall make public the applicable Current Values of the Swiss COSIs.

**Costs of liquidation and payout for the benefit of the investors.** The costs incurred in connection with the liquidation and payout (including taxes and duties, as well as consulting fees) shall, in advance, be covered out of the proceeds of the liquidation of the collateral. For this purpose, SIX Swiss Exchange shall deduct a flat-rate fee of 0.1 per cent. from the entire liquidation proceeds for its own expenses and for the expenses of third parties. In addition, SIX Swiss Exchange shall be entitled to satisfy, in advance out of the proceeds of the liquidation of the collateral, any outstanding claims it holds against the Swiss COSI Collateral Provider and the Issuer under the terms of the Framework Agreement. The remaining net liquidation proceeds are available for payout to the investors in Swiss COSIs of the Issuer.

SIX Swiss Exchange will transfer the pro-rata share of net liquidation proceeds due to investors to SIX SIS participants. In doing so, it is released from all further obligations. The amounts transferred are determined by the holdings of Swiss COSIs that are booked to participant accounts with SIX SIS. If the Issuer which, according to the Framework Agreement, is affected by the maturity of its Swiss COSIs, is a SIX SIS participant, then SIX Swiss Exchange and SIX SIS shall decide on a separate procedure for the payment of the pro-rata share of net liquidation proceeds to those investors who hold their Swiss COSIs via the Issuer. SIX Swiss Exchange may transfer the pro-rata share of net liquidation proceeds for these investors to one or more other SIX SIS participants or to one or more third parties, which will attend to the payment to investors in Swiss COSIs either directly or indirectly. In doing so, SIX Swiss Exchange is released from all further obligations. SIX Swiss Exchange may decide at its own discretion to have the payment of the pro-rata share of net liquidation proceeds for other or all investors in Swiss COSIs conducted by one or more other SIX SIS participants or by one or more third parties.

The payouts to investors are made exclusively in Swiss francs. The claim of the investors is non-interest-bearing. SIX Swiss Exchange is not liable to pay either default interest or damages should the payout be delayed for any reason.

The maximum claim of an investor to satisfaction from the net liquidation proceeds of collateral is determined by the sum of the Current Values of his Swiss COSIs. Should the combined Current Values of all investors in the Issuer's Swiss COSIs exceed the net liquidation proceeds, payment of pro-rata shares of net liquidation proceeds to individual investors will be made according to the ratio between the total Current Values held by individual investors and the total Current Values accruing to all investors in Swiss COSIs of the Issuer.

In the case of Swiss COSIs in a different trading currency than the Swiss franc, SIX Swiss Exchange shall, with binding effect for the parties to the Framework Agreement and the investors, convert the Current Values into Swiss francs in order to determine the pro-rata share of net liquidation proceeds. The exchange rates according to the rules and regulations of SIX SIS on the banking day immediately preceding the date on which the Liquidation Event occurred, shall be applicable. The conversion of the Current Values of Swiss COSIs of a different trading currency than the Swiss franc pertains only to the amount and the effect of the payout of pro-rata net liquidation proceeds by SIX Swiss Exchange to investors in such Swiss COSIs and shall have no further effect on the relationship between the investor and the Issuer. SIX Swiss Exchange shall make public these values of the Swiss COSIs as well as the applicable exchange rates.

The investors' claims against the Issuer arising from the Swiss COSIs are reduced by the amount of the payment of the pro-rata net liquidation proceeds. In the case of Swiss COSIs of a different trading currency than the Swiss franc the reduction amount of the claim of the investor against the Issuer shall be determined in accordance with the conversion rate of the particular trading currency of the Swiss COSIs to the Swiss franc applicable on the banking day immediately preceding the date on which the Liquidation Event occurred.

No further investor claims exist against SIX Swiss Exchange, SIX SIS or other persons which are involved in the collateralisation service for Swiss COSIs under the terms of the Framework Agreement.

**Listing.** Apart from the listing of the Swiss COSIs on SIX Swiss Exchange the Issuer may apply for a listing or admission to trading on one or more other exchanges. All aspects and events related to listing or admission to trading of the Swiss COSIs on another exchange shall be disregarded under the Framework Agreement. In particular, prices of the Swiss COSIs on any exchange other than SIX Swiss Exchange are not taken into consideration for the calculation of the Current Value and events which are related to a listing or admission to trading of the Swiss COSIs on any exchange other than SIX Swiss Exchange, such as the suspension of the market making at an exchange other than SIX Swiss Exchange or the delisting of the Swiss COSIs from an exchange other than SIX Swiss Exchange, shall not be deemed a Liquidation Event under the Framework Agreement. SIX Swiss Exchange is at its own discretion entitled to make public the occurrence of a Liquidation Event and the maturity of the Swiss COSIs pursuant to the Framework Agreement in the countries where a listing or admission to trading of the Swiss COSIs on an exchange is maintained as well as to inform any such exchange or any other bodies about such occurrences.

**Liability.** The liability of parties to the Framework Agreement to pay damages exists only in cases of gross negligence or intentional misconduct. Further liability is excluded. SIX Swiss Exchange shall only be liable for third parties, which are mandated with the valuation of Swiss COSIs, in case of improper selection and instruction of such third parties. Where the payment of pro-rata shares of net liquidation proceeds of Swiss COSIs is made via SIX SIS participants to the extent these participants hold the Swiss COSIs in accounts at SIX SIS, SIX Swiss Exchange and SIX SIS are liable only for the careful instruction of these SIX SIS participants. If the payment is made via third parties or via SIX SIS participants in respect of Swiss COSIs that are not booked to these participants' accounts at SIX SIS, then SIX Swiss Exchange and SIX SIS are liable only for the careful selection and instruction.

**No authorisation.** Swiss COSIs do not constitute collective investment schemes pursuant to the Federal Act on Collective Investment Schemes (CISA). They do not require authorisation or supervision by the Swiss Financial Market Supervisory Authority FINMA.

**Congruence with the Programme.** This section "Collateral-Secured Instruments (COSIs)" corresponds to the SIX Swiss Exchange standard text. The provisions of this section "Collateral-Secured Instruments (COSIs)" take precedence in the event of contradiction between this section "Collateral-Secured Instruments (COSIs)" and the other content of this Offering Circular.

**Additional information.** The costs for the service provided by SIX Swiss Exchange with respect to the collateralisation of Swiss COSIs may be taken into account for the pricing of Swiss COSIs and may therefore be borne by the investors, as the case may be. With regard to the payment of the pro-rata share of the net liquidation proceeds the investor shall bear the solvency risks of SIX Swiss Exchange and the financial intermediaries along the payout chain. The payment to the investors may be delayed for factual or legal reasons. To the extent the calculation of the Current Value of a Swiss COSI proves to be incorrect, the collateralisation of the Swiss COSIs may be insufficient.

**FORM OF NON-COSI GUARANTEE**

FOR VALUE RECEIVED, the receipt of which is hereby acknowledged, BANK OF AMERICA CORPORATION, a corporation duly organised and existing under the laws of the State of Delaware ("**BAC**"), hereby unconditionally and irrevocably guarantees (the "**Guarantee**") to the holders (the "**Holders**") of Warrants and Certificates (other than in respect of Secured W&C Instruments (which are not guaranteed) and Swiss COSIs (for which BAC has entered into a separate guarantee)) issued on or after the date hereof by Merrill Lynch International & Co. C.V., a limited partnership of unlimited duration organised under the laws of Curaçao ("**MLICo.**"), and Notes and Certificates issued on or after the date hereof by Merrill Lynch B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of The Netherlands ("**MLBV**" and, together with and MLICo., the "**Issuers**" and each, an "**Issuer**"), in each case under the terms of the Amended and Restated English Law Agency Agreement dated 11 November 2015 (as the same may be amended, supplemented and/or restated from time to time in accordance with the terms thereof, the "**English Law Agency Agreement**") among BAC, MLBV, MLICo. and the Agents (as defined therein):

- (a) the due and punctual payment by the relevant Issuer of any and all amounts payable by such Issuer as obligor in respect of each Instrument (as defined below); and/or
- (b) subject as provided below, the due and punctual delivery of non-cash consideration deliverable by the relevant Issuer in respect of each Instrument, if applicable,

when and as the same shall become due and payable or when the same shall become due for delivery, as the case may be, pursuant to the terms of the Instruments issued on or after the date hereof. This Guarantee is one of payment when due and not of collection.

For the avoidance of doubt, any series of Instruments originally issued by the relevant Issuer pursuant to a guarantee issued by Merrill Lynch & Co., Inc. or BAC prior to the date hereof (each, an "**Original Guarantee**"), and any Instruments issued on or after the date hereof which are expressed to be consolidated and form a single series with any Instruments issued prior to the date hereof, shall continue to be governed by, and construed in accordance with, the terms of such Original Guarantee.

Except as provided above, any Instruments issued on or after the date hereof shall have the benefit of this Guarantee, but shall not have the benefit of any subsequent guarantee by BAC relating to Instruments issued by the relevant Issuer on or after the date of such subsequent guarantee (unless expressly so provided in any such subsequent guarantee).

Warrants and Certificates (other than Secured W&C Instruments and Swiss COSIs) are herein referred to as "**W&C Instruments**" and Notes issued by MLBV and W&C Instruments are herein referred to as "**Instruments**". For the avoidance of doubt, as used herein, Notes issued by BAC are excluded from the definition of Instruments.

**Notwithstanding that under the terms of the Instruments either (i) the relevant Issuer has the right (whether or not exercised) to vary the type of consideration due and payable or deliverable to a Holder or (ii) a Holder has the right (whether or not exercised) to vary the type of consideration due and payable or deliverable to it or (iii) the relevant Issuer is obligated to deliver non-cash consideration to Holders when the same shall become due and deliverable, BAC shall at all times have the right, at its sole and unfettered discretion, to elect not to deliver or procure delivery of the Entitlement to the Holders of such Instruments when the same shall become due and deliverable, but, in lieu thereof, to pay an amount in cash equal to the Guaranteed Cash Settlement Amount (calculated pursuant to the terms of, or as specified in, the Conditions and the Final Terms prepared with respect to such Instruments). Any payment of the Guaranteed Cash Settlement Amount in lieu of the Entitlement shall constitute a complete discharge of BAC's obligations in respect of such Instruments.**

Subject as provided above, in case of the failure of the relevant Issuer punctually to make any such payment or to perform any such delivery obligation, at the time and in the manner required under the terms and conditions of the relevant Instruments, BAC hereby agrees to make such payment or to perform such delivery obligation, as the case may be, or cause such payment to be made or to cause such delivery obligation to be performed, as the case may be, promptly upon demand in accordance

with the terms of the relevant Instruments; such demand must be made by the relevant Holder by the giving of written notice of such demand to BAC at Bank of America Corporation, Bank of America Corporate Center, Attention: Corporate Treasury—Global Funding Transaction Management, NC1-007-06-10, 100 North Tryon Street, Charlotte, North Carolina 28255, U.S.A., with a copy sent to BAC at Bank of America Corporation, Legal Department, Attention: General Counsel, NC1-027-20-05, 214 North Tryon Street, Charlotte, North Carolina 28255, U.S.A.; provided however, that delay in making such demand shall in no event affect BAC's obligations under this Guarantee. This Guarantee shall remain in full force and effect or shall be reinstated (as the case may be) if at any time any payment or delivery guaranteed hereunder, in whole or in part, is rescinded or must otherwise be returned by a Holder upon the insolvency, bankruptcy or reorganisation of the relevant Issuer or otherwise, all as though such payment or delivery had not been made.

BAC covenants in favour of each Holder who is a United States Alien or a Netherlands Non-resident that it will duly perform and comply with the obligations expressed to be undertaken by it in Note Condition 9 (*Taxation*). In particular, if in respect of any payment to be made under this Guarantee, any deduction or withholding for or on account of any present or future tax, assessment or other governmental charge of whatever nature is imposed, BAC shall pay the additional amounts referred to in Note Condition 9 (*Taxation*), all subject to and in accordance with the provisions of Note Condition 9 (*Taxation*).

BAC hereby agrees that its obligations hereunder shall be unconditional, irrespective of (i) the validity, regularity or enforceability (except as may result from any applicable statute of limitations) of any Instrument; (ii) the absence of any action to enforce any of the relevant Issuer's obligations with respect to any Instrument; (iii) any waiver or consent by any Holder concerning any provision of any Instrument; (iv) the rendering of any judgment against the relevant Issuer or any action to enforce the same; (v) any change in the relevant Issuer's name, or any reorganisation (whether by way of reconstruction, consolidation, amalgamation, merger, transfer, sale, lease or otherwise) of the relevant Issuer or its business; (vi) any consent by the relevant Issuer to judicial proceedings relating to itself under any applicable bankruptcy, liquidation, insolvency, composition, reorganisation or other similar laws; or (vii) any other circumstances that might otherwise constitute a legal or equitable discharge of a guarantor or a defence of a guarantor. BAC covenants that, subject as provided below, this Guarantee will not be discharged except by complete payment of the amounts payable under each Instrument and/or the complete performance of any obligation with respect to physical delivery to be performed under each Instrument, as applicable. This Guarantee shall continue to be effective if the relevant Issuer merges or consolidates with or into another entity, loses its separate legal identity or ceases to exist.

BAC hereby waives diligence; presentment; protest; notice of protest, acceleration or dishonour; filing of claims with any court in the event of insolvency or bankruptcy of the relevant Issuer; all demands whatsoever, except as noted above with respect to demand made by the relevant Holder in accordance with the terms of the relevant Instruments; and any right to require a proceeding first against the relevant Issuer.

BAC hereby represents and warrants that this Guarantee constitutes the valid and binding obligation of BAC and is enforceable in accordance with its terms.

The obligations of BAC under this Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, rank *pari passu* with its other present and future unsecured and unsubordinated contractual obligations.

This Guarantee shall not be valid or become obligatory for any purpose with respect to any Instrument until (i) in the case of an Instrument other than a Swedish Instrument, a Finnish Instrument or a Swiss Warrant or Swiss Certificate in uncertificated form, the Global Certificate, the Global Warrant, the Global Note, the Swiss Individual Certificate, the Swiss Individual Warrant Certificate, the Individual Note Certificate, the individual certificate or the individual warrant certificate, as applicable, representing such Instrument shall have been authenticated as provided in the English Law Agency Agreement; (ii) in the case of a Swedish Instrument, the issue of such Swedish Instrument has been duly registered in the book-entry system of the Swedish CSD; (iii) in the case of a Finnish Instrument, the issue of such Finnish Instrument has been duly registered in the book-entry system of Euroclear Finland; or (iv) in the case of a Swiss Warrant or a Swiss Certificate in uncertificated form, such Swiss Warrant or Swiss Certificate, as the case may be, (A) has been registered as an uncertificated security

(*Wertrechte*) in the uncertificated securities book (*Wertrechtebuch*) of the main register (*Hauptregister*) of SIS as intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) and (B) has been entered into the accounts of one or more participants of SIS.

Terms and expressions defined in the English Law Agency Agreement and the applicable Conditions shall have the same meanings when used in this Guarantee, except where the context otherwise requires.

This Guarantee shall be governed by, and construed in accordance with, the laws of the State of New York applicable to agreements made and to be performed in the State of New York.

The Instruments are governed by, and construed in accordance with, English law, and the Issuers have submitted to the exclusive jurisdiction of the English courts for the purposes of determining any legal action or proceeding relating thereto. BAC has not submitted to the jurisdiction of the English courts for any such purpose, and any legal action or proceedings arising out of or relating to this Guarantee shall be subject to the exclusive jurisdiction of the U.S. federal court in the Borough of Manhattan in the City and State of New York.

This Guarantee may be terminated at any time by written notice by BAC to the Issuers, and shall be effective upon receipt of such notice by the Issuers or such later date as may be specified in such notice; provided, however, that notwithstanding any such termination, this Guarantee shall continue in full force and effect with respect to all Instruments covered by this Guarantee already in issue at the date of such termination becoming effective.

IN WITNESS WHEREOF, BAC has caused this Guarantee to be executed in its corporate name by its duly authorised representative effective as of 11 November 2015.

## FORM OF SWISS COSI GUARANTEE

FOR VALUE RECEIVED, the receipt of which is hereby acknowledged, BANK OF AMERICA CORPORATION, a corporation duly organised and existing under the laws of the State of Delaware ("**BAC**"), hereby conditionally but irrevocably guarantees (the "**Swiss COSI Guarantee**") to the holders (the "**Holders**") of the Swiss COSIs issued on or after the date hereof by Merrill Lynch International & Co. C.V., a limited partnership of unlimited duration organised under the laws of Curaçao ("**MLICo.**" or the "**Issuer**"), under the terms of the Amended and Restated English Law Agency Agreement dated 11 November 2015 (as the same may be amended, supplemented and/or restated from time to time in accordance with the terms thereof, the "**English Law Agency Agreement**") among BAC, Merrill Lynch B.V., a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) incorporated under the laws of The Netherlands ("**MLBV**"), MLICo. and the Agents (as defined therein) and in accordance with the SIX Swiss Exchange «Framework Agreement for Collateral-Secured Instruments (COSI)» dated 24 May 2012 (the "**Framework Agreement**"), among the SIX Swiss Exchange Ltd, SIX SIS Ltd., MLICo. and Merrill Lynch Capital Markets AG, a stock corporation (Aktiengesellschaft) duly organised and existing under the laws of Switzerland (as "**Swiss COSI Collateral Provider**" under the Framework Agreement), the payment obligations of the Issuer to the extent of any Shortfall (as defined below) for the relevant Series of Swiss COSIs, upon demand and otherwise in accordance with this Swiss COSI Guarantee. Any and all obligations of BAC hereunder are conditional and secondary, it being understood and agreed that the Holders shall have no right to proceed under this Swiss COSI Guarantee until the SIX Swiss Exchange or other liquidator has liquidated all the collateral relating to the relevant Series of Swiss COSIs furnished by the Collateral Provider in accordance with the Framework Agreement and applicable law (the "**Collateral Enforcement Efforts**").

Subject as provided hereunder, in the event that the proceeds and other amounts received by the SIX Swiss Exchange or other liquidator after exhausting all Collateral Enforcement Efforts are insufficient to pay to the Holders the Current Value (as defined in the Framework Agreement) of the relevant Series of Swiss COSIs (the "**Shortfall**") and in case of the failure of the Issuer to punctually make payment of any such Shortfall when and as the same shall become due and payable, BAC hereby agrees to pay or cause to be paid promptly upon demand such additional amounts as are necessary to ensure that the Holders receive the Current Value of the relevant Series of Swiss COSIs as though there had been no Shortfall; such demand may only be made by the relevant Holders upon written notice to BAC at Bank of America Corporation, Bank of America Corporate Center, Attention: Corporate Treasury—Global Funding Transaction Management, NC1-007-06-10, 100 North Tryon Street, Charlotte, North Carolina 28255, U.S.A., with a copy sent to BAC at Bank of America Corporation, Legal Department, Attention: General Counsel, NC1-027-20-05, 214 North Tryon Street, Charlotte, North Carolina 28255, U.S.A.; provided however, so long as all Collateral Enforcement Efforts have been exhausted, that delay in making such demand shall in no event affect BAC's obligations under this Swiss COSI Guarantee. This Swiss COSI Guarantee shall remain in full force and effect or shall be reinstated (as the case may be) if at any time any amount guaranteed hereunder, in whole or in part, is rescinded or must otherwise be returned by the Holder upon the insolvency, bankruptcy or reorganisation of the Issuer or otherwise, all as though such payment had not been made.

BAC hereby agrees that, so long as all Collateral Enforcement Efforts have been exhausted, its payment obligations hereunder shall not be impaired or made invalid as a result of (i) any flaw in the validity, regularity or enforceability (except as may result from any applicable statute of limitations) of any Swiss COSI; (ii) the absence of any action to enforce any of the Issuer's obligations with respect to any Swiss COSI; (iii) any waiver or consent by any Holder concerning any provision of any Swiss COSI; (iv) the rendering of any judgment against the Issuer or any action to enforce the same; (v) any change in the Issuer's name, or any reorganisation (whether by way of reconstruction, consolidation, amalgamation, merger, transfer, sale, lease or otherwise) of the Issuer or its business; (vi) any consent by the Issuer to judicial proceedings relating to itself under any applicable bankruptcy, liquidation, insolvency, composition, reorganisation or other similar laws; or (vii) any other circumstances that might otherwise constitute a legal or equitable discharge of a guarantor or a defence of a guarantor. BAC covenants that, subject as provided below, this Swiss COSI Guarantee will not be discharged except by complete payment of the amounts equal to any Shortfall. This Swiss COSI Guarantee shall continue to be effective if the Issuer merges or consolidates with or into another entity, loses its separate legal identity or ceases to exist.

Provided that all Collateral Enforcement Efforts have been exhausted, BAC, with respect to the Shortfall, hereby waives diligence; presentment; protest; notice of protest, acceleration or dishonour; filing of claims with any court in the event of insolvency or bankruptcy of the Issuer; all demands whatsoever, except as noted above with respect to demand made by the relevant Holder in accordance with the terms of the relevant Swiss COSIs; and any right to require a proceeding first against the Issuer.

BAC hereby represents and warrants that this Swiss COSI Guarantee constitutes the valid and binding obligation of BAC and is enforceable in accordance with its terms.

The obligations of BAC under this Swiss COSI Guarantee, save for such exceptions as may be provided by applicable laws and regulations or judicial order, rank *pari passu* with its other present and future unsecured and unsubordinated contractual obligations.

This Swiss COSI Guarantee shall not be valid or become obligatory for any purpose with respect to a Series of Swiss COSIs until (a) the Swiss COSIs of such Series are issued in uncertificated form, entered into the main register (*Hauptregister*) of SIS and credited to the accounts of one or more participants of SIS such that the relevant Series of Swiss COSIs constitutes intermediated securities (*Bucheffekten*) within the meaning of the Swiss Federal Intermediated Securities Act (*Bucheffektengesetz*) and (b) the collateral for such Series of Swiss COSIs has been furnished by the Collateral Provider in accordance with the Framework Agreement.

Terms and expressions defined in the English Law Agency Agreement and the applicable Conditions shall have the same meanings when used in this Swiss COSI Guarantee, except where the context otherwise requires.

This Swiss COSI Guarantee shall be governed by, and construed in accordance with, the laws of the State of New York applicable to agreements made and to be performed in the State of New York.

The Swiss COSIs are governed by, and construed in accordance with, English law; however, BAC has not submitted to the jurisdiction of the English courts for the purpose of determining any legal action or proceeding relating to the Swiss COSIs, this Swiss COSI Guarantee or for any other purpose relating to the Swiss COSIs, and any legal action or proceeding arising out of or relating to this Swiss COSI Guarantee shall be subject to the exclusive jurisdiction of the U.S. federal court in the Borough of Manhattan in the City and State of New York.

This Swiss COSI Guarantee may be terminated at any time by written notice by BAC to the Issuer, and shall be effective upon receipt of such notice by the Issuer or such later date as may be specified in such notice; provided, however, that notwithstanding any such termination, this Swiss COSI Guarantee shall continue in full force and effect with respect to all Swiss COSIs covered by this Swiss COSI Guarantee already in issue at the date of such termination becoming effective.

IN WITNESS WHEREOF, BAC has caused this Swiss COSI Guarantee to be executed in its corporate name by its duly authorised representative on [     ].

## BOOK-ENTRY CLEARING SYSTEMS

*The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of DTC, Euroclear, Clearstream, Luxembourg, Clearstream, Frankfurt, Euroclear Finland, Euroclear Sweden or SIS (together, the "**Book-Entry Clearing Systems**") currently in effect. Investors wishing to use the facilities of any of the Book-Entry Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Book-Entry Clearing System. None of the relevant Issuer, the Guarantor and any agent party to the Agency Agreements will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Instruments held through the facilities of any Book-Entry Clearing System or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.*

### Book-Entry Systems

#### DTC

The following is based on information furnished to MLICo. by DTC:

DTC is a limited-purpose trust company organised under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("**Direct Participants**") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerised book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organisations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("**DTCC**"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("**Indirect Participants**"). The DTC rules applicable to its participants are on file with the SEC. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com). Information on that website is not included or incorporated by reference herein.

Purchases of Rule 144A Global Warrants held under the DTC system ("**DTC Warrants**") must be made by or through Direct Participants, which will receive a credit for the DTC Warrants on DTC's records. The ownership interest of each actual purchaser of each DTC Warrant ("**Beneficial Owner**"), is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the DTC Warrants are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in DTC Warrants, except in the event that use of the book-entry system for the DTC Warrants is discontinued or as may otherwise be described in such DTC Warrants.

To facilitate subsequent transfers, all DTC Warrants deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorised representative of DTC. The deposit of DTC Warrants with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the DTC Warrants; DTC's records reflect only the identity of the Direct Participants to whose accounts such DTC Warrants are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to DTC Warrants unless authorised by a Direct Participant in accordance with DTC's Money Market Instrument ("MMI") Procedures. Under its usual procedures, DTC mails an omnibus proxy to MLICo. as soon as possible after the record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the DTC Warrants are credited on the record date (identified in a listing attached to the omnibus proxy).

Cash payments on the DTC Warrants will be made by Cede & Co., or such other nominee as may be requested by an authorised representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from MLICo., on the applicable payment date in accordance with their respective holdings shown on DTC's records. Payments by participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of those participants and not DTC or its nominee, MLICo., the U.S. Warrant Agent or any other agent or party, subject to any statutory or regulatory requirements that may be in effect from time to time. Payments to Cede & Co. (or such other nominee as may be requested by an authorised representative of DTC) is the responsibility of MLICo. Disbursement of the payments to Direct Participants is the responsibility of DTC, and disbursements of the payments to the Beneficial Owners is the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the DTC Warrants at any time by giving reasonable notice to MLICo. Under such circumstances, in the event that a successor depository is not obtained, MLICo. will print and deliver individual warrant certificates.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that MLICo. believes to be reliable, but MLICo. takes no responsibility for the accuracy thereof.

*Euroclear Sweden*

Euroclear Sweden is a subsidiary within the Euroclear group of companies and a limited liability company incorporated in Sweden. It is authorised and regulated by the Swedish Financial Supervisory Authority as a central securities deposit within the meaning of the Swedish Financial Instruments Accounts Act (1998:1479 (as amended)) and as a clearing organisation within the meaning of the Swedish Securities Markets Act (2007:528 (as amended)).

Swedish Instruments will be issued in registered, uncertificated and dematerialised book-entry form with Euroclear Sweden in accordance with the Swedish CSD Rules. No physical notes, certificates or other physical instruments (whether in global, temporary or definitive form) will be issued in respect of the Swedish Instruments other than as specifically allowed in the Terms and Conditions of the Notes and the Terms and Conditions of the W&C Instruments.

All transactions relating to the Swedish Instruments (such as issuance, sale and transfer, pledge arrangements and other dispositions and redemptions) are executed as computerised book-entry registrations. Consequently, in order to effect such entries Holders must establish a book-entry account through a credit institution or a securities firm acting as an account operator with Euroclear Sweden. More information regarding Euroclear Sweden and its rules and operating procedures can be found at its internet web site at <http://www.euroclear.eu>.

**Book-Entry Ownership of and Payments in respect of DTC Warrants**

If a Rule 144A Global Warrant is to be registered in the name of a nominee of DTC, MLICo. will apply to DTC in order to have the Warrants represented by such Rule 144A Global Warrant accepted in its book-entry settlement system. Upon the issue of any Rule 144A Global Warrant to be held through DTC, DTC or its custodian will credit, on its internal book-entry system, the respective nominal amounts of the individual beneficial interests represented by such Rule 144A Global Warrant to the accounts of persons who have accounts with DTC. Ownership of beneficial interests in any such Rule 144A Global Warrant will be limited to Direct Participants or Indirect Participants, including the respective depositories of Euroclear and Clearstream, Luxembourg. Ownership of beneficial interests in any such Rule 144A Global Warrant held through DTC will be shown on, and the transfer of such ownership will be effected only through, records maintained by DTC or its nominee (with respect to the interests of Direct Participants) and the records of Direct Participants (with respect to interests of Indirect Participants).

Payments in U.S. dollars in respect of a Rule 144A Global Warrant registered in the name of DTC's nominee will be made to the order of such nominee as the registered holder of such Warrant. In the case of any payment in a currency other than U.S. dollars, payment will be made to the U.S. Warrant Agent on behalf of DTC's nominee and the U.S. Warrant Agent will (in accordance with instructions received by it) remit all or a portion of such payment for credit directly to the beneficial holders of interests in the Rule 144A Global Warrant held through DTC in the currency in which such payment was made and/or cause all or a portion of such payment to be converted into U.S. dollars and credited to the applicable participants' account.

MLICo. expects DTC to credit accounts of Direct Participants on the applicable payment date in accordance with their respective holdings as shown in the records of DTC unless DTC has reason to believe that it will not receive payment on such payment date. MLICo. also expects that payments by

participants to Beneficial Owners of Warrants will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers, and will be the responsibility of such participant and not the responsibility of DTC, the Principal Warrant Agent, the U.S. Warrant Agent or MLICo. Payments on Warrants to DTC are the responsibility of MLICo.

### **Transfers of Instruments Represented by Global Instruments**

Transfers of any interests in Instruments represented by a Global Warrant within DTC or a Global Instrument or Global Note within Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt will be effected in accordance with the customary rules and operating procedures of the relevant clearing system. The laws in some States within the United States require that certain persons take physical delivery of securities in definitive form. Consequently, the ability to transfer Warrants represented by a Global Warrant to such persons may depend upon the ability to exchange such Warrants for Warrants in definitive form. Similarly, because DTC can only act on behalf of Direct Participants in the DTC system who in turn act on behalf of Indirect Participants, the ability of a person having an interest in Warrants represented by a Global Warrant to pledge such Warrants to persons or entities that do not participate in the DTC system or to otherwise take action in respect of such Warrants may depend upon the ability to exchange such Warrants for Warrants in definitive form. The ability of any person having a beneficial interest in Warrants represented by a Global Warrant to resell, pledge or otherwise transfer such Warrants may be impaired if the proposed transferee of such Warrants is not eligible to hold such Warrants through a Direct or Indirect participant in the DTC system.

Subject to compliance with the transfer restrictions applicable to the Rule 144A Global Warrants and Regulation S/Rule 144A Global Warrants described under "Notice to Purchasers and Holders of Instruments and Transfer Restrictions", cross-market transfers between DTC, on the one hand, and directly or indirectly through Euroclear, Clearstream, Luxembourg accountholders, on the other, will be effected by the relevant clearing system in accordance with its rules and through action taken by the Principal Warrant Agent, the U.S. Warrant Agent and any custodian ("**Custodian**") with whom the relevant Global Warrants have been deposited.

On or after the Issue Date for any Instruments, transfers of such Instruments between accountholders in Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt and transfers of such Instruments between participants in DTC will generally have a settlement date three business days after the trade date (T+3). The customary arrangements for delivery versus payment will apply to such transfers.

Cross-market transfers between accountholders in Euroclear, Clearstream, Luxembourg and DTC participants will need to have an agreed settlement date between the parties to such transfer. Because there is no direct link between DTC, on the one hand, and Euroclear, Clearstream, Luxembourg, on the other, transfers of interests in the relevant Global Warrants will be effected through the Principal Warrant Agent, the U.S. Warrant Agent and the Custodian receiving instructions (and where appropriate certification) from the transferor and arranging for delivery of the interests being transferred to the credit of the designated account for the transferee. In the case of cross-market transfers, settlement between Euroclear, Clearstream, Luxembourg accountholders and DTC participants cannot be made on a delivery versus payment basis. The Warrants will be delivered on a free delivery basis and arrangements for payment must be made separately.

DTC, Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Global Instruments and Global Notes, as the case may be, among participants and accountholders of DTC, Euroclear, Clearstream, Luxembourg and Clearstream, Frankfurt. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuers, the Guarantor, the Instrument Agents and any Dealer will be responsible for any performance by DTC, Euroclear, Clearstream, Luxembourg or Clearstream, Frankfurt or their respective direct or indirect participants or accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Instruments represented by Global Instruments or Global Notes, as the case may be, or for maintaining, supervising or reviewing any records relating to such beneficial interests.

**NOTICE TO PURCHASERS AND HOLDERS OF INSTRUMENTS AND TRANSFER  
RESTRICTIONS**

*As a result of the following restrictions, purchasers of Instruments are advised to consult legal counsel prior to making any purchase, offer, sale, resale or other transfer of such Instruments.*

**Notes issued by BAC**

Neither the Notes issued by BAC nor, in certain cases, the securities to be delivered upon settlement of such Notes (if any) have been, or will be, registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**") or under any U.S. state securities laws. The Notes issued by BAC may not be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, within the United States of America (including the U.S. states and the District of Columbia), its territories, its possessions and other areas subject to its jurisdiction (the "**United States**") or to, or for the account or benefit of, U.S. persons (as defined by Regulation S ("**Regulation S**") under the Securities Act) (other than distributors) except in accordance with Regulation S under the Securities Act or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Neither the Notes issued by BAC nor certain Entitlements constitute, or have been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the U.S. Commodity Exchange Act of 1936, as amended (the "**CEA**"), and trading in the Notes issued by BAC has not been approved by the U.S. Commodity Futures Trading Commission (the "**CFTC**") pursuant to the CEA.

**Notes issued by MLBV and Certificates**

None of the Notes issued by MLBV or Certificates of any Series, the Non-COSI Guarantee and, in certain cases, any securities to be delivered upon exercise or settlement of such Notes or Certificates, have been, or will be, registered under the Securities Act or under any U.S. state securities laws. The Notes issued by MLBV, the Certificates of any Series, the Non-COSI Guarantee and certain Entitlements do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the CEA, and trading in such Notes issued by MLBV or the Certificates has not been approved by the CFTC pursuant to the CEA. No Notes issued by MLBV or Certificates of any Series, or interests therein, or Entitlements (if any) with respect thereto may be legally or beneficially owned by any United States Person at any time or offered, sold, resold, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, any United States Person (other than distributors). "**United States Person**" means a person which is a "U.S. person" as defined by Regulation S under the Securities Act or a "United States person" as defined in Section 7701(a)(30) of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), and in U.S. Treasury regulations. Consequently, any offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery of any Notes issued by MLBV or Certificates made, directly or indirectly, within the United States or to, or for the account or benefit of, a United States Person will not be recognised.

Any person purchasing Notes issued by MLBV or Certificates of any Series will be deemed on purchase to represent, acknowledge, certify and agree with the relevant Issuer, the Guarantor, the Dealer (together with their respective affiliates and any persons controlling, controlled by or under common control with the relevant Issuer, the Guarantor or such Dealer) or the seller of such Notes or Certificates for itself and any person for whose account such Notes or Certificates are being purchased that:

- (iii) it is not purchasing any Notes issued by MLBV or Certificates, as applicable, of such Series for the account or benefit of any United States Person (other than distributors);
- (iv) it will not make offers, sales, resales, trades, pledges, exercises, transfers or deliveries of any Notes issued by MLBV or Certificates, as applicable, of such Series (otherwise acquired), directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors);
- (v) prior to the delivery of any Entitlement in respect of an Instrument settled by Physical Delivery (a "**Physical Delivery Instrument**") the holder thereof will be required to represent that, inter alia, he is not a United States Person, the Note issued by MLBV or Certificate, as applicable, was not exercised on behalf of a United States Person and no cash, securities or other property have been or will be delivered within the United States or to, or the account or benefit of, a United States Person in connection with any exercise thereof;
- (vi) it acknowledges that the Global Notes issued by MLBV and Global Certificates will bear a legend substantially to the following effect unless otherwise agreed to by the applicable Issuer:

"THE INSTRUMENTS REPRESENTED BY THIS GLOBAL INSTRUMENT, THE RELEVANT GUARANTEE AND, IN CERTAIN CASES, THE SECURITIES TO BE DELIVERED UPON [EXERCISE OR SETTLEMENT] [REDEMPTION] OF THE INSTRUMENTS HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE "**SECURITIES ACT**"), OR ANY OTHER SECURITIES LAWS. ACCORDINGLY, THIS INSTRUMENT, AND ANY INTERESTS HEREIN, MAY NOT BE OFFERED, SOLD, RESOLD, TRADED, PLEDGED, ASSIGNED, [EXERCISED,] REDEEMED, TRANSFERRED OR DELIVERED, DIRECTLY OR INDIRECTLY, IN THE UNITED STATES OF AMERICA (INCLUDING THE STATES AND THE DISTRICT OF COLUMBIA), ITS TERRITORIES, ITS POSSESSIONS AND OTHER AREAS SUBJECT TO ITS JURISDICTION (THE "**UNITED STATES**") OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, ANY UNITED STATES PERSON. - (vii) that the relevant Issuer, the Guarantor and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements and agrees that if any of such acknowledgements, representations or agreements made by it are no longer accurate, it shall promptly notify the relevant Issuer and the Guarantor; and if it is acquiring any Notes issued by MLBV or Certificates as a fiduciary or agent for one or more accounts or ultimate purchasers it represents that it has all requisite agency and discretion investment power with respect to such accounts or ultimate purchasers, and that the foregoing acknowledgements, representations and warranties are true and correct as they apply to each of such accounts or ultimate purchasers at the time the commitment to purchase is undertaken.

Any reoffers, resales, trades, pledges, transfers or deliveries of such unsecured Warrants, or any part thereof, offered and sold in reliance on Rule 144A will only be made to or through MLICo. or the Dealer in the United States and to, or for the account or benefit of, a United States Person that is a QIB who also is a QP, and who, as a condition to any such reoffer, resale, trade, pledge, transfer or delivery, will enter into and remain in compliance with an Investor Representation Letter. Warrants may be offered and sold to non-United States Persons (including dealers or other professional fiduciaries in the United States acting on a discretionary basis for foreign beneficial owners (other than an estate or trust)), in offshore transactions (as defined by Regulation S) pursuant to Regulation S. Any reoffers, resales, trades, pledges, transfers or deliveries of the Warrants, or any part thereof, offered and sold pursuant to Regulation S will only be made outside the United States and to, or for the account or benefit of, a non-United States Person in accordance with Regulation S.

### **Trend Information**

In the United States, the economy grew at a moderate pace in the third quarter of 2015, following uneven but accelerating growth in the first half of the year. Capital spending picked up following several weak quarters, while nonresidential construction continued to expand though restrained by oil price declines. In addition, retail spending increased driven by continued strengthening in vehicle sales, solid employment gains and lower energy costs. Residential construction also continued to improve during the third quarter of 2015, reflecting low mortgage rates and rising consumer confidence. U.S. Dollar appreciation resumed during the third quarter of 2015, adding to consumer purchasing power while restraining export gains. After widening in the first quarter of 2015, the U.S. trade gap narrowed slightly in the second quarter of 2015 before widening again in the third quarter of 2015.

Unemployment continued to decline in the third quarter of 2015. Payroll gains slowed in the second half of the third quarter of 2015, and there was little evidence of an increase in wage gains. Energy costs fell, offsetting the second quarter of 2015's modest rebound. However, inflation was stable, though the core measure remains well below the Board of Governors of the Federal Reserve System's (the "**Federal Reserve**") longer-term annual target of two per cent.

While the Federal Reserve has continued to indicate that it would likely be appropriate to raise the target range for the federal funds rate, rates remained unchanged during the third quarter of 2015, with the Federal Reserve citing restraint on economic activity and downward pressure on inflation stemming from recent global economic and financial developments. Longer-term U.S. Treasury yields moved moderately lower during the third quarter of 2015 as equities weakened.

Internationally, the eurozone and Japanese economies continued to be supported by accommodative monetary policies, weaker currencies and low energy costs. Challenges remain in Greece, although recent elections indicated a restoration of some measure of political stability. Meanwhile, rising emigration from the war-torn Middle East posed a new challenge to the eurozone. Despite Asia's economic slowdown, growth continued in Japan. Russia and Brazil remained in recession, while economic growth in China slowed, though Chinese equities stabilized and policy easing provided some support to the Chinese economy. Emerging markets in Asia and Latin America were pressured by softer demand from China, as well as low commodity prices.

## ERISA MATTERS

**Any discussion of United States federal tax issues set forth in this Offering Circular was written in connection with the promotion and marketing of the Instruments by BAC, MLBV, MLICo., the Dealers and the Managers (as applicable). Such discussion was not intended or written to be legal or tax advice to any person and was not intended or written to be used, and it cannot be used, by any person for the purpose of avoiding any United States federal tax penalties that may be imposed on such person. Each person considering an investment in the Instruments should seek advice based on its particular circumstances from an independent tax advisor.**

BAC and certain affiliates of BAC may each be considered a "party in interest" within the meaning of the U.S. Employee Retirement Income Security Act of 1974, as amended ("**ERISA**"), or a "disqualified person" within the meaning of the Code with respect to employee benefit plans subject to Section 406 of ERISA and individual retirement accounts, Keoghs and other plans subject to Section 4975 of the Code (collectively, "**Covered Plans**"), or to have a similar relationship with governmental, church or non-U.S. plans that are subject to U.S. federal, state, local or non-U.S. laws that are substantially similar to Section 406 of ERISA or Section 4975 of the Code (collectively, "**Other Plans**"). Certain transactions between such a Covered Plan and a party in interest or disqualified person may result in "prohibited transactions" within the meaning of ERISA and the Code, and certain transactions between an Other Plan and a person with a similar relationship to an Other Plan may be similarly prohibited under other U.S. federal, state, local or non-U.S. laws, unless such transactions are effected pursuant to an applicable exemption.

In addition, certain regulatory requirements applicable under ERISA could cause investments by a Covered Plan in the Instruments (whether directly or indirectly) to be deemed to include not only the purchased Instruments but also an undivided interest in each of the underlying assets of the relevant Issuer. In the absence of an applicable exception to this general rule, the relevant Issuer could be considered to hold assets of the investing Covered Plan ("**plan assets**") such that the relevant Issuer and persons providing services in connection with such plan assets might be considered "parties in interest" or "disqualified persons" with respect to the investing Covered Plan and could be governed by the fiduciary responsibility provisions of Title I of ERISA and subject to the prohibited transaction provisions referenced above. If this were the case, certain actions taken by the relevant Issuer or service provider regarding those plan assets could be deemed to be a breach of such Issuer's or service provider's fiduciary obligations under Title I of ERISA or a prohibited transaction under ERISA or the Code. Similarly, investments by an Other Plan in the Instruments (whether directly or indirectly) may cause the relevant Issuer to be considered to hold assets of the investing Other Plan pursuant to other U.S. federal, state, local or non-U.S. laws and subject the relevant Issuer and persons providing services in connection with such assets to similar fiduciary and prohibited transaction requirements pursuant to such laws.

Under ERISA and various prohibited transaction class exemptions ("**PTCEs**") issued by the U.S. Department of Labor, exemptive relief may be available for direct or indirect prohibited transactions resulting from the purchase, holding or disposition of the Instruments by or on behalf of, or with the plan assets of, Covered Plans. Those exemptions include PTCE 96-23 (for certain transactions determined by in-house asset managers), PTCE 95-60 (for certain transactions involving insurance company general accounts), PTCE 91-38 (for certain transactions involving bank collective investment funds), PTCE 90-1 (for certain transactions involving insurance company pooled separate accounts), and PTCE 84-14 (for certain transactions determined by independent qualified professional asset managers). In addition, Section 408(b)(17) of ERISA and Section 4975(d)(20) of the Code provide statutory exemptive relief for certain arm's-length transactions with a person that is a party in interest solely by reason of providing services to employee benefit plans or being an affiliate of such a service provider. There may be similar exemptive relief under other U.S. federal, state, local or non-U.S. laws for transactions by or on behalf of, or with the assets of, Other Plans.

Because BAC and certain of its affiliates may be considered a party in interest or disqualified person with respect to many Covered Plans, or a person with a similar relationship to many Other Plans, the Instruments may not be purchased, held or disposed of by any Covered Plan or Other Plan, any entity whose underlying assets include plan assets by reason of any Covered Plan's investment in the entity or assets of an Other Plan by reason of any Other Plan's investment in the entity, or any person investing on behalf of or with plan assets of any Covered Plan or on behalf of or with assets of any Other Plan, unless such purchase, holding or disposition is eligible for statutory or administrative exemptive relief

or such purchase, holding or disposition is otherwise not prohibited. Any purchaser, including any fiduciary purchasing on behalf of a Covered Plan or Other Plan, transferee or holder of the Instruments will be deemed to have represented, in its corporate and its fiduciary capacity, by its purchase and holding of the securities that either (a) it is not a Covered Plan or Other Plan or an entity whose underlying assets include plan assets by reason of any Covered Plan's investment in the entity or an entity whose underlying assets include assets of an Other Plan by reason of any Other Plan's investment in the entity, and is not purchasing such securities on behalf of or with plan assets of any Covered Plan or on behalf of or with any assets of an Other Plan; or (b) its purchase, holding and disposition are eligible for exemptive relief or such purchase, holding and disposition are not prohibited by ERISA or Section 4975 of the Code (or in the case of an Other Plan any substantially similar U.S. federal, state, local or non-U.S. law). In addition, any acquisition, purchase or holding of the Instruments by or on behalf of any Covered Plan or Other Plan, or with the plan assets of any Covered Plan or assets of any Other Plan, may be conditioned on BAC and the relevant Issuer's obtaining comfort to its or their satisfaction that such acquisition, purchase or holding will not cause any assets of the relevant Issuer to be treated as plan assets for the purposes of ERISA or any regulation thereunder (or in the case of an Other Plan, as assets of the Other Plan under any other U.S. federal, state, local or non-U.S. law).

A fiduciary purchasing Instruments on behalf of or with plan assets of any Covered Plan should determine whether the investment is in accordance with the documents and instruments governing the plan and the applicable provisions of ERISA and the Code relating to a fiduciary's duties to the plan including, without limitation, the prudence, diversification, delegation of control and prohibited transaction provisions of ERISA and the Code. A person purchasing Instruments on behalf of or with assets of an Other Plan should make the same determination in light of any U.S. federal, state, local or non-U.S. laws applicable to such plan. Due to the complexity of the rules discussed in this section and the penalties that may be imposed upon persons involved in fiduciary breaches or non-exempt prohibited transactions, it is particularly important that fiduciaries or other persons considering purchasing Instruments on behalf of or with plan assets of any Covered Plan (or on behalf of or with assets of any Other Plan) consult with their legal and tax counsel regarding the potential consequences of the investment and the availability of exemptive relief.

## TAXATION

The following comments are of a general nature and apply only to the jurisdiction stated, are based on the Issuers' understanding of current law and practice and are included in this Offering Circular solely for information purposes. These comments are not intended to be, nor should they be regarded as, legal or tax advice. The precise tax treatment of a holder of an instrument that is either a Note, Warrant or Certificate will depend for each issue on the terms of the Notes, Warrants or Certificates, as specified in the "Terms and Conditions of the Notes" or the "Terms and Conditions of the W&C Instruments" (as applicable), as amended and supplemented by the applicable Final Terms under the law and practice at the relevant time. Prospective holders of Notes, Warrants or Certificates should consult their own tax advisers in all relevant jurisdictions to obtain advice about their particular tax treatment in relation to such Notes, Warrants or Certificates.

### UNITED STATES FEDERAL INCOME TAXATION

#### General

*Except with respect to the discussion under "Instruments Other Than Notes Issued by BAC—Rule 144A Warrants subject to LEPW Conditions", the following is a summary of certain United States federal income tax considerations applicable to an investment in the Instruments by holders who are United States Aliens (as defined in the "Terms and Conditions of the Notes") who are the original purchasers of the Instruments and who have not purchased, and do not hold, the Instruments in connection with a United States trade or business. For purposes of the following discussion, it is assumed that no Instruments in bearer form are issued other than Certificates and Warrants cleared through Clearstream, Frankfurt which will be treated as in registered form for United States federal income tax purposes.*

*If an entity or arrangement treated as a partnership for United States federal income tax purposes holds the Instruments, the United States federal income tax treatment of a partner generally will depend upon the status of the partner and the activities of the partnership. A partner of a partnership holding the Instruments should consult its own tax advisor regarding the United States federal income tax consequences to the partner of the acquisition, ownership and disposition by the partnership of the Instruments. In addition, this summary is for general information only, and does not purport to discuss all aspects of United States federal income taxation that may be important to a particular holder in light of its circumstances or to holders subject to special tax rules, such as trusts, estates, controlled foreign corporations, passive foreign investment companies, personal holding companies, or the beneficiaries or shareholders of such entities.*

#### Notes Issued by BAC

##### *Notes Other Than Structured Notes*

In respect of Notes issued by BAC other than Notes that are specified as "Structured Notes" in the applicable Final Terms, under the United States federal income tax laws as in effect on the date of this Offering Circular, and subject to the discussion below, payments of principal and interest (including original issue discount), if any, by the Issuer or any Paying Agent (acting in its capacity as such), to any holder of such Note who is a United States Alien holder generally will not be subject to United States federal income or withholding tax, in the case of interest (including original issue discount), provided that:

- (a) such holder does not actually or constructively own 10 per cent. or more of the total combined voting power of all classes of stock of the Issuer entitled to vote;
- (b) such holder is not a controlled foreign corporation for United States federal income tax purposes that is related to the Issuer (directly or indirectly) through stock ownership;
- (c) the interest is not received by a bank on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (d) the interest is not effectively connected with the conduct of a trade or business within the United States; and

- (e) either (i) the holder provides the Issuer (or any paying agent) with a statement which sets forth its address, and certifies, under penalties of perjury, that it is not a United States person (which certification generally may be made on an IRS Form W-8BEN or W-8BEN-E (or successor form)) or (ii) a financial institution holding the Note on behalf of the holder certifies, under penalties of perjury (which certification generally may be made on an IRS Form W-8IMY or W-8BEN-E (or successor form)), that it has received and will provide the Issuer (or the paying agent) with a statement described in (i) above (the "**Certification Requirement**").

Payments to United States Alien holders not meeting the requirements set forth above are subject to withholding at a rate of 30 per cent. unless (A) the holder is engaged in a trade or business in the United States and the holder provides a properly executed IRS Form W-8ECI (or successor form) certifying that the payments are effectively connected with the conduct of a trade or business in the United States, or (B) the holder provides a properly executed IRS Form W-8BEN or W-8BEN-E (or successor form) claiming an exemption from, or reduction in the rate of, withholding under the benefit of a tax treaty. To claim benefits under an income tax treaty, a United States Alien holder must obtain a taxpayer identification number and certify as to its eligibility under the appropriate treaty's limitations on benefits article. In addition, special rules may apply to claims for treaty benefits made by holders that are entities rather than individuals. Under section 871(h)(4)(A) of the Code, payments of certain types of contingent interest to a United States Alien holder (or any foreign partnership without regard to its status as a United States Alien) may be subject to United States withholding tax equal to 30 per cent. of each such payment (or such lower amounts as provided by treaty). If any Note not specified as a Structured Note in the applicable Final Terms bears contingent interest, the applicable Final Terms will specify if interest payments on such Notes are subject to any United States withholding taxes.

#### *Structured Notes*

Certain Notes issued by BAC will be specified as "Structured Notes" in the applicable Final Terms. The applicable Final Terms will indicate whether the Issuer will withhold or does not intend to withhold any United States taxes in respect of any payments on Structured Notes. Except to the extent specified in the applicable Final Terms, the Issuer or its agent generally intends to withhold on all payments designated as "interest" in the applicable Final Terms (and other amounts subject to withholding) on Structured Notes that are not treated as indebtedness for United States federal income tax purposes, without being required to pay any additional amounts with respect to amounts withheld. Except to the extent specified in the Final Terms, while the United States federal income and withholding tax treatment of a Structured Note will generally depend on the particular terms of such Note, subject to the discussion below, the Issuer generally does not intend to withhold United States federal income tax with respect to payments on Structured Notes that are treated as indebtedness for United States federal income tax purposes, including payments of principal and interest (including original issue discount), if any, by the Issuer or any Paying Agent (acting in its capacity as such) to any holder of such a Note who is a United States Alien, provided that, in the case of interest (including original issue discount), the requirements of (a) through (e) under "Notes Other Than Structured Notes" above are met for all Notes. All holders should consult the applicable Final Terms as to the Issuer's intention with respect to withholding. Except to the limited extent set forth in the Terms and Conditions and the applicable Final Terms, the Issuer does not assume any liability for the payment of any tax which it withholds on Structured Notes or any additional amount in respect thereof.

Special rules may apply to the extent that any portion of a payment is treated as a dividend or "dividend equivalent" for certain United States federal income tax purposes. The Issuer (or an applicable withholding agent) will withhold on such payments to the extent required by law. A dividend equivalent payment is treated as a dividend from sources within the United States and such payments generally would be subject to a 30 per cent. United States withholding tax (or less under an applicable treaty, if any) if paid to a United States Alien holder. Under U.S. Department of the Treasury (the "**U.S. Treasury**") regulations issued pursuant to Code Section 871(m), payments (including deemed payments) with respect to equity-linked instruments ("**ELIs**") that are "specified ELIs" may be treated as dividend equivalents if such specified ELIs reference an interest in a U.S. "underlying security", which is generally any interest in an entity taxable as a corporation for U.S. federal income tax purposes if a payment with respect to such interest could give rise to a U.S. source dividend. The regulations also generally apply to U.S. and non-U.S. indices that contain U.S. underlying securities. While the regulations provide an exception for indices that satisfy certain criteria from being treated as a U.S. underlying security, the scope of this exception is unclear and may not apply to Instruments linked to a U.S. or non-U.S. index and the application of the exception will generally depend on a

holder's particular circumstances. A specified ELI is an ELI that: (i) if it is classified as "simple," has a "delta" equal to 0.80 or greater with respect to a U.S. underlying security at the time it is issued, or (ii) if it is classified as "complex," meets a substantial equivalence test at the time it is issued. The regulations provide that the delta of an ELI is the ratio of the change in the fair market value of the ELI to the change in the fair market value of the property referenced by the ELI. The regulations are extremely complex, and significant aspects of the application of the regulations to the Instruments are uncertain.

The regulations impose a withholding tax on payments made (or deemed to have been made) on certain Instruments issued on or after 1 January 2017 to the extent that they are treated as dividend equivalents. The regulations also impose a withholding tax, beginning 1 January 2018, on payments on certain Instruments issued on or after 1 January 2016 and before 1 January 2017 to the extent that they are treated as dividend equivalents. If any payments are treated as dividend equivalents subject to withholding, the Issuer (or an applicable withholding agent) would be entitled to withhold taxes without being required to pay any additional amounts with respect to amounts so withheld.

The United States federal income and withholding tax consequences applicable to certain Structured Notes are uncertain. No statutory, judicial, or administrative authority directly addresses the characterization of such Notes or notes similar to such Notes for United States federal income, withholding, or other tax purposes. All holders should consult their tax advisors regarding the United States federal income and withholding tax consequences to them of holding such Notes.

The IRS has released a notice (the "**Notice**") in which it sought comments on the taxation of financial instruments referred to as "prepaid forward contracts". According to the Notice, the IRS and U.S. Treasury are considering whether a holder of such an instrument should be required to accrue ordinary income on a current basis, regardless of whether any payments are made prior to maturity. The IRS and U.S. Treasury are also considering additional issues, including whether foreign holders of such instruments should be subject to withholding tax on any deemed income accruals. It is not possible to determine what guidance the IRS and U.S. Treasury will ultimately issue, if any, and whether any such guidance would be retroactive. Any such guidance may affect the United States federal income and withholding tax treatment of Structured Notes.

## **Instruments Other Than Notes Issued by BAC**

### *General*

While the United States federal income and withholding tax treatment of an Instrument will generally depend on the particular terms of such Instrument, the relevant Issuer, except as otherwise indicated in the applicable Final Terms or as described below, generally does not intend to withhold United States federal income tax with respect to payments (other than payments treated as dividends or "dividend equivalents" pursuant to United States federal income tax law), including payments of principal and interest (including original issue discount), if any, by the relevant Issuer or any Paying Agent or Instrument Agent (acting in its capacity as such) outside the United States to any holder of an Instrument who is a United States Alien.

Special rules may apply to payments treated as contingent interest or as dividends for certain United States federal income tax purposes.

As noted above, special rules may apply to the extent that any portion of a payment is treated as a dividend or "dividend equivalent" for certain United States federal income tax purposes. The relevant Issuer (or an applicable withholding agent) will withhold on such payments to the extent required by law. A dividend equivalent payment is treated as a dividend from sources within the United States and such payments generally would be subject to a 30 per cent. United States withholding tax (or less under an applicable treaty, if any) if paid to a United States Alien holder. Under U.S. Treasury regulations issued pursuant to Code Section 871(m), payments (including deemed payments) with respect to ELIs that are "specified ELIs" may be treated as dividend equivalents if such specified ELIs reference an interest in a U.S. "underlying security", which is generally any interest in an entity taxable as a corporation for U.S. federal income tax purposes if a payment with respect to such interest could give rise to a U.S. source dividend. The regulations also generally apply to U.S. and non-U.S. indices that contain U.S. underlying securities. While the regulations provide an exception for indices that satisfy certain criteria from being treated as a U.S. underlying security, the scope of this exception is unclear

and may not apply to Instruments linked to a U.S. or non-U.S. index and the application of the exception will generally depend on a holder's particular circumstances. A specified ELI is an ELI that: (i) if it is classified as "simple," has a "delta" equal to 0.80 or greater with respect to a U.S. underlying security at the time it is issued, or (ii) if it is classified as "complex," meets a substantial equivalence test at the time it is issued. The regulations provide that the delta of an ELI is the ratio of the change in the fair market value of the ELI to the change in the fair market value of the property referenced by the ELI. The regulations are extremely complex, and significant aspects of the application of the regulations to the Instruments are uncertain.

The regulations impose a withholding tax on payments made (or deemed to have been made) on certain Instruments issued on or after 1 January 2017 to the extent that they are treated as dividend equivalents. The regulations also impose a withholding tax, beginning 1 January 2018, on payments on certain Instruments issued on or after 1 January 2016 and before 1 January 2017 to the extent that they are treated as dividend equivalents. If any payments are treated as dividend equivalents subject to withholding, the relevant Issuer (or an applicable withholding agent) would be entitled to withhold taxes without being required to pay any additional amounts with respect to amounts so withheld.

Neither the relevant Issuer nor the Guarantor assumes any liability for the payment of any tax which it is required to withhold or any additional amount in respect thereof, except that in certain circumstances set forth in Condition 9 (*Taxation*) of the "Terms and Conditions of the Notes", additional amounts may be paid with respect to a Note in connection with taxes. The United States federal income and withholding tax consequences of certain Instruments linked to Reference Item(s) are uncertain. No statutory, judicial, or administrative authority directly addresses the characterisation of such Instruments or securities similar to such Instruments for United States federal income, withholding, or other tax purposes. All holders should consult their tax advisors regarding the United States federal income and withholding tax consequences to them of holding such Instruments.

As noted above, the IRS released the Notice in which it sought comments on the taxation of financial instruments referred to as "prepaid forward contracts". According to the Notice, the IRS and U.S. Treasury are considering whether a holder of such an instrument should be required to accrue ordinary income on a current basis, regardless of whether any payments are made prior to maturity. The IRS and U.S. Treasury are also considering additional issues, including whether foreign holders of such instruments should be subject to withholding tax on any deemed income accruals. It is not possible to determine what guidance the IRS and U.S. Treasury will ultimately issue, if any, and whether any such guidance would be retroactive. Any such guidance may affect the United States federal income and withholding tax treatment of the Instruments.

A United States Alien holder generally will not be subject to United States federal income tax on any gain realised on the sale, exchange, or retirement of an Instrument (other than gains treated as dividends or "dividend equivalents" pursuant to United States federal income tax law), provided that (a) the gain is not effectively connected with the conduct of trade or business within the United States, or a permanent establishment maintained in the United States if certain tax treaties apply, (b) in the case of a United States Alien holder that is an individual, the United States Alien holder is not present in the United States for 183 days or more in the taxable year of the sale, exchange or retirement of the Instrument, (c) the Instrument is not a "United States real property interest" for United States federal income tax purposes, and (d) the United States Alien holder is not subject to tax pursuant to certain provisions of United States federal income tax law applicable to certain expatriates.

In general, United States backup withholding and information reporting should not apply to payments on the Instruments (except with respect to dividends or dividend equivalents) held by a United States Alien holder and received outside the United States through a non-United States bank or other non-United States financial institution. Proceeds of sales and payments on the Instruments received within the United States or through certain United States related financial institutions may be subject to backup withholding and information reporting unless the United States Alien holder complies with applicable certification procedures to establish that it is not a United States person and the relevant Issuer does not have actual knowledge or reason to know that the certification is false (or such holder otherwise establishes an exemption). The treatment of Instruments for purposes of United States backup withholding tax and information reporting requirements will generally depend on the particular terms of such Instrument, the characteristics of the person or entity making a payment and the payee, and the circumstances of payment. Holders should consult their own tax advisors regarding the application of the backup withholding tax and information reporting rules.

*Rule 144A Warrants subject to LEPW Conditions*

The following is a summary of certain United States federal income tax considerations applicable to the acquisition, ownership, and disposition of certain Rule 144A Warrants (including Rule 144A Warrants that are represented by a Regulation S/Rule 144A Global Warrant) that are subject to the LEPW Conditions (the "**Rule 144A LEPW**"). The following discussion is not exhaustive of all possible tax considerations. This summary is based upon the Code, regulations promulgated under the Code by the U.S. Treasury (including proposed and temporary regulations), rulings, current administrative interpretations and official pronouncements of the IRS, and judicial decisions, all as currently in effect and all of which are subject to differing interpretations or to change, possibly with retroactive effect. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any of the tax consequences described below.

This summary is for general information only, and does not purport to discuss all aspects of United States federal income taxation that may be important to a particular holder in light of its investment or tax circumstances or to holders subject to special tax rules, such as partnerships (or entities or arrangements treated as partnerships for United States federal income purposes), subchapter S corporations, or other pass-through entities, banks, financial institutions, tax-exempt entities, insurance companies, regulated investment companies, real estate investment trusts, trusts and estates, dealers in securities or currencies, traders in securities that have elected to use the mark-to-market method of accounting for their securities, persons holding a Rule 144A LEPW as part of an integrated investment, including a "straddle", "hedge", "constructive sale", or "conversion transaction", persons whose functional currency for tax purposes is not the United States dollar, persons holding a Rule 144A LEPW in a tax-deferred or tax-advantaged account, and persons subject to the alternative minimum or medicare contribution tax provisions of the Code. This summary does not include any description of the tax laws of any state or local governments, or of any foreign government, that may be applicable to a particular holder.

This summary is directed solely to United States Holders (as defined below) that, except as otherwise specifically noted, will purchase a Rule 144A LEPW upon original issuance and will hold the Rule 144A LEPW as a capital asset within the meaning of Section 1221 of the Code, which generally means property held for investment.

Holders should consult their own tax advisor concerning the United States federal income tax consequences to them of acquiring, owning, and disposing of a Rule 144A LEPW, as well as any tax consequences arising under the laws of any state, local, foreign, or other tax jurisdiction and the possible effects of changes in United States federal or other tax laws.

As used herein, the term "United States Holder" means a beneficial owner of a Rule 144A LEPW that is for United States federal income tax purposes:

- a citizen or resident of the United States; or
- a corporation (including an entity treated as a corporation for United States federal income tax purposes) created or organised in or under the laws of the United States or of any state of the United States or the District of Columbia.

Although there is no statutory, judicial, or administrative authority directly addressing the characterisation of a Rule 144A LEPW, the relevant Issuer intends to treat the Rule 144A LEPW for all tax purposes as a single financial contract linked to the underlying index or shares. This discussion assumes that a Rule 144A LEPW constitutes a single financial contract linked to the underlying index or shares for United States federal income tax purposes. If a Rule 144A LEPW does not constitute a single financial contract, the tax consequences described below would be materially different.

This characterisation of a Rule 144A LEPW is not binding on the IRS or the courts. No statutory, judicial, or administrative authority directly addresses the characterisation of a Rule 144A LEPW or any similar instruments for United States federal income tax purposes, and no ruling is being requested from the IRS with respect to its proper characterisation and treatment. Due to the absence of authorities on point, significant aspects of the United States federal income tax consequences of an investment in a Rule 144A LEPW are not certain, and no assurance can be given that the IRS or any court will agree with the characterisation and tax treatment described herein. Accordingly, holders are

urged to consult their tax advisor regarding all aspects of the United States federal income tax consequences of an investment in a Rule 144A LEPW, including possible alternative characterisations.

As noted above, the IRS released the Notice in which it sought comments on the taxation of financial instruments referred to as "prepaid forward contracts". According to the Notice, the IRS and U.S. Treasury are considering whether a holder of such an instrument should be required to accrue ordinary income on a current basis, regardless of whether any payments are made prior to maturity or settlement. The IRS and U.S. Treasury are also considering additional issues, including whether foreign holders of such instruments should be subject to withholding tax on any deemed income accruals. It is not possible to determine what guidance the IRS and U.S. Treasury will ultimately issue, if any, and whether any such guidance would be retroactive. Any such guidance may affect the United States federal income and withholding tax treatment of a Rule 144A LEPW.

Holders are urged to consult their own tax advisor concerning the impact and the significance of the above considerations. The relevant Issuer intends to continue treating a Rule 144A LEPW for United States federal income tax purposes in the manner described herein unless and until such time as the relevant Issuer, the IRS or U.S. Treasury determines, that some other treatment is more appropriate.

Unless otherwise stated, the following discussion is based on the characterisation described above. The discussion in this section assumes that there is a significant possibility of a significant loss of principal on an investment in a Rule 144A LEPW.

The relevant Issuer will not attempt to ascertain whether any of the entities whose stock is included in an underlying index or the issuer of any underlying shares is a "passive foreign investment company" ("PFIC") within the meaning of Section 1297 of the Code or a "financial asset" within the meaning of Section 1260 of the Code. If any of the entities whose stock is included in the underlying index or the issuer of any underlying shares were so treated, certain adverse United States federal income tax consequences could possibly apply. Holders should consult their tax advisor regarding the possible consequences to them in this regard.

Although the United States federal income tax treatment of any Additional Amounts paid with respect to a share linked Rule 144A LEPW is uncertain, the relevant Issuer intends to take the position, and the following discussion assumes, that any such Additional Amounts constitute taxable ordinary income to a United States Holder at the time received or accrued in accordance with the holder's regular method of accounting.

Subject to the final sentence of this paragraph, upon receipt of a cash payment on the settlement date or upon a sale or exchange of a Rule 144A LEPW prior to exercise, a United States Holder generally should recognise capital gain or loss equal to the difference between the amount realised and the holder's basis in the Rule 144A LEPW. This capital gain or loss generally will be long-term capital gain or loss if the United States Holder held the Rule 144A LEPW for more than one year. The deductibility of capital losses is subject to limitations. For this purpose, however, the relevant Issuer can provide no assurance on the proper treatment of the portion of the cash settlement amount, if any, equal to a fixed percentage p.a. of the issue price (the "**outperformance payment**") and the IRS may successfully assert that any amount attributable to the outperformance payment should be treated as ordinary income rather than as part of the amount realised.

Due to the absence of authorities that directly address the proper tax treatment of a Rule 144A LEPW, prospective investors are urged to consult their tax advisor regarding all possible alternative tax treatments of an investment in a Rule 144A LEPW. For example, the IRS could seek to treat a Rule 144A LEPW as a single debt instrument. If the IRS were successful in that regard, the timing and character of income on a Rule 144A LEPW would be affected significantly. In that case, if a Rule 144A LEPW has a term that exceeds one year, a United States Holder would generally be required to accrue interest currently over the term of the Rule 144A LEPW. In addition, any gain a United States Holder might recognise upon the settlement or upon a sale or exchange of the Rule 144A LEPW prior to exercise would be ordinary income and any loss recognised by a holder at such time would be ordinary loss to the extent of interest that same holder included in income in the current or previous taxable years in respect of the Rule 144A LEPW, and thereafter, would be capital loss. If the Rule 144A LEPW is treated as a single debt instrument that has a term of no more than one year, it would be treated as a single contingent short-term debt instrument, which would also result in tax consequences that are different from those described above. Other alternative United States federal income tax

characterisations of a Rule 144A LEPW are possible, which, if applied, also could affect the timing and the character of a United States Holder's income or loss.

In general, backup withholding may apply in respect of the amounts paid to a United States Holder, unless such United States Holder provides proof of an applicable exemption or a correct taxpayer identification number, or otherwise complies with applicable requirements of the backup withholding rules. In addition, information returns will be filed with the IRS in connection with payments on the Rule 144A LEPW as well as in connection with the proceeds from a sale, exchange, or other disposition of the Rule 144A LEPW, unless the United States Holder provides proof of an applicable exemption from the information reporting rules. Any amounts withheld under the backup withholding rules will be allowed as a refund or a credit against a United States Holder's United States federal income tax liability provided the required information is furnished to the IRS.

### **The Foreign Account Tax Compliance Act**

The Foreign Account Tax Compliance Act ("FATCA") (Sections 1471 through 1474 of the Code) imposes a 30 per cent. United States withholding tax on certain United States source payments, including interest (and original issue discount), dividends (and dividend equivalents), or other fixed or determinable annual or periodical gain, profits, and income, and on the gross proceeds from a disposition of property of a type which can produce United States source interest or dividends ("**Withholdable Payments**"), if paid to a foreign financial institution (including amounts paid to a foreign financial institution on behalf of a holder), unless such institution enters into an agreement with the U.S. Treasury to collect and provide to the U.S. Treasury substantial information regarding United States account holders, including certain account holders that are foreign entities with United States owners, with such institution. An Instrument may constitute an account for these purposes. The legislation also generally imposes a withholding tax of 30 per cent. on Withholdable Payments made to a non-financial foreign entity unless such entity provides the withholding agent with a certification that it does not have any substantial United States owners or a certification identifying the direct and indirect substantial United States owners of the entity. Under certain circumstances, a holder may be eligible for refunds or credits of such taxes.

In addition, under FATCA, "passthru payments" made by a foreign financial institution to "recalcitrant holders" or non-compliant foreign financial institutions are subject to a 30 per cent. United States withholding tax. A "recalcitrant holder" generally is a holder of an account with a foreign financial institution that fails to comply with reasonable requests for information that will help enable the relevant foreign financial institution to comply with its reporting requirements (an Instrument may constitute an account for these purposes). Pursuant to U.S. Treasury regulations, a passthru payment is any Withholdable Payment and any "foreign passthru payment", which has yet to be defined. Under the regulations, the 30 per cent. United States withholding tax on "recalcitrant holders" or non-compliant foreign financial institutions may be imposed on United States source payments (e.g. dividend equivalent payments) made by an Issuer or any Paying Agent with respect to the Instruments and on non-United States source payments made after 31 December 2018 by an Issuer or any Paying Agent with respect to the Instruments.

The U.S. Treasury Department and Internal Revenue Service have announced that withholding on payments of gross proceeds from a sale or redemption will only apply to payments made after 31 December 2018. If the relevant Issuer or any Paying Agent determines withholding is appropriate with respect to the Instruments, the relevant Issuer or such Paying Agent will withhold tax at the applicable statutory rate without being required to pay any additional amounts with respect to amounts so withheld. However, the withholding tax will not be imposed on payments pursuant to obligations giving rise to withholdable payments solely because payments are treated as dividend equivalent payments if the obligation is outstanding six months after the date on which the obligation becomes subject to such treatment. Foreign financial institutions and non-financial foreign entities located in jurisdictions that have an intergovernmental agreement with the United States governing FATCA may be subject to different rules. Holders are urged to consult with their own tax advisors regarding the possible implications of FATCA on their investment in the Instruments.

**THE UNITED STATES FEDERAL INCOME TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY AND MAY OR MAY NOT BE APPLICABLE DEPENDING UPON A HOLDER'S PARTICULAR SITUATION. HOLDERS SHOULD CONSULT THEIR OWN TAX ADVISERS WITH RESPECT TO THE TAX**

**CONSEQUENCES TO THEM OF THE OWNERSHIP AND DISPOSITION OF THE INSTRUMENTS, INCLUDING THE TAX CONSEQUENCES UNDER STATE, LOCAL, FOREIGN AND OTHER TAX LAWS AND THE POSSIBLE EFFECTS OF CHANGES IN FEDERAL OR OTHER TAX LAWS.**

**DUTCH TAXATION**

The following is a general summary and the tax consequences as described here may not apply to a Holder of Instruments (as defined below). Any potential investor should consult his tax adviser for more information about the tax consequences of acquiring, owning and disposing of Notes, Warrants or Certificates (together referred to as "**Instruments**") in his particular circumstances.

This taxation summary solely addresses the principal Dutch tax consequences of the acquisition, ownership and disposal of Instruments issued on or after the date of this Offering Circular. It does not purport to describe every aspect of taxation that may be relevant to a particular Holder of Instruments. Where in this summary English terms and expressions are used to refer to Dutch concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Dutch concepts under Dutch tax law. Where in this taxation summary the terms "The Netherlands" and "Dutch" are used, these refer solely to the European part of the Kingdom of The Netherlands. This summary assumes that the relevant Issuer is organised, and that its business will be conducted, in the manner outlined in this Offering Circular. A change to such organisational structure or to the manner in which the relevant Issuer conducts its business may invalidate the contents of this summary, which will not be updated to reflect any such change.

This summary is based on the tax law of The Netherlands (unpublished case law not included) as it stands at the date of this Offering Circular. The tax law upon which this summary is based is subject to change, perhaps with retroactive effect. Any such change may invalidate the contents of this summary, which will not be updated to reflect such change. This summary assumes that each transaction with respect to Instruments is at arm's length.

Where in this Dutch taxation paragraph reference is made to a "Holder of Instruments", that concept includes, without limitation:

1. an owner of one or more Instruments who in addition to the title to such Instruments has an economic interest in such Instruments;
2. a person who or an entity that holds the entire economic interest in one or more Instruments;
3. a person who or an entity that holds an interest in an entity, such as a partnership or a mutual fund, that is transparent for Dutch tax purposes, the assets of which comprise one or more Instruments, within the meaning of 1. or 2. above; or
4. a person who is deemed to hold an interest in Instruments, as referred to under 1. to 3., pursuant to the attribution rules of article 2.14a, of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*), with respect to property that has been segregated, for instance in a trust or a foundation.

**Withholding tax**

All payments under Instruments may be made free from withholding or deduction of or for any taxes of whatever nature imposed, levied, withheld or assessed by The Netherlands or any political subdivision or taxing authority of or in The Netherlands, except where Instruments are issued under such terms and conditions that such Instruments are capable of being classified as equity of the relevant Issuer for Dutch tax purposes or actually function as equity of the relevant Issuer within the meaning of article 10, paragraph 1, letter d, of the Dutch Corporation Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*) and where Instruments are issued that are redeemable in exchange for, convertible into or linked to shares or other equity instruments issued or to be issued by the relevant Issuer or by any entity related to the relevant Issuer.

## Taxes on income and capital gains

### Resident Holders of Instruments

The summary set out in this section "Dutch Taxation - Taxes on income and capital gains - Resident Holders of Instruments" applies only to a Holder of Instruments who is a "Dutch Individual" or a "Dutch Corporate Entity".

A Holder of Instruments is a "Dutch Individual" if:

- he is an individual; and
- he is resident, or deemed to be resident, in The Netherlands for Dutch income tax purposes.

A Holder of Instruments is a "Dutch Corporate Entity" if:

- it is a corporate entity (*lichaam*), including an association that is taxable as a corporate entity, that is subject to Dutch corporation tax;
- it is resident, or deemed to be resident, in The Netherlands for Dutch corporation tax purposes;
- it is not an entity that, although in principle subject to Dutch corporation tax, is, in whole or in part, specifically exempt from that tax;
- the benefits derived from Instruments held by it are not exempt in its hands under the participation exemption (as laid down in the Dutch Corporation Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*)); and
- it is not an investment institution (*beleggingsinstelling*) as defined in the Dutch Corporation Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*).

If a Holder of Instruments is not an individual and if it does not satisfy any one or more of these tests, with the exception of the second test, its Dutch tax position is not discussed in this Offering Circular.

#### *Dutch Individuals deriving profits or deemed to be deriving profits from an enterprise*

Any benefits derived or deemed to be derived from Instruments, including any gain realised on the disposal of Instruments, by a Dutch Individual that are attributable to an enterprise from which such Dutch Individual derives profits, whether as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the net value of an enterprise, other than as a shareholder, are generally subject to Dutch income tax at progressive rates.

#### *Dutch Individuals deriving benefits from miscellaneous activities*

Any benefits derived or deemed to be derived from Instruments, including any gain realised on the disposal of Instruments, by a Dutch Individual that constitute benefits from miscellaneous activities (*resultaat uit overige werkzaamheden*) are generally subject to Dutch income tax at progressive rates.

Benefits derived from Instruments by a Dutch Individual are taxable as benefits from miscellaneous activities if he, or an individual who is a connected person in relation to him as meant by article 3.91, paragraph 2, letter b, or c, of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*), has a substantial interest (*aanmerkelijk belang*) in the relevant Issuer.

Generally, a person has a substantial interest in the relevant Issuer if such person – either alone or, in the case of an individual, together with his partner (*partner*), if any – owns or is deemed to own, directly or indirectly, either a number of shares representing five per cent. or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of the relevant Issuer, or rights to acquire, directly or indirectly, shares, whether or not already issued, representing five per cent. or more of the total issued and outstanding capital (or the issued and outstanding capital of any class of shares) of the relevant Issuer or profit participating certificates (*winstbewijzen*) relating to five per cent. or more of the annual profits of the relevant Issuer or to five per cent. or more of the liquidation proceeds of the relevant Issuer.

A person who is entitled to the benefits from shares or profit participating certificates (for instance a holder of a right of usufruct) is deemed to be a holder of shares or profit participating certificates, as the case may be, and such person's entitlement to such benefits is considered a share or a profit participating certificate, as the case may be.

Furthermore, a Dutch Individual may, *inter alia*, derive, or be deemed to derive, benefits from Instruments that are taxable as benefits from miscellaneous activities in the following circumstances:

- a. if his investment activities go beyond the activities of an active portfolio investor, for instance in the case of use of insider knowledge (*voorkennis*) or comparable forms of special knowledge;
- b. if he makes Instruments available or is deemed to make Instruments available, legally or as a matter of fact, directly or indirectly, to certain parties as meant by articles 3.91 and 3.92 of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*) under circumstances described there; or
- c. if he holds Instruments, whether directly or indirectly, and any benefits to be derived from such Instruments are intended, in whole or in part, as remuneration for activities performed by him or by a person who is a connected person in relation to him as meant by article 3.92b, paragraph 5, of the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*).

#### *Other Dutch Individuals*

If a Holder of Instruments is a Dutch Individual whose situation has not been discussed before in this section "Dutch taxation - Taxes on income and capital gains – Resident Holders of Instruments", benefits from his Instruments are taxed annually as a benefit from savings and investments (*voordeel uit sparen en beleggen*). Such benefit is deemed to be 4 per cent. per annum of his "yield basis" (*rendementsgrondslag*), generally to be determined at the beginning of the calendar year, to the extent that such yield basis exceeds the "exempt net asset amount" (*heffingvrij vermogen*) for the relevant year. The benefit is taxed at the rate of 30 per cent. The value of his Instruments forms part of his yield basis. Actual benefits derived from his Instruments, including any gain realised on the disposal of Instruments, are not as such subject to Dutch income tax.

#### *Attribution rule*

Benefits derived or deemed to be derived from certain miscellaneous activities by, and yield basis for benefits from savings and investments of, a child or a foster child who is under 18 years of age are attributed to the parent who exercises, or to the parents who exercise, authority over the child, irrespective of the country of residence of the child.

#### *Dutch Corporate Entities*

Any benefits derived or deemed to be derived from Instruments, including any gain realised on the disposal thereof, that are held by a Dutch Corporate Entity are generally subject to Dutch corporation tax.

### **Non-resident Holders of Instruments**

The summary set out in this section "Dutch Taxation - Taxes on income and capital gains - Non-resident Holders of Instruments" applies only to a Holder of Instruments who is a Non-Resident Holder of Instruments.

A Holder of Instruments will be considered a "Non-Resident Holder of Instruments" if he is neither resident, nor deemed to be resident, in The Netherlands for the purposes of Dutch income tax or corporation tax, as the case may be.

#### *Individuals*

A Non-Resident Holder of Instruments who is an individual will not be subject to any Dutch taxes on income or capital gains in respect of any benefits derived or deemed to be derived from Instruments,

including any payment under Instruments and any gain realised on the disposal of Instruments, except if

1. he derives profits from an enterprise directly, or pursuant to a co-entitlement to the net value of such enterprise, other than as a holder of securities, which enterprise either is managed in The Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative which is taxable in The Netherlands, and his Instruments are attributable to such enterprise; or
2. he derives benefits or is deemed to derive benefits from Instruments that are taxable as benefits from miscellaneous activities in The Netherlands (*resultaat uit overige werkzaamheden in Nederland*).

See the section "Dutch Taxation - Taxes on income and capital gains - Resident Holders of Instruments - Dutch Individuals deriving benefits from miscellaneous activities" for a description of the circumstances under which the benefits derived from Instruments may be taxable as benefits from miscellaneous activities, on the understanding that such benefits will be taxable in The Netherlands only if such activities are performed or deemed to be performed in The Netherlands.

#### *Attribution rule*

Benefits derived or deemed to be derived from certain miscellaneous activities by a child or a foster child who is under 18 years of age are attributed to the parent who exercises, or to the parents who exercise, authority over the child, irrespective of the country of residence of the child.

#### *Entities*

A Non-Resident Holder of Instruments other than an individual will not be subject to any Dutch taxes on income or capital gains in respect of any benefits derived or deemed to be derived from Instruments, including any payment under Instruments and any gain realised on the disposal of Instruments, except if

1. such Non-Resident Holder of Instruments derives profits from an enterprise directly, or pursuant to a co-entitlement to the net value of such enterprise, other than as a holder of securities, which enterprise either is managed in The Netherlands or carried on, in whole or in part, through a permanent establishment or a permanent representative which is taxable in The Netherlands, and its Instruments are attributable to such enterprise; or
2. such Non-Resident Holder of Instruments has a substantial interest in the relevant Issuer (as described above under Individuals) or a deemed substantial interest in the relevant Issuer.

A deemed substantial interest may be present if shares, profit participating certificates or rights to acquire shares in the relevant Issuer are held by such person or deemed to be held by such person following the application of a non-recognition provision.

#### *General*

Subject to the above, a Non-Resident Holder of Instruments will not be subject to income taxation in The Netherlands by reason only of the execution (*ondertekening*), delivery (*overhandiging*) and/or enforcement of the documents relating to the issue of Instruments or the performance by the relevant Issuer of its obligations under such documents or under the Instruments.

#### **Gift and inheritance taxes**

If a Holder of Instruments disposes of Instruments by way of gift, in form or in substance, or if a Holder of Instruments who is an individual dies, no Dutch gift tax or Dutch inheritance tax, as applicable, will be due, unless:

- (i) the donor is, or the deceased was resident or deemed to be resident in The Netherlands for purposes of Dutch gift tax or Dutch inheritance tax, as applicable; or

- (ii) the donor made a gift of Instruments, then became a resident or deemed resident of The Netherlands, and died as a resident or deemed resident of The Netherlands within 180 days of the date of the gift.

For purposes of the above, a gift of Instruments made under a condition precedent (*opschortende voorwaarde*) is deemed to be made at the time the condition precedent is satisfied.

### Registration taxes and duties

No Dutch registration tax, transfer tax, stamp duty or any other similar documentary tax or duty, other than court fees, is payable in The Netherlands in respect of or in connection with (i) the execution and/or enforcement by legal proceedings (including the enforcement of any foreign judgment in the courts of The Netherlands) of the documents relating to the issue of Instruments, (ii) the performance by the relevant Issuer of its obligations under such documents or under the Instruments, or (iii) the transfer of Instruments, except that Dutch real property transfer tax (*overdrachtsbelasting*) may be due upon an acquisition in connection with Instruments of (a) real property situated in The Netherlands, (b) (an interest in) an asset that qualifies as real property situated in The Netherlands, or (c) (an interest in) a right over real property situated in The Netherlands, for the purposes of Dutch real property transfer tax (*overdrachtsbelasting*) or, where Instruments are issued under such terms and conditions that they represent (an interest in) an asset that qualifies as real property situated in The Netherlands, or (an interest in) a right over real property situated in The Netherlands, for the purposes of Dutch real property transfer tax (*overdrachtsbelasting*).

## LUXEMBOURG TAXATION

The following summary is of a general nature and is included herein solely for information purposes. It is based on the laws presently in force in Luxembourg, though it is not intended to be, nor should it be construed to be, legal or tax advice. Prospective investors in the Notes, the Warrants and the Certificates (together referred to as the "**Instruments**"), should therefore consult their own professional advisers as to the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject.

### Withholding Tax and Self-Applied Tax

#### (i) Non-resident holders of the Instruments

Under Luxembourg general tax laws currently in force, there is no withholding tax on payments of principal, premium, any additional amounts or interest made to non-resident holders of Instruments, nor on accrued but unpaid interest in respect of Instruments, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Instruments held by non-resident holders of Instruments.

#### (ii) Resident holders of the Instruments

Under Luxembourg general tax laws currently in force and subject to the law of 23 December 2005 as amended (the "**Law**") mentioned below, there is no withholding tax on payments of principal, premium, any additional amounts or interest made to Luxembourg resident holders of Instruments, nor on accrued but unpaid interest in respect of Instruments, nor is any Luxembourg withholding tax payable upon redemption or repurchase of Instruments held by Luxembourg resident holders of Instruments.

Under the Law payments of interest or similar income made or ascribed by a Luxembourg paying agent (defined in the same way as in the Council Directive 2003/48/EC of 3 June 2003 on taxation of savings income in the form of interest payments (the "**Savings Directive**") to or for the benefit of an individual beneficial owner who is resident of Luxembourg or to certain residual entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with European Council Directive 85/611/EC or for the exchange of information regime) will be subject to a withholding tax of 10 per cent. (the "**10 per cent. Withholding Tax**").

Pursuant to the Law, Luxembourg resident individuals acting in the course of the private wealth can opt to self-declare and pay a 10 per cent. tax (the "**10 per cent. Self-Declared Tax**") on interest payments made on or after 31 December 2007 by paying agents (defined in the same way as under the Savings

Directive) located in an EU Member State other than Luxembourg, a Member State of the European Economic Area other than an EU Member State or in a State or territory which has concluded an international agreement directly related to the Savings Directive.

The 10 per cent. Withholding Tax or the 10 per cent. Self-Declared Tax will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Payments of interest under the Instruments coming within the scope of the Law would be subject to 10 per cent. Withholding Tax, or the 10 per cent. Self-Declared Tax.

## CURAÇAO TAXATION

This summary solely addresses the principal Curaçao tax consequences of the acquisition, ownership and disposal of W&C Instruments issued on or after the date of this Offering Circular. It does not purport to describe every aspect of taxation that may be relevant to a particular holder of W&C Instruments (as defined below). Any potential investor should consult his tax adviser for more information about the tax consequences of acquiring, owning and disposing of W&C Instruments in his particular circumstances. Where in this summary English terms and expressions are used to refer to Dutch concepts, the meaning to be attributed to such terms and expressions shall be the meaning to be attributed to the equivalent Dutch concepts under Curaçao tax law.

This summary is based on the tax law of Curaçao (unpublished case law not included) as it stands at the date of this Note, Warrant and Certificate Programme. The tax law upon which this summary is based, is subject to changes, perhaps with retroactive effect. Any such change may invalidate the contents of this summary, which will not be updated to reflect such change. This summary assumes that (i) each transaction with respect to W&C Instruments is at arm's length, (ii) neither the Guarantor nor the Secured W&C Instrument Collateral Provider is resident nor deemed to be resident in Curaçao and neither the Guarantor nor the Secured W&C Instrument Collateral Provider has a permanent establishment nor a permanent representative in Curaçao, for Curaçao tax purposes, (iii) neither the General Partner nor the Limited Partner as described in this Offering Circular is resident or deemed to be resident in Curaçao nor considered as transparent for Curaçao tax purposes, (iv) no payment under W&C Instruments has been or will be secured by a mortgage on any real property, or on any rights on real property, situated within Curaçao, (v) if any payment under W&C Instruments qualifies as an interest payment made to, or secured to, or for the direct benefit of, an individual who is resident of the part of the Kingdom of The Netherlands situated in Europe or of any other State, with which the Kingdom of The Netherlands has concluded an agreement regarding automatic exchange of information with respect to income in the form of interest payments within the meaning of the National Ordinance on the Taxation of Savings Income (*Landsverordening spaarvermogensheffing*), such individual has authorised in writing the submission of information concerning such payments to the competent authorities of his State of residency in accordance with the National Ordinance on the Taxation of Savings Income, and (vi) no W&C Instruments will be issued that are, in whole or in part, linked to shares of any one or more companies that are resident or deemed to be resident in Curaçao for Curaçao tax purposes.

Where in this Curaçao taxation paragraph reference is made to a "holder of W&C Instruments", that concept includes, without limitation:

1. an owner of one or more W&C Instruments who in addition to the title to such W&C Instruments has an economic interest in such W&C Instruments;
2. a person who or an entity that holds the entire economic interest in one or more W&C Instruments;
3. a person who or an entity that holds an interest in an entity, such as a partnership, that is transparent for Curaçao tax purposes, the assets of which comprise one or more W&C Instruments, within the meaning of 1. or 2. above.

## Withholding Tax

All payments under W&C Instruments may be made free of withholding or deduction of, for or on account of any taxes of whatever nature imposed, levied, withheld or assessed by Curaçao or any political subdivision or taxing authority of, or in, Curaçao.

## Taxes on Income and Capital Gains

The summary set out in this section "Curacao Taxation - Taxes on Income and Capital Gains" applies only to a holder of W&C Instruments who is neither resident nor deemed to be resident in Curaçao for the purposes of Curaçao income or profit tax (a "**Non-Resident holder of W&C Instruments**").

A Non-Resident holder of W&C Instruments will not be subject to any Curaçao taxes on income or capital gains in respect of any benefits derived or deemed to be derived from W&C Instruments, including any payment under W&C Instruments and any gain realised on the disposal of W&C Instruments, provided that:

- (i) such holder does not have an enterprise or profession or an interest in an enterprise or profession that is, in whole or in part, carried on in Curaçao by or for the account of such holder, and to which enterprise or profession or part of an enterprise or profession, as the case may be, his or its W&C Instruments are attributable; and
- (ii) if such holder is an individual and if such W&C Instruments are not considered securities (*effecten*) for Curaçao purposes, no payment under the W&C Instruments is contingent on the proceeds of any Curaçao enterprise or profession, nor on the quantities or proceeds of any product mined or processed in Curaçao.

Benefits derived or deemed to be derived from certain miscellaneous activities by a child or a foster-child who is under 18 years of age are attributed to the parent who exercises, or the parents who exercise, authority over the child, irrespective of the country of residence of the child.

## Gift and Inheritance Taxes

No gift or inheritance tax will arise in Curaçao with respect to an acquisition of W&C Instruments by way of gift by, or on the death of, a holder of W&C Instruments who is neither resident nor deemed to be resident in Curaçao for Curaçao tax purposes.

A holder of W&C Instruments will not be deemed to be resident in Curaçao by reason only of the holding of W&C Instruments.

## Sales Tax

No sales tax (*omzetbelasting*), turnover tax (*belasting op bedrijfsomzetten*) or similar tax will arise in Curaçao in respect of any payment in consideration for the issue of W&C Instruments or with respect to any payment under the W&C Instruments provided that the W&C Instruments will neither be offered or deemed to be offered nor sold or deemed to be sold directly or indirectly to, nor will W&C Instruments be acquired or deemed to be acquired or owned or deemed to be owned by:

- (i) an individual who is resident or deemed to be resident in Curaçao for Curaçao tax purposes; or
- (ii) an entity which is resident or deemed to be resident in Curaçao for Curaçao tax purposes, and which is not in the possession of a foreign exchange license pursuant to article 23 of the Foreign Exchange Regulation Curaçao and Sint Maarten (*Regeling Deviezenverkeer Curaçao en Sint Maarten*); or
- (iii) an individual who or an entity which is neither resident nor deemed to be resident in Curaçao and who or which is engaged in trade or business in Curaçao through a permanent establishment or through a permanent representative, for Curaçao tax purposes;

in each case: for the purposes of the Sales Tax Ordinance (*Landverordening Omzetbelasting 1999*).

### **Other Taxes and Duties**

No Curaçao registration tax, transfer tax, stamp duty or any other similar documentary tax or duty will be payable in Curaçao in respect of, or in connection with, the execution, delivery and/or enforcement by legal proceedings of the documents relating to the issue of W&C Instruments or the performance by the relevant Issuer or the Guarantor of its obligations under such documents or under W&C Instruments, provided these actions take place outside Curaçao. Stamp tax amounting to not more than NAFL 20 (U.S.\$11.20) per page and registration tax of NAFL 10 (U.S.\$5.60) per document are payable in case of registration in Curaçao of documents or if such documents are brought into the courts of Curaçao and court fees will be due in the case of litigation in the courts of Curaçao.

A holder of W&C Instruments will not incur or become liable for any Curaçao registration tax, transfer tax, stamp duty or any other similar documentary tax or duty by reason only of the acquisition, ownership or disposal of W&C Instruments.

### **SWITZERLAND**

The following is a summary based on legislation as of the date of this Offering Circular. It does not aim to be a comprehensive description of all the Swiss tax considerations that may be relevant for a decision to invest in Instruments. The tax treatment for each investor depends on the particular situation. All investors are advised to consult with their professional tax advisors as to the respective Swiss tax consequences of the purchase, ownership, disposition, lapse, exercise or redemption of Instruments (or options embedded therein) in light of their particular circumstances.

#### **Swiss Federal Stamp Taxes**

The issuance of Instruments to the initial holders at the original offering price (primary market) is not subject to Swiss federal issuance stamp tax or Swiss federal securities turnover tax (*Umsatzabgabe*), although the issuance of Instruments classified as fund-like instruments may be subject to Swiss federal securities turnover tax of up to 0.3 per cent. on the offering price, but only if a Swiss securities dealer (as defined in the Swiss federal stamp tax act) is a party or an intermediary to the transaction and no exemption applies.

Dealings in Instruments (secondary market) classified as pure derivative financial instruments (such as pure call and put options, including low exercise price options with maturities not exceeding twelve months, pure futures with maximum pre-financings of 25 per cent., fully-funded Instruments which statically replicate an index or a basket of at least five shares and with a fixed maturity or annual redemption right) are exempt from Swiss federal securities turnover tax. Dealings in other Instruments may be subject to Swiss federal securities turnover tax of up to 0.3 per cent. on the consideration paid if a Swiss securities dealer (as defined in the Swiss federal stamp tax act) is a party or an intermediary to the transaction and no exemption applies.

The physical delivery of an Instrument at exercise or redemption to the holder of such Instrument may be subject to Swiss federal securities turnover tax of (i) 0.3 per cent., in the event that a security issued by an issuer outside Switzerland is delivered and (ii) 0.15 per cent., in the event that a security issued by a Swiss domestic issuer is delivered, in each case, only if a Swiss domestic securities dealer (as defined in the Swiss federal stamp tax act) is a party or an intermediary to the delivery and no exemption applies.

#### **Swiss Withholding Tax**

Payments under the Instruments are not subject to Swiss federal withholding tax provided that the relevant Issuer is at all times resident and managed outside Switzerland for Swiss tax purposes.

### **Income Taxation**

#### ***Non-Swiss resident Holders***

A holder of an Instrument who is not resident in Switzerland and who during the tax year has not engaged in a trade or business carried on through a permanent establishment or fixed place of business in Switzerland will not be subject to income tax in Switzerland in respect of such Instrument.

***Instruments held as Private Assets by a Swiss resident Holder******(a) Structured Notes***

If an Instrument is classified as a structured note, its income taxation depends on whether the bond and the derivative financial instrument(s) embedded therein are recorded separately from each other and whether the Instrument is classified as a structured note with or without a predominant one-time interest payment:

*Non-transparent derivative financial instruments:* If the embedded bond is not recorded separately from the embedded derivative financial instrument(s), the Instrument classifies as a non-transparent structured note and any return over the initial investment classifies as a taxable interest payment. Non-transparent derivative financial instruments generally include a predominant one-time interest payment and are taxed in accordance with the principles set forth below under "Transparent derivative financial instruments with a predominant one-time interest payment".

*Transparent derivative financial instruments without a predominant one-time interest payment:* If the embedded bond is recorded separately from the embedded derivative financial instrument(s) and the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time-interest-payment (see below "Transparent derivative financial instruments with a predominant one-time interest payment"), then any periodic interest payment and the one-time interest payment is taxed when paid to the holder of the Instrument. A gain, including interest accrued, or a loss, as the case may be, realised on the sale of an Instrument is a tax-free private capital gain or a non-tax-deductible private capital loss, as applicable (see below "Capital Gains Taxation - Instruments held as Private Assets by a Swiss resident Holder"). The same applies if the Instrument is redeemed except that interest accrued is taxed when paid.

*Transparent derivative financial instruments with a predominant one-time interest payment:* If the embedded bond is recorded separately from the embedded derivative financial instrument(s) and the yield-to-maturity predominantly derives from a one-time interest payment such as an original issue discount or a repayment premium and not from periodic interest payments, then any periodic interest payments and on the sale or redemption of the Instrument, the difference between the value of the embedded bond at redemption or sale, as applicable, and its value at issuance or secondary market purchase, as applicable, converted, in each case, into Swiss Francs at the exchange rate prevailing at the time of redemption or sale, issuance or purchase, respectively (modified differential taxation method) constitutes taxable income. A value decrease on the embedded bond respectively realised on the sale or redemption of the Instrument may be offset against any gains (including periodic interest payments) realised within the same taxation period from all instruments with a predominant one-time interest payment. Any residual return realised on the embedded derivative financial instrument(s) is a tax-free private capital gain, and any residual loss is a non-tax-deductible private capital loss, respectively (see below "Capital Gains Taxation - Instruments held as Private Assets by a Swiss resident Holder").

***(b) Bonds***

*Bonds without a predominant one-time interest payment:* If an Instrument classifies as a pure bond without a predominant one-time interest payment (the yield-to-maturity predominantly derives from periodic interest payments and not from a one-time-interest-payment), Swiss resident private investors will be taxed on the periodic and any one-time interest payments, converted into Swiss Francs at the exchange rate prevailing at the time of payment. A gain, including interest accrued, or a loss, as the case may be, realised on the sale of an Instrument is a tax-free private capital gain or a non-tax-deductible private capital loss, as applicable (see below "Capital Gains Taxation - Instruments held as Private Assets by a Swiss resident Holder").

*Bonds with a predominant one-time interest payment:* If an Instrument classifies as a pure bond with a predominant one-time interest payment (the yield-to-maturity predominantly derives from a one-time-interest-payment such as an original issue discount or a repayment

premium and not from periodic interest payments), Swiss resident private investors will be taxed on any periodic interest payments and on any gains, including capital and foreign exchange gains, realised on the Instruments (differential taxation method).

(c) *Pure Derivative financial instruments*

Periodic and one-time dividend equalisation payments realised on an Instrument which classifies as a pure derivative financial instrument (such as pure call and put options, including low exercise price options with a maturity not exceeding one year, pure futures, static certificates replicating an index or a basket of at least five shares and with a fixed maturity or an annual redemption right) and which is held as part of their private assets constitute taxable investment income. Any other return will be classified as a tax-exempt capital gain or a non-tax deductible capital loss (see below "Capital Gains Taxation - Instruments held as Private Assets by a Swiss resident Holder").

(d) *Low Exercise Price Options*

According to the current practice of the Swiss Federal Tax Administration, low exercise price options are given if the underlying of an option has been pre-financed by at least 50 per cent. at the time of issuance.

For low exercise price options with a maturity exceeding one year the interest component of the low exercise price option (i.e. issue discount) constitutes taxable investment income. Any other return will be classified as a tax-exempt capital gain or a non-tax deductible capital loss (see below "Capital Gains Taxation - Instruments held as Private Assets by a Swiss resident Holder").

(e) *Fund-like instruments*

An Instrument classified as a fund-like instrument will be considered a pass-through instrument for Swiss tax purposes if dividend and interest income (less attributable costs) from, and capital gains and losses (less costs attributable) realised on, the underlying investments, are reported and distributed separately. Under such conditions, an individual holding a fund-like Instrument as part of private assets only receives taxable income (which he or she must report annually) over such portion of the distributions (if the fund is distributing the income realised on the underlying investments) or earnings credits (if the fund is reinvesting the income realised on the underlying investment) as derive from dividends and interest (less attributable costs) on the underlying instruments. Any distributions or credits deriving from capital gains realised on the underlying investments constitute a tax-free private capital gain and any respective loss on the underlying investments is a non-tax-deductible private capital loss. Any gain realised within a taxation period on the sale of a fund-like instrument (including accrued dividends and interest) is exempt from income taxation as a private capital gain, and, conversely, any loss realised a non-tax-deductible capital loss (see below "Capital Gains Taxation - Instruments held as Private Assets by a Swiss resident Holder").

***Instruments held as Assets of a Swiss Business***

Corporate entities and individuals who hold Instruments as part of a trade or business in Switzerland, in the case of residents abroad carried on through a permanent establishment or a fixed place of business in Switzerland, are required to recognise any payments on, and any capital gains or losses realised on the sale or redemption of, such Instruments (irrespective of their classification) in their income statement for the respective taxation period and will be taxed on any net taxable earnings for such period.

The same taxation treatment also applies to Swiss-resident individuals who, for income tax purposes, are classified as "professional securities dealers" for reasons of, *inter alia*, frequent dealing and leveraged investments in securities.

## Capital Gains Taxation

### *Instruments held as Private Assets by a Swiss resident Holder*

A gain or a loss, as the case may be, realised by an individual resident in Switzerland for tax purposes upon the sale or other disposal of an Instrument held as part of his or her private assets is a tax-free private capital gain or a non-tax deductible capital loss, as applicable, unless such individual is classified, for income tax purposes, as "professional securities dealers" for reasons of, inter alia, frequent dealing and leveraged investments in securities. If an individual is classified as "professional securities dealer" he or she will in accordance with the principles set forth below under "Instruments held as Assets of a Swiss Business". Concerning the bifurcation of a tax-exempt capital gains component or non-tax deductible capital loss component, as the case may be, from taxable income components of an Instrument see the bifurcation principles set forth above with regard to the different instruments under "Income Taxation - Instruments held as Private Assets by a Swiss resident Holder").

### *Instruments held as Assets of a Swiss Business*

Capital gains realised on Instruments held as Assets of a Swiss Business are taxed in accordance with the taxation principles set forth above under "Income Taxation - Instruments held as Assets of a Swiss Business").

## Gift, Inheritance and Estate Taxes

Subject to an applicable tax treaty in an international scenario, transfers of Instruments may be subject to cantonal and/or communal inheritance tax, estate tax or gift tax if the deceased person has had his or her last domicile in Switzerland, or the donor is resident in Switzerland, or, in the case of a foreign deceased or resident person, the transfer involves an unincorporated business in Switzerland and Instruments are held as part of such business. No such taxes exist at the federal level. Rates depend upon the existing relationship (i.e. the relationship between the deceased and the heirs, or between the donor and the donee) and the size of the inheritance or gift. Interspousal gifts and gifts to descendants and inheritances collected by the surviving spouse and descendants are frequently exempt or taxed at very low rates (up to 6 per cent.). Gifts and inheritances received from unrelated persons attract rates ranging from 20 per cent. to 40 per cent. The taxable base is usually the market value of the property transferred.

## Net Worth and Capital Taxes

A holder of Instruments who is an individual resident in Switzerland for tax purposes or is a non-Swiss resident holding Instruments as part of a Swiss business operation or a Swiss permanent establishment is required to report Instruments as part of private wealth or as part of Swiss business assets, as the case may be, and is subject to annual cantonal and/or communal private wealth tax on any net taxable wealth (including the Instruments), in the case of non-Swiss resident individual holding Instruments as part of a Swiss business operation or a Swiss permanent establishment to the extent the aggregate taxable wealth is allocable to Switzerland. Incorporated holders of Instruments are subject to cantonal and communal capital tax on net taxable equity, in the case of non-Swiss resident person holding Instruments as part of a Swiss permanent establishment, to the extent the aggregate taxable equity is allocable to Switzerland. No net worth and capital taxes exist at the federal level.

## EU Savings Directive

Under the EU Savings Directive, Member States are required to provide to the tax authorities of other Member States details of certain payments of interest or similar income made or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or certain limited types of entities established in another Member State.

For a transitional period, Austria is instead required (unless during that period it elects otherwise) to operate a withholding system in relation to such payments. The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of countries and territories outside the European Union, including Switzerland, have adopted similar measures. A withholding system at a rate of currently 35% in the case of Switzerland with the option of the individual to have the paying agent and the relevant Swiss

authorities provide to the tax authorities of the Member State the details of the interest payments or payments of other similar income in lieu of the withholding.

On March 24, 2014, the Council of the European Union adopted the Amending Directive amending and broadening the scope of the requirements described above. The Amending Directive requires Member States to apply these new requirements from January 1, 2017. If the new requirements were to take effect, they would expand the range of payments covered by the EU Savings Directive, in particular to include additional types of income payable on securities, and also expand the circumstances in which payments that indirectly benefit an individual resident in a Member State must be reported or subject to withholding tax. This approach would apply to payments made to, or secured for, persons, entities or legal arrangements (including trusts) where certain conditions are satisfied, and may in some cases apply where a person, entity or arrangement is established or effectively managed outside of the European Union. In connection with the Amending Directive, Switzerland and the European Community have signed, on May 27, 2015, an amendment protocol to the agreement between the European Community and the Confederation of Switzerland dated as of October 26, 2004, which would introduce, if ratified, an extended automatic exchange of information regime in accordance with the Global Standard released by the OECD Council in July 2014, in lieu of the withholding system, beginning in 2018, and expand the range of payments covered.

However, the European Commission has proposed the repeal of the EU Savings Directive from January 1, 2017 in the case of Austria and from January 1, 2016 in the case of all other Member States (subject to on-going requirements to fulfil administrative obligations such as the reporting and exchange of information relating to, and accounting for withholding taxes on, payments made before those dates). If the proposal to repeal the EU Savings Directive is adopted in its current form, Member States would not be required to apply the new requirements of the Amending Directive. This is to prevent overlap between the EU Savings Directive and a new automatic exchange of information regime to be implemented under the Amending Cooperation Directive. The Amending Cooperation Directive was adopted to introduce an extended automatic exchange of information regime in accordance with the Global Standard released by the OECD Council in July 2014. The Amending Cooperation Directive requires EU Member States to adopt national legislation necessary to comply with it by December 31, 2015, which legislation must apply from January 1, 2016 (January 1, 2017 in the case of Austria). The Amending Cooperation Directive is generally broader in scope than the EU Savings Directive, although it does not impose withholding taxes, and provides that to the extent there is overlap of scope, the Amending Cooperation Directive prevails.

If a payment were to be made or collected through a Member State, or a country or territory outside of the European Union that has adopted similar measures, which has opted for a withholding system, including Switzerland, and an amount of, or in respect of, tax were to be withheld from that payment (pursuant to the EU Savings Directive or any other directive or any law or agreement implementing or complying with, or introduced or entered into in order to conform to, the EU Savings Directive), holders of Instruments will not be entitled to receive any additional amounts to compensate them as a result of any such withholding.

### **Final Foreign Withholding Taxes**

Under bilateral treaties on final withholding taxes between Switzerland and each of the United Kingdom and Austria (each a "**Contracting State**"), which have been in force since January 1, 2013, a Swiss paying agent, as such term is defined in the treaties, is required to levy a flat-rate final withholding tax (*internationale Quellensteuer*) at rates specified in the treaties on certain capital gains and income items (interest, dividends and other income items, each such term as defined in the treaties) deriving from assets held in accounts or deposits with a Swiss paying agent by (i) an individual that is a tax resident of a Contracting State; or (ii) a domiciliary company (*Sitzgesellschaft*), an insurance company in connection with a so-called insurance wrapper (*Lebensversicherungsmantel*) or other individuals (if the beneficial owner is an individual resident of a Contracting State), *provided* that certain requirements are met.

According to the treaties, the flat-rate tax to be withheld substitutes the ordinary income tax on the respective capital gains and income items in the Contracting State where an individual is tax resident. In order to avoid such flat-rate tax from being withheld by the Swiss paying agent, an individual may opt for a disclosure of the respective capital gains and income items to the tax authorities of the Contracting State where they are tax resident. If a flat-rate final withholding tax were to be deducted or

withheld from a payment of interest or capital gain relating to the Instruments, neither the relevant Issuer nor any Paying Agent nor any other person would, pursuant to the Conditions, be obligated to pay additional amounts with respect to any Instrument as a result of the deduction or imposition of such final withholding tax.

## **UNITED KINGDOM TAXATION**

The following is a summary of the United Kingdom withholding tax treatment of payments under the Instruments, of certain other United Kingdom tax considerations relating to the acquiring, holding, exercising or disposing of Instruments and of certain aspects of the United Kingdom stamp duty and stamp duty reserve tax treatment of the issue, transfer and exercise of Instruments. It is based on current United Kingdom tax law and HM Revenue & Customs' ("HMRC") published practice. The comments only apply to Holders that are the beneficial owners of Instruments who acquire and hold Instruments as an investment and do not apply to certain classes of person (such as unit trusts, open-ended investment companies, persons connected with the relevant Issuer and persons carrying on a trade of dealing in financial instruments) to whom special rules may apply. The comments are intended as a general guide and should be treated with appropriate caution, particularly since the precise provisions of the Final Terms could alter the tax treatment of any given Instruments. This summary is not intended to be exhaustive and does not cover any issues or taxes not expressly covered; nor should it be considered legal or tax advice to any person. The summary does not take into account the effect of any overriding anti-avoidance principles or legislation that may apply to Holders in their particular circumstances or to any wider arrangements to which they may be a party. Each potential purchaser is advised to consult its own tax adviser as to the United Kingdom tax consequences attributable to acquiring, holding, exercising and disposing of Instruments and as to other United Kingdom and non-United Kingdom applicable taxes.

The references to "interest" in this United Kingdom taxation section mean "interest" as understood in United Kingdom tax law. The statements do not take account of any different definitions of "interest" or "principal" which may prevail under any other law or which may be created by the terms and conditions of the Instruments or any related documentation. In particular, any premium element of the redemption amount of any Instruments redeemable at a premium and any Additional Amounts payable under W&C Instruments may constitute a payment of interest.

Potential individual purchasers who are resident for tax purposes in the United Kingdom but who are not United Kingdom-domiciled should consult their own tax advisers as to which Instruments do or do not benefit from a non-United Kingdom situs treatment for the purposes of relevant United Kingdom taxes.

### **United Kingdom Withholding Tax on Instruments**

There should be no requirement for United Kingdom tax to be withheld on payments under the Instruments which do not have a United Kingdom source.

### **Provisions of information in respect of certain payments under the Instruments**

HMRC has powers, in certain circumstances, to obtain information about: payments derived from securities (whether income or capital); certain payments of interest (including the amount payable on the redemption of a security constituting a deeply discounted security (see definition below)); and securities transactions.

The persons from whom HMRC can obtain information include: a person who receives (or is entitled to receive) a payment derived from securities; a person who makes such a payment (received from, or paid on behalf of another person); a person by or through whom interest is paid or credited; a person who effects or is a party to securities transactions (which includes an issue of securities) on behalf of others; registrars or administrators in respect of securities transactions; and each registered or inscribed holder of securities.

The information HMRC can obtain includes: details of the beneficial owner of securities; details of the person for whom the securities are held, or the person to whom the payment is to be made (and, if more than one, their respective interests); information and documents relating to securities transactions; and, in relation to interest paid or credited on money received or retained in the United Kingdom, the identity of the security under which interest is paid.

In certain circumstances the information which HMRC has obtained using these powers may be exchanged with tax authorities in other jurisdictions.

## **W&C Instruments**

### ***Holders not within the charge to United Kingdom corporation tax***

The following applies to Holders who are resident in the United Kingdom, other than Holders who are within the charge to corporation tax. **Each potential purchaser of W&C Instruments is advised to consult its own tax adviser as to the United Kingdom tax consequences of acquiring, holding, exercising and disposing of W&C Instruments as the taxation of W&C Instruments is particularly complex and sensitive to the precise terms of the relevant W&C Instrument.**

### ***Qualifying options***

The United Kingdom tax treatment of W&C Instruments will depend upon the particular facts and circumstances of the Holder. On the assumption that he or she will hold the W&C Instruments as investment assets, the UK tax treatment will also depend upon whether or not they are "qualifying options".

A W&C Instrument is unlikely to be an "option" (and therefore is unlikely to be a "qualifying option") unless it satisfies all of the following conditions:

- (a) there are no Additional Amounts payable under the terms of the W&C Instrument;
- (b) the W&C Instruments are not designed to produce a return equivalent to money invested at interest;
- (c) there is no floor or other minimum amount payable under the terms of the W&C Instruments; and
- (d) the return on the W&C Instruments is calculated with direct reference to fluctuations in the value of an underlying Reference Item or Items.

Any potential Holder should note, however, that, even if a W&C Instrument satisfies all of these conditions it may nevertheless not be an "option" for United Kingdom tax purposes. Whether or not a W&C Instrument is an "option" for United Kingdom tax purposes will depend on its precise terms. If a W&C Instrument is an "option" for United Kingdom tax purposes then it will not be a "qualifying option" unless either:

- (a) it is listed on a "recognised stock exchange" or a "recognised futures exchange" for the purposes of section 144(8) TCGA (as defined below); or
- (b) it is a "financial option" for the purposes of that section.

W&C Instruments which constitute "qualifying options" for the purposes of section 143 of the Taxation of Chargeable Gains Act 1992 ("TCGA") are generally assets to the disposal and exercise of which the TCGA applies. Accordingly, a disposal or exercise of such W&C Instruments by a Holder may give rise to a chargeable gain or allowable loss for the purposes of the United Kingdom taxation of chargeable gains.

In circumstances where a "qualifying option" is exercised and settled by Physical Delivery, generally the exercise will not be treated as a disposal giving rise to chargeable gains or allowable losses. Instead, the acquisition and exercise of the option is treated as a single transaction and the cost of acquiring the option is treated as part of the cost of acquiring the underlying asset acquired on exercise.

### ***W&C Instruments which are not "qualifying options"***

Where W&C Instruments are not qualifying options then different United Kingdom tax considerations may apply. The W&C Instrument may be treated as a debt security, in which case potential purchasers should refer to the section below entitled "Notes", however further considerations may affect the analysis, depending on the terms of the W&C Instrument.

## Notes

### *Holders not within the charge to United Kingdom corporation tax*

The following applies to Holders who are resident in the United Kingdom, other than Holders who are within the charge to corporation tax. **Each potential purchaser of Notes is advised to consult its own tax adviser as to the United Kingdom tax consequences of acquiring, holding and disposing of Notes.**

### *Interest*

Any interest, discount or premium payable on the Notes will generally be subject to United Kingdom income tax by direct assessment even where paid without withholding.

### *Accrued Income Scheme*

Holders should have regard to the provisions of the Accrued Income Scheme (the "**Scheme**") which may apply to Holders transferring Notes that bear interest or to persons to whom such Notes are transferred. The charge to tax on income that may arise under the Scheme will be in respect of an amount representing interest on the Notes which has accrued since the preceding interest payment date. This amount will be taken into account in determining any chargeable gain or loss arising on a disposal of the Notes.

However, where a Note constitutes a "variable rate security" for the purposes of the Scheme, the amount of accrued interest deemed to be received as income by a Holder upon transfer would be such amount as is just and reasonable in the circumstances, and the transferee will not be entitled to any credit under the Scheme to set against any actual or deemed interest that is received or is deemed received by the transferee after the transfer.

### *Taxation of discount and premium*

Generally where the amount payable on maturity, or any other occasion when the Note can be redeemed (other than those which are ignored because they satisfy the "third party option condition" or the "commercial protection condition" for the purposes of section 431 of the Income Tax (Trading and Other Income) Act 2005 ("**ITTOIA**")), will or may exceed the issue price by more than 0.5 per cent. of the redemption amount for each year in the redemption period, up to a maximum of 30 years, those Notes will constitute deeply discounted securities, subject to certain exceptions. It is not considered that Notes would be regarded as deeply discounted securities merely by reason of the fact that they are denominated in a currency other than sterling. Where Notes constitute "deeply discounted securities", a Holder may be liable to United Kingdom income tax on any profits (generally, the amount by which any sum payable on the transfer or redemption of the Note exceeds its acquisition price) made on the sale or other disposal (including redemption) of such Notes.

Where Notes are issued at a redemption premium as opposed to being issued at a discount, then where such premium does not constitute a payment of interest such Notes may constitute "deeply discounted securities" (as mentioned above).

Notes which are "deeply discounted securities" are qualifying corporate bonds and are therefore not subject to tax on chargeable gains.

Notes which constitute "excluded indexed securities" for the purposes of section 433 ITTOIA, notwithstanding that they may satisfy the above requirements, will not be treated as "deeply discounted securities" and therefore any gain will generally be, subject to the Holder's personal circumstances, within the charge to United Kingdom tax on capital gains. A security will only be an "excluded indexed security" for these purposes if the amount payable on redemption is determined by applying to the amount for which the Notes were issued the percentage change (if any) over the Note's redemption period in (a) the value of chargeable assets (within the meaning of section 433 ITTOIA) of a particular description, or (b) an index of the value of such assets. The fact that a Note provides for a minimum amount payable on redemption not exceeding 10 per cent. of the issue price will not prevent it from satisfying this requirement and any interest payable on redemption is ignored in determining the amount payable on redemption for these purposes.

*Capital gains tax*

Where Notes (other than "deeply discounted securities") are denominated in sterling and are not capable of redemption in or by reference to any foreign currency they may be treated as qualifying corporate bonds so that no United Kingdom taxation on chargeable gains or allowable losses will arise on any sale, redemption or other disposal. This depends upon the Notes comprising "normal commercial loans" (for the purposes of section 117(1) TCGA) which may not be the case where, for example, the Notes contain a right to acquire other shares or securities, or to a return which depends on the results of the Issuer's business or any part of it. A Note which carries a return expressed in sterling which is determined by reference to the value at any time of any other currency or asset will not be treated as being denominated in sterling for these purposes, and accordingly will not be a qualifying corporate bond.

Where Notes are denominated in a currency other than sterling or do not comprise normal commercial loans, then provided they are not deeply discounted securities they will generally be chargeable assets for the purposes of United Kingdom capital gains tax with the result that any gain or loss arising on a disposal may, depending on the Holder's personal circumstances, give rise to a charge to United Kingdom tax on capital gains or an allowable loss.

**Holders not resident in the United Kingdom**

Payments on the Instruments that have a United Kingdom source may be subject to income tax by direct assessment even when paid without withholding or deduction.

However, where such payments received without withholding or deduction for or on account of United Kingdom tax constitute interest or annual payments, such amounts will not be chargeable in the hands of a Holder (other than certain trustees) who is not resident for tax purposes in the United Kingdom unless that Holder carries on a trade, profession or vocation in the United Kingdom through a United Kingdom branch or agency or, in the case of a company, a permanent establishment in connection with which such amounts are received or to which the Instruments are attributable.

Where payments on Instruments have been paid under deduction of United Kingdom income tax, Holders who are not resident in the United Kingdom may be able to recover part of the tax deducted if that is provided for in an applicable double tax treaty between the country of residence of the Holder and the United Kingdom. Holders may also be entitled to a reduction in the rate of or exemption from tax on United Kingdom source payments if provided for in an applicable double tax treaty between the country of residence of the Holder and the United Kingdom.

Holders not resident in the United Kingdom will not be within the charge to United Kingdom tax on chargeable gains in respect of any Instruments save broadly where Instruments are held in or used for the purposes of a trade carried on by the non-resident through a branch or agency or, in the case of a company, a permanent establishment, and subject also to certain rules that apply in the case of individuals that are temporary non-residents.

**United Kingdom Stamp Duty and Stamp Duty Reserve Tax ("SDRT")***Issue*

No stamp duty or SDRT should arise on the issue of Instruments which do not provide for Physical Delivery.

In relation to Instruments which provide for Physical Delivery and constitute unconditional agreements to transfer the Entitlement, no charge to SDRT should arise on issue provided that the Entitlement to be delivered on settlement is not or are not "chargeable securities". In general terms, Entitlements which:

- (a) are not interests in unit trust schemes;
- (b) are issued by a body corporate incorporated outside of the United Kingdom and are not paired with shares issued by a body corporate incorporated in the United Kingdom;
- (c) are not registered in a register kept in the United Kingdom; and

- (d) do not give its holder the right to subscribe for, or otherwise acquire, a security (or an interest in, or right arising out of, a security) registered in a register kept in the United Kingdom,

are not "chargeable securities". Where the Entitlements do constitute "chargeable securities" and are not covered by article 5(2) of the Capital Duties Directive (Council Directive 2008/7/EC), SDRT could be payable on the issue of the relevant Instruments.

In relation to Instruments that provide for Physical Delivery, a Global Instrument or any instrument granting a Global Instrument may be subject to United Kingdom stamp duty if it is executed in the United Kingdom or if it relates to any property situate, or to any matter or thing done or to be done, in the United Kingdom. Even if an instrument is subject to United Kingdom stamp duty, there may be no practical necessity to pay that stamp duty, as United Kingdom stamp duty is not an assessable tax. However, an instrument which is not duly stamped cannot be used for certain purposes in the United Kingdom; for example it will be inadmissible in evidence in civil proceedings in a United Kingdom court.

### *Transfer*

Stamp duty is chargeable on written instruments, and so if transfers of Instruments are effected through a Clearing System otherwise than by way of written instrument then no stamp duty should arise in respect of such a transfer. If a written instrument is used in respect of a transfer by way of sale, then any such instrument which is executed in the United Kingdom or which (if not executed in the United Kingdom) relates to any matter or thing done or to be done in the United Kingdom may be subject to stamp duty unless the Instruments constitute "exempt loan capital", that is they are exempt under section 79 of the Finance Act 1986. Stamp duty would be charged at 0.5 per cent. of the sale consideration. If the consideration paid for a transfer of such Instruments is £1,000 or less and the instrument transferring the Instruments includes an appropriate certificate the stamp duty payable will be reduced to nil.

The Issuers do not intend to keep or maintain any register of securities in the United Kingdom and on the basis that no such register is kept or maintained in the United Kingdom, no SDRT should generally (and subject to the following paragraph) be payable in respect of any agreement to transfer Instruments.

SDRT at 0.5 per cent. may be payable in relation to any agreement to transfer Instruments that provide for Physical Delivery either mandatorily or at the option of the Holder, or otherwise give the Holder the right to acquire stock, shares or loan capital (or interests in or rights arising out of stock, shares or loan capital) in certain bodies corporate with a United Kingdom connection unless such stock, shares or loan capital would qualify as "exempt loan capital". A body corporate will have a United Kingdom connection for these purposes if (i) a register of the relevant stock, shares or loan capital is kept in the United Kingdom by or on behalf of the body corporate; or (ii) the shares are "paired" with shares in a United Kingdom incorporated body corporate within the meaning of s 99(6B) FA 1986.

Where Instruments are issued in bearer form which (i) are denominated in sterling or in respect of which there is an option for repayment in sterling or in one or more other currencies (unless that option is exercisable only by the holder) and (ii) are not loan capital; the first transfer by delivery in the United Kingdom of any such Instrument may attract a compulsory bearer instrument duty at 1.5 per cent. of the value of such Instrument.

### *Exercise and redemption*

United Kingdom stamp duty may be required to be paid in relation to the transfer of an asset (such as stock or marketable securities) following the exercise of a Physical Delivery Warrant or Physical Delivery Certificate or following redemption of a Physical Delivery Note. SDRT may be payable in respect of the agreement to transfer an asset pursuant to a Physical Delivery Warrant or Physical Delivery Certificate following the exercise of the Warrant or Certificate or pursuant to a Physical Delivery Note in connection with redemption of the Note. However, any such liability to SDRT will be cancelled (or, if already paid, will be repaid) if the instrument effecting the transfer is chargeable with stamp duty (or is otherwise required to be stamped) and has been duly stamped within six years of the agreement being made or, in the case of a conditional agreement, within six years of all conditions being satisfied.

## THE PROPOSED FINANCIAL TRANSACTIONS TAX (FTT)

On 14 February 2013, the European Commission published a proposal (the "**Commission's Proposal**") for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the "**participating Member States**").

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in the Instruments (including secondary market transactions) in certain circumstances. The issuance and subscription of Instruments should, however, be exempt.

Under the Commission's Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in Instruments where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

A joint statement issued in May 2014 by ten of the eleven participating Member States indicated an intention to implement the FTT progressively, such that it would initially apply to shares and certain derivatives, with this initial implementation occurring by 1 January 2016. It is uncertain when and how the FTT proposal will ultimately be implemented. The FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation. Additional EU Member States may decide to participate.

Prospective holders of Instruments are advised to seek their own professional advice in relation to the FTT.

## OFFERING AND SALE

The Dealers have entered into an Amended and Restated Programme Agreement dated 11 November 2015 (as the same may be amended, supplemented and/or restated, from time to time, in accordance with the terms thereof, the "**Programme Agreement**"), with the Issuers and the Guarantor, which sets forth a basis upon which they may from time to time agree to purchase the Instruments. In the Programme Agreement, the Issuers have agreed to reimburse the Dealers for certain of their expenses in connection with the issue of Instruments under the Programme.

No action has been or will be taken by BAC, MLBV or MLICo. that would permit a public offering of any Instruments or possession or distribution of any offering material in relation to any Instruments in any jurisdiction where action for that purpose is required. No offers, sales, re-sales or deliveries of any Instruments, or distribution of any offering material relating to any Instruments, may be made in or from any jurisdiction except in circumstances which will result in compliance with any applicable laws and regulations and which will not impose any obligation on the Issuers and the Guarantor.

## UNITED STATES

### *Notes issued by BAC*

Neither the Notes issued by BAC nor, in certain cases, the securities to be delivered upon settlement of such Notes have been, or will be, registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), or under any U.S. state securities laws.

The Notes issued by BAC may not be offered, sold, resold, traded, transferred, pledged, delivered or redeemed, directly or indirectly, within the United States of America (including the U.S. states and the District of Columbia), its territories, its possessions and other areas subject to its jurisdiction (the "**United States**") or to, or for the account or benefit of, U.S. persons (other than distributors) except in accordance with Regulation S under the Securities Act or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Neither the Notes issued by BAC nor certain Entitlements constitute, or have been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the U.S. Commodity Exchange Act of 1936, as amended (the "**CEA**"), and trading in the Notes issued by BAC has not been approved by the U.S. Commodity Futures Trading Commission (the "**CFTC**") pursuant to the CEA.

Each Dealer in respect of Notes issued by BAC has represented and agreed, and each further dealer or distributor in respect of Notes issued by BAC will be required to represent and agree, that it has not offered and sold any Notes of any identifiable Tranche issued by BAC, and will not offer and sell any Notes of any identifiable Tranche issued by BAC, (i) as part of their distribution at any time, or (ii) otherwise until 40 days after the completion of the distribution of such Tranche as determined and certified by the Dealer (the "**Distribution Compliance Period**") within the United States or to, or for the account or benefit of, U.S. persons. Each Dealer has further represented and agreed, and each further dealer or distributor will be required to further represent and agree, that it, its affiliates or any persons acting on its or their behalf have not engaged and will not engage in any directed selling efforts with respect to any Note issued by BAC, and it and they have complied and will comply with the offering restrictions requirement of Regulation S. Each Dealer who has purchased Notes issued by BAC of a Tranche (or in the case of a sale of a Tranche of BAC Notes issued to or through more than one Dealer, each of such Dealers as to the BAC Notes of such Tranche purchased by or through it) shall determine and notify in writing to the Principal Paying Agent the completion of the distribution of the BAC Notes of such Tranche. On the basis of such notification or notifications, the Principal Paying Agent has agreed to notify such Dealer or Dealers in writing of the end of the Distribution Compliance Period with respect to such Tranche of BAC Notes.

In addition, until 40 days after the completion of the distribution of the Notes issued by BAC comprising any Tranche, any offer of sale of such Notes within the United States or by any dealer (whether or not participating in the offering of such Tranche of Notes) may violate the registration requirements of the Securities Act.

Each Dealer has further agreed, and each further dealer or distributor in respect of Notes issued by BAC will be required to agree, that during the Distribution Compliance Period, it will have sent to each distributor, dealer, person receiving a selling concession, fee, or other remuneration, or purchaser that

purchases Notes issued by BAC from it during the Distribution Compliance Period a confirmation or other notice substantially the following effect:

"The Notes covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), or under any U.S. state securities laws. The Notes may not be offered, sold, resold, traded, pledged, redeemed, transferred or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of Notes issued by Bank of America Corporation comprising any Tranche, as determined and certified by the Dealers, except in accordance with Regulation S under the Securities Act. Terms used above have the meanings given to them by Regulation S."

Terms used in this section have the meanings given to them by Regulation S under the Securities Act.

#### *Notes issued by MLBV and Certificates*

None of the Notes issued by MLBV, the Certificates of any Series, the Non-COSI Guarantee and, in certain cases, any securities to be delivered upon exercise or settlement of such Notes or Certificates have been, or will be, registered under the Securities Act or under any U.S. state securities laws. The Notes issued by MLBV, the Certificates of any Series, the Non-COSI Guarantee and certain Entitlements do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the CEA, and trading in the Notes issued by MLBV or the Certificates has not been approved by the CFTC pursuant to the CEA. No Notes issued by MLBV or Certificates of any Series, or interests therein, or Entitlements (if any) with respect thereto, may be legally or beneficially owned by any United States Person at any time nor offered, sold, resold, traded, pledged, exercised, redeemed, transferred or delivered, directly or indirectly, within the United States or to, or for the account or benefit of, any United States Person (other than distributors). "**United States Person**" means a person which is a "U.S. person" as defined by Regulation S under the Securities Act or a "United States person" as defined in Section 7701(a)(30) of the U.S. Internal Revenue Code of 1986, as amended, and in U.S. Treasury regulations. Consequently, any offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery of any Notes issued by MLBV or Certificates made, directly or indirectly, within the United States or to, or for the account or benefit of, a United States Person will not be recognised.

Each Dealer has represented and agreed, and each further dealer or distributor in respect of Notes issued by MLBV or Certificates will be required to represent and agree, that it, its affiliates and any person acting on its or their behalf will not at any time offer, sell, resell, trade, pledge, exercise, redeem, transfer or deliver, directly or indirectly, Notes issued by MLBV or Certificates in the United States or to, or for the account or benefit of, any United States Person or to others for offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any such United States Person. Any person purchasing Notes issued by MLBV or Certificates of any Series must represent and agree, or by its purchase will be deemed to represent, acknowledge, certify and agree, with the relevant Issuer, the Guarantor, the Dealer and the seller of such Notes issued by MLBV or Certificates for itself and any person for whose account such Notes or Certificates are being purchased that: (i) it is not a United States Person, is not located in the United States and was not solicited to purchase the Notes issued by MLBV or Certificates, as applicable, while present in the United States, (ii) it will not at any time offer, sell, resell, trade, pledge, exercise, redeem, transfer or deliver, directly or indirectly, any Notes issued by MLBV or Certificates, as applicable, of such Series so purchased in the United States or to, or for the account or benefit of, any United States Person (other than distributors (as defined in Regulation S)) or to others for offer, sale, resale, trade, pledge, exercise, redemption, transfer or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors), (iii) it is not purchasing any Notes issued by MLBV or Certificates, as applicable, of such Series for the account or benefit of any United States Person (other than distributors), and (iv) it will not make offers, sales, resales, trades, pledges, exercises, redemptions, transfers or deliveries of any Notes issued by MLBV or Certificates, as applicable, of such Series (otherwise acquired), directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors). Each Dealer has agreed, and each further dealer or distributor in respect of Notes issued by MLBV or Certificates will also be required to agree, and any person purchasing Notes issued by MLBV or Certificates of any Series must agree, to send each person who purchases any such Notes issued by MLBV or Certificates of such Series from it at or prior to confirmation of sale of any such Notes issued

by MLBV or Certificates, a written confirmation (which shall include the definitions of "United States" and "United States Person" set forth herein) stating that the Notes issued by MLBV or the Certificates, as applicable, the Non-COSI Guarantee and, in certain cases, any securities to be delivered upon exercise or settlement of such Notes or Certificates have not been registered under the Securities Act or any U.S. state securities laws, and trading in such Notes issued by MLBV or Certificates, as applicable, has not been approved by the CFTC pursuant to the CEA, and stating that such purchaser agrees that it will not at any time offer, sell, resell, trade, pledge, exercise, redeem, transfer or deliver such Notes issued by MLBV or Certificates, as applicable, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person.

Prior to the delivery of any Entitlement in respect of a Physical Delivery Instrument the holder thereof will be required to represent that, *inter alia*, it is not a United States Person, the Note issued by MLBV or Certificate, as applicable, was not exercised on behalf of a United States Person and no cash, securities or other property has been or will be delivered within the United States or to, or for the account or benefit of, a United States Person in connection with any exercise thereof. In respect of Notes issued by MLBV, see "Annex 10 – *Additional Terms and Conditions for Physical Delivery Notes*" and, in respect of Certificates, see W&C Instruments Condition 31 (*Collection Notices and Settlement (Certificates)*).

### **Warrants**

None of the Warrants of any Series, the related Guarantee of BAC and, in certain cases, any securities to be delivered upon exercise or settlement of the Warrants have been, or will be, registered under the Securities Act or any U.S. state securities laws. The Warrants, the related Guarantee and certain Entitlements do not constitute, and have not been marketed as, contracts of sale of a commodity for future delivery (or options thereon) subject to the CEA, and trading in the Warrants has not been approved by the CFTC pursuant to the CEA. Unless a Series of Warrants is eligible for sale to qualified institutional buyers ("**QIBs**") as defined in Rule 144A under the Securities Act ("**Rule 144A**") who are also qualified purchasers ("**QPs**") within the meaning of Section 3(c)(7) and as defined in Section 2(a)(51) of the U.S. Investment Company Act of 1940, as amended, and the rules thereunder, in the United States or to, or for the account or benefit of, United States Persons who satisfy such criteria, and otherwise in compliance with Rule 144A, no Warrants of any Series, or interests therein, may at any time be offered, sold, resold, traded, pledged, exercised, transferred or delivered, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors) or to others for offer, sale, resale, trade, pledge, exercise, transfer or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors). Each Dealer has agreed, and each further dealer or distributor in respect of an issue of Warrants will be required to agree, and each holder and each legal and beneficial owner of Warrants will be deemed on purchase to agree, not to engage in hedging transactions with regard to the Warrants unless in compliance with the Securities Act.

If a Rule 144A Warrant eligible for sale in the United States or to, or for the account or benefit of, United States Persons is concurrently eligible for sale to non-United States Persons pursuant to Regulations S under the Securities Act, any person exercising such Warrants will be required to represent either that it is a QIB who is also a QP or that it is not a United States Person. See "Annex 11 – *Additional Terms and Conditions for Rule 144A Warrants*" and "Notice to Purchasers and Holders of Instruments and Transfer Restrictions".

Each QIB/QP, as a condition to purchasing Rule 144A Warrants, or any legal or beneficial interests therein, will be obligated to enter into and remain in compliance with an Investor Representation Letter executed for the benefit of the Dealer, MLICo. and the Guarantor (together with their respective affiliates and any persons controlling, controlled by or under common control with such Dealer, MLICo. or the Guarantor), pursuant to which it will agree, among other things, that any resales of such Rule 144A Warrants may be effected only to or through MLICo. or the Dealer to another QIB/QP, and otherwise in compliance with Rule 144A.

With respect to Rule 144A Warrants, each purchaser is hereby notified that the offer and sale of such Rule 144A Warrants to it is made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A and that such Rule 144A Warrants are not transferrable except as provided herein and under "Notice to Purchasers and Holders of Instruments and Transfer Restrictions".

Unless otherwise stated in the relevant Final Terms, Rule 144A Warrants relating to commodities and commodities futures may not be offered, sold, resold, traded, transferred, pledged, delivered or redeemed, directly or indirectly, in the United States or to, or for the account or benefit of, a United States Person, and MLICo. and the Guarantor reserve the right not to make payment or delivery in respect of such Rule 144A Warrant to a person in the United States or a United States Person if such payment or delivery would constitute a violation of U.S. law.

Prior to the delivery of the Entitlement in respect of a Physical Delivery Warrant (other than a Rule 144A Warrant) the holder thereof will be required to represent that, *inter alia*, it is not a United States Person, the Warrant was not exercised on behalf of a United States Person and no cash, securities or other property has been or will be delivered within the United States or its possessions or to, or for the account or benefit of, a United States Person in connection with any exercise thereof. See "Notice to Purchasers and Holders of Instruments and Transfer Restrictions."

In connection with each issue of Warrants (other than Rule 144A Warrants), each Dealer has represented and agreed, and each further dealer or distributor in respect of an issue of Warrants will be required to represent and agree, that without the prior written agreement of MLICo. and the Guarantor, it will not at any time offer, sell, resell, trade, pledge, exercise, transfer or deliver, directly or indirectly, Warrants of such Series in the United States or to, or for the account or benefit of, any United States Person (other than distributors (as defined in Regulation S)) or to others for offer, sale, resale, trade, pledge, exercise, transfer or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any such United States Person (other than distributors). Each Dealer has agreed, and each further dealer or distributor in respect of an issue of Rule 144A Warrants will also be required to agree, and any person purchasing such Rule 144A Warrants must agree, to send each person who purchases any such Rule 144A Warrants from it at or prior to the confirmation of sale, a written confirmation (which shall include the definitions of "United States" and "United States Person" set forth herein) stating that the Warrants, the Non-COSI Guarantee and certain of the securities to be delivered upon exercise or settlement of the Warrants have not been registered under the Securities Act or any U.S. state securities laws, and any trading in the Warrants has not been approved by the CFTC pursuant to the CEA, and stating that such purchaser agrees that it will not at any time offer, sell, resell, trade, pledge, exercise, transfer or deliver Warrants, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors) unless effected to or through MLICo. or the Dealer to another QIB/QP, and otherwise in compliance with Rule 144A. Each of MLICo. and the Guarantor has agreed to sales by MLI to Merrill Lynch, Pierce, Fenner & Smith Incorporated or one of its affiliates for re-sale (a) to persons in the United States and (b) to, or for the account or benefit of, United States Persons, in either case, who are QIBs and also QPs and who enter into and remain in compliance with an Investor Representation Letter, and otherwise in compliance with Rule 144A and the restrictions set forth herein.

Any person purchasing Warrants of any Series (other than a Series of Rule 144A Warrants) must agree or will be deemed on purchase to represent, acknowledge, certify and agree with MLICo., the Guarantor, the Dealer and the seller of such Warrants for itself and any person for whose account such Warrants are being purchased that: (i) it is not a United States Person, is not located in the United States and was not solicited to purchase such Warrants while present in the United States; (ii) it will not at any time offer, sell, resell, trade, pledge, exercise, transfer or deliver, directly or indirectly, any Warrants of such Series so purchased in the United States or to, or for the account or benefit of, any United States Person (other than distributors) or to others for offer, sale, resale, trade, pledge, exercise, transfer or delivery, directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors); (iii) it is not purchasing any Warrants of such Series for the account or benefit of any United States Person (other than distributors); and (iv) it will not make offers, sales, re-sales, trades, pledges, exercises, transfers or deliveries of any Warrants of such Series (otherwise acquired), directly or indirectly, in the United States or to, or for the account or benefit of, any United States Person (other than distributors).

## PUBLIC OFFER SELLING RESTRICTION UNDER THE PROSPECTUS DIRECTIVE

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a "**Relevant Member State**"), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the "**Relevant Implementation Date**") it has not made and will not make an offer of Instruments which are the subject of the offering contemplated by this Offering Circular as completed by the Final Terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Instruments to the public in that Relevant Member State:

- (a) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (b) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the relevant Issuer for any such offer; or
- (c) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Instruments referred to in (a) to (c) above shall require the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive, or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an "**offer of Instruments to the public**" in relation to any Instruments in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Instruments to be offered so as to enable an investor to decide to purchase or subscribe for the Instruments, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression "**Prospectus Directive**" means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in the Relevant Member State and the expression "**2010 PD Amending Directive**" means Directive 2010/73/EU.

## UNITED KINGDOM

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) in relation to any Instruments which have a maturity of less than one year (i) it is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any Instruments other than to persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or as agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses where the issue of the Instruments would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act 2000 (the "**FSMA**") by the relevant Issuer;
- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Instruments in circumstances in which section 21(1) of the FSMA does not apply to the relevant Issuer or (if applicable) the Guarantor; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Instruments in, from or otherwise involving the United Kingdom.

## THE NETHERLANDS

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that the Instruments (including rights representing an interest in the Instruments in global form) which are the subject of this Offering Circular, shall not be offered, sold, transferred or delivered to the public in The Netherlands unless in reliance on Article 3(2) of the Prospectus Directive and provided:

- (i) such offer is made exclusively to legal entities which are qualified investors (as defined in the Prospectus Directive) in The Netherlands; or
- (ii) standard logo and exemption wording are incorporated in the applicable Final Terms, advertisements and documents in which the offer is announced, as required by article 5:20(5) of the Dutch Financial Supervision Act (*Wet op het financieel toezicht*, the "FSA"); or
- (iii) such offer is otherwise made in circumstances in which article 5:20(5) of the FSA is not applicable.

For the purposes of the above, the expressions (i) "an offer of Instruments to the public" in relation to any Instruments in The Netherlands; and (ii) "Prospectus Directive", have the meaning given to them in the paragraph headed "Public Offer Selling Restriction under the Prospectus Directive".

Instruments that qualify as savings certificates as defined in the Savings Certificates Act (*Wet inzake Spaarbewijzen*) in definitive form may only be transferred and accepted through the mediation of the relevant Issuer or a member of Euronext Amsterdam NV in accordance with the Savings Certificates Act. Such restrictions do not apply (a) to a transfer and acceptance of Instruments in definitive form between individuals not acting in the conduct of a business or profession, (b) to the transfer and acceptance of Instruments in definitive form within The Netherlands if all Instruments (either in definitive form or as rights representing an interest in the Instruments in global form) are issued outside The Netherlands and are not distributed within The Netherlands in the course of primary trading or immediately thereafter or (c) to the initial issue of such Instruments to the first holders thereof. If the Savings Certificates Act is applicable, certain identification requirements in relation to the issue, transfer of or payment on the Instruments will have to be complied with. For the purposes of this paragraph, Instruments that qualify as savings certificates as defined in the Savings Certificates Act (*Wet inzake Spaarbewijzen*) are Instruments that are in bearer form and that constitute a claim for a fixed sum against the relevant Issuer and on which interest does not become due prior to maturity or on which no interest is due whatsoever.

BAC does not have an authorisation from the Dutch Central Bank (*De Nederlandsche Bank N.V.*) pursuant to the FSA for the pursuit of the business of a credit institution in The Netherlands and therefore does not have a licence pursuant to section 2:11(1), 2:12(1), 2:13(1) or 2:20(1) of the FSA.

## SWITZERLAND

**The Instruments do not constitute participations in a collective investment scheme within the meaning of the Swiss Federal Act on Collective Investment Schemes of 23 June 2006 (the "CISA"). Therefore, the Instruments are not subject to the approval of, or supervision by, the Swiss Financial Market Supervisory Authority FINMA ("FINMA"), and investors in the Instruments will not benefit from protection under the CISA or supervision by FINMA.**

Neither this Offering Circular nor any offering or marketing material relating to the Instruments constitute a prospectus within the meaning of (i) Articles 652a or Article 1156 of the Swiss Federal Code of Obligations or (ii) Article 5 CISA and its implementing regulations.

The relevant Issuer reserves the right to set forth all information which may be required to be disclosed in a simplified prospectus pursuant to Article 5 CISA in a separate document referred to as "Final Terms" and/or "Simplified Prospectus" (the "**Simplified Prospectus**") for Instruments distributed (such term including any offering and advertising) to qualified investors according to Article 10 Paras. 3 to 4 CISA ("**Qualified Investors**") or non-qualified investors within the meaning of the CISA ("**Non-Qualified Investors**").

Except as described in this section, Instruments constituting structured products within the meaning of Article 5 CISA ("**Structured Products**") may not be distributed to Non-Qualified Investors in or from Switzerland.

Any Instruments constituting Structured Products which are intended to be distributed to Non-Qualified Investors in or from Switzerland may only be offered or advertised in accordance with the provisions of the CISA and its implementing regulations. In particular, the CISA requires that a Simplified Prospectus complying with Article 5 CISA, its implementing regulations and the *Swiss Banking Guidelines on Informing Investors about Structured Products* (as amended from time to time) or, in some cases, an equivalent document must be published. A provisional version of such Simplified Prospectus including indicative information must be made available free of charge to any interested person prior to subscribing the Instruments or prior to concluding an agreement to subscribe the Instruments. The definitive version must be made available free of charge to any interested person on issue or on concluding an agreement to subscribe the Instruments.

Instruments constituting Structured Products which are not intended to be distributed to Non-Qualified Investors in or from Switzerland may only be offered or advertised, and this Offering Circular, any Final Terms, fact sheets or any other marketing material relating to such Instruments may only be distributed, offered or made available to Qualified Investors in or from Switzerland by way of private placement which is exclusively addressed to and available for such Qualified Investors. This Offering Circular, the respective Final Terms, fact sheets or any other marketing material may not be distributed, copied, published or otherwise made public or available for Non-Qualified Investors. The CNV has not approved the Instruments, the offering, nor any document relating to the offering or issuance of the Instruments. Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold, and will not offer or sell, any of such Instruments in Argentina, except in transactions that will not constitute a public offering of Instruments within the meaning of Sections 2 and 83 of the Argentine Capital Markets Law No 26,831. Argentine insurance companies may not purchase the Instruments.

## AUSTRALIA

Each Dealer has acknowledged, and each further Dealer appointed under the Programme will be required to acknowledge, that it must not make any offer or invitation in Australia or which is received in Australia in relation to the issue, sale or purchase of any Instruments unless the offeree or invitee is required to pay at least A\$500,000 for the Instruments or its foreign currency equivalent (in either case disregarding amounts, if any, lent by the relevant Issuer or other person offering the Instruments or its associates (within the meaning of those expressions in Part 6D.2 of the Corporations Act 2001 (Cth) of Australia (the "**Australian Corporations Act**"))), or it is otherwise an offer or invitation in respect of which, by virtue of section 708 or Part 7.9 of the Australian Corporations Act, no disclosure document is required to be given to the offeree or invitee.

- (iii) in compliance with any other applicable laws and regulations or requirement imposed by CONSOB or other Italian authority.

*Please note that in accordance with Article 100-bis of the Italian Financial Services Act, concerning the circulation of financial products, where no exemption from the rules on offerings of securities to the public applies under (a) and (b) above, the subsequent distribution of the Instruments on the secondary market in Italy must be made in compliance with the public offer and the prospectus requirement rules provided under the Italian Financial Services Act and CONSOB Regulation No. 11971. Furthermore, Article 100-bis of the Italian Financial Services Act affects the transferability of the Instruments in the Republic of Italy to the extent that any placing of the Instruments is made solely with qualified investors and the Instruments are then systematically resold to non-qualified investors on the secondary market at any time in the 12 months following such placing. Where this occurs, if a prospectus has not been published, purchasers of the Instruments who are acting outside of the course of their business or profession may be entitled to declare such purchase null and void and to claim damages from any authorised intermediary at whose premises the Instruments were purchased, unless an exemption provided for by the Italian Financial Services Act applies.*
